Southern Illinois University - Board of Trustees

CARBONDALE, ILLINOIS 62901

June 30, 1973

The Honorable Dan Walker
Governor of Illinois

Sir:

We have the honor to submit to you herewith, in compliance with the law, the twenty-fourth annual report of the Board of Trustees of Southern Illinois University for the fiscal year July 1, 1972, to June 30, 1973.

Respectfully yours,

Martin V. Brown
Secretary

BOARD OF TRUSTEES
(as of June 30, 1973)

MEMBERS

William W. Allen	Bloomington
Martin V. Brown, M.D.	Carbondale
Ivan A. Elliott, Jr.	Carmi
Harold R. Fischer	Granite City
W. Victor Rouse	Evanston
Harris Rowe	Jacksonville
Earl E. Walker, M.D.	Harrisburg
Donald E. Fouts, Office of the Superintendent of Public Instruction	Springfield

OFFICERS

Ivan A. Elliott, Jr., Chairman
Harold R. Fischer, Vice-Chairman
Martin V. Brown, Secretary
Alice Griffin, Assistant Secretary
Robert L. Gallegly, Treasurer

EXECUTIVE COMMITTEE

Ivan A. Elliott, Jr.
Harris Rowe
Earl E. Walker

Roll Call	3
Approval of Minutes of Meeting Held June 16, 1972	3
Amendment of Article VIII Section 5 of the <u>Statutes</u> of the Board of Trustees	3
Amendment of Article VIII Section 6 A of the <u>Statutes</u> of the Board of Trustees	5
Consideration of University Matters:	
A. Review of Graduate Programs	
(1) Progress Report on the Review of Graduate Programs, SIUC	10
(2) Supplemental Report on Review of Graduate Programs, SIUE	45
(3) Recommendation for System Action Concerning Program Review	48
B. Submission of Preliminary Fiscal 1973-74 Operating Budget Request Data	51
C. Changes in Faculty-Administrative Payroll	52
D. Actions of the Executive Committee	83
E. Approval of Degree Program: Bachelor of Science in Recreation, SIUE (Postponed)	83
F. Redesignation of Unit Name: Regional and Urban Development Studies and Services to Center for Urban and Environmental Research and Services, SIUE	84
G. Approval of Change in Student Fees: Increase University Center Fee to \$10 Per Quarter, SIUE	85
H. Conveyance of Portion of Alton Campus to Illinois Department of Transportation, SIUE	86
I. Payment of Illinois Public Interest Research Group Dues by Students through the University, SIUC	88, 101
J. Illinois Educational Consortium for Computer Services	88
K. Reconveyance from Illinois Building Authority and Assignment of Contracts to Capital Development Board	88
Statement by Dr. James Brown, Chief of Board Staff, Concerning Board Agenda Policy and Procedures	89

Current and Pending Matters:

(1)	Adjustment to Computation of Civil Service Salary Increase Authorization, SIUE	91
(2)	Student Activity Fee Budget for Fiscal Year 1972-73, SIUC	101
(3)	Campus Housing Activity Fee Budget for Fiscal Year 1972-73, SIUC	92
(4)	Recommendation for Honorary Degree, SIUC (Mr. Charles B. Shuman)	93
(5)	Award of Bid: Foundation and Shower-Locker Portions of Temporary Athletic Facility, SIUE	94
(6)	Report on Pre-Legal Internship Program, SIUE	99
(7)	Faculty Work Load Report (Postponed)	90
	Appointment of Dean, School of Law, SIUC	112

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:35 a.m., Friday, July 21, 1972, in the Madison Room of the University Center, Edwardsville Campus. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Mr. W. Victor Rouse
 Mr. Harris Rowe
 Dr. Earl E. Walker,

and the following member was absent:

The Honorable Michael J. Bakalis.
 (Dr. Donald Fouts of the Office of Superintendent of
 Public Instruction attended at Dr. Bakalis' request)

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a regular meeting held June 16, 1972, copies of which had previously been forwarded to members of the Board. On motion of Mr. Allen, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized Dr. James Brown, who presented the following matter, which incorporates an amendment to Subsection C thereof made in the course of the meeting:

(3)

AMENDMENT OF ARTICLE VIII SECTION 5 OF THE
STATUTES OF THE BOARD OF TRUSTEES

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That VIII Statutes 5 of the Board of Trustees be and is hereby amended as follows, effective August 1, 1972:

Section 5. Grievance Procedure.

- A. In case of difficulty or complaint, each member of the faculty and staff shall have the right to use the channels provided for the settlement of grievances. In general, personnel problems should be solved within the organization at the level at which they arise, and in no case should individuals outside the internal organization be asked to pass on such difficulties until established internal channels have been exhausted. Academic staff members may appeal through the regular academic channels; Civil Service employees successively to their supervisors, personnel officers, the Chief Officer for Business Affairs, and the President; student helpers successively to their supervisors, the Chief Officer for Student Services, and the President; employees under the Chief of Board Staff successively to their supervisors and the Chief of Board Staff. (8/20/71)
- B. If any member of the faculty and staff feels that he is unjustly or unfairly treated, he is privileged to file formal complaint in writing with his highest administrative superior who shall refer it promptly to the appropriate officer in the usual administrative channels for hearing and adjudication, personally or by committee appointed for the purpose by the administrative officer to whom the case is referred. The decision or recommendation for dealing with the case shall be filed with his highest administrative superior. If the staff member concerned is not content with the decision thus reached, he is privileged to request his highest administrative superior to hear the case and to render decision. If the staff member is still dissatisfied, he may appeal in writing from that decision to the Board of Trustees as provided in the Bylaws of the Board. (8/20/71)
- C. Formal complaints must be filed in writing with the University within thirty (30) days after actual notice of the act or occurrence complained of by any present or former faculty or staff member. All complaints not filed within said thirty (30) day period shall be deemed abandoned.

(Additions shown by underlined material.)

Mr. Elliott moved approval of the Amendment of Article VIII Section 5 of the Statutes of the Board of Trustees, and the motion was duly seconded. After considerable discussion on Subsection C with Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, Mr. Elliott amended his motion to change Subsection C, as incorporated above, and asked the Legal Counsels of both Universities to study the notice clause further for possible future amendment. After a voice vote, the Chair declared the motion to have passed.

The Chair then recognized Dr. James Brown, who stated the following proposed amendment was also presented on a notice basis to the Board on June 18, 1972, and was now officially ready for consideration by the Board:

(4)

AMENDMENT OF ARTICLE VIII SECTION 6 A OF THE
STATUTES OF THE BOARD OF TRUSTEES

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That VIII Statutes 6 A of the Board of Trustees be and is hereby amended as follows, effective August 1, 1972:

Section 6. Academic Freedom and Tenure.

A. Academic Freedom and Responsibility.

1. The Southern Illinois University shall operate under the following principles of academic freedom and responsibility.
stated-in-the-Bulletin-of-the-American-Assoeiation-of
University-Professors,-Spring-Quarter,-1960,-pages-45-to-49.

The purpose of this statement is to promote public understanding and support of academic freedom and tenure and agreement upon procedures to assure them in colleges and universities. Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher¹ or the institution as a whole. The common good depends upon the free search for truth and its free exposition.

Academic freedom is essential to these purposes and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights. . . .

- a. The teacher is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.
- b. The teacher is entitled to freedom in the classroom in discussing his subject, but he should be careful not to introduce into his teaching controversial matter which has no relation to his subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.

- c. The college or university teacher is a citizen, a member of a learned profession, and an officer of an educational institution. When he speaks or writes as a citizen, he should be free from institutional censorship or discipline, but his special position in the community imposes special obligations. As a man of learning and an educational officer, he should remember that the public may judge his profession and his institution by his utterances. Hence he should at all times be accurate, should exercise appropriate restraint, should show respect for the opinion of others, and should make every effort to indicate that he is not an institutional spokesman.²
2. In discussing controversial matters in the classroom a teacher should proceed in a fair and scholarly manner.
3.
 - a. The professor, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognizes the special responsibilities placed upon him. His primary responsibility to his subject is to seek and to state the truth as he sees it. To this end he devotes his energies to developing and improving his scholarly competence. He accepts the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. He practices intellectual honesty. Although he may follow subsidiary interests, these interests must never seriously hamper or compromise his freedom of inquiry.
 - b. As a teacher, the professor encourages the free pursuit of learning in his students. He holds before them the best scholarly standards of his discipline. He demonstrates respect for the student as an individual, and adheres to his proper role as intellectual guide and counselor. He makes every reasonable effort to foster honest academic conduct and to assure that his evaluation of students reflects their true merit. He respects the confidential nature of the relationship between professor and student. He avoids any exploitation of students for his private advantage and acknowledges significant assistance from them. He protects their academic freedom.
 - c. As a colleague, the professor has obligations that derive from common membership in the community of scholars. He respects and defends the free inquiry of his associates. In the exchange of criticism and ideas he shows due respect for the opinions of others. He acknowledges his academic debts and strives to be objective in his professional judgment of colleagues. He accepts his share of faculty responsibilities for the governance of his institution.

- d. As a member of his institution, the professor seeks above all to be an effective teacher and scholar. Although he observes the stated regulations of the institution, provided they do not contravene academic freedom, he maintains the right to criticize and seek revision. He determines the amount and character of the work he does outside his institution with due regard to his paramount responsibilities within it. When considering the interruption or termination of his service, he recognizes the effect of his decision upon the program of the institution and gives due notice of his intentions.
- e. As a member of his community, the professor has the rights and obligations of any citizen. He measures the urgency of these obligations in the light of his responsibilities to his subject, to his students, to his profession and to his institution. When he speaks or acts as a private person he avoids creating the impression that he speaks or acts for his college or university. As a citizen engaged in a profession that depends upon freedom for its health and integrity, the professor has a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.³

- 4. Membership in the academic community imposes on students, faculty members, administrators, and trustees an obligation to respect the dignity of others, to acknowledge their right to express differing opinions, and to foster and defend intellectual honesty, freedom of inquiry and instruction, and free expression on and off the campus. The expression of dissent and the attempt to produce change, therefore, may not be carried out in ways which injure individuals or damage institutional facilities or disrupt the classes of one's teachers or colleagues. Speakers on campus must not only be protected from violence, but given an opportunity to be heard. Those who seek to call attention to grievances must not do so in ways that significantly impede the functions of the institution.

Students are entitled to an atmosphere conducive to learning and to even-handed treatment in all aspects of the teacher-student relationship. Faculty members may not refuse to enroll or teach students on the grounds of their beliefs or the possible uses to which they may put the knowledge to be gained in a course. The student should not be forced by the authority inherent in the instructional role to make particular personal choices as to political action or his own part in society. Evaluation of students and the award of credit must be based on academic performance professionally judged and not on matters irrelevant to that performance, whether personality, race, religion, degree of political activism, or personal beliefs.

It is a teacher's mastery of his subject and his own scholarship which entitles him to his classroom and to freedom in the presentation of his subject. Thus, it is improper for an instructor persistently to intrude material which has no relation to his subject, or to fail to present the subject matter of his course as announced to his students and as approved by the faculty in their collective responsibility for the curriculum.

Because academic freedom has traditionally included the instructor's full freedom as a citizen, most faculty members face no insoluble conflicts between the claims of politics, social action, and conscience, on the one hand, and the claims and expectations of their students, colleagues, and institutions, on the other. If such conflicts become acute, and the instructor's attention to his obligations as a citizen and moral agent precludes the fulfillment of substantial academic obligations, he cannot escape the responsibility of that choice, but should either request a leave of absence or resign his academic position.⁴

¹The word "teacher" as used in this document is understood to include the investigator who is attached to an academic institution without teaching duties.

²Quoted from the "Bulletin of the American Association of University Professors," Spring Quarter, 1950, pages 45 to 49.

³As approved at the Fifty-second Annual Meeting and published in AAUP Bulletin, 55 (1969): 86-87.

⁴Excerpted from a statement approved unanimously by the Council of the AAUP, Washington, D.C., October 31, 1970.

(Additions shown by underlined material.)

Mr. Rowe moved approval of the Amendment of Article VIII Section 6 A of the Statutes of the Board of Trustees. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Mr. Allen commented that he would hope all of the faculty of both Universities would read this language which was well drafted and set forth the terms of what he felt this Board expected in terms of conduct of members of the faculty.

The Chair stated Item A - Review of Graduate Programs would be the next matter for consideration. He recognized President Derge, who called upon Dr. John Baker, Assistant Provost, SIUC, to present the Progress Report on the Review of Graduate Programs, SIUC:

(A (1)) PROGRESS REPORT ON THE REVIEW OF GRADUATE PROGRAMS, SIUC

Among the recommendations of A Master Plan-Phase III (MPIII) of the Illinois Board of Higher Education is that examinations be made of "current offerings at the master's degree level at all institutions. The institutions and their governing boards should report to the Board of Higher Education by June, 1972, the programs to be retained and those to be phased out (chapter 2, page 17)."

Even before this recommendation was made, Southern Illinois University at Carbondale had instituted an in-depth review of all graduate degree programs--master's, specialist's, and Ph.D. This review is a continuing process, during which each degree program will be reviewed at least once every five years. Because of the depth and scope of the review process it has not been possible to review all of the master's programs before the June, 1972 date set by MPIII. Instead, the following steps have been taken:

1. The entire set of graduate programs have been looked at in relation to the scope and mission of the University in order to determine whether any of the programs fall outside that mission.
2. An administrative examination of all graduate programs was undertaken in the light of current knowledge, i.e., without the intensive review process, in order to determine whether any should be phased out.
3. The already existing in-depth review program was continued according to the timetable set for that process.

The results of these three steps have been as follows:

1. The present graduate programs have been found to be compatible with the scope and mission of SIU at Carbondale. This is to say only that these programs are defensible in that light, however, and not that each and every one is mandated to be continued.
2. The administrative examination revealed that one master's program, the master's program in Applied Science, should be phased out, and steps have been taken to do so. In addition, the MS in Theater will be discontinued upon approval by the Illinois Board of Higher Education of the MFA in Theater.
3. Fifteen programs at various levels, master's through Ph.D., have been subjected to review, and all but one have been reviewed in depth and the results of these reviews have been reported to the Graduate Dean for further action. For the single exception admissions have been suspended.

This report will discuss each of these three steps in detail, and will present a progress report on the in-depth review of all graduate programs.

Scope and Mission of SIU at Carbondale

The review of graduate programs at SIU at Carbondale in the light of the scope and mission of the University has revealed no graduate programs which should be phased out because they are not in accord with the mission of the University.

The scope and mission of SIU at Carbondale are summed up in its characterization by MPIII as a "developing comprehensive university" (p. 20). It is the only one of the six university centers besides the University of Illinois to be called a "comprehensive university" without qualifying the comprehensiveness by restricting it to "urban university," as in the case of University of Illinois, Chicago Circle (p.20), or to "partially comprehensive," as in the case of Northern Illinois University (p. 20). Although "comprehensiveness" in the sense used by MPIII includes the offering of a broad range of undergraduate programs, the nature and extent of graduate and professional programs determines to a large extent the scope and mission of institutions. It is at the level of graduate training that SIU at Carbondale serves a function that is not duplicated by any other institution in the state, except in some cases by the University of Illinois. If any cuts were made on the level of graduate training, SIU at Carbondale would cease to be a unique supplier of such advanced training, and would move toward concentrating its resources in the duplication of efforts by the other university centers. If substantial cuts were made in master's-level programs, then SIU at Carbondale would tend to duplicate offerings of the numerous four-year and two-year public institutions in the state.

Not only are there no present programs which are outside the scope and mission of SIU at Carbondale, but there are programs which MPIII has directed to be strengthened and broadened, particularly programs in the humanities (see page 20), the training of vocational education teachers (see page 20), and interdisciplinary programs (see page 20). Furthermore, SIU at Carbondale is encouraged in MPIII to "continue to round out existing programs" (p.20). Since the IBHE has taken pains in MPIII to point out to other university centers, such as Eastern and Western Illinois Universities, that they should phase out some of their programs (see page 22), the positive encouragement given to SIU at Carbondale is not to be taken lightly.

Finally, the development of interdisciplinary graduate programs at SIU at Carbondale has been, and continues to be, particularly strong. There is now underway a sound program at the Ph.D. level in Molecular Science, for example, and a strong program in Engineering Biophysics to the master's level has been approved locally. Furthermore, there are regular procedures for students to follow in setting up individually designed interdisciplinary programs on the Ph.D. level. A development similar in spirit is the double major for the master's degree. The graduate programs thus exemplify the spirit of MPIII, and the contribution of these programs one to another is in full accord with the directives of MPIII.

The following conclusions therefore seem to be warranted. First, SIU at Carbondale is distinguished by its mission to provide graduate-level programs. Second, all of its present graduate programs are in accord with its mission and scope as defined by MPIII. As indicated earlier, however, the latter conclusion

is permissive rather than mandatory: MPIII does not require SIU at Carbondale to maintain each and every one of its present graduate offerings in order to fulfill its mission. Rather, it may well be that, on the basis of criteria other than scope and mission, some graduate programs should be phased out and other new ones instituted.

Administrative Examination

An administrative examination of graduate programs on the basis of current knowledge about academic strength and student enrollments was conducted in conjunction with the program priorities review requested by the IBHE in fall, 1971. As a result of this examination one graduate program, the M.S. in Applied Science, was found to be so obviously weak that it should be phased out.

M.S. in Applied Science

In previous years the program in Applied Science had maintained a small but efficient program. The sum of head-count enrollments for fall quarters, 1963 through 1969, was 32; the total number of degrees granted in 1965 through 1971, including both spring and summer commencements, was 24. The program was not gaining in student enrollments, however. In fall, 1971, there were four students registered in the program; one full professor spent about half of his time in duties related to this program, and various other faculty members contributed a total of about 2/3 FTE to the Applied Science program. There was one Civil Service secretary assigned to work on matters related to Applied Science. The degree program was not identified with any department, but was rather administered through the office of the Dean of the School of Engineering and Technology.

It was decided to phase out the program in view of the small enrollment, and the failure of the program to grow and establish itself satisfactorily.

The estimated savings from phasing out this program will be \$23,267.

The following steps have been taken to phase this program out in an orderly fashion:

1. Effective winter quarter, 1972, admissions to the M.S. program in Applied Science have been stopped.
2. Students now enrolled in the program have been notified by letter that they have until June, 1974, to complete their work and that the M.S. in Applied Science will not be awarded after that time.
3. Steps have been taken to delete reference to the Applied Science program in the narrative description section of the Graduate Catalog. This deletion will be effective in the 1973-74 Catalog.
4. Courses relevant only to the Applied Science program are being dropped from the list of courses; those servicing other programs in the School of Engineering and Technology are being transferred to the appropriate other departments within the School.

M.S. in Theater

A program leading to the Master of Fine Arts in Theater was approved for SIU at Carbondale by the Board of Trustees on March 17, 1972, subject to approval by the Illinois Board of Higher Education. The Dean of the Graduate School, after a thorough study by the Graduate Council, has recommended that the existing program leading to the Master of Science in Theater be discontinued upon the expected approval in July by the IBHE of the program for the M.F.A. in Theater.

Program Review

Graduate Program Review is under the jurisdiction of the Dean of the Graduate School. He is assisted in this effort by the Program Review Committee, which is a standing committee of the Graduate Council. The Committee this year is composed of eight members, seven members of the Graduate Faculty and one graduate student. Most of the faculty members of the Program Review Committee are members of the Graduate Council, although, according to the Operating Paper of the Graduate School, it is necessary only that they be members of the Graduate Faculty of the University. This Program Review Committee is divided into two panels, each of which bears primary responsibility for approximately half of the programs to be reviewed in any one year.

The process of review proceeds as follows. First, data are gathered from the administration, faculty, and students of the program. These data furnish the empirical base for further investigations, and include the following:

1. The Departmental Data and Policy Questionnaire, which asks questions concerning such items as the overall structure of the program, the number of graduate faculty members, the degrees offered, and academic policies of the program.
2. Curricula vitae of Graduate Faculty members teaching in the program.
3. Graduate Faculty Member Questionnaire, in which the Graduate Faculty member is asked to express his judgments concerning such aspects of the program as the physical facilities, the quality of the students, the process of advising students, the process of recruiting students, and physical resources of the department, the curriculum, and academic policies.
4. Graduate Student Questionnaire, in which the graduate students respond to questions similar to those presented to the faculty members. The graduate student questionnaire is distributed to a sample of alumni as well as to current students.

These completed documents are sent directly to the Graduate School by those who complete them so that there will be no fear of reprisal against those criticizing the program. Furthermore, confidentiality of the identity of those who respond to the questionnaires is safeguarded by not revealing in

any further discussions or reports their names or any other information by which a listener or reader could deduce their identities.

Second, the services of an outside consultant (two outside consultants for a Ph.D. program) are obtained from the Council of Graduate Schools in the United States. The members of the faculty of the program are given the list of potential consultants and are asked to vote both for those whom they would choose and those whom they would reject, giving reasons for strong opinions in either direction. The choice of consultants is then negotiated between the Graduate Dean, the Program Review Committee, and the chief administrative officer of the degree program.

Consultants are ordinarily brought to the campus for about two days for a site visit. Before they come they are sent the materials collected by the Program Review Committee: The Departmental Data and Policy Questionnaire, and the Curricula Vitae of Graduate Faculty members, and the Questionnaires from both Graduate Faculty members and graduate students. During his visit each consultant meets with the faculty and students of the program, with the Graduate Dean and other appropriate administrators such as the Vice President (Academic Affairs) and with the Program Review Committee. He also inspects the physical facilities of the program. After his visit each consultant prepares a report of his judgment of the quality of the program and his recommendations, if any, for changes in the program.

After the consultant's report has been received, the Program Review Committee's coordinator for that review consults with faculty of the program and seeks to obtain further information as needed concerning issues which may have been unclear or views which may appear to be unfavorable to the program. He then writes a draft of a report which, after discussion and possible revision by the panel, goes to the full Program Review Committee for consideration. This report is a detailed analysis of the quality of the program, including course structure, curriculum, degree requirements; practices regarding recruitment, selection, advisement of students; morale among student and faculty, general administrative tenor of the department, quality of the faculty and students, and any other items which pertain to the academic excellence of the program. The report also includes detailed recommendations for any changes which might be needed to strengthen the program. This detailed report is given to the Graduate Dean, who is responsible for further action and coordination of communication concerning this report and the report of the consultant.

The Program Review Committee also makes a brief report to the Graduate Council at the conclusion of the review. This report is a general timetable and summary of the findings and does not contain the detailed analysis recommendations which were included in the report to the Graduate Dean. (Two of the programs, Botany, and Plant Industries, were reviewed under a procedure according to which the full report was sent to the Graduate Council for official action and transmittal to the departments.)

Current Reviews

The fifteen programs which have been examined in the review process up to the present time are listed below, and the review of each program is

described briefly. Basic data on faculty strength, enrollment, and degree production are given first; degree production is compared with enrollment either one year prior to granting of the degrees (for the master's degree) or two years prior to granting of the degrees (for the Ph.D.). The rationale for this time lag is stated below.

The proportion of students completing a degree in a program would be the reciprocal of the number of years required to complete the program if all the following conditions were assumed to hold true: (a) There is a steady enrollment of the same number of students every year; (b) no students fail to complete the degree; (c) all students complete the degree in the same length of time; (d) all students are continuously enrolled in all quarters. For example, if students required two years to complete the degree and the conditions stated above were met, then the proportion of students graduated each year would be one-half. Similarly, if students required three years to complete the degree and the conditions above obtained, then the proportion of students graduating each year would be one-third.

This relation holds under the conditions stated above no matter whether the graduates are compared to current enrollment or to that of any particular previous year. In time of expanding enrollment, however, the percentages would be spuriously deflated if based on the current year's enrollment. In any program which ordinarily takes students more than one year to complete, the number of first-year students in times of increasing enrollment will be unusually large in proportion to those entering their last year of work, and a comparison based on the current year's enrollment would tend falsely to make the program appear less productive than it actually is. Under the situation of expanding enrollment the productivity of the program will be more accurately represented by comparing the degrees granted to the enrollment of a number of years prior to the granting of the degree, this number to be the number of years normally required to complete the program.

Since enrollments have been expanding during the period of the last few years, the percentages of head-count enrollments represented by degrees granted has therefore been based on a time lag which seems to represent as fairly as possible the length of time required to earn the degrees. The two-year time lag was chosen for the master's degree because it has been our experience that students in most programs do take two years to finish the master's degree. Indeed, several master's programs require substantially more than 48 quarter hours' credit for the master's degree, and therefore cannot be completed in one year by a student who holds a half-time assistantship, since the maximum course load for a half-time assistant is 12 quarter hours per quarter. The three-year lag was chosen for the Ph.D. Since other institutions have reported this as the median length of post-master's study in scientific disciplines and it seems a reasonable length of time in other disciplines as well.

Completed ReviewsBotany (M.A., M.S., Ph.D.)

Number of Graduate Faculty Members:	14 (2.13 FTE)
Head-Count Enrollment, fall, 1971	
Master's :	22
Ph.D. :	12
Total Head-Count Enrollments, Fall Quarters

Consultants: Professor W. H. Wagner, University of Michigan, and Aubrey W. Naylor, Duke University. Visited campus May 2 through May 4, 1971.

Outcomes:

The graduate program in Botany was rated as excellent by the consultants and the Program Review Committee. In line with recommendations for further strengthening of the program, the following actions have been taken:

1. A mycologist has been added to the faculty of the Department.
2. Additional outside support for faculty research has been obtained.
3. A request has been made jointly by the Department of Botany and the Physical Plant that the greenhouse facilities be turned over to the Department of Botany for teaching and research purposes.
4. Interdisciplinary Ph.D. programs have been set up by Botany with other departments for three students.
5. Steps are being taken to invite appropriate members of the faculty of other departments to accept joint appointments with Botany.
6. The program of training for graduate students has been strengthened by requiring all graduate students to gain some teaching experience and by broadening the curricular requirements so that the students' graduate education is not excessively narrow.

Plant Industries (M.S.)

Number of Graduate Faculty Members:	17 (3.5 FTE)
Head-Count Enrollment, fall, 1971:	16
Total Head-Count Enrollments, fall quarters (1962-69):	80
Total Degrees Granted (1964-71):	65

Consultant: Professor M. P. Gardener, Western Illinois University.
Visited campus April 22 and 23, 1971.

The program in Plant Industries was praised by the consultant and by the Program Review Committee for its strengths. As a result of the recommendations by the consultant and the Committee, the following actions have been taken:

1. A graduate committee has been set up within the department to make recommendations on admission of and financial assistance to graduate students.
2. The curriculum in ornamental horticulture has been expanded. Full implementation of the expanded curriculum will not take place until additional staff support is provided, however.
3. The School of Agriculture has adopted a new policy favoring increased off-campus teaching and service to area residents, and some funds have been provided for these activities. Full implementation of this program awaits increased staff support.

Design (M.S.)

Number of Graduate Faculty Members:	9 (1.7 FTE)
Head-Count Enrollment, fall, 1971:	26
Total Head-Count Enrollments fall quarters (1962-69):	102
Total Degrees Granted (1964-71):	30

Consultant: None

Outcome:

It was clear that the program in Design was in a state of transition, and that the present program in Design is not representative of their future plans. Furthermore, it became apparent that the Department was understaffed and that the faculty efforts were being drained off into the undergraduate program. For these two reasons the Department of Design agreed to suspend admissions to its master's degree program pending the submission of the plan for a revised program. Those asking for information about this program have been notified of the suspension of admissions, and current applicants have been notified that their applications are being held pending reopening of admissions to the program.

Reviews in Progress

There are twelve programs which were reviewed during the academic year 1971-72. The consultants' reports and the detailed recommendations of the Program Review Committee have been received for all of these programs, and discussions are currently underway between the Graduate Dean and the other appropriate administrative officers concerning the findings of the review. Statistical information concerning these programs and information concerning the consultants is provided in Table I.

Planned Reviews

Tentative schedules have been set up for the reviews of all the programs not yet reviewed. These schedules are given in Tables II through V.

Table I (continued)

(A (2)) SUPPLEMENTAL REPORT ON REVIEW OF GRADUATE PROGRAMS, SIUE

At the May 19, 1972, meeting of the Board of Trustees a report reviewing all master's degree programs at Edwardsville was presented. This review was at the request of the Illinois Board of Higher Education. As previously reported, following this review each master's degree program was concluded to be viable as well as crucial to the quality of the graduate program effort at Edwardsville.

Additional details are provided in this supplementary material, mailed to members of the Board in advance of this meeting, to aid the Board of Trustees in obtaining more insight about present graduate offerings. A copy of this material was placed on file in the Office of the Board of Trustees. This material provides additional information about cost factors, program objectives, evaluation procedures related to the programs, relationship of the program to the overall mission of the University, and other data useful to understanding the merit of each program. It should be emphasized that the evaluation of each program is a continuous process.

SUPPLEMENTAL REPORT ON REVIEW OF GRADUATE PROGRAMS, SIUE

The review and monitoring of graduate programs as well as all other programs is a continuous process at Edwardsville. The cost of each program is reviewed at least on an annual basis, whereas course enrollments, faculty loads, and number of students in each program is reviewed continually. Periodically, intensive reviews are conducted of the more in-depth aspects of the academic programs. One example of this is the review currently being conducted by the Graduate Council. Although the final report has not been completed, certain information from that review has been used to assist in providing the program review reported here.

For the last decade or more, the University at Edwardsville has worked systematically toward providing a firm foundation of those graduate programs critical to the formation of a graduate school. A firm foundation in the basic academic disciplines is a sine qua non for the establishment of a quality graduate program. Programs of an interdisciplinary nature must have their foundation in the basic disciplines. An excellent example of this is in the Division of Science and Technology. By nature of the unique structure of this division and the others as well, effort at the graduate level has led to interdepartmental faculty cooperation and an efficient use of all scientific resources. This is especially reflected in the interdisciplinary program provided to upgrade the quality of science teachers. Its efficiency is reflected in the remarkably low cost of the programs compared to similar programs in other State of Illinois universities.

Master Plan-Phase III designates SIUE as one of the seven graduate centers in Illinois and more specifically states that the University merits strong support for eventual graduate development. With few exceptions, the University at Edwardsville has established basic graduate instruction in the major academic disciplines. The growth has been rapid and steady. Careful and constant monitoring of these programs occurs to guarantee that each program retains its quality and efficiency. At the same time, careful monitoring occurs over existing programs; the long range development of programs is constantly surveyed. Approximately two years ago, the Long Range Development Plan was completed. A review and update of that Plan is in process.

Culminating from this review, a number of graduate programs projected two years ago shall be eliminated or modified. Several graduate programs unforeseen at that time will, in all likelihood, be included in future development plans.

Situated in a highly urban area, SIUE does not have the problems of many universities as it relates to finding jobs for its employees. The majority of the graduate students are already employed and seek graduate work as a part of their need for continuing education to meet demands of their employment. This is reflected in the enrollment pattern of the students. Most attend on a part-time basis and enroll in one or two courses a term. Many periodically skip a term or so and return later. This lengthens the number of years required to complete a degree, but provides an opportunity to continue one's education when otherwise it might not be possible.

The supplementary information provided in this report provides additional details about each program. Items such as the following are included:

1. Date of program initiation
2. Number of students in the program with enrollment data
3. Number of graduates
4. Program description
5. Evaluation procedures used in each program
6. Justification for the program
7. Program costs
8. Comparative cost information
9. Student evaluation of programs

(A (3)) RECOMMENDATION FOR SYSTEM ACTION CONCERNING PROGRAM REVIEW

At the May meeting of the Board of Trustees of Southern Illinois University, members of the Board raised several fundamental questions concerning the review of academic programs. These questions were directed at the basic character of the evaluative process of program review, such as: What are the criteria for assessing academic programs, including instructional, research, or public service programs? What kinds of quantitative or qualitative factors should be applied in such assessments? On what bases should the judgment to add new programs be made? On what bases should the judgment to reduce, phase out, or eliminate programs be made?

Specific questions from the May discussion were:

- a. is a graduate program in a particular discipline necessary to attract quality faculty to the institution to teach undergraduate programs in that discipline?
- b. do graduate programs add to or detract from the quality of the undergraduate program?
- c. what is the critical mass prerequisite to the disciplinary base necessary to support a sound graduate program?
- d. how should costs be allocated among academic programs?
- e. should programs enrolling part-time students be evaluated differently from programs enrolling full-time students?

Additional factors believed to be worthy of examination in the review of programs are:

- f. the relationship of the program to the scope and mission and master plan of the University and to other programs in the University;
- g. program maturity, the length of time a particular program may require to establish viability;
- h. program costs;
- i. manpower needs;
- j. budgeting exigency;
- k. productivity of program;
- l. output of program;

- m. program size, the numbers of students entering, leaving, graduating, and employed from a program;
- n. student enrollment demand for the program;

Related to, and in addition to, these factors, the Board might have asked about,

- o. space, specialized facility, and equipment requirements for a particular program;
- p. regional or societal need for the program;
- q. program quality as determined by students in the program, graduates, faculty, outside consultants, and administration;
- r. comparisons of the program with similar programs in other institutions.

The additional materials from Edwardsville, and the materials from Carbondale, attempt to answer these questions. They suggest the need for systematic, comprehensive, and periodic approach, by the Board of Trustees, to the review of all academic, public service, and research programs of the Universities. The Board is, therefore, recommended to approve the following resolution:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Board of Trustees establish a Program Review Task Force consisting of representatives, one each, appointed by the Chief of Board Staff and the two Presidents; and that this task force be charged to develop and recommend guidelines for the review of all academic, public service, and research programs conducted by the two Universities separately, together, and with other institutions, and

BE IT FURTHER RESOLVED, That the Program Review Task Force report its recommendation to the Board of Trustees at the earliest possible date, and no later than January, 1973, and

BE IT FURTHER RESOLVED, That the Board of Trustees approve the orderly phasing-out of the M.S. in Applied Science and the M.S. in Theater at Carbondale; to retain, pending further review as resolved above, all other graduate programs; and to report these actions to the Board of Higher Education, pursuant to Recommendation # 10 of Master Plan - Phase III.

Dr. Baker introduced Dr. John Olmsted, Dean, and Dr. Thomas Mitchell, Associate Dean, of the Graduate School, SIUC, who gave a brief background of the program review process and answered a number of questions.

In response to Mr. Allen's question about the relationship of SIUC's report to the recommendation for System action concerning program review, Dr. James Brown explained that the questions posed in the previous discussion indicated the need for a systematic, comprehensive, and periodic approach by the Board of Trustees to review all academic, public service, and research programs of the Universities.

After considerable discussion, President Rendleman objected to the resolution proposed under Item A (3) concerning the establishment of a Program Review Task Force consisting of one representative from each University. He felt the procedure for establishing program review guidelines should be developed with greater faculty input. He also objected to the time element of not later than January, 1973.

President Derge felt that the same set of guidelines might not be equally applicable to Edwardsville and Carbondale because these are two unique Universities. He did not feel that a three-man task force could in effect solve all of the problems of both Universities by January, 1973.

Dr. James Brown explained all that is suggested is that some guidelines be developed by this task force, which is not to say there are no distinctions between the Universities which ought to be recognized in any such guidelines. Furthermore, the kinds of questions asked today indicated there is some necessity for some systematic looking at the problems; that this ongoing and very conscientious and commendable kind of review that is taking place at both Universities at all times needs some effort to determine whether there is anything about this review

that can be systematized, and that is essentially the intent of the proposal presented in A (3). He indicated that the January deadline was not crucial, but inserted only to try to assure that something would happen within a finite time.

After discussion, Mr. Allen suggested that the two Presidents and Chief of Board Staff work out a procedure to which all three can agree.

Dr. James Brown pointed out that the third paragraph of the resolution in A (3) would require action of the Board today. Dr. Walker moved approval that the Board of Trustees approve the orderly phasing-out of the M.S. in Applied Science and the M.S. in Theater at Carbondale; to retain, pending further review, all other graduate programs; and to report these actions to the Board of Higher Education, pursuant to Recommendation #10 of Master Plan - Phase III. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who requested Dr. Howard Dye, Dean of the Graduate School, SIUE, to present A (2) - Supplemental Report on Review of Graduate Programs, SIUE.

After discussion on graduate programs at SIUE, Mr. Allen suggested that the Board set aside additional time at some later meeting to be devoted to a discussion on program review and on items in the preamble of A (3) since this portion relates to the policy question of program development. It was the consensus of the members of the Board to hold a meeting on Thursday, September 14, at Edwardsville, and a meeting on Thursday, October 19, at Carbondale, to discuss program review.

The Chair then recognized Dr. James Brown, who called upon Mr. Clifford Burger to present the following matter:

(B) SUBMISSION OF PRELIMINARY FISCAL 1973-74 OPERATING BUDGET REQUEST DATAResolution

WHEREAS, The Illinois State-supported systems of higher education have been requested by the Illinois Board of Higher Education Executive Director to submit, on or before July 31, 1972, a preliminary indication or estimate of Operating Budget needs for the 1973-74 fiscal year, with the final requests for 1973-74 Operating Budgets due October 6, 1972, and

WHEREAS, The IBHE request was received on the afternoon of Friday, June 30, and the due date of July 31 for the preliminary information is thus the nineteenth working day following receipt of the request, and even if the estimates made and the data generated are crude, the people involved would be extraordinarily hard-pressed to supply the required information by this date, and

WHEREAS, Because of the estimation process required, and the speed with which the information and calculations must be produced, the probability of major errors cannot be ignored; at the same time, the best interests of the System call for adherence to the IBHE schedule, and there will be virtually no opportunity for adequate review of the preliminary data,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Chief of Board Staff of this Board of Trustees be authorized to forward the Carbondale and Edwardsville University and System Offices preliminary Fiscal Year 1973-74 Operating Budget requests to the IBHE Executive Director on or before July 31, 1972, after such review as is possible with the University Presidents and their staffs, and with the Board of Trustees staff, and with such modifications as the Chief of Board Staff may find necessary or expedient after consultation with the University Presidents, and

BE IT FURTHER RESOLVED, That the Board of Trustees retains the authority and prerogative to make subsequent changes in the preliminary 1973-74 Operating Budget data submitted July 31, 1972, and to incorporate such changes in the final submission due October 6 or to further modify the October 6 submission as its judgment and the financial and programmatic circumstances of the System may indicate.

Following discussion which centered on the time limit imposed on the Systems by the Board of Higher Education, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized Dr. James Brown, who presented the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Report of Death

With regret, we report the death of Mr. Charles Zoeckler, Associate Professor of Theater. He was born January 21, 1907, and died June 21, 1972. He received the Bachelor of Arts degree from West Virginia University. He served as Instructor at Northwestern University, as Director of Production Facilities for station WTMJ-TV, Milwaukee, Wisconsin, and as Technical Director for the Children's Theater of Evanston, Mundelein College, Milwaukee North Shore Children's Theater, and the Jewish Center, Milwaukee, Wisconsin, prior to accepting appointment at Southern Illinois University in 1957. He was recognized as an imaginative and skillful technical director in the theater and was most responsive to requests for technical assistance and advice from students, campus organizations, and community groups.

(C)

B. Continuing Appointments

1. Mr. Aldon M. Addington as Assistant Professor in the School of Art effective September 19, 1972, on an academic year basis. He received the Master of Fine Arts degree from the Cranbrook Academy of Art. He was born September 23, 1934, in Omaha, Nebraska. \$1,145.00
(C)
2. Mr. Melvin O. Alston as Professor of Secondary Education effective September 19, 1972, on an academic year basis. He received the Doctor of Education degree from Columbia University. He was born October 7, 1911, in Norfolk, Virginia. \$2,125.00
(C)
3. Mr. Ralph F. Arnold as Counselor in the Counseling and Testing Center effective July 1, 1972, on a fiscal year basis. He received the Master of Arts degree from the University of Kentucky. He was born January 19, 1935, in Covington, Kentucky. \$1,000.00
(C)
4. Mr. John L. Baier as Coordinator of Student Activities effective July 1, 1972, on a fiscal year basis. He received the Master of Education degree from the State University of New York College at Buffalo. He was born October 6, 1943, in Buffalo, New York. \$1,000.00
(C)
5. Mr. Marvin Lionel Bender as Assistant Professor of Anthropology effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from the University of Texas. He was born August 18, 1934, in Mechanicsburg, Pennsylvania. \$1,266.00
(C)

6. Mrs. Patricia R. Benziger as Chief Academic Adviser and Assistant to the Dean of the College of Liberal Arts and Sciences effective August 1, 1972, on a fiscal year basis. She received the Master of Science degree from Columbia University. She was born January 3, 1917, in Elmhurst, New York. \$1,180.00
(C)

7. Mrs. Martha E. Brelje as Assistant Professor in the Social Welfare Program, serving also in the Clinical Center, effective July 1, 1972, on a fiscal year basis. She received the Master of Arts degree from Indiana University. She was born May 23, 1939, in Chatfield, Ohio. \$1,150.00
(C)

8. Mr. David L. Buskirk as Assistant Professor of Technology effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from West Virginia University. He was born August 15, 1937, in Parkersburg, West Virginia. \$1,450.00
(C)

9. Mrs. Lilly E. Crane as Instructor in Morris Library effective July 1, 1972, on a fiscal year basis. She received the Master of Arts degree from the University of Michigan. She was born September 12, 1937, in Hackensack, New Jersey. \$860.00
(C)

15. Mrs. Lois M. Rasche as Counselor in the Counseling and Testing Center and Assistant Professor of Psychology for the period June 16 to July 1, 1972. (C)
16. Dr. Paul E. Smalley as one-fifth time Clinical Associate Professor in the School of Medicine for the period July 1, 1972, to July 1, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. (C)
17. Mr. Alphonse M. Stadler as Adjunct Instructor in the Museum, serving without salary for the period July 1, 1972, to July 1, 1973. (C)
18. Mrs. Mary Ruth Thompson as one-half time Staff Assistant in the Graduate School (Research and Projects) for June, 1972. Her salary is to be paid from restricted funds. (C)
19. Mr. Martin S. Turnauer as Staff Assistant in the Safety Center for the period June 16 to July 1, 1972. His salary is to be paid from restricted funds. (C)

20. Dr. Charles I. Wabner as one-fourth time Clinical Associate Professor in the School of Medicine for the period July 1, 1972, to July 1, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

(C)

21. The following physicians have been reappointed as Clinical Associates in the School of Medicine, serving without salary for the period July 1, 1972, to July 1, 1973:

Towfig M. Arjmand
Donald Jackson Boon
William W. Curtis
A. Raymond Eveloff

James A. Felts
Robert T. Maletich
Myron T. Potter
Henry F. Rohs

G. Changes in Assignment, Salary, and Terms of Appointment

1. Mr. R. Clifton Andersen to serve as Professor of Marketing, rather than Professor and Chairman of Marketing, effective the Fall Quarter, 1972.

(C)

2. Mr. Ian D. Beattie to serve as Associate Professor of Elementary Education, rather than Elementary Education and Mathematics, effective the Fall Quarter, 1972.

(C)

3. Mr. Ralph A. Benton to serve as Professor of Agricultural Industries, rather than Professor of Agricultural Industries, serving also in the Division of Continuing Education, effective July 1, 1972.

(C)

4. Mr. Harley E. Bradshaw, Psychometrist in the Counseling and Testing Center, to serve at an increased monthly salary effective June 1, 1972. He was awarded the Doctor of Philosophy degree from Southern Illinois University in June, 1972.

\$1,160.00
rather than
\$1,010.00
(C)

5. Mr. Terence D. Buck, Assistant Professor of Psychology, to serve also as Acting Center Director of the Counseling and Testing Center, rather than Coordinator, at an increased monthly salary, effective June 1, 1972.

\$1,500.00
rather than
\$1,420.00
(C)

6. Mr. Robert L. Buser, Professor and Chairman of Secondary Education, to serve on a fiscal year basis, rather than academic year basis, effective July 1, 1972. At such time as the chairmanship may be relinquished, his appointment will revert to the academic year basis.

(C)

7. Dr. John L. Denby as forty-nine percent time Clinical Associate Professor in the School of Medicine, rather than Clinical Associate in the School of Medicine serving without salary, for the period March 1 to July 1, 1972. He received the Doctor of Medicine degree from Duke University. This appointment carries faculty privileges appropriate for

part-time appointment except that time of service in it does not count toward permanent tenure. Memorial Hospital, Springfield, Illinois, is to reimburse Southern Illinois University in part for these services.

\$1,920.00
(C)

8. Mr. William P. Dommermuth, Professor of Marketing, to serve also as Chairman of Marketing, effective the Fall Quarter, 1972.

(C)

9. Mrs. Florence M. Foote to serve as Professor in Physiology and the School of Medicine, rather than Professor and Acting Chairman of Physiology and Professor in the School of Medicine, on an academic year basis, rather than fiscal year basis, effective the 1972-73 year.

(C)

10. Mr. George Garoian, Associate Professor of Zoology, to serve also as Chairman of Zoology, rather than Acting Chairman, effective June 1, 1972, on a fiscal year basis. The fiscal year basis appointment is to prevail as long as he serves as Chairman.

(C)

11. Mr. Daniel R. Irwin, Assistant Professor of Geography, to serve also with College of Liberal Arts and Sciences, rather than the Cartographic Laboratory, on an academic year basis, rather than fiscal year basis, effective the 1972-73 year.

(C)

12. Mr. John Elliott Ketrang, Chief Pilot, to serve in Airport Operations and the Vocational-Technical Institute, rather than Airport Operations, effective July 1, 1972. Part of his salary is to be paid from restricted funds.

(C)

13. Mr. Clayton E. Ladd, Associate Professor in Psychology and the Clinical Center, to serve also as Counselor in the Counseling and Testing Center, rather than Center Director, with change of salary, effective April 9, 1972.

\$1,672.00
rather than
\$1,761.25
(C)

14. Mr. Thomas Edward McGinnis as Coordinator in Admissions and Records, rather than Counselor (Pre-College) in Admissions and Records, effective July 1, 1972, on a fiscal year basis.

(C)

15. Mr. William J. Meyers, Field Representative in Southern Illinois Instructional Television Association, to serve also as Assistant Coordinator of that unit effective July 1, 1972.

(C)

16. Mr. Harry F. W. Perk to serve as Lecturer in Design, rather than Lecturer and Chairman of Design, effective May 18, 1972.

(C)

17. Mr. Harry William Reczek, Staff Assistant in the Center for the Study of Crime, Delinquency, and Corrections, to serve on a full-time basis, rather than one-half time basis, for June, 1972.

(C)

18. Mr. Guy A. Renzaglia to serve as Professor and Director of the Rehabilitation Institute and Professor of Guidance and Educational Psychology, rather than Professor and Director of the Rehabilitation Institute, Professor of Guidance and Educational

Psychology and Professor in the Center for the Study of Crime, Delinquency, and Corrections, and Acting Dean of the College of Human Resource Development, effective July 1, 1972.

(C)

19. Mr. Charles Gene Seibert to serve as Director of Airport Operations, rather than Director of Airport Operations and Vocational-Technical Institute Administration, effective July 1, 1972. His salary is to be paid from restricted funds.

(C)

20. Mr. Arnold Ulner to serve as Assistant Professor of Foreign Languages, rather than Lecturer, with monthly salary increase, effective June 1, 1972, on an academic year basis. He has completed requirements for the Doctor of Philosophy degree from the University of Missouri.

\$1,320.00
rather than
\$1,210.00
(C)

H. Corrections

1. Mr. John O. Anderson to serve as Professor of Speech Pathology and Audiology, rather than Professor of Speech Pathology and Audiology, Assistant to the President (for Public Services and Relations), and Dean of International Education, effective July 1, 1972.

(C)

36. Mr. Frank E. Oakes as Assistant Professor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
37. Mr. Michael R. Renfrow as Coordinator (of Housing) in Student Housing for the period July 1, 1972, to July 1, 1973. Salary to be paid from restricted funds.
38. Miss Velta Ritums as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
39. Mr. John Robinson as Staff Assistant in the Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
40. Mr. Randy Rock as one-half time Academic Adviser in the General Studies Division for the period July 1, 1972, to July 1, 1973.
41. Miss Kathryn M. Rogers as Counselor in the Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
42. Miss Jessellyn E. Saffold as Assistant Head of Student Activities for the period July 1, 1972, to July 1, 1973.
43. Mr. Robert E. Schutzius as Counselor in the Business Division for the period July 1, 1972, to July 1, 1973. Salary to be paid from restricted funds.
44. Miss M. Margaret Sherwin as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
45. Mrs. Lillyvee Singleton as Academic Adviser in the Education Division for the period July 1, 1972, to July 1, 1973.

46. Mrs. Ina Peabody Sledge as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.

47. Mr. Gary S. Soltis as Adjunct Instructor of Air Force-ROTC serving without salary for the period July 1, 1972, to July 1, 1973.

48. Mrs. Sheila S. Stimson as one-half time Lecturer in Lovejoy Library for the period July 1, 1972, to July 1, 1973.

49. Mr. Sidney A. Strong as Assistant to the Coordinator of Student Housing for the period July 1, 1972, to July 1, 1973.

50. Mr. Harry A. Thiel as Instructor of Mass Communications and Production Manager in the Fine Arts Division for the period July 1, 1972, to July 1, 1973.

51. Mr. H. Lamar Thomas as Assistant Director (Business Institute) in the Business Division for the period July 1, 1972, to July 1, 1973.

52. Miss Deleanor Tutt as Coordinator (Federal Programs) in Student Work and Financial Assistance for the period July 1, 1972, to July 1, 1973.

53. Mr. James E. Uphoff as Adjunct Instructor of Air Force-ROTC serving without salary for the period July 1, 1972, to July 1, 1973.

D. Changes in Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. Earl S. Beard to serve as Professor of Historical Studies in the Social Sciences Division, rather than Professor of Historical Studies and Dean of the Social Sciences Division, on an academic year basis, rather than fiscal year basis, effective August 1, 1972.

2. Mr. Stephen M. Brown to serve as Lecturer in the Fine Arts Division, rather than Staff Assistant in the Office of the Vice-President and Provost and Lecturer in the Fine Arts Division, for the period June 1 to July 1, 1972.

3. Miss Ann Carey to serve as Associate Professor of Speech and Theater in the Fine Arts Division, rather than Associate Professor in Clinical Center and Speech and Theater in the Fine Arts Division, effective June 15, 1972.

4. Mr. R. Gene Cobbel to be reduced from full-time to half-time employment as University Architect in Architectural and Engineering Services, with salary change accordingly, effective July 1, 1972.

\$ 865.00
rather than
\$1,450.00

5. Mr. Richard E. Coy, Professor in the School of Dental Medicine, to serve also as Director (for Advanced Dental Education Programs) in the School of Dental Medicine, effective July 1, 1972.
6. Mr. Frederic Custer, Professor in the School of Dental Medicine, to be paid from State of Illinois funds, rather than State of Illinois funds and restricted funds, effective July 1, 1972.
7. Mrs. Doris M. Edwards, Associate Professor and Project Director in the Nursing Division, to be paid from restricted funds, rather than State of Illinois funds, for the period July 1, 1972, to July 1, 1973.
8. Mr. Larry L. Felkner, Associate Professor in the School of Dental Medicine, to serve also as Director (for Educational Services) in the School of Dental Medicine, effective July 1, 1972.
9. Mr. Jerry C. Gibson, Coordinator in the Education Division, to serve also as Instructor of Secondary Education in the Education Division for the period June 1 to July 1, 1972.
10. Mr. Peter N. Gillingham to serve as Project Coordinator in the Illinois Veterans Planning Project, rather than Research Associate in the Office of the Senior Vice President for Planning and Review, with monthly salary increase to reflect administrative responsibilities, with salary paid from restricted funds, rather than State of Illinois funds, for the period June 1 to July 1, 1972. \$2,208.33 rather than \$2,000.00
11. Mrs. Anna Louise Jordan to serve as full-time Lecturer in the Education Division, rather than one-fourth time, with salary change accordingly, and with salary paid from restricted funds and State of Illinois funds, rather than State of Illinois funds, for the Spring Quarter, 1972. \$ 900.00 rather than \$ 225.00
12. Mrs. Florence B. Kennedy to serve as Assistant Project Director in the Illinois Veterans Planning Project, rather than Academic Adviser in the General Studies Division, with monthly salary increase to reflect administrative responsibilities, and to be paid from restricted funds, rather than State of Illinois funds, for the period June 1 to October 1, 1972. \$1,161.00 rather than \$ 895.00
13. Mr. Nicholas Masters, Professor of Government and Public Affairs in the Social Sciences Division, to serve also as Program Director, rather than Chairman of Government and Public Affairs, in the Social Sciences Division, effective July 1, 1972.
14. Mr. Allan McCurry, Professor of Historical Studies in the Social Sciences Division, to serve also as Dean of the Social Sciences Division, with monthly salary increase to reflect additional administrative responsibilities, on a fiscal year basis, rather than academic year basis, for the period August 1, 1972, to July 1, 1973. \$2,050.00* rather than \$1,950.00

*Subject to 1972-73 salary increase as approved by the Board of Trustees

15. Mr. Ralph W. Ruffner, Professor in the Education Division, to serve also as Senior Vice President for Planning and Review of Southern Illinois University at Edwardsville, effective January 1, 1972.

16. Mr. Naseeb L. Shory, Professor in the School of Dental Medicine, to serve also as Assistant to the Dean (for Planning and Development) in the School of Dental Medicine, effective July 1, 1972.

17. Mr. R. Dale Smith, Professor in the School of Dental Medicine, to serve also as Assistant to the Dean (for Research and Graduate Programs) in the School of Dental Medicine, effective July 1, 1972.

18. Mr. Alan A. Stimac, to serve as full-time Staff Assistant in the Data Processing and Computing Center, rather than one-half time, with salary change accordingly, for the period June 1 to July 1, 1972.

\$ 750.00
rather than
\$ 375.00

19. Mr. Keith R. St. Onge, Professor of Speech and Theater in the Fine Arts Division, to serve also as Chairman of Speech and Theater, rather than Clinic Director in Clinical Center, in the Fine Arts Division, on a fiscal year basis rather than academic year basis, with monthly salary increase to reflect additional administrative responsibilities, effective July 1, 1972.

*\$2,252.00
rather than
\$2,177.08

20. Mr. Curtis W. Thomas to serve as Community Consultant in Ethnic and Special Studies, rather than Staff Assistant, on a continuing basis, rather than term basis, effective April 1, 1972.

21. Mr. Dale Wantling to serve as Professor of Foundations of Education in the Education Division, rather than Dean of International Services Division and Professor of Foundations of Education in the Education Division, effective July 1, 1972, and to serve on an academic year basis, rather than fiscal year basis, effective September 16, 1972.

22. Mr. Patrick D. Zorsch to serve as thirty-three percent time Instructor of Accounting and Finance in the Business Division, rather than one-fourth time, with salary change accordingly, for the Spring Quarter, 1972.

\$ 333.33
rather than
\$ 225.00

E. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is recommended for the faculty members listed below:

1. For the Fall and Winter Quarters, 1972-73, at full pay:

a. Mr. Zadia C. Herrold, Professor of Health, Education and Physical Education in the Education Division, received the Doctor

of Physical Education degree from Indiana University. He plans research and preparation of a manuscript related to educational administration.

b. Mr. Francis T. Villemain, Professor of Foundations of Education in the Education Division, received the Doctor of Education degree from Columbia University. He plans a program of writing and editorial work for the journal, Studies.

2. For the Winter and Spring Quarters, 1973, at full pay:

Mr. John P. McCluskey, Assistant Professor of English Language and Literature in the Humanities Division, received the Master of Arts degree from St. Andrews University. He plans to terminate a novel and write a book on the decline of bullfighting.

3. For the Spring Quarter, 1973, at full pay:

a. Mr. David J. Luck, Professor of Marketing in the Business Division, received the Doctor of Philosophy degree from the University of Texas. He plans study, research and professional writing.

b. Mr. Garry N. Murphy, Assistant Professor of English Language and Literature in the Humanities Division, received the Doctor of Philosophy degree from the University of Washington. He plans to pursue a study of Shakespeare's scenic technique.

F. Leave of Absence Without Pay

1. Mr. Christopher F. McKee, Associate Professor in Lovejoy Library, to the period July 16, 1972, to June 16, 1973, to accept a temporary position as Head Librarian at Grinnell College.

2. Mr. Curtis W. Thomas, Community Consultant in Ethnic and Special Studies, for the period July 1, 1972, to July 1, 1973, to work with with Assistant to the President of State Community College in East St. Louis, Illinois.

G. Resignations

1. Mr. Wayne E. Giles, Instructor in the Business Division, effective July 1, 1972, for personal reasons.

2. Mr. E. Carl Hall, Associate Professor of Business Education in the Business Division, effective the end of Spring Quarter, 1972, to accept a position at the University of Texas.

3. Mr. Larry A. Schmalenberger, Assistant to the Registrar, effective July 1, 1972, to accept a position elsewhere.

4. Mr. David B. Seligman, Associate Professor of Philosophical Studies in the Humanities Division, effective the end of Spring Quarter, 1972, to accept a position elsewhere.

Mr. Allen moved approval of Changes in Faculty-Administrative Payroll.

The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

Inquiry was made whether the Report of Outside Employment section of the Changes in Faculty-Administrative Payroll covered only the one month or the whole year. An answer was promised at the next meeting by Dr. James Brown.

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) ACTIONS OF THE EXECUTIVE COMMITTEE

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of May, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report of actions of the Executive Committee is hereby submitted for information and entry upon the Minutes of the Board as required for all actions taken by the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. After discussion, the report was received.

The Chair then recognized President Rendleman, who requested Dr. Deane Wiley, Dean of the Education Division, SIUE, to respond to the recommendation of the Board Staff that Item E - Approval of Degree Program: Bachelor of Science in Recreation, SIUE, be deferred until the August meeting. Dr. Jerome Birdman pointed out that the Board of Higher Education would not act on bachelor's programs for a number of months, and that this program package should be updated and complete before it is presented to the Board of Higher Education.

After discussion, Mr. Allen moved that the Board defer action on the approval of the degree program, but asked that all data be developed by the next

meeting by the Board Staff working with SIUE and that the Board act at the next meeting on this program. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Mr. Allen also suggested that the Chief of Board Staff and the Presidents working with Dr. Birdman develop a policy recommendation to the Board about the movement of programs through the System; that the recommendation be one that is brought to the Board with the concurrence of the Presidents, but if no concurrence can be reached that the Board be given a majority and minority report and the Board will decide.

The Chair then recognized President Rendleman, who called upon Dr. Leo Cohen, Director of Regional and Urban Development Studies and Services, SIUE, to make a statement and answer questions, if any, on the following matter:

(F) REDESIGNATION OF UNIT NAME: REGIONAL AND URBAN DEVELOPMENT STUDIES AND SERVICES TO CENTER FOR URBAN AND ENVIRONMENTAL RESEARCH AND SERVICES, SIUE

Since its inception, Southern Illinois University at Edwardsville has sought to orient selected elements of its resources toward service and research in areas of contemporary urban problems. These efforts initially developed in a unit designated "Public Administration and Metropolitan Affairs." The Board, in August, 1969, approved redesignation of that unit as "Regional and Urban Development Studies and Services."

With the advent of Master Plan - Phase III, the University again has reviewed its responsibilities and capacities in the context of contemporary urban education programs and services. Evolving from this review is a proposal, approved by the Academic Deans Conference, the Vice-President and Provost, and the President, to focus the development and coordination of the University's resources and efforts in this area in a "Center for Urban and Environmental Research and Services."

The Center's mission will be to develop, coordinate, and support research and service activities in areas related to the contemporary social and environmental problems of urban America, with emphasis on the Illinois portion of the St. Louis Metropolitan Area. The Center will relate directly to instructional programs oriented toward areas described above. The Center thus will serve not only as a major bridge between the University and the community, but also as an integral unit providing support to problem-oriented academic programs. In this framework, the Center will serve as an important force in assisting Southern Illinois University at Edwardsville to implement the mission assigned to it in Phase III of the Master Plan for Higher Education in the State of Illinois.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, in furtherance of the capacity of Southern Illinois University at Edwardsville to meet its responsibilities in the areas of urban education and services, the unit "Regional and Urban Development Studies and Services" be and is hereby redesignated "Center for Urban and Environmental Research and Services."

Following discussion, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

(G) APPROVAL OF CHANGE IN STUDENT FEES: INCREASE
UNIVERSITY CENTER FEE TO \$10 PER QUARTER, SIUE

Operating costs of the University Center at Edwardsville are defrayed largely by a University Center Fee of \$5 per quarter paid by each student enrolled in the University. The fee was established pursuant to action of the Board of Trustees in the Fall Quarter, 1958.

Cumulative inflationary pressures have seriously reduced the effective percentage of operating costs actually defrayed by this fee. As a result, demands increase each fiscal year for larger subsidies to the University Center from alternative sources, such as retained tuition and fees. Obligations under revenue bond agreements require that the University meet debt service commitments within the operating budget of the University Center, and present budgetary constraints make it increasingly difficult for these operating costs to be subsidized by nonstudent funds now required to support other University operations.

In the opinion of counsel, this fee increase is a price adjustment for services, benefits, privileges, and use of facilities which is exempt from Federal economic controls pursuant to Sections 101.31 and 101.34(a)(2) of the Economic Stabilization Regulations.

In this perspective, the Vice-President for Business Affairs, Vice-President for Student Affairs, and the Controller and Budget Director have recommended to President Rendleman that the University Center Fee be increased from the present level of \$5 per student per quarter to \$10 per student per quarter. The Student Body President and other student leaders have been apprised of the necessity of the increase and concur in its implementation. Lack of quorum has prevented formal discussion of this matter with the full Student Senate.

The present fee of \$5 per quarter is the lowest such fee at any Illinois university (including the University at Carbondale since the Board increased the

fee there in July, 1971). The average equivalent fee at major State universities in Illinois in 1970 was \$15 per quarter.

Resolution

WHEREAS, Operating costs of the University Center at Edwardsville have increased substantially, and budgetary demands make further subsidy of operating costs from other sources infeasible, and

WHEREAS, Charges for services, benefits, privileges, use, and facilities provided by State-operated universities are exempt from Federal economic stabilization controls,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the University Center Fee at Edwardsville, effective Fall Quarter, 1972, shall be in the amount of \$10 per quarter for all students registering at the University.

After discussion, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

(H) CONVEYANCE OF PORTION OF ALTON CAMPUS TO
ILLINOIS DEPARTMENT OF TRANSPORTATION, SIUE

The Illinois Department of Transportation seeks to acquire a portion of the Alton Campus for highway improvement. An appraisal plat showing the property sought to be acquired and a drawing which shows the general location of the property have been filed in the Office of the Board of Trustees. The Division of Highways, in June, 1970, offered the First National Bank and Trust Company in Alton, Trustee, the sum of \$19,000 for acquisition of the parcel. Since it was anticipated at the time that the Board of Trustees would acquire title to the property, the University obtained from the Wardein-Lauschke agency an appraisal of the land taken and incidental damages arising from the taking. This appraisal totaled \$35,136. Negotiations with the Division of Highways resulted in a revised offer of \$35,010, and acceptance of that offer is recommended.

Copies of the Wardein-Lauschke appraisal and the Department of Transportation "Summary of Right of Way Acquisition and Offer to Purchase" also are on file in the Office of the Board of Trustees.

A Warranty Deed conveying the subject property from the Board of Trustees to the Department of Transportation, and the original and copy of the Affidavit and Closing Statement, have been prepared and are ready for signature by the Chairman of the Board of Trustees and attestation by the Secretary.

Resolution

WHEREAS, The People of the State of Illinois, Department of Transportation, seek to acquire a portion of the Alton Campus of Southern Illinois University at Edwardsville for highway improvement and have offered the Board of Trustees the sum of Thirty-Five Thousand Ten Dollars (\$35,010) as compensation for the real property thereby taken.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That there be conveyed to the People of the State of Illinois, Department of Transportation, the following described real estate in consideration of the sum Thirty-Five Thousand Ten Dollars (\$35,010):

A tract of land off the north side of Lots 52, 53, and 54 in College Addition to Upper Alton, a subdivision in the NE 1/4 Section 7, T5N, R9W of the Third Principal Meridian, Madison County, Illinois, as shown by plat recorded in Plat Book 15, page 31 in the Recorder's Office of said County, said tract being more particularly described as follows:

Beginning at the northeast corner of said Lot 52, a point 22.4 feet south of Station 44+15.5 on the centerline survey of Federal Aid Route 67 (Illinois Route 140) as recorded in Road Record 8, page 56 in the Recorder's Office in said County; thence westerly along the northerly line of Lots 52, 53, and 54, the southerly right of way line of Illinois Route 140 to the northwest corner of Lot 54; thence southwesterly along the west line of said Lot 54 a distance of 43 feet to a point said point being 71 feet south of Station 41+10 on said centerline; thence northeasterly to a point 68 feet south of Station 42+55 on said centerline; thence southeasterly to a point on the east line of Lot 52, said point being 71.0 feet south of Station 44+15.0 on said centerline; thence northerly along the east line of said Lot 52 to the point of beginning, containing 12,175 square feet.

All distances are measured along lines perpendicular to the centerline survey of FA Route 67 unless otherwise stated.

BE IT FURTHER RESOLVED, That the Chairman and Secretary be and are hereby authorized and directed to execute such deeds and other legal documents in the name of this Board as may be necessary or desirable to accomplish the above purposes.

Mr. Rouse moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who asked for a delay in presenting Item I - Payment of Illinois Public Interest Research Group Dues by Students through the University, SIUC, until later in the meeting in conjunction with the item under Current and Pending Matters entitled Student Activity Fee Budget for Fiscal Year 1972-73. The Chairman granted this request.

The Chair then recognized Dr. James Brown, who called upon Mr. C. Richard Gruny to present the following matter, which incorporates an amendment to the last paragraph thereof made in the course of the meeting:

(J) ILLINOIS EDUCATIONAL CONSORTIUM FOR COMPUTER SERVICES

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That membership of this Board in the Illinois Educational Consortium for Computer Services be and is hereby approved, and

BE IT FURTHER RESOLVED, That Mr. C. Richard Gruny be and is hereby authorized to act as the agent of this Board in all matters dealing with the initial organization and incorporation of the aforesaid Consortium, and

BE IT FURTHER RESOLVED, That the Chairman of the Board of Trustees be authorized to name two Directors for the governing board of the aforesaid corporation upon receipt of a recommendation prepared by the two Presidents and the Chief of Board Staff.

Following discussion, Mr. Allen moved approval of the resolution with a change in the last paragraph as suggested by Dr. James Brown, incorporated in the above resolution. The motion with the change was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized Dr. James Brown, who called upon Mr. C. Richard Gruny to present the following matter:

(K) RECONVEYANCE FROM ILLINOIS BUILDING AUTHORITY AND
ASSIGNMENT OF CONTRACTS TO CAPITAL DEVELOPMENT BOARD

Resolution

WHEREAS, The General Assemblies of the State of Illinois have declared it to be in the public interest for the Illinois Building Authority to acquire real estate, construct, complete, or remodel buildings and other facilities from time-to-time for various instrumentalities of the State; and

WHEREAS, The Illinois Building Authority has proceeded with the undertaking of certain projects as authorized and has expended monies from interim financing in payment of related costs; and

WHEREAS, Subject projects have subsequently been authorized by the 77th General Assembly for undertaking by the Capital Development Board and the Board of Trustees of Southern Illinois University from appropriations of the Capital Development Bond Fund;

THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Board concurs in the conveyance of real property previously conveyed to the Illinois Building Authority in connection with the following projects to the Board of Trustees of Southern Illinois University and the assignment of all construction contracts and professional services agreements previously assigned to or entered into by the Illinois Building Authority in connection with the following projects to the Capital Development Board, as provided by the Capital Development Board Act:

<u>IBA Project #</u>	<u>Description</u>
76-009	Advanced Study of Physical Sciences Building, Carbondale
76-108	Classroom and Office Building, Southern Acres (Carbondale)
77-006	Refrigeration Plant South - Phase I, Carbondale
77-008	Business Division Office and Classroom Building - Phase I, Edwardsville
77-009	Education Classroom and Office Building - Phase I, Edwardsville

Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

At this time, the Chair recognized Dr. James Brown, who offered a note of explanation regarding the procedure of presenting Current and Pending Matters. The Bylaws governing Board procedures specifically provide that "the Board may, by unanimous consent, consider and act upon matters which are not submitted ten days in advance of a meeting." The duties of setting the agenda assigned to the Chief of Board Staff do not include the establishment of Current and Pending Matters items after the regular notice of agenda has been distributed. The unanimous

consent of the Board is clearly required for consideration of matters not on the regular agenda. In recognition of this provision, provided in the notebooks of the Board members and the two Presidents is a listing of "Proposed" Current and Pending Matters, followed by copies of materials related to each item on the list. These items have not received the benefit of that two-way communication between the initiator and Board Staff, which permits accomplishment of review from the point of view of the Board. Dr. James Brown read the following statement:

The Board Agenda Policy and Procedures section of the Bylaws provides that consideration of late or unreviewed items may be requested either by the Chief of Board Staff or by the originator of the item, "who should be prepared to justify the request at the time it is presented to the Board." Similarly, this section provides "either President may determine that unusual circumstances exist, and that on his responsibility direct access to the Board should be used rather than the normal procedure."

The desirability that the Board conduct its affairs in a businesslike manner leads me to request Board concurrence and the following clarifications of the already established procedures of the Board:

- a. Items subject to Board consent before consideration shall be sent directly to the members of the Board by the initiator, accompanied by documented justification of the request, with copies to the Chief of Board Staff to allow inclusion on a list of Proposed Current and Pending Matters for that meeting, and
- b. The Board will routinely respond by formal action to each request for such consideration which is listed under Proposed Current and Pending Matters for that meeting.

I would very much appreciate the Board's consideration of these possible clarifications. I hope you have understanding for the necessity to change procedures once I realized I was usurping Board authority.

Chairman Fischer commented that in the past months there appears to have been at least four or five Current and Pending Matters presented at each meeting after the agenda had been mailed. In line with the regulations, the Chair asked the pleasure of the Board in considering the seven items presented.

After considerable discussion, Dr. Walker moved that the Board will recognize the Proposed Current and Pending Matters, except for Item (7) Faculty Work Load Report, which will be considered in August. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

(Current and Pending Matter)

(1) ADJUSTMENT TO COMPUTATION OF CIVIL SERVICE
SALARY INCREASE AUTHORIZATION, SIUE

On June 16, 1972, the Board of Trustees authorized salary adjustments for Civil Service employees of SIU at Edwardsville in a total amount not to exceed \$225,026, although appropriated monies anticipated for such salary adjustments in FY 73 total \$271,682.52. The former amount was regarded in June as the maximum total salary adjustments permissible in order to comply with Economic Stabilization Regulations as then understood.

Review of the internal computation system used to determine the figure of \$225,026 has revealed that such system was, in fact, more restrictive than the computation system set forth in Sections 201.52 through 201.57 of the Economic Stabilization Regulations. Consequently, it now is discerned that stringent use of the official computation regulations permits Southern Illinois University at Edwardsville to effect Civil Service salary adjustments at a level sufficient to utilize total anticipated appropriations for that purpose (\$271,682.52) without exceeding the 5.5% limitation.

Resolution

WHEREAS, Official Economic Stabilization Regulations permit Civil Service salary adjustments for the University at Edwardsville in a total amount exceeding that authorized by the Board of Trustees on June 16, 1972, and

WHEREAS, Funds for this purpose have been appropriated in the amount of \$271,682.52, are anticipated to be approved by the Governor, and constitute (in total salary adjustments) an annual aggregate increase for the Civil Service employees unit of less than 5.5%,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Edwardsville is authorized to implement additional salary adjustments (beyond those previously authorized for July 1, 1972) for Civil Service employees under his jurisdiction, effective July 21, 1972, in a total amount not to exceed \$46,656.52.*

*N.B. Funds authorized for salary adjustments for Civil Service employees at Edwardsville for FY 73 therefore shall not exceed \$271,682.52, being the sum of funds authorized for this purpose on June 16, 1972 and July 21, 1972.

Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair deferred Current and Pending Matter (2) - Student Activity Fee Budget for Fiscal Year 1972-73, SIUC, until later in the meeting, because student opponents to the proposal had not yet arrived.

The Chair then recognized President Derge, who called upon Dr. George Mace, Dean of Students, SIUC, to present the following matter:

(Current and Pending Matter)

(3) CAMPUS HOUSING ACTIVITY FEE BUDGET FOR FISCAL YEAR 1972-73, SIUC

The Board of Trustees established a \$3.00 quarterly Campus Housing Activity Fee on February 21, 1969. The budget for 1972-73 is based on this fee multiplied by the anticipated occupancies for the school year. The Internal Auditors have recommended that this Campus Housing Activity Fee Budget be included in the Internal Budget of the University. Accordingly, the following Campus Housing Activity Fee Budget is recommended for Fiscal Year 1972-73:

Estimated Income	<u>\$58,366</u>
Proposed Distribution:	
Administration	\$ 2,693
T.V. Repair	1,306
Brush Towers	12,807
Small Group Housing	3,241
Southern Acres	1,742
Southern Hills	3,055
University Park	12,997
University Trailer Court	593
Evergreen Terrace	3,420
Thompson Point	10,308
Summer	1,703
Unallocated	500
Refunds	<u>4,001</u>
	<u>\$58,366</u>

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Campus Housing Activity Fee Budget, Carbondale Campus, for Fiscal Year 1972-73 is approved for implementation as presented.

After discussion, Dr. Mace commented that this matter was presented as an informational item since it was pointed out that it was not necessary to request authority to expend the funds involved.

The Chair then recognized President Derge, who presented the following matter, without naming the recipient:

(Current and Pending Matter)

(4) RECOMMENDATION FOR HONORARY DEGREE, SIUC

Resolution

WHEREAS, Mr. Charles B. Shuman retired as president of the American Farm Bureau Federation in December, 1970, after sixteen years as head of the largest general farm organization in the nation, and

WHEREAS, Mr. Shuman had previously served as president of the Illinois Agricultural Association, and rendered strong support and active leadership in the development of our institution from the status of a teachers' college to that of a great university, at the same time assisting in the establishment of its agricultural program and the planning and financing of the Agriculture Building on the Carbondale Campus, and

WHEREAS, Mr. Shuman has established through long years of service that he is a scholar, author, and public-spirited individual of the highest caliber, and

WHEREAS, The Honorary Degrees Committee of Southern Illinois University at Carbondale enthusiastically favors recognition and honors to Mr. Shuman by this University,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the honorary degree of Doctor of Science be awarded to Charles B. Shuman at the September, 1972, commencement.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter with changes incorporated:

(Current and Pending Matter)

(5) AWARD OF BID: FOUNDATION AND SHOWER-LOCKER
PORTIONS OF TEMPORARY ATHLETIC FACILITY, SIUE

In January, 1972, the Board of Trustees considered a proposed award of bid for construction of the foundation and floor for the air-supported temporary athletic facility at Edwardsville. After discussion of the budget for this project, the Board requested President Rendleman to review budget considerations with the Board Staff, and authorized its Executive Committee to act on the award of bid.

While that review was in process, the student government at Edwardsville sought to place conditions on control of the proposed facility which President Rendleman deemed unacceptable. For this reason, further review and action on the award of bid was suspended.

The student government subsequently has reconsidered the matter of control of the facility. A policy-advisory body has been mutually agreed upon, and it now is desired to move forward on the project. In the interim, bids originally received for the project have lapsed and it therefore was necessary to receive new bids.

While action on the original award of bid was suspended, the Office of Architectural and Engineering Services value-engineered the project. Pursuant to that review, it was deemed economically advisable to combine the rigid-frame shower-locker portion of the facility with the foundation and floor surface portion for bidding purposes. Bids received July 10, 1972, are outlined in attached bid tabulation materials. Low bids on each category total \$172,382.

The Illinois Board of Higher Education, in March, 1971, approved this project. The Board of Trustees (in July, 1971) awarded bid on the air-supported structure for this facility at a cost of \$64,645. The total project cost with the award of bid recommended today would be \$237,027, or \$59,027 over the previously established budget.

Applying the MBM cost escalation index to this project, the real value of \$178,000 (December, 1969 dollars) equals \$220,720 in July, 1972 dollars. Total project cost with today's recommended award of bid will be \$237,027. Thus the project cost, in adjusted dollars, will exceed the budget by only 7.39%. University officers consider this an acceptable increment, given the nature and history of this project.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the construction of the foundation and floor surface, and shower-locker facilities for the air-supported temporary athletic facility at Edwardsville is approved, and contracts pursuant thereto be and are hereby awarded as follows:

General Contractor

Hellrung Construction Co.
Alton, Illinois

(Contract not to exceed \$98,172)

Plumbing, Heating, and
Air-Conditioning

Modern Plumbing & Heating Co.
East Alton, Illinois

(Contract not to exceed \$56,150)

Ventilating

France Plumbing, Heating, &
Air-Conditioning Co.
Edwardsville, Illinois

(Contract not to exceed \$4,260)

Electric

J. F. Incorporated
Edwardsville, Illinois

(Contract not to exceed \$13,800)

After discussion and after agreement from President Rendleman not to proceed further until he checked with the Board of Higher Education to make sure the overrun was in conformance with their established procedures, Mr. Allen moved approval of the resolution as presented with changes incorporated. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

(Mr. Allen left the meeting shortly after this vote.)

The Chair then recognized President Rendleman, who introduced Professor James Kerr of the Department of Government and Public Affairs, SIUE; Mr. Paul Riley, Madison County Public Defender; and Mr. James Hasse, student, SIUE, to report on this program:

(Current and Pending Matter)

(6) REPORT ON PRE-LEGAL INTERNSHIP PROGRAM, SIUE

During the Spring Quarter, 1971, the Department of Government and Public Affairs, in conjunction with Experimental Studies Program, initiated a pre-legal internship program for undergraduate students interested in attending law school and in pursuing a career in law. The purpose of the experimental program was twofold. One was to provide a combined academic and practicum experience for students which would enable them to learn firsthand the kinds of tasks lawyers perform, acquaint them with the fundamentals of legal research methods and sources, and better prepare them to determine whether they were seriously interested in entering the legal profession. The second was to respond to the expressed needs of one segment of the community. Both the Madison County Legal Services Society and the Madison County Public Defender's Office indicated a need for assistance in performing some supportive functions not involving the practice of law, and a willingness to accept students in an internship capacity.

Eight students were placed the first quarter. Seven were assigned to work with attorneys in the Legal Services Society offices in Alton and Madison, and one worked in the Public Defender's Office in Edwardsville. The students acted as para-professionals by assisting the staff of the Legal Services Society in such areas as preliminary interviewing of clients; investigation of complaints relating to public aid, the food stamp program, deposits required by public utilities,

discrimination in housing and emergency treatment available at local housing; legal research; and contacting other agencies for information. They also attended court with staff attorneys. In addition, some students were given special tasks. One prepared a Welfare Rights Handbook, another conducted a study of releases on recognizance in Madison County, others assisted in the drafting of a Fair Employment Practices ordinance for a Madison County city. Assignments in the Public Defender's Office included liaison between that office and defendants awaiting trial in jail, conducting first contact interviews with defendants, and dealing with the inquiries of family and friends of the defendants. The assistance provided by the interns was of such quality that two interns were asked to continue their research through the summer.

During Winter Quarter, 1972, ten interns were assigned to the same offices. Eight were placed with the Legal Services Society and two worked for the Public Defender's Office. Duties performed by these students were similar to those of the first group of interns and included interviewing clients; research and investigation in several areas including job discrimination, housing discrimination, and welfare rights; drafting legal memoranda; procurement of witness statements; assisting at preliminary hearings; in-office preparation of motions; and trial observation.

Students enrolled in the pre-legal internship program receive four to eight quarter hours of credit for their work, depending on the number of hours they devote to the internship. Roughly two and one-half hours per week on the job is equated with one hour of academic credit; thus a student receiving eight hours credit works twenty hours a week. In most cases, students devote many more hours to the job than are required.

Enrollment in the pre-legal internship program is permitted only after screening of applicants by Professor James Kerr of the Department of Government and Public Affairs, in conjunction with the Legal Assistant to the President. Interns must evidence a serious interest in pursuing a post-baccalaureate legal education and a strong grade-point average (generally not less than 4.0). Prior to an accepted intern being assigned to an office, he is required to attend a legal research seminar conducted by the Legal Assistant to the President, and an orientation meeting attended by all other interns and the participating attorneys and academic supervisors. Midway through the quarter, all interns meet with their academic supervisors to discuss their work and any problems which they may be experiencing. A final evaluation and discussion seminar is held at the end of the quarter. Final grades are based primarily on the evaluations of intern performance submitted by the attorneys with whom they have worked, and to a lesser degree on the written reports or journals submitted by each student. Throughout the quarter, each participating agency is contacted on a regular schedule so that in the event serious problems should arise they can be dealt with immediately and without causing hardship to either an intern or the attorney.

Evaluations of the pre-legal internship program, by both participating students and attorneys, to date have been consistently positive. The students have reported their participation to be a valuable learning experience and instrumental in determining their future educational goals. The Madison County Legal Services Society and the Madison County Public Defender's Office have indicated that the assistance provided by the interns is beneficial to the functioning of their offices and that they would like the program to continue.

The St. Clair County Public Defender's Office has inquired as to the possibility of that office becoming a participating agency in the program. Professor Kerr presently is developing specifics of such an expansion of the program for the forthcoming academic year.

Based on the success of the program during the past year, it is planned to remove the course from its experimental status and make it a regular element of the curriculum offered by the Department of Government and Public Affairs.

After some discussion, the Chairman thanked the speakers for the interesting report presented.

Chairman Fischer reported that no Executive Session was held yesterday nor would there be one today.

The Chair then recognized President Derge, who presented the following two related matters, Current and Pending Matter (2) - Student Activity Fee Budget for Fiscal Year 1972-73, SIUC, and Item I - Payment of Illinois Public Interest Research Group Dues by Students through the University, SIUC.

President Derge explained that a broad range of complaints of underfunding resulted in the whole area of Student Activities Fees being reviewed to maximize use of these fees for student activities which the students really want. He has requested formulation of an experimental proposal which would provide for a wider range of student input. Each student enrolled for the Fall Quarter will receive a letter asking him how he would distribute the particular fees which he will pay among the various student organizations and programs. To assist the student, he will also receive a pamphlet describing those organizations and programs eligible for activity fee funding. The Illinois Public Interest Research Group Steering Committee appears on this list and will have an equal opportunity to compete for the student activity fee dollar.

It was agreed that Board approval given on June 16, 1972, concerning temporary financial arrangements for 1972-73 University operations, made the resolution proposed in Current and Pending Matter (2) - Student Activity Fee Budget for Fiscal Year 1972-73, SIUC, unnecessary.

(Current and Pending Matter)

(2) STUDENT ACTIVITY FEE BUDGET FOR FISCAL YEAR 1972-73, SIUC

The Office of Financial Analysis and Reports anticipate that \$408,576 net fees will be available from Student Activity Fees for Fiscal Year 1972-73. With respect to the Student Activity Fee Budget, the Office of Student Affairs has received and considered the Student Activity Fee Budget recommendations from the Student Council. However, owing to unusual circumstances concerning the preparation of those recommendations and to statements of deep concern by Student Government Officers and students at large over the allocations recommended within that budget, the administration is not prepared to recommend a final Student Activity Fee Budget to you at this time.

It is our intent to solicit additional, extensive, and direct recommendations from students in the following matter: Each student enrolled for the Fall Quarter shall receive a letter asking him to indicate how he would like to see the particular fees which he will pay distributed among the various student organizations and programs. That letter has been enclosed for your information. To assist the student, he will also receive a pamphlet describing those organizations and programs which are eligible for activity fee funding. Thus, the final recommendation which will be brought to you by this administration will be rooted in a broad base of student participation enabling a view of the Student Council's recommendations in broad perspective. During this interim period and prior to submission of final recommendations, it is requested that up to \$75,000 of the total anticipated net fees be released for current student activities.

Resolution

WHEREAS, The specific allocations of the Student Activity Fee Budget are currently under study, including a compilation of student recommendations, and

WHEREAS, It is necessary for some additional time to complete the student survey and study prior to recommending the specific budget allocations, and

WHEREAS, Interim financing of student activities up to a sum of \$75,000 is required prior to presentation of the final recommended budget,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the presentation of the Student Activity Fee Budget be deferred until the completion of the survey and study presently in progress, and that subject to approval of the Dean of Students, no more than \$75,000 of the Fiscal Year 1972-73 students activity fees be spent in the interim period for student activities until the final Student Activity Fee Budget is approved.

Southern Illinois
University at Carbondale
Carbondale, Illinois
62901

Office of the President
618/453-3344

Dear Student:

Beginning with the academic year, Southern Illinois University is initiating an experimental program for student activity fee allocations. Throughout institutions of higher education there have been two primary methods of allocating these funds. First, many universities assign these funds through administrative procedures. In these instances various student organizations and groups make budget requests of administrative staff who then determine which groups shall receive further funding as well as the amount. The second primary means consists of a process wherein student organizations and groups make their budget requests of student governments or committees which then make recommendations to the administrative staff on the allocations.

Recently, Southern Illinois University has followed the second procedure. This has resulted in the past year in disappointments for many students and organizations. The primary concern has centered in the fact, as expressed by students, that since they are the ones paying

Page 2

the fees, they cannot understand why the programs they support or the organizations to which they belong are either not funded at all or funded at a minimal level.

Accordingly, we have decided upon a previously untried allocation process. We are asking you to recommend how you would like to see your activity fees allocated. During the coming academic year, your student activity fee payment will be determined by the registered number of quarter hours each quarter in the following manner:

<u>Number of Hours</u>	<u>Activity Fees</u>
0-5	\$ 2.12
6-11	4.23
11 or more	6.35

Enclosed are 1) a pamphlet describing those organizations and programs which are eligible for activity fee funding, and 2) an allocation list of eligible organizations and programs. Please indicate how you would recommend your fees be distributed by placing the dollar figure in the provided blanks. Please be certain that the sums allocated do not exceed a year's total fee contribution of \$19.00. In the event any allocation list exceeds that figure, the list will be voided.

Page 3

Every student enrolled at Southern Illinois University at Carbondale who pays activity fees has received this request. Any funds not recommended for allocation through lack of return of student recommendation listings will be allocated administratively.

We are looking forward to an enriching year. Please know that the staff of Student Affairs is committed to assist you in attaining that enrichment.

Sincerely yours,

George Mace
Dean of Students

Enclosures

(I) PAYMENT OF ILLINOIS PUBLIC INTEREST RESEARCH GROUP DUES
BY STUDENTS THROUGH THE UNIVERSITY, SIUC

Resolution

WHEREAS, Illinois Public Interest Research Group is an Illinois not-for-profit corporation, a great majority of whose membership is composed of students at Southern Illinois University at Carbondale, and

WHEREAS, Illinois Public Interest Research Group is desirous that membership dues of students who voluntarily sign a membership card and submit the same to the Bursar's Office be collected through the University, and

WHEREAS, Illinois Public Interest Research Group has agreed that the University may deduct all expenses of collection of the said dues, and

WHEREAS, Illinois Public Interest Research Group is desirous of entering into a contract with Southern Illinois University at Carbondale to state the rights and obligations of Illinois Public Interest Research Group, and the Board of Trustees of Southern Illinois University, a copy of said proposed contract being attached hereto,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That upon approval of the proposed contract as to legal form, the President of Southern Illinois University at Carbondale be and is hereby authorized to sign said proposed contract on behalf of the Board of Trustees of Southern Illinois University without further reference of the matter to the Board.

CONTRACT

THIS AGREEMENT, made this _____ day of _____, 1972, between Illinois Public Interest Research Group, hereinafter referred to as "IPIRG," a not-for-profit corporation established under the laws of the State of Illinois, by its authorized agent _____, with its principal place of business at _____, and the Board of Trustees of Southern Illinois University at Carbondale, hereinafter referred to as the "University,"

WITNESSETH:

NOW, THEREFORE, In consideration of the mutual agreements of the parties hereto, as hereinafter set forth, it is agreed between the parties as follows:

1. That the University will, on the beginning date of official registration for Fall Quarter, 1972, receive the amount of ONE DOLLAR (\$1.00) per quarter from each student at the University who voluntarily agrees to pay said dues of One Dollar (\$1.00) per quarter to IPIRG through the University by signing the official IPIRG membership card, wherein said student agrees that his or her dues shall be collected through and remitted by the University to IPIRG for any and all quarters thereafter for which the student is enrolled without any further action by said student.

The student may revoke his IPIRG membership by signing the official IPIRG revocation card and delivery of the same to the Bursar's Office or other designate of the University, in which event the IPIRG dues for the next quarter shall not be paid through the University.

Further, it is understood by and between the parties hereto that, before this agreement becomes binding on the parties, the language on the membership card and revocation card must be submitted to and approved by the President of the University.

2. That on the first day of each month immediately following the final day for payment of tuition and fees, or as soon thereafter as possible, the University shall remit to IPIRG the dues collected by the University under this agreement, less 10% for administrative costs for collection of the said dues. The Bursar shall, as soon thereafter as possible, compute the actual cost of collection. In the event the amount is less than the 10% retained, he shall remit a check to IPIRG for the amount retained less the actual cost. In the event the cost of collection exceeds the amount retained, IPIRG agrees to remit a check in such an amount within thirty days of receipt of such notice from the Bursar.

3. The University shall be responsible only for the receipt and payment of the dues received under paragraphs 1 and 2 of this agreement, and there shall be no other relationship, agreement or stipulation between the parties except as herein provided. Liability to the University is expressly limited to the receipt and remittance of the dues, and should the University become a party to any litigation or action resulting from the activities of IPIRG, IPIRG agrees to save and hold harmless the University on the same.

It is further understood by and between the parties hereto, that the University shall have no responsibility or liability for collection of any dues of a student who signs an IPIRG membership card, but fails to pay said dues through the University.

4. No assignment of this contract, or any right accruing under the same, shall be made in part or in whole by either party without the written consent of the other.

5. Performance of this contract on the part of the University is contingent on all governmental regulations, Attorney-General's opinions, or court action prohibiting fulfillment thereof, and any other causes beyond the control of the University.

6. This agreement shall remain in full force and effect for one year, beginning _____, 1972, to _____, 1973, the same automatically renewed for such succeeding year indefinitely on the same terms and conditions stated herein; said contract is subject to termination on the part of either party by:

- A. Sixty days written notice prior to the last day of said agreement if less than 50% of the total number of students registered at Southern Illinois University at Carbondale are members of IPIRG; provided, however, that the requirement of 50% or more participation is expressly waived for the first year, 1972-73.
- B. Automatic and immediate termination in the event IPIRG, or its agents, engage in any form of court action directed against the University.
- C. Automatic and immediate termination should any governmental regulation, court action, or Attorney-General's opinion be issued prohibiting fulfillment of said agreement.
- D. Termination by ninety-day written notice prior to the last date of said agreement by either party to the other.

7. In the event of violation by IPIRG, or any of its agents, employees, or its members, of any of the agreements contained in this contract, the University shall have the right to forewith declare this contract null and void. Further, it is understood by and between the parties hereto that failure of the University at any time to require performance by IPIRG, its agents, employees, or its members, or any of the provisions hereof, shall in no way affect the right of the University hereinafter to enforce the same. Nor shall the waiver of the University of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provisions, or as a waiver of the provision itself.

IN WITNESS WHEREOF, The parties have executed this agreement at
Carbondale, Jackson County, Illinois, on the day and year first above written.

ILLINOIS PUBLIC INTEREST RESEARCH GROUP,
an Illinois Not-For-Profit Corporation

ATTEST:

By _____
Its Authorized Agent

BOARD OF TRUSTEES OF
SOUTHERN ILLINOIS UNIVERSITY

ATTEST:

By _____
David R. Derge, President
Southern Illinois University
at Carbondale

Assistant Secretary
Board of Trustees of
Southern Illinois University

President Derge called upon Dr. George Mace to provide the members of the Board with copies of the referenced pamphlet, a copy of which has been placed on file in the Office of the Board of Trustees. Dr. Mace pointed out that after a conference with the student body president, the student government rather than the administration would be the one that would send the letter to the students with the pamphlet. He also pointed out that if there was insufficient response to the letter, the intent was to revert to the review of fee allocations as recommended by student government, since at the present time the Student Senate is the official unit which represents student government concerning Student Activities Fee allocations. At Carbondale, however, there is in fact both an undergraduate and a graduate government who each feel they should be involved in the process of making recommendations. The student government itself would be dependent upon this new procedure for its funding, and it has reacted unfavorably to this proposal. The possibility that this procedure could avert class-action lawsuits by groups dissatisfied with the student government recommendations was suggested.

After discussion, President Derge agreed with Dr. M. V. Brown that Student Activities Fees are misnamed. He felt the trend over the next decade would be to move toward entirely voluntary fees to support non-credit hour producing activities of the students, there being extracted from consideration those things for which the University has a corporate responsibility, which would include health, academic laboratory programs, etc. Over the course of the next year, a proposal will be formulated to bring this issue before the Board.

Mr. Lonnie Johns asked the Chairman to be recognized to represent Miss Connie Davis, Chairwoman of the Student Government Activities Council, SIUC, who had not yet arrived at the meeting. Dr. James Brown explained Mr. Johns is the

Executive Director of the Association of Illinois Student Governments, to which organization the student government bodies at both Edwardsville and Carbondale belong. After discussion, the Chair did not recognize Mr. Johns to speak in Miss Davis' behalf because she had not so requested, and since no Board action would be taken at this time Miss Davis could make her views known through the administration.

The Chair then recognized President Derge, who introduced Mr. Robert Peele, President of the Illinois Public Interest Research Group and a student at Carbondale. Mr. Peele explained why the experimental procedure was predicted to produce less resources than were necessary for IPIRG operations.

Following considerable discussion, Dr. Walker moved that the Board of Trustees of Southern Illinois University not approve Southern Illinois University as a collecting agent for the Illinois Public Interest Research Group. The motion was duly seconded. Dr. Fouts requested that if the new individual allocation plan regarding Student Activities Fees was not adopted on a continuing basis that IPIRG would have the opportunity to a hearing on the merits again. After a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested the floor to make an important announcement. He was pleased to ask the Board of Trustees to appoint Hiram Lesar as Dean of the new School of Law in Carbondale. Mr. Elliott moved approval of this appointment. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The meeting adjourned at 1:30 p.m.

Alice Griffin, Assistant Secretary

August 18, 1972

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:55 a.m., Friday, August 18, 1972, in Ballroom "B" of the Student Center, Carbondale Campus. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Mr. W. Victor Rouse
 Dr. Earl E. Walker,

and the following members were absent:

The Honorable Michael J. Bakalis
 (Dr. Donald Fouts of the Office of Superintendent of
 Public Instruction attended at Dr. Bakalis' request)
 Mr. Harris Rowe.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a regular meeting held July 21, 1972, copies of which had previously been forwarded to members of the Board. On motion of Dr. Walker, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized Dr. James Brown, who called upon Mr. Clifford R. Burger to make a brief comment on the presentation of the following matter:

(A) ANNUAL INTERNAL BUDGET FOR OPERATIONS, 1972-73

Background

The Annual Internal Budget for Fiscal Year 1972-73 is the culmination of an effort of approximately 18 months duration, that began with development of operating budget format and guidelines by task forces that included representatives of the Illinois Board of Higher Education staff and of the senior higher education systems and institutions.

The FY 1972-73 requests and supporting data were first submitted to the Board of Higher Education staff at about November 1, 1971, followed by revised requests in December of that year that resulted partially from changes in budget format by the IBHE staff.

The Board of Higher Education recommended operating budgets for the higher education systems at its meeting of January 4, 1972. Executive Director's Report #103, as revised, reflected the recommendations approved by the members of IBHE at that meeting.

The System report to the State Bureau of the Budget in mid-January, 1972, was based on the IBHE operating budget recommendations, and the tables and narratives in that report were incorporated by the Bureau of the Budget into the Governor's Budget Document for the State of Illinois for Fiscal Year 1972-73.

The Governor's Budget Document then provided the operating budget source materials for use by the Treasurer of the Southern Illinois University Board of Trustees in drafting the System Appropriations Bill for Fiscal 1972-73.

The operating sections of the Appropriations Bill were passed by the General Assembly as drafted, except for a net increase in Personal Services resulting from the so-called "Hanahan" amendment, which restored to the System some funds that by statute or contract were required to be committed to salary increases for certain categories of "prevailing wage" or "negotiated" nonacademic employees.

As the Fiscal Year 1972-73 Internal Budget for Operations is submitted for Board of Trustees approval at the August, 1972, meeting, the "Hanahan" amendment Personal Services appropriation, in the amount of \$215,365, is recorded as undistributed.

Future Analyses

For the September, 1972, Board meeting, the staff plans to offer tabular and graphic financial and budgetary comparisons that, it is hoped, will enhance the knowledge and understanding of Board members about the Fiscal Year 1972-73 Internal Operating Budget and its relationships to the appropriations and expenditures of the two preceding Fiscal Years, 1970-71 and 1971-72.

For a future Board meeting, possibly October, the staff plans an in-depth study of the 1972-73 Internal Operating Budgets of the Carbondale and Edwardsville Universities. It is hoped that the University Presidents and their staffs can supply not only the financial details of the complex internal distribution of new resources, reallocation of existing resources, and reductions in programs and activities to comply with the IBHE recommendations for Fiscal Year 1972-73; but, also, that they can furnish the policies, analyses, and processes leading to the alternatives and the final decisions that ultimately shaped their Internal Operating Budgets for Fiscal Year 1972-73.

Current Funding

The Annual Internal Budget for 1972-73 Operations of the Southern Illinois University System allocates appropriated funds of \$83,261,265 and nonappropriated funds of \$29,111,204, a total of \$112,372,469.

The appropriated funds figure of \$83,261,265 includes \$2,039,700 for employer's contributions to the State Universities Retirement System for benefit of the faculty and staff of the Southern Illinois University System.

After allowance for Retirement System contributions, the balance of \$81,221,565 is allocated as follows:

System Offices (Board of Trustees,	
System Internal Auditor, Treasurer)	\$ 989,177
Southern Illinois University at Carbondale	53,418,296
Southern Illinois University at Edwardsville	26,598,727
Unallocated Funds	<u>215,365</u>
	\$81,221,565

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Annual Internal Budget for Operations for the Fiscal Year July 1, 1972, through June 30, 1973, be approved as presented.

Mr. Burger explained that at least \$3,000,000 worth of staff positions would have to be eliminated to come within the funds available under this budget as compared to last year's budget. He also noted that although the equipment budget was somewhat increased over that of last year, this would be fully required to compensate for the deficit in equipment caused by the extremely tight budget of the year before.

A booklet entitled "1972-73 Internal Budget for Operations" had been mailed to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees.

After considerable discussion regarding the internal distribution of funds, fire protection, projected student enrollments, contractual services, equipment, budget format, flexibility of transfers, treasurership functions, restricted funds, and accounting techniques, a motion was made by Mr. Elliott to approve the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who requested Item B - Policies and Procedures Governing the System Internal Audit Function be withdrawn until some questions regarding this matter have been resolved.

The Chair granted Dr. James Brown's request, and asked that he present the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following addition to and change in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Reappointment (Base Salary Rate Not Repeated)

Mr. John Feickert to serve as one-half time Staff Assistant in the Office of the Board of Trustees for the period July 1, 1972 to August 14, 1972.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Report of Death

With regret, we report the death of Miss Mary E. Entsminger, Associate Professor (Emerita) of Education. She was born October 13, 1892, and died July 13, 1972. She received the Bachelor of Philosophy degree from the University of Chicago and the Master of Arts degree from Columbia University. She taught in the public schools of Anna, Illinois, prior to accepting appointment at Southern Illinois University in 1922. She was a dedicated teacher who devoted her life and talents to the University and its program to strengthen public education.

(C)

B. Continuing Appointments

1. Mr. Keith O. Anderson as Assistant Professor of Foreign Languages effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from the University of Colorado. He was born February 18, 1934, in Lamberton, Minnesota.

\$1,445.00
(C)

2. Mr. Arnold J. Auerbach as Professor and Social Welfare Program Director effective September 1, 1972, on a fiscal year basis. He received the Doctor of Philosophy degree from the University of Pittsburgh. He was born August 14, 1911, in New York, New York.

\$1,875.00
(C)

3. Mr. Charles Blackorby as Associate Professor of Economics effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from Johns Hopkins University. He was born November 14, 1938, in Grand Forks, North Dakota.

\$1,777.78
(C)

4. Mrs. Ruth Ann Long as Assistant Professor of Secondary Education effective September 19, 1972, on an academic year basis. She received the Doctor of Education degree from Indiana University. She was born May 22, 1943, in Owensboro, Kentucky.

\$1,320.00
(C)

5. Mr. Ben Mijuskovic as Assistant Professor of Philosophy effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from the University of California, San Diego. He was born June 20, 1937, in Budapest, Hungary.

\$1,222.22
(C)

6. Dr. Albert S. Norris as Professor in the School of Medicine effective August 14, 1972, on a fiscal year basis. He received the Doctor of Medicine degree from the University of Western Ontario, Canada. He was born July 14, 1926, in Sudbury, Ontario, Canada. One-half of his salary is to be reimbursed to the University by university affiliated hospitals. \$4,170.00
(C)
7. Mrs. Lois M. Rasche as Coordinator in the Counseling and Testing Center and Assistant Professor of Psychology effective July 1, 1972, on a fiscal year basis. She received the Doctor of Philosophy degree from the University of Texas. She was born November 30, 1943, in Milwaukee, Wisconsin. \$1,450.00
(C)
8. Mr. Donald L. Smith as Assistant Professor of Health Education effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from Michigan State University. He was born October 21, 1928, in Owosso, Michigan. \$1,350.00
(C)
9. Mr. Michael Solliday as Instructor of Student Teaching effective September 19, 1972, on an academic year basis. He received the Master of Arts degree from Southern Illinois University. He was born June 3, 1937, in Carmi, Illinois. \$1,035.00
(C)
10. Mr. Terry A. Travis as Associate Professor in the School of Medicine effective August 22, 1972, on a fiscal year basis. He received the Doctor of Medicine degree from the University of Kansas. He was born June 16, 1937, in Champaign, Illinois. \$2,585.00
(C)
11. Mr. Harold K. Wilson as Assistant Professor of Administrative Sciences effective September 19, 1972, on an academic year basis. He received the Doctor of Business Administration degree from the University of Colorado. He was born June 5, 1930, in Danville, Illinois. \$1,660.00
(C)
12. Mr. Jesse L. Woodard as Assistant Professor in the Center for the Study of Crime, Delinquency, and Corrections effective July 1, 1972, on a fiscal year basis. He received the Doctor of Jurisprudence degree from Howard University. He was born January 30, 1940, in Wilson, North Carolina. \$1,425.00
(C)
13. Mr. Tien-wei Wu as Associate Professor of History effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from the University of Maryland. He was born October 15, 1922, in Mukden, Manchuria, China. \$1,700.00
(C)

C. Conditional Appointments

1. Mr. Elza L. Daugherty as Assistant Professor in the School of Music effective September 19, 1972, on an academic year basis. He received the Master of Arts degree from the University of North Dakota. He is a candidate for the Doctor of Education degree at the University of Illinois. In the event the

doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born September 22, 1942, in Bartlesville, Oklahoma.

Instructor,
\$1,200.00;
Asst. Prof.,
\$1,250.00
(C)

2. Mr. Edward Donnerstein as Assistant Professor of Psychology effective September 19, 1972, on an academic year basis. He received the Master of Arts degree from Northern Illinois University. He is a candidate for the Doctor of Philosophy degree from Florida State University. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born May 4, 1945, in New York, New York.

Instructor,
\$1,300.00;
Asst. Prof.,
\$1,400.00
(C)

3. Mr. Jefferson L. Humphrey as Assistant Dean of Student Services for the period July 1 to September 1, 1972, and as Assistant Dean of Students (for East Campus Residence Unit) in the Office of Student Life at an increased monthly salary for the period September 1, 1972, to July 1, 1973. He received the Master of Arts degree from New York University. He is a candidate for the Doctor of Philosophy degree from Southern Illinois University. At such time as the doctor's degree requirements have been completed, he is to receive an additional monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University.

\$1,260.00;
\$1,410.00;
\$1,560.00
(C)

4. Mr. Kenneth Kulman as Assistant Professor of Sociology effective September 19, 1972, on an academic year basis. He received the Bachelor of Arts degree from Hunter College. He is a candidate for the Doctor of Philosophy degree from Indiana University. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born November 4, 1942, in the Bronx, New York.

Instructor,
\$1,250.00;
Asst. Prof.,
\$1,350.00
(C)

5. Mr. Bernard H. McWilliams as Assistant Professor in the School of Music effective September 19, 1972, on an academic year basis. He received the Master of Music degree from the University of Maryland. He is a candidate for the Doctor of Music Arts degree from the University of Iowa. In the event the doctor's degree has not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born November 15, 1941, in Los Angeles, California.

Instructor,
\$1,200.00;
Asst. Prof.,
\$1,275.00
(C)

6. Mr. Jay Meddin as Assistant Professor of Sociology effective September 19, 1972, on an academic year basis. He received the Master of Arts degree from the University of Georgia. He is a candidate for the Doctor of Philosophy degree from the University of Kentucky. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born November 25, 1941, in Savannah, Georgia.

Instructor,
\$1,250.00;
Asst. Prof.,
\$1,350.00
(C)

7. Mr. Frank Rackerby as Assistant Professor and Curator (of North American Archaeology) in the Museum effective July 1, 1972, on a fiscal year basis. He received the Master of Arts degree from Northwestern University. He is a candidate for the Doctor of Philosophy degree from Northwestern University. The rank of Assistant Professor is contingent on completion of the doctor's degree requirements by January 1, 1973. In the event the doctor's degree requirements have not been completed by date of appointment, he is to serve as Instructor on term appointment. At such time prior to January 1, 1973, as the doctor's degree requirements are completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born August 5, 1941, in Santa Rosa, California.

Instructor,
\$1,207.50;
Asst. Prof.,
\$1,307.50
(C)

8. Mr. Edgar E. Roulhac as Instructor and Coordinator in the School of Medicine effective August 1, 1972, on a fiscal year basis. He received the Master of Science in Education degree from Southern Illinois University. He is a candidate for the Doctor of Philosophy degree from Southern Illinois University. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor with monthly

Instructor,

salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born September 28, 1946, in Chicago, Illinois.

\$1,210.00;
Asst. Prof.,
\$1,310.00
(C)

D. Term Appointments

1. Miss Mary Bee Antholz as Researcher in the Career Development for Children Project for the period August 1, 1972, to July 1, 1973. She received the Bachelor of Arts degree from the College of William and Mary. Her salary is to be paid from restricted funds.

\$900.00
(C)

2. Mr. John K. Barnes as one-half time Staff Assistant in the Peer-Oriented Drug Abuse Educational Network for the period May 1 to July 1, 1972, in addition to appointment as one-half time Staff Assistant in Student Services, and as seventy percent time Staff Assistant in the Peer-Oriented Drug Abuse Educational Network for the period July 1, 1972, to May 1, 1973. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds.

\$400.00;
\$560.00
(C)

3. Mr. Joseph E. Barr, Jr. as Staff Assistant in the Center for the Study of Crime, Delinquency, and Corrections for the period February 1 to May 1, 1972. He received the Bachelor of Science degree from Western Kentucky University. His salary was paid from restricted funds.

\$600.00
(C)

4. Mr. Stephen M. Beatty as Assistant (in Drafting) in the Vocational-Technical Institute Manpower Training Program for the period July 10 to October 26, 1972. His salary is to be paid from restricted funds.

\$940.00
(C)

5. Mr. Fritz E. Bush, Jr. as Instructor in English for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from Southern Illinois University.

\$980.00
(C)

6. Mr. Joseph M. Camille as one-half time Staff Assistant in University Park Housing for the period June 16 to September 16, 1972, with change of salary effective July 1, 1972. He received the Bachelor of Arts degree from the University of Illinois. His salary is to be paid from restricted funds.

\$270.00;
\$290.00
(C)

7. Mr. James E. Campbell as Instructor in Accountancy for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Business Administration degree from Southern Illinois University.

\$1,050.00
(C)

8. Mrs. Ellen Whited Collisson as one-half time Researcher in Microbiology for the period July 1, 1972, to July 1, 1973. She received the Bachelor of Science degree from the University of Illinois. Her salary is to be paid from restricted funds.

\$285.00
(C)

9. Mr. James W. Darland as Counselor in the Counseling and Testing Center for the period July 1, 1972, to July 1, 1973. He received the Master of Arts degree from Southern Illinois University. \$800.00
(C)

10. Miss Anne Frances DeMartino as Assistant (in Rehabilitation) in the Employment Training Center for the period July 1, 1972, to July 1, 1973. She received the Bachelor of Arts degree from State College at Westfield, Massachusetts. Her salary is to be paid from restricted funds. \$600.00
(C)

11. Mr. Paul S. Denise as Instructor in Sociology and Acting Assistant Director of Community Development Services for the period July 1, 1972, to July 1, 1973. He received the Master of Arts degree from the University of California, Berkeley. \$1,371.00
(C)

12. Miss Jean Donaldson as Assistant Professor of Linguistics and the Center for Vietnamese Studies for the period June 19 to September 1, 1972. She received the Master of Arts degree from Hartford Seminary Foundation. Her salary is to be paid from restricted funds. \$1,255.00
(C)

13. Mr. Carl L. Faingold as Assistant Professor in the School of Medicine for the period August 1, 1972, to July 1, 1973. He received the Doctor of Philosophy degree from Northwestern University. \$1,100.00
(C)

14. Mr. Charles E. Fenton, Jr. as seventeen percent time Instructor in the Center for the Study of Crime, Delinquency, and Corrections for the period June 16 to September 16, 1972. He received the Bachelor of Arts degree from the University of Maryland. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. His salary is to be paid from restricted funds. \$270.30
(C)

15. Mr. James Louis Ford as sixty-six percent time Assistant in the Vocational-Technical Institute for the period June 9 to July 1, 1972, and full-time Assistant for the period July 1 to September 1, 1972. He received the Associate in Technology degree from Southern Illinois University. His salary is to be paid from restricted funds. \$330.00;
\$500.00
(C)

16. Miss Donna G. Goehle as one-half time Staff Assistant in the Counseling and Testing Center for the period July 1 to September 1, 1972. She received the Bachelor of Arts degree from the University of Minnesota. \$270.00
(C)

17. Dr. Mario Luis Gospodinoff as Clinical Associate in the School of Medicine, serving without salary for the period June 1, 1972, to July 1, 1973. He received the Doctor of Medicine degree from the University of Buenos Aires, Argentina. (C)

18. Mrs. Catherine M. Grenfell as one-half time Assistant (in Rehabilitation) in the Employment Training Center for the period July 1, 1972, to July 1, 1973. She received the Bachelor of Science in Education degree from Southern Illinois University. Her salary is to be paid from restricted funds. \$355.00
(C)

19. Mr. Richard A. Haak as three-fourths time Assistant in Physics and Astronomy for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from Southern Illinois University. \$453.75
(C)

20. Mrs. Nancy Hunter Harris as Staff Assistant in the Office of the Dean of Student Services for the period July 1 to September 16, 1972. She received the Bachelor of Science degree from Southern Illinois University. \$640.00
(C)

21. Mr. Frederick Harrison as seventeen percent time Instructor in the Center for the Study of Crime, Delinquency, and Corrections for the period June 16 to September 16, 1972. He received the Master of Science degree from Southern Illinois University. His salary is to be paid from restricted funds. \$166.60
(C)

22. Mr. James V. Hennessy as Researcher in Occupational Education for the period July 1, 1972, to June 1, 1973. He received the Bachelor of Science degree from Washington University. His salary is to be paid from restricted funds. \$900.00
(C)

23. Mr. Pham The Hung as Staff Assistant in the Center for Vietnamese Studies for the period June 16 to September 16, 1972. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$525.00
(C)

24. Mr. Fred R. Isberner as seventy percent time Staff Assistant in the Peer-Oriented Drug Abuse Educational Network for the period May 1 to July 1, 1972, in addition to appointment as one-half time Staff Assistant in Student Services, and as seventy percent time Staff Assistant in Peer-Oriented Drug Abuse Educational Network for the period July 1, 1972, to May 1, 1973. He received the Bachelor of Science degree from Northern Illinois University. His salary is to be paid from restricted funds. \$560.00
(C)

25. Mr. John Gilbert Keene as Staff Assistant in Outdoor Laboratory for the period June 16 to September 3, 1972. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$475.00
(C)

26. Mr. Richard A. Lancia as Staff Assistant in Outdoor Laboratory for the period June 16 to September 7, 1972. He received the Bachelor of Science degree from the University of Michigan. His salary is to be paid from restricted funds. \$500.00
(C)

27. Miss Patricia Laurencelle as Clinical Professor in the School of Medicine, serving without salary for the period September 1, 1972, to July 1, 1973. She received the Doctor of Philosophy degree from Boston University. (C)
28. Mr. Russell Letson as one-half time Instructor in English for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$405.00 (C)
29. Mr. Larry Lindauer as Staff Assistant in the Safety Center for the period June 16 to July 1, 1972. He received the Master of Science in Education degree from Southern Illinois University. His salary is to be paid from restricted funds. \$855.00 (C)
30. Mr. Ross W. Logan as Instructor and Chief Academic Adviser in the Center for the Study of Crime, Delinquency, and Corrections for the period July 1, 1972, to July 1, 1973. He received the Master of Science degree from Southern Illinois University. \$825.00 (C)
31. Mr. Dennis T. Lowry as Assistant Professor in the School of Journalism for the Fall, Winter, and Spring Quarters, 1972-73. He received the Doctor of Philosophy degree from the University of Iowa. He was born May 2, 1942, in Aitkin, Minnesota. \$1,400.00 (C)
32. Mr. John R. Ludwig as Staff Assistant in Outdoor Laboratory for the period June 16 to September 12, 1972. He received the Master of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$675.00 (C)
33. Mrs. Valerie Malhotra-Hammond as one-half time Instructor in Sociology for the Fall, Winter, and Spring Quarters, 1972-73. She received the Master of Social Work degree from the University of Wisconsin. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$600.00 (C)
34. Mr. Leonard E. Maroun as Instructor in the School of Medicine for the period September 1, 1972, to July 1, 1973. He received the Doctor of Philosophy degree from Catholic University. \$1,000.00 (C)
35. Mr. David Lee Mattis as Researcher in Microbiology for the period June 16 to September 16, 1972. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$670.00 (C)

36. Miss Violet Moore as Instructor in Home Economics Education and Academic Adviser in the School of Home Economics for the Fall, Winter, and Spring Quarters, 1972-73. She received the Master of Science degree from Southern Illinois University. \$1,585.00
(C)
37. Mrs. Sylvia B. Morrill as one-half time Staff Assistant in the General Studies Division for the period July 1, 1972, to July 1, 1973. She received the Bachelor of Fine Arts degree from the School of the Art Institute, Chicago, Illinois. \$350.00
(C)
38. Mrs. Alice O. Morris as Instructor in the Center for English as a Foreign Language for the period June 19 to September 9, 1972, with change of salary effective July 1, 1972. 40. Mr. Gopal H. Gaonkar as Visiting Research Professor in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
41. Mr. William H. Gardner as Instructor of Business Administration in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.
42. Mr. Peter N. Gillingham as Project Coordinator in the Illinois Veterans Planning Project for the period July 1 to October 1, 1972. Salary paid from restricted funds. \$2,208.33
43. Mrs. Patricia Ann Goehe as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
44. Mr. Thomas W. Gomez as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
45. Miss Linda Lee Green as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.

46. Mr. John Gross as one-half time Assistant in Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
47. Mr. Phillip J. Hampton as Associate Professor in Ethnic and Special Studies for the Summer Quarter, 1972.
48. Mr. Joseph E. Harrison as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
49. Mr. Edward C. Haynie as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to September 16, 1972.
50. Mrs. Janice S. Haynie as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
51. Miss Joan L. Hewitt as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
52. Mr. Robert M. Holmes as Counselor in Supplemental Instructional Program for the period July 1 to October 1, 1972.
53. Mr. Arthur E. Hoover as Professor of Business Administration in the Business Division for the Summer Quarter, 1972. Salary paid from restricted funds.
54. Mr. Leon A. Joanez as Staff Assistant in the Upward Bound Program for the period September 15, 1972, to July 1, 1973. Salary paid from restricted funds.
55. Miss Paula M. Johnson as Assistant in Business Administration in the Business Division for the period June 1 to September 1, 1972.
56. Mrs. Gayle I. Jones as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
57. Mr. Steven H. Jones as full-time Instructor of Anthropology in the Social Sciences Division for the Fall Quarter, 1972, and as one-half time Instructor for the Winter and Spring Quarters, 1973.
58. Mrs. Laura Reed Joost as one-half time Lecturer in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
59. Mr. Donald R. Keck as Instructor of Sociology in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1972-73. \$1,000.00
60. Mr. Michael W. Keran as thirty-three percent time Associate Professor of Economics in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.

61. Mr. James L. King as Counselor in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
62. Mr. Robert E. Kohn as Associate Professor in the Business Division for the period July 1 to September 1, 1972. salary paid from restricted funds.
63. Mr. George H. Kovitch as forty percent time Staff Assistant in the Upward Bound Program for the period July 1, 1972, to July 1, 1973. Salary paid from restricted funds. \$ 300.00
64. Mr. Lester H. Krone, Jr., as thirty-three percent time Associate Professor of Management Science in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.
65. Mr. Shin-Ichi Kumanomidoh as one-half time Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
66. Mr. Robert Lee as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
67. Mrs. Susan Lieber as Instructor in the Nursing Division for the Fall, Winter and Spring Quarters, 1972-73.
68. Mr. Leonard Long as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
69. Mr. John W. Martin as Instructor of Health, Recreation and Physical Education in the Education Division for the Fall, Winter and Spring Quarters, 1972-73.
70. Mrs. Judith Martin as three-fourths time Assistant in the Nursing Division for the Fall Quarter, 1972.
71. Mr. Everett T. Mauger as Instructor of Marketing in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.
72. Mr. Wilbur C. McAfee as Lecturer of Historical Studies in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1972-73.
73. Mrs. Lucy Helen McAneny as three-fourths time Academic Adviser in the General Studies Division for the period July 1 to September 1, 1972, and as one-half time Academic Adviser for the period September 1, 1972, to July 1, 1973.
74. Mr. Patrick C. McBride as Instructor of Health, Recreation and Physical Education in the Education Division for the Fall, Winter and Spring Quarters, 1972-73.

75. Mrs. Claudia McClinton as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
76. Miss Mildred O. Mitchell as Counselor in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
77. Mr. George Mitchom as Coordinator in the Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
78. Mr. Lenwood Morris as three-fourths time Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
79. Mr. Willie Mullins as Adviser in the Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
80. Miss Mabel A. Murphy as Librarian and Adjunct Associate Professor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
81. Mr. Muthal Naidoo as Counselor in Ethnic and Special Studies for the period July 1 to September 15, 1972.
82. Mrs. Susan M. Nall as Instructor of Elementary Education in the Education Division for the Fall, Winter and Spring Quarters, 1972-73.
83. Mrs. Edna D. Nelson as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
84. Mr. Clarence Nolden as Counselor in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
85. Mr. Frank E. Oakes as Assistant Professor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
86. Mr. Paul O. Osifo as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
87. Mr. John Pratt as eighty percent time Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
88. Mr. Joel Price as seventy percent time Counseling Trainee in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
89. Mr. Alvin M. Pulliam as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
90. Mr. W. Mason Richard as Lecturer of Accounting and Finance in the Business Division for the Fall, Winter and Spring Quarters, 1972-73. Salary paid from restricted funds.

91. Miss Velta Ritums as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
92. Mr. John Robinson as Staff Assistant in Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
93. Miss Kathryn Rogers as Counselor in the Supplemental Instructional Program for the period July 1, 1972, to July 1, 1973.
94. Mr. Nolen Ross as Counselor in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
95. Mr. Arthur A. Sandoval as Instructor of Art and Design in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
96. Mr. Archie C. Savage as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
97. Mr. Thomas E. Schaeffer as Lecturer of Management Science in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.
98. Mrs. Janet Ann Scott as Instructor of Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
99. Miss Barbara Shelton as Instructor in the Nursing Division for the Fall, Winter and Spring Quarters, 1972-73.
100. Miss Mary Sherwin as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
101. Mr. Peter L. Simpson as Consultant in the Office of the President for the period July 1, 1972, to July 1, 1973, and as Lecturer of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1972-73.
102. Mrs. Lillyvee Singleton as Academic Adviser in the Education Division for the period July 1, 1972, to July 1, 1973.
103. Mrs. Alvera V. Skinner as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
104. Mrs. Ina P. Sledge as Instructor in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
105. Mr. Herbert A. Smith as three-fourths time Staff Assistant in Ethnic and Special Studies for the period June 15 to September 16, 1972.
106. Mr. Joseph E. Smith as Assistant Professor in Ethnic and Special Studies for the period June 16 to September 16, 1972.

107. Mr. Marvin A. Soloman as Assistant Professor in Lovejoy Library for the period July 1 to October 1, 1972. Salary paid from restricted funds.
108. Mr. Norman J. Stafford as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1972-73.
109. Mrs. Elizabeth Stanley as one-half time Lecturer in Lovejoy Library for the period July 1 to September 1, 1972. Salary paid from restricted funds.
110. Mrs. Sheila S. Stimson as one-half time Lecturer in Lovejoy Library for the period July 1, 1972, to July 1, 1973.
111. Mr. Eugene G. Stone as Lecturer of Management Science in the Business Division for the Fall, Winter and Spring Quarters, 1972-73.
112. Miss Jeanelle Stovall as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
113. Mrs. Mary Burnett Strauss as one-half time Instructor of Art and Design in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.
114. Mrs. Juanita Tate as Instructor in the Nursing Division for the Fall, Winter and Spring Quarters, 1972-73.
115. Mrs. Kine Thiam as Counseling Trainee in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
116. Mr. Mor Thiam as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.
117. Miss Theresa Diane Thomas as Staff Assistant in the Center for Urban and Environmental Research and Services for the period July 1, 1972, to July 1, 1973. Salary paid from restricted funds.
118. Mrs. Barbara Tirre as Instructor of Mass Communications in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
119. Mrs. Betty Ruth Tomfohrde as one-half time Assistant in Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73.
120. Mr. Ronald G. Trimmer as Assistant Program Director in the Upward Bound Program for the period July 1 to September 16, 1972. Salary paid from restricted funds.

121. Mrs. Jessica Turner as one-half time Counseling Trainee in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.

122. Mr. Robert J. Van Regenmorter as Lecturer of Accounting and Finance in the Business Division for the period Fall, Winter and Spring Quarters, 1972-73. Salary paid from restricted funds.

123. Mrs. Anne Gaiter Walker as eighty percent time Counseling Trainee in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.

124. Mr. Edward L. Welch as one-half time Assistant Professor of Business Administration in the Business Division for the Fall, Winter and Spring Quarters, 1972-73. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

125. Mrs. Mary R. White as Coordinator (of Reading) in the Supplemental Instructional Program for the period July 1, 1972, to January 1, 1973.

126. Mr. Jack J. Whitted as Instructor of Health, Recreation and Physical Education in the Education Division for the Fall, Winter and Spring Quarters, 1972-73.

127. Mr. Rudolph F. Wierer as sixty percent time Lecturer in Lovejoy Library for the period July 1 to October 1, 1972. Salary paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

128. Mr. Sonny B. Williams as eight percent time Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.

129. Mrs. Sandra LaVerne Wilson as Coordinator in the Education Division for the period July 1, 1972, to July 1, 1973.

130. Mr. Ural Wilson as Staff Assistant in Ethnic and Special Studies for the period July 1, 1972, to July 1, 1973.

131. Mr. Richard J. Wurtz as Instructor of Historical Studies in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1972-73.

F. Changes of Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. Gene D. Allsup to serve as Associate Professor of Foundations of Education in the Education Division and Associate Professor of Foreign Languages and Literature in the Humanities Division, rather than Assistant Dean in International Services Division and Associate Professor of Foundations in the Education Division, effective Fall Quarter, 1972.

2. Mr. Dale F. Blount to serve as Assistant Professor of Business Administration in the Business Division, rather than Coordinator in Technical and Adult Education and Assistant Professor in the Business Division, effective July 1, 1972, and to serve on an academic year basis, rather than fiscal year basis, effective September 16, 1972.

3. Mr. Larry C. Britton to serve as full-time Lecturer of Health, Recreation and Physical Education in the Education Division, rather than one-fourth time Lecturer, with salary change accordingly, for the period March 27 to April 8, 1972.

\$ 900.00
rather than
\$ 225.00

4. Mr. Norman C. Johnsen to serve as sixty-seven percent time Assistant Professor of Earth Sciences in the Social Sciences Division, rather than full-time Assistant Professor, with salary change accordingly, for the period July 1, 1972, to June 16, 1973.

\$1,008.35
rather than
\$1,505.00

5. Mr. Robert E. Mendelson, Researcher in the Center for Urban and Environmental Research and Services, to serve also as Assistant Professor of Earth Sciences in the Social Sciences Division on a term basis, rather than continuing basis, for the period July 1, 1972, to July 1, 1973.

6. Mr. John F. Moormann, Jr., Assistant to the Director of Broadcasting Services, to serve also as Instructor of Mass Communications in the Fine Arts Division, for the period July 1, 1972, to July 1, 1973.

7. Mr. Robert W. Murungi to serve as full-time Lecturer of Philosophical Studies in the Humanities Division, rather than Lecturer of Philosophical Studies in the Humanities Division and Consultant in the Office of the Vice-President and Provost, effective Fall Quarter, 1972.

8. Mr. Randy P. Rock to serve as full-time Academic Adviser in the General Studies Division, rather than one-half time Academic Adviser, with salary change accordingly, for the period July 1 to October 1, 1972.

\$ 890.00
rather than
\$ 445.00

9. Mr. Arthur A. Stahnke, Associate Professor of Government and Public Affairs in the Social Sciences Division, to serve also as Chairman of Government and Public Affairs, with monthly salary increase to reflect additional administrative responsibilities, effective July 1, 1972, on a fiscal year basis.

\$1,715.00
rather than
\$1,640.00

G. Leaves of Absence Without Pay

1. Mr. George J. Heaslip, Jr., Instructor of Sociology in the Social Sciences Division, for the Fall, Winter and Spring Quarters, 1972-73, to complete work on the doctor's degree.

2. Mr. John D. Kendall, Professor of Music in the Fine Arts Division for the period January 1, 1973, to the end of Winter Quarter, 1973, to conduct workshops in Ireland, England and Sweden.

3. Mr. George V. Poynor, Associate Professor of Mathematical Studies in the Science and Technology Division for the Winter and Spring Quarters, 1973, to continue work with United States Department of State in Washington, D. C.

4. Mrs. Stella P. Revard, Associate Professor of English Language and Literature in the Humanities Division, for the Fall Quarter, 1972.

H. Resignations

1. Miss Judith A. Boyle, Assistant to the Coordinator of Housing in the Dean of Students Office, effective December 1, 1971, for personal reasons.

2. Mr. D. Stacey Halfhill, Assistant Professor of Marketing in the Business Division, effective the end of Summer Quarter, 1972, to accept a position elsewhere.

3. Mrs. Edna D. Jones, Counselor in Ethnic and Special Studies, effective August 1, 1972.

4. Mr. Alan H. Sinclair, Staff Assistant in the Illinois Veterans Planning Project, effective July 1, 1972, to accept employment elsewhere.

5. Mrs. Lucille Walter, Instructor in the Nursing Division, effective June 16, 1972, for personal reasons.

I. Corrections

1. Mr. Max Blinder as one-fourth time Lecturer of Counselor Education in the Education Division for the Spring Quarter, 1972. M.S., Southern Illinois University.

\$237.50

2. Mrs. Mary B. Hansel, rather than Hansen, as Staff Assistant in the Business Division for the period July 1, 1972, to January 1, 1973. Salary to be paid from restricted funds.

After considerable discussion regarding the term appointment of Mr. Samuel E. McVay as Administrator in the Health Service, SIUC, Dr. Walker moved approval of Changes in Faculty-Administrative Payroll with the exception of Mr. McVay. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Earl E. Walker	Aye

The Chair then recognized Mr. Elliott, who moved approval of the term appointment of Mr. Samuel E. McVay as submitted with the following changes:

(1) His title is to be Assistant and Acting Administrator instead of Administrator; (2) provided, that he shall not participate in the recommendations of decisions for employment, fixing of salary or termination of employment of professional Doctors of Medicine; (3) the administration of SIUC is requested to prepare guidelines for the operation of the Health Service and its administration, for the duties of its Medical Director and non-medical Administrator, and for the redesignation of titles for these positions. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Nay
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, JUNE, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of June, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments, if any, on the above matter. The report was received.

The Chair then recognized President Rendleman, who presented the following matter, and asked Dr. Joseph S. Gore, Assistant Dean, Education Division, SIUE, to answer any questions which the Board might have with respect to this particular program:

(E) APPROVAL OF DEGREE PROGRAM: BACHELOR OF SCIENCE IN RECREATION, SIUE

Upon recommendation of the appropriate undergraduate curriculum review bodies and the Chief Academic Officer of Southern Illinois University at Edwardsville, approval is requested for a curriculum at Edwardsville leading to the degree of Bachelor of Science in Recreation. It will be administered by the Department of Health, Recreation, and Physical Education in the Education Division and would become effective immediately upon final approval by the State of Illinois Board of Higher Education.

The implementation of this program would assist in satisfying a growing need for professionals in recreation. As the opportunities expand for individuals to have more leisure time, the demand upon the nation's urban areas is amply demonstrated already. Availability of a professional program in the Southwestern Illinois area would materially benefit the existing needs for trained professionals.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Edwardsville administration be authorized to establish a degree of Bachelor of Science in Recreation within the Department of Health, Recreation, and Physical Education, and the Illinois Board of Higher Education is requested by this Board to sanction implementation of such a degree program at Edwardsville.

After considerable discussion regarding the term appointment of Mr. Samuel E. McVay as Administrator in the Health Service, SIUC, Dr. Walker moved approval of Changes in Faculty-Administrative Payroll with the exception of Mr. McVay. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye

(E) APPROVAL OF DEGREE PROGRAM: BACHELOR OF SCIENCE IN RECREATION, SIUE

Upon recommendation of the appropriate undergraduate curriculum review bodies and the Chief Academic Officer of Southern Illinois University at Edwardsville, approval is requested for a curriculum at Edwardsville leading to the degree of Bachelor of Science in Recreation. It will be administered by the Department of Health, Recreation, and Physical Education in the Education Division and would become effective immediately upon final approval by the State of Illinois Board of Higher Education.

The implementation of this program would assist in satisfying a growing need for professionals in recreation. As the opportunities expand for individuals to have more leisure time, the demand upon the nation's urban areas is amply demonstrated already. Availability of a professional program in the Southwestern Illinois area would materially benefit the existing needs for trained professionals.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Edwardsville administration be authorized to establish a degree of Bachelor of Science in Recreation within the Department of Health, Recreation, and Physical Education, and the Illinois Board of Higher Education is requested by this Board to sanction implementation of such a degree program at Edwardsville.

SUMMARY STATEMENT FOR PROPOSED PROGRAM IN RECREATION

Program Description

The Education Division through its Department of Health, Recreation, and Physical Education proposes to offer an undergraduate program in recreation leading to a bachelor of science degree. The program would prepare individuals for work in a variety of public and quasi-public agencies.

The recreation program will introduce professional requirements in the freshmen year, thereby providing students with the opportunity to explore this career choice early in their university education. This early entry will also provide an early opportunity for career development rather than concentrating professional training at the end of the program. A total of 62-66 hours will be required in professional courses, 27-31 of which will be in existing Physical Education courses. A new sequence of Recreation courses totaling 35 hours would be required to round out the core of the program. To provide for an interdisciplinary aspect, students will be encouraged to take courses from fields such as social psychology, educational psychology, astronomy, earth science, theater, music, etc.

Supervised internship experience plus work experience during vacation and out-of-school periods will be expected.

Justification for Establishment of the Program

Area recreational professionals have been consulted regarding need for this program and all have indicated more and better trained recreation personnel are needed throughout the area. Numerous students over the past several years have voiced an interest in such a program.

Nationally, the need is considerable. In 1970 manpower needs exceeded by some 20,000 the supply available. According to projections of the National Recreation and Park Association, this shortage will widen steadily during the next decade, with an additional need of some 600,000 full-time workers being predicted by 1980. In October 1971 the American Association of State Colleges and Universities reported United States Bureau of Labor statistics that projected a 75% increase in recreation workers during the next decade.

It is commonly held that our society will see increased leisure available for its citizens and a concomitant demand upon our recreational resources. Professional personnel will be necessary to manage these recreational resources as well as provide leadership.

University Resources in Support of the Program

Minimal resources will be needed to implement this new program since the program will be relatively small and selective and it will enroll students into a number of existing courses. One new full-time faculty member will be required to assist in developing and teaching the new courses in recreation. This individual's salary is anticipated to be \$14,000 a year. Some minimal support money will be required along with library purchases. Funds for operating this program will be requested in the 1973-74 operating budget.

Future Funding Needs

Limited future funding will be necessary inasmuch as existing University courses comprise the bulk of the program. The other courses involved in the program are of the traditional classroom variety relying upon textbooks, periodicals, references, etc. The internship experiences will utilize existing resources on the campus and in the community.

After discussion, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

(F)

RECREATION BUILDING, SIUC

The Board has previously approved the location and mode of financing on the Recreation Building. The design development drawings have now been prepared by Ralph Rapson & Associates, Inc., and are presented to the Board for approval prior to preparation and completion of working drawings. The following resolution is therefore recommended for approval at this time:

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the design development drawings and model presented to the Board this day be and are hereby accepted and approved and the Architects-Engineers are directed to proceed to prepare working and detailed drawings necessary and required to solicit bids for the project.

A booklet entitled "Recreation Building, Southern Illinois University at Carbondale, Illinois" had been mailed to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees. This booklet contained the outline specifications for construction for a Recreation Building at SIUC.

President Derge called on Mr. Willard C. Hart, Campus Architect, SIUC, to make a brief presentation and to introduce Mr. Ralph Rapson, Architect, who explained the design development drawings and model to the Board members.

After considerable discussion about the building, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge who presented Item G - Report Concerning Health Care Services, SIUC. This report had been sent to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees. President Derge explained this report was in response to the Board's desire to be kept up-to-date on the development plans. The administration did not have a recommendation at this time and did not request action on the part of the Board.

The Chair recognized Mr. Charles J. Newling, Chairman, Health Negotiating Commission of the Student Senate, SIUC, who explained that the term "Student Welfare and Recreation Fund" was felt to be too vague and the money vulnerable to use for various projects; therefore, the SWARF account should be abolished and replaced by a Student Health Care Program Fee and a Recreation Building Fund Fee. In other words, establish separate accounts for separate fees in order to know exactly what fees are being used for what projects. From student input that Mr. Newling has received, the students want the new health program without an increase in fees.

After considerable discussion, the Chair thanked those who had prepared this report.

The Chair then recognized Dr. Walker, who moved that the Board consider the Proposed Current and Pending Matter. The motion was duly seconded and after a unanimous voice vote, the Chair declared the motion to have passed.

Chairman Fischer recognized President Derge, who requested Attorney John Huffman, SIUC, to present the following matter:

(Current and Pending Matter)

(1)

MOTOR VEHICLE REGULATIONS FOR
SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the present Motor Vehicle Regulations be repealed and that the following Motor Vehicle Regulations be adopted, effective September 1, 1972.

BE IT FURTHER RESOLVED, That the President of the University be authorized and directed to take such administrative actions as may be required to implement this resolution and the parking and traffic regulations.

MOTOR VEHICLE REGULATIONS FOR
SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE

Division I - Title, Authority, Purpose, and Enforcement

Section 1-101 - Title

These regulations shall be known as the Motor Vehicle Regulations for Southern Illinois University at Carbondale.

Section 1-102 - Authority

The regulations contained herein are established under the authority and duty of the Board of Trustees granted by the Legislature of the State of Illinois to establish and make regulations for the government and the management of Southern Illinois University.

Section 1-103 - Purpose

A. The regulations contained herein, the sanctions for violation of the same, and the monetary use charges, are for the purpose of providing and maintaining a safe and uncongested means for the movement and parking of vehicular traffic on the campus of Southern Illinois University at Carbondale. This policy includes, but is not limited to, discouraging the use of parking spaces for which there is a great demand for the purpose of all-day parking or automobile storage, making such space available to those whose needs are greatest from the view of advancing the academic, service, and administrative functions of the University.

B. In developing these regulations, the Board recognizes that there are not sufficient parking spaces and facilities for all persons desiring to park on the campus. It is therefore necessary to establish equitable regulations controlling the parking, and providing a means whereby individuals with need of parking on the campus would receive priority to the same.

Section 1-104 - Effective Date

These regulations are effective for Southern Illinois University at Carbondale from and after September 1, 1972.

Section 1-105 - Enforcement

It shall be the duty and responsibility of all police officers and meter attendants employed at Southern Illinois University at Carbondale, unless otherwise provided herein, to enforce these regulations.

Division II - Coverage, Definitions and Divisibility

Section 2-101 - Coverage, General

A. The regulations contained herein shall apply to all motor vehicles and users thereof, coming upon, or parking on, the campus of Southern Illinois University at Carbondale, unless otherwise provided in these regulations. Any person driving or parking a motor vehicle on the campus accepts the obligations imposed by these regulations.

B. The provisions of these regulations shall apply to the driver of any vehicle owned or operated by the United States, the State or any County, City, Town, District, public corporation, or any other political subdivision of this or any other State, except as otherwise provided in this section.

Section 2-102 - Emergency Vehicles, Exception

A. The driver of an authorized emergency vehicle, when responding to an emergency call or when in pursuit of an actual or suspected violator of the law or of these regulations, or when responding to but not upon returning from a fire alarm, may exercise the privileges set forth in this section, but subject to the conditions herein.

B. The driver of an authorized emergency vehicle may:

1. Park or stand, irrespective of the provisions of these regulations;
2. Proceed past a red or stop sign, but only after slowing down as may be required and necessary for safe operation;
3. Exceed the maximum speed limit so long as he does not endanger life or property;
4. Disregard regulations governing direction of movement or turning.

C. The exceptions herein granted to an authorized emergency vehicle, other than a police vehicle, shall apply only when the vehicles are making use of either an audible signal when in motion or visual signals meeting State requirements.

D. The foregoing provisions do not relieve the driver of an authorized emergency vehicle from the legal duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the legal consequences of his reckless disregard for the safety of others.

Section 2-103 - Definitions

The words and the phrases used in these regulations, for the purpose of these regulations, shall have the meanings respectively ascribed to them in the Illinois Revised Statutes, Chapter 95 1/2, Sections 1-102 through 1-219, except where the context otherwise requires.

Section 2-104 - Divisibility

Should any division, section, or subsection of these regulations be declared unconstitutional or void by any court of competent jurisdiction, the remainder of these regulations shall remain in effect. Under such circumstances, the President or his duly delegated representative, shall have the authority to establish a new division, section or subsection for that which has been declared void or unconstitutional, without resubmission to the Board, in order to give full force and effect to the intent and the purpose of these regulations. New divisions, sections, or subsections, shall be submitted to the Board for ratification as soon thereafter as possible.

Section 2-105 - The Illinois Vehicle Code

All laws of the State of Illinois concerning vehicles and their operation, including but not limited to the Illinois Vehicle Code, are hereby incorporated in these regulations as if reproduced herein in full. Pursuant thereto, the posting of signs regulating traffic and parking by Security Office shall be deemed to have been duly done by local authority as therein defined.

Section 2-106 - Speed Limit

The speed limit on campus roads or drives shall be 25 miles per hour unless otherwise posted.

Section 2-107 - Obedience to Traffic Signs

Every person shall obey the instructions of any traffic controlled drives, sign or notice, unless otherwise directed by police officer, subject to the exceptions granted the drivers of an authorized emergency vehicle.

Division III - Registration

Section 3-101 - General

Each motor vehicle operated on University property by an enrolled student, faculty member, employee or staff member, must be registered at the beginning of each academic year with the Parking Division of the Security Office.

Section 3-102 - Eligibility, General

A. An eligible person must present a valid operator's license, a vehicle registration card or notarized license-applied-for receipt, proof of liability insurance, and University identification card. A student must also present a receipted fee statement card. Dealer license plates are not acceptable for University Motor Vehicle Registration without permission of the Coordinator of the Parking Division of the Security Office.

B. No person shall register a vehicle, or receive a parking decal for a vehicle unless he or she signs a Motor Vehicle Registration Card provided by the Parking Division of the Security Office.

Section 3-103 - Vehicle Eligible for Registration

Any eligible person may register only his vehicle or vehicle of a member of his immediate family. Immediate family includes any relative domiciled at the individual's residence.

Section 3-104 - Preliminary Application by Mail

Preliminary application, including by mail, may be made by returning a filled-in application form accompanied by the appropriate fee, preferably by a personal check. As soon as decals become available, the applicant may obtain his decal upon presentation of the evidence requested in the immediately preceding sections of this division.

Section 3-105 - Student Eligibility for Registration

Graduate students and the following categories of undergraduate students may apply for permission to use, operate, park, or possess motor vehicles on the campus during posted hours, with the final approval to be given by the Dean of Students:

1. Juniors and seniors (90 or more hours of credit).
2. Veterans with 2 years of military service.
3. Married students.
4. Students residing in the home of parents or guardians.
5. A student who requires a motor vehicle for reasons of health or physical condition as certified in writing by the Health Service.
6. A student who is certified in writing by the Office of Student Work and Financial Assistance to require a motor vehicle on campus for the purpose of employment because economically or professionally commensurate employment is demonstrably not available to him on campus or in a location where use of a private motor vehicle on campus is not required, but only so long as the circumstances which prompted the certification remain substantially unchanged.
7. A student not covered by 1 through 6 preceding whose reason for requiring a motor vehicle on campus is judged valid by the Dean of Students and is so certified in writing. However, no student will be granted an exception to the Motor Vehicle Policy solely on the basis of the remoteness of his housing from campus, so long as housing is available in accepted living centers located where use of a private motor vehicle on campus is not required.

Section 3-106 - Attachment of Decal

Registration of a vehicle is not complete until the decal issued is permanently attached to the vehicle as prescribed herein.

Division IV - Decals

Section 4-101 - Issuance of Decals

All decals shall be issued by the Parking Division of the Security Office, except as otherwise provided herein.

Section 4-102 - Persons Affiliated with the University

Unless otherwise provided herein, no person affiliated with Southern Illinois University at Carbondale shall operate or park a motor vehicle on University property without display of a current decal.

Section 4-103 - Persons Not Affiliated with the University

Unless otherwise provided herein, persons unaffiliated with Southern Illinois University at Carbondale shall not park motor vehicles on the property of Southern Illinois University at Carbondale, except in designated visitor or service lot areas, without displaying a current guest or temporary permit.

Section 4-104 - Guarantee

Because of the limited number of parking spaces, the obtaining of a decal does not guarantee the holder a parking space in a parking lot in a particular location.

Section 4-105 - Types of Decals, Eligibility and Ratio

The Parking Division of the Security Office shall establish and issue decals according to the following:

1. Blue decals will be available for full-time faculty and staff; also, those students and part-time employees whose health or physical condition require the privileges thereof will be eligible for blue decals. The number to be made available shall be approximately the number of spaces in blue lots.
2. Red decals will be available to all eligible members of the University community at a ratio of approximately 2 for each red decal parking space available.
3. Silver decals will be available to all eligible members of the University community.
4. Any person associated with the University is eligible for a yellow registration decal. It will serve as proper evidence of registration of a vehicle.
5. Temporary permits may be issued by the Parking Division of the Security Office.
6. Guest permits are available to University visitors to University offices, guests of the University housing residents, and guests of the University Baptist Student Center residence. The permits may be obtained from the Parking Division Office between 8:00 a.m. and 4:30 p.m. during weekdays, or from the Security Office at any other time.

Section 4-106 - Priority

Anyone eligible for a particular color decal will have priority for any lesser priced decal.

Section 4-107 - Reservation of Decals

A limited number of blue, red, and silver decals shall be reserved until October of each year for those who become new members of the University community after September 1, 1972, and for unusual hardship cases.

Section 4-108 - Undischarged Obligations

No parking decal shall be issued to any person who owes an undischarged obligation under these regulations.

Section 4-109 - Multi-decals and Car Pools

A. Decals for additional family vehicles may be issued to an individual for a five dollar (\$5.00) fee per vehicle when no other member of the same household is a student or employee of the University.

B. Employees or students who wish to rotate driving responsibility may form car pools or 1 person may form his own car pool by registering 2 or more cars. Each member of the pool will be issued a decal to denote membership in a designated car pool. One transferable medallion will be issued to the pool and must be displayed on the rearview mirror in any car bearing a car pool decal while it is parked on campus. Students are ineligible to be included in a blue car pool. Employees and students may be included in red car pools. A monetary charge of five dollars (\$5.00) will be made when a new member joins an existing car pool. Any active car pool member may add a second or third vehicle to an existing pool without charge.

Section 4-110 - Ownership of Decals and Medallions

All decals and medallions remain the property of the University at all times and may be reclaimed for cause at any time. Upon sale of a vehicle or other change of eligibility for motor vehicle privileges under these regulations, a decal which is no longer authorized for the person or vehicle must be immediately removed and the remnants thereof promptly returned to the Parking Division of the Security Office. Replacement decals will be issued at no cost for newly acquired vehicles which replace a currently registered vehicle upon presentation of the remnants of the original decal.

Section 4-111 - Fees and Refunds

The assessment and collection of an annual motor vehicle fee from students eligible for motor vehicle privileges and from all employees is hereby established according to the following:

1. Motor Vehicle Fees by Quarter:

	<u>Blue</u>	<u>Red</u>	<u>Silver</u>
Fall	\$40	\$20	\$10
Winter	30	15	7
Spring	20	10	5
Summer	10	5	3

Yellow registration decals will be issued at no cost upon proper application.

2. Requirements for refund authorization:

- a. Parking Division verification of termination of employee or student status or sale of vehicle with proper documentation.
- b. Return of remnants of decal to Parking Division.

3. Refundable amounts:

<u>Decal</u>	<u>Oct</u>	<u>Nov</u>	<u>Dec</u>	<u>Jan</u>	<u>Feb</u>	<u>Mar</u>	<u>Apr</u>	<u>May</u>	<u>Jun</u>
Blue	\$35	\$30	\$25	\$20	\$15	\$10	\$5	\$5	\$0
Red	15	13	11	9	7	5	3	1	0
Silver	5	3	0						

All decals are valid until October 1 of the year following when they first become available.

Section 4-112 - Manner of Displaying Decal

Decals must be displayed on the rear bumper of a vehicle, left of the license plate. On a motorcycle, the decal must be on the fender near the license plate. Decals shall not be obscured by the plate or any other equipment of the vehicle.

Division V - Parking

Section 5-101 - Parking in General

No person in any way affiliated with the University, or any activity or organization operating on the property belonging to or under the control of the University, whether as a student, or as an employee, shall park any private motor vehicle on University property during posted hours except as authorized by current parking decals duly issued to that person and issued for that motor vehicle permanently attached thereto in the manner prescribed.

Section 5-102 - Authorized Parking Space

Parking in any location other than an authorized parking space in an authorized parking lot constitutes a violation of these regulations. No parking is permitted on any campus street or University office driveway unless otherwise directed by a police officer or by duly posted sign.

Section 5-103 - Location of Parking

Unless otherwise provided in these regulations, the parking privileges authorized by decals shall be as follows:

1. Blue decals - any authorized blue, red, or silver parking lot.
2. Red decals - any authorized red or silver parking lot.

3. Silver decals - any authorized silver parking lot.
4. Yellow registration decals - the Student Center pay lot and the parking lot at Campus Beach during the months of May to September.
5. Temporary permits - as prescribed at the time of issue or in accordance with the decal for which the permit is issued as a temporary substitute.
6. Guest permits - only for lots, days and times prescribed on the permit.

Section 5-104 - Overnight Parking

A. Overnight parking privileges in designated lots on the campus are restricted to those living on campus, to the residents of the Baptist Student Center, to security pass holders valid from 2:00 a.m. to 7:00 a.m., and to third shift employees. Parking after 2:00 a.m. is permitted with a red or blue decal only in Lot 59 west of Group Housing; Lot 45 at Grand and Marion Streets north of University Park; first four rows at south end of Lot 4; Lot 23 at Oakland Avenue and Douglas Drive; Lot 49 south of Baptist Student Center; and Campus Drive at Group Housing with exceptions to be posted in order for cleaning of streets.

B. Parking after 2:00 a.m. is also permitted with a yellow, silver, red, or blue decal in Lots 25, 26, 27, and at Evergreen Terrace, Elizabeth Street Apartments, University Trailer Park, and University Courts. Parking in any other lot after 2:00 a.m. is prohibited unless authorized by the Security Office.

Section 5-105 - Metered Parking

A. The Parking Division of the Security Office shall have the authority to establish metered stalls for parking on the campus. The rates for such fee shall be established and posted by the Parking Division of the Security Office, but in no event shall it exceed 25¢ per hour. The following persons may park vehicles at metered stalls upon compliance with the directions on the meter or whenever specifically permitted by a duly posted sign:

1. Campus visitors.
2. Students and employees if the vehicle is registered with a blue, red, or silver parking permit or yellow registration decal.

B. All vehicles parking in metered stalls are required to pay the meter fee. Posted hours and regulations on signs and meters are to be observed.

Section 5-106 - Exceptions

Vehicles with yellow, silver, red, or blue decals may, during the following times use any designated parking area on which vehicles with blue decals are normally permitted to park:

1. Holidays (only those in which no classes are held).
2. From 12 noon on Saturday to 2:00 a.m. on Monday of each week.
3. Between quarters.

Section 5-107 - Visitors

No visitor unaffiliated with the University either as a student or employee shall park any motor vehicle on campus except in metered spaces or lots provided for visitors and so marked in accordance with such markings or the directions of any attendant or officer present at the lot.

Section 5-108 - Prohibited Parking

No person shall park a vehicle, unless directed by a police officer:

1. In a location other than an authorized parking lot or space.
2. In a location prohibited by a sign or marking.
3. In a marked loading zone for a period longer than the allotted time.
4. Outside the lines of individually marked parking spaces.
5. On walks or grass.
6. In a driveway unless marked and posted.
7. So as to block a crosswalk.
8. So as to block cars legally parked.
9. On a campus street or driveway except where posted.
10. So as to block a wheelchair ramp.
11. By backing into a perpendicular parking space.

Division VI - Sanctions and Monetary Use Charges

Section 6-101 - General

Any person or vehicle found in violation of these regulations shall be subject to one or more of the following:

1. Removal of vehicle at owner's expense.
2. Revocation of parking privileges.

3. Referral of the matter to appropriate University official for internal disciplinary action.
4. A monetary use charge as provided in Section 6-104 of this division.

Section 6-102 - Revocation of Parking Privileges

The Coordinator of the Parking Division of the Security Office shall have the authority to revoke the parking privileges of any individual who:

1. Is ticketed and sanctioned, or charged a monetary use fee, on three separate occasions during any academic year for violating these regulations.
2. Is found guilty of reckless driving under Section 11-503, Chapter 95 1/2 of the Illinois Revised Statutes while driving a vehicle on this campus.
3. Is found guilty of driving while under the influence of alcohol under Section 11-501, Chapter 95 1/2 of the Illinois Revised Statutes while driving a vehicle on this campus.
4. Has his or her operator's license revoked by the State of Illinois.
5. Fails to appear before the Coordinator of the Parking Division of the Security Office on a ticket received for violation of these regulations.
6. Fails to pay a monetary use charge assessed.

Section 6-103 - Imposition of Sanctions and of Monetary Use Charges

The Coordinator of the Parking Division of the Security Office is authorized to impose sanctions for violation of these regulations, withdraw motor vehicle privileges as provided in these regulations, cause the removal of trespassing vehicles at the operator's or owner's expense as provided in these regulations, refer the matter to internal disciplinary action, impose a monetary use charge, or any combination of the above.

Section 6-104 - Monetary Use Charges

The Coordinator of the Parking Division of the Security Office shall have the authority to impose a monetary use charge in addition to the sanctions listed in Sections 101 and 102 of this division as established below:

1. False or deceptive practice in obtaining parking privileges will result in a monetary charge of \$25.00.

2. Violation of any of the provisions of Section 5-108 will result in a monetary charge of \$3.00 if paid within five business days after the date of issue and a monetary charge of \$5.00 thereafter.
3. Operating or parking, except by permission of the Security Office or the Dean of Students, of an unregistered motor vehicle on University property during posted hours by a person affiliated with Southern Illinois University at Carbondale who is eligible to register the same will result in a monetary charge of \$15.00.
4. Improper display of, or failure to display, when eligible, after registration, the appropriate decal or car pool medallion, will result in a monetary charge of \$3.00 if paid within five business days after the date of issue, and a monetary charge of \$5.00 thereafter.
5. Parking in a parking lot or area of a registered motor vehicle without the appropriate decal or permit will result in a monetary charge of \$3.00 if paid within five business days after the date of issue, a monetary charge of \$5.00 thereafter.
6. Overtime parking in any metered space will result in a monetary charge of \$1.00 if paid within five business days after the date of issue, a monetary charge of \$3.00 thereafter.
7. Acceptance of a second decal for \$5.00 fee when another member of the same household is a student or an employee of the University will result in a monetary charge of \$25.00 plus revocation of the second decal.

Section 6-105 - Failure to Pay Monetary Use Charge

A. Notwithstanding any provisions of these regulations, any person who is an employee of the University or the State of Illinois, who fails to pay a monetary use charge as set forth in these regulations will be subject to having such monetary charge owed to the University deducted from the sums due to such employee from the University or the State.

B. Notwithstanding any provisions of these regulations, any student who fails, refuses or neglects to pay a monetary use charge as set forth in these regulations will be subject to an administrative hold being placed on that student's registration until such time as the amount is paid to the Bursar.

Division VII - Hearing Officers, Appeals Board, and Appeals

Section 7-101 - Hearing Officers

A. Any person who desires an administrative hearing must report to the Parking Division of the Security Office before 4:30 p.m. within five business days immediately following the date of issuance of the ticket. The Parking Division of the Security Office shall provide the necessary forms to be filled out, along with a copy of the hearing procedures established by the hearing officers.

B. Anyone who fails to pursue his or her administrative hearing, waives the right to the same, and shall be subject to the monetary use charge or sanctions otherwise herein provided.

Section 7-102 - Administrative Hearing Officers

The President, or his delegate, shall appoint annually, a pool of not less than seven (7) hearing officers who shall be assigned individually to hear all cases submitted under Section 7-101 of these regulations. The hearing officers shall establish the hearing procedure, the same to be approved by the University Legal Counsel.

Section 7-103 - Authority of Hearing Officer

The administrative hearing officer assigned to hear an individual case shall have the authority to:

1. Affirm the monetary use charge or any sanction imposed under these regulations.
2. Determine no monetary use charge was incurred or other sanction required under these regulations.

Section 7-104 - Appeal

A. Any person who objects to the decision of a hearing officer has 14 days to file an appeal with the Traffic Appeals Board. Such appeal shall be filed with the Parking Division of the Security Office on the form supplied by that office.

B. Anyone who fails to pursue his or her administrative appeal, waives the right to the same, and shall be subject to the monetary use charge or sanctions otherwise herein provided.

Section 7-105 - Appeals Board

The Traffic Appeals Board shall be appointed by the President, or his delegate, and shall consist of five (5) persons, which must include a student, faculty member, nonacademic staff member, civil service employee, and a University administrator. The Appeals Board shall establish its own procedures for due process which must be approved by the University Legal Counsel.

Section 7-106 - Authority of Appeals Board

The Board shall have the authority to:

1. Affirm the monetary use charge or any sanction imposed under these regulations.
2. Determine no monetary use charge was incurred or other sanction required under these regulations.

Section 7-107 - Decision of Appeals Board Final

The decision of the Appeals Board shall be subject to review pursuant to Article IX, Section 2, of the Bylaws of the Board of Trustees. A person shall have 30 working days to comply with the directives of the Appeals Board or to file an application for review by the Board of Trustees. Failure to comply shall cause all parking privileges to terminate upon notice from the Parking Division of the Security Office. Any vehicle found on the campus after loss of parking privileges shall be removed therefrom at the cost of the owner as provided in these regulations.

Section 7-108 - Appeals through Internal Disciplinary Action

Any matter referred to appropriate University officials for internal disciplinary action shall be appealed in the manner established therein, and not under these regulations.

Division VIII - MiscellaneousSection 8-101 - Revenue

All revenues derived as a result of these regulations shall be paid into the Traffic and Parking Revenue Fund for Southern Illinois University at Carbondale for use to meet costs connected with Motor Vehicle Parking and for no other purpose.

Section 8-102 - Future Covenants

These regulations shall not preclude any future covenants to the contrary in bond indentures or bond resolutions for wholly or partially self-liquidating construction or acquisition projects.

After considerable discussion, Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Chairman Fischer asked that Mr. C. A. Frazer stand to be recognized. Mr. Frazer is retiring as of August 31, after working at SIUC in the University News Services for ten years. The Chair commented that he hoped Mr. Frazer's successor would do as good a job as has been done in the past.

The Chair recognized Mr. Elliott, who moved that an Executive Session be held after lunch for the purpose of discussing two personnel items. There will be no action required, so subject to the call for this Executive Session, he moved that the meeting adjourn. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The meeting adjourned at 12:35 p.m.

Alice Griffin, Assistant Secretary

Roll Call 192

Presentation of Graduate Program Review, SIUE 193

Proceedings and minutes of a special meeting of the Board of Trustees of Southern Illinois University, convened at 2:10 p.m., Thursday, September 14, 1972, in the Mississippi-Illinois Room, University Center, Edwardsville Campus. This meeting was held at the request of the members of the Board at the regular July meeting for the purpose of discussing graduate program review, SIUE, and proper notice was given in advance. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Mr. Harris Rowe
 Dr. Earl E. Walker,

and the following members were absent:

The Honorable Michael J. Bakalis
 (Dr. Donald Fouts of the Office of Superintendent of
 Public Instruction attended at Dr. Bakalis' request)
 Mr. W. Victor Rouse.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Grunty, Legal Counsel.

The Secretary reported a quorum present. The Chair recognized Mr. Elliott, who moved that the Board resolve into a committee of the whole. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who commented that this was the first such committee of the whole of the Board of Trustees to consider

the graduate program at SIUE. It came about as the result of the Board's interest when they were asked pursuant to a recommendation of the Board of Higher Education to review the graduate program at each of the two Universities which are under the jurisdiction of the Board. The format involved a panel to discuss with the Board graduate program initiation and evaluation, organized research, and related activities in the context of SIUE scope and mission.

President Rendleman then introduced the panel which consisted of Dr. Howard S. Dye, Dean, Graduate School, who led the discussion; Dr. John A. Barker, Philosophical Studies; Dr. Erwin H. Brinkmann, Psychology and Chairman of the Graduate Council; Mr. Lance Cramer, a former graduate student; Dr. Vaughnie J. Lindsay, Business Education; Dr. Donal G. Myer, Biological Sciences and Chairman of the Program Review Committee of the Graduate Council; and Dr. Steven G. Sanders, Physics. Available for information were Dr. Roy P. Peterson, Dr. Robert Russo, and Mr. John A. Rodman of the Graduate School. At this point, the meeting was turned over to Dean Dye.

The attached material was sent to the members of the Board in advance of the meeting.

After considerable discussion, Mr. Elliott moved that the meeting be adjourned. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The meeting adjourned at 4:30 p.m.

Alice Griffin, Assistant Secretary

INFORMATION FOR THE BOARD OF TRUSTEES CONCERNING
GRADUATE INSTRUCTIONAL AND ORGANIZED RESEARCH PROGRAMS
SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE

The material in this packet is sent to you in advance of the September Board Meeting to acquaint you with some of the content that will be contained in a presentation by Dean Dye and involved graduate faculty. The information was developed in response to some of the questions which were raised in the prior meeting's minutes. Specifically, this information deals with the process, including criteria, for the evaluation of present graduate programs, both instructional and research, and for the addition of new instructional and research activity. For purposes of clarity in presentation, this brief summary has three parts: Part I, the relationship of existing graduate instructional, and research programs to the mission and scope of the university; Part II, the process and criteria by which existing instructional programs are evaluated and new programs are recommended; and Part III, the process and criteria by which organized research is approved, supported, and evaluated.

PART I - Relationship of Graduate, Instructional, and Research Programs to the
Mission and Goals of the University

The statement which follows is a condensation of the mission and goals statement of the university. The sections included are the most relevant to the topics under discussion.

Southern Illinois University at Edwardsville is a comprehensive educational institution which endeavors to provide learning opportunities to enhance the quality of life of individuals in the St. Louis region, the State of Illinois, and the nation through programs which promote scholarly learning, cultural enrichment, and professional training at the undergraduate and graduate levels. Its major activity

is instructional and is complemented by active programs of research and service which assist instructional programs to adapt to changing bodies of knowledge and evolving social conditions and needs. More particularly:

- 1) The university is a community of scholars devoted to the improvement of society through scholarly pursuits including scholarly inquiry, the dissemination of knowledge and the encouragement of learning.
- 2) Two complementary elements are vital to the success of SIUE's function in a developing urban social environment:
 - a) a comprehensive complement of programs devoted to the heritage of learning embodied in the liberal arts and sciences.
 - b) an adaptive and creative complement of professional programs which train specialists to meet the changing needs of contemporary society. . .

As the university works to further its capacity to fill its educational mission, major emphasis will be placed upon the renewal and further development of upper undergraduate and graduate programs in the academic and professional fields presently established, as well as in new areas where clear educational needs are identified. This pattern of development is in accordance with the identification of SIUE as a senior institution by Master Plan Phase III. . .

Instruction will continue to be the university's major commitment and resources will be allocated to support a proper balance between instruction, research, and service. The intellectual vitality of instruction necessarily depends upon original scholarship, and sound professional training requires close relationships between the university and field practitioners. The university will promote research and service in a manner which insures that the results of inquiry and service activities will have maximum impact upon the improvement of instruction. Integrative mechanisms will be developed to facilitate an optimal balance among the general objectives of instruction, research, and service to the community. . .

At a more specific and concrete level, the following concrete goals are sought as characteristics of what SIUE as an excellent, public university should be: . . .

- well-established and productive master's degree programs.
- full graduate programming through the doctorate where existing programs in the region are not duplicated and where faculty strength and desire correlate with student need at a level which justifies the programs.
- professional schools with undergraduate and graduate professional programs which meet the manpower needs and resource allocations which justify their existence.

- academic development of multiunit instructional and research programs, based on both internal and external funding with particular emphasis on curricula related to urban problems.
- an expanded program of thoughtfully managed research support related to institutional goals. . .

Some of the more productive programs in terms of number of graduates would include Business Administration, Counselor Education, Educational Administration and Supervision, Elementary Education, Secondary Education, English, Music Education, and Special Education.

Planning at the divisional and/or departmental level is in progress for doctoral level instruction in Behavioral Sciences, Administration, Physics, and Developmental Psychology. The Planning Committee of the Graduate Council has been discussing priorities for the past year. The committee is presently accumulating additional information in order to prioritize the following areas of possible doctoral level instruction: Administration, Behavioral Science, Business Education, Communication Disorders, English, Mathematics, Music, Oral Biology, and Physical Science.

Professionally oriented programs at the graduate level which are presently meeting immediate manpower needs include but are not limited to Biology, Counselor Education, Elementary Education, Psychology, Physics, and Special Education.

Multiunit instructional and research programs related to urban problems and their solution include Behavioral Science, City and Regional Planning, Government and Public Affairs, Speech, Speech Pathology and Theater, and Special Education.

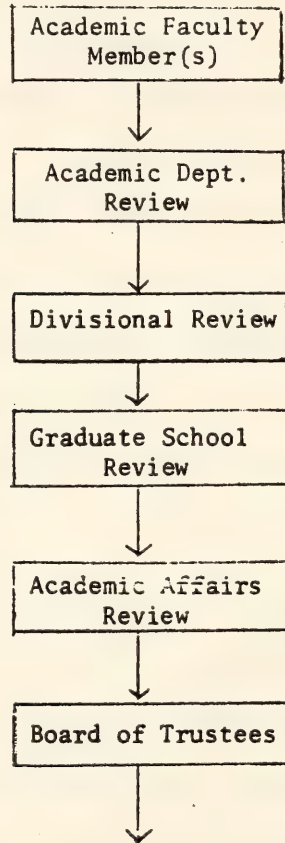

PART II - The Process and Criteria for Evaluating Existing
Instructional Programs and Recommending New Programs

Since January, 1972, a massive review of existing programs has been undertaken by the Program Review Committee of the Graduate Council. Preparation by departments for such reviews is generally in the form of a self study by faculty and students that is reported to the committee. This review process uses mailed questionnaires to four populations: current students, graduates, students who did not complete the work for their degree, and graduate faculty. The review process is keyed to the following criteria: enrollments, range of course offering, quality of thesis and thesis advisement, evening class schedules, instructional effectiveness, admission standards, peer group evaluation, and library and laboratory facilities. Examples of these questionnaires are attached.

Since program evaluation is a continuing process, the follow-up process on such reviews is dependent upon the nature of the expressed concerns of the reviewing body. Copies of these reports are maintained by the Graduate Council. The Council acts on each report as it deems necessary. Each program unit receives a copy of its review prior to the results of the review going to the Council. These reviews are not distributed beyond those persons indicated above. This review process is an internal one aimed specifically at the improvement of existing graduate programs. In addition to these internal reviews, the Board has received at prior meetings a brief narrative and statistical information on enrollments and costs in relation to graduate academic programs.

One of the most important means for maintaining quality control of academic programs, while at the same time encouraging orderly change, is the process by which new programs are reviewed and evaluated prior to being recommended to the Board. A simplified flow chart of the new program development

process is presented below. Each of the levels in the simplified diagram consists of several stages of review, consultation, correction, and evaluation.

Programs that have not been approved by the review process are not seen by the Board of Trustees. Examples of such programs that have not been approved, the criteria by which they were judged, and the reasons for their non-approval will be presented. In addition, there is usually one or more programs in the process of approval. Our intent in this brief summary and oral presentation, which will expand on the procedures, processes, and criteria, is to stimulate questions from the Board regarding the instructional program development and review processes.

PART III - The Process and Criteria by Which the Organized
Research is Approved, Supported and Evaluated

Our program of carefully managed research support is an integral part of graduate education and is essential for effective teaching. Southern Illinois University at Edwardsville has a primary obligation to preserve, extend, and apply man's knowledge of himself and his environment. Research is the creative process of systematic inquiry through which part of this obligation is met, and also provides the intellectual experience through which students and faculty are trained in the skills necessary to meet the demands for leadership in a technologically oriented society. Specifically, graduate faculty engaged in research bring to the classroom and laboratory an excitement about his field based upon current, well-examined concepts. This excitement often provides motivation and opportunity for both undergraduate and graduate students to participate in the production of new knowledge, techniques, process, and application.

Each year state funds are allocated to provide encouragement to those investigators who require support in their pursuit of knowledge and scholarly activity. This support is used to stimulate research in disciplines which have little opportunity to obtain funding from external sources, and to support preliminary investigations which, from their inception, show promise of developing into programs or advanced research that eventually will qualify for extramural funds. In effect, these internally sponsored research projects provide "seed" money and a motivation for active faculty participation in research. A significant portion of the funds for the researching faculty involves support for undergraduate and graduate students. These funds not only provide much needed manpower to the researcher, but also help support the cost of the student's education. The learning provided by this employment enriches the stu-

dent's educational experiences and often provides an environment for the student to test his classroom learning.

Organized research on this campus is a continuing program and includes approximately 80 completed projects and as many new ones each fiscal year. Projects are generally approved for a three-year period but can be terminated at any time during this period dependent upon a progress evaluation of the research.

The by-laws and statutes of the University designate the Dean of the Graduate School as the agent of the University in the supervision of research. The following organization has been established by the Dean to carry out the responsibility charged him.

The Research and Projects Division Committees, usually composed of a faculty member from each department, review and recommend acceptance or rejection of each proposal generated from their respective Divisions. Each Division committee files with the Research and Projects Advisory Board an annual statement of the criteria utilized in the review process. Division committees carry the major responsibility for the scholarly evaluation process, forwarding their recommendations to the all-University Research and Projects Advisory Board. Criteria established by each Division vary but in general they make recommendation to the Research Advisory Board based on the following:

- a) Significance of the research in terms of benefits to society
- b) Degree to which the project is a development of trends within the field
- c) Originality and creativeness of the research proposed
- d) Competence of the investigator in this particular area
- e) Consider investigator's previously published work in this field
- f) Importance of project - is it likely to produce any new or useful information
- g) Validity of the methodology
- h) The suitability of the over-all design of the study
- i) The familiarity of the investigator with recent pertinent literature or methods, or both

The proposals are then reviewed by the Research and Projects Advisory Board of the Graduate Council which examines individual proposals from an over-all University perspective. Their recommendations are based on the following considerations to insure that:

1. Research and creative work undertaken by faculty members with the University's sanction is of professional quality.
2. Approved projects should contribute to the advancement of human knowledge and/or welfare.
3. Projects are examined for possible external sources of support.
4. Proposals involving the use of human subject, laboratory animals, or radioactive materials or radiation emitting equipment have the approval of the appropriate committee.
5. Applicants whose proposals do not merit approval should be informed

of specific deficiencies or weaknesses to assist them in developing an acceptable proposal.

6. Relevant projects of local area interest are encouraged and supported.

Projects and funding levels are recommended to the Graduate Dean by the Research and Projects Advisory Board. Final approval of projects and funding is the responsibility of the Graduate Dean.

SUGGESTION

It is the suggestion of the Graduate School to the Board of Trustees that it does not have time, either as a group or as individuals, to do an in-depth review of all existing graduate programs and organized research activity. We therefore suggest that the Board select one or more existing programs, new programs in process, or research projects that it would be interested in reviewing at its next Edwardsville Board Meeting.

Is questionnaire was sent to all
current students also with a change
the title only.

RECENT GRADUATE QUESTIONNAIRE
FOR GRADUATE PROGRAM REVIEW

The graduate programs at Southern Illinois University-Edwardsville are under continuing review by the Graduate Council through the Program Review Committee. Will you please aid us in this process with your evaluations and comments?

If the space provided is not adequate, write on the back and number or letter your additional remarks as below.

Date admitted to the degree program _____ In-state student ☐? Out-of state student ☐?
Date degree was granted _____
Department _____ Degree program _____
Area of concentration within the program _____
Present position _____

1. What were your reasons for selecting SIU-E for graduate Study? (check one)

- Because of its reasonable tuition and fees 1. ☐
Because of its reputation 2. ☐
Because of its nearness to my home 3. ☐
Because it had a program which I desired 4. ☐
Other (Please explain) _____

2. Are you generally satisfied with your graduate educational experiences at SIU-E?
(check one)

- Very satisfied 1. ☐
Satisfied for the most part 2. ☐
Dissatisfied for the most part 3. ☐
Very dissatisfied 4. ☐

Please evaluate your graduate degree program in the department noted above with regard to:

3. Grade point average admission standards. (check one)

- Too high 1. ☐
About right 2. ☐
Too low 3. ☐

4. Advisement for your particular academic program. (check one)

- Very satisfied 1. ☐
Satisfied 2. ☐
Somewhat dissatisfied 3. ☐
Very dissatisfied 4. ☐

5. Course offerings. (check one)

- Very satisfied 1. ☐
Satisfied 2. ☐
Somewhat dissatisfied 3. ☐
Very dissatisfied 4. ☐

6. Quality of instruction in courses. (check one)

Very satisfied 1. ☐
 Satisfied for the most part 2. ☐
 Dissatisfied for the most part 3. ☐
 Very dissatisfied 4. ☐

7. Quality of fellow graduate students. (check one)

All of high quality 1. ☐
 Generally of high quality 2. ☐
 Generally mediocre 3. ☐
 Mediocre 4. ☐

8. Thesis advisement. (check one)

Very satisfied 1. ☐
 Satisfied 2. ☐
 Somewhat dissatisfied 3. ☐
 Very dissatisfied 4. ☐

9. Library resources and services.

	Excellent	Good	Fair	Poor	Uncertain
Supply of books	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
Supply of periodicals	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
File of back numbers of periodicals	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
Reserve book service	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
Staff assistance with reference materials for research	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
Library hours	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>
Library service in general	1. <input type="checkbox"/>	2. <input type="checkbox"/>	3. <input type="checkbox"/>	4. <input type="checkbox"/>	5. <input type="checkbox"/>

10. Laboratory and other research facilities. (check one)

Excellent 1. ☐
 Generally adequate 2. ☐
 Somewhat inadequate 3. ☐
 Very inadequate 4. ☐

11. To what extent would you be willing to recommend SIU-E to prospective graduate students? (check one)

Would strongly recommend 1. ☐
 Would recommend with qualification 2. ☐
 Would recommend only under special circumstances 3. ☐
 Would not recommend 4. ☐
 Am uncertain 5. ☐

12. Job placement. (check one)
- Excellent 1. ☒
- Generally adequate 2. ☒
- Somewhat inadequate 3. ☒
- Very inadequate 4. ☒
13. To what extent is your present position similar to the position you thought you would obtain when you entered the degree program? (check one)
- No change in position 1. ☐
- No ideas about position while in the University 2. ☐
- No relationship 3. ☐
- Somewhat related 4. ☐
- Closely related, but not what I expected 5. ☐
- Exactly the kind of position I though I would receive 6. ☐
14. If you could repeat graduate work would you choose the same major field of study? (check one)
- Yes 1. ☐
- No 2. ☐
- Don't know 3. ☐
15. How could your experiences in graduate work have been more beneficial to you?
16. Please indicate any specific ways in which the University could be of further service to you.

Please use the enclosed, stamped, and addressed envelope to return this questionnaire to the Graduate Office at Southern Illinois University at Edwardsville. PLEASE RETURN WITHIN TWO WEEKS. Thank you.

GRADUATE FACULTY QUESTIONNAIRE
FOR GRADUATE PROGRAM REVIEW

Department _____
Degree program(s) (M.A. in, M.S. in, etc.) _____
Area(s) of speciality _____

If your department offers more than one graduate degree, please specify the degree program to which your comments apply. If space provided is not adequate, make additional comments on the back, with the comments numbered and lettered as follows.

I. Please evaluate the adequacy of your area(s) of the graduate program in regard to:

A. Graduate Faculty.

B. Course offerings and degree requirements.

C. Financial support for research by faculty and graduate students.

D. Laboratory facilities and opportunities for field experience.

E. Office and teaching facilities.

F. Library resources.

- II. Please evaluate the caliber of graduate students in your area of the graduate program.
- III. What are the strengths and weaknesses of departmental procedures in regard to:
- A. Determining the goals of the department's graduate education and research.
 - B. Recruitment and selection of new students.
 - C. Advisement of students (including thesis and dissertation advisement).
 - D. Determining and implementing priorities for staff, space, and facilities.
 - E. Recruitment and selection of new graduate faculty.
- IV. Other comments? For example, morale, leadership, etc. .

PROGRAM REVIEW QUESTIONNAIRE

Major field of graduate study: _____

- A. Which of the following academic reasons best explains why you have not received the graduate degree you sought at SIU-E? (check one)

Did not maintain a satisfactory grade-point average. 1. ☐
 Did not pass the required courses and/or language requirement. 2. ☐
 Did not complete the research necessary for the thesis 3. ☐
 Did not write a thesis which was acceptable to the faculty 4. ☐
 Did not pass the final oral and/or written examination (s) 5. ☐
 Was advised that I did not have adequate preparation or ability or
 proper personal qualifications and should drop out. 6. ☐
 No academic reason. 7. ☐
 Other (specify) _____ 8. ☐

- B. Which one of the following personal reasons best explains why you did not receive the graduate degree sought at SIU-E? (check one)

Insufficient finances 9. ☐
 Family responsibilities (including getting married 10. ☐
 Illness. 11. ☐
 Change in personal philosophy or goals 12. ☐
 Lack of interest or desire on my part 13. ☐
 Left for a job not requiring the graduate degree sought. 14. ☐
 Had serious differences with my advisor. 15. ☐
 Did not get along with some faculty members other than my advisor. . 16. ☐
 Department inadequate (faculty, facilities, etc.). 17. ☐
 Felt I did not have the ability. 18. ☐
 Left for academic reasons. 19. ☐
 Other (specify 20. ☐

- C. Which of the following criticisms of graduate education do you consider valid for the department in which you did your last graduate study at SIU-E? (check as many as apply)

Specialization was over emphasized 21. ☐
 There are some requirements which are unnecessary burdens or hurdles
 Specify _____ 22. ☐
 The training offered was not appropriate for the jobs for which the
 students were being trained. 23. ☐
 Graduate students are exploited for cheap labor 24. ☐
 Graduate students did not get enough guidance or attention from the
 graduate faculty. 25. ☐
 Most of the graduate faculty are not in touch with reality, too much
 emphasis on theory, not enough on practice. 26. ☐

If you have any other comments which you feel would be helpful to us in our review, you may write them on the reverse of this page. Thank you.
 PLEASE RETURN TO THE GRADUATE OFFICE WITHIN TWO WEEKS.

I. Advertising Proposals, Student Radio Station WIDB, SIUC	263

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:35 a.m., Friday, September 15, 1972, in the Madison Room of the University Center, Edwardsville Campus. The regular Chairman and Secretary being present, the meeting was called to order.

The following members of the Board were present:

Mr. William W. Allen (after 9:50 a.m.)
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Mr. W. Victor Rouse (after 9:40 a.m.)
 Mr. Harris Rowe
 Dr. Earl E. Walker,

and the following member was absent:

The Honorable Michael J. Bakalis.
 (Dr. Donald Fouts of the Office of Superintendent of Public Instruction attended at Dr. Bakalis' request)

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Grunty, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a regular meeting held August 18, 1972, copies of which had previously been forwarded to members of the Board. On motion of Dr. Walker, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized Dr. James Brown, who requested Item A - Policies and Procedures Governing the System Internal Audit Function and Item B - Operating Funds Analysis for the Fiscal Years 1971, 1972, and 1973 be withdrawn from the

agenda. The subject matters are complex, and the ramifications and consequences need to be explored thoroughly before the presentations are made to the Board.

The Chair then recognized Dr. James Brown, who presented the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Continuing Appointments

1. Mr. Harold R. Bardo as Assistant Professor of Guidance and Educational Psychology effective September 19, 1972, on an academic year basis. He completed the requirements for the Doctor of Philosophy degree at Southern Illinois University. He was born October 28, 1939, in Sparta, Illinois. \$1,500.00
(C)
2. Mr. Arsene O. Boykin as Associate Professor of Student Teaching effective August 14, 1972, on a fiscal year basis. He received the Doctor of Education degree from the University of Illinois. He was born July 23, 1921, in Princeton, New Jersey. \$1,725.00
(C)
3. Mr. Donald Elliott Hall as Assistant Professor of Speech Pathology and Audiology and the Clinical Center effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from Ohio University. He was born May 5, 1939, in Ellwood City, Pennsylvania. \$1,400.00
(C)
4. Mr. Ronald Jay Hanson as Assistant Professor of Agricultural Industries effective September 1, 1972, on a fiscal year basis. He has completed the requirements for the Doctor of Philosophy degree at the University of Illinois. He was born December 26, 1945, in Buffalo, New York. \$1,250.00
(C)
5. Mr. Donald Lemasters as Instructor in the School of Music and Academic Adviser in the College of Communications and Fine Arts effective September 19, 1972, on an academic year basis. He received the Master of Music degree from Northwestern University. He was born December 20, 1924, in Kirksville, Missouri. \$1,200.00
(C)
6. Mr. John A. McCoy as Instructor and Manager (Health Projects) in the School of Medicine, effective August 1, 1972, on a fiscal year basis. He received the Master of Science in Public Health degree from the University of Missouri. He was born September 14, 1948, in Springfield, Illinois. \$1,070.00
(C)
7. Mr. Jerome R. Nance as Coordinator in the Affirmative Action Office effective July 1, 1972, on a fiscal year basis. He received the Bachelor of Science in Education degree from Southern Illinois University. He was born May 21, 1943, in Chicago, Illinois. \$1,043.00
(C)
8. Mrs. Jacquelin F. Oxford as Instructor in Learning Resources Service effective January 1, 1973, on a fiscal year basis. She

received the Master of Science in Education degree from Southern Illinois University. She was born July 2, 1937, in Paducah, Kentucky. \$1,050.00
(C)

9. Mr. Wangshik Shin as Instructor in the Vocational-Technical Institute effective September 19, 1972, on an academic year basis. He received the Master of Arts degree from Southern Illinois University. He was born December 28, 1934, in Seoul, Korea. \$1,094.00
(C)

10. Dr. Wilbur H. Stover as Associate Professor and Assistant to the Associate Dean of the School of Medicine effective July 1, 1972, on a fiscal year basis. He received the Doctor of Medicine degree from Washington University. He was born November 7, 1923, in McPherson, Kansas. \$3,335.00
(C)

11. Mr. Lawrence Weisman as Assistant Professor of Occupational Education effective September 19, 1972, on an academic year basis. He received the Doctor of Philosophy degree from Florida State University. He was born March 12, 1931, in Brooklyn, New York. \$1,445.00
(C)

12. Mr. John T. Williams as Assistant to the Associate Dean of the School of Medicine effective September 1, 1972, on a fiscal year basis. He received the Master of Science degree from Southern Illinois University. He was born June 28, 1942, in Herrin, Illinois. \$1,084.00
(C)

B. Conditional Appointments

1. Mr. Charles Anthony Broh as Assistant Professor of Government for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from the University of Wisconsin. He is a candidate for the Doctor of Philosophy degree from the University of Wisconsin. In the event the doctor's degree requirements have not been completed by September 15, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on term appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. Instructor \$1,175.00;
Asst. Prof., \$1,275.00
(C)

2. Mr. Everett S. Campbell as Assistant (in Rehabilitation) in the Employment Training Center for the period July 1, 1972, to July 1, 1973. He received the Bachelor of Science degree from Southern Illinois University. He is a candidate for a master's degree at Southern Illinois University. At such time as the master's degree requirements have been completed, he is to receive a salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. His salary is to be paid from restricted funds. \$710.00;
\$810.00
(C)

3. Mrs. Marcia V. Donnerstein as one-fourth time Assistant Professor of Psychology for the Fall, Winter, and Spring Quarters, 1972-73. She received the Master of Arts degree from Northern Illinois University. She is a candidate for the Doctor of Philosophy degree from Florida State University. In the event the doctor's degree requirements have not been completed by September 1, 1972, she is to serve as Instructor, on term appointment. At such time as the doctor's degree requirements have been completed, she is to serve as Assistant Professor on term appointment with salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements.

Instructor,
\$325.00;
Asst. Prof.,
\$350.00
(C)

4. Mr. David L. Eddingfield as Assistant Professor of Engineering Mechanics and Materials effective September 19, 1972, on an academic year basis. He received the Master of Science degree from Southern Illinois University. He is a candidate for the Doctor of Philosophy degree from the University of New Mexico. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born January 22, 1941, in Hannibal, Missouri.

Instructor,
\$1,360.00;
Asst. Prof.,
\$1,510.00
(C)

5. Mr. John F. Huck as Assistant Professor of Occupational Education effective September 19, 1972, on an academic year basis. He received the Master of Education degree from the University of Illinois. He is a candidate for the Doctor of Education degree from the University of Illinois. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born September 10, 1935, in Granite City, Illinois.

Instructor,
\$1,315.00;
Asst. Prof.,
\$1,415.00
(C)

6. Mr. Jefferson Humphrey, Assistant Dean in the Student Life Office, to serve at an increased monthly salary for the period September 1, 1972, to July 1, 1973. He received the Master of Arts degree from New York University. He is a candidate for the Doctor of Philosophy degree from Southern Illinois University. At such time as the doctor's degree requirements have been completed, he is to receive an additional monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. In addition to salary, meals and lodging on the

\$1,410.00;

premises are required and are to be furnished for the convenience of the University. \$1,560.00
(C)

7. Mrs. Beverly Hill Konneker as Assistant Professor of Linguistics effective September 19, 1972, on an academic year basis. She received the Bachelor of Arts degree from the University of Texas. She is a candidate for the Doctor of Philosophy degree from the University of Texas. In the event the doctor's degree requirements have not been completed by September 1, 1972, she is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, she is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. She was born April 28, 1943, in Mesa, Arizona. Instructor, \$1,215.00;
Asst. Prof., \$1,315.00
(C)

8. Mr. Paul J. Lougeay, Associate Professor of Interior Design, to serve also as Chairman, with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of the requirements for the Master of Science degree. \$1,620.00
rather than \$1,488.00
(C)

9. Mr. Dennis L. Molfese as Assistant Professor of Psychology effective September 19, 1972, on an academic year basis. He received the Master of Science degree from Pennsylvania State University. He is a candidate for the Doctor of Philosophy degree from Pennsylvania State University. In the event the doctor's degree requirements have not been completed by September 1, 1972, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. He was born March 18, 1946, in Tulsa, Oklahoma. Instructor, \$1,300.00;
Asst. Prof., \$1,400.00
(C)

10. Mrs. Elizabeth R. Norwood as Instructor in Speech for the Fall, Winter, and Spring Quarters, 1972-73. She received the Master of Arts degree from Louisiana State University. She is a candidate for a doctor's degree from West Virginia University. At such time prior to September, 1973, as the doctor's degree requirements have been completed, she is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of doctor's degree requirements. She was born October 14, 1934, in New Iberia, Louisiana. Instructor, \$1,150.00;
Asst. Prof., \$1,250.00
(C)

11. Mr. Richard Wright Rasche as Counselor in the Counseling and Testing Center for the period September 1, 1972, to September 1, 1973, and as Instructor in Psychology for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from Southern Illinois University. He is a candidate for the Doctor of Philosophy degree from Southern Illinois University. At such time as the

doctor's degree requirements have been completed, he is to serve as Assistant Professor, on term appointment, effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. \$1,100.00
(C)

Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, JULY, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of July, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. After discussion, the report was received.

The Chair then recognized President Derge, who requested Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(E) AMENDMENT TO MOTOR VEHICLE REGULATIONS FOR SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE

Division IV, Section 4-111, of the Motor Vehicle Regulations adopted by the Board of Trustees on August 18, 1972, provided a schedule for "Fees and Refunds" applicable to the purchase and use of decals. The schedule as presented to the Board amounted to a \$5.00 reduction in cost for the Blue Decal only. The intention was to reduce the cost of all decals by \$5.00. In order to correct this error, the following resolution is recommended:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Division IV, Section 4-111 - Fees and Refunds, of the Motor Vehicle Regulations be amended, effective September 1, 1972, as follows:

The assessment and collection of an annual motor vehicle fee from students eligible for motor vehicle privileges and from all employees is hereby established according to the following:

1. Motor Vehicle Fees by Quarter:

	<u>Blue</u>	<u>Red</u>	<u>Silver</u>
Fall	\$40	\$15	\$5
Winter	30	12	4
Spring	20	9	3
Summer	10	5	2

Yellow registration decals will be issued at no cost upon proper application.

2. Requirements for refund authorization:

- a. Parking Division verification of termination of employee or student status or sale of vehicle with proper documentation.
- b. Return of remnants of decal to Parking Division.

3. Refundable amounts:

<u>Decal</u>	<u>Oct</u>	<u>Nov</u>	<u>Dec</u>	<u>Jan</u>	<u>Feb</u>	<u>Mar</u>	<u>Apr</u>	<u>May</u>	<u>Jun</u>
Blue	\$35	\$30	\$25	\$20	\$15	\$10	\$5	\$5	\$0
Red	13	11	9	7	5	3	1	1	0
Silver	3	1	0						

All decals are valid until October 1 of the year following when they first become available.

Mr. Rowe moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

(F)

AUTHORIZATION FOR RENOVATION OF
STUDENT ACTIVITIES CENTER, SIUE

In order to provide improved facilities for the conduct of strategic organized student activities at Edwardsville, the Director of Student Activities has proposed minor renovation of existing facilities in the Student Activities Center. It is proposed to construct three permanent walls and thereby create three additional office spaces in the activities center area. The additional office space is needed to house the Community Involvement Project, the Student Orientation Program, the advertising and business offices of the Alestle, and the University Center Board. Each of these programs presently shares office space with other continuing activities. A copy of the proposed renovations has been filed with the Office of the Board of Trustees.

It is proposed that the project be financed totally by the Student Welfare and Recreational Facility Building Trust Fund. Expenditure from that fund requires prior approval by the Board of Trustees.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That expenditure of a sum not exceeding \$4,000 from the Student Welfare and Recreational Facility Building Trust Fund is authorized for purposes of renovation and creation of new office facilities as described above in the Student Activities Center of the University at Edwardsville.

President Rendleman introduced Dr. Warren L. Brown, Dean of Students, SIUE, who provided a map of the changes requested and answered questions of the members of the Board.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	(Absent)
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who presented the following matter:

(G) SUMMARY: AUTHORIZATION OF FEE PAYMENT FOR ADDITIONAL
ARCHITECTURAL SERVICES, SCHOOL OF DENTAL MEDICINE, SIUE

The change of mission of the Dental School facilities at Alton (from temporary to permanent usage) necessitated extensive revisions of the original architectural plans for these facilities. The plans for temporary facilities were almost complete at the time change occurred, and revisions therefore were substantial in scope. The University's contract with architects retained for this project provides for additional services to be performed on request of the University at a fee of 2-3/4 times the regular hourly rate of employees assigned by the architect to do that work. The necessary revisions were undertaken pursuant to that provision.

This matter authorizes payment of \$64,135 to the architects for these revisions. Of that amount, \$52,832 is attributable to revisions in the Clinical Science Building (for which temporary-use plans were 98% complete at date mission was changed), and \$11,303 is for revisions both to the Basic Science Instruction Building (45% complete at change date) and the Continuing Education Center (8% complete at change date). Funds appropriate for this purpose are available as described in the resolution. The \$24,000 deduction in funds reserved for field supervision will leave a balance of about \$26,000 for that purpose. Field supervision expenditures are averaging \$3,000 per month, and it is anticipated the project will be sufficiently advanced in eight months to permit the University to assume field supervision with our own staff.

AUTHORIZATION OF FEE PAYMENT FOR ADDITIONAL ARCHITECTURAL
SERVICES, SCHOOL OF DENTAL MEDICINE, SIUE

Retention of the firm of Smith, Hinchman & Grylls Associates, Inc., as architects for Dental School facilities was approved by the Board of Trustees in March, 1970. By contract approved by the Executive Committee of the Board, architectural fees are authorized to Smith, Hinchman & Grylls as follows: \$280,000 for basic architectural services as described in the contract, and \$100,000 for construction field supervision. The contract authorizes fees at a specified rate for additional services.

Consistent with the need to expedite preparation of interim facilities necessary for opening the Dental School at Alton, Smith, Hinchman & Grylls had design documents for interim facilities substantially complete by Fall Quarter, 1971. In October, 1971, President Rendleman's consultations with the Bureau of the Budget, the Board of Higher Education, the Board of Trustees, and the faculty of the Dental School produced a collective judgment that the facilities at Alton should be permanent dental education facilities (usable through 1980) rather than interim in nature.

The change in mission of the Alton facilities--from interim to permanent--necessitated considerable revision to completed documents that had been predicated on temporary use of the renovated buildings. Smith, Hinchman & Grylls has effected these revisions as necessary and at the direction of University officers. Pursuant to pertinent provisions of the University's contract with Smith, Hinchman & Grylls which cover fees for additional services, the revisions undertaken entitle Smith, Hinchman & Grylls to an additional fee not to exceed \$64,135.

University officers therefore request the Board of Trustees to approve payment of these fees in the manner set forth below.

Resolution

WHEREAS, Smith, Hinchman & Grylls Associates, Inc., is effecting revisions to previously completed design documents for Dental School facilities at Alton, such revisions necessitated by a change in mission of the facilities as first proposed; and

WHEREAS, Funds to cover additional fees involved are available as indicated below;

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Paragraph Sl.2.2(Supplemental Terms and Conditions) of University Contract No. 1063 (between Board of Trustees and Smith, Hinchman & Grylls) shall be amended to reduce maximum compensation to Smith, Hinchman & Grylls for construction field representation from \$100,000 to \$76,000, and the President of Southern Illinois University at Edwardsville is authorized to effect such amendment with Smith, Hinchman & Grylls Associates, Inc.

- (2) Consistent with pertinent provisions of University Contract No. 1063, payment to Smith, Hinchman & Grylls Associates, Inc., for additional services in making necessary revisions in design documents for the School of Dental Medicine at Alton is authorized in an amount not to exceed \$64,135, such funds to be paid as follows:
- (a) \$24,000 from funds in the account: Planning, Studies, and Specifications-Dental School (60-00-7-67761) released from encumbrance by virtue of the contract amendment authorized in (1) above, and
 - (b) \$40,135 from funds available, and appropriate for this purpose, in the account: Remodeling, Rehabilitation, and Campus Improvements-Dental School (60-00-7-74787).

President Rendleman asked Dr. Bill D. Hudgens, Vice-President for Business Affairs, SIUE, to answer any questions presented by the members of the Board. It was pointed out that procedures requiring prior Board authorization of the additional work had not been followed. After considerable discussion, Mr. Elliott stated that in view of President Rendleman's recommendation and the assurance that proper procedures will be followed in the future, he moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who explained the following informational matter was an effort to keep the Board currently informed of the attempts of SIU at Edwardsville to both innovate and excel in teaching. He asked that Dr. John W. Ellsworth, Assistant Vice-President for Extramural and Interdisciplinary Programs, SIUE, answer any specific questions.

(H) SUMMARY: INNOVATION AND EXCELLENCE IN TEACHING, SIUE

SIUE, as a young, growing, urban-oriented University, is striving for innovation and excellence in teaching. In this effort SIUE is introducing innovative course formats, stressing community involvement, mixing nontraditional academic programs with standard notions, recognizing the need for interdisciplinary studies, and seeking innovative teaching methods. As a result SIUE presently offers or is proposing to offer programs in the following areas: (1) Extramural and Continuing Education Programs, (2) Internship and Community Involvement Programs, (3) New Program Options, (4) New Student Options, and (5) New Teaching Techniques. A synopsis of individual programs in these areas was contained in the report sent to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees.

Extramural and Continuing Education Programs are intended to meet advanced educational needs of persons unable to attend regular classes. These programs include off-campus courses using the weekend format; videotaped, telephone conference, and self-instruction courses; and/or special workshops.

Internship and Community Involvement Programs combine academic and practicum experience for students while providing various services to the community as students combine their academic programs with work programs in different industries, businesses, government, and/or public service agencies.

New Program Options are designed to meet the specific needs of a changing society as it strives to find solutions to urban, economic, and environmental problems. They are specifically developed to provide students with backgrounds necessary for dealing with these problems both generally and specifically.

New Student Options recognize students' varying interests, experiences, and abilities and provide some flexibility in their respective academic programs. Through these programs students can accelerate academic progress, obtain assistance in areas of academic weakness, and/or obtain academic credit in areas of special interest.

New Teaching Techniques are being tried at SIUE in an effort to upgrade the quality of instruction and improve academic programs wherever possible. Special clinics and labs have been established to make individual instruction more practical and to provide more meaningful academic experiences in such areas as teaching and theater.

Discussion followed, including the possibility of obtaining funding support from the Legislature for interinstitutional cooperation for existing programs as well as for additional innovative programs.

At the request of Dr. M. V. Brown, the Chair deferred Item I - Advertising Proposals, Student Radio Station WIDB, SIUC, until later in the meeting.

Chairman Fischer then recognized President Derge, who explained that Dr. Willis E. Malone, Executive Vice-President and Provost, and Dr. Richard C. Moy, Dean, School of Medicine, SIUC, had been working on Item J. Dr. Malone requested Dean Moy to make the following presentation:

(J) ENACTMENT OF FEES AND ASSESSMENTS TO BE CHARGED BY THE
SCHOOL OF MEDICINE AT CARBONDALE AND SPRINGFIELD, SIUC

The School of Medicine will initiate its academic program at Carbondale and Springfield in the Summer Quarter, 1973. Applications for admission into the School will be processed beginning the Fall Quarter of 1972. In order that the School may publish information relative to the admission process, requisite fees assessed by the University, and the manner in which payment may be made, it is necessary that the Board of Trustees enact fees and assessments applicable to students in the Medical School.

The Board therefore is requested to approve charges set forth in the following resolution:

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University has approved a School of Medicine, which School is to admit its first class of 48 students at Carbondale and 24 students at Springfield in early 1973, and which School is to commence academic instruction in the Summer Quarter, 1973; and

WHEREAS, It is the duty of the Board, pursuant to its Charter, "to fix and collect matriculation fees; tuition fees; fees for student activities; fees for student facilities . . . student welfare fees; laboratory fees and similar fees for supplies and material;" and

WHEREAS, The same Charter provides that "all other expenses" other than expenses pertinent to "the building, improving, repairing and supplying fuel and furniture and the necessary appliances . . . salaries," etc., are to be chargeable against students "and the Board of Trustees of Southern Illinois University shall regulate the charges accordingly."

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That charges shall be assessed against students applying for admission to the School of Medicine in the amount and manner set forth below, with such additional charges to be assessed against such applicants who are admitted to said School of Medicine in the amount and manner as are set forth below:

- (1) Advance Deposit Fee. A fee of \$100 shall be charged each applicant who is accepted for admission into the School of Medicine, and shall be payable in such reasonable manner that the Dean of the School of Medicine and the President of Southern Illinois University at Carbondale from time to

time may determine, so long as it is levied at the time of notifying the applicant of his acceptance into the School. This fee shall be assessed only against students being accepted into the School for the first time. The Advance Deposit Fee shall apply toward registration. In accordance with rules of the Association of American Medical Colleges, this fee is completely refundable if the applicant cancels his acceptance before registration. This fee shall be forfeited by any accepted applicant who fails to appear at registration. In notifying the applicant of his acceptance for admission, the Dean of the School of Medicine shall take care to inform the applicant of the manner in which this fee is refundable or forfeited.

- (2) Tuition. Students enrolled in the School of Medicine at Carbondale and Springfield shall pay the following rates of tuition each quarter:

	<u>In-State Students</u>	<u>Out-of-State Students</u>
Full Time	\$143.00	\$429.00

- (3) Activities and Related Quarterly Fees. Students attending the School of Medicine shall pay the following fees each quarter, in an amount and in a manner which the Board has established for all other in-State and out-of-State students enrolled in the several other schools of the University:

Students Enrolled at Carbondale

- a. Student Activity Fee
- b. Student Center Fee
- c. Student Welfare and Recreational Building Trust Fund Fee
- d. Athletic Fee

Students Enrolled at Springfield

- a. Student Activity Fee

- (4) Waiver of Textbook Rental Fee. In deference to the common practice in professional study areas that students purchase textbooks which continue to be used by them as reference materials, the Board waives application of the textbook rental fee in the case of medical students.

Dean Moy introduced Mr. Deane Doolen, Assistant Dean for Student Affairs, who is in charge of admissions and fees for the School of Medicine, SIUC.

After considerable discussion regarding the rationale of differential tuition at other universities as well as the proposed difference between the dental and medical program at Southern Illinois University, Mr. Elliott moved approval of the resolution with the full time in-State tuition to be \$143.00 and the out-of-State tuition to be \$429.00, incorporated above, which is the amount of tuition now charged for full time students at the Universities.

Mr. Elliott's motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Nay
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Nay
Earl E. Walker	Nay

The Secretary advised that the vote was 4 to 3, and the Chair declared the motion to have carried.

The Chair then recognized Mr. Allen, who moved that the Chairman of the Board of Trustees be authorized by this Board to communicate to the Governor, with copies to the Chairman and the Executive Director of the Board of Higher Education, our concern about the lack of policy on tuition, and that the Board once again ask for machinery to establish a State-wide policy. The motion was duly seconded.

Dr. M. V. Brown requested the substitution of the word "philosophy" of tuition. Mr. Allen amended his motion to reflect this request. The seconder accepted the amendment. After a unanimous voice vote, the Chair declared the motion to have passed.

The Chair then announced the next item of business would be Item I, and he recognized Mr. Joel Preston, General Manager of Student Radio Station WIDB, SIUC, to present the following matter:

(I) ADVERTISING PROPOSALS, STUDENT RADIO STATION WIDB, SIUC

WIDB presently operates with funds provided through the Student Activities Fee at Southern Illinois University at Carbondale. Under the present means of transmission, this station has a potential audience of 6,400 students and is limited to broadcasting into dormitories.

The Board of Directors of WIDB are desirous of selling advertising over the air in order to: Supplement the funds of WIDB and in order to share the burden of expenses; instill station pride resulting from the station becoming a true commercial radio facility; offer students in broadcasting a chance to learn commercial procedures which are presently unavailable to them; pay staff heads for work performed; and expand its equipment and facilities.

Under the proposal, the sales department would be headed by an undergraduate student appointed by the student general manager and approved by the Board of Directors of the station. Each salesman will be paid an hourly wage as a student worker, employed by the Student Activities Office, and be required to comply with the University regulations concerning student workers.

The advertising guidelines for this station will be to accept all commercial advertising except for the following categories: Distilled alcoholic beverages, funeral services, or articles of sexual hygiene. Further, no implication of endorsement of products or services advertised would be intended by either Southern Illinois University, the Student Senate, or the radio station.

The rate of charge for advertising over the air would be in accordance with Appendix 13 of the material submitted to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees. It is estimated that revenue from sales of air time would be approximately \$8,300 on a three-quarter basis in the first year.

Resolution

WHEREAS, The Board of Directors of WIDB is desirous of establishing commercial sales program for the station, and

WHEREAS, It appears that such change will be advantageous to Southern Illinois University and the students residing in the dormitories thereof, both financially and otherwise,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the student radio station of WIDB, be and is hereby granted authority to sell commercial advertising over the air under the terms and conditions presented in their proposal.

Mr. Preston also introduced Mr. Robbie Davis as the Sales Manager of WIDB should this proposal be approved. After an excellent presentation by Mr. Preston, he answered questions of members of the Board which included the educational relationship of this activity to the University, the liability aspects, and the source of funding WIDB.

The Chair then recognized Mr. Paul McRoy, Manager, Radio Station WCIL, Carbondale, who introduced Mr. Dale Adkins, Manager, WINI, Murphysboro, and Mr. George Dodd, Manager, WGGH, Marion, Illinois. Each of these men made a statement in opposition to the advertising proposal of WIDB.

Chairman Fischer then recognized Dr. George R. Mace, Dean of Students, SIUC, who reported that the Office of Student Affairs objected to this proposal because in its present form it would result in unfair competition. He commented that WIDB was a first-rate station and was doing a good job.

After considerable discussion, Mr. Rowe moved approval of the resolution as presented. The Chair invited a second to the motion; hearing none, the Chair declared the motion to have failed.

Chairman Fischer reported that an executive session had been held last evening to discuss personnel matters, and that no action was taken.

The Chair then recognized Mr. Elliott, who moved that the Board adjourn to executive session; from executive session to lunch. No action will be taken. The motion was duly seconded and adopted.

The meeting adjourned at 11:45 a.m.

Alice Griffin, Assistant Secretary

October 19, 1972

CONTENTS

Roll Call 266

Presentation of Graduate Program Review, SIUC 267

Proceedings and minutes of a special meeting of the Board of Trustees of Southern Illinois University, convened at 3:10 p.m., Thursday, October 19, 1972, in Ballroom "D" of the Student Center, Carbondale Campus. This meeting was held at the request of the members of the Board at the regular July meeting for the purpose of discussing graduate program review, SIUC, and proper notice was given in advance. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Dr. Donald E. Fouts (for Superintendent Bakalis)
 Mr. Harris Rowe
 Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruney, Legal Counsel,

and the following member was absent:

Mr. Robert L. Gallegly, Treasurer.

The Secretary reported a quorum present. The Chairman recognized that Dr. Fouts was attending his first meeting as a voting member. The Chair then recognized Mr. Elliott, who moved that the Board resolve itself into a committee of the whole to discuss the graduate program review of the Carbondale campus, and at the end of today's discussion, that the committee of the whole be discharged, and that the Board resume tomorrow morning at 9:30 a.m., in regular session. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who explained that today's program was to provide a briefing for the members of the Board in a very complicated area, and also at the end of that presentation to provide the opportunity for each member to ask questions. He presented Dr. John M. H. Olmsted, Dean of the Graduate School, who introduced the following representatives of the Graduate School and the Graduate Council: John J. Cody, Professor and Chairman, Guidance and Educational Psychology, and Vice-Chairman of the Graduate Council; Ian Beattie, Associate Professor, Elementary Education, and Chairman of Panel II, Program Review Committee of the Graduate Council; Lydia Pulsipher, doctoral-level student, Geography, and member of the Program Review Committee of the Graduate Council; Ronald G. Hansen, Professor, Speech Pathology and Audiology, and Associate Dean of the Graduate School, and Coordinator of Research and Projects; Thomas O. Mitchell, Assistant Professor, Psychology, and Associate Dean of the Graduate School; John Zimmerman, Professor and Chairman, Physics and Astronomy, and Chairman of the Graduate Council; Charles H. Hindersman, Professor, Marketing, and Dean of the School of Business, and Chairman of the Program Review Committee of the Graduate Council; Loren Jung, Associate Professor, Higher Education, and Director of Institutional Research and Studies; and George C. Brown, Associate Professor, School of Journalism, and Chairman of Panel I, Program Review Committee of the Graduate Council.

The attached material was sent to the members of the Board in advance of the meeting.

After considerable discussion, the meeting adjourned at 5:00 p.m.

MEMO TO: Willis E. Malone
Executive Vice President and Provost

FROM : John M. H. Olmsted, Dean *John M. H. Olmsted*

SUBJECT: Materials for submission to the Board of Trustees regarding
Graduate Program Review

Enclosed are the following materials to be submitted to the Board of Trustees in preparation for the meeting of Thursday, October 19, 1972, which will concern graduate program review.

1. A summary of the outcomes of program review for 1971-72.
2. A confidential memo, for the Trustees but not for public disclosure, of the personnel actions recommended as the result of program review.
3. A copy of the materials used for graduate program review:
 - a. A narrative description of the goals of program review and the duties and responsibilities of each party therein (added for 1972-73).
 - b. The check list of activities for graduate program review (added for 1972-73).
 - c. Departmental Data and Policy Questionnaire (revised for 1972-73).
 - d. Graduate Faculty Questionnaire (revised for 1972-73).
 - e. Graduate Student Questionnaire.
 - f. Curriculum Vitae form for Graduate Faculty members.
4. A copy of the Program Review Report submitted to the Board of Trustees, and contained in the Minutes of the July 21, 1972, meeting of the Board of Trustees.

The revisions made in the materials used for program review are as follows. The narrative statement of graduate program review and the program review procedure check list have been added this year so as to clarify the goals and procedures of program review, and to insure that the appropriate steps are taken in proper sequence, and so that everyone is aware of his appropriate responsibilities.

The Departmental Data and Policy Questionnaire has been revised so as to standardize the response format, and also to obtain more specific quantitative information about certain aspects of the program:

1. Information has been requested concerning comparable degree programs at other institutions so that the programs under review may be compared with those at other, similar institutions with respect to cost and degree productivity.

2. More specific and quantitative information has been requested concerning specializations within the program and faculty support for the specializations, activity of the faculty members and number of graduate students that they teach and supervise, degree productivity, placement of graduates, and financial support for graduate students.

The changes made in the Graduate Faculty Questionnaire provide a broadening of the questions in order to gather opinions about the total graduate program as well as the program in the faculty member's own area of specialization, and in order to solicit suggestions from the faculty members for changes in the program.

The following distinctive features of the review described here are worthy of attention:

1. Program review of SIU at Carbondale has been established as an on-going process in a five-year cycle, such that each program will be reviewed at least once every five years. This will mean an annual review of approximately twelve programs, of which four include the Ph.D.
2. The review of graduate programs at SIU at Carbondale is the responsibility of the Graduate Dean. The Program Review Committee of the Graduate Council acts as an advisory committee to him. The Graduate Dean reviews material submitted by the outside consultant, the Program Review Committee, and information which his office has gathered. After his evaluation of these materials, he submits to the Vice President for Academic Affairs a report of the actions which he has taken in his own areas of responsibility, and the actions which he recommends to the Department Chairmen, the Deans, and the Vice President in their respective areas of responsibility. He includes at this time the recommendations of the consultants and of the Program Review Committee, along with his critique of their reports.
3. The program review of SIU at Carbondale involves one outside consultant for programs at the master's level that do not include doctoral work and two outside consultants for graduate programs that do include the Ph.D.
4. The material presented here concerns only the review of established programs; it does not concern new programs. The examination of proposals for new programs is handled by a separate standing committee of the Graduate Council, the New Programs Committee. I will be happy to furnish a report on the operation of the New Programs Committee if the Trustees wish.

OUTCOMES OF PROGRAM REVIEW - 1971-72

The Graduate Program Review for programs in 12 departments was completed during the academic year 1971-72. All of these programs were found to be sound programs falling within the scope and mission of SIU at Carbondale. They meet important social, educational, or health needs of the community. In some instances the programs are widely recognized throughout the country as very strong, especially in certain areas of specialization.

Overview

The following is a summary of the actions taken and recommendations made after the 1971-72 review of graduate programs.

1. Better communications with students and faculty members have been achieved by explicit statements of goals of programs, and by more precise statements submitted for publication in the Graduate Catalog, in five departments: Agricultural Industries, Elementary Education, Geography, Journalism, and Mathematics.
2. Limits have been placed on admissions to the program in Secretarial and Business Education. Admissions to the specialty in Audiology in the Department of Speech Pathology and Audiology have been temporarily suspended.
3. Curricular revisions have been made or will be made in two departments: Agricultural Industries and Elementary Education.
4. Changes in recruiting and retention practices so as to increase enrollment of students from institutions other than SIU or to ensure a higher caliber of graduate students, have been agreed to by five departments: Agricultural Industries, Elementary Education, Foreign Languages, Journalism, and Occupational Education.
5. Greater efforts to obtain extramural research funding have been planned in three departments: Elementary Education, Foreign Languages, and Geography.
6. There has been a thorough revision of the administrative structure for the Ph.D. in Education.
7. The Graduate Dean has made a strong recommendation to Vice President Malone that prompt action be taken to reorganize the programs in career education, including those in the Departments of Agricultural Industries, Secretarial and Business Education, Occupational Education, and Home Economics Education. The Graduate Dean has pointed out two primary possibilities which should be considered: (a) housing most of these programs within the College of Education, or (b) alternatively, setting up an umbrella degree program in which the present programs would participate as specialties.

The outcomes of these program reviews are listed below:

271

Agricultural Industries (M.S.)

Number of Graduate Faculty Members:	12 (1.6 FTE)
Head-Count Enrollment, fall, 1971:	16
Total Head-Count Enrollments, Fall Quarters (1962-70):	197
Total Degrees Granted (1964-72):	160

Consultant: Professor Stanley Seaver, University of Connecticut. Visited campus January 31 and February 1, 1972.

Outcomes:

The program in Agricultural Industries was evaluated as good. The faculty is strong, both in terms of their previous training and background and in terms of their achievements. The program is fulfilling an important need in the production of students who are well qualified for professional positions in the fields of agricultural business and education.

Since the program review the following actions have been taken:

1. The goals of the graduate program have been delineated more clearly by the Department and stated in its five-year plan. The Department has also restructured its curriculum.
2. An arrangement has been made to use some of the facilities of VTI. This arrangement will alleviate some inadequacies in the facilities for the Agricultural Mechanization program.
3. The catalog description of the program will be revised to make it clear to prospective students that it will probably take more than one year to complete the M.S. degree.
4. More emphasis will be given to recruiting students from other schools, so that 60% of the graduate students will be from other schools and 40% from SIU, rather than vice versa.

Education Ph.D.

Number of Graduate Faculty Members:	147 (31.5 FTE)
Head-Count Enrollment, fall, 1971:	233
Total Head-Count Enrollments, Fall Quarters (1963-69):	557
Total Degrees Granted (1966-72):	261

Consultants: National Council for Accreditation of Teacher Education Team. Visited campus November 8, 9, and 10, 1971.

The Ph.D. program in the College of Education was recognized by the Program Review Committee and by the NCATE review team as a strong program which is fulfilling a clear need in the field of Education. The faculty was found to be fully competent and assigned to teach within their areas of competence; that is, the administration of the assignment of instructors was found to be very good. In addition, the faculty is highly involved with various public schools in service

and research projects.

Before the visit of the NCATE review team and the examination of the program by the Program Review Committee the College of Education had planned to reorganize the administrative structure of the Ph.D. program. The planned changes were recognized by both sets of reviewers as desirable, and have since been carried out. These changes include the following:

1. Former functional areas have been abolished and the control of policies for the Ph.D. in Education has been put in the hands of the Assistant Dean for Graduate Studies and the Graduate Affairs Committee of the College.
2. The control of specializations has been redirected to the departments in which the approved specializations are housed.
3. Admissions to the Ph.D. in Education have been placed in the hands of a single admissions committee, rather than the three admissions committees for the former functional areas.

Elementary Education (M.S. in Ed.)

Number of Graduate Faculty Members:	19 (6.7 FTE)
Head-Count Enrollment, fall, 1971:	102
Total Head-Count Enrollments, Fall Quarters (1962-70):	592
Total Degrees Granted (1964-72):	344

Consultant: Professor G. Wesley Sowards, Dean, International University, Miami, Florida. Visited campus January 17 and 18, 1972.

Outcomes:

The actions taken following the program review include the following:

1. The size of the master's program in Elementary Education is being limited in conjunction with overall restrictions on enrollment in the College of Education.
2. A question of faculty strength in Mathematics and Language Arts areas has been resolved by transfers of faculty members into the Department and by the return of one faculty member from duty overseas.
3. The role of the Reading Center has been resolved by the transfer of Reading Center personnel into the Department of Elementary Education.
4. The problem of field experience centers has been assigned to a special committee in the College of Education.
5. Plans have been made for the faculty of the College of Education to meet with Associate Dean Hansen of the Graduate School, Coordinator of Research and Projects, in the fall of 1972 to discuss training grants and research funding.
6. The Department has agreed to set up a committee to screen students for admission and retention.

7. The Department has agreed to consider a revision of its curriculum so as to set up a common core of courses between the general and special programs.
8. The Department has under consideration the clarification of Early Childhood Education as a subspecialization within the Department of Elementary Education rather than as a separate degree program.
9. The Department is seeing to it that a syllabus is available for every graduate course.
10. The Department will see to it that courses required for teacher certification are not counted in the requirements for the master's degree.

Foreign Languages (M.A. in French, German, Spanish)

Number of Graduate Faculty Members:	24 (10.0 FTE)
Head-Count Enrollment, fall, 1971:	44
Total Head-Count Enrollments, Fall Quarters (1962-70):	253
Total Degrees Granted (1964-72):	110

Consultant: Professor Aurelio N. Espinosa, Jr., Stanford University.
 Visited campus March 13 and 14, 1972.

Outcomes:

The library holdings, particularly in Latin-American Spanish, were rated as among the finest in the country. In addition, the consultant stated that many of the theses done for the master's degree at SIU at Carbondale were more rigorous than those required at prestigious universities, including his own.

Since the review the following actions have been taken:

1. The present departmental structure and curriculum are being reviewed by a special committee set up by the Department.
2. Admission and retention procedures will be reviewed with the goal of upgrading the caliber of students in the program.
3. Advisement procedures will be revised so that the coordination among the language sections will be improved.
4. In hiring new faculty members efforts will be made to attract candidates who have substantial research records and experience in guiding doctoral dissertations.

Geography (M.A., M.S., Ph.D.)

Number of Graduate Faculty Members:	12 (5.9 FTE)
Head-Count Enrollment, fall, 1971	
Master's:	18
Ph.D. :	16

Total Head-Count Enrollments, Fall Quarters	
Master's (1962-70):	221
Ph.D. (1964-69) :	48
Total Degrees Granted	
Master's (1964-72):	60
Ph.D. (1967-72) :	8

Consultants: Professor Allen Rogers, Pennsylvania State University. Visited campus May 13 and 14, 1971. Professor Chauncy Harris, University of Chicago. Visited campus October 11, 12, and 13, 1971.

Outcomes:

The program in the Department of Geography was found to enjoy a very good national reputation, particularly in the specialties of climatology and in resource management. Every indication was that this favorable status will continue and gain further strength.

Since the time of the review the following actions have been taken:

1. The master's degree program has been revised and a core curriculum specified for it. A new description of the program was submitted for the 1971-72 Graduate Catalog.
2. A new effort has been made to provide students with an accurate description of programs and courses and an up-to-date course syllabus for each course.
3. Research activities by faculty members have been encouraged with due attention to areas of strength in the Department.

Geology (M.A., M.S.)

Number of Graduate Faculty Members:	11 (4.9 FTE)
Head-Count Enrollment, fall, 1971:	20
Total Head-Count Enrollments, Fall Quarters (1962-70):	107
Total Degrees Granted (1964-72):.	48

Consultant: Professor George Rapp, Jr., University of Minnesota. Visited campus February 7 and 8, 1972.

Outcomes:

The overall evaluation of the Department of Geology showed that it is a high-quality program with good faculty strength. The quality of students appears to be improving because of recruitment from other schools. As a result of the program review, the Graduate Dean has made a strong statement of support to Vice President Malone for the following additional resources:

1. The Parkinson Building must be renovated in order to bring it into line with needs of the Department.
2. The Department needs at least two more rooms in Parkinson.
3. The Department needs access to two field vehicles in order to carry out its present upper-division and master's-level work.

The Department is considering developing a proposal for a Ph.D. program, which would not duplicate other programs in the state since it would concentrate on applied geology and have a problem-solving orientation. The resources needed for such a program would be two additional continuing positions for persons of sufficient caliber to supervise doctoral work, and approximately \$100,000 per year for two years in order to acquire equipment. The Graduate Dean recommended against shifting funds within the present level budget to the Department of Geology for these items. On the other hand, the Dean recommended that it would be worthwhile to seek funds from other sources to achieve this expansion.

Health Education (M.S. in Ed.)

Number of Graduate Faculty Members:	12 (6.0 FTE)
Head-Count Enrollment, fall, 1971:	39
Total Head-Count Enrollments, Fall Quarters (1962-70):	121
Total Degrees Granted (1964-72):	118

Consultant: Professor Edward B. Johns, University of California, Los Angeles.
Visited campus September 23 and 24, 1971.

Outcomes:

The graduate program in the Department of Health Education was evaluated as very good and the consultant indicated that the Department ranked among the very best in the country. Members of the faculty are well-qualified, have good records of research publication, and are active in obtaining research grants.

Since the review the following actions have been taken:

1. The Department has agreed not to hire as members of the faculty in the Department of Health Education any more persons who have done graduate work at SIU.
2. The Department will operate more formally with minutes, agenda, motions, and voting.
3. Efforts will be made to achieve closer liaison with departments such as Psychology, Sociology, and Anthropology.
4. Efforts have been made to obtain additional staffing, since the teaching load in Health Education is extremely heavy at the present, and there will be a further overload resulting from new legislation that requires instruction in health education in the public schools. To date these efforts have been unsuccessful.

Journalism (M.A., M.S., Ph.D.)

Number of Graduate Faculty Members:	16 (4.5 FTE)
Head-Count Enrollment, fall, 1971	
Master's:	20
Ph.D. :	27

Total Head-Count Enrollments, Fall Quarters	
Master's (1962-70):	239
Ph.D. (1964-69):	75
Total Degrees Granted	
Master's (1964-72):	55
Ph.D. (1967-72):	24

Consultants: Professor Robert L. Jones, University of Minnesota, and Professor Fred Siebert, Michigan State University. Visited campus February 28 and 29, 1972.

Outcomes:

The program in the School of Journalism was recognized as a program of very good national reputation. Relations with other departments within the University are strong, so that students in the School of Journalism have a good access to courses in Government, Economics, Psychology, Philosophy, and Guidance. The faculty is well balanced with regard to scholarship, rank, and age, and several members of the faculty have shown outstanding research creativity.

As the result of the program review the School of Journalism has agreed to take the following actions:

1. The use of the title of Instructor will be discontinued for graduate students except for a few teaching in the final year of candidacy for the Ph.D. degree.
2. The School will discontinue immediately hiring or retaining faculty who have received their Ph.D.s from SIU at Carbondale.
3. The School will tighten the English language requirement for foreign students. It will raise the TOEFL score requirement at least to 575, and possibly to 600.
4. The School will submit a revised description for the Graduate Catalog delineating more precisely the areas in which graduate students can specialize.

Mathematics (M.A., M.S., Ph.D.)

Number of Graduate Faculty Members:	34 (13.1 FTE)
Head-Count Enrollment, fall, 1971	
Master's:	32
Ph.D. :	10
Total Head-Count Enrollments, Fall Quarters	
Master's (1962-70):	250
Ph.D. (1963-69):	50
Total Degrees Granted	
Master's (1964-72):	80
Ph.D. (1966-72):	10

Consultants: Professor Paul T. Bateman, University of Illinois, and Professor Alex Rosenberg, Cornell University. Visited campus January 31 and February 1, 1972.

Outcomes:

The program in Mathematics was evaluated as a sound program which is filling a real need, particularly in the areas of differential equations and Diophantine approximations, in which the offerings of SIU at Carbondale are not matched between Ohio State and the University of Colorado.

Actions have been taken by the Department to improve the following problems isolated by the program review:

1. Problems of communication with students have been alleviated by a new statement of the Ph.D. program and a new statement of the master's program requirements.
2. Difficulties of the Department in moving students through the program have been resolved by setting deadlines for taking preliminary examinations and enforcing these deadlines by removal of assistance from those students who do not make satisfactory progress.
3. The Department has agreed to list more precisely in the Graduate Catalog the areas in which students may expect to earn master's and Ph.D. degrees. (This information had already been sent directly to students who asked the Department for information on the program.)

Occupational Education (M.S. or M.S. in Ed.)

Number of Graduate Faculty Members:	11 (2.0 FTE)
Head-Count Enrollment, fall, 1971:	31
Total Head-Count Enrollments, Fall Quarters (1962-70):	156
Total Degrees Granted (1964-72):	152

Consultant: Professor George L. Brandon, The Pennsylvania State University.
Visited campus January 11 and 12, 1972.

Outcomes:

The program in Occupational Education was evaluated as very strong. The faculty is well-qualified, has good morale, and has a good national reputation for its leadership and innovations in the area of Occupational Education. In addition, the Department has been outstanding in securing extramural funds for support of research and training.

The following actions have been taken since the program review:

1. The Department is recruiting more full-time graduate students from a wider geographical area.
2. The Department is working with the College of Education to secure changes in the Ph.D. program in Education such that the Department of Occupational Education will participate more satisfactorily in this program.
3. The Graduate Dean has recommended to Vice President Malone that there be an early resolution of the problem of career education at SIU at Carbondale. The place of the Department of Occupational Education in such a program is vital because the Department of Occupational Education is the strongest program in career education at the graduate level at SIU at Carbondale.

Secretarial and Business Education (M.S. in Ed.)

Number of Graduate Faculty Members:	4 (0.7 FTE)
Head-Count Enrollment, fall, 1971:	38
Total Head-Count Enrollments, Fall Quarters (1962-70)	138
Total Degrees Granted (1964-72)	107

Consultant: Professor John L. Rowe, University of North Dakota. Visited campus March 5, 6, and 7, 1972.

Outcomes:

The program in Secretarial and Business Education was evaluated as being entirely appropriate to the mission of SIU at Carbondale, particularly in view of the fact that Master Plan Phase III designated SIU at Carbondale as a center for vocational education. In addition, there is a good market for graduates of the program, and students who have been produced by Secretarial and Business Education do not have difficulties getting jobs. The Department has been doing a good job in spite of serious problems of understaffing.

As a result of the review the following actions have been taken:

1. Five courses presently offered for either graduate credit or undergraduate credit will be changed to be offered for undergraduate credit only.
2. Because of understaffing and heavy teaching loads, the Department has agreed to place a limit on admissions to the graduate program. The number of admissions processed for students to begin in academic years 1972-73 and 1973-74 will be limited so that the program will reduce slightly in size. In order to carry this out, each admission to the program will be discussed individually by the Chairman of the Department of Secretarial and Business Education and the Graduate Dean's office.
3. The Department of Secretarial and Business Education has discontinued its participation in Ph.D. programs. Those members of the Department who are qualified to direct dissertations will be permitted to finish the Ph.D.'s currently in progress under their direction.
4. The Graduate Dean has recommended to Vice President Malone that consideration be given either to relocation of the Department of Secretarial and Business Education in the College of Education, or to its participation in an umbrella degree program in career education.

Speech Pathology and Audiology (M.A., M.S., Ph.D.)

Number of Graduate Faculty Members:	11 (5.2 FTE)
Head-Count Enrollment, fall, 1971	
Master's:	24
Ph.D. :	7
Total Head-Count Enrollments, Fall Quarters	
Master's (1962-70):	156
Ph.D. (1963-69) :	36

Total Degrees Granted	
Master's (1964-72):	97
Ph.D. (1966-72):	16

Consultants: Professor D. C. Spriestersbach, University of Iowa, and Professor Bruce M. Siegenthaler, Pennsylvania State University. Visited campus February 13, 14, and 15, 1972.

Outcomes:

The graduate programs in Speech Pathology and Audiology were evaluated as meeting the critical social, education, and health needs of the area. They are fully in accord with the mission of the University, and do not excessively overlap offerings elsewhere in the state.

Following the program review, and in accord with the recommendations of the program review, the following actions have been taken:

1. A graduate committee has been set up in the Department to document the departmental policies concerning admissions and preliminary examinations.
2. Effective immediately no more students who wish to pursue a Ph.D. in audiology will be accepted.
3. Because of insufficient support at the present time for the master's program in audiology (one more person with a specialty in audiology must be added to the staff), no new master's applicants will be admitted for winter and spring quarters of 1973 in audiology. Applications for subsequent quarters will be routed through the Graduate Dean's office and a decision will be made later as to admissions for subsequent quarters.
4. The Chairman of the Department will take care to insure that students' programs are not focused too narrowly within the Department at the cost of broader experiences available in other units of the University.
5. The administrative officers of the Department of Speech Pathology and Audiology will meet with appropriate officers in the College of Education concerning teacher certification under the new curriculum of the Department.

GRADUATE PROGRAM REVIEW

Graduate program review is a continuing process, during which each graduate degree program is reviewed at least once every five years. The purpose of the review is to evaluate the effectiveness and value of graduate degree programs and to determine for each program whether it should be strengthened, maintained at present levels, or phased out. The program review thus furnishes a continuous check on the effectiveness of the graduate education furnished by SIU at Carbondale.

Procedures

Graduate Program Review is under the jurisdiction of the Dean of the Graduate School. He is assisted in this effort by the Program Review Committee, which is a standing committee of the Graduate Council. The Committee this year is composed of eleven members, nine members of the Graduate Faculty and two graduate students. Customarily, all of the members of the Program Review Committee are members of the Graduate Council, although, according to the Operating Paper of the Graduate School, any member of the Graduate Faculty of the University is eligible for membership on any standing committee of the Graduate Council. This Program Review Committee is divided into two panels, each of which bears primary responsibility for approximately half of the programs to be reviewed in any one year.

The process of review proceeds as follows. First, data are gathered from the administration, faculty, and students of the program. These data furnish the empirical base for further investigations, and include the following:

1. The Departmental Data and Policy Questionnaire, which asks questions concerning such items as the overall structure of the program, the number of graduate faculty members, the degrees offered, and academic policies of the program.
2. Curricula vitae of Graduate Faculty members teaching in the program.
3. Graduate Faculty Member Questionnaire, in which the Graduate Faculty member is asked to express his judgments concerning such aspects of the program as the physical facilities, the quality of the students, the process of advising students, the process of recruiting students, the physical resources of the department, the curriculum, and academic policies.
4. Graduate Student Questionnaire, in which the graduate students respond to questions similar to those presented to the faculty members. The graduate student questionnaire is distributed to a sample of alumni as well as to current students.

These completed documents are sent directly to the Graduate School by those who complete them so that there will be no fear of reprisal against those criticizing the program. Furthermore, confidentiality of the identity of those who respond to the questionnaires is safeguarded by not revealing in any further discussions or reports their names or any other information by which a listener or reader could deduce their identities.

Second, the services of an outside consultant (two outside consultants for a Ph.D. program) are obtained, usually under the auspices of the Council of Graduate Schools in the United States. The members of the faculty of the program are given the list of potential consultants and are asked to vote both for those whom they would choose and those whom they would reject, giving reasons for strong opinions in either direction. The choice of consultants is then negotiated between the Graduate Dean and the chief administrative officers of the degree program.

Consultants are ordinarily brought to the campus for about two days for a site visit. Before they come they are sent the materials collected by the Program Review Committee: The Departmental Data and Policy Questionnaire, and the Curricula Vitae of Graduate Faculty members, and the Questionnaires from both Graduate Faculty members and graduate students. During his visit each consultant meets with the faculty and students of the program, with the Graduate Dean and other appropriate administrators such as the Provost, and with the Program Review Committee. He also inspects the physical facilities of the program. After his visit each consultant prepares a report of his judgment of the quality of the program and his recommendations, if any, for changes in the program.

After the consultant's report has been received, the panel in charge of the program reviews the recommendations of the consultant and the data furnished by the department, faculty, and students. A follow-up questionnaire designed to obtain information about areas of special concern is then usually devised and submitted to the faculty and students. The follow-up questionnaire is more specific than the open-ended questionnaires completed at the beginning of the review, and is largely in a closed-question format.

After the results of the follow-up questionnaire have been received, the Program Review Committee's coordinator writes a draft of the report. In the process of writing this report, he consults appropriately with the administration and faculty of the program. He then submits his completed draft to the panel; after possible revision and discussion, the draft goes to the full Program Review Committee for consideration.

This report is a detailed analysis of the quality of the program, including course structure, curriculum, degree requirements; practices regarding recruitment, selection, advisement of students; morale among student and faculty, general administrative tenor of the department, quality of the faculty and students, and any other items which pertain to the academic excellence of the program. The report also includes detailed recommendations for any changes which might be needed to strengthen the program. This detailed report is given to the Graduate Dean.

The Graduate Dean evaluates the program in the light of the Committee report, the consultant's report, and other information such as cost data. The Graduate Dean discusses this evaluation with the departmental administration and the appropriate School or College dean, and presents his evaluation to the Provost.

The Program Review Committee also makes a brief report to the Graduate Council at the conclusion of the review. This report is a general timetable and summary of the findings and does not contain the detailed analysis recommendations which were included in the report to the Graduate Dean.

Roles and Responsibilities

I. Role of Coordinator in program review

A. To hold an initial meeting with departmental administrator, usually the chairman or the director of graduate studies. During this meeting the coordinator:

1. Discusses the purposes and procedures of the review, including the instruments used for collecting data and the consultant's visit.
2. Gives a written summary of the department's role and responsibilities in the review.
3. Gives two copies of the Departmental Data and Policy Questionnaire form (one working copy and one copy to be returned to the Graduate School).
4. Gives sample copies of the other forms to be used in the review, so that the department will know the various kinds of information which will be needed by faculty members and students to fill out their forms.
5. Gives copies of the student questionnaire so that the department can distribute them to a sample of alumni.
6. Indicates the deadline for submission to the Graduate School of the Departmental Data and Policy Questionnaire.
7. Requests a meeting with the graduate faculty and the graduate students of the department to take place approximately one week after the Departmental Data and Policy Questionnaire is to be completed.

B. To make a progress check, during which he:

1. Checks with the department one week before the Departmental Data and Policy Questionnaire is due to make sure that it will be submitted on schedule.
2. Keeps the Graduate School and panel chairman informed as to the progress.

C. To hold an initial meeting with faculty and students of the department, after the Departmental Data and Policy Questionnaire has been submitted to the Graduate School and copies have been returned to the department, during which he:

1. Describes the purposes and procedures of the review, emphasizing the need for cooperation and the confidentiality of all responses.
2. Distributes appropriate forms and answers any questions about them:
 - a. Graduate Faculty Questionnaire
 - b. Graduate Faculty Curriculum Vitae
 - c. Graduate Student Questionnaire

3. Indicates that all on-campus graduate students are to be given the opportunity to complete the form.

4. Indicates that all forms are to be returned directly to the Graduate School.

5. Indicates the deadline for the completion of the forms.

6. Stresses the availability of the Program Review Committee for input by faculty and students.

D. To work with the department in setting up the consultant's schedule.

E. To meet the consultant for breakfast on the first day of his visit, and escort the consultant to the department after breakfast.

F. To construct the follow-up questionnaire after the consultant's visit and distribute the questionnaire to the department.

G. To compile responses to the follow-up questionnaire.

H. To write the preliminary draft of the committee report.

I. To meet with department administrators to discuss questions and issues about the report.

II. Role of department administrators:

A. To work with the Graduate Dean and graduate faculty of the department in selection of the consultant.

B. To prepare the Departmental Data and Policy questionnaire form and return it to the Graduate School before the deadline.

C. To distribute student questionnaires to a sample of recent alumni.

D. To make copies of the Departmental Data and Policy Questionnaire available to all graduate faculty members and graduate students.

E. To plan the consultant's schedule within the following constraints:

1. Well in advance of the consultant's visit: arrange motel accommodations.

2. Day of consultant's arrival:

a. Arrange for department representative to meet consultant at plane or train.

b. Arrange courtesy dinner or other social activity in the evening (optional).

3. First day

- a. 7:00 a.m. Breakfast at motel. Consultant, panel chairman, and coordinator attend for the purpose of orientation.
- b. 8:30 a.m. Coordinator or panel chairman escorts the consultant to the department to begin pre-arranged schedule.
- c. Luncheon with graduate faculty members or students and consultant (optional).
- d. One-hour interview with Graduate Dean.
- e. Other interviews and inspections as desired by the consultant. There should be interviews with all faculty members and some students, either in small groups or individually. There should be opportunities for individual interviews with any faculty member or student who wishes.
- f. Members of the department should escort consultant and provide transportation as needed.

4. Second day

- a. Continue interviews and inspections by the consultant as described above.
- b. Members of the department should escort the consultant and provide transportation as needed.
- c. One-hour meeting with the Provost.
- d. One-hour meeting with the appropriate School or College Dean.
- e. Escort consultant to exit-interview luncheon (Time and place of luncheon are arranged by the Graduate Dean. Only panel members, consultants, and Graduate Dean and Associate Dean attend exit interview.)
- f. Arrange for member of the department to escort consultant to plane or train.

F. To meet with the coordinator after consultant's visit and after the draft of the panel report has been completed to discuss problems and issues.

G. To meet with the Graduate Dean and other appropriate administrators to discuss the outcome of the review.

III. Role of faculty members and students:

- A. To meet with the coordinator to discuss the review.
- B. To work with the Graduate Dean and administrators of the department on the choice of a consultant.

C. To complete appropriate forms and return them directly to the Graduate School.

1. Graduate Faculty questionnaire
2. Graduate Faculty curriculum vitae
3. Graduate Student questionnaire

D. To assist in meeting and escorting consultants, as arranged by the administration of the department.

E. To meet with the consultant for interview. Request individual interview if desired.

F. To complete the follow-up questionnaire and return it to the Graduate School.

IV. Role of the Graduate Dean:

A. To work with the department on the choice of consultant(s).

B. To secure services of consultant and help determine the date for his visit.

C. To make copies of the Departmental Data Policy Questionnaire available to faculty and students:

1. One copy in the Graduate Dean's office
2. Two copies to be returned to the department

D. To send copies of forms, questionnaires, and procedure check list to the consultant.

E. To arrange time and place for an exit-interview luncheon.

F. To interview the consultant on the first day of his visit.

G. To attend the exit-interview luncheon.

H. To receive the consultant's report and make it available to the Program Review Committee.

I. To review credit-hour production, degree production, and cost data regarding the program.

J. To evaluate the program in the light of the committee report, consultant's report, and the other data he has reviewed.

K. To meet with the appropriate administrators to discuss his evaluation of the program.

1. Chairman and Director of Graduate Studies
2. School or College Dean
3. Provost

L. To report the outcomes and progress to the Graduate Council within two months after the Committee has reported to the Council and submission of its report.

V. Role of the Chairman of the Program Review Committee:

- A. To coordinate meetings of the committee of the whole.
- B. To maintain close relationship with the two panels and their chairmen.
- C. To interview the consultant
 - 1. Breakfast on the first day
 - 2. Exit-interview luncheon on the second day
- D. To submit the final committee report to the Graduate Dean
- E. To report the completion of the review to the Graduate Council

VI. Role of the Panel Chairmen:

- A. To inform departments initially of the review and of who the coordinator is.
- B. To assist the program coordinators in their duties.
- C. To submit to the entire Program Review Committee the draft of the final reports on programs reviewed by their panels.

VII. Role of the Consultant:

- A. To read and evaluate materials sent before the visit.
- B. To arrange schedule for visit with department administrators.
- C. To conduct interviews with administrators, faculty members, and students, making sure that there is ample opportunity for private, individual interviews with faculty members and students who wish such interviews.
- D. To inspect physical facilities as he deems appropriate.
- E. To give informal impressions and judgments at exit-interview luncheon.
- F. To send formal report to the Graduate Dean (only), preferably within two weeks of the visit.

1972-73
GRADUATE PROGRAM REVIEW
PROCEDURE CHECK LIST

Department _____ 287

Chairman _____ Phone _____

Panel Chairman _____

Coordinator _____ Department _____ Phone _____

Procedure Steps	Responsible Person	Target Date	Date Completed
Initial letter to department (copy to Graduate Dean)	Panel Chairmen		
Department response to panel chairman (copy to Graduate Dean)	Departmental Administration		
Follow-up calls (if necessary to secure response)	Panel Chairmen		
Secure list of consultants	Graduate Dean		
Send list of consultants to department	Graduate Dean		
Recommend consultants from list	Department Faculty		
Review of departmental recommendations concerning consultants and selection of consultants	Graduate Dean and Department Administrators		
Notification of consultants	Graduate Dean		
Notify department of coordinator from Program Review Committee	Panel Chairman		
Secure from Graduate School office necessary questionnaires and forms	Coordinator		
Meet department administrators and present Departmental Data and Policies Questionnaire	Coordinator		
Submit Departmental Data and Policy Questionnaires to Graduate School	Department Administrators		
Return copies of Departmental Data and Policy Questionnaires to department	Graduate Dean		
Meet with department faculty and students to discuss procedures	Coordinator		
Complete questionnaires and return to Graduate School	Department faculty and students		

Procedure Steps	Responsible Person	Target Date	Date Completed
Review of all questionnaires	Panel		
Set date for consultant's visit	Graduate Dean and Department Administration		
Confirm visit date with	Graduate Dean		
a. Panel chairmen			
b. Department administration			
c. College Dean			
Send material to consultants	Graduate Dean		
Arrange schedule for consultant's visit	Department		
Check schedule with coordinator. Department administrators include:			
breakfast			
faculty visits			
interview with Graduate Dean			
interview with College Dean			
interview with students			
interview with Provost			
luncheon exit-interview			
Secure reservations for consultants. Suggest Ramada Inn	Department administrators		
Arrange time and reserve room for luncheon exit-interview with consultant and panel	Graduate Dean		
Meet consultants on arrival and escort to motel	Department administrators		
Breakfast meeting with consultants	Coordinator and Panel Chairman		
Escort consultants to department	Coordinator		
Escort consultants through schedule of interviews	Department Administrators		
Conduct luncheon exit interview	Panel		
Take consultant to plane or train	Department Administrators		
Provide consultant's report	Consultant		
Study all reports	Panel		
Prepare and distribute follow-up questionnaire	Coordinator		

Procedure Steps	Responsible Person	Target Date	Date Completed
Complete follow-up questionnaire and return to Graduate School	Department faculty and students		
Study follow-up questionnaire and all other data. Write draft report.	Panel		
Meet with departmental administrators to discuss report.	Coordinator		
Write final report	Program Review Committee		
Submit report to Graduate Dean	Chairman of Program Review Committee		
Report of completion of Committee Review to Graduate Council	Chairman of Program Review Committee		
Discussion with department of Committee and Consultant Reports	Graduate Dean		
Review of credit-hour production and other cost data	Graduate Dean		
Discussion with appropriate administrators (Deans, Provost) of report	Graduate Dean		
Report to Graduate Council of progress and outcome (within 60 days after Program Review Committee report of completion to Council)	Graduate Dean		

Copies of this form to:

- a. Department
- b. Coordinator
- c. Panel Chairman
- d. Program Review Chairman
- e. Graduate Dean
- f. School or College Dean
- g. Consultant

DEPARTMENTAL DATA AND POLICY QUESTIONNAIRE FOR GRADUATE PROGRAM REVIEW
Southern Illinois University--Carbondale

The questions which follow are intended to guide departments in reviewing their graduate program for the preceding five years. (The word "department" is used herein to designate any academic unit offering work leading to one or more graduate degrees.) Some questions call for relatively brief factual answers, while others require interpretative or evaluative answers. The use of the report will be facilitated if answers, appendices, and other materials attached to the report are numbered in accordance with the scheme which follows. Departments should feel free to present any other information--factual or evaluative--which they find useful, or which they believe the Program Review Committee of the Graduate Council would find useful in reviewing their graduate programs.

A. GENERAL INFORMATION

1. Titles of Graduate Degrees offered by the Department Year Each Degree Title was Authorized

2. Please attach at the end of this document:
 - a. the "operating paper" of the department. If the department does not have an operating paper, list the operative departmental committees and official functions of each committee.
 - b. any departmental brochures and other statements on the nature and requirements of your graduate programs which are distributed separately from the departmental statements in the Graduate Catalog.
3. Please answer the following questions on other sheets of paper and insert after this page.
 - a. What are the goals of the department's programs in graduate education and research?
 - b. What changes, if any, are contemplated in the department's graduate degree structure during the next five years?
4. Please name below five degree programs in your discipline at other institutions which are comparable to yours in terms of size, quality of students and faculty, and specific goals of the program. An effort will be made to compare your program with these programs with respect to costs and degree productivity.

A. GENERAL INFORMATION (CONT.)

Department _____

5. Specializations Within Program

Please furnish the information requested below. The primary specialization of the faculty member is to be defined as is customary by the standards of the discipline, taking into account predoctoral and postdoctoral training, research activities, publications, and students trained. Not all faculty members, of course, will qualify as specialists in a secondary area. Please explain on a separate page inserted following this page what would be needed to make faculty support adequate in areas for which you have responded "No" to questions of staff adequacy.

Name of Specialty	Professional Accreditation in Specialty Area		Accrediting Body	Number of Faculty		Faculty Support Adequate (Yes/No)	Names of Degrees Offered in Specialty and Number of Students Now Working on Each Degree
	Possible (Yes/No)	Earned (Yes/No)		Primary Area	Secondary Area

1. General Information

[illegible]

*If not a full-time university employee, please explain on a separate sheet and insert after this page.

B. GRADUATE FACULTY OF THE DEPARTMENT

Department _____

2. Student Supervision and Teaching

Please indicate below the involvement of each faculty member for the academic years indicated. If the faculty member was on leave either of those years, give data for the most recent years he was on campus and indicate dates in parentheses after his name. The last four columns concern independent study courses only; i.e., standard classes are excluded. Information concerning teaching loads in standard courses will be obtained by the Graduate School from the Office of Institutional Research.

Last Name	Years	Number of Graduate Students Supervised					Independent Study 400-level		Independent Study 500 level

C. GRADUATE STUDENTS

1. General Procedures. Please answer the following questions on other sheets of paper and Insert after this page:
 - a. What procedures and criteria are used by the department in the admission of new graduate students?
 - b. What procedures and criteria are used in the review and retention of graduate students in the department's programs?
 - c. What procedures and criteria are used in appointing teaching and research assistants?
 - d. What procedures and criteria are used in nominating students for graduate fellowships, special doctoral assistantships, NDEA fellowships, NSF traineeships, etc.?
 - e. What research tools do you require and how is competence determined?
2. Degree Productivity. Table I shows degree productivity, defined as the number of degrees granted as a percentage of headcount enrollment in the fall quarter two years (for master's degree) or three years (for Ph.D. degree) prior to the granting of the degree. These figures have been supplied by the Graduate School on the basis of records in the Graduate School, the Registrar's office, and the Office of Institutional Research. Your program ranks _____ in average productivity among the 52 master's degree programs at SIUC and _____ in average productivity among the 20 Ph.D. programs.
Please:
 - a. Indicate any discrepancies between these data and the data in your own records:
 - b. Indicate in the spaces marked "Projections" the number of students you expect to be enrolled, and the number of degrees you expect to be granted, in the years specified;
 - c. Attach on a separate page following the Table(s) appropriate explanations of low productivity (percentages) in the past, and of marked changes which are expected in the future enrollments or percentages. If possible, please include information concerning degree productivity in programs in your discipline at other comparable institutions.
3. Market for Graduates of Program
 - a. Please submit any information which you have from such sources as professional organizations and governmental agencies concerning the need for graduates from your program. Please distinguish between degree levels and among specialties within the discipline.
 - b. Please complete Table II, "Placements of Graduates." List in Table II whichever of the following gives the smaller number: either (a) the last fifty (50) graduates at each degree level, master's and doctor's; or (b) all of the graduates in this degree program for the last three years. If the graduate's placement is not known to you, please write "Unknown" in item #4. Please rate the appropriateness and suitability of each graduate's placement by circling one of the numbers on the right side of the page next to the information about his placement.

4. Full and Part-Time Enrollments

Please indicate below for each appropriate year the number of full and part-time students in your degree program(s). A full-time student is one (a) who is registered for at least six quarter hours of graduate credit, and (b) whose work load does not exceed the following limits: (i) half-time employment outside the University; (ii) half-time employment within the University in a position not directly relevant to his own studies; (iii) three-quarter time appointment within the University to a position directly relevant to his own studies. If the number of students in the summer quarter differs to an important extent from fall enrollment, please indicate by putting the summer enrollments in parentheses after the academic year enrollment. Put summer 1969 on the line for 1968-69, summer 1970 on the line for 1969-70, etc.

Fall Quarter Academic Year	Master's Level		Ph.D. Level	
	Full-time	Part-time	Full-time	Part-time

*Please explain "other sources of support: _____

D. PHYSICAL RESOURCES

Please answer all of the questions about physical resources which are relevant to your program(s). If some are not relevant, e.g., laboratories are not used in your discipline, please write "Not Applicable" next to the headline. Please make further remarks on separate pages and attach them immediately following this section.

1. Office Space

- a. Is space for departmental office adequate? Yes___ No___
If "No," indicate how many more square feet needed _____.
- b. Number of Faculty Members who share offices _____.
- c. Are any faculty offices shared by more than two persons? Yes___ No___
If "Yes," please list names of those sharing offices. _____

- d. Number of teaching assistants who are not assigned a desk or study carrel in departmental space _____.
- e. Number of teaching assistants who share a desk or study carrel in departmental space with other graduate students _____.
- f. Is all office space--departmental administration, faculty, student--suitable in terms of lighting, air conditioning, electrical facilities, etc.? Yes___ No___
If "No," please specify needed changes and their cost _____

2. Library Holdings

- a. Are Morris Library holdings in periodicals relevant to your program:
Excellent_____ Adequate_____ Inadequate_____
If "Inadequate," specify number of needed acquisitions _____

- b. Are Morris Library holdings in books relevant to your programs:
Excellent_____ Adequate_____ Inadequate_____
If "Inadequate," specify number of needed acquisitions _____

- c. Is there a library housed in the department? Yes___ No___
If "Yes," is it supported by state funds? Yes___ No___
If "Yes," stated amount per year _____
If "No," state source of funds and amount per year _____

D. PHYSICAL RESOURCES (CONT.)

3. Computing Facilities and Services Used by the Department

- a. Number of faculty members using central computer at Information Processing for research _____.

Is computer support for their research:

Excellent _____ Adequate _____ Inadequate _____

If "Inadequate," please specify needed changes _____

- b. Is the central computer used for graduate instruction? Yes ___ No ___

If "Yes," is the support of instruction:

Excellent _____ Adequate _____ Inadequate _____

If "Inadequate," specify needed changes _____

- c. Are there separate computing facilities in the department? Yes ___ No ___

If "Yes," please describe _____

If "No," are such facilities needed? Yes ___ No ___

If "Yes," please describe needed equipment and its cost _____

4. Other facilities. Please discuss on a separate page any other facilities, besides laboratories or the central research facilities, which you have, or which you do not have but need, including seminar rooms, classrooms, specialized research rooms, musical instruments, and specialized equipment. In each case, please state as specifically as possible what additions would be needed to make the facility adequate, and state the estimated cost of these additions.

5. Laboratories

- a. Are laboratory facilities for faculty research adequate in terms of:

- i. amount of space? Yes ___ No ___

If "No," how many additional square feet are needed? _____

- ii. electrical power? Yes ___ No ___ If "No," specify needed changes and their estimated cost _____

D. PHYSICAL RESOURCES (CONT.)

- iii. water and sewage connections? Yes ____ No ____ If "No," specify needed changes and their estimated cost _____

- iv. lighting, heat, fresh air supply? Yes ____ No ____ If "No," indicate needed changes and their estimated cost _____

- b. Is equipment for faculty research adequate? Yes ____ No ____
If "No," please list:

Faculty member	Equipment Needed	Estimated Cost
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

(continue on extra pages if necessary)

- c. Are laboratory facilities for graduate-student instruction and research adequate in terms of:

- i. amount of space? Yes ____ No ____ If "No," specify needed changes and their estimated cost _____

- ii. lighting, heat, fresh air supply? Yes ____ No ____ If "No," specify needed changes and their estimated cost _____

- d. Is equipment for graduate-student instruction and research:
Excellent _____ Adequate _____ Inadequate _____
If "Inadequate," specify needed acquisitions and their cost _____

Department _____

D. PHYSICAL RESOURCES (CONT.)

6. Central Research Facilities

Please evaluate the contribution of the following central research facilities to your program:

a. Central Research Shop

- i. used heavily _____ used moderately _____ not used _____
- ii. excellent service _____ adequate service _____ inadequate service _____
- iii. needed changes _____

b. Electron Microscope:

- i. number of Faculty Members who use _____.
average hours of use per week _____.
- ii. number of graduate students who use _____.
average hours of use per week _____.
- iii. evaluation of service:
excellent _____ adequate _____ inadequate _____
- iv. suggested changes: _____

c. Vivarium

- i. number of faculty members who use _____.
- ii. quality of service:
excellent _____ adequate _____ inadequate _____
- iii. kinds of animals and average number of each: _____

d. Other (e.g., glassblowing, research photography, Fine Instrument Shop, Electronics Shop, Machine Shop). Please provide relevant details.

7. Is your OCE budget for support of research:

- excellent _____ adequate _____ inadequate _____
- If "inadequate," please state on an additional page additional amount needed and specify what the funds would be spent for.

FOR GRADUATE PROGRAM REVIEW

Name _____ Date _____

Department _____ Rank _____

Area(s) of speciality _____

I. Please evaluate the adequacy of your graduate program in regard to:

A. Graduate faculty in the total graduate program.

B. Graduate faculty in your area(s) of the graduate program.

C. Course offerings and degree requirements in the total graduate program.

D. Course offerings and degree requirements in your area(s) of the graduate program.

E. Financial support for research by faculty and graduate students.

F. Laboratory facilities and opportunities for field experience.

G. Office and teaching facilities.

H. Library resources.

II. Please evaluate the caliber of graduate students in your graduate program, with particular attention to your area(s) of the graduate program.

III. Describe the strengths and weaknesses of departmental procedures in regard to:

A. Determining the goals of the department's graduate education and research.

B. Recruitment and selection of new students.

C. Advisement of students (including thesis and dissertation advisement).

D. Determining and implementing priorities for staff, space, and facilities.

E. Recruitment and selection of new graduate faculty.

IV. A. What changes in your graduate program do you envisage as a result of this program review?

B. Which aspects of your graduate program are most in need of change?

C. Which are least in need of change?

D. What changes would you recommend that do not involve any extra expenditure of money?

V. Other Comments.

Area of concentration within the program _____
Present position _____

The graduate programs in the department of _____ are under review. Your comments on the following questions should be applied specifically to the graduate program(s) in this department in which you are presently studying or from which you have been graduated. If space provided is not adequate, make additional comments on the back, with the comments numbered and lettered as follows.

- I. What were your reasons for selecting S.I.U. for graduate study?
- II. Are you generally satisfied with your graduate educational experience at S.I.U.? Please explain.
- III. Please evaluate your graduate degree program(s) in the department noted above in regard to:
 - A. Admission standards and procedures.
 - B. Advisement for your particular academic program.
 - C. Course offerings
 - D. Quality of instruction in courses. (Direct your comments to specific courses)
 - E. Quality of fellow graduate students.

F. Thesis or dissertation advisement.

G. Library resources.

H. Laboratory and other research facilities.

I. Financial support by or through the University during graduate studies.

J. Job placement.

IV. Other comments:

(A (1)) PROGRESS REPORT ON THE REVIEW OF GRADUATE PROGRAMS, SIUC

Among the recommendations of A Master Plan-Phase III (MPIII) of the Illinois Board of Higher Education is that examinations be made of "current offerings at the master's degree level at all institutions. The institutions and their governing boards should report to the Board of Higher Education by June, 1972, the programs to be retained and those to be phased out (chapter 2, page 17)."

Even before this recommendation was made, Southern Illinois University at Carbondale had instituted an in-depth review of all graduate degree programs--master's, specialist's, and Ph.D. This review is a continuing process, during which each degree program will be reviewed at least once every five years. Because of the depth and scope of the review process it has not been possible to review all of the master's programs before the June, 1972 date set by MPIII. Instead, the following steps have been taken:

1. The entire set of graduate programs have been looked at in relation to the scope and mission of the University in order to determine whether any of the programs fall outside that mission.
2. An administrative examination of all graduate programs was undertaken in the light of current knowledge, i.e., without the intensive review process, in order to determine whether any should be phased out.
3. The already existing in-depth review program was continued according to the timetable set for that process.

The results of these three steps have been as follows:

1. The present graduate programs have been found to be compatible with the scope and mission of SIU at Carbondale. This is to say only that these programs are defensible in that light, however, and not that each and every one is mandated to be continued.
2. The administrative examination revealed that one master's program, the master's program in Applied Science, should be phased out, and steps have been taken to do so. In addition, the MS in Theater will be discontinued upon approval by the Illinois Board of Higher Education of the MFA in Theater.
3. Fifteen programs at various levels, master's through Ph.D., have been subjected to review, and all but one have been reviewed in depth and the results of these reviews have been reported to the Graduate Dean for further action. For the single exception admissions have been suspended.

This report will discuss each of these three steps in detail, and will present a progress report on the in-depth review of all graduate programs.

Scope and Mission of SIU at Carbondale

The review of graduate programs at SIU at Carbondale in the light of the scope and mission of the University has revealed no graduate programs which should be phased out because they are not in accord with the mission of the University.

The scope and mission of SIU at Carbondale are summed up in its characterization by MPIII as a "developing comprehensive university" (p. 20). It is the only one of the six university centers besides the University of Illinois to be called a "comprehensive university" without qualifying the comprehensiveness by restricting it to "urban university," as in the case of University of Illinois, Chicago Circle (p.20), or to "partially comprehensive," as in the case of Northern Illinois University (p. 20). Although "comprehensiveness" in the sense used by MPIII includes the offering of a broad range of undergraduate programs, the nature and extent of graduate and professional programs determines to a large extent the scope and mission of institutions. It is at the level of graduate training that SIU at Carbondale serves a function that is not duplicated by any other institution in the state, except in some cases by the University of Illinois. If any cuts were made on the level of graduate training, SIU at Carbondale would cease to be a unique supplier of such advanced training, and would move toward concentrating its resources in the duplication of efforts by the other university centers. If substantial cuts were made in master's-level programs, then SIU at Carbondale would tend to duplicate offerings of the numerous four-year and two-year public institutions in the state.

Not only are there no present programs which are outside the scope and mission of SIU at Carbondale, but there are programs which MPIII has directed to be strengthened and broadened, particularly programs in the humanities (see page 20), the training of vocational education teachers (see page 20), and interdisciplinary programs (see page 20). Furthermore, SIU at Carbondale is encouraged in MPIII to "continue to round out existing programs" (p.20). Since the IBHE has taken pains in MPIII to point out to other university centers, such as Eastern and Western Illinois Universities, that they should phase out some of their programs (see page 22), the positive encouragement given to SIU at Carbondale is not to be taken lightly.

Finally, the development of interdisciplinary graduate programs at SIU at Carbondale has been, and continues to be, particularly strong. There is now underway a sound program at the Ph.D. level in Molecular Science, for example, and a strong program in Engineering Biophysics to the master's level has been approved locally. Furthermore, there are regular procedures for students to follow in setting up individually designed interdisciplinary programs on the Ph.D. level. A development similar in spirit is the double major for the master's degree. The graduate programs thus exemplify the spirit of MPIII, and the contribution of these programs one to another is in full accord with the directives of MPIII.

The following conclusions therefore seem to be warranted. First, SIU at Carbondale is distinguished by its mission to provide graduate-level programs. Second, all of its present graduate programs are in accord with its mission and scope as defined by MPIII. As indicated earlier, however, the latter conclusion

is permissive rather than mandatory: MPFIII does not require SIU at Carbondale to maintain each and every one of its present graduate offerings in order to fulfill its mission. Rather, it may well be that, on the basis of criteria other than scope and mission, some graduate programs should be phased out and other new ones instituted.

Administrative Examination

An administrative examination of graduate programs on the basis of current knowledge about academic strength and student enrollments was conducted in conjunction with the program priorities review requested by the IBHE in fall, 1971. As a result of this examination one graduate program, the M.S. in Applied Science, was found to be so obviously weak that it should be phased out.

M.S. in Applied Science

In previous years the program in Applied Science had maintained a small but efficient program. The sum of head-count enrollments for fall quarters, 1963 through 1969, was 32; the total number of degrees granted in 1965 through 1971, including both spring and summer commencements, was 24. The program was not gaining in student enrollments, however. In fall, 1971, there were four students registered in the program; one full professor spent about half of his time in duties related to this program, and various other faculty members contributed a total of about 2/3 FTE to the Applied Science program. There was one Civil Service secretary assigned to work on matters related to Applied Science. The degree program was not identified with any department, but was rather administered through the office of the Dean of the School of Engineering and Technology.

It was decided to phase out the program in view of the small enrollment, and the failure of the program to grow and establish itself satisfactorily.

The estimated savings from phasing out this program will be \$23,267.

The following steps have been taken to phase this program out in an orderly fashion:

1. Effective winter quarter, 1972, admissions to the M.S. program in Applied Science have been stopped.
2. Students now enrolled in the program have been notified by letter that they have until June, 1974, to complete their work and that the M.S. in Applied Science will not be awarded after that time.
3. Steps have been taken to delete reference to the Applied Science program in the narrative description section of the Graduate Catalog. This deletion will be effective in the 1973-74 Catalog.
4. Courses relevant only to the Applied Science program are being dropped from the list of courses; those servicing other programs in the School of Engineering and Technology are being transferred to the appropriate other departments within the School.

M.S. in Theater

A program leading to the Master of Fine Arts in Theater was approved for SIU at Carbondale by the Board of Trustees on March 17, 1972, subject to approval by the Illinois Board of Higher Education. The Dean of the Graduate School, after a thorough study by the Graduate Council, has recommended that the existing program leading to the Master of Science in Theater be discontinued upon the expected approval in July by the IBHE of the program for the M.F.A. in Theater.

Program Review

Graduate Program Review is under the jurisdiction of the Dean of the Graduate School. He is assisted in this effort by the Program Review Committee, which is a standing committee of the Graduate Council. The Committee this year is composed of eight members, seven members of the Graduate Faculty and one graduate student. Most of the faculty members of the Program Review Committee are members of the Graduate Council, although, according to the Operating Paper of the Graduate School, it is necessary only that they be members of the Graduate Faculty of the University. This Program Review Committee is divided into two panels, each of which bears primary responsibility for approximately half of the programs to be reviewed in any one year.

The process of review proceeds as follows. First, data are gathered from the administration, faculty, and students of the program. These data furnish the empirical base for further investigations, and include the following:

1. The Departmental Data and Policy Questionnaire, which asks questions concerning such items as the overall structure of the program, the number of graduate faculty members, the degrees offered, and academic policies of the program.
2. Curricula vitae of Graduate Faculty members teaching in the program.
3. Graduate Faculty Member Questionnaire, in which the Graduate Faculty member is asked to express his judgments concerning such aspects of the program as the physical facilities, the quality of the students, the process of advising students, the process of recruiting students, and physical resources of the department, the curriculum, and academic policies.
4. Graduate Student Questionnaire, in which the graduate students respond to questions similar to those presented to the faculty members. The graduate student questionnaire is distributed to a sample of alumni as well as to current students.

These completed documents are sent directly to the Graduate School by those who complete them so that there will be no fear of reprisal against those criticizing the program. Furthermore, confidentiality of the identity of those who respond to the questionnaires is safeguarded by not revealing in

any further discussions or reports their names or any other information by which a listener or reader could deduce their identities.

Second, the services of an outside consultant (two outside consultants for a Ph.D. program) are obtained from the Council of Graduate Schools in the United States. The members of the faculty of the program are given the list of potential consultants and are asked to vote both for those whom they would choose and those whom they would reject, giving reasons for strong opinions in either direction. The choice of consultants is then negotiated between the Graduate Dean, the Program Review Committee, and the chief administrative officer of the degree program.

Consultants are ordinarily brought to the campus for about two days for a site visit. Before they come they are sent the materials collected by the Program Review Committee: The Departmental Data and Policy Questionnaire, and the Curricula Vitae of Graduate Faculty members, and the Questionnaires from both Graduate Faculty members and graduate students. During his visit each consultant meets with the faculty and students of the program, with the Graduate Dean and other appropriate administrators such as the Vice President (Academic Affairs) and with the Program Review Committee. He also inspects the physical facilities of the program. After his visit each consultant prepares a report of his judgment of the quality of the program and his recommendations, if any, for changes in the program.

After the consultant's report has been received, the Program Review Committee's coordinator for that review consults with faculty of the program and seeks to obtain further information as needed concerning issues which may have been unclear or views which may appear to be unfavorable to the program. He then writes a draft of a report which, after discussion and possible revision by the panel, goes to the full Program Review Committee for consideration. This report is a detailed analysis of the quality of the program, including course structure, curriculum, degree requirements; practices regarding recruitment, selection, advisement of students; morale among student and faculty, general administrative tenor of the department, quality of the faculty and students, and any other items which pertain to the academic excellence of the program. The report also includes detailed recommendations for any changes which might be needed to strengthen the program. This detailed report is given to the Graduate Dean, who is responsible for further action and coordination of communication concerning this report and the report of the consultant.

The Program Review Committee also makes a brief report to the Graduate Council at the conclusion of the review. This report is a general timetable and summary of the findings and does not contain the detailed analysis recommendations which were included in the report to the Graduate Dean. (Two of the programs, Botany, and Plant Industries, were reviewed under a procedure according to which the full report was sent to the Graduate Council for official action and transmittal to the departments.)

Current Reviews

The fifteen programs which have been examined in the review process up to the present time are listed below, and the review of each program is

described briefly. Basic data on faculty strength, enrollment, and degree production are given first; degree production is compared with enrollment either one year prior to granting of the degrees (for the master's degree) or two years prior to granting of the degrees (for the Ph.D.). The rationale for this time lag is stated below.

The proportion of students completing a degree in a program would be the reciprocal of the number of years required to complete the program if all the following conditions were assumed to hold true: (a) There is a steady enrollment of the same number of students every year; (b) no students fail to complete the degree; (c) all students complete the degree in the same length of time; (d) all students are continuously enrolled in all quarters. For example, if students required two years to complete the degree and the conditions stated above were met, then the proportion of students graduated each year would be one-half. Similarly, if students required three years to complete the degree and the conditions above obtained, then the proportion of students graduating each year would be one-third.

This relation holds under the conditions stated above no matter whether the graduates are compared to current enrollment or to that of any particular previous year. In time of expanding enrollment, however, the percentages would be spuriously deflated if based on the current year's enrollment. In any program which ordinarily takes students more than one year to complete, the number of first-year students in times of increasing enrollment will be unusually large in proportion to those entering their last year of work, and a comparison based on the current year's enrollment would tend falsely to make the program appear less productive than it actually is. Under the situation of expanding enrollment the productivity of the program will be more accurately represented by comparing the degrees granted to the enrollment of a number of years prior to the granting of the degree, this number to be the number of years normally required to complete the program.

Since enrollments have been expanding during the period of the last few years, the percentages of head-count enrollments represented by degrees granted has therefore been based on a time lag which seems to represent as fairly as possible the length of time required to earn the degrees. The two-year time lag was chosen for the master's degree because it has been our experience that students in most programs do take two years to finish the master's degree. Indeed, several master's programs require substantially more than 48 quarter hours' credit for the master's degree, and therefore cannot be completed in one year by a student who holds a half-time assistantship, since the maximum course load for a half-time assistant is 12 quarter hours per quarter. The three-year lag was chosen for the Ph.D. Since other institutions have reported this as the median length of post-master's study in scientific disciplines and it seems a reasonable length of time in other disciplines as well.

------------------	----

Consultants: Professor W. H. Wagner, University of Michigan, and Aubrey W. Naylor, Duke University. Visited campus May 2 through May 4, 1971.

Outcomes:

The graduate program in Botany was rated as excellent by the consultants and the Program Review Committee. In line with recommendations for further strengthening of the program, the following actions have been taken:

1. A mycologist has been added to the faculty of the Department.
2. Additional outside support for faculty research has been obtained.
3. A request has been made jointly by the Department of Botany and the Physical Plant that the greenhouse facilities be turned over to the Department of Botany for teaching and research purposes.
4. Interdisciplinary Ph.D. programs have been set up by Botany with other departments for three students.
5. Steps are being taken to invite appropriate members of the faculty of other departments to accept joint appointments with Botany.
6. The program of training for graduate students has been strengthened by requiring all graduate students to gain some teaching experience and by broadening the curricular requirements so that the students' graduate education is not excessively narrow.

Plant Industries (M.S.)

Number of Graduate Faculty Members:	17 (3.5 FTE)
Head-Count Enrollment, fall, 1971:	16
Total Head-Count Enrollments, fall quarters (1962-69):	80
Total Degrees Granted (1964-71):	65

Consultant: Professor M. P. Gardener, Western Illinois University.
 Visited campus April 22 and 23, 1971.

The program in Plant Industries was praised by the consultant and by the Program Review Committee for its strengths. As a result of the recommendations by the consultant and the Committee, the following actions have been taken:

1. A graduate committee has been set up within the department to make recommendations on admission of and financial assistance to graduate students.
2. The curriculum in ornamental horticulture has been expanded. Full implementation of the expanded curriculum will not take place until additional staff support is provided, however.
3. The School of Agriculture has adopted a new policy favoring increased off-campus teaching and service to area residents, and some funds have been provided for these activities. Full implementation of this program awaits increased staff support.

Design (M.S.)

Number of Graduate Faculty Members:	9 (1.7 FTE)
Head-Count Enrollment, fall, 1971:	26
Total Head-Count Enrollments fall quarters (1962-69):	102
Total Degrees Granted (1964-71):	30

Consultant: None

Outcome:

It was clear that the program in Design was in a state of transition, and that the present program in Design is not representative of their future plans. Furthermore, it became apparent that the Department was understaffed and that the faculty efforts were being drained off into the undergraduate program. For these two reasons the Department of Design agreed to suspend admissions to its master's degree program pending the submission of the plan for a revised program. Those asking for information about this program have been notified of the suspension of admissions, and current applicants have been notified that their applications are being held pending reopening of admissions to the program.

Reviews in Progress

There are twelve programs which were reviewed during the academic year 1971-72. The consultants' reports and the detailed recommendations of the Program Review Committee have been received for all of these programs, and discussions are currently underway between the Graduate Dean and the other appropriate administrative officers concerning the findings of the review. Statistical information concerning these programs and information concerning the consultants is provided in Table I.

Planned Reviews

Tentative schedules have been set up for the reviews of all the programs not yet reviewed. These schedules are given in Tables II through V.

CARBONDALE, ILLINOIS 62901

Graduate School

October 3, 1972

MEMO TO: Willis E. Malone
Executive Vice President and Provost

FROM : John M. H. Olmsted, Dean

SUBJECT: Materials for submission to the Board of Trustees
concerning Research Program Review

Enclosed is a report on the administration and operation of the research program here at SIU at Carbondale. These materials are sent so that you may submit them to the Board of Trustees in preparation for the special meeting on Thursday, October 19, 1972.

SUMMARY OF ORGANIZED RESEARCH - SIUC

The Organized Research Program at Southern Illinois University at Carbondale falls in to two major categories: one is the research that is funded by federal, state, and local governments, as well as by foundations and private industry or other external funding sources. At Southern Illinois University at Carbondale, these external funds support a very wide range of activities such as studies in occupational and career education for children and adults, development of a vaccine for the prevention of shipping fever in cattle, growth and production of catfish raised in cages, driver and safety education, the gifted and handicapped children program, graduate traineeship programs, rehabilitation of the blind, rehabilitation counseling, waste water treatment, strip mine reclamation, law enforcement research and training, federal work-study student training, behavioral research, Library of Living Philosophers, biosynthesis of Yaba tumor virus, behavior elicited by stimulation of the brain, cardiovascular research, carcinogenic hydrocarbons, hormonal and cellular physiology, and titanium plating.

The second major research category is the internal research program which is funded with university or state funds. This major category is further subdivided into two components: Special Research and Cooperative Research. While these programs differ somewhat, they do share one common goal: they are designed to encourage scholarly research activities by providing financial assistance for these endeavors.

The Special Research Program supports projects which will be developed into (1) more extensive research designs suitable for funding from an external agency, and (2) projects in selected substantive areas where external funds are usually not available. There are approximately 300 Special Research Projects in existence at all times. Of these 300, approximately 100 are first-year projects, some projects having a life span of three years.

The Cooperative Research Program is designed to provide support for research activities in those units and disciplines, including interdisciplinary groupings, that require continuous long-term funding. Researchers with proven ability are provided a stable financial base upon which to develop a long-term research program. Funds for the support of these Cooperative Research Programs are received from both external and internal sources. The average number of Cooperatives at any one given time is about 20 and includes such areas as molecular virology, fisheries, wildlife, cultural anthropology, and plant industries.

To further assist faculty researchers on the Carbondale campus, the Office of Research and Projects operates four support service units for their use. The Central Research Shop is a facility which designs, repairs, and constructs special equipment required by researchers. The Scientific Photography and Illustration Unit offers consultation and technical assistance to all researchers in need of scientific photography as an integral part of their research endeavors. For those researchers who need animals,

a central animal facility or Vivarium, which is under the direction of a veterinarian, is maintained to insure proper and humane care and management of animals as is necessary and legally required. The Center for Electron Microscopy houses two scanning and two transmission scopes as well as other related equipment for the use of faculty researchers.

The entire external and internal research program is administered through one central office, the Office of Research and Projects. This office is under the direction of an Associate Dean of the Graduate School who is also the Coordinator of Research and Projects. This unit of the Graduate School is charged with the responsibility of encouraging and coordinating research within the University and with the responsibility for disbursing and accounting of funds for the research program. This office also negotiates with external agencies that provide financial support for research. The Office of Research and Projects maintains a staff to assist researchers in the preparation, typing, coordination and forwarding of each proposal to the proper external agency. Additionally, a Resource Center which contains volumes of materials regarding external funding sources for almost every type of research or training program in existence is maintained with a Specialist to assist the faculty researcher.

INTERNAL RESEARCH PROGRAM

The internal research program, through the use of state funds allocated to the University in its annual appropriation, maintains two categories of research activities--the Special Research Program and the Cooperative Research Program. Both programs are designed to encourage scholarly research activities and to provide financial assistance for such endeavors.

A. Special Research Program

The Special Research Program is designed to provide assistance to research projects which will (1) be developed into more extensive research undertakings eligible for funding from an external agency, and (2) to projects in selected, substantive areas where external funds are usually not available. There are also research support services available to researchers with faculty status who have an approved Special Research Project.

1. Approval, Funding and Evaluation of Special Research Projects

The Research Committee of the Graduate Council is responsible for recommending research policy through the Graduate Council to the Dean of the Graduate School. The Research Committee of the Graduate Council has three subcommittees that are charged with the responsibility for review and approval of Special Research Projects. Members of these subcommittees are appointed by the Dean of the Graduate School from a group of experienced researchers within the graduate faculty. These subcommittees advise the Associate Dean of the Graduate School, who is also the Coordinator of Research, on the scientific and scholarly merits of each proposal.

After approval, funding of special research projects is the responsibility of the Coordinator of Research. It is possible that a project be approved and subsequently not funded.

Special research projects are typically approved for a period of three years. The projects are reviewed by the subcommittees at the end of each fiscal year for progress and further recommendations for support. After a three year period, a project is terminated and a new proposal must be submitted for consideration.

2. Reporting Research Expenditures

The Office of Research and Projects funds and maintains expenditure reports for special research projects. This includes details on allocations to departments by project for each fiscal category and faculty researcher. Reports of research expenditures are published annually.

In fiscal year 1971-72, there were some 255 special research projects receiving \$744,914.63 in fiscal categories of Salaries (Research Assistants Only), Wages (Student Workers), Travel, Equipment, Commodities, Contractual Services, Telecommunications, and Automotive Services.

B. Cooperative Research Program

The Cooperative Research Program provides support for research activities in those units and disciplines including interdisciplinary groupings, that require continuous long-term funding. Researchers with proven ability are provided a stable financial base upon which to develop a long-term research program. Funding may be received from both external and internal sources for the Cooperative Research Program.

In fiscal year 1971-72, there were some 20 Cooperative Research Projects receiving \$434,377.52 in fiscal categories of Salaries (Research Assistants Only), Wages (Student Workers), Travel, Equipment, Commodities, Contractual Services, Telecommunications, and Automotive Services.

The Research Committee of the Graduate Council is responsible for the annual progress report review for each Cooperative Research Project. This committee recommends to the Coordinator of Research, funding levels for the following fiscal year. The Office of Research and Projects funds and maintains detailed expenditure reports on the Cooperative Research Projects.

C. Research Support Services

1. Central Research Shop

The Office of Research and Projects operates a Central Research Shop for the benefit of researchers. This facility repairs, designs, and constructs special equipment required by researchers. In addition, there are four speciality research shops located in various departments across campus. These are the Fine Instruments Research Shop, Machine Research Shop, Electronics Research Shop, and the Glassblowing Research Shop.

2. Scientific Photography and Illustrations Facility

The Office of Research and Projects operates a consultation and technical assistance service to all researchers who use scientific photography as an integral part of their research. Services provided include photography on biological materials, zoological specimens, infra-red recording, dark field illumination, electronic and printed circuits, time and motion studies, and scientific illustrations.

3. Vivarium

The Office of Research and Projects operates a Vivarium to provide professional animal support services to researchers who have need for animals as a biological test. This operation maintains some 5,000 animals and is housed in a central facility to insure proper care and management of animals as necessary and legally required.

4. Center for Electron Microscopy

The Office of Research and Projects operates an Electron Microscopy Center as a research support service. This facility is equipped with two electron scanning scopes and two transmission scopes in addition to supporting equipment. Experienced personnel are available for instruction and assistance to researchers in need of electron microscopy.

D. Summary of Organized Research Expenditures

Total expenditures for Organized Research in Fiscal Year 1971-72 show \$300,000 for research assistants; \$64,000 for wages; \$32,000 travel; \$58,000 equipment; and \$157,000 OCE. This \$612,000 was distributed over some 255 Special Research Projects, twenty Cooperative Research Units, and five University-wide support activities. \$1,201,000 worth of faculty and staff released time, summer salaries, and civil service and budgeted salaries associated with approved research projects was expended for a grand total of \$1,812,000. A recapitulation of Organized Research expenditures by college and school in all categories is shown in Figure 1.

The annual reports describe each approved project and the details of every expenditure. They show the total State research money allocated to colleges and departments in each fiscal category. Each expenditure is detailed to show precisely what was purchased. For example, it shows every item of research equipment purchased, its cost and for whom the purchase was made. The same kind of detail is provided for research assistants, summer salaries, budgeted and civil service personnel, travel expenditures, and subsidized salaries for Organized Research.

EXTERNAL RESEARCH PROGRAM

The Office of Research and Projects under the direction of the Coordinator of Research and Projects, who is also an Associate Dean of the Graduate School, is the operating unit charged by the Dean of the Graduate School with the responsibility of encouraging and coordinating research within Southern Illinois University and with additional responsibilities of disbursing funds allocated for particular research accounts and of representation of the University in negotiations with external agencies that provide financial support for research.

A. Summary of 1971-72

In 1971-72, SIU-C received 102 research grants and contracts for a total of \$1,428,000. Training and equipment grants and contracts totaled \$4,331,000 for 83 awards. Seven Student Work and Financial Assistance grants totaled \$1,892,000. A grand total of \$6,223,390 was received from external sources. For the past five years, SIU-C has submitted in excess of 200 proposals each fiscal year. Each year 43.9 to 49.2% of the proposals submitted have been awarded. In Fiscal Year 1971-72, 252 proposals for a total requested amount of \$14,000,000 was submitted. This averages out to more than one proposal per work day.

The annual report shows a one-page summary of every external grant and contract awarded to SIU-C. This report is arranged to show the research, training and equipment awards by department, college and grantor agency.

B. Support Services Provided for External Program

1. The Office of Research and Projects maintains a resource center, with a full-time information specialist, which contains the guidelines and application forms for submission of research proposals to all major and most minor government and private agencies which sponsor research and training activities. Liaison with representatives in these various agencies is maintained by telephone, letter and personal visit.

2. The Office of Research and Projects has an Assistant Coordinator (Fiscal) and a Proposal Analyst who assist faculty in the following manner:

- a. Proposal writing assistance
- b. Preparation of budget in accordance with University policy and the particular agency guidelines.
- c. Stenographic and duplication service for the final submission copies.
- d. Proposal coordination through the various University offices including the following:

- 1) Department Chairmen
- 2) College Dean
- 3) Office of Research and Projects
- 4) Research and Projects Fiscal Management
- 5) Data Processing (as required)
- 6) Human Subjects Committee (as required)
- 7) Graduate Dean
- 8) Legal Counsel
- 9) President
- 10) Board of Trustees and IBHE (as required)

3. When a funding agency offers to support a project at a funding level different from that proposed, the Office of Research and Projects, in consultation with the researcher, negotiates the appropriate changes within the framework of University policies.
4. After a funding agency has awarded a grant or contract to the University, the Office of Research and Projects is responsible for the coordination, through the various offices, in preparation for the final acceptance by the President of SIU-C.
5. During and after all grant and contract agreements, the Office of Research and Projects is responsible for assurance and compliance with terms and conditions of the agreements.
6. The Office of Research and Projects processes appointment papers for all persons who are hired on grant or contract funds.

STATE AND OPERATIONAL RESTRICTED EXPENDITURES FOR
THE OFFICE OF RESEARCH AND PROJECTS AND ITS FOUR
OPERATIONAL UNITS FOR FISCAL YEAR 1971-72

The following two pages show the details of state and restricted funds expended for salary, wages, travel, equipment, and OCE for the Office of Research and Projects, the Research Shop, the Electron Microscopy Center, the Vivarium and the Scientific Photography Facility.

\$261,000 of state money was expended for these five units while \$123,000 of restricted funds were used. The restricted funds included the General Research Overhead, Biomedical Support Grant and Graduate Development Fund showing a grand total of operational expenditures for the above five units of \$384,000 for 1971-72.

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:40 a.m., Friday, October 20, 1972, in Ballroom "D" of the Student Center, Carbondale Campus. The regular Chairman and Secretary being present, the meeting was called to order. Chairman Fischer read the following statement:

We are pleased today to recognize the new voting status of Dr. Fouts. Although the Superintendent of Public Instruction has always held voting status on this Board, it was not until October 2, 1972, the effective date of an amendment to the legislative charter of the Board, that a designated representative of the elected Superintendent could cast the vote attached to that position.

We have received from Superintendent Bakalis a formal appointment of Dr. Fouts as his voting representative, and accordingly, the Secretary is directed to add the name of Dr. Donald E. Fouts to the official roll of members of the Board of Trustees of Southern Illinois University.

Welcome aboard, Don.

The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Dr. Donald E. Fouts
 Mr. W. Victor Rouse
 Mr. Harris Rowe
 Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Grunty, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a special meeting held September 14, 1972, and of a regular meeting held

September 15, 1972, copies of which had previously been forwarded to members of the Board. On motion of Dr. Walker, duly seconded, these Minutes were unanimously approved as presented.

Chairman Fischer reported the Minutes for September 15, 1972, referred to an executive session being held after the Board meeting adjourned. He stated that personnel matters only were discussed and no action was taken. He also reported that an executive session had been held last evening to discuss personnel matters and pending litigation, with no action taken.

The Chair recognized Dr. James Brown, who explained that on behalf of the two Presidents and the Chief of Board Staff, a redrafting was underway of Item A - Policies and Procedures Governing the System Internal Audit Function, and a meeting had been scheduled for next week for a resolution of any questions and concerns in connection with this matter. He anticipated presentation of a version mutually supported by these three officers to the Board members at the November meeting, and requested that this matter be withdrawn at this time.

The Chair then recognized Dr. James Brown, who explained that the following report was provided to show related budget information to the System function:

(B) Southern Illinois University System

Operating Funds Analysis, July 1, 1970 through June 30, 1973

Board Staff Report

Southern Illinois University Board of Trustees

October 20, 1972

Summary

This Board Staff Report analyzes State appropriation funding for operations in the Southern Illinois University System over the period covering three fiscal years, 1970-71, 1971-72, and 1972-73.

Four major observations resulting from this analysis are:

1. Resource Erosion. While State funding for operations at Southern Illinois University increased from \$78.2 million in 1970-71, to \$81.2 million in 1972-73, an increase of \$3 million, the effects of inflation (\$1.9 million) and new funding commitments to salary increases (\$6 million) and to new program commitments (\$4.1 million), particularly health related, have forced the University to absorb, in fact, a reduction of \$9 million in operations over this three-year period. In other words in terms of 1970-71 resources, essentially the same educational services which were provided in 1970-71 at an expenditure of \$78.2 million will be provided in 1972-73 for \$69.2 million. (See Figure 1)
2. Reallocation of Resources. The analysis of funding support by function shows that "Instruction and Departmental Research" is the only major functional category which increased substantially in the three-year period; funding in this area increased by \$8.6 million or approximately 23 percent. Almost one-half of this increase is attributable to the new medical and dental programs. This commitment of new resources to instruction and departmental research was made possible through major program reductions and eliminations in other functional categories. For example, in this three-year period funding of "Organized Activities Relating to Education Departments" was reduced by over \$1 million; "Separately Budgeted Research" by over \$1/2 million; "Extension and Public Services" by almost \$1 million; "Libraries" by over \$1 million; and "Operation and Maintenance of Physical Plant" by almost \$2 million.
3. Decentralization. The analysis illustrates the budgetary results of the decentralization process which has occurred over the past three years. Over \$10.5 million was expended in Central University operations in 1970-71. Of this total, over \$9.5 million supporting educational and administrative units formerly central has been decentralized to the budgets of the two campuses. Over this three-year period, the central functions of the University have been trimmed to less than one-tenth their original size. The System Offices, the remaining central functions, are budgeted for just under \$1 million and include the Office of the Board of Trustees, the Office of the System Internal Auditor, and the Treasurer's Office.
4. Health Education. Direct funding commitments to the development of new medical and dental programs at Southern Illinois University have accelerated to \$5.3 million for 1972-73. This amount is \$4.1 million more than the funding for these programs in 1970-71. The total of \$5.3 million does not include any of the indirect costs to the University associated with these major development efforts. These funding commitments have made Southern Illinois University a critical component of the massive expansion in the health fields undertaken by the State of Illinois.

Southern Illinois University System

Operating Funds Analysis, July 1, 1970 through June 30, 1973

I. Object Analysis

Personal Services have continued to rise over the three-year period from 70 percent of total appropriations in 1970-71, to 75 percent in 1972-73. Salary increases are the major reason for this increase although there has been some new employment, mostly for Medical and Dental Education. New employment has been offset by considerable employment termination generally distributed across the spectrum of programs and activities in the two Universities.

Line items or objects of appropriation other than Personal Services, (that is, Contractual Services, Commodities, Equipment, and the other smaller lines) shrank a net amount of \$2.5 million between 1970-71 expenditures and the 1972-73 budget. The largest reduction was in Equipment, although Contractual Services also dropped substantially. Equipment allocations for 1972-73 have actually rebounded this year to a figure about a million and a half dollars below that for 1970-71; last year (1971-72) Equipment funds were nearly \$2.2 million less than they had been only one year earlier, in 1970-71. The decisions of the University administrations to allocate larger sums to Equipment in their 1972-73 Internal Budgets apparently recognize both the necessity to replace worn equipment and also the unremitting pressures from many sources for acquisition of new equipment, including in particular library books which, in Illinois are classified as Equipment.

II. Functional Analysis

The functional analysis for the total University System (see Exhibit VI) shows that, of the major functions, only "Instruction and Departmental Research" has increased significantly over the three-year span. The dollar increase of \$8.6 million is nearly 23%. Of the total increase, however, over \$4 million is attributable to Medical and Dental Education (\$3 million to the new medical program, and \$1 million to the new dental program).

The internal reallocations of funds necessary to achieve the increase in Instruction and Departmental Research are made readily apparent by the reductions reflected in the other major functions (Exhibit IV). The following chart summarizes the major functional changes which have occurred in this period:

Summary
Major Resource Changes by
Functional Category
(Total System)

Function	Expenditures 1970-71	Internal Budget 1972-73	Change	% Change
Instruction and Dept. Research	\$37,702,885	\$46,348,241	+\$8,645,356	+23%
Organized Activities Relating to Educa- tional Departments	2,768,402	1,673,934	- 1,094,468	-40%
Other Separately Budgeted Research	1,966,882	1,441,806	- 525,076	-27%
Extension and Public Services	3,226,823	2,260,517	- 966,306	-30%
Libraries	4,866,826	3,782,028	- 1,084,798	-22%
Operation and Maintenance of Physical Plant	12,919,545	10,971,102	- 1,948,443	-15%
General Institutional Expense	4,550,745	3,825,327	- 725,418	-16%

The specific educational and administrative units which have suffered budgetary reduction or elimination within these major functional categories can be identified for the most part in Exhibits VIII and IX.

III. Major Factors in Budgetary Change

A. Health Education. In Fiscal Year 1970-71, total Medical Education development expenditures were \$358,000, of which \$182,000 were for salaries; the School of Medicine 1972-73 Internal Budget totals \$3,361,000, of which \$2,156,000 are for salaries. The total increase over the two-year period is just over \$3 million, of which \$1,973,000 are listed as salaries.

The School of Dental Medicine in the 1970-71 year expended a total of \$866,000, of which \$360,000 were for salaries. The Internal Budget for Fiscal 1972-73 is \$1,917,000, of which \$1,086,000 are for salaries. The two-year increases are \$1,050,000, of which \$626,000 are for salaries.

Together the Medical and Dental Schools budgets for 1972-73 total \$5.3 million or approximately \$4,050,000 more than their combined expenditures for 1970-71; of that sum \$2,600,000 are for salaries. Even after introducing a reduction factor of more than 10 percent for the salary adjustments and the higher prices of goods and services that are included in these

gross increases over a two-year period, it is still evident that in excess of \$3,600,000 of new funding have been committed to 1972-73 Medical and Dental programs over the expenditures for those programs two years ago.

An interesting corollary to this conclusion is that we do not yet have complete figures for Health Education development costs, since the expended and budgeted figures reflected here are only for direct operational costs. Indirect costs related to this developmental effort are not yet part of our standard analytical information.

B. Other New Programs. In addition to the major new commitments of monies to the Schools of Medicine and Dental Medicine, approximately \$.5 million has been allotted to other new program developments within Southern Illinois University during the period under review. At SIU-C, these new programs include a college of human resources development, school of law, molecular science program, and research in criminal justice. At SIU-E, additional funding for new programs includes ethnic and special studies and a masters degree program in nursing.

C. Salary Increases. A total of approximately \$6 million in salary increases for 1971-72 and 1972-73 has been added to Personal Services appropriations for the payroll of academic and nonacademic personnel and student workers between 1970-71 and 1972-73. The \$6 million is composed of three basic items:

1. \$1.8 million in increases was granted December 1, 1971, for the seven months then remaining of the 1971-72 fiscal year.

2. It was necessary to add to those increases approximately \$1,560,000 to "annualize" (provide for the full 1972-73 year) the salary rates set effective December 1, 1971, which had provided only seven months of salary payments at the higher rates in that fiscal year. Since the Board of Higher Education operating budget recommendations for 1972-73--and the funds appropriated--did not include an allocation for funding the annualization of salary increases effected during 1971-72, this annualization funding for 1972-73 has been drawn of necessity from other programs and activities of the Universities.

3. The Board of Trustees has approved for 1972-73 approximately \$2.7 million for merit, contractual, and statutory salary increases in accordance with Board of Higher Education recommendations and funds already appropriated.

D. Inflation. The price index used by the University Systems for a number of years for Price Increase requests to the IBHE as part of their annual operating budget shows, for the two most recent years, increases respectively of 4.9 percent and 6.7 percent, or a total of 11.6 percent increase in the costs of goods and services since 1970-71. Even if this is rounded downward to 10 percent for comparison purposes, it means that the \$18.6 million the SIU System has appropriated to it in 1972-73 for acquiring goods and services of all kinds (other than the salaries and wages of its

own personnel) have a purchasing power, relative to 1970-71, of only about \$16.7 million. When these adjusted dollars are compared to the dollars expended for the same purposes in 1970-71 it is discovered that the difference represents a reduction in goods and services purchasing power of over 20 percent in the two-year period.

IV. Resource Erosion: 1970-71 vs. 1972-73

Exhibit I (see subtotal line) shows expenditures of approximately \$78.2 million for 1970-71; the same line shows approximately \$81.2 million appropriated and budgeted for 1972-73. As Figure 1 shows, the increase is, in round figures, about \$3 million. This increase in appropriated resources for operations should be assessed against what must be accomplished with the total appropriated resources. Three major factors appear in such an assessment:

(a) Salary increases, which represent an increase in personnel cost without a corresponding increase in staff.

(b) New programs and the expansion of already established programs, calling for the commitment of new funds.

(c) Inflation.

These three major factors, applied to the total resource situation of the System, are graphically represented in Figure 1, and reveal that: 1) salary increases since 1970-71 have committed an additional \$6 million to existing personnel; 2) the new medical and dental programs alone have absorbed \$3.6 million over the 1970-71 level of expenditure and other new programs (e.g., law, nursing, human resource development, etc.) are budgeted for an additional \$.5 million; and inflation has reduced the buying power of University funds dedicated to the purchase of goods and services by some \$1.9 million. These sums amount to offsets against the total appropriations for the System and reflect an erosion in available resources for existing operations of \$12.0 million from the 1972-73 appropriations.

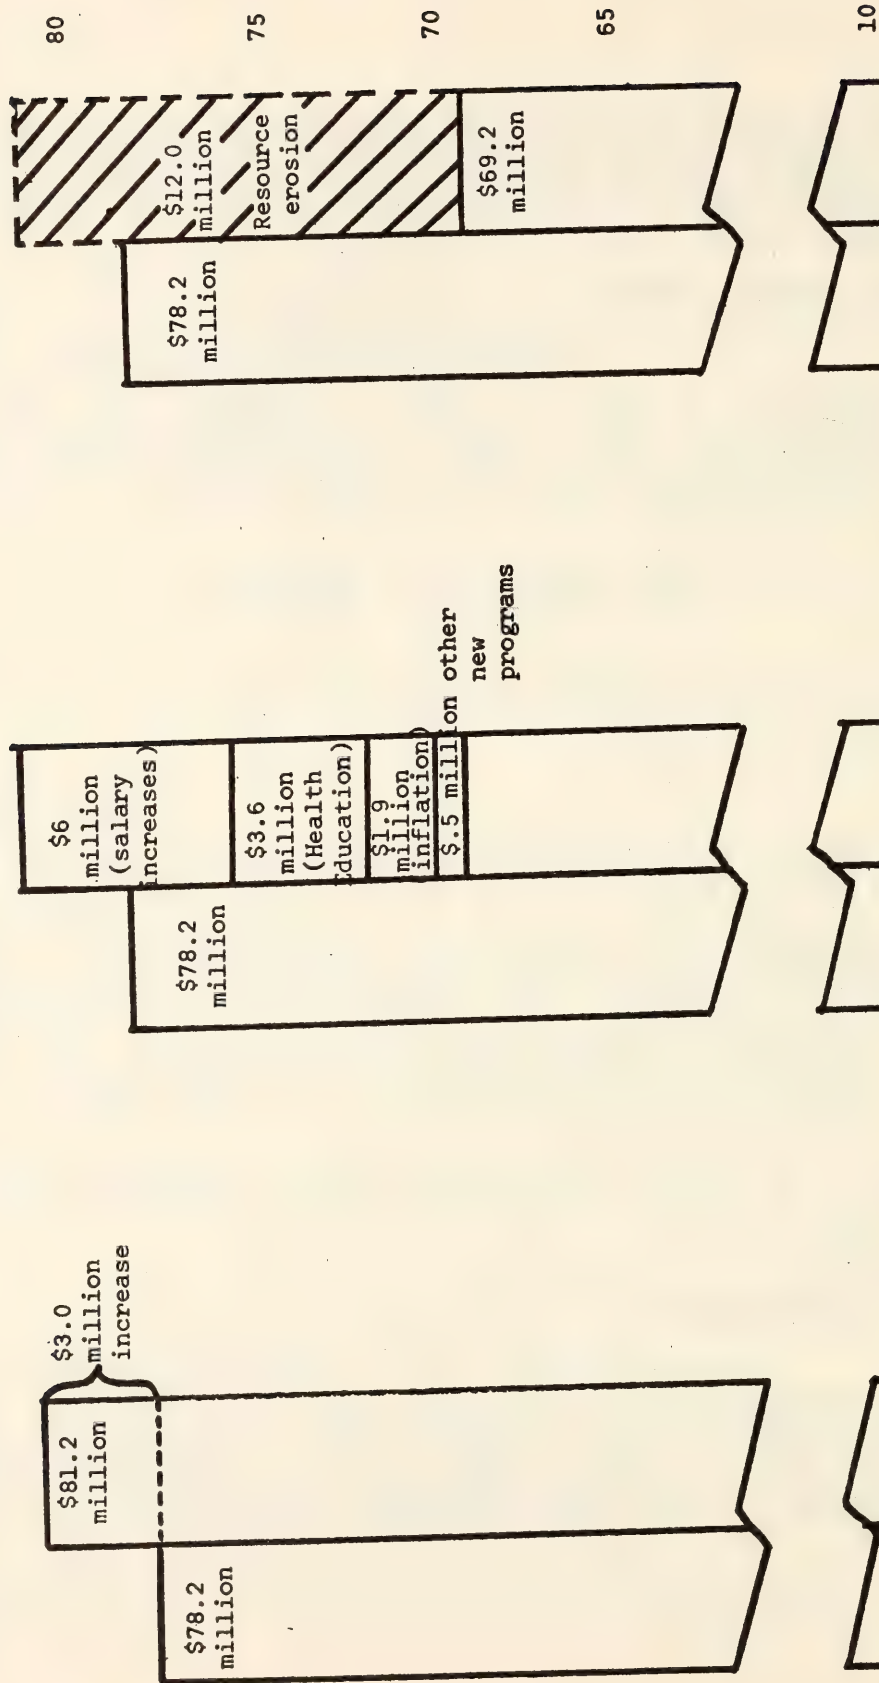

In short, the System has some \$69.2 million in 1972-73 to do the job it was doing in 1970-71 for \$78.7 million. The University has had to absorb a reduction of \$9 million in maintaining essentially the same programs offered in 1970-71.

V. System Components

The operating funds from state appropriations can also be analyzed by examining the changing resource pattern in the three basic components of the University System: the System Offices, SIU-C, and SIU-E. In this three-year period, the decentralization process has had a substantial effect on the resource pattern among these units. The following chart extracted from Exhibits I, II, III, and IV summarizes this transition:

FIGURE 1
Resource Erosion:
Southern Illinois University

Total State Appropriations for Operations	1970-71	1972-73	
	\$78.2 million	\$81.2 million	
		\$3.0 million increase

(excluding Retirement)

	1970-71	1971-72	1972-73	Changed 1970-71 to 1972-73
Total University System	\$78,188,357	\$78,728,960	\$81,221,565	+\$3,033,208
Central University/ System Offices	10,535,175	9,813,982	989,177	- 9,545,998
SIU-C	45,903,033	45,223,986	53,418,296	+ 7,515,263
SIU-E	21,750,149	23,690,992	26,598,727	+ 4,848,578

This chart illustrates the budgetary impact of the decentralization effort; in other words, many educational and administrative units formerly assigned to Central University have been reassigned to the two campuses. The System Offices represent the only remaining central university functions. The chart shows that, exclusive of Retirement Contributions, the "Central University" category expended over \$10.5 million in 1970-71 (although originally budgeted, as of 1 July, 1970, at \$21,741,757), and had appropriations of \$9.8 million in 1971-72. However, for 1972-73 the "System Offices" have shrunk to budgetary appropriations of less than \$1 million. The resources of many units that were in the "Central University" category for the two earlier years are, for 1972-73, shifted to the line item appropriations for the Universities at Carbondale and Edwardsville.

The functions now served by the System Offices are of course not new. The functions assigned and the funds budgeted to the System Offices were previously budgeted and carried on by various units of the Central University complex which decentralization eliminated.

In order to identify those units affected by the decentralization process, Exhibits VIII and IX provide year-to-year comparisons of all units which were formerly a part of the Central University but now have been decentralized to either SIU-C or SIU-E. All operating units decentralized from "Central University" to SIU at Carbondale or SIU at Edwardsville during 1972-73 are identified by an asterisk (*) placed before their titles (in Exhibits VIII and IX), while those decentralized in 1970-71 are marked with a number sign (#).

A. System Offices. Exhibit VII shows that the System Offices are currently budgeted at just under \$1 million and are composed of three units: the Office of the Board of Trustees, the Office of the System Internal Auditor, and the Office of the Treasurer. Approximately two-thirds of the total System Offices' budget is attributed to the Office of the Board of Trustees; approximately one-fourth is committed to the system internal audit function; the balance supports the treasurer function.

A detailed examination of the Board of Trustees' account shows that in 1970-71, only one person was paid through that account for the entire year. The original Board staff appointees were transferred from

various "Central University" accounts ("President's Office," "University Legal Counsel," "University Budget Director," "Treasurer," etc.) for ten months of the year. In 1971-72, the original Board staff personnel were reported for the full year for the first time in the Office of the Board of Trustees. During this time, the Decentralization Committee made decisions that assigned six additional persons to the Board of Trustees' account for a fraction of the year. At the end of 1971-72, there were 19 full-time positions assigned to the Office of the Board of Trustees; the same number of full-time positions is budgeted for the entire year in 1972-73, and the salaries allocation to the account for 1972-73 includes the annualization of salary increases that were effective December 1, 1971, as well as the increases of July 1, 1972.

Also for 1972-73, the Office of the System Internal Auditor is budgeted at 17 positions, and the Office of the Treasurer has six positions. Annualized 1971 salary increases, and July 1, 1972, increases are included in the salaries allocations of those offices.

The 1971-72 expenditures of \$403,397 reported for the Board of Trustees' account do not disclose that in excess of \$138,000 were redistributed from the account budget to the Carbondale and Edwardsville Universities for their needs, or allowed to lapse uncommitted from the account for other uses. It is anticipated that a similar pattern will be followed in 1972-73: The account budget specifically contains \$32,863 for transfer to SIU-C, and \$2,660 for transfer to SIU-E, as payment for Board of Trustees' office space rental and operation and maintenance during 1972-73. The budget holds available sufficient funds for legal and audit fees, communications services, outside consultants, transportation, etc., that might be necessary for performance of the Board of Trustees' governance responsibilities. However, as the experience and practice of 1971-72 have demonstrated, the full sums of budgeted funds may not be required, and, at the earliest possible date consonant with fulfilling Board obligations, all funds that can be released will be transferred to the Universities.

B. Southern Illinois University at Carbondale and Southern Illinois University at Edwardsville. One feature common to both Universities is the use of what can be called "clearing accounts." These are accounts at various levels within the organization in which funds are retained for transfer or release, usually to lower levels in the same administrative or organizational area, as needs appear and lower echelon officials make claims or requests for funds. In the ordinary course of University operations expenditures are not charged directly against such "clearing" accounts; rather, funds are "cleared" from those holding sources to the appropriate accounts from which the expenditures are made to meet the needs that have emerged. Deans of schools, colleges and divisions regularly retain their allocations of funds for graduate assistants in such accounts for distribution as enrollment pressures direct, and, at another level, the Presidents and/or the Vice Presidents will retain funds budgeted originally to such an account for distribution to their operating units as events and judgment dictate.

A frequent indicator of such an account is a fairly low level of reported expenditures for 1970-71 and 1971-72--because the funds were "cleared" to other accounts for the actual expenditures--but with a rather substantial amount budgeted for 1972-73.

Major clearing accounts identifiable in Exhibit VIII for Carbondale are: on page 1, "Academic Affairs-General," "Educational Operations-General;" page 3, "College of Education-General;" page 4, "School of Home Economics-General," and "College of L.A. & S.-General." There are no doubt other accounts at Carbondale which contain some element of funds retention for use as needed. It also seems that some of the Deans of Schools at Carbondale have budgeted their available funds directly to departments, withholding a much smaller relative proportion of the funds available for their school for distribution at a later date.

For Edwardsville, Exhibit IX, page 1 shows "Campus Education," "Central Education," and "Office of the Vice President and Provost," which are probable "clearing accounts."

Both Universities have an account with the title "Major Repairs" (located two-thirds down the page in Exhibit VIII, page 9 for Carbondale, and about at the same location in Exhibit IX, page 3 for Edwardsville), serving a purpose that could be described as the opposite of the "clearing accounts" described above. "Major Repairs" has been used in the past--and it seems still quite appropriate--as an account in which to accumulate funds transferred or that "fall out" (lapse unused) from other accounts. The purpose of such accumulation is to build a funds pool made up of a few dollars from many accounts from which is funded the huge number of routine (and not so routine) maintenance, repair, refurbishment, renovation, remodelling, etc. projects of which there is a constant and inexhaustible supply at any large university. The objectives and use of this account represent good physical plant administration; of course the President and his staff must decide on the priorities for uses of this type as against other demands for available funds that are also constantly present. The "Major Repairs" account is called to attention only because it presents an administrative accounting and financial procedure that it is essential to have in some fashion for operating the Universities.

For reference purposes, the two School of Medicine accounts appear in Exhibit VIII, page 1, at about the middle of the page.

The account of the School of Dental Medicine at Edwardsville appears in Exhibit IX, page 1, about two-thirds of the way down the page.

Please note that in numerous instances in each Exhibit a particular account or unit title may have a dollar amount for only one or perhaps two years with hyphens indicating a zero amount for one or more years. This will occur because some of the accounts or units that existed in 1970-71 were eliminated in a following year, while some new units or accounts were established for the first time in 1971-72 or 1972-73.

In general, salary and price increases together averaged approximately ten percent from 1970-71 to 1972-73. Consequently, any function, category, or unit that shows an increase of that dimension, has, roughly, only maintained its relative funding level from 1970-71 to 1972-73. Other increases, or decreases, are subject to the same relative discounting.

OPERATING FUNDS ANALYSIS FOR THE FISCAL YEARS 1971, 1972, AND 1973

Operating appropriations comparisons by line item (object of appropriation) and by function are provided by the attached exhibits:

Dr. James Brown explained that although this report does not indicate it, in July, 1970, over \$21 million was budgeted to central university functions; in 1973, \$14 million of that has been decentralized to SIUC and \$6 million to SIUE, and less than \$1 million has remained in the System (central) function. In health education, the major increase has taken place. In 1972-73, there is a commitment of nearly \$5.3 million in health education, which is \$4.1 million more than in 1970-71, and this kind of increase in the total commitment marks the major involvement of Southern Illinois University in the health education effort of the State of Illinois.

After considerable discussion, it was pointed out that consideration should be given to separately stating health education costs in appropriation bills in order to clarify how the gross increase or decrease in higher education funding State-wide is affected by the increased dollars put into health education.

The Chair then recognized Dr. James Brown, who presented the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Term Appointment

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Report of Death

With regret, we report the death of Miss Rebecca Baker, Professor of Elementary Education. She was born November 4, 1913, and died September 6, 1972. She received the Bachelor of Science in Education and Master of Education degrees from the University of Missouri and the Doctor of Philosophy degree from the University of Iowa. She served at Nebraska State Teachers College, the University of Iowa, Iowa State Teachers College, and the University of Wisconsin prior to accepting appointment at Southern Illinois University in 1957. A specialist in early childhood education and an inspirational teacher in this field, she was active in professional and research endeavors, and served as the University's liaison representative with the American Association of University Women.

(C)

Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, AUGUST, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of August, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. Mr. Allen reported that Mr. Rowe and he, as members of the Executive Committee, had met that same morning with officers of both Universities and Board Staff in order to discuss some of the problems in the area of purchase orders and contracts. He felt it was an understanding meeting and that they had received the utmost in cooperation from the people involved. After considerable discussion, the report of purchase orders and contracts, August, 1972, was received.

The Chair then recognized Dr. James Brown, who presented the following matter:

(E)

APPEAL OF DAVID LEON CLODFELDER, SIUE

Dr. D. Leon Clodfelder filed an appeal to the Board of Trustees on July 24, 1972. By Board Bylaw, the SIUE administration had 30 days after notice of the appeal (mailed July 27, 1972) to file an argument in opposition, and this was received August 24, 1972. Dr. Clodfelder then had 15 days from the date of mailing to him of a copy of that argument to reply thereto. The expiration of that period occurred on September 14, 1972, too late for last month's Board agenda. No reply was received, so the record before the Board consists of the original appeal of 37 pages and the argument in opposition of 16 pages.

The whole record will be filed in the Office of the Board of Trustees and has been supplied to each Trustee. Briefly, the Dean of the Education Division refused to recommend tenure for Dr. Clodfelder because all tenured positions in the Faculty in Psychology were already filled. A Faculty Welfare Council Grievance Committee recommended that tenure be granted on academic merit alone, divorced from budgetary considerations. The Dean and administration rejected that recommendation and Dr. Clodfelder then appealed to the Board. The issue drawn appears to be whether it is proper to refuse tenure on budgetary grounds and avoid any question of who shall hold a limited number of positions, or whether tenure should be granted in such circumstances and a separate judgment made between more tenured professors than there are positions.

Mr. Allen commented that Mr. Clodfelder is being denied tenure solely on the basis that there is not money in the budget to allow him to be appointed to a tenured position and this action in no way reflects on his ability. He stated that he deeply regretted the necessity of denying tenure to people who have earned it, and moved that the Board adopt the position against the Appellant and confirm the action of the administration of Southern Illinois University at Edwardsville. The motion was duly seconded. The Chair requested a roll call vote rather than a voice vote. The motion carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

At the request of the Chair, Item I was next considered. Chairman Fischer recognized President Rendleman, who introduced Dr. Ramon Williamson, Vice-President

for Student Affairs, SIUE, and Mr. Elwood Buchanan, Financial Aid Officer in the Student Work and Financial Assistance Office, and also the Illinois State Scholarship Commission representative at SIUE. Dr. Williamson asked Mr. Dan Wille, Chairman of the Student Affairs Council of the University Senate, SIUE, to assist them in presenting the following matter:

(I) APPROVAL OF PARTICIPATION IN ILLINOIS STATE SCHOLARSHIP COMMISSION MATCHING GRANT STUDENT SCHOLARSHIP PROGRAM, SIUE

Public Act 77-2134 enables the Illinois State Scholarship Commission to make matching grants for scholarship programs to public universities in amounts equal to funds raised for the same purpose by students enrolled in public universities. The 77th General Assembly appropriated \$150,000 to the Illinois State Scholarship Commission for the purpose of making such grants during Fiscal Year 1973.

Southern Illinois University at Edwardsville seeks to participate in this program. In furtherance of that objective, the Student Senate has proposed that the Board of Trustees authorize collection of a voluntary fee of \$1.50 per quarter from students enrolling at SIUE to be used in claiming matching scholarship funds from ISSC. It is proposed that the collection be made from each student, but remain voluntary in nature by permitting any student to request refund within ten days after payment of the fee. The Student Affairs Council of the University Senate concurs in this proposal and has requested President Rendleman to implement the program as outlined.

Approval of the proposal by the Student Senate and collection of the fee from all students subject to refund upon request meet qualifying regulations issued by ISSC. (See ISSC Regulations attached.) The University of Illinois plans to participate in the program through use of a similar refundable-on-request fee, and other universities are expected to follow the pattern. President Rendleman therefore agrees with the proposal and seeks authorization for collection of the fee as proposed.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, in furtherance of the proposal by the Student Senate of Southern Illinois University at Edwardsville to permit that University to participate in the "Student to Student Grant Program" administered by the Illinois State Scholarship Commission, a fee of \$1.50 per quarter shall be collected from each student enrolling at SIU at Edwardsville, effective Winter Quarter, 1973. The said fee shall apply without regard to the number of hours of academic work carried, and such fee shall be refundable to any student who requests refund within ten days after commencement of classes of the quarter for which the fee has been paid. The net aggregate of monies so collected shall be retained by the University in an identifiable, separate account and shall be used solely for the purpose of making scholarship grants to qualified students enrolled in SIU at Edwardsville and for application towards obtaining matching grants from the Illinois State Scholarship Commission pursuant to Public Act 77-2134.

ILLINOIS STATE SCHOLARSHIP COMMISSION
REGULATIONS FOR THE STUDENT TO
STUDENT GRANT PROGRAM - SB 691
1972-73

- 1) An eligible program is an organized, need-based monetary awards (gift assistance) program for undergraduate students at an Illinois public university. The funds for such programs must be derived from voluntary contributions raised by students from students of that university according to a plan developed and approved by the students and consistent with university policies.
- 2) The approval by the students of the plan for raising voluntary contributions may be by referendum, by student government (if elected by popular student vote) or other similar general means authorizing a plan in the name of the student body.
- 3) The contributions, to be eligible for matching, must be voluntary (as contrasted to a non-refundable fee or charge). Only those voluntary contributions made by enrolled students of the university are eligible for matching. If any fund raising activity yields contributions from other individuals or organizations, the voluntary contributions by enrolled students must be clearly identifiable.
- 4) No eligible contribution can exceed \$6.00 per year.
- 5) The year shall be defined as September 1 - August 31.
- 6) Only students who are - or would be - eligible for ISSC Monetary Awards can be considered for STS grants. Upon the request of the ISSC representatives at the university, the ISSC will compute the financial need of those students who failed to apply to the ISSC.
- 7) The ISSC representative of each institution desiring to participate in this program during 1972-73 shall so inform the ISSC, in writing, by October 1, 1972. The method of seeking student approval of a fund raising plan shall be included in such letter.
- 8) A claim for matching funds can be submitted by the ISSC representative by November 1, 1972, and March 1, 1973. The claim shall include:
 - a) the amount of the claim
 - b) how general student approval was obtained
 - c) how funds were collected
 - d) the steps employed to insure that student contributions were voluntary
 - e) documentation that the claim includes only voluntary contributions by enrolled students
- 9) Each eligible claim shall receive that portion of the available appropriated funds which the claim bears to the total eligible claims, not to exceed an amount equal to the eligible claim. Eligible claims received by ISSC after November 1, 1972 shall be placed with those received for March 1, 1973 and prorated accordingly for any remaining matching funds.
- 10) After the ISSC has verified a claim and computed the proration, the ISSC shall process the necessary voucher for a check payable to the university for the awards as described in 1) and 6), above.
- 11) The ISSC representative at the participating university shall submit to the Illinois Board of Higher Education and the ISSC an annual report, by not later than September 15, following the award year, of the activities, operations, and results of its STS grant program.
- 12) The ISSC shall prescribe the formats for the claims and necessary reports.

There followed considerable discussion regarding the eligibility of students to receive grants, the method of distribution, and the collection mechanism. It was clarified that all the proposed funds collected, whether matched by State appropriations or not, would be awarded only to students eligible for assistance under the guidelines of the Illinois State Scholarship Commission and particular interest was evinced on the question as to whether this collection mechanism represented the feelings of most of the students or not.

Mr. Elliott objected to raising fees, and commented that tuitions and fees are too high now. He also felt that the collection mechanism would set a precedent for the future which the Board had objected to in the past. Dr. M. V. Brown and Mr. Rowe also objected to the collection mechanism.

After more discussion, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded. Mr. Allen asked that the motion be amended to approve the resolution for one year only, effective Winter Quarter, 1973, to the Winter Quarter, 1974. Dr. Walker and the seconder agreed to the amendment. The motion carried by five to three as recorded below:

William W. Allen	Aye
Martin V. Brown	Nay
Ivan A. Elliott, Jr.	Nay
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Nay
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(F)

DIRECTORS AND OFFICERS LIABILITY INSURANCE

In a large and complex operation such as this University System many things can occur for which the members of the Board of Trustees may be sued as individuals. The individual Trustees may be sued for an official act or even the omission to act, for an unintentionally misleading statement or error, or an attempt to act in certain ways. Board actions which were accepted as necessary and reasonable in the near past are being found unlawful by the courts, sometimes with individual liability. The Federal Civil Rights Act, Section 1983, permits a finding of individual liability of Trustees, and it has been alleged that civil rights include a right to be hired, a right to be rehired, a right to a pay increase, a right to be given tenure or promotion, and myriad other things heretofore thought to be within the discretion of the Board. Even if such a suit is dismissed as groundless or eventually won, the expense of defending it can be quite substantial. Since Trustees donate their time without pay it does not seem appropriate that they bear this risk as individuals. Illinois law protects many such officials from most kinds of individual liability: School board members, park board members, city councilmen, and county board members are included in the Local Governmental and Government Employees Tort Immunity Act, (c.85, section 1-101 et seq) and directors of the Illinois Insurance Guaranty Fund are covered by separate legislation (c.73, section 1065.100); legal provision for the governmental body to indemnify board members against judgments against them as individuals is made for members of school boards and junior college boards (c.122 sections 10-20.20, 103-29), port districts boards (c.19, sections 185, 257, 290), drainage district commissioners (c.42, section 4-40) who are also granted immunity and indemnity from all costs or expenses, and police, deputy sheriffs and firemen (c.24, sections 1-4-4/1-4-8; c.34, section 301.1), Trustees have no such statutory protection.

It is therefore suggested that a liability policy of the variety sometimes called Directors and Officers be purchased to protect against this liability, and the following resolution is recommended for enactment at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Office of the Board of Trustees be and is hereby authorized to purchase from a responsible insurance company a policy of liability insurance which shall, subject to reasonable deductible amounts and policy limits, protect the members of this Board from legal expense and civil liability for or solely on account of membership on this Board or actions or omissions or attempted actions or omissions in their official capacity as such Board members.

Mr. Allen moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who requested Mr. Gallegly to speak to the following item:

(G) SPRINGFIELD DEPOSITORY

Conduct of the Board of Trustees of Southern Illinois University financial activities necessitates approval of the following resolution. Springfield, Illinois, area receipts will be deposited to the First National Bank of Springfield for transfer to the First National Bank of Carbondale for credit of the Board of Trustees and expenditure in accordance with established policy. No expenditures will be processed from the Springfield depository.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Treasurer of this Board be, and is hereby authorized, instructed, and directed to open and keep a bank account (or accounts) with the First National Bank of Springfield, a national banking association located at Springfield, Illinois, in the name of and for the use of the Board of Trustees of Southern Illinois University, and to deposit in said bank to the credit of this Board from time to time, any and all moneys and checks, drafts, bills of exchange, interest coupons and other deposit items, payable to or belonging to and endorsed by this Board, and

That the Treasurer of this Board shall be authorized to make telephone requests for transfer of funds which he shall confirm in writing. All other withdrawals shall be made by unsigned transfer drafts which shall be made payable to the First National Bank of Carbondale, Carbondale, Illinois, for credit to account #759-899-7 of the Board of Trustees of Southern Illinois University, and

That the foregoing powers and authority will continue until written notice of revocation has been given to said Bank.

After discussion, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge and President Rendleman to present the following matter:

(H) ILLINOIS EDUCATIONAL CONSORTIUM FOR COMPUTER SERVICES
ELECTION OF PRESIDENT OF THE CORPORATION

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University, acting through its Chairman, is a charter member of the Illinois Educational Consortium for Computer Services, an Illinois not-for-profit corporation incorporated on September 6, 1972, and

WHEREAS, The Board of Directors of said corporation met on September 11, 1972, and, inter alia, elected Mr. David E. McIntyre as President of the Corporation at an annual salary of \$26,000, and

WHEREAS, Pursuant to Article V, Section 1(a), of the Bylaws of said corporation, the selection or removal of the President of the Corporation shall not be effective unless and until approved by the affirmative vote of all members of the corporation,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the election by the Board of Directors of the Illinois Educational Consortium for Computer Services, an Illinois not-for-profit corporation, of Mr. David E. McIntyre as President of the Corporation be and the same is hereby approved.

After discussion, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

(J) AFFILIATION AGREEMENTS BETWEEN SIUC AND SAINT JOHNS,
ST. MARY'S, BURNHAM CITY, AND MEMORIAL HOSPITALS

Saint Johns Hospital and Memorial Hospital of Springfield, St. Mary's Hospital of Decatur, and Burnham City Hospital of Champaign have Medical Technology Programs which are registered and approved by the American Society of Clinical Pathologists. The programs of the hospitals have been reviewed by the University and are acceptable for students of the University working toward a Bachelor's Degree in Physiology.

The proposed affiliation agreements with hospitals in Springfield, Champaign, and Decatur represent a formalization of a long-standing cooperative arrangement between these schools and the Department of Physiology at the University. Under this agreement the Department accepts credit toward a baccalaureate degree in Physiology from the Medical Technology Programs in the four hospitals.

The Board has been asked to ratify this cooperative arrangement through formal affiliation agreements in order to satisfy the requirement of the Board of Schools of Medical Technology.

The affiliation agreements provide for the general guidelines and limitations of the Medical Technology Programs along with recommended adjunct professor and instructor appointments while the affiliation agreement is in force. On satisfactory completion of the degree program the student receives a Bachelor's Degree in Physiology. A copy of one such agreement has been furnished to each Board member; the others are identical except for the name of the affiliate. A copy of each agreement will be filed in the Office of the Board of Trustees for record.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the proposed affiliation agreements between the Board of Trustees of Southern Illinois University and Saint Johns Hospital School of Medical Technology of Springfield, Illinois; St. Mary's Hospital of Decatur, Illinois; Burnham City Hospital School of Medical Technology of Champaign, Illinois; and Memorial Hospital School of Medical Technology of Springfield, Illinois, be and hereby are approved.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University at Carbondale and the Assistant Secretary of the Board of Trustees be and are hereby authorized to execute in the name of this Board the affiliation agreements in the form in which submitted to the Board of Trustees and filed in its office.

Dr. M. V. Brown moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who called upon Dr. Willis Malone, Executive Vice-President and Provost, SIUC, to introduce Dr. Elmer J. Clark, Dean of the College of Education, SIUC, to present the following matter:

(K)

CHANGES IN THE COLLEGE OF EDUCATION, SIUCResolution

WHEREAS, The Dean of the College of Education has proceeded toward implementation of the kind of organization that will contribute most effectively to the mission of the College, within the limits of available resources, and

WHEREAS, With this end in view, for several months the staff members and faculty of the College have been reviewing the administrative organization within the College, and

WHEREAS, The review has been completed and the Dean of the College of Education, the Executive Vice-President and Provost, and the President are in agreement that the plans of the College of Education as presented for reorganizing, redesignating or terminating established units, and establishing a new unit, will accomplish the desired result,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The following proposals for the College of Education, Southern Illinois University at Carbondale, be and the same hereby are approved:
 - (a) The functions and courses given by the Department of Conservation and Outdoor Education are to be transferred after appropriate review to the Department of Recreation as soon as feasible but no later than the end of the 1972-73 academic year. Further, the personnel of the unit are to be reassigned as soon as feasible to the Department of Recreation or to other departments or agencies of the University as may be determined. The Department of Conservation and Outdoor Education as a Department in the College of Education is to be terminated, effective at the end of the 1972-73 academic year.
 - (b) The unit, Department of Student Teaching, is to be redesignated as the unit, Professional Education Experiences, effective November 1, 1972.
 - (c) A unit, Educational Innovations and Services, is to be established to carry on such functions as have been previously conducted by the School Services Bureau and the Educational Research Bureau with such personnel as may be reassigned.

- (d) The units, Educational Research Bureau, and School Services Bureau, are to be terminated, effective November 1, 1972. The functions of each agency are to be reassigned to the unit, Educational Innovations and Services, and the personnel of the units are to be reassigned to the new unit, to other departments or agencies of the College of Education, or to other colleges and schools as may be appropriate.
 - (e) The unit, Reading Center, is to be terminated, effective November 1, 1972. The functions and personnel of this unit are to be reassigned to other departments and agencies of the College of Education.
- (2) Implementation of the foregoing be promptly pursued.
 - (3) Reporting of the foregoing to the Illinois Board of Higher Education be promptly made as found to be appropriate.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

At this point in the meeting, Mr. Allen and Dr. Fouts asked to be excused. The time was 11:20 a.m.

The Chair then recognized President Derge, who requested Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(L)

SELECTION OF ASSOCIATE ENGINEERS FOR
McANDREW STADIUM MODIFICATIONS DESIGN, SIUC

Resolution

WHEREAS, Architectural-Engineering proposals for renovation and modifications design for McAndrew Stadium on the Carbondale Campus have been received and evaluated, and

WHEREAS, The proposal of The Engineers Collaborative, Ltd., of Chicago, Illinois, as modified by subsequent negotiation, is most advantageous to the Board and within the limits of available financing,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Engineers Collaborative, Ltd., of Chicago, Illinois, be approved as Associate Engineers for the renovation and modifications design for McAndrew Stadium on the central campus of Southern Illinois University at Carbondale.
- (2) Notwithstanding any other contractual provisions, the contract be executed with the above-named firm for services as above-described, contain a provision limiting expenditures for such services to an amount not to exceed \$97,500, subject to the availability of funds.
- (3) Upon completion of formal contract documents and approval of the proposed contract as to legal form, the President of Southern Illinois University at Carbondale be authorized to sign said contract on behalf of the Board of Trustees of Southern Illinois University without further reference of the matter to the Board.

After discussion, Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who again asked Vice-President Mager to present the following item:

(M) RECOMMENDATION TO CAPITAL DEVELOPMENT BOARD FOR AWARD OF BID
REFRIGERATION PLANT, SOUTH - PHASE I (IBA 77-006), SIUC

Resolution

WHEREAS, Pursuant to Board request, high priority for the above-described project has been granted, and

WHEREAS, Funds for the project are available from the Capital Development Board, successor to Illinois Building Authority, and

WHEREAS, Bids have been received and evaluated, and acceptance of the low bid on the Base Bid, Alternate No. 1, and Equipment Selection Alternate will be advantageous to the Board,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the bid of Blaise, Inc., on the Base Bid (\$987,000), Alternate No. 1 (\$79,395), and Equipment Selection Alternate (\$17,600), in the total amount of \$1,083,995, be and the same hereby is recommended to the Illinois Capital Development Board for award of contract.

Mr. Rowe moved approval of the resolution as presented. The motion was duly seconded. After considerable discussion, which included the Capital Development Board that was created by the Capital Development Act, the Chair called for the question. The motion carried by the following recorded vote:

Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

PROPOSAL FOR:

The Chair then asked if there was anything else to be considered at this time. The Chair recognized President Derge, who announced that the Radio Station WIDB had scheduled an open house at 2:00 p.m., for the members of the Board to tour its facilities and to examine its programming practices.

President Derge explained that SIUC, in continuing to attempt to meet some of the health care problems of the students within the current tuition and mandatory fee structure, was negotiating with the Student Negotiating Committee which had made a presentation to the Board some time ago. The outcome of these negotiations may very well affect the nature of the Student Activity Fee structure at SIUC. An informational item was presented to the Board as a Current and Pending Matter, proposing increased medical care fees, optional activity fees, and other fee adjustments, with the comment that this proposal is still under discussion, and that no action would be requested on this particular proposal at this time. A complete copy of the informational item will be placed on file in the Office of the Board of Trustees.

President Derge introduced Dr. George R. Mace, Dean of Students, SIUC, to present a proposal concerning interim Student Activities operations. Dr. Mace requested an increase in the authority to continue emergency allocations in the amount of an additional \$10,000 to fund Student Activities until the next Board meeting, at which time a final student fee structure and allocation proposal is expected to be ready for Board action.

Mr. Elliott moved approval of the request. The motion was duly seconded and carried by the following recorded vote:

Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Mr. Jon Taylor, President of the Student Body, SIUC, who commented that he would like to state that the student body and the administration have had difficult times within their communication, and therefore he would like to recommend that the Chief of Board Staff aid in mediating the communications. Mr. Elliott suggested that Mr. Taylor work with Dr. Mace and President Derge, and when the Student Activities proposal comes to the Board, that he utilize the established policy and procedure whereby Mr. Taylor could give additional information to the Board, but that the Chief of Board Staff did not have the resources to become involved in administrative details.

The Chair then recognized Mr. Elliott, who moved that the Board adjourn to executive session and from executive session to lunch. No action will be taken. The motion was duly seconded and adopted.

The meeting adjourned at 11:45 a.m.

Alice Griffin, Assistant Secretary

Roll Call 508

Consideration of Issues Related to FY 1974 Operating Budget Requests . . 508

Proceedings and minutes of a special meeting of the Board of Trustees of Southern Illinois University, convened at 2:20 p.m., Thursday, November 16, 1972, in the Madison Room of the University Center, Edwardsville Campus. This meeting was scheduled by the Board at its regular October meeting for the purpose of discussion of faculty work loads and proper notice was given in advance. By consensus and at the direction of the Chairman, the subject-matter was changed to the Fiscal Year 1974 Operating Budget Request. The following members of the Board were present:

Mr. William W. Allen (arrived late)
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman (arrived late)
 Mr. Harold R. Fischer, Chairman
 Dr. Donald E. Fouts
 Mr. Harris Rowe,

and the following members were absent:

Mr. W. Victor Rouse
 Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. The Chair then recognized Mr. Rowe, who moved that the Board resolve itself into a committee of the whole to discuss items related to FY 74 Operating Budget Request, and, at the end of the discussion, that the Board reconvene and adjourn to this evening's announced executive session.

The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized Dr. James Brown, who introduced the subject-matter to be discussed and distributed material.

After considerable discussion, the meeting adjourned at 4:45 p.m.

Alice Griffin, Assistant Secretary

Additional Housing at SIUE 654

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:35 a.m., Friday, November 17, 1972, in the Madison Room of the University Center, Edwardsville Campus. The regular Chairman and Secretary being present, the meeting was called to order. Chairman Fischer announced that Dr. Donald Fouts would not be with us today as his father passed away this morning. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Mr. W. Victor Rouse
 Mr. Harris Rowe
 Dr. Earl E. Walker,

and the following member was absent:

Dr. Donald E. Fouts.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Grunty, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a special meeting held October 19, 1972, and of a regular meeting held October 20, 1972, copies of which had previously been forwarded to members of the Board. On motion of Mr. Rowe, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized Dr. James Brown, who presented a Board matter - Enactment of Statutes Governing the Internal Operating Organization of Southern Illinois University at Edwardsville. (This matter, proposing new Board Statutes for SIUE and amending the title of existing Statutes to make them applicable to SIUC alone, is omitted in the interest of economy and placed on file in the Office of the Board of Trustees.)

President Rendleman made some opening remarks concerning the presentation of these Statutes at this time. Considerable discussion then ensued between the Board members and Dr. David C. Huntley, Chairman, Subcommittee of the University Senate Faculty Welfare Council Committee, and Mr. John Paul Davis, Legal Assistant to the President, SIUE.

President Rendleman wanted the record to show that the Board does understand the legitimacy of the University Senate at Southern Illinois University at Edwardsville. It was indicated that the structure of such bodies should not be established by Statute, but rather by each University.

President Derge asked for guidance and instructions from the Board concerning the preparation of the Statutes for the Carbondale Campus. It was indicated that these should be broad, general and flexible in nature, brief, and of uniform application to all units under the Board so far as feasible; administrative detail should be left to the Universities.

Mr. Elliott moved that the proposed revisions to the Statutes be referred to the President of Southern Illinois University at Carbondale and the Chief of Board Staff for their comments and suggested revisions in their respective areas and to the Statutes at large; then the Board should create a system-wide committee to look at the total revisions and work with the representatives of all three areas.

The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized Dr. James Brown, who presented the following matters:

(A-(1)) POLICIES AND PROCEDURES GOVERNING THE SYSTEM INTERNAL AUDIT FUNCTION

The following statement of objectives, policies, and procedures for the System Internal Audit Function is recommended for adoption by the Board of Trustees. This statement has been developed in accordance with the "Statement of Responsibilities of the Internal Auditor" issued by The Institute of Internal Auditors.

In the decentralization process it was determined that the audit function should be a system function. During those deliberations understanding was reached on the need to develop audit policies and procedures for adoption by the Board of Trustees. This resolution responds to that need.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following Policies and Procedures Governing the System Internal Audit Function be and are hereby adopted by this Board for governance of all units under its jurisdiction:

POLICIES AND PROCEDURES GOVERNING THE SYSTEM INTERNAL AUDIT FUNCTION

Internal auditing is an independent appraisal activity for the review of operations. It is a control which functions by measuring and evaluating the effectiveness of other controls.

Objective and Scope

The objective of internal auditing is to provide analyses, appraisals, recommendations and pertinent comments concerning the activities reviewed. This involves going beyond the accounting and financial records to obtain a full understanding of the operations under review. The attainment of this overall objective involves such activities as the following when circumstances and capabilities permit:

- Reviewing and appraising the soundness, adequacy, and application of accounting, financial and other operating controls, and promoting effective control at reasonable cost.
- Ascertaining the extent of compliance with established policies, plans, and procedures.
- Ascertaining the extent to which University assets are accounted for and safeguarded from losses of all kinds.
- Ascertaining the reliability of data developed within the organization.
- Appraising the quality of performance in carrying out assigned responsibilities.
- Recommending improvements in operations, policies, and procedures.

Responsibility and Authority

The internal auditor shall have full access to all records, properties, and personnel relevant to the subject under review.

The internal auditor's responsibilities are:

- To inform and advise organizational personnel, and to discharge this responsibility in a manner that is consistent with the Code of Ethics of The Institute of Internal Auditors.
- To coordinate his activities with others so as to best achieve his audit objectives and the objectives of the organization.

In performing his functions an internal auditor has no direct responsibility for nor authority over any of the activities which he reviews. Therefore, the internal audit review and appraisal does not in any way relieve other persons in the organization of the responsibilities assigned to them.

Independence

Independence is essential to the effectiveness of the internal audit function.

- The status of the internal auditing function and support accorded to it are major determinants of its range and value.
- The head of the internal auditing function is responsible to the Board of Trustees through the Chief of Board Staff. This line of responsibility will provide the greatest possible degree of independence for the function.
- Objectivity is essential to the audit function. The internal auditor will not develop or install procedures, prepare records, or engage in any other activity which he would normally review and appraise and which could reasonably be construed to compromise his independence.

AUDIT PROCEDURES

Program

The System Internal Auditor will develop independently for each campus a proposed annual program of internal audits to be completed for the following year. The program will include reserved time for special audits requested by the Presidents and the Chief of Board Staff. In general, the plan will be developed according to the following criteria:

- A. The total functions that should be audited.
- B. The time limitations of available staff.
- C. The length of time since the function was last audited.
- D. Importance and vulnerability of the function.

The proposed plan will be submitted to the Chief of Board Staff for review and final approval. If the audit requests of the Presidents cannot be achieved in the plan, the Chief of Board Staff will consult with the Presidents to resolve these differences. After approval, a report will be submitted on a quarterly basis to the Chief of Board Staff and the Presidents indicating the progress that has been accomplished.

Audit Report Distribution

At the earliest possible date the final audit reports generated from the annual program will be distributed to the Chief of Board Staff, the President of the campus being audited, the departmental director of the audited department and his superiors, and the departments affected by any recommendations. The external auditors will be furnished a copy of the audit report. The distribution will be made by the System Internal Auditor.

Audit Recommendations

The System Internal Auditor will request a response to the recommendations from the director of the department being audited or his superiors depending on the importance of the recommendations. The Auditor will also set a time schedule for a response to the recommendations. This schedule will vary depending on the character of the recommendation and should allow reasonable time for consideration of the recommendations. If there is disagreement on a recommendation, the campus organizational structure will be followed on appeals where the recommendation in question is exclusively a campus responsibility. If the recommendation involves compliance with Board of Trustees' policies and directives, it will first be referred to the President. If differences on a recommendation cannot be resolved, the Auditor will refer the matter to the Chief of Board Staff for his action.

Closing Audit File

The System Internal Auditor will send a copy of the audit recommendations and the responses received on each recommendation together with an opinion as to the adequacy of the response to the Chief of Board Staff and the Campus President.

Quarterly Audit Reports

The Chief of Board Staff will in consultation with the Presidents submit a quarterly report to the Board of Trustees on recent audit activities and actions taken on audit recommendations.

Auditing the Office of the Board of Trustees

The external auditors will be requested to include the Office of the Board of Trustees in their audit program.

(A-(2)) POLICIES AND PROCEDURES GOVERNING THE INTERNAL AUDIT FUNCTION

The following statement of objectives, policies, and procedures for the Internal Audit Function is recommended for adoption by the Board of Trustees. This statement has been developed in accordance with the "Statement of Responsibilities of the Internal Auditor" issued by The Institute of Internal Auditors.

In the decentralization process, it was determined that the audit function should be a system function. During those deliberations understanding was reached on the need to develop audit policies and procedures for adoption by the Board of Trustees. This resolution responds to that need.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following Policies and Procedures Governing the System Internal Audit Function be and are hereby adopted by this Board for governance of all units under its jurisdiction:

POLICIES AND PROCEDURES GOVERNING THE INTERNAL AUDIT FUNCTION

Internal auditing is an independent appraisal activity within an organization for the review of operations as a service to management. It is a managerial control which functions by measuring and evaluating the effectiveness of other controls.

Objective and Scope

The objective of internal auditing is to assist all members of management in the effective discharge of their responsibilities, by furnishing them with analyses, appraisals, recommendations and pertinent comments concerning the activities reviewed. The internal auditor is concerned with any phase of University activity where he can be of service to management. This involves going beyond the accounting and financial records to obtain a full understanding of the operations under review. The attainment of this overall objective involves such activities as the following when circumstances and capabilities permit:

- Reviewing and appraising the soundness, adequacy, and application of accounting, financial and other operating controls, and promoting effective control at reasonable cost.
- Ascertaining the extent of compliance with established policies, plans, and procedures.

- Ascertaining the extent to which University assets are accounted for and safeguarded from losses of all kinds.
- Ascertaining the reliability of data developed within the organization.
- Appraising the quality of performance in carrying out assigned responsibilities.
- Recommending improvements in operations, policies, and procedures.

Responsibility and Authority

The internal auditor shall have full access to all of the organization's records, properties, and personnel relevant to the subject under review. The internal auditor is free to review and appraise policies, plans, procedures, and records.

The internal auditor's responsibilities are:

- To inform and advise organizational personnel, and to discharge this responsibility in a manner that is consistent with the Code of Ethics of The Institute of Internal Auditors.
- To coordinate his activities with others so as to best achieve his audit objectives and the objectives of the organization.

In performing his functions an internal auditor has no direct responsibility for nor authority over any of the activities which he reviews. Therefore, the internal audit review and appraisal does not in any way relieve other persons in the organization of the responsibilities assigned to them.

Independence

Independence is essential to the effectiveness of the internal audit function.

- 1 - The organizational status of the internal auditing function and support accorded to it by management are major determinants of its range and value. This provides the greatest possible degree of independence.
- 2 - Objectivity is essential to the audit function. The internal auditor will not develop or install procedures, prepare records, or engage in any other activity which he would normally review and appraise and which could reasonably be construed to compromise his independence. His objectivity need not be adversely affected, however, by his determination and recommendation of the standards of control to be applied in the development of systems and procedures under his review.
- 3 - The head of the internal auditing function at each University is administratively responsible to the President. But he ultimately is responsible to the Board of Trustees for the objectivity and integrity of his reports.

In order to assure independence and objectivity in the audit function, the head of the internal audit function shall be immune from any change in his personnel status effected solely by the President who appointed him. Any change of personnel status of such head of the internal audit function may be accomplished only by action of the Board of Trustees.

AUDIT PROCEDURES

Program

The President of each University shall appoint an Internal Auditor for his University with the express approval of the Board of Trustees. The Auditor so appointed will develop independently a proposed annual program of internal audits to be completed for the following year. The program will include reserved time for special audits requested by the appointing President. In general, the plan will be developed according to the following criteria:

- A. The total functions that should be audited.
- B. The time limitations of available staff.
- C. The length of time since the function was last audited.
- D. Importance and vulnerability of the function.

The proposed plan will be submitted to the appointing President for review and final approval. A copy of the plan so approved will be provided the Chief of Board Staff in timely fashion. A report will be submitted by the Internal Auditor on a quarterly basis to the President, indicating the progress that has been accomplished, and a copy of such report shall simultaneously be provided the Chief of Board Staff.

Audit Report Distribution

At the earliest possible date the final audit reports generated from the annual program will be distributed simultaneously to the appointing President, the departmental director of the audited department and his superiors, any departments affected by any recommendations, and the Chief of Board Staff. The external auditors will be furnished a copy of each audit report. The distribution will be made by the Internal Auditor.

Audit Recommendations

At each University the Internal Auditor will request a response to the recommendations from the director of the department being audited or his superiors, depending on the importance of the recommendations. The Auditor will also set a time schedule for a response to the recommendations. This schedule will vary depending on the character

of the recommendation and should allow reasonable time for consideration of the recommendations. If there is disagreement on a recommendation, the University organizational structure will be followed on appeals. Reports from the Internal Auditor which are extraordinary in content or ramification shall be provided by the Auditor directly to the Board of Trustees as well as to the respective President and others as set forth above.

Closing Audit File

Each University Internal Auditor will send a copy of the audit recommendations and the responses received on each recommendation, together with his evaluation of the response, to the President to whom he reports, with simultaneous copies to the Chief of Board Staff.

Auditing the Office of the Board of Trustees

The external auditors will be requested to include the Office of the Board of Trustees in their audit program.

The ensuing action also encompassed the following matter:

(B) RESPONSIBILITIES FOR FINANCIAL MATTERS
 OF THE PRESIDENT FOR EACH UNIVERSITY

WHEREAS, the Board of Trustees of Southern Illinois University at Carbondale on August 20, 1972, by Resolution, outlined the functions of the Presidents and the Board Staff; and

WHEREAS, the President of each University is the appointed chief executive officer of the Board for his University and, as such, has the responsibility of carrying out Board policies and reports directly to the Board; and

WHEREAS, the authority to perform and delegate those functions necessary to assure operation of his University within the concept of Board policy is the responsibility of the individual President; and

WHEREAS, the decentralization of the Southern Illinois University System has been an ongoing objective of the Trustees for the past several years, and

WHEREAS, as a result of this decentralization, further clarification of authority and responsibility between the Board, the Presidents, and Board Staff is, from time to time, necessary; and

WHEREAS, it is necessary and desirable that the Board of Trustees declare with specificity the general responsibilities and authority relating to the care, custody, and expenditure of public funds; and

WHEREAS, the need for such additional clarification has become apparent, especially in the area relating to treasurer functions; .

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That in order to continue the development and to enhance the functioning of Southern Illinois University, each President is hereby delegated the responsibility for financial matters on his respective campus.

FURTHER, BE IT RESOLVED that these responsibilities shall include, but are not limited to, the following:

1. Sign all payroll checks pertaining to his University;
2. Establish those bank accounts necessary to carry on the duties and responsibilities assigned to him;
3. Be authorized to enter into contractual and bonding obligations in the name of the Trustees for his University in its relations with state agencies and other groups;
4. Be authorized to handle the investment of funds for his University in accordance with approved Board statutes and practices. He shall report to the Board, the status of such investments once per month;
5. Work in close liaison with the Board Treasurer in order to insure the provision of material for reports required of that office;
6. Accept in the name of the Trustees, research contracts and grants from federal, state, and other agencies;
7. Have under his purview those accounts which the Administrative Council recommended be decentralized;
8. Be responsible for signing all requisitions and payment of requisitions for amounts less than \$5,000 in the name of his respective University.
9. Be responsible for all disbursements required by his respective University in the course of its operations;
10. Obtain executive committee approval on expenditures over \$5,000, and upon receipt of such approval, carry out such activities as are necessary to complete the action so approved; and
11. Any and all other financial duties as required in the performance of his responsibilities as delegated by the Board of Trustees.

FURTHER, BE IT RESOLVED, that the Presidents and/or their delegate shall enter into a Fidelity Bond in the amount of \$100,000 conditioned on his or their faithful performance of their duties with surety to be approved by the Board.

Mr. Elliott brought up the point that the job descriptions for the three top administrators had not been completed as yet.

Following discussion that the job descriptions, Policies and Procedures Governing the System Internal Audit Function, and Responsibilities for Financial Matters of the President for each University are all intertwined and should be resolved together, Mr. Rowe moved that the Chairman be authorized to appoint a committee to analyze the job descriptions and pull them together and in the meantime Matters A-(1), A-(2), and B be deferred. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed. Chairman Fischer appointed Mr. Elliott, Mr. Allen, and Dr. Walker to the committee with Mr. Elliott as chairman.

The Chair then recognized Dr. James Brown, who presented the following matter, commenting that some alternative procedure for handling the massive reports of graduate and temporary appointments was being sought at the suggestion of both Universities:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Continuing Appointments

1. Mr. Morris Phillip Byrd as Producer in Broadcasting Service effective October 1, 1972, on a fiscal year basis. He received the Master of Arts degree from the University of Denver. He was born October 30, 1946, in Texarkana, Arkansas. \$925.00
(C)
2. Mr. William A. Fetter as Lecturer and Chairman of Design effective September 15, 1972, on a fiscal year basis. He received the Bachelor of Fine Arts degree from the University of Illinois. He was born March 14, 1928, in Independence, Missouri. \$2,070.00
(C)
3. Mr. R. Bruce Johnson as Assistant Professor of Agricultural Industries effective December 1, 1972, on a fiscal year basis. He received the Doctor of Philosophy degree from the University of Missouri. He was born December 10, 1940, in Paris, Missouri. \$1,350.00
(C)
4. Miss Anita McGruder as Assistant to the Coordinator of University Services to Carbondale effective July 1, 1972, on a fiscal year basis. She received the Bachelor of Arts degree from Southern Illinois University. She was born August 11, 1948, in Miami, Florida. \$725.00
(C)
5. Mrs. Shearon C. Pearson as eighty percent time Researcher in Information Processing effective October 1, 1972, on a fiscal year basis. She received the Master of Science degree from the University of Arkansas. She was born June 19, 1942, in Little Rock, Arkansas. \$800.00
(C)
6. Mr. Richard Wright Rasche as Counselor in the Counseling and Testing Center and Assistant Professor of Psychology effective September 1, 1972, on a fiscal year basis. He received the Doctor of Philosophy degree from Southern Illinois University. He was born March 20, 1943, in Elgin, Illinois. \$1,100.00
(C)
7. Dr. Herta M. Schrom as one-half time Associate Professor in the School of Medicine effective September 5, 1972, on a fiscal year basis. She received the Doctor of Medicine degree from the University of Innsbruck, Austria. She was born July 4, 1921, in Altmunster, Austria. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$1,125.00
(C)

8. Mr. Robert Perry Taylor as Staff Assistant in the University Press effective September 18, 1972, on a fiscal year basis. He received the Bachelor of Science degree from Southern Illinois University. He was born December 3, 1950, in Memphis, Tennessee. \$800.00
(C)

B. Conditional Appointment

Mr. John Beasley as Assistant Professor of Secondary Education for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Arts degree from Ball State University. He is a candidate for the Doctor of Philosophy degree from Ball State University. Since the doctor's degree requirements have not been completed by date of appointment, he is to serve as Instructor on term appointment. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on term appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of doctor's degree requirements. Instructor, \$1,250.00; Asst. Prof., \$1,350.00
(C)

C. Term Appointments

1. Mrs. Frances Abrams as Academic Adviser in the College of Education and Instructor in Educational Innovations and Services for the Fall, Winter, and Spring Quarters, 1972-73. She received the Master of Arts degree from Southern Illinois University. \$826.66
(C)

16. Mr. Joseph N. Goodman to serve as Assistant to the Vice President of Development and Services, rather than Center Director of the Information and Scheduling Center, effective November 1, 1972, on a fiscal year basis. (C)

17. Mr. Don F. Hake, Associate Professor in the Rehabilitation Institute, to serve on a twenty-five percent time basis, rather than fourteen percent time basis, at an increased monthly salary, for the period September 1, 1972, to September 1, 1973. His salary is to be paid from restricted funds. \$500.00 (25%) rather than \$267.20 (14%) (C)

18. Mr. Roy C. Heidinger, Assistant Professor of Zoology and Assistant Director of Cooperative Fisheries Management Research, to serve also as Project Director of the Environmental Protection Agency, for the period November 1, 1972, to July 1, 1973. Part of his salary is to be paid from restricted funds. (C)

19. Mrs. Margaret Keyser Hill to serve as Professor of Elementary Education, rather than Professor of Elementary Education and Professor and Head of the Reading Center, effective September 1, 1972, on a fiscal year basis. (C)

20. Miss Julee Ann Illner, Instructor in Physical Education for Women, to serve also as Instructor in Non-Credit Physical Education Activities for the Fall, Winter, and Spring Quarters, 1972-73. (C)

21. Mr. Dale E. Kaiser to serve as Associate Professor of Educational Administration and Foundations, rather than Associate Professor of Educational Administration and Foundations and Bureau Director of the School Services Bureau, effective September 1, 1972. (C)

22. Mr. Rexel D. Karnes to serve as Coordinator (of Public Services) in the Office of the Vice President for Development and Services, rather than Staff Assistant in the Office of the President, effective November 1, 1972, on a fiscal year basis. (C)

23. Mr. James R. Keene as Researcher in Physiology, rather than in Information Processing, at an increased monthly salary, on term appointment, rather than continuing appointment, for the period September 16, 1972, to September 1, 1973. His salary is to be paid from restricted funds. \$850.00 rather than \$835.00 (C)

24. Mr. Roland Keene, Associate Professor of Higher Education, to serve also as Assistant to the Director of Student Work and Financial Assistance for the period September 19, 1972, to September 16, 1973. Part of his salary is to be paid from restricted funds. (C)

25. Mr. Thomas E. McGinnis to serve as Coordinator (School-College Relations) in Admissions and Records, rather than Coordinator (Community College Articulation), at an increased monthly salary, effective October 1, 1972, on a fiscal year basis. 1,100.00 rather than \$960.00 (C)
26. Mr. Andrew H. Marcec, Coordinator in the Division of Continuing Education, to serve also as Project Director of the Southern Illinois Health Manpower Consortium for the period September 1, 1972, to September 1, 1973. His salary in the latter assignment is to be paid from restricted funds. (C)
27. Mr. Leonard E. Maroun to serve as Assistant Professor in the School of Medicine, rather than Instructor, at an increased monthly salary for the period October 1, 1972, to July 1, 1973. \$1,100.00 rather than \$1,000.00 (C)
28. Mr. William G. Miller, Associate Professor of Guidance and Educational Psychology, to serve also as Coordinator of the Counseling and Testing Center for the period September 16 to November 1, 1972, on a fiscal year basis, rather than academic year basis, and as Associate Professor of Guidance and Educational Psychology and Director of the Counseling and Testing Center, at an increased monthly salary, effective November 1, 1972, on a fiscal year basis. \$1,700.00 rather than \$1,650.00 (C)
29. Mr. William E. Simeone, Professor of English, to serve also as Chairman of English effective September 1, 1972, rather than September 16, 1972, as reported previously. (C)
30. Mr. Michael Sung, Assistant Professor of Chemistry and Biochemistry, to serve also as Assistant Professor in Medical Education Program Development effective October 1, 1972, on an academic year basis. (C)
31. Miss Audrey Tomera to serve as Assistant Professor of Elementary Education, on a term basis, rather than as Instructor, at an increased monthly salary for the period October 1, 1972, until the end of the Spring Quarter, 1973. She has completed the requirements for the Doctor of Philosophy degree from Southern Illinois University. \$1,300.00 rather than \$1,015.00 (C)
32. Mr. William S. Turley, Assistant Professor of Government, serving at the University of Saigon, Viet Nam, under the terms of an agreement with the United States Department of State for the Fall, Winter, and Spring Quarters, 1972-73, is to be granted faculty privileges in this appointment except that time spent in assignment to this position abroad will not count toward permanent tenure. (C)
33. Mr. Robert D. VanGorder, Instructor in Foreign Languages, to serve on a three-fourths time basis, rather than one-half time basis, with change of salary accordingly, for the Fall Quarter, 1972. (C)

34. Mr. Jacob Verduin, Professor of Botany, to serve also with Interdisciplinary Training in Aquatic Ecology for the period September 1, 1972, to July 1, 1973. Part of his salary is to be paid from restricted funds. (C)

35. Mr. Richard F. Welton, Assistant Professor of Agricultural Industries, to serve also as Educational Specialist with the International Services Division under the terms of a Food and Agriculture Organization contract at the Federal University of Santa Maria, Brazil, until August 20, 1973, rather than September 21, 1973, as reported previously. (C)

F. Change in Sabbatical Leave

Mr. William Manion Rice, Associate Professor of the School of Journalism, requests change in sabbatical leave from the Winter and Spring Quarters, 1973, at full pay, to Spring Quarter, 1973, at full pay. (C)

G. Leaves of Absence without Pay

1. Dr. Brian D. McDonagh, Physician in the Health Service, for the period October 1 to October 7, 1972. (C)

2. Mr. Harold F. Robards, Assistant in the Vocational-Technical Institute Manpower Training Program, for the period September 26 to November 1, 1972. (C)

H. Corrections

1. Miss Mary Lou Rajchel, one-half time Resident Assistant in Group Housing, to serve at a different salary than reported previously.	\$200.00 rather than \$400.00 (C)
2. Mr. Salvatore Vuocolo, one-fourth time Staff Assistant in Student Services Office, to serve at a different salary than reported previously.	\$125.00 rather than \$250.00 (C)

I. Resignations

1. Mr. Robert J. Brooks, Lecturer in the Center for the Study of Crime, Delinquency, and Corrections, effective August 31, 1972, to accept appointment elsewhere. (C)

2. Sister Norma Joyce Fultz, Assistant Professor in Morris Library, effective December 7, 1972, to accept appointment at Ball State University. (C)

3. Mr. Richard A. Haak, Assistant in Physics and Astronomy, effective the beginning of the Fall Quarter, 1972, to accept appointment elsewhere. (C)

4. Mr. Jerrie J. Johnson, Assistant to the Director of Admissions and Records, effective October 1, 1972, to accept appointment as Director of Admissions and Assistant Professor at Virginia Commonwealth University. (C)
5. Mr. Juergen Stein, Researcher in Library-Special Collections, effective October 15, 1972, to continue doctoral study. (C)
6. Mr. James O. VanSpeybroeck, Instructor in Mathematics, effective September 15, 1972. (C)

REPORT OF TEMPORARY APPOINTMENTS, 1971-1972

4. Mr. Dennis E. Moellman, Instructor of Earth Sciences in the Social Sciences Division, effective September 16, 1972, for personal reasons.

H. Other Personnel Matters - For Information Only

The following person achieved emeritus status on the date indicated:

Fritz Marti	September 16, 1972
Professor Emeritus in the Humanities Division	

The following supplement, copies of which were distributed to the members of the Board prior to this meeting, was recommended for approval:

CHANGE IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following addition to and change in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Change of Assignment, Salary and Terms of Appointment

Mr. Richard E. Guffy, Assistant Professor of Earth Sciences in the Social Sciences Division on an academic year basis, to serve also as Director of the Data Processing and Computer Center on a fiscal year basis, rather than Research Associate on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, effective November 1, 1972.	\$1,675.00 rather than \$1,475.00
--	---

After suggestions on the annual reporting of Temporary Appointments and a request to have a review of the Statutes on appointments, Mr. Elliott moved approval of Changes in Faculty-Administrative Payroll. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, SEPTEMBER, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of September, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. After considerable discussion, the report was received.

The Chair then recognized Dr. James Brown, who presented the following matter:

(E)

CONSIDERATION OF FY 1974 OPERATING BUDGET REQUESTSResolution

WHEREAS, The Chief of Board Staff on October 13, 1972, transmitted to the Executive Director of the Illinois Board of Higher Education a Summary and Supporting Documents representing Fiscal Year 1973-74 Operating Budget Requests for Southern Illinois University at Carbondale, Southern Illinois University at Edwardsville, and Southern Illinois University System Offices, and

WHEREAS, The Southern Illinois University Board of Trustees' members had been afforded neither the opportunity to individually review the 1973-74 Operating Budget Requests as transmitted, nor to consult with or receive the observations of the Chief of Board Staff relative to those Requests, and

WHEREAS, The Chief of Board Staff and the Board Staff were endeavoring to isolate and accumulate for each of the Universities at Carbondale and Edwardsville the total amounts in their respective 1973-74 Operating Budget Requests that were attributable to the Health-Related Programs, and

WHEREAS, The Board of Trustees of Southern Illinois University, in a Resolution in regular meeting assembled July 21, 1972, retained authority and prerogative to make changes in the preliminary 1973-74 Operating Budget data that were to be submitted July 31, 1972, and further, to modify the final Operating Budget for Fiscal Year 1973-74 submission due October 6, 1972, and

WHEREAS, The Board of Trustees of Southern Illinois University in special meeting assembled November 16, 1972, did review and discuss priorities and substance of total operating budget requests for (1) Health-Related Programs; (2) Non-Health-Related Programs; (3) Salaries Increases; (4) Enrollments Funding; and (5) Other Request Items,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Operating Budget Requests, Fiscal Year 1973-74, be approved as modified or amended from prior submissions for Fiscal Year 1973-74, and that the approved requests be forwarded to the Board of Higher Education.

BE IT FURTHER RESOLVED, That authority to make technical and mechanical adjustments to the budget requests for accuracy and completeness is granted to the Chief of Board Staff.

Mr. Rowe moved that the resolution be adopted because of our discussion yesterday wherein the two Presidents (1) stated they were fully satisfied that they could justify these requests to the Board of Higher Education, the Bureau of the Budget, and the Legislature, and (2) should budget stringencies be such that we have to cut back that the two Presidents are also fully prepared to address themselves to that with dispatch. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Present

The Chair then recognized Dr. James Brown, who presented Item F - Information Report on Preliminary Enrollment Statistics. This report had been sent to the members of the Board in advance of this meeting, and a copy placed on file in the Office of the Board of Trustees. Another report will be provided next month on analysis of observations of enrollment trends, both Statewide and within the Southern Illinois University system.

After considerable discussion, Chairman Fischer thanked those who had prepared the report.

The Chair then recognized President Derge, who called upon Dr. Willis E. Malone, Executive Vice-President and Provost, SIUC, to present the following matter:

(G)

AUTHORIZATION TO REVISE MINIMUM HOURS REQUIRED
FOR A BACCALAUREATE DEGREE, SIUC

Resolution

WHEREAS, Every bachelor's degree candidate must meet the University's requirements and the requirements of his academic unit, and

WHEREAS, The present requirement provides that each candidate for a baccalaureate degree must complete a minimum of 192 quarter hours of credit in approved courses, and

WHEREAS, The Faculty Council of Southern Illinois University at Carbondale has recommended that the University requirements for graduation be reduced from a minimum of 192 quarter hours to a minimum of 186 quarter hours to be effective as soon as feasible, and

WHEREAS, The Deans of academic units have endorsed the recommendation of the Faculty Council,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the minimum number of hours each candidate for a baccalaureate degree must complete is to be 186 quarter hours (or 124 semester hours) of credit in approved courses, and

BE IT FURTHER RESOLVED, That this change in the minimum number of hours is to be applicable to current and future students pursuing a baccalaureate degree, and that, further, the requirement that every bachelor's degree candidate must meet the University's requirements and the requirements of his academic unit is to continue as the basic policy for Southern Illinois University at Carbondale.

After discussion concerning whether this change at the Carbondale Campus would adversely affect the Edwardsville Campus and receiving a negative reply, and after substitution by consensus of "revise" for the word "establish" in the title, Dr. Walker moved approval of the resolution. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who introduced Dr. George R. Mace, Dean of Students, SIUC. Dr. Mace, along with Mr. Jon Taylor, President of the undergraduate Student Body, SIUC, and Mr. Joseph Camille, President of the Graduate Student Council, SIUC, requested postponement of consideration of the two proposals under Item H - (1) Revision of Student Fee Schedule, SIUC, and (2) Student Government Fee Allocation Proposal, SIUC, until next month when it was felt that a proposal could be presented that would be one of concord and acceptable to all concerned. (These items are omitted in the interest of economy and placed on file in the Office of the Board of Trustees.)

Mr. Elliott suggested an increase in the authority to continue emergency allocations in the amount of \$10,000 to fund Student Activities until the next Board meeting.

Mr. Rouse moved that the present authorization of \$85,000 be increased to \$95,000, and that this matter be deferred until next month. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who explained that Provost Malone and Dr. Ralph E. McCoy, Dean of Library Affairs, SIUC, had been working on Item I. Dr. Malone requested Dean McCoy to make the following presentation:

(I)

PHASING OUT OF TEXTBOOK RENTAL, SIUCResolution

WHEREAS, The textbook rental program was initiated at the beginning of the 1937 Fall quarter at Southern Illinois University, with a fee of \$2.50 per quarter, and

WHEREAS, A number of studies have been made by outside consultants and by faculty committees of the University in regard to the feasibility of continuing the textbook rental service, and in general, these studies have recommended the phasing out of the textbook rental service, leading to a termination of the textbook rental system operating at Southern Illinois University at Carbondale, and

WHEREAS, In previous actions, the Board of Trustees, on May 25, 1951, established a textbook rental fee for graduate students; and, subsequently, on August 13, 1963, Board action excluded graduate students from the assessment of the textbook rental fees; and on May 27, 1954, the Board authorized the increase of the textbook rental fee to \$5.00; and on April 24, 1964, the present textbook rental fee was established at \$8.00 per quarter for undergraduate students enrolled in 11 hours or more per quarter, and subsequent implementation of the procedures in the assessment of this fee has provided that the textbook rental fee be \$3.00 for students enrolled for not more than 5 hours and \$6.00 for students enrolled in more than 5 hours but less than 11 hours,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The existing textbook rental fee for undergraduate students be terminated effective with the beginning of the 1973 Fall quarter.
- (2) That the President of Southern Illinois University at Carbondale be authorized to develop a program for the sale of new and used textbooks for students of the University, in furtherance of which authorization is herein given for the Administration to establish a program for selling new and used textbooks to students and for the purchase of used textbooks from students for resale.
- (3) The President be, and he is hereby, authorized to have distributed to appropriate commercial bookstores the authorized lists of new and used textbooks and other supplies which students will be expected to purchase for the courses in which they are enrolled.
- (4) The President of Southern Illinois University at Carbondale be, and he is hereby, authorized to initiate plans and to develop policies for the phasing out of the existing textbook rental program with an objective of terminating the service.

- (5) A modified textbook rental program be continued to assist undergraduate students by providing a textbook rental program for students enrolled in general studies courses, the President being authorized to establish the procedures for determining the rental rate and for assessing of students for each general studies course, and further authorized and directed to use the textbook rental income derived from rental charges for each general studies course for current operating expenses of the service.

Dean McCoy reported that Textbook Rental is under his supervision and he also chaired a student-faculty committee set up to study the present system.

Discussion took place concerning the cost of the present system versus the new system to the students and the University, and student and faculty opinion on the matter.

Chairman Fischer recognized Mr. Kenneth Athon, SIUC student, who presented some petitions with 2700 signatures and who spoke in opposition to the phasing out of this portion of the Textbook Rental system. Following questions directed by Board members, the Chair thanked Mr. Athon for the presentation and the information furnished.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

(J) AUTHORIZATION FOR THE ESTABLISHMENT
OF A COLLEGE OF SCIENCE, SIUC

Resolution

WHEREAS, The Southern Illinois University Bulletin of July, 1947, with announcements for 1947-48 indicated that the College of Liberal Arts and Sciences was composed of the departments of Botany, Chemistry, English, Foreign Languages, Geography, Government, History, Mathematics, Philosophy, Physics, Physiology and Health Education, Sociology, and Zoology; and the Bulletin noted that, "the College of Liberal Arts and Sciences grants the degree of Bachelor of Arts. A student may receive the degree of Bachelor of Science upon approval of the Dean of the College and of the Graduation Committee," and

WHEREAS, In the Fall of 1972 the College consisted of the following 19 departments and two programs: Anthropology, Botany, Chemistry and Biochemistry, Computer Science, English, Foreign Languages, Geography, Geology, Government, History, Linguistics, Mathematics, Microbiology, Philosophy, Physics and Astronomy, Physiology, Sociology, Zoology, and the Social Welfare and Religious Studies programs, and

WHEREAS, The 1972-73 Internal Budget for Operations of Southern Illinois University shows that the College of Liberal Arts and Sciences Administration and General accounts had a budget of \$1,553,821, exclusive of equipment allocations, and

WHEREAS, The physical and biological sciences group, including nine departments had a budget of \$3,055,982, exclusive of equipment allocations, and

WHEREAS, The Social/Behavioral Sciences, including six departments, had a budget of \$2,196,167, exclusive of equipment allocations, and

WHEREAS, The Humanities, including four departments, had a budget of \$1,802,014, exclusive of equipment allocations, and

WHEREAS, Because of the size and complexity of the College of Liberal Arts and Sciences at Southern Illinois University at Carbondale and for other substantive reasons the possibility of establishing a new administrative structure for the College has been under discussion by concerned faculty members for a number of years, and in July, a memorandum from the Chairman of each of six science departments requested that consideration be taken to effect the development of a separate College of Science, and

WHEREAS, The proposal for a College of Science has not met with approval of the faculty in three other related departments, no pressure is to be applied to include these units in the College of Science, and the alternative to affiliate with the College is of course to be open to these units, and

WHEREAS, A supplementary report on the statements of the chairmen of each of the departments proposing the College and other relevant information is being sent under separate cover to the members of the Board, and

WHEREAS, A thorough review has been made by the Executive Vice-President and Provost,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, subject to the requirements of paragraph (6) below:

- (1) The President of Southern Illinois University at Carbondale be authorized to proceed with plans for the development of a College of Science to be established as an operational College as of January 1, 1973, or as soon thereafter as is feasible.

- (2) The College of Science be initially composed of the following units now affiliated with the College of Liberal Arts and Sciences:

Department of Botany
 Department of Chemistry and Biochemistry
 Department of Geology
 Department of Physiology
 Department of Physics and Astronomy
 Department of Zoology

- (3) The College of Science serves also as an administrative unit for other related academic units when the faculty members of such units elect to become departments of the College, and upon the recommendation of appropriate administrative officers.
- (4) The search for a Dean of the College of Science be initiated in an appropriate way as soon as is feasible.
- (5) The name of the administrative unit, College of Liberal Arts and Sciences, be continued until the establishment of a College of Science as an operational College, after which time the College shall be designated as the College of Liberal Arts or such name as is favored by the faculty of the departments and programs included in the modified and more evenly balanced College.
- (6) This Resolution establishing a College of Science be submitted to the Illinois Board of Higher Education.

President Derge called upon Provost Malone to present the reasons for and origin of this proposal. Provost Malone also introduced Dr. John R. Zimmerman, Chairman, Department of Physics; Dr. Richard T. Arnold, Chairman, Department of Chemistry and Biochemistry; and Dr. Elbert E. Hadley, Associate Dean, College of Liberal Arts and Sciences; all in support of the matter, to respond to questions of the Board concerning the new College of Science.

Following considerable discussion, Dr. M. V. Brown moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

At this time, President Derge begged leave to interrupt the proceedings in order to introduce Dr. Hiram Lesar, Dean of the new School of Law at Southern Illinois University at Carbondale, who was seated in the audience. Chairman Fischer welcomed Dean Lesar to the University.

The Chair then recognized President Rendleman, who presented the following matter:

(K) AUTHORIZATION TO ESTABLISH A COLLEGE OF URBAN AND ENVIRONMENTAL STUDIES, SIUE

Southern Illinois University at Edwardsville has long desired to further the establishment of programs in urban and environmental studies designed as a progressive model having interdisciplinary and problem-resolution orientations. Previously such a proposal has not been feasible within the context of statewide program priorities. Recently, however, the Illinois Board of Higher Education staff has indicated that it would welcome submission of such a program request from SIUE.

SIUE therefore seeks approval to establish such a program in the form of a "College of Urban and Environmental Studies". The College would operate as outlined in the attached "Proposal to Establish a College of Urban and Environmental Studies". The mission of the new College, briefly, would be (a) to provide interdisciplinary education to make students capable of effectively utilizing skills in solving complex urban and environmental problems, (b) to foster problem-oriented research, and (c) to evaluate the impact of urban and environmental solutions to societal problems, including dissemination of information and technical assistance to the urban community.

The proposed College would incorporate the functional application of educational, theoretical and service efforts in a real world situation. The programs of the College would be designed so as to generate continuing development, change and evaluation. An interdisciplinary approach would be a fundamental aspect of the College's being, and innovative teaching and learning methodology (e.g., the urban laboratory at page 6 in the Proposal) will be an important attribute.

The proposed College will provide a recognized framework in which innovative, self-generating, and problem-oriented interdisciplinary programs can be mounted by the University. Although other new programs may be proposed for development by this College following its establishment, there already are programs developed by the University, approved by the Board of Trustees, and now awaiting BHE approval that appropriately should be located within this College. The proposed Master of Science degree programs in Urban Studies and in Environmental Studies both are interdisciplinary in nature, place heavy reliance on the problem-resolution technique, and should be housed within a unit such as the proposed College, once approved by BHE.

In addition, the Bachelor's degree program in Human Services (presently offered by SIUE through the Delinquency Study and Youth Development Center) should receive serious consideration for inclusion in the College. The College further would be the appropriate home for the existing "Center for Urban and Environmental Research and Services" (CUERS). The Delinquency Study and Youth Development Center similarly should receive serious consideration for inclusion in the College (i.e., the Center itself as well as the Bachelor's degree program in Human Services referred to above).

Because of these programs (which either already exist or are pending BHE approval) the University desires to proceed with creation of the College of Urban and Environmental Studies at this time. Concomitant with establishment of

the College, it will be necessary to request two supplemental appropriations in the University's FY-74 budget requests. The first such request is for \$310,000.00 to cover administrative organization and first year implementation, as well as program planning, for the College.

The second supplemental budget request is for \$300,000 in capital funds to be used to initiate acquisition of the existing physical plant of Parks Air College from Saint Louis University. This facility is ideal for the conduct of programs anticipated under the College of Urban and Environmental Studies. Saint Louis University has expressed a willingness to sell the facility to the Board of Trustees for \$3 million with purchase to be accomplished by use of a lease with appropriate renewal terms sufficient to carry the University's tenancy through 10 years, with an option to purchase at a price not exceeding \$3 million and all rental payments fully credited towards purchase price.

Resolution

WHEREAS, Establishment of a College of Urban and Environmental Studies by Southern Illinois University at Edwardsville is in furtherance of the goals and aspirations of that University and is consistent with SIUE's mission under Master Plan-Phase III, and such a proposal has been submitted to the Board of Trustees indicating that the Illinois Board of Higher Education staff encourages development of such a program at Edwardsville at the present time,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) A College of Urban and Environmental Studies be and is hereby authorized to be established by Southern Illinois University at Edwardsville, in accord with the goals and format contained in the document "Proposal to Establish a College of Urban and Environmental Studies" attached hereto.
- (2) The Operating Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be and is hereby authorized to be amended in such manner as shall include, as an additional item, the sum of \$310,000.00 for establishment of the administrative organization, for program planning, and for first year implementation of the College authorized in Paragraph (1) above.
- (3) Acquisition of the physical plant and properties of Parks Air College from Saint Louis University is hereby approved, provided that:
 - (a) Said acquisition be also approved by the Illinois Board of Higher Education.
 - (b) Said acquisition be accomplished by use of a lease with appropriate renewal terms sufficient to carry the University's tenancy through 10 years, with an option to purchase at a price not exceeding \$3 million and all rental payments fully credited towards purchase price.

- (c) Renewals of said lease each year shall be subject to the availability of appropriated funds of the University.
 - (d) Final details of said arrangements with Saint Louis University shall be reviewed and approved by this Board prior to consummation of arrangements in binding, legal form.
- (4) The Capital Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be and is hereby authorized to be amended in such manner as shall include, as an added item, the sum of \$300,000.00 for rental under the lease-with-purchase-option described in Paragraph (3) above.

The following proposed amendments to the last paragraph of the preamble and numbered paragraphs (3) and (4) of the above Resolution were distributed at the request of President Rendleman:

AMENDMENTS TO ITEM K:
(AUTHORIZATION TO ESTABLISH A COLLEGE OF URBAN AND
ENVIRONMENTAL STUDIES, SIUE)

1. At Page 2, Paragraph 1:

The paragraph beginning "The second supplemental budget request..." is replaced in its entirety by the following paragraph:

The second supplemental budget request is for \$2,250,000 to be used as lump-sum payment for the acquisition of the existing physical plant of Parks Air College from St. Louis University. This facility is ideal for the conduct of programs anticipated under the College of Urban and Environmental Studies. The Board of Higher Education staff has suggested that acquisition of this facility be made by SIUE, and that it take the form of lump-sum purchase in FY-74. St. Louis University has indicated to President Rendleman that \$2,250,000 would be acceptable consideration for the sale of this facility in a lump-sum manner.

2. In the Operative Resolution, at Subparagraphs (3) and (4):

Subparagraphs (3) and (4) are replaced in their entirety by the following:

- (3) Acquisition of the physical plant and properties of Parks Air College from St. Louis University is hereby approved, the purchase price for said acquisition not to exceed \$2,250,000 (exclusive of legal and administrative costs incidental to transfer of title in fee simple form), with the University in addition assuming loans secured by these properties (as described in the attached document "Summary of Mortgages-Parks Air College"), provided that said acquisition be also approved by the Illinois Board of Higher Education.

- (4) The Capital Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be and is hereby authorized to be amended in such manner as shall include, as an added item, the sum of \$2,250,000 for the acquisition approved in Paragraph (3) above.

SUMMARY OF MORTGAGES - PARKS AIR COLLEGE

St. Louis University has two loans which are secured by residence hall properties to be acquired at Parks Air College. The loans are described as follows:

- (1) Mortgage on Mercury Hall. Mortgagor: Department of Housing and Urban Development, Sinking Fund Trustee: Bank of St. Louis. Original loan \$789,000. Present balance approximately \$650,000. Interest at 3-1/8% per annum, payable semi-annually on April 1 and October 1. Principal due annually on October 1 as follows:

<u>Year Due</u>	<u>Annual Payment</u>	<u>Total</u>
1970	\$12,000	\$ 12,000
1971 - 1976	15,000	90,000
1977 - 1982	18,000	108,000
1983 - 1986	21,000	84,000
1987 - 1990	24,000	96,000
1991 - 1994	27,000	108,000
1995 - 1998	30,000	120,000
1999	33,000	33,000
2000	23,000	23,000

- (2) Mortgage on Holloran Hall. Mortgagor: Boatmen's National Bank of St. Louis. Original loan: \$1,164,000. Present balance approximately \$1,025,000. Interest at 7-1/4% per annum. Direct deduction payments of \$9,485 due monthly. Balloon note with final payment of \$745,305 due in December, 1979.

- (5) The President of Southern Illinois University at Edwardsville be and is hereby authorized to enter into and to execute such contracts and documents in the name of the Board of Trustees as may be necessary to effect this acquisition as described in Paragraph (3) above.

(President Rendleman also distributed at the meeting a 14-page document entitled "A Proposal to Establish a College of Urban and Environmental Studies," which is omitted in the interest of economy and placed on file in the Office of the Board of Trustees.)

Mr. Allen moved the enactment of the resolution with deletion of paragraph one, which was duly seconded.

Mr. Elliott suggested a modification to the motion by deleting all portions thereof except that which states that the Capital Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be authorized to be amended as to include the sum of \$2,250,000 for the acquisition of Parks Air College, requesting more complete staffing of the other propositions. Mr. Allen and the seconder accepted the proposed modification. Mr. Rowe pointed out that the total price of the property was \$3,900,000 including \$1,600,000 in mortgages to be assumed.

Dr. Walker moved that this item be tabled. The motion was duly seconded, and failed by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	No
Ivan A. Elliott, Jr.	No
Harold R. Fischer	No
W. Victor Rouse	Aye
Harris Rowe	No
Earl E. Walker	Aye

Mr. Allen suggested a further modification of the motion by an addition to the phrase "for the acquisition of Parks Air College" the phrase "free and clear." Mr. Allen and the seconder accepted the proposed modification. The question was called on the motion as twice modified. The Chair stated the motion to be: That the Capital Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be and is hereby authorized to be amended in such manner as shall include, as an added item, the sum of \$2,250,000 for the acquisition of Parks Air College free and clear, and it was passed by the

following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	No
Harris Rowe	Aye
Earl E. Walker	No

The Chair then recognized President Derge, who requested Mr. Deane Doolen, Assistant Dean for Student Affairs, who is in charge of admissions and fees for the School of Medicine, SIUC, to present the following matter:

(L) ADMISSIONS POLICY, SOUTHERN ILLINOIS UNIVERSITY
 SCHOOL OF MEDICINE, SIUC

Resolution

WHEREAS, The School of Medicine has a recognized and established commitment to the people of central and southern Illinois to assist them in meeting their health needs, and

WHEREAS, Natives of central and southern Illinois, upon becoming physicians, are more likely than are those from other areas to practice medicine in central and southern Illinois,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Administration be, and the same is hereby, authorized to develop detailed admission requirements for the Southern Illinois University School of Medicine, with full dedication to the principle of Academic Excellence.
- (2) Emphasis be placed on selection of students who are natives of central and southern Illinois, with the end in view that they will engage in the practice of medicine in said area.

Following considerable discussion, President Derge withdrew this as an action matter, and designated it as an information item.

The Chair then recognized President Derge, who requested Dr. John Baker, Assistant Provost, SIUC, to present the following matter:

(M) SOUTHERN ILLINOIS UNIVERSITY SCHOOL OF MEDICINE
 CONTRACT FOR PROFESSIONAL RADIOLOGIST SERVICES, SIUC

Resolution

WHEREAS, The School of Medicine requires undergraduate and graduate curricula relating to radiology as a clinical discipline, and

WHEREAS, Agreement has been reached between the School of Medicine and St. Johns and Memorial Hospitals in Springfield to utilize the facilities and professional expertise of the Radiology Departments of the respective hospitals, and

WHEREAS, The Dean of the School of Medicine has recommended approval of the agreement attached hereto,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the attached agreement between this Board, Clinical Radiologists Service Corporation, and Springfield Radiologists be, and the same is hereby, approved.

AGREEMENT

THIS AGREEMENT, entered into as of this 1st day of July, 1972 by CLINICAL RADIOLOGISTS SERVICE CORPORATION, an Illinois professional corporation of Springfield, Sangamon County, Illinois, hereinafter called "Clinical", SPRINGFIELD RADIOLOGISTS S.C., an Illinois corporation of Springfield, Sangamon County, Illinois, hereinafter called "Springfield", and the BOARD OF TRUSTEES OF SOUTHERN ILLINOIS UNIVERSITY, a body politic and corporate of the State of Illinois, hereinafter called "University", Witnesseth That:

WHEREAS, Clinical performs professional radiologist services in the Springfield Medical Service area and for and in connection with Memorial Hospital; and

WHEREAS, Springfield performs professional radiologist services in the Springfield Medical Service area and for and in connection with St. Johns Hospital; and

WHEREAS, Springfield and Clinical desire to aid and assist the University in the development and providing of a curriculum and teaching materials relating to radiology as a clinical discipline for use by the University's Medical School and by each of the respective hospitals in the residency programs of the hospitals; and

WHEREAS, the University in the development of its Medical School requires the aid and assistance of Springfield and Clinical in planning a curriculum; developing and providing teaching materials relating to radiology as a clinical discipline in its Medical School; and

WHEREAS, Springfield and Clinical desire to cooperate and coordinate with one another and with University in the development and providing of teaching materials and the planning of curriculum relating to radiology as a clinical discipline in the University's Medical School and with the University; and

WHEREAS, University has entered into affiliation agreements with Memorial and St. Johns Hospitals in order to develop, enhance and nurture the health care

system and medical education program,

NOW, THEREFORE, witness this Agreement.

1. Springfield and Clinical shall cooperatively and conjunctively for the benefit of the University and its School of Medicine:

- a. Provide professional staff of their own choosing to assist the University in planning undergraduate and graduate curricula relating to radiology as a clinical discipline.
- b. Provide professional staff of their own choosing to assist the University in planning its curriculum as the same relates to radiology as a clinical discipline to other departments within the Medical School.
- c. Prepare and provide teaching materials which shall include appropriate patient data, records and x-ray films to be used in the teaching program of the University Medical School and the residency programs of the hospitals.
- d. Hire, supervise and maintain on their own payroll necessary clerical and secretarial help to assist in the development and cataloging of radiology teaching materials.
- e. Designate a member of the professional staff of each of the Parties to be responsible for the overall joint development and preparation of the materials and data to be provided under this Agreement.
- f. Assist and coordinate all work to be performed under this contract with the appropriate officials of University, Memorial and St. Johns.

2. In consideration for the professional services performed by Springfield and Clinical, the University shall pay to each medical corporation the sum of \$30,000 per year payable monthly in equal installments. The University shall also reimburse Springfield and Clinical on a monthly billing basis for the service of providing a secretary and teaching materials as follows:

- a. Secretary salary not to exceed \$7,473.00 per annum.

b. Teaching materials not to exceed \$6,420.00.

3. The term of this Agreement shall commence on July 1, 1972, and shall extend through June 30, 1973; provided, however, that any Party may terminate this Agreement by giving ninety (90) days prior written notice of intent to terminate the Agreement to each of the Parties. In the event of such termination, the University shall pay each of the medical corporations the amounts due and owing them for expenses and services up to the date of termination, pro rating payments for services to the termination date.

4. The Parties mutually agree that all of the teaching materials developed under the terms of this Agreement shall be kept and maintained so as to be readily available in accordance with procedures established by Springfield and Clinical for the teaching purposes of the University and the residency programs of the respective hospitals.

5. Springfield shall keep the Dean of the University's School of Medicine and the Director of Memorial Hospital regularly and periodically advised on the progress of the work to be performed under the terms of this Agreement and shall provide for inspection, on request, a current index of teaching materials developed under this Agreement, and such teaching materials developed under this Agreement for inspection as they may from time to time request.

6. Clinical shall keep the Dean of the University's School of Medicine and the Director of St. Johns Hospital regularly and periodically advised on the progress of the work to be performed under the terms of this Agreement and shall provide for inspection, on request, a current index of teaching materials developed under this Agreement for inspection as they may from time to time request.

7. Springfield and Clinical shall commit their talents and resources to provide the teaching of radiology to the medical students of the University and the residents of Memorial and St. Johns Hospitals. Any additional radiologists needed to fulfill the teaching and professional service requirements of Springfield and Clinical will be recruited by Springfield and Clinical, respectively.

8. It is agreed that Springfield and Clinical are employed hereunder as independent contractors and it is expressly understood that each Party shall have sole control of its own employees.

9. The Parties shall send representatives to coordination meetings at the request of the Dean of the University's School of Medicine as from time to time may be scheduled.

10. Each of the Parties covenant and agree with one another to expend their best professional and administrative efforts in the development, and planning of curriculum, and providing teaching materials needed to assimilate the teaching of radiology as a clinical discipline into the curriculum of the University's Medical School and the residency programs of each of the respective hospitals.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives as of the day and year first above written.

The Chair then recognized President Rendleman, who presented the following matter:

(N) APPROVAL OF CAPITAL IMPROVEMENTS TO
INTERCOLLEGIATE BASEBALL FACILITIES, SIUE

Southern Illinois University at Edwardsville presently uses a facility for the playing of intercollegiate baseball which is considered to be substandard for such purposes. A plan for capital improvements to this facility therefore has been developed. The plan proposes the following improvements: (1) enclosure of the existing bullpen, (2) installation of a public address system, (3) installation of an electric scoreboard, (4) construction of dugouts, (5) provision of grandstand seating capacity for 1,500 persons, and (6) improving press-box facilities.

A copy of the site plan depicting the proposed improvements is attached, and a copy of same has been filed in the Office of the Board of Trustees. The project is not to be phased, and the preceding description constitutes the total project. Cost of the project is estimated at \$66,780.

The University Intercollegiate Athletic Committee has approved the plan. Funds are available for the project in the account entitled "Men's Intercollegiate Athletics" (Account No. 20-40-7-57061). Pursuant to IV Bylaws, Section 1, the Board of Trustees is requested to approve the project and the plans therefor as presented at today's meeting.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Capital improvements to intercollegiate baseball facilities on the campus of Southern Illinois University at Edwardsville are approved as described in pertinent plans which have been presented to the Board on this date.
- (2) Expenditure of funds in the amount of \$66,780 from the account entitled "Men's Intercollegiate Athletics" (Account No. 20-40-7-57061) is authorized in conjunction with the said project, subject to the receipt of acceptable bids on the project and the award thereof by the Board of Trustees.

Architectural floor plan of a building. The plan includes the following labeled areas:

- Kitchen**: Located at the top left, containing a sink, stove, and refrigerator.
- Dining Room**: Adjacent to the kitchen, featuring a table and chairs.
- Living Room**: A large central area with a fireplace and a large window.
- Bedroom**: Located on the right side, containing a bed and a dresser.
- Bathroom**: Adjacent to the bedroom, containing a toilet, sink, and bathtub.
- Closet**: Located near the bedroom and bathroom.
- Porch**: A small outdoor area at the bottom left.
- Garage**: A large area at the bottom right, containing a car.
- Courtyard**: A central outdoor area with a circular feature.

The plan also includes various dimensions and architectural details such as doors, windows, and furniture placement.

							APPROVED BY _____		APPROVAL DATE _____	
Southern Illinois University at Edwardsville ARCHITECTURAL & ENGINEERING SERVICES DEPARTMENT										

President Rendleman called upon Dr. Bill D. Hudgens, Vice-President for Business Affairs, SIUE, who provided a map of the changes requested and answered questions of the members of the Board.

Discussion followed as to whether this was a new and separate project or a continuation of a recent project, and it was suggested that rather than piecemeal approaches a comprehensive plan should be presented for approval.

Mr. Eric Barnett, an SIUE student member of the Intercollegiate Athletic Committee, pointed out that since the Board of Higher Education had not approved construction of a Physical Education building, available monies then became available to develop these facilities.

Mr. John Paul Davis then discussed the necessity for Board of Higher Education approval of this project and whether its total cost would exceed \$100,000.

Dr. Walker left the meeting during the discussion.

President Rendleman withdrew this Item from the Agenda.

The meeting adjourned for lunch at 1:20 p.m. Following lunch, the meeting reconvened at 2:15 p.m. with Dr. Fouts, Mr. Rouse, and Dr. Walker absent.

The Chair recognized President Derge, who requested Dr. John Baker to present the following matter:

(0) CHARGES FOR ENROLLEES IN CHILD DEVELOPMENT CENTER, SIUC

Resolution

WHEREAS, By action of the Board of Trustees on April 27, 1962, fees not to exceed \$120 per year were established for each enrollee in the Child Development Laboratory, Department of Home and Family, School of Home Economics, and

WHEREAS, The present fee has not been kept in line with current costs and, therefore, does not cover present or projected operating expenses of approximately \$10,000 per year,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That authorization be and the same is hereby given to the President of Southern Illinois University at Carbondale to establish such charges for each enrollee in the Child Development Laboratory as are consistent with the current costs of operating the Laboratory, but not to exceed \$35 per month per child, for such items as lunch, snacks, accident insurance, and incidental supplies.

Mr. Allen moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Chairman Fischer reported that an executive session was held last evening dealing entirely with personnel matters and no action was taken.

The Chair then recognized Dr. James Brown, who asked the Board to consider this Current and Pending Item, and called upon Mr. Gallegly to present the following matter:

(Current and Pending Matter)

(1) ASSIGNMENT OF CONTRACTS TO CAPITAL DEVELOPMENT BOARD

Resolution

WHEREAS, The 77th General Assembly by Public Act 77-1916 authorized general obligation bonds of the State for development of capital facilities, including facilities theretofore to be developed by the Illinois Building Authority, and

WHEREAS, The 77th General Assembly by Public Act 77-1995 created the Capital Development Board to administer all construction financed by the receipts of sale of such bonds, and

WHEREAS, The Board of Trustees is a party to certain contracts for construction of capital facilities which the Capital Development Board has requested be assigned to it for administration,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following contracts are authorized to be assigned to the Capital Development Board:

<u>CDB Contract</u>	<u>Description</u>	<u>Location</u>
17-201-4A	Dental Clinic - General	SIUE (Alton)
17-201-4B	Dental Clinic - Plumbing	SIUE (Alton)
17-201-4C	Dental Clinic - Heating & Refrigeration	SIUE (Alton)
17-201-4D	Dental Clinic - Ventilation	SIUE (Alton)
17-201-4E	Dental Clinic - Electrical	SIUE (Alton)
18-203-1A	Refrigeration Plant South - Architectural & Engineering	SIUC
18-206-4A	Allyn Bldg. Renovation - General	SIUC
18-206-4B	Allyn Bldg. Renovation - Plumbing, Heating, Piping & Refrigeration	SIUC
18-206-4D	Allyn Bldg. Renovation - Ventilation	SIUC
18-206-4E	Allyn Bldg. Renovation - Electrical	SIUC
19-301-1A	Medical Instructional Facility - Architectural & Engineering	SIUC (Springfield)

AND BE IT FURTHER RESOLVED, That the Chairman or Vice-Chairman is authorized to execute such documents as may be required to effect such assignment, and the Secretary or Assistant Secretary is authorized to attest such execution under the corporate seal of this Board of Trustees.

Mr. Rowe moved consideration of and approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Harris Rowe	Aye

The Chair then recognized President Rendleman, who presented the following matter:

(Current and Pending Matter)

(2)

AUTHORIZATION TO ESTABLISH COOPERATIVE
DOCTORAL PROGRAMS WITH WASHINGTON UNIVERSITY AND
ST. LOUIS UNIVERSITY, SIUE

Southern Illinois University at Edwardsville seeks to cooperate with Washington University and St. Louis University in providing doctoral programs in Business, Education, and Fine Arts primarily to Illinois residents at locations

in the Metro-East area of Illinois. The three universities are willing to provide instruction services under contract with one another in the three doctoral areas described above to supplement faculty resources already existing within each university. Degrees would be awarded jointly by the institutions.

Such a cooperative effort would provide access to doctoral degree programs by tens of thousands of Illinois residents in southwestern Illinois at established SIUE tuition rates. Such access would be provided without unnecessary duplication of faculties and resources already existing, and with savings of dollars that otherwise would be expended were SIUE to develop such programs internally and expand its own staff and resources.

President Rendleman and University Officers believe establishment of this program will be a major advancement of the principle of cooperative efforts in higher education, as well as an important and strategic development for doctoral level instruction in the populous region served by SIUE. An additional \$250,000 is requested to be included in the FY-74 Operating Budget Request for SIUE for the funding of this program.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Southern Illinois University at Edwardsville be and is hereby authorized to enter into a cooperative agreement with Washington University and St. Louis University, both of St. Louis, Missouri, whereby the two aforementioned private universities will provide SIUE (and SIUE will provide these institutions), commencing in 1973-74, instruction in doctoral level programs in the fields of Business, Education, and the Fine Arts, subject to individual formal program approvals by the Board of Trustees and the Illinois Board of Higher Education.
- (2) The President of Southern Illinois University at Edwardsville is authorized to enter into such written agreements as may be necessary and appropriate to effect such cooperative arrangements with the two aforementioned universities within the limits of funds from time to time available and appropriate for these purposes.
- (3) The Operating Budget Request of Southern Illinois University at Edwardsville for Fiscal Year 1974 be and is hereby authorized to be amended in such manner as shall include, as an additional item, the sum of \$250,000.00 to be used in supporting and operating the program authorized herein.
- (4) The program established pursuant to this authorization shall be so organized that tuition charged students enrolling in courses under it shall be identical to the tuition assessed students enrolled for the same academic load elsewhere in the University.

Dr. M. V. Brown moved consideration of and approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Harris Rowe	Aye

The Chair then recognized President Rendleman, who presented the following matter:

(Current and Pending Matter)

(3) APPROVAL OF COOPERATIVE EDUCATION PROGRAM
WITH THE UNIVERSITY OF MISSOURI--ST. LOUIS, SIUE

Recognizing that increasing costs of higher education make it difficult for each University to offer educational programs which meet the needs of all students enrolled at both institutions, Southern Illinois University at Edwardsville and the University of Missouri--St. Louis seek to enter into a program of interinstitutional cooperation designed to permit students of one University to receive instruction at the other University.

President Rendleman and academic officers at Edwardsville have developed the proposed program in conjunction with President Ratchford of the University of Missouri, Acting Chancellor Walters of UMSL, and the academic program officers of UMSL. Officers of both institutions are satisfied that the program as proposed is sound and that it merits the support and best efforts of their respective institutions.

Resolution

WHEREAS, Southern Illinois University at Edwardsville was established in response to the educational needs of students in the Metropolitan St. Louis community, and the University of Missouri--St. Louis was established in response to the same needs, and

WHEREAS, Both institutions seek to cooperate in every possible way, consistent with responsible fiscal policies, to enhance the total educational opportunities for students in the Bi-State metropolitan area by making available the widest possible variety of curricula offerings without unnecessary duplication of efforts and resources,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Edwardsville be and is hereby authorized to

enter into an Agreement with appropriately authorized officers of the University of Missouri--St. Louis whereby students enrolled at SIUE will be permitted to receive instruction in courses offered at UMSL, and vice versa, said Agreement to follow these basic guidelines:

- (1) Admission of students enrolled at SIUE to courses offered at UMSL shall be controlled strictly by SIUE, and all such students shall at all times be and remain exclusively enrolled at SIUE.
- (2) Admission of students enrolled at UMSL to courses offered at SIUE similarly shall be controlled strictly by UMSL, and all such students shall at all times be and remain exclusively enrolled at UMSL.
- (3) The Registrar and Director of Admissions of SIUE shall work with his counterpart at UMSL to establish mutually agreeable operating procedures for admission, registration, grade reporting, and such other administrative regulations as may be necessary to operate the program, provided all such procedures shall be reviewed by appropriate academic officers prior to implementation.
- (4) Because all student participants in the program shall at all times be and remain exclusively enrolled in such student's parent University (i.e., the University which effects admission to courses at the other University), all student participants shall be assessed tuition solely by the parent University at such rates as have been established by the governing board of the parent University as applicable to the total number of hours taken by the student (including hours received at the nonparent University).
- (5) In no event shall a student's participation in this program subject him to classification as an enrolled student by the nonparent University, nor shall any such student be subjected to tuition or fee assessments by the nonparent University.
- (6) Participation in the program shall be open to both graduate and undergraduate students of no less than sophomore standing.
- (7) During the initial academic term of the program, the number of students admitted to this program shall be limited to 25 from each University, and thereafter each University shall be responsible to review participation in the program from time to time and to mutually agree upon such limitations upon numbers of participants as may reasonably be necessary to represent equitable reciprocity and balance as to benefits accruing to the respective Universities and taxpayers of the respective states by virtue of this program.

Mr. Allen and Mr. Elliott expressed a sense of the Board to have some exploration and a status report from the two Presidents on a plan for the recognition and easy transferability of credits between the Carbondale and Edwardsville Universities by the Fall quarter of next year, if possible.

Mr. Rowe moved consideration of and approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed unanimously.

The Chair then recognized President Derge, who presented the following matter:

(Current and Pending Matter)

(4) SPECIAL CAPITAL REQUEST FOR PLANNING FUNDS
FOR THE SCHOOL OF LAW BUILDING, SIUC

One of the top priorities of Southern Illinois University is to establish a Law School of excellence on the Carbondale Campus. The School of Law program has been approved by the Illinois Board of Higher Education, and the University will be enrolling its initial students in the Fall of 1973. Interim space on the Carbondale Campus has been found to inaugurate the School of Law. However, in order to accommodate an eventual enrollment of 450 law students, it is necessary that the planning for the new School of Law Building be started as quickly as possible.

The attached document requests \$104,640 in planning funds for the School of Law Building. I would like to ask that this item be placed under "Other Current and Pending Matters" at the November meeting of the Board of Trustees. It is requested that these capital planning funds be approved and made a part of the 1973-74 Capital Requests for the Carbondale Campus, and that this request be forwarded to the Illinois Board of Higher Education. (The attached document is omitted in the interest of economy and was placed on file in the Office of the Board of Trustees.)

Mr. Elliott moved that the special request for planning funds for the School of Law Building be considered and approved and made a part of the 1974 Capital Budget Request for Southern Illinois University at Carbondale. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed unanimously.

The Chair then recognized President Derge, who presented the following matter:

(Current and Pending Matter)

(5) SALE OF RICKERT REAL ESTATE, SIUC

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University has been devised an undivided one-third interest in certain farm properties by the late Mrs. Rickert of North Carolina, for awards to SIUC students in the field of Art, and

WHEREAS, The executrix of the estate who is also one of the three devisees desires to liquidate these assets by sale, which action requires the assent of this Board as another devisee, and

WHEREAS, The capability of prompt action upon offers of purchase enhances the possibility of an advantageous sale,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale be and is hereby authorized and directed to accept or reject on behalf of this Board offers of purchase for the properties known as the Bottom Farm and the Tipton Farm, or either, formerly the property of the said Mrs. Rickert and located near Waterloo, Illinois, upon the approval of any two of the three members of the Executive Committee of this Board, which approval may be received by telephone or other oral communication, and

BE IT FURTHER RESOLVED, That the said President be and is further authorized to execute any and all deeds or other documents necessary or desirable in order to accomplish the sale of and transfer of title to the aforesaid properties, pursuant to the required approval and upon due advice of Counsel.

Dr. M. V. Brown moved consideration of and approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Harris Rowe	Aye

The Chair then recognized President Derge, who presented the following matter:

(Current and Pending Matter)

(6) INCREASE IN EVERGREEN TERRACE APARTMENT RENTAL RATES, SIUC
(FHA PROJECT 072-55010-NP)

It is requested that the Board of Trustees adopt the following resolution concerning an increase in rental rates for the apartments in the Evergreen Terrace housing project, which has been approved by the Federal Housing Administration. This increase requires Board of Trustees' approval, and that of Southern Illinois University Foundation (Mortgagor). This recommendation is necessary since labor and other costs have increased, and current rates have not provided income sufficient to meet the current needs.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the rents and charges heretofore established for the apartments as required by the lease agreement between Southern Illinois University and the Southern Illinois University Foundation shall be and are hereby changed and altered by amendment in accordance with such lease agreement, effective January 1, 1973, and until otherwise amended, to the rate shown in the column headed "Proposed Monthly Rate" in the following schedule:

Schedule of Rental Rates
Proposed Beginning January 1, 1973

<u>Evergreen Terrace Apartments</u>	<u>Current Monthly Rate</u>	<u>Proposed Monthly Rate</u>
Two Bedroom	\$110.00	\$117.00
Three Bedroom	123.00	130.00

Mr. Allen moved consideration of and approval of the resolution as presented, subject to compliance with the requirements of Federal economic controls. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed unanimously.

The Chair then recognized President Rendleman, who requested authorization to plan the financing for the proposed additional housing at SIUE, and called upon Judy Allen, a student and Tower Lake Area Council President, SIUE, who, because of definite need, urged the Board to approve the immediate start of construction of Tower Lake Housing - Phase II.

Chairman Fischer stated that the Board recognized the need and wanted additional housing, if and when and as soon as it can be financed and developed according to law.

Following discussion, Dr. M. V. Brown moved that the Board of Trustees authorize the President of Southern Illinois University to see if a proposal can be constructed which will be brought back to the Board, involving Mudge, Rose, Guthrie and Alexander as Bond Counsel and Midwest Securities, Inc. as Fiscal Agent, no liability for such services to be incurred until the Board has approved such a proposal. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 10:10 a.m., Friday, December 15, 1972, in the Madison Room of the University Center, Edwardsville Campus. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen (arrived late)
Dr. Martin V. Brown, Secretary
Mr. Ivan A. Elliott, Jr., Vice-Chairman
Mr. Harold R. Fischer, Chairman
Dr. Donald E. Fouts (arrived late)
Mr. W. Victor Rouse,

and the following members were absent:

Mr. Harris Rowe
Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
Dr. James M. Brown, Chief of Board Staff
Mr. Clifford R. Burger, Financial Officer
Dr. H. Edward Flentje, Deputy Chief of Board Staff
Mr. Robert L. Gallegly, Treasurer
Mr. C. Richard Gruny, Legal Counsel,

and the following member was absent:

Mrs. Alice Griffin, Assistant Secretary.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a special meeting held November 16, 1972, and of a regular meeting held November 17, 1972, copies of which had previously been forwarded to members of the Board. On motion of Mr. Rouse, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized President Derge, who presented the following matter:

(A)

PROPOSAL FOR THE ESTABLISHMENT OF A
SOUTHERN ILLINOIS COLLEGIATE COMMON MARKET, SIUC

A comprehensive program for interinstitutional cooperation is proposed by Rend Lake College, Ina; Shawnee College, Ullin; Southeastern Illinois College, Harrisburg; John A. Logan College, Carterville; and Southern Illinois University at Carbondale. The broad objectives will be to discover means of increasing educational productivity, effective use of existing and future resources and to accomplish substantial savings in public expenditures through common educational needs that can best be met on a cooperative basis.

This proposal is under the provisions of the Higher Education Cooperation Act and requests \$10,000 from the Illinois Board of Higher Education to combine with funds to be contributed by Southern Illinois University at Carbondale (\$5,000) and the community colleges (\$8,000) for a projected budget of \$23,000 for the period beginning January 1, 1973, and continuing through December 31, 1973. Support for the ongoing cooperative program is subject to annual approval by the governing board of the participating institution.

The following resolution is recommended for adoption at this time:

Resolution

WHEREAS, After detailed study it is deemed in the best interests of Southern Illinois University at Carbondale and the people of Southern Illinois to participate in a cooperative educational enterprise with area community colleges, and

WHEREAS, Application has been made to the Illinois Board of Higher Education for supplementary funding to support such a cooperative enterprise,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Southern Illinois University at Carbondale be and is hereby authorized to join the Southern Illinois Collegiate Common Market for the period from January 1, 1973, and continuing through December 31, 1973, and that the President of Southern Illinois University at Carbondale is authorized to contribute an amount not to exceed \$5,000 for the said period, subject to participation by the Board of Higher Education, for the University's share of this cooperative project.

(Copies of the cooperative Proposal together with correspondence indicating the stage of approval by certain of the other named institutions was before the Board for information, and is on deposit in the Office of the Board of Trustees.)

Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye

The Chair then recognized Dr. James Brown, who called upon Dr. Flentje to present Item B, Analysis and Observations on Enrollments, a Board Staff Report. This report had been sent to the members of the Board in advance of the meeting, and a copy was placed on file in the Office of the Board of Trustees.

After considerable discussion, Chairman Fischer thanked those who had prepared the report.

The Chair then recognized Dr. James Brown, who presented the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Report of Death

With regret, we report the death of Miss Sina M. Mott, Associate Professor (Emerita) in the University School. She was born March 29, 1897, and died May 10, 1972. She received the Bachelor of Arts degree from Iowa State Teachers College, and the Master of Arts and Doctor of Philosophy degrees from New York University. She taught in the public schools of Mooresville, North Carolina, and Ottumwa, Iowa, and at Henderson State Teachers College prior to accepting appointment at Southern Illinois University in 1935. She was a specialist in nursery school and kindergarten education and developed a program at Southern Illinois University that was considered a model in that field. She was a teacher of children and dedicated her professional life to nursery-kindergarten education.

(C)

B. Continuing Appointments

1. Mr. Kenneth C. Chilman as Associate Professor of Forestry effective January 1, 1973, on a fiscal year basis. He received the Doctor of Philosophy degree from the University of Michigan. He was born March 20, 1932, in Platte, South Dakota. \$1,375.00
(C)

2. Mr. Donald Arthur Hecke as Director (of Communication Services) in the Office of the Vice President for Development and Services effective January 1, 1973, on a fiscal year basis. He received the Bachelor of Science degree from Southern Illinois University. He was born October 27, 1931, in East St. Louis, Illinois. \$1,875.00
(C)

C. Conditional Appointments

1. Mr. Edward J. O'Day, Instructor in History, is a candidate for the Doctor of Philosophy degree from Indiana University. In the event the doctor's degree requirements are completed within the 1972-73 year, he is to serve as Assistant Professor at an increased monthly salary effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. \$1,330.00; \$1,370.00
This is the last year a contingency appointment is to be offered. (C)

2. Mr. Edgar I. Patterson, Instructor in Sociology, is a candidate for the Doctor of Philosophy degree from Washington University. In the event the doctor's degree requirements are completed within the 1972-73 year, he is to serve as Assistant Professor with monthly salary increase effective the first of the month following receipt

of official notification in the President's Office of completion of degree requirements. This is the last year a contingency appointment is to be offered. \$1,225.00;
\$1,325.00
(C)

3. Mr. John E. Ware, Jr., Assistant Professor and Program Coordinator in the School of Medicine, is a candidate for the Doctor of Philosophy degree from the University of Southern California. At such time as the doctor's degree requirements have been completed, he is to serve at an increased monthly salary effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. \$1,684.00;
\$1,750.00
(C)

D. Term Appointments

1. Mr. Pedro Armillas as Adjunct Professor in the Museum, serving without salary for the period July 1, 1972, to July 1, 1973. He received the Bachelor of Science degree from the University of Barcelona, Spain. (C)

2. Mrs. Victoria Azrin as one-half time Visiting Professor in Special Education for the Fall Quarter, 1972. She received the Doctor of Philosophy degree from Southern Illinois University. \$677.50
(C)

3. Miss Maria Battilana as Adjunct Research Associate in Foreign Languages, serving without salary for the period November 1, 1972, to June 15, 1973. She received a degree from a university in Venice, Italy. (C)

4. Mrs. Helle Jean Brown as Researcher in Physiology for the period November 1, 1972, to July 1, 1973. She received the Bachelor of Arts degree from Southern Illinois University. \$600.00
(C)

5. Mr. Donald Caspary as Assistant Professor in the School of Medicine for the period December 1, 1972, to June 27, 1973. He received the Doctor of Philosophy degree from New York University. His salary is to be paid from restricted funds. \$1,125.00
(C)

6. Mr. Thomas D. Cole as seventy percent time Staff Assistant in the Peer-Oriented Drug Abuse Educational Network for the period December 1, 1972, to May 1, 1973. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$630.00
(C)

7. Mr. Andrew W. Coleman, III, as one-half time Resident Counselor in University Park Housing for the Fall, Winter, and Spring Quarters, 1972-73. He received the Bachelor of Arts degree from Blackburn College. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$270.00
(C)

8. Mrs. Mavis H. Dark as one-half time Researcher in the Graduate School, Research and Projects, for the period November 1, 1972, to May 1, 1973. She has attended the Slade School of Fine Arts, University of London. Her salary is to be paid from restricted funds. \$275.00
(C)

9. Mr. Sidney Denny as Adjunct Assistant Professor in the Museum, serving without salary for the period July 1, 1972, to July 1, 1973. He received the Doctor of Philosophy degree from Southern Illinois University. (C)

10. Mr. Duc-Nhu Duong as Researcher in the Center for Vietnamese Studies for the period October 15, 1972, to April 15, 1973. He received the Master of Arts degree from the University of London. His salary is to be paid from restricted funds. \$1,200.00
(C)

11. Mr. Edward T. Esty as Adjunct Assistant Professor of Mathematics, serving without salary for the Fall, Winter, and Spring Quarters, 1972-73. He received the Doctor of Education degree from Harvard University. (C)

\$1,190.00

28. Mr. Stephen C. Wood as Assistant Professor of Biological Sciences in the Science and Technology Division for the Fall, Winter and Spring Quarters, 1972-73. Ph.D., University of Oregon.

\$1,450.00

B. Changes in Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. James A. Dalton, Assistant Professor of Economics in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Fall Quarter, 1972.

2. Mr. Larry Y. Dann to serve as thirty-three percent time Instructor of Accounting in the Business Division, rather than full time, with salary to be paid from restricted funds, rather than State of Illinois funds, for the Fall and Winter Quarters, 1972-73.

\$ 372.57
rather than
\$1,129.00

3. Mr. Robert A. Daugherty to serve as Associate Professor of Psychology and Psychological Services in the Education Division on an academic year basis, rather than Associate Professor and Chairman of Psychology and Psychological Services in the Education Division on a fiscal year basis, with monthly salary decrease to reflect change to academic responsibilities, effective September 16, 1972.

\$1,685.00
rather than
\$1,760.00

4. Mr. James O. Eaton, Associate Professor of Accounting in the Business Division on an academic year basis, to serve also as Acting Chairman of Accounting in the Business Division on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, for the period September 16, 1972, to July 1, 1973.

\$2,268.00
rather than
\$2,193.00

5. Mr. Mohamed El-Hennawi to serve as Lecturer of Finance, rather than Accounting and Finance, in the Business Division effective Fall Quarter, 1972.

6. Mr. Olin L. Hileman to serve as Associate Professor of Elementary Education in the Education Division for the Fall, Winter and Spring Quarters, 1972-73, rather than effective Fall Quarter, 1972, as reported previously.

7. Mr. Joseph S. Hupert to serve as Lecturer of Secondary Education in the Education Division for the Fall and Winter Quarters, 1972-73, and beginning Spring Quarter, 1973, to May 16, 1973, rather than for the Fall, Winter and Spring Quarters, 1972-73, as reported previously.

8. Mr. John Ingwerson, Assistant Professor of Management Science in the Business Division, to be paid from restricted funds and State of Illinois funds, rather than State of Illinois funds, for the period November 1, 1972, to January 1, 1973.

9. Mr. Orville D. Joyner, Assistant Professor of Instructional Technology in the Education Division, to serve also as Acting Director in Audio Visual Services, with monthly salary increase to reflect additional administrative responsibilities, for the period October 2, 1972, to the end of Spring Quarter, 1973. \$1,850.00
rather than
\$1,775.00

10. Mr. Robert E. Kohn, Associate Professor of Economics in the Business Division, to serve on one-half time basis for the Fall Quarter, 1972, and on one-fourth time basis for the Winter and Spring Quarters, 1973, rather than full-time basis, with salary change accordingly, and to be paid from restricted funds, rather than State of Illinois funds, for the Fall, Winter and Spring Quarters, 1972-73. \$ 872.50;
\$ 436.25
rather than
\$1,745.00

11. Mrs. Judith A. Martin, Assistant in the Nursing Division, to be paid from restricted funds, rather than State of Illinois funds, for the period November 1, 1972, to the end of Fall Quarter, 1972.

12. Mr. Thomas C. O'Brien, Associate Professor of Elementary Education in the Education Division, to serve also as Project Director in the Education Division, with salary to be paid from restricted funds and State of Illinois funds, rather than State of Illinois funds, for the period November 1, 1972, to the end of Spring Quarter, 1973.

13. Mrs. Katharine Popp to serve as full-time Lecturer of Counselor Education in the Education Division, rather than one-half time, with salary change accordingly, and to be paid from restricted funds and State of Illinois funds, rather than State of Illinois funds, for the period October 16, 1972, to the end of Fall Quarter, 1972. \$1,000.00
rather than
\$ 500.00

14. Mr. Gilbert L. Rutman, Professor of Economics in the Business Division on an academic year basis, to serve also as Acting Program Director in the Urban Studies Program on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, for the period October 1, 1972, to July 1, 1973. \$2,055.00
rather than
\$2,005.00

15. Mr. Hollis L. White, Professor of Speech and Theater in the Fine Arts Division on an academic year basis, to serve also as Acting Dean of the Fine Arts Division on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, for the period September 16, 1970, to January 1, 1971, rather than on an academic year basis at academic salary, as reported previously. This action corrects an inadvertant administrative error. \$2,200.00
rather than
\$2,100.00

C. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is recommended for the faculty members listed below:

1. For the Fall and Winter Quarters, 1973-74, at full pay:

D. Leave With Pay

Mrs. Gladys Steinman Daniels, Assistant Professor of English Language and Literature in the Humanities Division, for the Winter and Spring Quarters, 1973, for personal reasons.

E. Change in Leave Without Pay

Mr. Larry Y. Dann, Instructor of Accounting in the Business Division, for the Spring Quarter, 1973, rather than for the Fall, Winter and Spring Quarters, 1972-73, as reported previously.

F. Cancellation of Leave Without Pay

Mr. Robert E. Kohn, Associate Professor of Economics in the Business Division, for the Fall, Winter and Spring Quarters, 1972-73.

G. Resignations

1. Mrs. Jean Louise Ferguson, Staff Assistant in the Office of the Vice President and Provost, effective November 11, 1972, for personal reasons.

2. Mr. Harry A. Thiel, Instructor of Mass Communications in the Fine Arts Division and Production Manager in the Journalism and Alestle Laboratory, effective November 8, 1972, to accept employment elsewhere.

3. Mr. George W. Toussaint, Instructor in Lovejoy Library, effective December 1, 1972, for personal reasons.

Mr. Elliott moved approval of Changes in Faculty-Administrative Payroll, including the supplement. The motion was duly seconded, and carried by the following recorded vote:

Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, OCTOBER, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of October, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. After considerable discussion, the report was received.

The Chair then recognized President Derge, who called upon Dr. Willis E. Malone, Executive Vice-President and Provost, SIUC, to present the following matter:

(E) AUTHORIZATION FOR THE ESTABLISHMENT OF
A COLLEGE OF HUMAN RESOURCES, SIUC

For several years a proposal has been under discussion at Southern Illinois University at Carbondale which would establish a college which could provide a focus for the various programs designed to train professionals to work with contemporary social problems. This proposal was part of the Ten-Year Plan submitted by SIUC and was subsequently endorsed in principle by

IBHE in Master Plan, Phase III. The Board of Trustees on October 16, 1970, approved in principle the establishment of a collegiate unit for training and research in human resources development on the Carbondale Campus. Additionally, the appropriation for FY 1973 contained \$93,000 for the continued planning of this unit.

The fundamental justification for the proposed new college lies in the need to pull together scattered units with a common educational emphasis. This regrouping of units is designed to provide for greater interdisciplinary efforts in instruction, research, and service. At present, five of the eleven units which are proposed for the College of Human Resources report individually to an Assistant Provost, one unit is in the College of Liberal Arts and Sciences, and five units are in the School of Home Economics. Obviously, programmatic coordination is difficult.

The general administrative need for a new college is also evident. The presence of a significant number of free-standing, but small, academic and public service units or programs reporting to the Executive Vice-President and Provost increases the span of control of that office and results in an undesirable centralization of decision-making and policy implementation. The new college will reduce by five the number of units reporting directly to that office. The need for such action was recognized by The Management Task Force in its study of the administration of SIUC.

As presently planned, the College of Human Resources would include:

1. Black American Studies
2. The Rehabilitation Institute
3. The Department of Design
4. Community Development Services
5. The Center for Study of Crime, Delinquency, and Corrections
6. The Social Welfare Program
7. The Department of Child and Family
8. The Department of Clothing and Textiles
9. The Department of Family Economics and Management
10. The Department of Food and Nutrition
11. The Department of Interior Design

The last five units named above would continue to constitute the School of Home Economics. A committee of the chairpersons would serve as a coordinating body, particularly with the Department of Home Economics Education. Because of differences in educational emphasis, it is proposed that Home Economics Education be transferred to the College of Education. Funding for the remainder of FY 1973 would come from the budgets of the existing units. New program requests for FY 1974 funding would be allocated according to the new organization once appropriated.

The following resolution is recommended for adoption at this time:

Resolution

WHEREAS, Establishment of a College of Human Resources by Southern Illinois University at Carbondale is consistent with the goals established in the long-range academic plans of the University and in accordance with the provisions of Master Plan, Phase III, as adopted by the Illinois Board of Higher Education,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The President of Southern Illinois University at Carbondale be and is hereby authorized to proceed with the development of a College of Human Resources, to be established as an operational college as of July 1, 1973.
- (2) The College of Human Resources be authorized to act as a degree awarding unit for existing baccalaureate degree programs in Design, the Administration of Justice, Social Welfare, Child and Family, Clothing and Textiles, Family Economics and Management, Food and Nutrition and Interior Design.
- (3) This resolution be submitted to the Illinois Board of Higher Education for information.

Dr. John Baker, Assistant Provost, SIUC, assisted Dr. Malone in answering questions of the Board.

Near the end of the discussion on this matter, Mr. Allen and Dr. Fouts arrived at the meeting.

Following considerable discussion, Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Pass
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Pass
W. Victor Rouse	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(3) SCHEDULE OF MEETINGS OF THE BOARD OF TRUSTEES FOR 1973

As a traditional practice and for convenience in meeting certain provisions of the Open Meeting Statute, Board meetings have been scheduled on an annual basis. Custom has called for scheduling alternate meetings on alternate campuses of the University, and recent practice has identified the third Friday of each month as the regular meeting date. Since there have been suggestions to change from the third Friday practice, a set of four alternatives has been outlined. The annual schedule of Board meetings for the next calendar year should be adopted at the December meeting. Schedules of alternative dates, with the January meeting at SIUC and alternating between the Universities thereafter, were proposed for each third Friday, each fourth Friday, each first Friday after the first Tuesday, and each second Friday.

Following considerable discussion of the four alternative meeting dates presented as well as other dates and times, Mr. Allen moved approval of the schedule listed below which reflects the second Friday of each month:

January 12	-	Carbondale Campus
February 9	-	Edwardsville Campus
March 9	-	Carbondale Campus
April 13	-	Edwardsville Campus
May 11	-	Carbondale Campus
June 8	-	Edwardsville Campus
July 13	-	Carbondale Campus
August 10	-	Edwardsville Campus
September 14	-	Carbondale Campus
October 12	-	Edwardsville Campus
November 9	-	Carbondale Campus
December 14	-	Edwardsville Campus

The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

(F) EARLY ADMISSIONS POLICY, SIUC

The Board of Trustees has from time to time approved requirements and regulations for admission to the University, the current Undergraduate Admission Policies for the Carbondale Campus having been approved by the Board on August 20, 1971.

On September 22, 1967, the Board approved an Early Admissions Policy for the University to permit high-ranking high school seniors to enroll for University courses during their senior year of high school work. This policy was considered and approved independently of admission policies then existing and has never been incorporated into the Undergraduate Admission Policies which have been subsequently approved by the Board.

The Faculty Council of Southern Illinois University at Carbondale in accordance with Part III, Article IV, Section 3.D of the Board Statutes of 1971, has recommended changes in the existing Early Admissions Policy to:

(1) Extend the period during which certain high school students may enroll in University courses to include the summer between their junior and senior years, and

(2) stipulate that no student participating in the early admissions program may carry more than 12 quarter hours during the summer.

It is recommended that the following resolution be favorably considered:

Resolution

WHEREAS, The Faculty Council has recommended (1) that the existing Early Admissions Policy of Southern Illinois University at Carbondale be changed to permit high school students to enroll in the University during the summer between their junior and senior years without being concurrently enrolled in a secondary school, and (2) that enrollment during the summer for students participating in the early admissions program be limited to 12 quarter hours, and

WHEREAS, The Board of Trustees has reviewed the modifications of the undergraduate Early Admissions Policy adopted by the Faculty Council, and

WHEREAS, The Early Admissions Policy, with modifications as adopted by the Faculty Council, needs to be incorporated into the general Undergraduate Admission Policies for the Carbondale Campus, approved by the Board, August 20, 1971.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Early Admissions Policy, as previously approved by this Board on September 22, 1967, shall remain in effect, and the modifications of that policy as recommended by the Faculty Council are approved for Southern Illinois University at Carbondale, such modifications to be effective for the Summer Quarter, 1973.

BE IT FURTHER RESOLVED, That the following Early Admissions Policy, as amended and approved by the Board, is hereby incorporated into the Undergraduate Admission Policies for Southern Illinois University at Carbondale, as approved August 20, 1971:

Any exceptionally capable high school student who (a) has completed his junior year, (b) is recommended by his high school principal, and (c) is approved by the Director of Admissions of the University will be permitted to enroll for University courses to be taken concurrently with his senior year of high school work. Any such student will also be permitted to enroll for University courses offered during the Summer Quarter between his junior and senior years of high school, without being concurrently enrolled in the secondary school, provided that enrollment during the summer for students participating in this early admissions program shall be limited to 12 quarter hours.

It is expected that the high school principal will judge each case on its individual merits, but that in making his selections and recommendations he will consider such things as:

- (a) The rank held by the student in his high school class,
- (b) the results of any standardized test which the student may have taken,
- (c) the opinion of the student's teachers regarding his aptitude for college level work, and
- (d) the opinion of the student's teachers regarding the student's having attained sufficient maturity to adjust to the social and emotional interactions involved.

Following considerable discussion, Dr. M. V. Brown moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

President Rendleman handed out to the Board members at the meeting an eight-page Bid Tabulation sheet and a proposed matter and resolution. He apologized for the late presentation of the resolution but explained that the schedule for the December 15 Board meeting and the schedule of the bidding on November 30 and December 7 did not make it possible to have furnished it sooner. In general, he thought the bids were good because most were close to the estimate. He also mentioned three problems with the specialty bids which the Capital Development Board will have to resolve. President Rendleman asked that a change in designation be made in the matter and resolution presented today (which change has been incorporated in these minutes).

(G) REQUEST TO THE ILLINOIS BOARD OF HIGHER EDUCATION
FOR RELEASE OF COST INCREASE RESERVE FUNDS
(CLASSROOM BUILDINGS II AND III), SIUE

Funding of major capital projects includes a Board of Higher Education Cost Increase Reserve equivalent basically to 10% of estimated total project cost. This is held in reserve by the Illinois Board of Higher Education to cover funding contingencies which arise as the project proceeds from planning boards to reality.

Review by architects of bids received for the Classroom Buildings II and III project make apparent the need for release by the Board of Higher Education of a portion of the Cost Increase Reserve for this project. The Cost Increase Reserve totals \$1,426,630.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Board of Higher Education is hereby requested to release so much of the Cost Increase Reserve now held by it for Classroom Buildings II and III (SIUE) as may be determined, by the Architects Collaborative, Inc. and the Capital Development Board, to be necessary for construction of this project.

Following discussion, Mr. Allen moved approval of the resolution as presented with the designated change. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Mr. Allen then moved that this Board, having examined the bids, urges the Capital Development Board to accept the low bids as indicated on the Bid Tabulations on file in the Office of the Board of Trustees. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

(H)

AUTHORIZATION FOR ESTABLISHMENT OF CHARGES IN THE
CENTER FOR ENGLISH AS A SECOND LANGUAGE, SIUC

A special program providing intensive courses in English for non-native speakers was begun in 1964 at Southern Illinois University at Carbondale as a cooperative activity with a not-for-profit corporation, English Language Service (ELS). This arrangement was terminated in 1966. A service unit, Center for English as a Foreign Language, later being unofficially designated as the Center for English as a Second Language (CESL), was administratively established to continue the program especially designed to improve the proficiency in English of students from other countries planning to study at American colleges or universities. Other participants have included adults from other countries who have desired to learn English as a second language prior to their beginning professional careers in this country.

An international student who passes the CESL Proficiency Examination may be certified by the Center that he is proficient in English and is qualified to meet the language requirements for study at an American college or university.

Since September 1966 through the present session, scheduled to end on December 15, 1972, there have been 1,416 individual students enrolled in the Center. The current basic charges for these enrollees--non-students--in the Center have apparently not been officially established by the Board of Trustees. The non-refundable application charge of \$10.00, the class charge for one six-week session of \$225.00, the materials and language laboratory charge for each six-week session of \$5.00, and a student activity charge of \$15.50 for two six-week sessions have not been adequate. The additional funding required to meet the operation's FY 1972 deficit was \$14,524.24. To eliminate continuing deficits, increased funding is necessary. It is planned that the University would continue to furnish classroom and laboratory space as well as maintenance of the spaces.

This service unit with a present instructional-administrative staff of seven, plus two Civil Service employees and two teaching assistants, was placed under the jurisdiction of the Dean of the College of Liberal Arts and Sciences in 1972 in order to provide better management and to offer practicum experiences for graduate students enrolled in the Department of Linguistics. The current enrollment in the Center is 52 students. No student credit hours are produced by this unit.

The System Internal Auditor has recommended that the charges made by the Center for English as a Second Language be presented to the Board of Trustees for approval. This is the prime purpose of the resolution.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the authorization be and the same is hereby given to the President of Southern Illinois University at Carbondale to continue the non-credit instructional program in English for international students in the unit, Center for English as a Second Language, which is herein authorized, and

BE IT FURTHER RESOLVED, That the Center for English as a Second Language be placed under the jurisdiction of the Dean of the College of Liberal Arts and Sciences as a cooperative activity with the Department of Linguistics, and

BE IT FURTHER RESOLVED, That effective January 1, 1973, authorization be and the same is hereby given to the President of Southern Illinois University at Carbondale to establish such charges for each enrollee in the Center for English as a Second Language as are consistent with the current costs of operating the Center but not to exceed \$300.00 per six-week period of specialized instruction, and

BE IT FURTHER RESOLVED, That an application charge not to exceed \$25.00 be established as a non-returnable fee, and

BE IT FURTHER RESOLVED, That such charges collected from enrollees in the Center be used solely to provide for the necessary costs for instruction, laboratory equipment and maintenance, and for supplies commensurate with the requirements of this specialized program.

Dr. Malone was available and answered questions of Board members regarding this particular charge. General discussion then ensued concerning the definition of fees as opposed to charges, whether the Board or the administrations should set these fees, and whether the fees should cover the complete cost of the programs.

Both administrations stated they were working on a report to bring to the Board in the near future which would pull together all the unapproved fees and related issues that have grown over a period of time.

Counsel for the Board and the Universities were asked to propose a resolution defining tuition as opposed to other instructional fees for the guidance of the administrations.

Following discussion, Dr. M. V. Brown moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye

The meeting adjourned for lunch at 12:05 p.m. Following lunch, the meeting resumed at 1:05 p.m.

The Chair then recognized President Derge, who asked Dr. George R. Mace, Dean of Students, SIUC, to bring the Board up-to-date on the following matters:

(I-(1))

REVISION OF STUDENT FEE SCHEDULE, SIUC

Proposed Changes in Fee Structure

The resolution recommended for adoption would entail removing indicated funds from the present Student Activity Fee and establishing them as the Student Medical Benefit Fee. This will produce no increase in the overall mandatory fee structure in the Winter Quarter, 1973, with total fees remaining at \$53.50 for students enrolled for eleven or more hours. Effective Spring Quarter, 1973, the increase in the Student Medical Benefit Fee will increase the mandatory fee structure total from \$53.50 to \$58.00. For students enrolled in eleven or more hours, the mandatory fee structure will be as follows:

Student Activity Fee	\$ 3.50
Student Medical Benefit Fee	11.50
SWRF	15.00
Athletic Fee	10.00
Student Center Fee	10.00
Book Rental Fee	8.00
	<u>\$58.00</u>

On this basis, it would be possible to reallocate \$8.00 from the Book Rental Fee when phased out and \$5.50 from the Student Welfare and Recreational Facility Building Trust Fund so that there would be no further increase in the mandatory fee structure.

The effect of changes recommended at this time is that programs totalling \$131,647.00 during FY 1973-74 would be funded from other sources. Programs in recreation would be funded from the Student Welfare and Recreational Facility Building Trust Fund. Student Affairs would fund operations for the Mirror. Academic Affairs would fund remaining programs. In the event reallocation in Academic Affairs during the coming year could not be accomplished without serious complications, these obligations could be funded by the Student Welfare Development Fund and incorporated into the budget for FY 1974-75. The programs are itemized as follows:

<u>Academic</u>		
Forensics		\$ 500
Southern Players		265
Music Activities:		
Band	\$10,000	
Choirs	7,000	
Orchestra	<u>6,000</u>	23,000
<u>Egyptian</u>		35,000
Obelisk		<u>6,000</u>
		<u>\$64,765</u>

Student ServicesMirror

\$ 6,000

Recreation and Intramurals

Campus Lake \$14,000

Intramurals 16,000

Lake Recreation 1,100

Swimming Fund 10,000

Women's Recreation Association 16,000

*Wheelchair Athletics 208

*Handicapped Students Association 3,500

*Winged Wheels 74

\$60,882\$131,647

*(These represent both Recreation
Intramurals and Intercollegiate
Activities)

Based upon an in-depth study of the current fee structure, the following resolution to revise the mandatory Student Fee Schedule is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the present Student Fee Schedule remain the same except as only to the following items which are hereby revised and established effective as follows:

		<u>0-5 Hours</u>	<u>6-10 Hours</u>	<u>11 Hours and Over</u>
Winter Quarter, 1973	Student Medical Benefit Fee	\$- --	\$3.50	\$ 7.00
	Student Activity Fee	3.50	3.50	3.50
Spring Quarter, 1973	Student Medical Benefit Fee	4.00	7.50	11.50
	Student Activity Fee	3.50	3.50	3.50

The Student Activity Fee and the Student Medical Benefit Fee shall be mandatory for all students with the exception that both fees shall be optional for graduate students enrolled for 0-5 hours.

12/4/72

Dr. Mace explained the several direct and indirect ways in which students had been involved in the planning for expanded student health care, to be financed by the proposed version of the Student Fee Schedule. He also mentioned a proposed committee to make future recommendations on fee allocations, and a similar committee to make further recommendations for restructuring the Student Fee Schedule. Such committees would be comprised of a student chairman, 4 undergraduate and 2 graduate students, 2 faculty and 2 administrators, for a total of 11 members.

Questions were raised concerning funding of religious groups, the Daily Egyptian publishing policy and advertising sales, policy and procedures for the fee allocations recommended, internal funding of activities from which student fee support was to be withdrawn, salaries of undergraduate student government officers, and whether the completed health care plan would be submitted for Board review.

Mr. Joseph Camille, President of the Graduate Student Council, SIUC, was present and gave comments at the invitation of the Board. The undergraduate President of the Student Body was not present.

Following considerable discussion, Mr. Elliott moved approval of the resolution as presented for the Revision of Student Fee Schedule, SIUC. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Mr. Elliott then moved approval of the SIUC Student Activity Fee Allocation Recommendations 1972-73. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Nay
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye

Mr. Allen explained his vote to be in favor of the current efforts to reform the system rather than for the substance of the proposal.

The Chair then recognized Dr. James Brown, who suggested deferring consideration of Item J, Report on Faculty Workload, until the next meeting in order to be able to give it the kind of concern the Board might wish. By common consent, the Report was deferred.

The Chair then recognized President Derge, who presented the following information item and asked Dr. Malone to respond to questions and give a very short rationale of why this is being done:

(Current and Pending Matter)

(1) REASSIGNMENT OF DEPARTMENT OF OCCUPATIONAL EDUCATION, SIUC

Upon the request of the Dean of the School of Engineering and Technology and the Dean of the College of Education, and upon unanimous recommendation of the faculty of the Department of Occupational Education, the administration of Southern Illinois University at Carbondale has approved the transfer of administrative responsibility for the Department of Occupational Education from the School of Engineering and Technology to the College of Education, effective January 1, 1973.

Foremost among a number of reasons for placing Occupational Education in the College of Education is the fact that the teaching, research and service functions of the Department are related to education professions. That the Department is a teacher education and leadership development unit for public and other educational enterprises is justification enough for it to be a department in the College of Education. Several other reasons are noteworthy:

1. The faculty of the Department of Occupational Education is presently and will in the future be engaged in research and training projects in cooperation with other departments in the College of Education.
2. The faculty of the Department of Occupational Education is interested in responding to the emerging demands for preparing career education professionals through establishing close working relationships with the Departments of Guidance and Educational Psychology, Educational Administration and Foundations, Elementary Education, and others in the College of Education.

3. The faculty of the Department of Occupational Education needs and wants the advice and counsel which can only be assured by regular contact and direction from the College of Education administrative staff. Likewise, the College can benefit from regular input from Occupational Education personnel, regarding widespread reorientation of education to the world of work.
4. The diversified preparation of College of Education graduates can better match professional demands if Occupational Education is included in common and specialized recruiting, training, placement, and follow-up functions.
5. This move at SIUC is analogous to that which is happening in other pertinent situations and examples. Such a change of assignment for the Department of Occupational Education would enhance the possibilities for clearer and stronger relationships with Federal, State, and local education agencies. At the Federal level the occupational education has been elevated to Bureau status in the Department of Health, Education, and Welfare and at the State level there now is a proposal to move the Division of Vocational Technical Education to the Office of the Superintendent of Public Instruction.
6. The Department's relationships with other departments in the School of Engineering and Technology have been reduced as the engineering program has grown and become accredited, and as the philosophy and nature of curricular offerings in occupational education have undergone transition.
7. This matter has been discussed by various professionals and administrators for more than six years and there is now general accord that the reassignment of the Department of Occupational Education to the College of Education is in order.

Mr. Allen moved acceptance of this as a Current and Pending Matter.

The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed unanimously.

Following discussion, Mr. Elliott noted that under IV Statutes 2, the approval of the Board was required, and therefore moved that this be approved as an action rather than information matter. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed unanimously.

The Chair then recognized President Derge, who asked to make a status report on the SIUC Student Carrier-Current Radio Station, WIDB.

President Derge suggested that there were two unanswered questions with regard to the WIDB proposal to sell advertising time on broadcasts within SIUC dormitory housing: The legal liability of the Board of Trustees and unfair competition with local broadcasters. He then suggested a committee of one representative from WIDB, one representative of local broadcasters, and Board Staff Counsel to explicate these issues, since WIDB had funds with which to operate until such investigation was completed.

Dr. James Brown interjected that WIDB had made an effort to place a revised request to sell advertising on the Board agenda for this meeting, but had failed to meet one requirement: That administrative remedies at the University level be exhausted. President Derge confirmed that he had had little opportunity for involvement in the latest WIDB proposal.

Mr. Allen noted that, pursuant to I Bylaws 4 and IX Bylaws 2, action upon the WIDB proposal had not been placed upon the Board's agenda, and pursuant to I Bylaws 1 and IX Bylaws 3 B.4, no consideration of the matter could occur but with unanimous consent of the Board. Dr. Fouts moved such consent, and the motion died for lack of a second.

Representatives of WIDB present were invited to present arguments for unanimous consent to hear the petition. Mr. Joel Preston, General Manager of WIDB, responded that without funding for the full ensuing academic quarter he thought the activity would cease for lack of volunteer help, so there was no time for the suggested study. Dr. Emil Spees, Dean of Student Life, suggested that a report by the WIDB fiscal officer indicated sufficient

funding to meet this condition even with salaries for key WIDB executives, for whose salaries the advertising revenue was intended. By common consent, the Board indicated inclination to hear the proposal after consideration by President Derge.

At the request of President Derge, Chairman Fischer stated that a short executive session would be held following the meeting.

The meeting adjourned at 2:30 p.m.

Martin V. Brown, M.D., Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:40 a.m., Friday, January 12, 1973, in Ballroom "B" of the Student Center, Carbondale Campus. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Vice-Chairman
 Mr. Harold R. Fischer, Chairman
 Dr. Donald E. Fouts
 Mr. Harris Rowe
 Dr. Earl E. Walker,

and the following member was absent:

Mr. W. Victor Rouse.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a regular meeting held December 15, 1972, copies of which had previously been forwarded to members of the Board. On motion of Mr. Rowe, duly seconded, these Minutes were unanimously approved as presented.

The Chair recognized President Rendleman, who requested Dr. Emil F. Jason, Assistant Vice-President for Special Programs and Minority Affairs, SIUE, and who was Chairman of the Governance Council of the University Senate during the period of time this item was developed, to present the following matter:

(A) REDESIGNATION OF BASIC ACADEMIC UNITS
FROM DIVISIONS TO SCHOOLS, SIUE

In development of the academic organization of SIUE, basic academic units have been designated Divisions rather than the traditional designations of Schools and Colleges. The Governance Council of the University Senate at SIUE has recommended that the designation of the basic academic units of the University be changed from Divisions to Schools.

The administration concurs in this recommendation and requests the Board of Trustees to effect the redesignation.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That designations of the basic academic units beneath the President of Southern Illinois University at Edwardsville be and are hereby changed as follows,* effective July 1, 1973:

Business Division to School of Business

Education Division to School of Education

Fine Arts Division to School of Fine Arts

Humanities Division to School of Humanities

Science and Technology Division to School of Science and Technology

Social Sciences Division to School of Social Sciences

Division of Nursing to School of Nursing

*The School of Dental Medicine was designated a "School" by the Board of Trustees upon being initially authorized by the Board. It therefore is not included in the list of units whose designation is being changed.

After Dr. Jason's presentation, Dr. M. V. Brown suggested that the Science and Technology Division should be changed to School of Science and Engineering. President Rendleman felt that the Governance Council of the University Senate should consider this change first before a recommendation was made.

Following discussion, Mr. Elliott moved approval of the resolution as presented. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who asked Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(B) IMPROVEMENTS IN PARKING FACILITIES, SIUC

Resolution

WHEREAS, Construction Proposal No. 11, attached hereto and made a part hereof by reference as if herein set forth in full, describes in pertinent detail a project designed to improve parking facilities on the central campus area of Southern Illinois University at Carbondale, and

WHEREAS, The aforesaid construction proposal, when implemented, will provide urgently needed improvement of some existing parking facilities and will add substantial parking capacity in an area of high density and congestion,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Pursuant to Article IV, Section 1, of the Bylaws of said Board of Trustees, the aforesaid Construction Proposal No. 11 be approved.
- (2) The foregoing approval be subject to approvals and acceptances as may be required by the Illinois Board of Higher Education, Capital Development Board, and/or other agencies; which said approvals, as may be required, the administration is hereby directed to obtain.

THE BOARD OF TRUSTEES
SOUTHERN ILLINOIS UNIVERSITY
CARBONDALE, ILLINOIS

Construction Proposal No. 11
Parking Facilities
Carbondale Campus

Submitted herewith is a construction proposal to provide certain improvements in parking facilities at the Carbondale Campus of Southern Illinois University.

I. General description of the project:

This project is designed to provide improved and additional parking on the Carbondale Campus of Southern Illinois University. Thirteen surface parking lots are to be improved, three are to be enlarged, and two new lots are to be created.

In addition to the improvements in surface parking, a parking structure to accommodate approximately 500 cars will be provided. See Appendix A.

Parking fees have been collected over the past several years. Funds are now on hand to pay for all improvements. State funds will not be required for any of these projects.

II. Need for the Project:

The primary need is to provide better parking facilities and expanded parking facilities in order to more adequately accommodate a campus population of 25,000.* At the present, surface lots provide 7,501 parking spaces. Many of these lots are of a temporary nature, having a loose gravel surface. In general, the improvements will provide for a redesign, a hard surface, bumper blocks, new graphics, and screening where needed. When completed,

*Fall Term, 1972, headcount figures: Students 20,349; Faculty-Staff 2,806; Civil Service 1,867.

the improved surface parking will make available 357 additional parking spaces. The Budget established for the improvement of surface parking is \$402,800.

When the Humanities Building is completely activated, it will provide office space for 655 FTE. Its classrooms will generate approximately 24,000 weekly student hours per week. To partially alleviate the parking demand to be created by this building, a parking structure providing spaces for approximately 500 cars will be erected adjacent to the building. The budget for this project is \$900,000.

III. Financing the project:

A. Commencing in 1969, the University has been collecting funds from the sale of parking decals, parking meters, and pay lots. The balance in the Parking Revenue Account as of December 12, 1972, was \$1,749,269. The Traffic and Safety Committee of the University Senate has approved and recommended the expenditure of \$1,302,800 of the balance available to accomplish the needed improvements. In addition, a 10 per cent bidding contingency (\$130,280) will be held in reserve.

B. What is the anticipated total capitalization of the project:

Amount \$1,397,700 of total 100.0

Sources of capital funds:

(1) Direct appropriations or assignment of general state funds	<u>-0-</u>	<u>0.0</u>
(2) Estimated value* of state land to be used for the project	<u>94,900</u>	<u>6.8</u>
(3) Anticipated student fees or tuition assigned to project	<u>-0-</u>	<u>0.0</u>
(4) Other sources**	<u>1,302,800</u>	<u>93.2</u>

C. What are the anticipated annual costs of the project?

271,635 100.0

Sources of operational funds:

(1) Student fees, rentals, or sales	<u>-0-</u>	<u>0.0</u>
(2) Institutional general funds, including estimated prorated salaries of administrative and supervisory personnel, utilities, etc.	<u>149,400</u>	<u>55.0</u>
(3) Other sources**	<u>122,235</u>	<u>45.0</u>

D. To what extent will the fees of all students be raised to subsidize this project?

NONE

*Estimate based upon current assessed valuation of adjoining or nearby land.

**Funds resulting from sale of parking decals, parking meters, pay lots.

IV. Impact upon Enrollments:

- A. How many students is the project designed to serve?

All

(1) What total institutional enrollment is necessary to assure optimum use of this facility?

Current

(2) What year is the institution expected to achieve this enrollment level?

Current

- B. In what way, if any, will the project affect the institution's role and/or the State Master Plan?

The project is not inconsistent with the institution's role or the State Master Plan.

The project may well enhance the University's efforts in establishing a Collegiate Common Market. The additional and more conveniently located parking will implement the sharing of resources with visitors.

APPENDIX A

PARKING FACILITIES DESCRIPTION

<u>Lot No.</u>	<u>Location</u>	<u>Description</u>	<u>Estimated Cost</u>
10	South of Harwood	Perimeter curb and gutter, bituminous concrete surface, graphics, bumper blocks	\$35,000
50, 94	East of Washington Square	Redesign, provide oil and chip A-3 surface, bumper blocks	6,600
53	South of Service Shop	Provide oil and chip A-3 surface, graphics	9,200
1	West of General Classroom Building	Redesign, perimeter curb and gutter, bituminous concrete surface, graphics	50,000
4	West of Agriculture Building	Redesign, curb and gutter, bituminous concrete surface, graphics, bumper blocks	80,000
40, 46	West of Communications Building	Perimeter curb and gutter, bituminous concrete surface, graphics	50,000
19	East of Personnel Office	Provide oil and chip A-3 surface	6,000
3, 7	North of Pulliam Hall	Redesign, bituminous concrete surface, bumper blocks, graphics	20,500
42	Grand and Wall Street	Redesign, perimeter curb and gutter, bituminous concrete surface, graphics	50,000
23	North of Small Group Housing	Redesign, perimeter curb and gutter, bituminous concrete surface, graphics	16,000
13	East of Student Center	Planting, graphics	300
22	Life Sciences	Provide parking meters in 8 spaces	200
55	Washington and Grand	Provide new lot, A-3 surface, bumper blocks, 69 spaces	15,000
105	Grand and Elizabeth	Provide new lot, A-3 surface, bumper blocks, 111 new spaces	16,000
57	Loop Road at Grand	Perimeter curb and gutter, bituminous concrete surface, graphics, enlarge by 58 spaces.	34,000

<u>Lot No.</u>	<u>Location</u>	<u>Description</u>	<u>Estimated Cost</u>
49	South of Baptist Foundation	Perimeter curb and gutter, bituminous concrete surface, graphics, bumper blocks, enlarge by 25 spaces.	\$17,000
59	Northwest of Small Group Housing	Enlarge lot by 94 spaces, curb and gutter, bituminous concrete surface, graphics.	<u>34,000</u>
	Subtotal, Surface Parking Improvements		\$402,800
	Provide open deck, demountable, fire resistive, ramp-type parking structure for 500 cars		<u>900,000</u>
	Grand Total		<u><u>\$1,302,800</u></u>

Mr. Mager explained about the amount of money involved in the recommended improvements to the existing lots and the proposed construction of a portable, ramp-type parking garage. He also commented that plans have been undertaken for expenditure of approximately \$5,000 from the proposed budget for a consultant to determine where would be the best location for this parking structure to be constructed, and if a different location resulted that the Board would be advised.

After extensive discussion regarding the desirability of location, time involved in loading and unloading cars from this parking garage, and the impaction of traffic, Mr. Rowe moved the adoption of the resolution from the standpoint that Mr. Mager can proceed to make plans and report back to the Board. The motion was duly seconded.

Chairman Fischer said his understanding of the matter was that Mr. Mager would investigate the parking garage and come back to the Board with final recommendations before any contracts were let. Mr. Mager agreed, and said the Board would have approval of all the contracts. He would also recommend to the Board what he believed to be the best solution, along with what had been proposed, what objections had been raised, and would have it all before the Board with adequate time for staffing. Mr. Allen commented he would also like to have a comprehensive report of some long-term plans in terms of parking development as it relates to McAndrew Stadium and other buildings, especially in terms of impaction as classes change.

The motion passed by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	(Out of the room)
Harold R. Fischer	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair recognized Dr. James Brown, who presented the following matter:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Continuing Appointments

1. Mr. Arthur M. Ford as Assistant Professor of Economics effective December 1, 1972, on an academic year basis. He completed the requirements for the Doctor of Philosophy degree from the New School for Social Research. He has served as Instructor at Southern Illinois University. He was born April 10, 1935, in Union Star, Missouri. \$1,615.00
(C)
2. Mrs. Maxine Rosenbarger as Associate Professor of Occupational Education effective January 2, 1973, on an academic year basis. She received the Doctor of Philosophy degree from Southern Illinois University. She was born December 13, 1927, in Greenbrier, Tennessee. \$1,700.00
(C)
3. Mr. A. Kimbrough Sherman as Assistant Professor of Administrative Sciences effective December 1, 1972, on an academic year basis. He received the Doctor of Philosophy degree from the University of Maryland. He has served as Instructor at Southern Illinois University. He was born March 22, 1941, in Washington, D.C. \$1,600.00
(C)

B. Conditional Appointments

1. Mrs. Carol Coventry as Staff Assistant in Specialized Student Services for the period January 1 to July 1, 1973. She received the Bachelor of Science degree from Southern Illinois University. She is a candidate for the Master of Science in Education degree from Southern Illinois University. At such time as the master's degree requirements have been completed, she is to serve at an increased monthly salary effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. \$750.00;
\$800.00
(C)
2. Mrs. Elizabeth Ann Dawson as Researcher (Statistical) in the School of Medicine for the period November 15, 1972, to July 1, 1973. She received the Bachelor of Arts degree from Sangamon State University. She is a candidate for the Master of Arts degree from Sangamon State University. At such time as the master's degree requirements have been completed, she is to be granted a salary increase effective the first of the month following receipt of official notification in the President's office of completion of degree requirements. Her salary is to be paid from restricted funds. \$920.00;
\$970.00
(C)

3. Mr. Avijit Gupta as Instructor in Geography for the Winter and Spring Quarters, 1973. He received the Master of Arts degree from Calcutta University, Calcutta, India. He is a candidate for the Doctor of Philosophy degree from Johns Hopkins University. At such time as the requirements for the doctor's degree have been completed, he is to serve as Assistant Professor on term appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements.

Instructor,
\$1,300.00;
Asst. Prof.,
\$1,400.00
(C)

4. Mr. M. George Mandis as Counselor (Pre-College) in Admissions and Records effective November 13, 1972, on a fiscal year basis. He received the Bachelor of Arts degree from Southern Illinois University. He is a candidate for the Master of Science degree from Southern Illinois University. In the event the master's degree requirements have not been completed by July 1, 1973, he is to serve as Field Representative on term appointment. He was born June 7, 1946, in Litchfield, Illinois.

\$900.00
(C)

C. Term Appointments

1. Mr. Nils-Magnus Bjorkman as Assistant Professor of Sociology for the Winter Quarter, 1973. He received the Filosofie Licentiat from the University of Stockholm.

\$1,100.00
(C)

2. Mr. Rodney G. Dobey as Staff Assistant in Health Education for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Science in Education degree from Southern Illinois University. His salary is to be paid from restricted funds.

\$700.00
(C)

3. Mr. Dan K. Evans as one-half time Researcher in the Cooperative Wildlife Research Laboratory for the period October 15, 1972, to May 15, 1973. He received the Master of Science degree from Southern Illinois University. His salary is to be paid from restricted funds.

\$300.00
(C)

4. Mr. Erich Follmann as one-half time Researcher in the Cooperative Wildlife Research Laboratory for the period October 15 to November 1, 1972. He received the Master of Science degree from Southern Illinois University. His salary is to be paid from restricted funds.

\$300.00
(C)

5. Miss Lois Jean Hunt as Researcher in the Cooperative Wildlife Research Laboratory for the period October 15, 1972, to May 15, 1973. She received the Bachelor of Science degree from Iowa State University. Her salary is to be paid from restricted funds.

\$650.00
(C)

6. Dr. Stephen L. Jaffe as Clinical Associate in the School of Medicine, serving without salary for the period November 1, 1972, to July 1, 1973. He received the Doctor of Medicine degree from Cornell University. (C)

7. Mr. Kenneth J. Nalder as one-half time Resident Assistant in University Housing-Group Housing, for the Fall, Winter, and Spring Quarters, 1972-73. He has attended Southern Illinois University. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$200.00 (C)

8. Mr. Charles J. Newling as one-half time Resident Assistant in University Housing-Group Housing for the Winter Quarter, 1973. He received the Bachelor of Arts degree from St. Mary's College. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$200.00 (C)

9. Mr. Charles M. Routen as Field Representative in Admissions and Records for the period December 16, 1972, to June 16, 1973. He has attended Southern Illinois University. \$825.00 (C)

10. Mr. John R. Saint as Assistant (in Dental Hygiene) in the Vocational-Technical Institute for the Fall, Winter, and Spring Quarters, 1972-73. He received the Associate in Technology degree from Southern Illinois University. \$900.00 (C)

11. Miss Pamela Darlene Sherer as one-half time Resident Assistant in University Housing-Group Housing for the Fall, Winter, and Spring Quarters, 1972-73. She received the Bachelor of Arts degree from Carthage College. Her salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$200.00 (C)

12. Mr. H. Olav Slaymaker as Associate Professor of Geography for the period April 1 to June 8, 1973. He received the Doctor of Philosophy degree from the University of Cambridge. \$1,700.00 (C)

13. Mrs. Virginia A. Terpening as Researcher in the Cooperative Wildlife Research Laboratory for the period October 15, 1972, to May 15, 1973. She received the Master of Science degree from Southern Illinois University. Her salary is to be paid from restricted funds. \$650.00 (C)

14. Mr. Kent L. Western as one-fourth time Resident Counselor in University Housing-Thompson Point for the period November 11, 1972, to June 16, 1973. He received the Bachelor of Science degree from Southern Illinois University. His salary is to be paid from

restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$100.00
(C)

15. Dr. Charles Lyne Whitfield as Assistant Professor in the School of Medicine for the period November 1, 1972, to June 27, 1973. He received the Doctor of Medicine degree from the University of North Carolina. His salary is to be paid from restricted funds. \$2,500.00
(C)

16. Mr. David L. Wilson as one-half time Researcher in the Graduate School for the period January 1 to May 1, 1973. He received the Master of Arts degree from the University of Kansas. His salary is to be paid from restricted funds. \$250.00
(C)

D. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mr. Christopher Crawford as Assistant (in Office Machine Repair) in the Vocational-Technical Institute Manpower Training Program for the period November 4, 1972, to January 1, 1973. His salary is to be paid from restricted funds. (C)

2. Mr. John F. Falabella as one-half time Assistant (in Dental Laboratory) in the Vocational-Technical Institute for the Winter and Spring Quarters, 1973. (C)

3. Mr. Jack S. Greer as one-half time Assistant in the Vocational-Technical Institute for the Winter and Spring Quarters, 1973. (C)

4. Mr. Bobby E. Horn as one-half time Assistant in Theater for the Winter and Spring Quarters, 1973. (C)

5. Mr. David L. House as one-fourth time Resident Counselor in University Housing-University Park for the Winter and Spring Quarters, 1972. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. (C)

6. Mr. Donald B. Lee as Assistant (in Aviation Technology) in the Vocational-Technical Institute for the Winter Quarter, 1973. (C)

7. Mr. David C. McCauley as Researcher in Geography for the period September 16 to October 16, 1972. His salary is to be paid from restricted funds. (C)

8. Mrs. Marguerite M. Martin as one-half time Resident Assistant in University Housing-Small Group Housing for the Winter Quarter, 1973. Her salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. (C)

9. Miss Nancy A. Simkowski as Researcher in Geography for the period September 1 to September 16, 1972. Her salary is to be paid from restricted funds.

(C)

10. The following Adjunct Instructors in Mathematics have been reappointed for the Fall, Winter, and Spring Quarters, 1972-73, serving without salary:

Caplan, Martin
Carmony, Lowell A.
Clarke, Pamela
Hammond, Henrienne
Karmos, Joseph S.
Shively, Joe E.

E. Changes in Assignment, Salary, and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. Edwin R. Ashworth to serve as Assistant Professor, rather than Instructor, of Design and of Electrical Sciences and Systems Engineering, at an increased monthly salary, effective December 1, 1972. He was awarded the Doctor of Philosophy degree from Southern Illinois University.

\$1,675.00
rather than
\$1,525.00
(C)

2. Mr. Thurman Lee Brooks to serve as Assistant to Program Director of Black American Studies, rather than Staff Assistant in University Services to Carbondale, effective January 1, 1973, on a fiscal year basis.

(C)

3. Mr. Juh Wah Chen, Professor and Chairman of Thermal and Environmental Engineering, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis.

(C)

4. Mr. Gerald D. Coorts, Professor of Plant Industry, to serve also as Chairman, at an increased monthly salary, effective January 1, 1973, on a fiscal year basis.

\$1,655.00
rather than
\$1,505.00
(C)

5. Mr. Philip K. Davis, Professor and Chairman of Engineering Mechanics and Materials, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis.

(C)

6. Mr. E. Leon Dunning, Professor and Chairman of Technology and Professor of Electrical Sciences and Systems Engineering and Occupational Education, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973.

At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis. (C)

7. Mr. Irvin G. Hillyer to serve as Professor of Plant Industry, rather than Professor and Acting Chairman of Plant Industry, effective January 1, 1973, on a fiscal year basis. (C)

8. Miss Anita L. McGruder to serve as Staff Assistant in Black American Studies, rather than Assistant to the Coordinator of University Services to Carbondale, effective January 1, 1973, on a fiscal year basis. (C)

9. Mr. Archibald McLeod, Professor and Chairman of Theater, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis. (C)

10. Mr. Vernon Meentemeyer to serve as Assistant Professor of Geography on a full-time basis, rather than one-half time basis, with change of salary accordingly, for the Winter and Spring Quarters, 1973. (C)

11. Mr. Randall H. Nelson, Professor and Chairman of Government, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis. (C)

12. Mr. Albert J. Ross to serve as Staff Assistant in Black American Studies, rather than in University Services to Carbondale, for the period January 1 to July 1, 1973. (C)

13. Mr. James G. Smith, Professor and Chairman of Electrical Sciences and Systems Engineering, to serve on a fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis. (C)

14. Dr. Leroy Henry Spalt, Physician in the Health Service, to serve also as Associate Professor of Psychology, Associate Professor of Educational Psychology, and Physician and Associate Professor in the Clinical Center for the period November 1, 1972, to July 1, 1973. (C)

15. Mr. Ronald W. Stadt, Professor and Chairman of Occupational Education and Professor of Secondary Education, to serve on a

fiscal year basis, rather than academic year basis, effective September 16, 1973. At such time as the administrative assignment of chairman is terminated, the faculty appointment in the tenure rank indicated is to be changed from a fiscal year to an academic year basis.

(C)

16. Miss Charlotte West, Associate Professor of Physical Education for Women, to serve on a fiscal year appointment, rather than academic year appointment, effective December 16, 1972.

(C)

17. The following persons participated in an experimental program and presented off-campus credit courses under the sponsorship of the Division of Continuing Education in addition to their full-time, regularly assigned duties for the Fall Quarter, 1972. Their increases are effective only for the period of participation.

(a) Mr. Edward B. Breen, Instructor in Special Education, to serve also as Instructor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,580.00
rather than
\$1,340.00
(C)

(b) Mr. Toshiaki Hisama, Assistant Professor of Special Education, to serve also as Assistant Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,716.66
rather than
\$1,450.00
(C)

(c) Mr. John S. Jackson, Assistant Professor of Government and the Public Affairs Research Bureau, to serve also as Assistant Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,676.66
rather than
\$1,410.00
(C)

(d) Mr. Victor Randolph, Professor of Elementary Education, to serve also as Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$2,320.00
rather than
\$2,000.00
(C)

(e) Mr. Robert D. Rossel, Associate Professor of Sociology, to serve also as Associate Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,893.33
rather than
\$1,600.00
(C)

(f) Mr. Kevin Swick, Assistant Professor of Elementary Education, to serve also as Assistant Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,786.66
rather than
\$1,520.00
(C)

(g) Mr. William M. Vicars, Assistant Professor of Administrative Sciences, to serve also as Assistant Professor in the Division of Continuing Education, at an increased monthly salary, for the Fall Quarter, 1972.

\$1,931.66
rather than
\$1,665.00
(C)

F. Sabbatical Leave

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

For the Winter and Spring Quarters, 1973, at full pay:

Mr. Cal Y. Meyers, Professor of Chemistry and Biochemistry, who joined our staff in 1964, has the Doctor of Philosophy degree from the University of Illinois. He plans to lecture and engage in research and writing at Osaka City University and Kyoto University, Japan.

(C)

G. Change in Sabbatical Leave

Miss Charlotte West, Associate Professor of Physical Education for Women, requests change in sabbatical leave from the Winter and Spring Quarters at full pay to the Spring and Summer Quarters, 1973, at full pay.

(C)

H. Resignations

1. Mrs. Dianne Coams, Instructor in Elementary Education, effective the end of the Fall Quarter, 1972, because of family relocation.

(C)

2. Mr. Charles Christian Hoffmeister, Assistant Professor in Morris Library, effective August 1, 1973, to continue graduate study.

(C)

3. Dr. Richard V. Lee, Professor of Physiology, Physician in the Health Service, and Assistant to the Chancellor, effective November 13, 1972, to continue a professional association in Bloomington, Indiana. Dr. Lee has been on leave of absence without pay since August 1, 1971.

(C)

4. Mr. Michael J. Schussele, Staff Assistant in the School of Medicine, effective December 1, 1972.

(C)

5. Mr. Kenne G. Turner, Researcher in Occupational Education, effective January 1, 1973, to accept a position elsewhere.

(C)

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Vice-President and Provost.

A. Continuing Appointments

1. Mr. Alfred J. Junz as Research Associate in the Office of the Senior Vice President for Planning and Review effective November 1, 1972, on a fiscal year basis. M.A., New School for Social Research. \$1,980.00
2. Mr. Panos Kokoropoulos as Assistant Professor of Engineering in the Science and Technology Division effective January 2, 1973, on an academic year basis. Ph.D., University of Akron. \$1,400.00
3. Mr. Robert E. Schutzius as Chief Academic Adviser in the Business Division effective December 16, 1972, on a fiscal year basis. B.A., Southern Illinois University. Part of salary to be paid from restricted funds. \$1,250.00

B. Conditional Appointment

- Mr. Kenneth R. Holmes as Instructor in the School of Dental Medicine effective December 15, 1972, on a fiscal year basis. M.S., Michigan State University. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor effective the first of the month following receipt of official notification in the Office of the Vice President and Provost of completion of the degree requirements. \$1,416.67

C. Term Appointments

1. Mrs. Virginia Armbruster as one-half time Assistant to the Clinical Director in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1972-73. M.A., Washington University. Salary to be paid from restricted funds. \$ 480.00
2. Miss Rose M. Collins as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 416.66
3. Mr. Peter N. Gillingham as Research Associate in the Office of the Senior Vice President for Planning and Review for the period December 1, 1972, to July 1, 1973. B.L., Yale Law School. \$2,090.00

4. Miss Jackie Hubbard as one-half time Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 208.33

5. Mr. George P. Mancuso as Special Assistant to the Dean of the School of Dental Medicine for the period December 1, 1972, to July 1, 1973. M.S., Northwestern University. \$1,792.00

6. Mr. James Lee Mazander as thirty-three percent time Assistant in Earth Sciences in the Social Sciences Division for the Winter Quarter, 1973. B.A., Southern Illinois University. \$ 300.30

7. Mr. Donald B. Phillips as thirty-three percent time Assistant in Earth Sciences in the Social Sciences Division for the Winter Quarter, 1973. B.S. University of Illinois. \$ 265.00

8. Mrs. Verna Rivers as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 416.66

9. Miss Christine Russell as one-half time Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 208.33

10. Mrs. Cynthia S. Thomas as Coordinator in the General Office at East St. Louis for the period July 1 to November 1, 1972. B.S., Southern Illinois University. \$1,000.00

11. Mr. Richard A. Thornton as Academic Adviser in the Business Division for the period November 20, 1972, to July 1, 1973. B.A., Southern Illinois University. Salary to be paid from restricted funds. \$ 800.00

12. Mr. Carl S. Wilks as sixty-seven percent time Instructor of Sociology in the Social Sciences Division for the Winter Quarter, 1973. M.S., Saint Louis University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 670.00

13. Mr. Paul E. Winston as Project Director in the Manpower Development Training Agency for the period September 5 to November 1, 1972. M.A., University of San Francisco. Salary to be paid from restricted funds. \$1,500.00

14. Mr. Phillip W. Womack as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00

15. Mr. Robert Zipprich as twenty percent time Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 127.40

D. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mr. Morris Berk III as thirty-three percent time Lecturer of Engineering in the Science and Technology Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

2. Mr. Robert L. Carr as Assistant Project Coordinator in the Illinois Veterans Planning Project for the period December 1, 1972, to January 1, 1973. Salary to be paid from restricted funds.

3. Mrs. Karen W. Draper as Staff Assistant in the Illinois Veterans Planning Project for the period December 1, 1972, to January 1, 1973. Salary to be paid from restricted funds.

4. Mr. Fritz Marti as thirty-three percent time Visiting Professor of Philosophical Studies in the Humanities Division for the Winter Quarter, 1973. He is Professor Emeritus of Philosophical Studies in the Humanities Division. This appointment is made in accordance with the provisions of the Illinois State Universities Retirement System. \$ 458.70

5. Mr. Ronald P. Richardson as one-half time Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Salary to be paid from restricted funds. \$ 318.50

6. Mrs. Brigita M. Steffen as Lecturer of Foreign Languages and Literature in the Humanities Division for the Winter Quarter, 1973.

7. Mrs. Judy A. Varble as Staff Assistant in the Illinois Veterans Planning Project for the period December 1, 1972, to January 1, 1973. Salary to be paid from restricted funds.

8. Mrs. Terry Ann Wicker as thirty-three percent time Lecturer of Health, Recreation and Physical Education in the Education Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 396.00

E. Changes in Assignment, Salary and Terms of Appointment (Previously Approved Base Salary Not Repeated)

1. Mr. William L. Farrar to serve as Assistant to the Director

of Admissions and Records, rather than Foreign Student Admissions Counselor, in the Office of Admissions and Records, effective September 1, 1972, and to serve also as Adjunct Instructor of Historical Studies in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1972-73.

2. Mr. John Flamer, Assistant to the President of Southern Illinois University at Edwardsville, to serve at increased monthly salary to reflect additional administrative responsibilities effective January 1, 1973. \$1,250.00
rather than
\$1,120.00
3. Mrs. Earline Flottman, Assistant Professor and Program Director in the Nursing Division, to serve also as Assistant Dean in the Nursing Division for the period July 1, 1972, to July 1, 1973.
4. Mr. D. Kimble Funk, Assistant to the Director of Student Activities, to serve at increased monthly salary due to additional administrative responsibilities, for the period December 1, 1972, to July 1, 1973. \$ 764.00
rather than
\$ 714.00
5. Mr. Martin Goldberg to serve as Assistant Professor, rather than Lecturer, of Management Science in the Business Division, with monthly salary increase, due to completion of the doctor's degree, for the period December 1, 1972, to the end of Spring Quarter, 1973. Salary to be paid from restricted funds. \$1,700.00
rather than
\$1,500.00
6. Mrs. Charlotte O. Lee, Associate Professor and Coordinator (of Inner City Allied Health Programs) in Ethnic and Special Studies, to serve also as Adjunct Associate Professor of Chemistry in the Science and Technology Division, for the Fall, Winter, and Spring Quarters, 1972-73.
7. Mr. Allan J. McCurry, Professor of Historical Studies in the Social Sciences Division on an academic year basis, to serve also as Dean of the Social Sciences Division on a continuing basis, rather than term basis, effective January 1, 1973.
8. Mr. James F. Miller, to serve as Assistant Dean and Assistant Professor in the Business Division, rather than Assistant Dean, Assistant Professor and Chief Academic Adviser in the Business Division, effective December 16, 1972.
9. Mr. Dennis L. Ringering to serve as Sixty-eight percent time Assistant Professor of Art and Design, rather than thirty-four percent time Assistant Professor of Art and Design, in the Fine Arts Division, with salary change accordingly, for the Winter and Spring Quarters, 1973. \$1,020.00
rather than
\$ 510.00

10. Mr. Ralph W. Ruffner, Senior Vice President for Planning and Review of Southern Illinois University at Edwardsville, to serve also as Professor (of International Studies) in the Graduate School, rather than Professor in the Education Division, effective November 1, 1972.

11. Mr. Robert E. Schutzius to serve as Chief Academic Adviser in the Business Division, rather than Counselor, effective December 16, 1972, on a fiscal year basis. Part of salary to be paid from restricted funds.

12. Mr. William C. Slattery, Professor of English Language and Literature in the Humanities Division, to serve also as Acting Coordinator in the Deans College, with monthly salary increase to reflect additional administrative responsibilities, for the period January 1, 1973, through the end of Spring Quarter, 1973.	\$2,035.00 rather than \$1,960.00
--	---

13. Mr. Frank J. Sobkowski, Dean and Professor in the School of Dental Medicine, to serve also as Special Assistant (for Health Education) to the President of Southern Illinois University at Edwardsville, effective January 1, 1973.

14. Mr. William T. Weir to serve as Lecturer of English Language and Literature in the Humanities Division, rather than Instructor, as previously reported, for the Fall, Winter and Spring Quarters, 1972-73.

15. Mr. Dorris W. Wilton to serve as Assistant to the Director of Admissions and Records, rather than Assistant to the Registrar, in the Office of Admissions and Records, effective September 1, 1972, and to serve also as Adjunct Assistant Professor of Historical Studies in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1972-73.

16. Mrs. Marilyn Zahalsky to serve as three-fourths time Research Associate, rather than sixty percent time Research Associate, in Biological Sciences in the Science and Technology Division, with monthly salary increase, for the period October 16, 1972, to February 1, 1973. Salary to be paid from restricted funds.	\$ 750.00 rather than \$ 480.00
---	---------------------------------------

F. Sabbatical Leave

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

For the Winter and Spring Quarters, 1973, at full pay:

Mr. Paul R. Tarpey, Assistant Professor of Management Science in the Business Division, received the Master of Science degree from Oklahoma A. & M. College. He plans doctoral study at Saint Louis University.

G. Change in Sabbatical Leave

Mr. Zadia C. Herrold, Professor of Health, Recreation and Physical Education in the Education Division, requests a change in sabbatical leave granted for the Winter and Spring Quarters, 1973, at full pay, to Winter and Summer Quarters, 1973, at full pay.

H. Leave of Absence With Pay

Mr. Robert W. Handy, Director of the University Center, for the period June 1, 1973, to September 1, 1973. He plans completion of manuscripts for two books.

I. Leave of Absence Without Pay

1. Mrs. Mary Sue Schusky, Assistant Professor of Instructional Technology in the Education Division, for the Winter and Spring Quarters, 1973, for personal reasons.

2. Mrs. Mary Burnett Strauss, Instructor of Art and Design in the Fine Arts Division, for the Winter and Spring Quarters, 1973, for personal reasons.

J. Resignations

1. Mrs. Idabelle A. Hardy, Academic Adviser in the Business Division, effective December 15, 1972, for personal reasons.

2. Mrs. Erma F. Hendrix, Staff Assistant in the Supplemental Instructional Program, effective December 1, 1972, for personal reasons.

3. Mr. Gene E. Trotter, Assistant Professor of Art and Design in the Fine Arts Division and University Architect in Architectural and Engineering Services, effective January 1, 1973, to accept employment on the Carbondale Campus of Southern Illinois University.

K. Correction

Mr. Edward J. Harrick, Instructor of Business Administration in the Business Division, to serve as Assistant Professor on term appointment, rather than continuing appointment, upon completion of the doctor's degree requirements, as reported previously.

Mr. Allen moved approval of Changes in Faculty-Administrative Payroll.

The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	(Out of the room)
Harold R. Fischer	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, NOVEMBER, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of November, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Fischer asked for comments or questions, if any, on the above matter. After discussion, the report was received.

The Chair then recognized Dr. James Brown, who presented the following matter:

(E) APPEAL OF DEBORAH WIEDERMANN, SIUC

The whole record in this case will be filed in the Office of the Board of Trustees and has been supplied to each Trustee. The record consists of the submittal of Mr. Arne Wiedermann on behalf of his daughter, Deborah, who was a minor at the time of the incidents giving rise to this appeal, together with the response of SIUC, and Mr. Wiedermann's rebuttal thereof pursuant to IX Bylaws 2.

There are two questions involved. Appellant has raised the point that the response of the University was tardy, and thus may not be considered by the Board in connection with this matter. He alleges that if the Board takes notice of the University response in its deliberations, it will constitute a violation of his and his daughter's civil rights. On top of the record is the University's response to Appellant's "motion to strike" the University's response. Therefore, as the "final judicial authority with respect to the interpretation and enforcement of the Bylaws" pursuant to VII Bylaws, the first question to be decided by the Board is whether to accept and consider the University's submittal in this matter.

The second question will of course be on the merits of the appeal, which basically involves the question of whether Appellant is or should be bound to the contractual obligations of her dormitory contract, or whether the adverse conditions of the dormitory were such as to warrant her release from these obligations.

Draft orders on both questions have been supplied to each Trustee and have been tendered to all parties, and the procedural certification is attached to the record, pursuant to IX Bylaws 2 E.

The Chair requested Mr. Gruny to review this matter. After considerable discussion, Dr. Walker moved that the Board finds that the submittal of Southern Illinois University at Carbondale was timely filed and will be considered in the matter of the Appeal of Deborah Wiedermann. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

Dr. Walker moved that the Board finds that without admitting any technical or actual legal fault in the handling thereof determines that Appellant is released from all obligations under the dormitory contract in question and her academic record is forthwith released to her. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed, with one "Nay" vote by Dr. M. V. Brown.

Mr. Gruny mentioned that a communication had been handed to the Board prior to the meeting today, stating that a Bill had been introduced in the Student Senate at Carbondale to investigate the handling of releasing students from housing contracts. The Bill has not been passed by the Student Senate; it is under investigation, but it has been officially noticed to the Board.

The Chair then recognized President Derge, who requested Mr. Mager to present the following matter:

(F) ARCHITECTURAL PLANS AND DESIGN FOR THE
VOCATIONAL-TECHNICAL INSTITUTE CLASSROOM AND OFFICE BUILDING, SIUC

The location for the Vocational-Technical Institute Classroom and Office Building has been changed from the Southern Acres Campus to the Carbondale Campus to comply with the concept of Master Plan III of the Illinois Board of Higher

Education. This also requires a revision in the architectural design and plans for the building as originally prepared by Gunnar Birkerts & Associates. The Capital Development Board, with the concurrence of Southern Illinois University at Carbondale, suggests the revision of the architectural plans be done by the original architectural firm.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the firm of Gunnar Birkerts & Associates, 909 Haynes Street, Birmingham, Michigan 48011, be and are hereby recommended to the Capital Development Board of the State of Illinois for the architectural services required for the design of the Vocational-Technical Institute Classroom and Office Building to be located on the Campus of Southern Illinois University at Carbondale.

Mr. Allen moved approval of the resolution as presented. The motion was duly seconded, and discussion ensued. After a voice vote, the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Mr. Mager to present the following informational item:

(G)

REPORT ON PRELIMINARY DRAWINGS FOR THE SECURITY SERVICES BUILDING, SIUC

On May 19, 1972, the Board of Trustees approved the firm of Fischer-Stein Associates, Inc., as Architects-Engineers for the Security Services Building to be constructed on the central campus at Carbondale, and on August 23, 1972, the Architectural and Engineering Services Contract with that firm was executed. Preliminary drawings for the project have been prepared for presentation to and review by the Board at this time. Mr. Willard Hart, Campus Architect, SIUC, and Mr. Hans Fischer, President of Fischer-Stein Associates, Inc., will present the drawings and answer any questions from the Board. Presentation of these preliminary drawings is made at this stage for the Board's information, review, and comments; at such time as detailed plans and specifications for the project have been prepared, they will be presented for approval of the Board in accordance with Article IV, Section 1, of the Bylaws of the Board.

Mr. Hart and Mr. Hans Fischer, the design architect, explained the function, location, description, cost, and the proposed schedule of the Security Services Building. After discussion, which included questions to Mr. Thomas Leffler, Security Officer, SIUC, the Chair thanked the gentlemen for their report.

The Chair requested Item H, Revised Report on Faculty Work Load, be deferred until after lunch.

Chairman Fischer read the following letter he had received from Mr.

Ed Smith, Chairman of the Citizens Advisory Committee, East St. Louis, Illinois:

As you may recall, the Citizens Advisory Committee is a twenty-five member body formed to give direction and community support to the East St. Louis Center. Created in May, 1970, this group has met regularly in attempting to lend direction for continued quality higher education in the Metro-East area. It is our feeling that by holding the regularly scheduled meeting in East St. Louis, two functions will be served: The meeting will reacquaint the present Board membership with the facilities and programs of the East St. Louis Center; and, two, it will give an opportunity to East St. Louis citizens to observe University procedures and operations. Your earliest reply would be appreciated.

After discussion, it was the consensus to hold the regularly scheduled meeting at the Edwardsville Campus, and after lunch, make arrangements to tour the facilities and review the programs of the East St. Louis Center.

The Chair recognized President Rendleman, who distributed three items to the Board for information: (1) Report on the Dean's College, 1971-72; (2) Guidelines on Cooperative Doctoral Programs - Southern Illinois University at Edwardsville, St. Louis University, Washington University, January 9, 1973; (3) Recommendations for a General Education Program, SIUE, November, 1972. A copy of each of these reports has been placed on file in the Office of the Board of Trustees.

The Chair then recognized President Derge, who announced that SIUC has been recommended for favorable consideration to establish a chapter of Phi Beta Kappa, the oldest and most prestigious honorary scholastic fraternity in America. Dr. Lewis Hahn, Chairman of the University's Phi Beta Kappa Association Faculty Committee, has been informed that the Society Senate and Qualifications Committee will ask for a favorable vote on SIUC's application at the Triennial Council Meeting in August at Vanderbilt University.

Mr. Allen gave a brief report of a committee named by the Illinois Board of Higher Education to study laboratory schools. He felt that Southern Illinois University had benefited from the final deliberations of that Board in

establishing a criterion which is viable for the institution of teacher training laboratory schools in the future should we ever desire to do so. As chairman of that committee, he wanted to thank the people of this community who presented much data when the laboratory school question was before this Board of Trustees and were very helpful to him even after the laboratory school at SIUC was closed. Dr. Walker suggested that the Board should commend Mr. Allen for his excellent performance as chairman of that committee.

Mr. Elliott moved that the Board go into executive session, recess for lunch at 12:15 p.m., and return to open meeting after lunch. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

At 1:20 p.m., the Chairman called the open meeting to order. The Chair reported a short executive session was held to discuss a personnel matter and that no action had been taken.

Mr. Elliott moved that the Board resolve itself into a committee of the whole. The motion was duly seconded and adopted.

The Chair then recognized Dr. James Brown to present Item H, Revised Report on Faculty Work Load. Dr. Brown said the Board should keep in mind the prefatory statement in the report that these data take into consideration only certain quantitative and not the qualitative aspects of faculty efforts and institutional missions; also, our two Universities are in different categories by Carnegie Commission and other standards. He expressed regret that some media reports had not accurately reflected such factors. Dr. Birdman of the Board Staff had worked very specifically and directly with campus representatives in connection with this matter, and was asked to introduce the following matter:

(H)

REVISED REPORT ON FACULTY WORK LOAD

TO THE

BOARD OF TRUSTEES

SOUTHERN ILLINOIS UNIVERSITY

JANUARY 12, 1973

Report on Faculty Work Load

INTRODUCTION

In order that the Board may compare SIUC & SIUE with other institutions in the nation and the State, and in order to provide information regarding policies on faculty work load, the Board Staff in cooperation with the Universities offers with this Report data on student-faculty ratios, credit-hour productivity, unit costs, and classroom contact hour commitments. The Board should keep in mind that these data take into consideration only certain quantitative, and not the qualitative, aspects of faculty efforts and institutional missions; also, our two Universities are in different categories by Carnegie Commission and other standards. According to the Commission SIUC should be compared with other doctoral granting universities; SIUE should be compared with what the Carnegie Commission calls, "comprehensive universities and colleges."

STUDENT-FACULTY RATIOS

The Carnegie Commission Report on The More Effective Use of Resources, "recommends that all colleges and universities examine their utilization of faculty time and in particular that they do so if their student-faculty ratios fall below the following median levels for their categories."

TABLE 1

<u>STUDENT-FACULTY RATIOS</u>		
	<u>ACTUAL RATIO</u>	<u>RECOMMENDED MEDIAN RATIO</u>
SIUC	22.21 (Weighted)	21.6 (Weighted)
SIUE	20.3 (Weighted)	19.7 (Weighted)

The Weighting is obtained by multiplying FTE Graduate Students by 3 in doctoral-granting Universities and by 2 in comprehensive Universities and Colleges.

These figures demonstrate that student-faculty ratios at our Universities are above the Carnegie Commission recommended medians for their categories.

CREDIT-HOUR PRODUCTION

The Carnegie Commission believes that the best measure of output is student credit hours. The following table compares SIUC and SIUE with average State credit-hour productivity.

TABLE 2

AVERAGE CREDIT-HOUR PRODUCTIVITY PER FTE FACULTY						
		1967	1969	1970	1971	% Change 1967-71
Direct Instruction Faculty	SIUC	374.5	350.63	361.07	259.92	(30.6)
	SIUE	376.1	417.62	394.16	349.3	(7.1)
	State Avg.	282.76	279.22	286.86	280.96	(0.6)
Total Faculty	SIUC	252.4	236.62	236.65	230.84	(8.5)
	SIUE	265.4	276.68	281.68	275.21	3.7
	State Avg.	218.7	212.72	215.77	221.27	1.2

Total credit-hour productivity per FTE faculty at SIUC shows an overall decline between 1967 and 1971; total credit-hour productivity per FTE faculty involved in direct instruction at SIUE shows also an overall decline between 1967 and 1971. These declines reflect a shift from lower level to upper level undergraduate students coupled with a decline in overall enrollments. On the whole, however, our Universities have exceeded the average credit-hour productivity per FTE faculty in all senior State institutions.

The following tables (3 & 4) compare student credit-hour productivity by Illinois Senior System and by institution.

TABLE 3

COMPARATIVE DATA OF SENIOR SYSTEMS' STUDENT CREDIT HOURS PRODUCTION PER FULL-TIME RANKED FACULTY BY STUDENT LEVEL FOR FALL TERM 1971					
System	Lower	Upper	Grad I	Grad II	Total
Southern Illinois University	296.19	256.11	124.90	89.20	244.07
University of Illinois	246.03	178.99	122.57	88.32	179.60
Board of Regents	326.56 ¹	241.41	119.75	62.33 ¹	244.24
Board of Governors ²	328.49	252.62	144.33	108.32 ³	268.38
Total State	290.55	221.03	125.98	85.52	221.27

¹Sangamon State does not have Lower Division and Graduate II Production.

²Governors State not included.

³Western Illinois only institution in system with Graduate II Production.

TABLE 4

COMPARATIVE DATA SHOWING ALL SENIOR INSTITUTIONS' STUDENT CREDIT HOURS PRODUCTION PER FULL-TIME-EQUIVALENT RANKED FACULTY BY STUDENT LEVEL FOR THE FALL TERM 1971					
	<u>Lower</u>	<u>Upper</u>	<u>Grad I</u>	<u>Grad II</u>	<u>Total</u>
Southern Illinois University- Carbondale	275.04	256.72	107.16	80.61	230.84
Southern Illinois University- Edwardsville	343.59	254.74	163.57	161.70	275.21
University of Illinois - Urbana	214.99	162.95	130.67	90.36	159.84
University of Illinois - Chicago	301.58	211.21	89.43	70.13	228.09
Western Illinois University	395.48	266.56	103.88	108.32	298.09
Eastern Illinois University	285.13	247.14	127.95	--	253.94
Illinois State University	410.69	279.25	123.68	66.74	303.49
Sangamon State University	--	233.74	249.25	--	238.04
Chicago State College	249.27	242.10	198.10	--	236.72
Governors State University	--	--	--	--	--
Northeastern Illinois State College	305.00	236.20	178.30	--	247.00
Northern Illinois University	274.36	218.20	105.47	61.75	210.43

Table 3 demonstrates that credit-hour productivity in our system is high at the junior-senior level, and appropriate at the other levels.

CLASSROOM CONTACT HOURS

In a 1969 survey the Carnegie Commission determined that faculty in institutions comparable to SIUC spent a median 7.3 hours per week in the classroom. Faculty at SIUC actually spent, in Fall, 1970, an average 8.0 hours per week in the classroom.

The same Carnegie Commission survey determined that faculty in institutions comparable to SIUE spent a median 11.0 hours per week in the classroom. Faculty at SIUE actually spent, in Fall, 1970, an average 9.1 hours per week in the classroom. Since productivity at SIUE is generally high, one probable conclusion is that class sizes at SIUE are generally higher

than the State average, or that mass media teaching methods are used more extensively at SIUE than elsewhere in the State.

Average clock-hour commitments to direct instruction in the State in Fall, 1970, were 9.3 hours per week. Table 5 compares our system with other senior systems in the State and with State averages. The first column, Direct Instruction Class Hours, is based upon actual teaching commitments. The other columns are estimates submitted by faculty.

TABLE 5

SUMMARY OF PROFESSIONALLY RELEVANT FACULTY ACTIVITIES
OF THE SYSTEMS OF PUBLIC SENIOR HIGHER EDUCATION INSTITUTIONS-FALL 1970*
(EXCLUDING ADMINISTRATIVE, STUDENT SERVICES, LIBRARY, AND ORGANIZED ACTIVITIES STAFFS)

System		Instruction		Other Than Instruction				Grand Total
		Direct	Support	Res. &	Ext. &	Admin.	Comm.	
		Instr.	Instr.	Creative	Service	Activity	Assign.

ate Avg.	% Distribution	18.2	36.0	28.8	6.6	7.0	3.3	100.0
	Hrs. per FTE	9.3	--	--	--	--	--	51.0
Excluding Governors State University								

Table 5 indicates that faculty in our system estimate that they spend more time in preparing for teaching (Support Instruction Hours) and in Administrative Activity than faculty in other systems, and less time in Research and Creative Activity and on Committees than faculty in other systems.

UNIT COSTS

The Carnegie Commission considers the cost of instruction another important measure. The Unit Cost Study used by the IBHE can be defined as the cost of producing a student semester credit-hour at a given instructional level excluding the allocated expense of operating and maintaining physical plant.

The following three tables (6,7,8) should be taken together. They give a general indication, without considering quality, of how our Universities relate to Statewide average costs, credit-hour production, and contact hours.

TABLE 6

Comparison of Instructional Costs Per Credit Hour by Discipline, 1970-71

The Department Chairman is the primary officer of the University for assigning faculty work loads. These chairmen are guided in their task by the following work load policy

POLICY STATEMENT
CONCERNING FACULTY LOAD FOR FULL-TIME FACULTY
(Issued July 1, 1970)

In general, the distribution of a faculty member's time among teaching, research, and service is the responsibility of his department chairman or other comparable officer. Because faculty loads are related directly to the efficient use of existing positions, to the need for expansion positions, and to the availability of funds for salary adjustments and for new programs, chairmen and other officers are asked to adhere to the following guidelines in making staff assignments. Deans and Directors are expected to monitor faculty loads in their units and to provide justification for any major deviations from the guidelines outlined in this memorandum.

For full-time faculty, the official work load is 45 quarter hours per academic year in teaching or equivalent in a combination of teaching, research, and service activities. It is assumed that all continuing faculty have some common responsibilities such as serving on departmental committees, conferring with students, and serving in general administrative assignments. These general responsibilities are considered to be the equivalent of about one course per quarter, or nine quarter hours for the academic year. Thus, the official load, exclusive of the general activities just mentioned, is 36 quarter hours per academic year in teaching, research, and service activities other than those mentioned above.

A faculty member, regardless of rank, who devotes full time to teaching is to be assigned approximately 12 hours per quarter. Quarterly assignments may vary from this norm provided the total assignment approximates 36 hours for the academic year. A faculty member who has approved released time for research and/or service should have his basic teaching assignment modified accordingly. Determination of released time for such research activities as dissertations, theses or doctoral dissertations or publication in Graduate degree committees is a good example of the need for flexibility and discretion in the hands of Chairmen and Deans.

Although rigid formulas that can be applied uniformly across departmental or collegial lines are virtually impossible to provide, nevertheless, one criterion that should be used is based on actual time to be expended. Thus, for example, if a faculty member were devoting about ten hours per week to the direction of doctoral dissertations, then a corresponding reduction of approximately three hours in his teaching load might be considered appropriate. Deviations from anticipated involvement could be adjusted in subsequent academic quarters. A rigorous and continuing review of research and service assignments is expected.

At the beginning of each quarter, each course offered by the University is assigned a teacher and a department home. This is done through the Registrar's office and becomes the official Registrar's course time table. No grades can be given unless the course is on the time table.

At Mid-Term, each faculty member completes a statistical report which requires him to distribute his professional time to various activities as defined here. This report is approved by the chairman and further reviewed by the Dean, the Vice President and Provost, and then sent to Institutional Research and Studies.

DEFINITIONS OF PROFESSIONAL ACTIVITIES

DIRECT TEACHING includes the time expended in duties normally associated with direct contact teaching of students in college credit courses. Such "normally associated" duties or responsibilities include: preparation of lecture material, supervision of laboratory activities, student problem, thesis and dissertation for students officially enrolled for credit in the present quarter, and conferences with students enrolled in classes taught or supervised in these activities. Also included is teaching of extension classes for college credit. College credit supervision of master's or other graduate student committee activities for students not specifically enrolled and assigned to you in the present quarter.

INDIRECT TEACHING includes all assigned activities associated with the instruction of college credit students which are not direct teaching. Examples are: Supervision of teaching by others, student advisement, preparation and presentation of laboratory activities, supply, preparation of course materials, paper grading for students enrolled with others, direction of educational activities, grading of students, debate, music or drama groups not specifically enrolled for course credit with you, remedial teaching, institutional management, maintenance of shop machinery or instruments, Report Academic Advancement activities in this category. All indirect teaching activity should be allocated to the four levels of student classification.

DEPARTMENTAL RESEARCH includes all research activities carried on under the auspices of the department and supported by department funds in the form of salary and departmental service and supplies. Research for the specific purpose of preparing to teach a new course should be included as indirect teaching activity.

THESIS AND DISSERTATION GUIDANCE includes all those activities provided to Graduate Students not specifically enrolled or assigned to you for the present quarter. Report here the time taken to supervise thesis/dissertation or other graduate student committee activity for students not specifically enrolled in such classes and assigned to you in the present quarter.

CREATIVE ACTIVITIES include professional writing in all academic fields and those performing and specialized activities generally associated with Art and Music.

ORGANIZED RESEARCH is research for which a specific sum of money has been set aside either for specific projects or as the budget for a permanent research agency. Organized research activities may be funded from a "Research General Account," "Organized Research Budget Account," "Cooperative Research Account," Private business or other non-state funds.

INTRA-UNIVERSITY COMMITTEES include all those committees outside the immediate department or unit which have been established in response to institutional or campus needs. This category includes school, college, campus or university administrative committees, committees, and other planning groups.

OTHER COMMITTEES includes all those committee activities not classified as Intra-university. Such committees as relate to government agencies, inter-university coordination are examples of Other Committee activities. Committee membership in professional organizations should be included as a non-university professional activity.

[illegible]

These Administrative Studies are used by the Vice President and Provost, the Deans, and the Chairmen to evaluate work load assignments and to determine future fiscal support decisions about academic units within the University

Fiscal Year	Lower		Upper		Grad 1		Grad 2		Total

The Department Chairman is the primary officer of the University for assigning faculty work loads. These chairmen are guided in their task by the following work load policy

POLICY STATEMENT
CONCERNING FACULTY LOAD FOR FULL-TIME FACULTY
(Issued January 11, 1971 by the Senate Welfare Council)

No statement of teaching load can be made without a realization that the University as a whole derives its financial support on the basis of credit hour production. Within that context, however, certain recommended practices can be set forth. The determination of faculty teaching load assignments shall be made by the Dean and/or Chairman of the various academic units in accordance with the general guidelines outlined below:

For those engaged in undergraduate instruction, the maximum teaching load shall be no more than 12 credit hours per week.

For those engaged in graduate instruction, the maximum teaching load shall be 9 credit hours per week.

Each faculty member will also assume responsibility in the work normally associated with teaching and service to his academic unit, e.g. course preparation and evaluation, conferring with students, and committee work.

Work that supports the academic unit of the university may be substituted in lieu of teaching. Examples of such activities are: Research, Graduate Advisement, University Service, e.g. leadership positions in the University Senate, Administration, Mass Lectures, Committee Work within the academic unit.

All persons holding academic rank should be actively engaged in the teaching mission of the University during the academic year.

At the beginning of each quarter, each course offered by the University is assigned a teacher and a department home. This is done through the Registrar's office and becomes the official Registrar's course time table. No grades can be given unless the course is on the time table.

At Mid-Term, each faculty member completes a statistical report which requires him to distribute his professional time to various activities as defined here. This report is approved by the chairman and further reviewed by the Dean, the Vice President and Provost, and then sent to Institutional Research and Studies.

DEFINITIONS OF PROFESSIONAL ACTIVITIES

DIRECT TEACHING includes the time expended in duties normally associated with direct contact teaching of students in college credit classes. Such "normally associated" duties or preparation for classes or laboratories, evaluation of student progress, supervision of student research, student practice, thesis and dissertation for students enrolled for credit in the present quarter, and conferences with students enrolled in classes taught or included in these activities. Also includes teaching of extension classes for college credit. Do not report time supervision of these or other graduate student committee activities for students not specifically enrolled and assigned to you in the present quarter.

INDIRECT TEACHING includes all assigned activities associated with the instruction of college credit students other than direct contact teaching. Examples are: Supervision of teaching by others, academic advisement, preparation and preparation of laboratory equipment, supplies, preparation of course outlines, paper grading for students enrolled with others, direction of extracurricular activities including coaching of athletics, debate, music or drama groups not specifically enrolled for course credit with you, remedial teaching, instructional material preparation, maintenance of shop machinery or instruments. Report Academic Advisement activities in this category. All indirect teaching activity should be allocated to the four levels of student classification.

DEPARTMENTAL RESEARCH includes all research activities carried on under the auspices of the department and supported by departmental funds in the form of salary and departmental service and supplies. Research for the specific purpose of preparing to teach a new course should be included as an indirect teaching activity.

THESIS AND DISSERTATION GUIDANCE includes all those activities provided to Graduate Students not specifically enrolled or assigned to you for the present quarter. Report here the time taken to supervise thesis/dissertations or other graduate student committee activities for students not specifically enrolled in such classes and assigned to you in the present quarter.

CREATIVE ACTIVITIES include professional writing in all academic fields and those performing and specialized activities generally associated with Art and Music.

ORGANIZED RESEARCH is research for which a specific sum of money has been set aside either for specific projects or as the budget for a separate research agency. Organized research activities may be funded from a "Research General Account," "Organized Research Budget Account," "Cooperative Research Account," Private business or other non state funds.

INTRA-UNIVERSITY COMMITTEES includes all those committees outside the immediate department or unit which have been established in response to institutional or campus needs. This category includes school, college, campus or university administrative committees, faculty councils, and other planning groups.

OTHER COMMITTEES includes all those committee activities not classified as Intra-university. Such committees as relate to governmental agencies or inter-institutional coordination are examples of Other Committee activities. Committee membership in professional organizations should be included as a non-university professional activity.

ADMINISTRATIVE Includes the administrative activities performed for all campus or non-university groups. Examples are: (1) Adult education, remedial and elementary classes, continuing programs, institutes, conferences, clinics, and sub-collegiate credit programs; (2) Assigned community and business consultant services, clinical and educational services, services to professional and special interest groups; (3) Assigned, printing, editing, publishing, news media services, radio and television services; and (4) Other assigned similar activities where elements of public service and relations are involved. Do not report activities for which compensation beyond normal salary is received. All non-assigned activities of this nature should be reported under non-university professional activities.

EXTENSION AND PUBLIC SERVICE Includes assigned activities performed for all campus or non-university groups. Examples are: (1) Adult education, remedial and elementary classes, continuing programs, institutes, conferences, clinics, and sub-collegiate credit programs; (2) Assigned community and business consultant services, clinical and educational services, services to professional and special interest groups; (3) Assigned, printing, editing, publishing, news media services, radio and television services; and (4) Other assigned similar activities where elements of public service and relations are involved. Do not report activities for which compensation beyond normal salary is received. All non-assigned activities of this nature should be reported under non-university professional activities.

NON-UNIVERSITY PROFESSIONAL ACTIVITIES Includes non-assigned activities performed for all campus or non-university groups which have an indirect relationship to the university. National professional organization activities should be included in this category. Include these activities for which compensation is received if such activity is university related and the service is irregularly performed.

SIDE - 2

The data from the Faculty Reports are analyzed and displayed in administrative studies to assist with management decisions. Several excerpts from studies are shown.

Student Credit Hours Produced per Full-Time-Equivalent Ranked Faculty in Units of Instruction by Student Level for the Fall Terms 1966 through 1971 at Southern Illinois University at Edwardsville, Illinois

Fall Quarter	Lower Div.	Upper Div.	Grad 1 Div.	Grad 2 Div.	Total
1971	343.59	254.74	163.57	161.70	275.21

1967-68	28.62	44.20	68.25	73.45	39.26

After considerable discussion regarding the limitations inherent in the statistics, President Rendleman introduced Dr. Warren A. Joseph, Assistant Vice-President for Personnel Administration, SIUE, and Dr. J. Keith Leasure, Assistant Provost, SIUC, who also commented upon this report. President Derge cautioned against the misuse of statistical averages to judge intrinsically different sorts of schools. Dr. Birdman pointed out a section in the Carnegie Commission Report on Resource Use which recommends to Trustees that they request data at least annually on outputs, costs, as compared to similar institutions on a global basis, and as among departments internally on a more specific basis; review policies that affect costs in major ways, budgetary flexibility, and recapturing and reassignment of old funds; examine the student to faculty ratio; assign adequate authority and staff to the offices of the President. Dr. Birdman expressed a willingness at the Board's direction to continue to provide this kind of information and to seek ways in which to significantly interpret the information.

Chairman Fischer thanked everyone who had participated in this report. Mr. Elliott moved that the committee of the whole be dissolved in order to go back into regular session and that the meeting be adjourned. The motion was duly seconded and after a voice vote, the Chair declared the motion to have passed.

The meeting adjourned at 2:30 p.m.

Alice Griffin, Assistant Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:35 a.m., Friday, February 9, 1973, in the Madison Room of the University Center, Edwardsville Campus. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen
Dr. Martin V. Brown, Secretary
Mr. Ivan A. Elliott, Jr., Vice-Chairman
Mr. Harold R. Fischer, Chairman
Dr. Donald E. Fouts
Mr. W. Victor Rouse
Mr. Harris Rowe
Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
Dr. James M. Brown, Chief of Board Staff
Mr. Clifford R. Burger, Financial Officer
Dr. H. Edward Flentje, Deputy Chief of Board Staff
Mr. Robert L. Gallegly, Treasurer
Mrs. Alice Griffin, Assistant Secretary
Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Fischer presented the Minutes of a regular meeting held January 12, 1973, copies of which had previously been forwarded to members of the Board. On motion of Mr. Rowe, duly seconded, these Minutes were unanimously approved as presented.

The Chair announced the next order of business to be the annual election of officers, Executive Committee, Board representatives, and appointments by the Chairman. After a brief comment regarding his position as a Trustee and Chairman of the Board, Chairman Fischer stated that he was not a candidate for re-election, and nominated Vice-Chairman Ivan A. Elliott, Jr., to serve as Chairman of the Board.

There being no further nominations, Mr. Allen moved the nominations be closed. The motion was duly seconded and, there being no discussion, after a voice vote the Chair declared the motion to have passed unanimously. By secret written ballot, Ivan A. Elliott, Jr., was elected Chairman. Mr. Elliott assumed the Chair.

Mr. Allen nominated Harold R. Fischer as Vice-Chairman. There being no further nominations, Dr. Walker moved the nominations be closed. The motion was duly seconded. Mr. Elliott commented that he was deeply honored by the responsibility the Board had given him and he would try to do his best to give equal dedication that Mr. Fischer had given. It would be a matter of personal privilege to have Mr. Fischer serve as Vice-Chairman, not only for his assistance but for his counsel and guidance as well. After a voice vote the Chair declared the motion to have passed unanimously. By secret written ballot, Harold R. Fischer was elected Vice-Chairman.

Dr. Walker nominated Martin V. Brown as Secretary. There being no further nominations, Mr. Fischer moved the nominations be closed. The motion was duly seconded and, there being no discussion, after a voice vote the Chair declared the motion to have passed unanimously. By secret written ballot, Martin V. Brown was elected Secretary.

The Chair recognized Mr. Allen, who stated that he had served on the Executive Committee with Dr. Martin V. Brown one year and Mr. Rowe another year. Even though he enjoyed serving on this Committee, he requested to be relieved because it was a very time-consuming job. Dr. Martin V. Brown nominated Harris Rowe and Earl Walker as members of the Executive Committee to serve with Chairman Elliott. There being no further nominations, Mr. Fischer moved the nominations be closed. The motion was duly seconded and, there being no discussion, after a

voice vote the Chair declared the motion to have passed. Mr. Harris Rowe and Dr. Earl E. Walker were unanimously elected by voice vote to serve on the Executive Committee together with Chairman Ivan A. Elliott, Jr., ex-officio.

Dr. Walker nominated Harold R. Fischer to serve on the Board of Directors of the Southern Illinois University Foundation. There being no further nominations, Mr. Rowe moved the nominations be closed. The motion was duly seconded and, there being no discussion, after a voice vote the Chair declared the motion to have passed. Mr. Harold R. Fischer was unanimously elected by voice vote to serve on the Board of Directors of the Southern Illinois University Foundation. Board representatives serving on the Board of Directors of the Southern Illinois University Foundation are as follows: Chairman Ivan A. Elliott, Jr., ex-officio; Dr. Earl E. Walker to June, 1974; Dr. Martin V. Brown to June, 1975; Mr. Harold R. Fischer to June, 1976.

Mr. Rowe nominated W. Victor Rouse to serve on the Board of Trustees of the State Universities Retirement System. There being no further nominations, Mr. Fischer moved the nominations be closed and that the nominee be elected by acclamation. The motion was duly seconded and, there being no discussion, after a voice vote the Chair declared the motion to have passed. Mr. W. Victor Rouse was elected to serve on the Board of Trustees of the State Universities Retirement System.

Dr. Fouts nominated Ivan A. Elliott, Jr., to serve on the Merit Board of the University Civil Service System. There being no further nominations, Mr. Allen moved the nominations be closed and that the nominee be elected by acclamation. The motion was duly seconded and, there being no discussion, after a voice vote the Vice-Chairman declared the motion to have passed. Mr. Ivan A. Elliott, Jr., was elected to serve on the Merit Board of the University Civil Service System.

Mr. Rowe nominated Martin V. Brown to serve on the Association of Governing Boards of Universities and Colleges. There being no further nominations, Mr. Fischer moved the nominations be closed and that the nominee be elected by acclamation. The motion was duly seconded and, there being no discussion, after a voice vote the Chair declared the motion to have passed. Dr. Martin V. Brown was elected to serve on the Association of Governing Boards of Universities and Colleges.

Without objection, the Chairman of the Board made the following appointments:

Board of Higher Education - William W. Allen as alternate for
the Chairman

Joint Trustees Committee for Springfield Medical Education Programs -
Martin V. Brown and Harold R. Fischer

The Chair pointed out that according to the Bylaws, Committees of the Board expire at the end of this meeting unless their term is extended. Dr. Walker moved that the term of the Committee on Board and Executive Officer Relationships of the Board of Trustees of Southern Illinois University which was appointed November 17, 1972, be extended. The motion was duly seconded and, after a voice vote the Chair declared the motion to have passed. The present members were reappointed; namely, Ivan A. Elliott, Jr., Chairman, William W. Allen, and Martin V. Brown to serve on the Committee on Board and Executive Officer Relationships of the Board of Trustees of Southern Illinois University.

At this time, Chairman Elliott made a brief report on the progress of the Committee on Board and Executive Officer Relationships of the Board of Trustees. The Committee now has produced a first draft of a report which will continue the refinement of what has been done in the decentralization in the past; some changes will be made but not a major change in the organization of the University. The

Committee has agreed that Southern Illinois University has the three best administrators in the State of Illinois. The Committee will again meet with the two Presidents and the Chief of Board Staff to discuss the details of the report before the report is released.

The Chair then recognized Dr. James Brown, who presented the following matter:

(4) . PETITIONS FOR RECONSIDERATION: APPEAL OF DEBORAH WIEDERMANN

Mr. Arne Wiedermann has submitted to the Board of Trustees two petitions for Reconsideration in the matter of the Appeal of Deborah Wiedermann, decided by the Board at the January meeting.

Mr. Wiedermann's first petition requests the Board to reconsider its judgment that the Carbondale University "summary and records" submitted in the original grievance proceeding were timely and thus admissible in the record of the appeal.

Mr. Wiedermann's second petition requests the Board to determine that there did exist an unacceptable study environment near Miss Wiedermann's dormitory room, that such a determination be entered on Miss Wiedermann's academic record, and that the Board record its approval or disapproval of performance by a certain University employee in the matter.

These petitions have been placed on the Board agenda as required by the Bylaws. The Board may take any action on each petition which it could have taken on the original appeal.

Dr. Walker commented that at the January meeting of the Board, included in the resolution was the fact that the Board accepted the reports submitted to it and that a point was made specifically that the University was not at fault; therefore, since both of the petitions have been covered, he moved that the Board not reconsider the Appeal of Deborah Wiedermann. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

The Chair then recognized President Rendleman, who requested Mr. Kenneth Ramers, Personnel Officer, SIUE, and Mr. Joseph Yusko, Personnel Officer, SIUC, to present Item A - Amendments to Tax-Sheltered Annuity Program and to answer questions.

Dr. Walker moved approval of the resolution and the motion was duly seconded. After considerable discussion regarding the language involved in the resolution, the Chair requested consent of the mover and seconder to withdraw the motion until some of the language of the resolution had been changed by Messrs. Ramers and Yusko and then the matter would be brought back to the Board later in the meeting. Consent was granted.

The Chair then recognized President Rendleman to present Item B - Approval of Financing Proposal for Additional Student Housing, SIUE. At the request of President Rendleman, this matter was deferred until later in the meeting because of the later arrival of Mr. Peter Kenny of the Bond Counsel firm of Mudge, Rose, Guthrie & Alexander, from New York.

The Chair then recognized Dr. James Brown, who presented the following matter, including a supplement from the Office of the Board of Trustees and a supplement from SIUC neither of which had the Board received in advance of this meeting:

(C) CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Report of Death

With regret, we report the death of Mr. Norman L. Wendt, System Internal Auditor. He was born September 18, 1924, and died January 22, 1973. He received the B.S.C. degree from St. Louis University in 1949. He served as an accountant with General Motors Acceptance Corporation in St. Louis and as Controller at St. Louis University prior to accepting appointment at SIU at Edwardsville in 1965. He served the University in various capacities, including Budget Officer, Division Chief (Auditor), Director of Auxiliary and Service Enterprises, Director of Administrative Services, and University Auditor before being named System Internal Auditor in November of 1971.

B. Reappointments (Base Salary Rate Not Repeated)

1. Mr. John Feickert to serve as one-half time Staff Assistant in the Office of the Board of Trustees for the period January 2, 1973 to June 30, 1973.
2. Mr. Malcolm V. Replogle to serve as one-fourth time Staff Assistant in the Office of the Board of Trustees for the period January 2, 1973 to March 16, 1973.

The following supplement, copies of which were distributed to the members of the Board at the meeting, was recommended for approval:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following addition to and change in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Changes in Assignment, Salary, and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

Mr. Robert L. Gallegly, Associate Professor of Accountancy, and Board Treasurer, to serve also as Acting System Internal Auditor, effective January 23, 1973, with no change in salary.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Continuing Appointments

1. Mr. Henry E. Bender as one-half time Associate Professor of Design effective January 2, 1973, on an academic year basis. He received the Doctor of Philosophy degree from New York University. He was born April 5, 1938, in Mineola, New York. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$950.00
(C)

2. Mr. Dale R. Bengtson as Assistant Professor of Religious Studies effective September 25, 1973, on an academic year basis. He received the Doctor of Philosophy degree from Hartford Seminary Foundation. He was born September 2, 1936, in Selma, California. \$1,500.00
(C)

3. Mr. Gareth M. E. Goodger-Hill as Assistant Professor of Cinema and Photography effective January 2, 1973, on an academic year basis. He received the Master of Science degree from the University of Oregon. He was born November 19, 1938, in Montreal, Quebec, Canada. \$1,200.00
(C)

4. Mr. Theodore H. Mattheiss as Associate Professor of Administrative Sciences effective January 2, 1973, on an academic year basis. He received the Doctor of Business Administration degree from the University of Maryland. He was born September 22, 1936, in Baltimore, Maryland. \$1,700.00
(C)

5. Mr. James F. Moore as Staff Assistant in the Counseling and Testing Center effective January 1, 1973, on a fiscal year basis. He received the Bachelor of Arts degree from Southern Illinois University. He was born January 30, 1949, in Johnson County, Illinois. \$600.00
(C)

6. Mr. Bluford M. Sloan as Assistant Coordinator of Student Work and Financial Assistance effective January 1, 1973, on a fiscal year basis. He received the Master of Theology degree from Southern Baptist Theological Seminary. He was born April 21, 1915, in Galatia, Illinois. \$985.00
(C)

7. Mr. Gene E. Trotter as Assistant Professor in the Vocational-Technical Institute effective January 1, 1973, on a

fiscal year basis. He received the Bachelor of Science degree from North Dakota State University. He was born May 1, 1917, in Fargo, North Dakota. \$1,600.00
(C)

B. Term Appointments

1. Mr. Stephen M. Beatty as Assistant (in Auto Mechanics) in the Vocational-Technical Institute Manpower Training Program for the period January 1 to April 1, 1973. His salary is to be paid from restricted funds. \$600.00
(C)

2. Miss Jean L. Berres as Instructor in the School of Journalism for the Winter and Spring Quarters, 1973. She received the Master of Arts degree from Marquette University. \$1,166.00
(C)

3. Mr. Ronald L. Bishop as one-half time Research Assistant in the Southern Illinois University Press for the period January 1 to May 1, 1973. He received the Bachelor of Arts degree from San Francisco State College. His salary is to be paid from restricted funds. \$300.00
(C)

4. Mr. Shelly J. Bleiweiss as Researcher in the Cooperative Wildlife Research Laboratory for the period December 12, 1972, to March 25, 1973. He received the Bachelor of Arts degree from Southern Illinois University. \$600.00
(C)

5. Mr. Joseph L. Davie as Consultant in Information Processing for the period December 11, 1972, to February 10, 1973. He received the Bachelor of Arts degree from Southern Illinois University. \$1,500.00
(C)

6. Mr. Leonard E. Etlinger as Adjunct Instructor in Mathematics, serving without salary for the Fall, Winter, and Spring Quarters, 1972-1973. He received the Master of Arts degree from Syracuse University. (C)

7. Mr. Charles E. Greer as one-fourth time Staff Assistant in the Studies in Adult Education Project for the Fall Quarter, 1972. He received the Master of Science in Education degree from Southern Illinois University. His salary is to be paid from restricted funds. \$125.00
(C)

8. Mrs. Loretta Marie Hays as Instructor in the Vocational-Technical Institute for the Winter Quarter, 1973. She received the Master of Science in Education degree from Southern Illinois University. \$1,000.00
(C)

9. Mr. Alan W. Holz as Adjunct Instructor in Mathematics, serving without salary for the Fall, Winter, and Spring Quarters, 1972-73. He received the Doctor of Philosophy degree from Purdue University. (C)

10. Miss Barbara A. Kay as Clinical Professor in the School of Medicine, serving without salary for the period December 16, 1972, to July 1, 1973. She received the Doctor of Philosophy degree from Ohio State University. (C)

11. Dr. Don E. Knapp as Physician in the Health Service for the period February 1 to March 1, 1973. He received the Doctor of Medicine degree from the University of Illinois. \$2,310.00 (C)

12. Mr. Paul Lamprinos as Adjunct Instructor in Mathematics, serving without salary for the Fall, Winter, and Spring Quarters, 1972-73. He received the Master of Science degree from Michigan State University. (C)

13. Mr. Joseph C. Liberto as Assistant in the School of Music for the Spring Quarter, 1973. He received the Bachelor of Arts degree from LaSalle College. \$700.00 (C)

14. Mr. Richard L. Marcuson as Lecturer in Mathematics for the Winter and Spring Quarters, 1973. He received the Doctor of Philosophy degree from Indiana University. \$1,250.00 (C)

15. Mr. Jay Dee Martin as one-third time Instructor in the Vocational-Technical Institute for the Winter and Spring Quarters, 1973. He received the Master of Arts degree from the University of Missouri at Kansas City. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$350.00 (C)

16. Mrs. Rita Marie Maulding as Staff Assistant in Cooperative Fisheries Management Research for the period January 2 to April 1, 1973. She received the Bachelor of Arts degree from Southern Illinois University. Her salary is to be paid from restricted funds. \$520.00 (C)

17. Dr. D. J. Mauro as Clinical Associate in the School of Medicine, serving without salary for the period December 1, 1972, to July 1, 1973. He received the Doctor of Medicine degree from Temple University. (C)

18. Mr. Terry L. Mauzy as Researcher in the Career Development for Children Project for the period January 1 to July 1, 1973. He received the Bachelor of Science degree from Southern Illinois University. His salary is to be paid from restricted funds. \$900.00 (C)

19. Mr. Timothy Merriman as one-half time Researcher in the Cooperative Wildlife Research Laboratory for the period October 15, 1972, to January 1, 1973. He received the Master of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. \$300.00 (C)

20. Mr. Paul Mocaby as Assistant (in Welding) in the Vocational-Technical Institute Manpower Training Program for the period December 11, 1972, to April 1, 1973. His salary is to be paid from restricted funds. \$725.00
(C)

8. Miss Linden Gail Leathers, Staff Assistant in the Talent Search Center, effective January 1, 1973, to accept appointment with the St. Louis School District, St. Louis, Missouri. (C)

9. Mrs. Sue D. Lewis, Research Associate in Cooperative Fisheries Management Research, effective December 4, 1972. (C)

10. Mr. Ross W. Logan, Instructor and Chief Academic Adviser in the Center for the Study of Crime, Delinquency, and Corrections, effective January 1, 1973. (C)

11. Mr. Richard L. Thompson, Assistant (in Welding) in the Vocational-Technical Institute Manpower Training Program, effective December 1, 1972, to accept appointment elsewhere. (C)

I. Special Salary Adjustments

The following salary increases are recommended to attain equity with prevailing salaries for doctors of medicine in the area. The aggregate increase within the faculty-administrative employee unit does not result in any violation of the Economic Stabilization Act according to the Office of the University Legal Counsel:

1. Dr. Walter P. Alvis, Physician in the Health Service, to serve on an eighty percent time basis, rather than a ninety-five percent time basis, and at an increased monthly salary, for the period March 1 to July 1, 1973.	\$2,333.33 rather than \$1,875.00 (C)
--	--

2. Dr. Bon B. Hartline as Physician in the Health Service for the period February 1 to July 1, 1973, with salary increase effective March 1, 1973. He received the Doctor of Medicine degree from the University of Illinois. His salary is to be paid from restricted funds.	\$2,680.00; \$2,916.66 (C)
---	----------------------------------

3. Dr. Don E. Knapp as Medical Director and Physician in the Health Service for the period March 1 to July 1, 1973.	\$3,216.66 (C)
---	-------------------

- | | |
|---|--|
| 4. Dr. Glenn R. Marshall, Physician in the Health Service, to serve at an increased monthly salary for the period March 1 to July 1, 1973. His salary is to be paid from restricted funds. | \$2,916.66
rather than
\$2,370.00
(C) |
| 5. Dr. Peter O'Dwyer as Physician in the Health Service for the period February 1 to July 1, 1973, with salary increase effective March 1, 1973. | \$2,087.50;
\$2,916.66
(C) |
| 6. Dr. Anthony J. Raso, Physician in the Health Service, to serve on a ninety percent time basis, rather than eighty-four percent time basis, and at an increased monthly salary, for the period March 1 to July 1, 1973. | \$2,625.00
rather than
\$1,840.00
(C) |

The following supplement, copies of which were distributed to the members of the Board at the meeting, was recommended for approval:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll:

16. Mrs. Margaret Enblom as thirty-three percent time Lecturer of English Language and Literature in the Humanities Division for the Winter Quarter, 1973. B.A., Kalamazoo College. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 264.00
17. Mr. Wallace A. Pingal as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
18. Mr. Richard H. Flure as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
19. Mrs. Phyllis M. Gibson as Staff Assistant in the Business Division for the period December 1, 1972, to April 1, 1973. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 550.00
20. Mr. Ronald Green as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
21. Mr. Jeffrey Gunns as thirty-three percent time Instructor of Sociology in the Social Sciences Division for the Winter Quarter, 1973. M.S.W., Saint Louis University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 316.80
22. Mr. Donald L. Harvick as Adjunct Associate Professor of Secondary Education in the Education Division, serving without salary, for the Winter and Spring Quarters, 1973. Ed.D., University of Illinois.
23. Mr. Edward C. Hayward as Post-Doctoral Fellow in the Science and Technology Division for the period September 1, 1972, to September 1, 1973. Ph.D., University of Rochester. Salary to be paid from restricted funds. \$ 530.00
24. Mr. James W. Henley as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
25. Mr. Russell J. Heuberger as Staff Assistant in the Delinquency Study and Youth Development Center for the period December 1, 1972, to September 10, 1973. M.S., Southern Illinois University. Salary to be paid from restricted funds. \$1,000.00

26. Mr. Joseph L. Hoyle as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
27. Mr. Gerald Thomas Hull as one-half time Staff Assistant in the Office of the President for the period December 18, 1972, to July 1, 1973. B.A., Southern Illinois University. \$ 300.00
28. Mr. Joseph S. Hupert as Lecturer in the Education Division for the period May 16 to July 1, 1973. B.A., Washington University. Salary to be paid from restricted funds. \$1,390.00
29. Mrs. Amy J. Kessler as one-half time Instructor in the Delinquency Study and Youth Development Center for the period January 1 to July 1, 1973. M.S., University of Wisconsin. Salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 450.00
30. Mr. Robert E. Klie as twenty-seven percent time Lecturer of Chemistry in the Science and Technology Division for the Winter Quarter, 1973. M.S., University of Kentucky. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 270.00
31. Mr. Thomas F. Lenhardt as one-fourth time Lecturer of Elementary Education in the Education Division for the Winter Quarter, 1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 212.50
32. Mr. James L. Lowry as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
33. Mrs. Judith A. Martin as one-half time Assistant in the Nursing Division for the Winter and Spring Quarters, 1973. B.S., Southern Illinois University. Salary to be paid from restricted funds. \$ 500.00
34. Mr. Wilbur R. McKee as Adjunct Assistant Professor in Lovejoy Library, serving without salary, for the period October 1, 1972, to July 1, 1973. M.A., University of Michigan.
35. Mr. Larry J. Miller as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00

36. Mr. Edward H. Moore as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
37. Mr. Theodus Moore as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
38. Mr. Willie C. Moore as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 666.66
39. Mr. Norman F. Nelson as seventeen percent time Assistant in Chemistry in the Science and Technology Division for the Winter Quarter, 1973. B.A., Southern Illinois University. \$ 102.00
40. Mr. James V. O'Neal as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
41. Mr. Aaron D. Peterson as one-fourth time Lecturer of Elementary Education in the Education Division for the Winter Quarter, 1973. M.A., Washington University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 212.50
42. Mr. John K. Revenburgh as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
43. Mr. Timothy G. Richards as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
44. Mr. Stanley Riley, Jr., as Staff Assistant in the Delinquency Study and Youth Development Center for the period November 15, 1972, to September 10, 1973. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 834.00
45. Mr. William F. Seib as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 708.33

46. Mr. Clifford F. Simmons as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
47. Mr. Michael L. Smith as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
48. Mr. Wayne E. Spencer as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00
49. Mrs. Elizabeth Stanley as one-fourth time Lecturer of Instructional Technology in the Education Division for the Winter Quarter, 1973. M.A., University of Denver. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 225.00
50. Mr. James D. Steele as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
51. Mr. Richard C. Teichmann as one-fourth time Lecturer of Elementary Education in the Education Division for the Winter Quarter, 1973. M.S., University of Illinois. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 212.50
52. Mr. Leon C. Thouvenot as one-half time Instructor of Accounting in the Business Division for the Winter Quarter, 1973. B.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 450.00
53. Mr. Trent F. Turner as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00
54. Mr. David H. Van Aken as thirty-three percent time Instructor of English Language and Literature in the Humanities Division for the Winter Quarter, 1973. M.A., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in

it does not count toward permanent tenure. \$ 264.00

55. Mr. William L. Varble as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 833.33

56. Mr. Alphonso Edward Vaughn as thirty-three percent time Instructor of Sociology in the Social Sciences Division for the Winter Quarter, 1973. M.S.W., Saint Louis University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 316.80

57. Mr. Bobby J. Viviano as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00

58. Mr. Robert J. Wehling as seventeen percent time Lecturer of Mass Communications in the Fine Arts Division for the Winter Quarter, 1973. B.S., Washington University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 181.90

59. Mr. John J. Welle as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 700.00

60. Mr. Kenneth L. Williams as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 637.00

61. Mrs. Catherine A. Wright as Staff Assistant in the Illinois Veterans Planning Project for the period November 1 to December 1, 1972. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds. \$ 516.66

C. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mr. Robert W. Barclay as thirty-three percent time Lecturer of Business Administration in the Business Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

2. Mrs. Elizabeth Kasten as one-half time Instructor of Business Education in the Business Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate

for part-time appointment except that time of service in it does not count toward permanent tenure.

3. Mr. Michael E. Keister as one-fourth time Instructor of Psychology and Psychological Services in the Education Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

4. Mr. William F. Schmeltz as one-fourth time Professor of Accounting in the Business Division for the Winter Quarter, 1973. Salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

D. Changes of Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. Charles A. Armitage, Lecturer of Business Administration in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

2. Mr. Robert L. Barringer, Associate Professor of Management Science in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than restricted funds, for the Winter Quarter, 1973.

3. Mr. James A. Dalton, Assistant Professor of Economics in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than restricted funds, for the Winter Quarter, 1973.

4. Mrs. Martha Morsman Feeney, Instructor in Lovejoy Library, to serve on continuing appointment, rather than term appointment, effective July 1, 1972.

5. Mr. Odies C. Ferrell, Assistant Professor of Marketing in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

6. Mr. Martin Goldberg, Assistant Professor of Management Science in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Winter Quarter, 1973.

7. Mrs. Colleen R. Haffner to serve as Staff Assistant in the Office of Student Housing, rather than in the Office of

the Vice President for Business Affairs, and to be paid from State of Illinois funds, rather than restricted funds, for the period January 1 to July 1, 1973.

8. Mr. Arthur E. Hoover, Professor of Business Administration in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

9. Mr. Thomas E. Johnson, Jr., Assistant Professor of Management Science in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

10. Mr. Steven H. Jones, Instructor of Anthropology in the Social Sciences Division, to serve on three-fourths time appointment, rather than one-half time appointment, with salary change accordingly, for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 705.00
rather than
\$ 470.00

11. Mr. Donald J. Klein, Visiting Professor of Accounting in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Winter Quarter, 1973.

12. Mrs. Charlotte O. Lee, Associate Professor of Ethnic and Special Studies, to serve also as Adjunct Associate Professor of Chemistry in the Science and Technology Division, for the Fall, Winter and Spring Quarters, 1972-73.

13. Mr. David J. Luck, Professor of Marketing in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

14. Mr. W. Mason Richard, Lecturer of Accounting in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than restricted funds, for the Winter Quarter, 1973.

15. Mr. David A. Roth, Assistant Professor of Earth Sciences in the Social Sciences Division, to serve on sixty-seven percent time appointment, rather than full-time appointment, with salary change accordingly, for the Winter and Spring Quarters, 1973.

\$1,001.65
rather than
\$1,495.00

16. Mr. Thomas E. Schaeffer, Lecturer of Management Science in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

17. Mr. Norman E. Showers, Associate Professor of Health, Recreation and Physical Education in the Education Division, to serve also as Acting Chairman of Health, Recreation and Physical Education in the Education Division, for the Winter Quarter, 1973.

18. Mr. Marvin A. Soloman, Assistant Professor in Lovejoy Library, to be paid from State of Illinois funds, rather than restricted funds, for the period December 1, 1972, to January 1, 1973.

19. Mr. Sidney A. Strong to serve as Assistant to the Coordinator in Business Affairs, rather than in the Office of Student Housing, with salary to be paid from restricted funds, rather than State of Illinois funds, for the period January 1 to July 1, 1973.

20. Mr. Paul E. Sultan, Professor of Business Administration and Economics in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

21. Mr. William J. Tudor to serve as Associate Director of the University Press of Southern Illinois University at Edwardsville and Professor in the Office of the Vice President and Provost, rather than Director (on leave) of the former Office of Regional and Urban Development Studies and Services, effective January 1, 1973.

22. Mr. Wayland B. Van Syoc, Professor of English Language and Literature in the Humanities Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

23. Mr. Roland L. Wiggins to serve as Assistant Vice President for Student Affairs (for Environmental Health Care, Education and Safety), rather than Director of Health Service, and to serve on term appointment, rather than continuing appointment, effective December 14, 1972, to September 1, 1973.

E. Sabbatical Leave

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

1. For the Winter and Spring Quarters, 1973, at full pay:

Mr. Richard J. Milles, Associate Professor of Accounting in the Business Division, received the Doctor of Philosophy degree from Saint Louis University. He plans research and writing.

F. Leaves Without Pay

1. Mrs. Mary Sue Schusky, Assistant Professor of Instructional Technology in the Education Division, for the Winter and Spring Quarters, 1973, for personal reasons.
2. Mrs. Mary Burnett Strauss, Instructor of Art and Design in the Fine Arts Division, for the Winter and Spring Quarters, 1973, for personal reasons.
3. Mr. Roland L. Wiggins, Assistant Vice President for Student Affairs (for Environmental Health Care, Education and Safety), for the period March 1 to September 1, 1973, for personal reasons.

G. Resignations

1. Mrs. Sherelon J. Pintar, Staff Assistant in the Social Sciences Division, effective January 1, 1973, for personal reasons.
2. Mr. Larry D. Roth, Assistant to the Vice President and Provost, effective January 9, 1973, to accept a position with the State of Illinois Department of Registration and Education.
3. Mr. Robert Van Regenmorter, Lecturer of Accounting in the Business Division, effective the end of Fall Quarter, 1972, to accept a position with the Middle Tennessee State University.

Mr. Allen moved approval of Changes in Faculty-Administrative Payroll, including the two supplements. The motion was duly seconded, and carried by the following recorded vote:

Earl E. Walker	Aye
Harris Rowe	Aye
W. Victor Rouse	Aye
Donald E. Fouts	Aye
Harold R. Fischer	Aye
Ivan A. Elliott, Jr.	Aye
William W. Allen	Aye
Martin V. Brown	Aye

Dr. Walker expressed sympathy for the family of the late Mr. Wendt, the System Internal Auditor, and thanks for his loyal and able service. He also expressed pleasure at the background and reputation of Mr. Weaver for the Athletic Director position at SIUC.

The Chair then recognized Dr. James Brown, who presented the following matter:

(D) REPORT OF PURCHASE ORDERS AND CONTRACTS, DECEMBER, 1972

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of December, 1972, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Elliott asked for comments or questions, if any, on the above matter. Mr. Allen made a brief report to the members of the Board on meetings the Executive Committee has held with various officials at the two Universities and the System Office to try to work out some of the problems dealing with the motor fleet and other purchases. He expressed his appreciation for the cooperation this Committee had received, and he felt that substantial progress had been made in clearing up some of these matters. After discussion, the Report of Purchase Orders and Contracts, December, 1972, was received.

The Chair then recognized President Rendleman, who requested that the Board now consider Item B - Approval of Financing Proposal for Additional Student Housing, SIUE. He introduced the following people, and said that they were available for questioning: Mr. Peter Kenny, of the Bond Counsel firm of Mudge, Rose, Guthrie & Alexander; Messrs. Howard Percy and Arthur Weichelt, of the Fiscal Agent firm of Midwest Securities; Mr. Sam Lemsky, of the developer firm of Consumers Development and Construction; and Mr. Don Blivas, of the Architectural firm of Blivas Associates. President Rendleman then presented the following matter:

(B) APPROVAL OF FINANCING PROPOSAL FOR ADDITIONAL STUDENT HOUSING, SIUE

At the November, 1972, meeting of the Board of Trustees, University officers were authorized to work with Mudge, Rose, Guthrie & Alexander (bond counsel) and Midwest Securities (fiscal agent) to explore development of a financing and development plan for additional student housing. Results of those efforts were to be reported to the Board. University officers subsequently held three meetings involving Messrs. Peter Kenny (Mudge/Rose), Arthur Weichelt (Midwest Securities), Charles Schweizer (SIU Foundation), Francis Sperry (HUD), Board Treasurer Gallegly, Assistant Treasurer Isbell, and Board Counsel Grunty.

Following thorough discussion of all pertinent concerns in these meetings, the following points were agreed upon:

- (1) Mudge, Rose, Guthrie & Alexander will render an unqualified opinion on revenue bonds of the Board of Trustees issued to finance acquisition of the project as proposed by SIUE.
- (2) Midwest Securities views the project favorably and will guarantee the sale of 5.5 million dollars in revenue bonds.
- (3) HUD has assured an interest subsidy grant at a minimum of \$145,600 annually for this project, and the SIUE application to HUD was filed early enough to remain a valid, continuing commitment despite any possible moratorium on HUD funds.
- (4) The University should proceed as quickly as possible to secure sale of bonds in the most advantageous bond market.

The project considered remains the same as previously proposed by SIUE. Consumers, Ltd. will construct the project under contract with the SIU Foundation and the University will purchase the completed project in phases from the Foundation via funding from Board of Trustees revenue bonds. Issuance of such bonds in the amount of 5.5 million dollars will require the pledge of student tuition and fees in an amount presently estimated at \$276,000 annually.* The participants in the above meetings consider the project to be feasible in every respect. The Board therefore is requested to authorize final steps necessary to consummate the bond sale.

Resolution

WHEREAS, The Board of Trustees has been advised that the acquisition of additional student housing by Southern Illinois University at Edwardsville in the manner today proposed is feasible both in respect to fiscal and legal considerations and the Board desires to consummate this project.

*This estimate is being finalized at the deadline for submission of Board Matters. It is subject to slight revision prior to the February Board meeting.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Board approves acquisition of additional student housing at SIUE through the format today proposed by University officers.
- (2) After approval of specific terms by the Board, the Board authorizes the President of Southern Illinois University at Edwardsville to effect the transfer of title in real property of the University, containing approximately 30 acres and situated adjacent to and north from the existing Tower Lake I housing project, to the Southern Illinois University Foundation for use by the Foundation in developing student housing contemplated herein.
- (3) The Board further requests the Southern Illinois University Foundation to accept title to the real property authorized for transfer to it, to enter into a construction contract with Consumers Development & Construction, Ltd., for the construction of additional student housing facilities at Edwardsville, said contract to be in the amount not exceeding \$4,822,920, provided that these conditions and assurances are expressly contained within the contract:
 - (a) No obligation shall accrue to the Southern Illinois University Foundation prior to the sale by the Board of Trustees of Southern Illinois University of University Facilities Revenue Bonds, Series F, in the amount of 5.5 million dollars and all undertakings in such a contract are made expressly conditioned upon the sale of such bonds in the amount herewith specified, and
 - (b) The contract shall contain adequate stipulations to assure that separate specifications shall be prepared for all equipment, labor, and materials in connection with the four following subdivisions of work to be performed: (1) plumbing, (2) heating, piping, refrigeration and automatic temperature control systems, (3) ventilating and distribution systems for conditioned air, and (4) electric wiring, and that separate and independent bidding upon each of the above four subdivisions of work shall be the basis for award of bid to the lowest responsible bidder for each or all of the buildings included in the specifications.
- (4) The Board of Trustees of Southern Illinois University hereby assures the Southern Illinois University Foundation that the said Board will purchase facilities constructed pursuant to (3) above, subject to the sale of revenue bonds contemplated herein.

- (5) The Board authorizes formal retention of Mudge, Rose, Guthrie & Alexander as bond counsel and Midwest Securities Company as fiscal agent for this project, and further directs the said bond counsel and fiscal agent, in conjunction with the Treasurer of the Board of Trustees and appropriate University officers, to proceed with preparation of a bond resolution formally authorizing the sale of University Facilities Revenue Bonds, Series F, in the amount of 5.5 million dollars, for a 30-year term at an interest rate not exceeding 7% per annum, such bonds to be for the purchase of the development contemplated herein from the Southern Illinois University Foundation no later than the date of project completion.
- (6) After approval of specific terms by the Board, the Chairman of the Board of Trustees, the President of Southern Illinois University at Edwardsville, and the Treasurer of the Board of Trustees are each authorized and directed to enter such agreements and execute such documents as may be necessary to accomplish the objectives intended and actions taken herein by the Board of Trustees.

After considerable discussion, including the fact that the Purchasing Act requires the Capital Development Board to adhere to the Purchasing Act, and that this proposal must go to the Capital Development Board, Dr. Martin V. Brown moved the resolution with the addition before items (2) and (6) of the language "After approval of specific terms by the Board," which language has been incorporated in the matter as reported above. The motion was duly seconded.

Mr. Allen requested that before any tuition funds are actually expended to support this project that it be reviewed with the Board. President Rendleman was directed to keep the Board informed on this matter in order for the Board to increase rentals when necessary to avoid the use of tuition funds in supporting this project. Mr. Allen also requested more information about the kind of people now occupying student housing at Edwardsville and a more thorough survey of facts on the use of the housing. This information should be sent directly to the members of the Board who, if they find they want more information, can bring it up at a future meeting.

The motion carried by the following recorded vote:

Harris Rowe	Aye
W. Victor Rouse	Aye
Donald E. Fouts	Aye
Harold R. Fischer	Aye
Ivan A. Elliott, Jr.	Aye
Martin V. Brown	Aye
William W. Allen	Aye
Earl E. Walker	Aye

Chairman Elliott pointed out that at one time the vote was alphabetical. The Secretary is now rotating the order in which Trustees vote in order to eliminate prejudice as to who votes first or last. He also called attention to the fact that the temporary appointment of Mr. Robert L. Gallegly, Board Treasurer, to the position of Acting System Internal Auditor, creates no conflict of interest. The Treasurer is audited by external auditors who report to the Auditor General of the State of Illinois. He could also be audited by external auditors at the request of the internal auditors. Mr. Gallegly's appointment is necessary until permanent arrangements can be made after the death of Mr. Wendt, System Internal Auditor.

The Chair then recognized Mr. Joseph Yusko, Personnel Officer, SIUC, to present the following matter with the new language incorporated in the resolution:

(A) AMENDMENTS TO TAX-SHELTERED ANNUITY PROGRAM

On July 1, 1964, the Board of Trustees authorized a plan for a tax-sheltered annuity program for faculty and staff members of the University, and on September 23, 1966, the Board approved qualifications for the approval of additional companies to participate in the program. Since that time, a number of these requirements have become outdated and in some cases irrelevant because of changes in the insurance industry. Revision of the qualifications is necessary in order to update the University's tax-sheltered annuity program, and to require professional qualifications for participating companies which will continue to provide University control and assurance that employees will have a full selection of annuity contracts currently available in the industry.

The following resolution is jointly recommended by President Derge and President Rendleman for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That effective April 1, 1973, additional companies will be authorized for participation in the University's tax-sheltered annuity program only upon meeting the following qualifications:

- (1) The company must designate one representative to serve as a contact with each University in regard to all matters concerning annuities purchased by the University. The representative must provide proof of company representation and be licensed to sell fixed and variable contracts.
- (2) The company must submit to the University copies of annuity contracts with satisfactory evidence that they meet provisions of the Internal Revenue Code and are considered by the insurance industry as a pure annuity contract. Each company offer must include fixed, variable, and combination possibilities. The initial loading cost, if any, from the initial contract be credited in any change in the participant's annuity.
- (3) The company must procure, or have pending, twenty annuity contracts within the Southern Illinois University System with a minimum total monthly premium of at least \$2,000.00.
- (4) The company must be recommended in the most current edition of "Best's Life Insurance Reports."
- (5) The company must be authorized by the Director of Insurance of the State of Illinois to issue such annuity contracts.
- (6) Authorized salary reduction intended for annuity purchase will be exclusively used for that purpose.
- (7) The minimum reduction percentage will be 1% of gross pay. Reductions will be restricted to whole percentages rounded by Payroll to nearest whole dollar.
- (8) A maximum exclusion allowance calculation will be sent by the company representative to the respective Personnel Office for each participant whose reduction is in excess of 16% of annual salary or wages. This is to be received prior to February 1 of each calendar year.
- (9) The company must be willing to accept the University transmittal list each month as the evidence upon which their account will be paid by the University.

FURTHER, BE IT RESOLVED, That the Presidents at Carbondale and Edwardsville, or their designated representatives, be and are hereby authorized to approve and contract with additional companies pursuant to the aforementioned guidelines, to effect amendments to employment contracts for a reduction in salary necessary for employee participation in the program, and to perform any other acts necessary for the operation of the University's tax-sheltered annuity program.

Mr. Rowe moved approval of the resolution with the changes incorporated therein. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Dr. Willis Malone, Executive Vice-President and Provost, SIUC, to present the following matter:

(E) REDESIGNATION OF THE VOCATIONAL-TECHNICAL INSTITUTE AS THE SCHOOL OF
TECHNICAL CAREERS AND REDESIGNATION OF THE ASSOCIATE IN BUSINESS
AND ASSOCIATE IN TECHNOLOGY DEGREES AS ASSOCIATE IN APPLIED SCIENCE
DEGREE, SIUC

Since July, 1971, the faculty and administrative staff of the Vocational-Technical Institute of Southern Illinois University at Carbondale has conducted a program of intensive self-study and planning. As a result of this review and evaluation, the proposals are now made for a title redesignation of the Vocational-Technical Institute, a reorganization of programs within that unit, and an identification of programs leading to specified associate degrees. Background information in support of these proposals is provided in an attachment hereto.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That effective July 1, 1973, the title of the Vocational-Technical Institute of Southern Illinois University at Carbondale shall be redesignated as the "School of Technical Careers," such School to consist of the following four divisions:

- (1) Allied Health and Public Services
- (2) Applied Technologies
- (3) Aviation Technologies
- (4) Graphic Communications

FURTHER, BE IT RESOLVED, That the associate programs or concentrations as have been authorized by the Board will lead either to an existing Associate in Art degree, or to a redesignated Associate in Applied Science degree, which shall be awarded in lieu of the presently authorized Associate in Business and Associate in Technology degrees, to be effective beginning Fall Quarter, 1973, or as soon thereafter as possible.

FURTHER, BE IT RESOLVED, That a copy of the resolution and appropriate information to support the title redesignation and degree redesignations, be submitted to the Illinois Board of Higher Education for information and such action as may be appropriate.

BACKGROUND INFORMATION TO SUPPORT THE PROPOSAL FOR TITLE
REDESIGNATION OF THE VOCATIONAL-TECHNICAL INSTITUTE
TO THE SCHOOL OF TECHNICAL CAREERS, REORGANIZATION
OF PROGRAMS, AND IDENTIFYING PROGRAMS LEADING
TO SPECIFIED ASSOCIATE DEGREES ,

Since July, 1971, the faculty and administrative staff of the Vocational-Technical Institute of Southern Illinois University at Carbondale has conducted a program of intensive self-study and planning. The program recommendations which culminated in the proposal presented and the resolution acted upon by the Board of Trustees at its March 17, 1972, meeting was the first specific result of this operation.

This second proposal focuses on title redesignation of the Vocational-Technical Institute, reorganization of programs in the School of Technical Careers, and identifying programs leading to the designated associate degree.

A. Title Redesignation

During the continuing evaluation of programs conducted by the Vocational-Technical Institute and studies to determine new directions for associate degree and other level programs to be proposed for the Vocational-Technical Institute, it has become clear that the unit should be redesignated by a title more appropriate to its redefined role within the University. To fulfill this objective it is proposed that the Vocational-Technical Institute be redesignated as the School of Technical Careers.

The title, School of Technical Careers, is descriptive of the continuing associate degree program direction which has been a major function of the Vocational-Technical Institute during its twenty years. Furthermore, the title, School of Technical Careers, will more accurately describe the new program directions to be proposed and implemented than does the present designation. Many of these proposed program directions--including provision of flexible baccalaureate programs for students with career and occupational educational background, cooperative programs with community colleges, in-service preparation of career and occupational education teachers, and increased interrelation with other units of the University in cooperative course offerings and joint development of programs--are functions more appropriate to a unit designated a school than one designated an institute.

B. Reorganization

At the present time the internal structure of the Vocational-Technical Institute includes a variety of separate programs operating under the supervision of a group of professors-in-charge. Line authority is either non-existent or is limited to the function of academic coordination of faculty assigned to specific programs.

During 1972-1973 the Vocational-Technical Institute offerings have included nineteen associate degree programs and additional third year post-associate education specialties. In addition, during the same period several students are completing their associate degree requirements in those programs which are being phased out in response to action taken by the Board of Trustees at its March 17, 1972, meeting.

It is proposed that four divisions be organized within the School of Technical Careers. These divisions would be designated by the following titles:

Allied Health and Public Services
Applied Technologies
Aviation Technologies
Graphic Communications

The distribution of associate degree programs, third-year post-associate specialists, and related courses into four divisions is based on the criteria of similarity in goals, curricula, equipment, facilities, potential new associate degree program areas, projected interrelationship of programs and proximity after the projected relocation to the Carbondale campus.

The planned distribution of programs into these four divisions is illustrated in Attachment #1.

It is anticipated that the proposed divisional organization will permit better operation of the School of Technical Careers both in academic affairs and in administration. The establishment of divisions under the direction of authorized, responsible chairmen with internal budget allocations is expected to simplify routine operations. Furthermore, the establishment of divisions will place important elements of decision-making more directly with the faculty than has previously been true. This increased faculty involvement must result in strength and currency in program development and increasing response to student needs. The proposed organization is also expected to assist the School of Technical Careers in effective planning for its future role in Southern Illinois University at Carbondale as a leader in career and occupational education.

C. Redesignation of Degrees

At the present time the Vocational-Technical Institute awards three associate degrees: associate in art, associate in business, and associate in technology. The historic development and assignment of these degrees to specific programs is obscure. In several instances the associate degree awarded for completion of a program is not pertinent or descriptive. Furthermore, two of the three degrees, associate in business and associate in technology, have not received wide acceptance in other educational institutions during the two decades of their use at the Vocational-Technical Institute.

It is proposed that, beginning with the Fall Quarter of 1973-1974, the associate programs will lead to either the associate in art degree or to the proposed new degree, associate in applied science.

After discussion, Dr. Martin V. Brown moved approval of the resolution with the changes requested by Dr. Malone and the Board Staff, which have been incorporated in the above matter. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Dr. Richard H. Moy, Dean, School of Medicine, SIUC, and Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(F) APPROVAL OF MEDICAL SERVICE AND RESEARCH PLAN
 FOR THE SCHOOL OF MEDICINE, SIUC

The Medical Service and Research Plan, a copy of which is attached hereto, has been developed by members of the faculty and administrative staff of the School of Medicine in cooperation with appropriate administrative staff members of SIUC. This Plan is based on the fundamental assumption that proficiency of medical faculty will be enhanced by continued exposure to the practice of medicine. The Medical Service and Research Plan will permit each faculty member in cooperation with the Dean of the School of Medicine to determine the appropriate combination of professional practice and professional educational responsibilities, which will contribute most effectively to the programs of the School of Medicine.

The Plan has been established in such a way as to insure that participating faculty members earn income from University resources only for those activities which are related directly to their faculty status and not directly to the professional practice of medicine. The attached examples indicate the manner in which salaries would be adjusted under the Plan. Furthermore, the variable practice income feature guarantees that a faculty member will not be encouraged to exceed the reasonable limits of his agreement in order to generate additional income. The amount returnable to the physician decreases rapidly as additional revenues are generated from private medical practice.

Inasmuch as the Medical Service and Research Plan is deemed to be both economically and educationally sound, the following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Medical Service and Research Plan of the School of Medicine of Southern Illinois University at Carbondale be and is hereby approved, effective immediately.

FURTHER, BE IT RESOLVED, That the President of Southern Illinois University at Carbondale be and is hereby authorized to take appropriate administrative action to implement this Plan.

MEDICAL SERVICE AND RESEARCH PLAN

APPROVED BY BOARD OF TRUSTEES

Effective _____

SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE

SCHOOL OF MEDICINE

MEDICAL SERVICE AND RESEARCH PLAN

I. DEFINITIONS

- A. These rules and regulations shall be known and referred to as the "Medical Service and Research Plan."
- B. The word "Plan" as used in these regulations shall be construed to mean the plan herein created for the rendering of professional services to patients or any other services related to the practice of medicine rendered other than to the University by members of the faculty of the School of Medicine of Southern Illinois University at Carbondale who are on regular full time appointment, providing for the use of any fees or compensation received for such services and providing for additional compensation for those faculty members who become members of the Plan.
- C. The "fees" and "compensation" covered by the Plan shall be construed to mean all fees for professional services related to patient care, whether the services be rendered within or without the confines of the Medical School and affiliated facilities, which may become due and payable to a member of the faculty of the School of Medicine who is a participant in the Plan, and may also include payments to such members of the faculty where the terms of the payment provide that such funds are for services of the faculty member other than those required under his University contract when the same are approved for payment into the Plan by the Dean of the School of Medicine. Fees and compensation covered by the Plan

shall not include the member's salary from the University, any royalties, his actual expenses incurred in trips for consultation, or honoraria monies received by the member unless the assignment of such shall be required under the provisions of Section IX hereof.

- D. The words "University salary" shall mean that amount of compensation paid to a faculty member appointment with the University and without reference to fees or compensation he earns under the Plan. (See attached appendix.)
- E. For the purposes of this plan the word "practice" is defined as all activities related to direct patient care and services for which usual and customary fees may be charged, according to the rules and customs governing medical practice in the State of Illinois.
- F. The words "fixed practice income" shall refer to that amount which a participant in the Plan shall be permitted to earn through fees generated under this Plan fixed as hereinafter provided which shall be a percentage up to but not more than 100% of the participant's University salary. In determining the University salary upon which the fixed practice income is to be based, the amount of the member's salary as fixed by the University shall be used, regardless of whether the entire salary is paid from University salary accounts or from special grants or other special funds.
- G. The words "Variable Practice Income" shall be that portion of income generated by participants in this Plan over and above that established by University salary and fixed practice income as established by the table labeled "Variable Practice Income Table" hereinafter set forth in this Plan.

- H. The word "patient" as used in these regulations shall be construed to mean those persons to whom a member may, under these regulations, charge a fee for professional services, including persons who have insurance, money, or other resources available specifically for and restricted to the payment of professional fees.
- I. The words "Member of the Plan" or "Participant" as used in these regulations shall be construed to mean any member of the faculty of the School of Medicine of the University generating fees from patient care who is on regular full time appointment and who has been accepted for membership in the Plan and executed the required agreements.
- J. The words "the Committee" as used in these regulations shall refer to the Medical Service and Research Plan Committee.
- K. The words "Department" or "Departments" shall refer to those departments of the School of Medicine of the University in which one or more members shall have qualified for membership in the Plan.
- L. The words "Department Account" or "Department Accounts" shall refer to those departmental accountability records maintained in support of the University Medical Service and Research Plan.
- M. The words "Department Chairman" shall refer to the head of the Department within the School of Medicine qualified under the Plan.
- N. The words "Division" or "Divisions" shall refer to those sections of departments of the School of Medicine of the University which have a separate account as provided in Section X, paragraph B.
- O. The words "Division Account" or "Division Accounts" shall refer to those divisional accountability records maintained in support of the University Medical Service and Research Plan.

- P. The words "Division Chief" shall refer to the head of a Division within a Department qualified under the Plan.
- Q. The words "General Trust Fund" or "Trust Fund" shall refer to the University trust account into which all fees shall be deposited and from which the Department or Division Account allocations are made.
- R. Where the masculine pronoun is used it shall be interpreted as feminine when applicable.

II. MEMBERSHIP

- A. Every regular full time appointment to the faculty of the School of Medicine shall be conditioned upon the appointee's not receiving fees for the practice of his profession unless and until he shall become a member of the Plan. Upon becoming a member of this Plan every such appointment shall be reduced to less than full time by such percentage as will assure that the faculty member will not receive University Salary for the projected medical practice.
- B. Any member of the faculty of the School of Medicine who is on regular full time appointment generating professional fees from the clinical practice of medicine shall be eligible for membership in the Plan when approved by (1) the Division Chief when applicable, (2) the Department Chairman, (3) the Dean of the School of Medicine, (4) the Vice President for Academic Affairs, and (5) the President of the University after execution of the agreements hereinafter provided.

III. QUALIFICATION FOR MEMBERSHIP

- A. Before being recommended for participation in the Plan, the faculty member shall, in consideration of his employment by the University and the

privilege of participation in the Plan, grant and assign to the Board of Trustees of Southern Illinois University, all fees and compensation of whatsoever nature received by him for professional services rendered to patients while a member of the faculty of the School of Medicine of the University provided, however, that such assignment shall not include his compensation received from the University for services not rendered under this Plan, any royalties, his actual expenses incurred on trips for consultation, or honoraria monies received by the member unless the assignment of such shall be required under the provisions for Section I, paragraph C hereof.

- B. All such assigned fees shall be the property of the University, provided, however, that the University agrees that it will use the assigned funds only for the purposes stated in these rules and regulations and in accordance therewith, and title to such funds shall be in the University solely because of the grant and assignment by the individual faculty member. All such funds will be utilized in accordance with the rules, regulations and laws of the State of Illinois.
- C. Before being recommended for participation in the Plan, the faculty member seeking admission thereto shall also enter into an agreement with the Department Chairman or Division Chief of the Department or Division in which he is to participate, setting forth the fixed practice income which he shall be entitled to receive from fees he generates for medical services rendered pursuant to the Plan and incorporating by reference the "Variable Practice Income Table" contained in this Plan. The proposed agreement shall then pass to the Chairman of the Department, who shall endorse his approval or disapproval thereon and pass the same to the Dean

of the School of Medicine, who shall endorse his approval or disapproval thereon and pass to the Vice President for Academic Affairs who shall endorse his approval or disapproval thereon, and pass to the President of the University, who shall endorse his approval or disapproval thereon.

- D. In case the member does not have a Division Chief the agreement shall be executed between the Chairman of the Department and the member and have the approval or disapproval of the Dean of the School of Medicine, Vice President for Academic Affairs, and the President of the University endorsed thereon. In the case of a Chairman of a Department, the agreement shall be executed between the Chairman and the Dean of the School of Medicine and shall have the approval or disapproval of the Vice President for Academic Affairs of the University endorsed thereon. After the execution of such agreements and the endorsements above provided are made thereon, if approved by the President of the University, the name of the faculty member shall be submitted to the Board of Trustees for admission into the Plan.
- E. Such agreements shall be in the form provided in Exhibits A and B, attached to and forming a part of these regulations.
- F. Any member may withdraw from the Plan at any time by filing his written withdrawal with his Division Chief and the Chairman of his Department, or if there be no Division Chief then the Chairman of his Department. The withdrawal shall be submitted to the Board of Trustees through the Dean of the School of Medicine, Vice President for Academic Affairs and the President of the University.
- G. Any member of the Plan may be removed therefrom for failure to comply with the regulations of the Plan.

- H. The removal of a member may be initiated either by the Division Chief, Chairman of his Department, by three members of the Committee or by the Dean of the School of Medicine by filing with the Committee a written recommendation setting forth the reasons for dropping the member. The member shall be entitled to be heard before the Committee. The Committee shall make recommendation thereon of approval or disapproval and the same shall then pass to the Board of Trustees for final action through the Dean of the School of Medicine, Vice President for Academic Affairs and the President of the University, each of whom shall add his approval or disapproval thereto.

IV. ACCEPTANCE OF PATIENTS--OTHER SERVICES

- A. In accepting paying patients and in the performance of other services provided under the Plan, each member shall conform with and abide by all rules and regulations of the Plan, and all rules and regulations promulgated in connection with the Medical School whether by the Board of Trustees, Medical Services Research Plan Committee, or by the Dean of the Medical School.
- B. No member shall permit the acceptance of paying patients or consultations or the rendering of other services under the Plan to interfere with his teaching, research, administrative, or other duties required under his employment as a member of the faculty of the School of Medicine. It shall be understood that the amount of time devoted to patient care that any member may devote or the rendering of other services permitted under the Plan must be governed by the Division Chief, Department Chairman, and the Dean of the School of Medicine.

V. DETERMINATION OF PROFESSIONAL CHARGES

- A. The Committee shall formulate, after consultation with Division Chiefs and Department Chairmen, and make available to members of the Plan and the Business Office of the Medical School a schedule of usual and customary fees by Departments compatible with regional standards as a guide for determining fees by the respective members of the Plan.
- B. With the approval of this plan, the Board of Trustees of Southern Illinois University delegates to each member of the Plan the sole and unrestricted right to fix his professional fees. No adjustment shall be made in any charge fixed by a member except upon written authorization of the member performing the service.
- C. No fee once billed may be written off or turned over to a collection agency without approval of the Plan member generating the fee, which approval shall not be unreasonably withheld.
- D. The Committee may also formulate and make available to each Department participating in the Plan and the Business Office of the Medical School a policy relating to professional courtesy. Any adjustment as to professional courtesy as fixed by the member shall be made only upon authorization of the member performing the service.

VI. REPORT OF PRIVATE FEES

- A. Each member shall prepare and sign on forms furnished by the Medical School for this purpose an itemized statement of professional services performed for each patient under his care or supervision or for other services rendered by him and covered by the Plan, and shall transmit it promptly to the Business Office of the Medical School.

VIII. COLLECTION OF PROFESSIONAL FEES

- A. All fees shall be billed and collected by the School of Medicine Business

Affairs Office in accordance with a Plan formulated and approved by the Committee, and Campus Treasurer, and fees collected shall be deposited in the account Medical Service and Research Plan General Trust Fund and held and used in accordance with the Plan. All fees for paying patients shall be billed on specially prepared stationery of the University providing for professional fee billings.

VIII. DEPOSIT OF FEES AND COMPENSATION

- A. All fees and compensation of what ever nature covered by the Plan received by the members of the Plan shall be paid into the Business Office of the Medical School for the use of the Plan. Any member of the Plan receiving any check in payment of a fee shall properly endorse the same and promptly deliver it to the Business Office of the Medical School.

IX. PLAN FUNDS

- A. All fees and compensation as defined in Section I, paragraph C hereof of members of the Plan shall be paid into and become funds of the Plan.
- B. In addition thereto honoraria monies received by members of the Plan may be included in fees and compensation required to be deposited in the Plan at the option of each Department.
- C. The policy of inclusion or exclusion of honoraria monies when adopted by a Department shall apply to all members thereof, and if the Department policy requires the deposit of honoraria monies, the member's contract (Exhibit A) shall so state. When a Department adopts its policy for inclusion of honoraria monies the policy shall become effective on July 1 and be in effect for at least the fiscal year, and from year to year thereafter unless the policy is changed prior to the beginning of any

fiscal year. The Department policy to include or exclude honoraria monies shall be determined by the Plan members of the Department at a meeting called for such purpose by written notice given by the Chairman of the Department at least ten days prior to the date of the meeting. Written notice of the adoption or change of such policy shall be given to the Dean of the School of Medicine not later than June 20. Each time there is a change in the policy of a Department with reference to inclusion of honoraria monies, a new contract (Exhibit A) shall be executed by the members of the Department.

- D. A Chairman of a Department shall have the right to inspect the accounts of his Department at any time; a Division Chief shall have the right to inspect the accounts of his Division at any time; and any individual member shall have the right to inspect his record at any time; and all of the accounts and records shall be open to the inspection of the Dean of the School of Medicine, the Medical Service and Research Plan Committee, the Vice President for Academic Affairs and the President at any time.

X. MEDICAL SERVICE AND RESEARCH PLAN

RECORDS AND ACCOUNTS

- A. As of the effective date of these regulations the following agency account shall be established:
Medical Service and Research Plan General Trust Fund.
- B. There will also be set up on said records a separate ledger account or accounts for each department, additional division or divisions of a department participating and all fees earned by the members thereof shall be reflected in the division account and all other fees of members of the department not subject to deposit in a division account shall be

reflected in the department account. Any other Department or Division that may subsequently be admitted to the Plan in the manner provided herein shall likewise have a ledger account established.

- C. At the time of the quarterly distribution or monthly distribution as hereinafter provided or annual redistribution there shall be delivered to the Chairman of each Department and Chief of each Division and each member thereof a report of the account of his Department or Division, together with a report of the individual records of the members of his Department or Division.

XI. COST AND GENERAL ALLOCATIONS

- A. Quarterly, as of the last day of March, June, September and December (or monthly as applicable) there shall be deducted from the monies received by virtue of the Plan and deposited in the General Trust Fund account during the quarter (or month) the following:
1. An amount equal to thirty percent (30%) of the monies received which shall be retained by the University for the cost and expense of the operation of the Plan. In return for the 30% deduction from all Medical Service and Research Plan funds, the School of Medicine shall pay from its regular operating budget for all costs not covered by these funds that are incident to the practice of medicine by the faculty and to the operation of the Medical Service and Research Plan. Said percentage shall continue to be used by the School of Medicine to defray the cost of the operation of the Plan until and unless a generally acceptable accounting practice or technique is devised to clearly reflect the cost of the operation of the Plan by the University. On or before the first day of the

second month succeeding the termination of the quarter or month (as applicable) the monies so retained and deducted by the University to support the cost of clinical practice shall be paid into such account or accounts of the University as the President of the University shall designate after receiving the recommendation of the Dean of the School of Medicine.

2. An amount equal to ten percent (10%) of the monies received which shall be used solely for medical, educational, research and academic development purposes shall be deposited in the Medical Service and Research Plan General Trust Fund and allocated as follows: 50% thereof shall be placed in the Trust Fund for budgeting by the Dean of the School of Medicine for the purposes aforesaid; the balance thereof shall be placed in each Department Account in proportion to the amount collected by each Department and budgeted by the Chairman of each such Department for the purposes aforesaid.

- B. The Medical Service and Research Plan Committee shall annually review the use of the funds allocated pursuant to this section and shall make recommendations to the Dean and Department Chairmen concerning the use of funds allocated herein.

XII. PARTICIPANT COMPENSATION

- A. Each participant in the Plan shall be entitled to receive additional compensation from the fees earned by the participants and the members of the Plan after the deductions and allocations specified in Section XI to the extent and computed as hereinafter provided.

- B. The amount of fixed practice income which a participant may be entitled to receive to the extent earned under the Plan by a member shall be recommended by the Division Chief and approved by the Department Chairman, or if there be no Division Chief then recommended by the Department Chairman. The permissible fixed practice income shall be approved by the Dean of the School of Medicine, Vice President for Academic Affairs, and the President of the University before being submitted to the Board of Trustees and shall be fixed by reference to a percentage not to exceed more than 100% of a member's University salary.
- C. Each time the University salary of a participant is changed, a new agreement (Exhibit B) establishing the percentage for fixed practice income must be executed prior to the change and approved in the manner provided above. Such changes may not be made retroactively.
- D. In addition to fixed practice income, a participant in the Plan shall be entitled to participate in the variable practice income feature in this Plan as set forth in the table attached to and incorporated by reference in this Plan captioned "Variable Practice Income Table" which provides that a member of the Plan shall always receive a portion of the fees he generates by virtue of clinical practice.

XIII. PAYMENT OF PARTICIPANT COMPENSATION

- A. Quarterly, and within 60 days of the end of each quarter established as the last day of March, June, September and December (or within 60 days of the last day of any month, if applicable) or at other appropriate times as fixed by the Committee upon consideration of the funds generated and after allocation to the departmental accounts from the General Trust Fund Account of the net fees available for distribution payment shall be

made to the members of the Plan generating fees from clinical practice in accordance with the following:

1. Fixed practice income shall be paid to a participating member in an amount equal to that percentage earned and received for the preceding quarter (or month) as fixed in the participation agreement which shall not exceed 100% of the proportionate University salary; provided, however, that if a member does not generate the maximum amount of fixed practice income which is authorized to be earned, he may be entitled to share in redistribution in an amount not to exceed his authorized fixed practice income as hereinafter provided.
 2. Variable practice income shall also be paid to a participating member at the time of payment of fixed practice income if the member has generated from the clinical practice medicine during the preceding quarter receipts in excess of that required to satisfy the authorized amount of fixed practice income in accordance with the "Variable Practice Income Table" attached hereto and incorporated herein by reference.
- B. Any member coming into the Plan during the fiscal year shall be entitled to participate in the first quarterly or monthly distribution made after he has been in the Plan one full calendar month, provided, however, that his University salary as used in the formula for that quarter shall be based on the number of full calendar months that he has been in the Plan.
- C. A member going on sabbatical leave may receive additional compensation from the Plan for the period of his leave, provided the same shall not exceed that amount paid to the member during the quarter immediately preceding the commencement of his sabbatical leave.

- D. In case a member of the Plan ceases to be employed by the University his right to receive additional compensation shall terminate as of the date of the termination of his University salary, except that he may receive 50% of the participatory share to which he would have been entitled that is received and deposited under the Plan within six (6) months of said termination.
- E. In case of death of a member of the Plan, his personal representative shall be entitled to receive the additional compensation he would have received for the quarter in which he died.

XIV. DISTRIBUTION AND REDISTRIBUTION OF BALANCES

- A. The amount of fees generated by clinical practice by the members of this Plan which is not permitted to be paid to participating members under the fixed practice income agreement or "Variable Practice Income Table" shall be determined at the end of the Plan fiscal year on June 30 and shall then be allocated and distributed in priority as follows:
 - 1. To the department or division of the participating member in an amount established by the percentages in accordance with the "Variable Practice Income Table" for the support of medical, educational, research and academic development purposes. The funds shall be placed in the Department or Division Account and the use thereof shall be budgeted by the Department or Division and approved by the Medical Service and Research Plan Committee.
 - 2. For redistribution in an amount established by the percentages in accordance with the "Variable Practice Income Table" in priority and according to the following: first, to all members within the department generating said fees who did not generate sufficient fees

from the practice of clinical medicine to earn the authorized amount of fixed practice income in an amount to be fixed in proportion to the amount of earnings compared to the amount of fixed practice income authorized under procedures to be adopted and implemented by the Medical Service and Research Plan Committee; secondly, and after the redistribution within departments, to all members of the Plan who did not generate sufficient fees from the practice of clinical medicine to earn the authorized amount of fixed practice income in an amount to be fixed in proportion to the amount of earnings compared to the amount of fixed practice income authorized under procedures to be adopted and implemented by the Medical Service and Research Plan Committee.

- B. The balance of any Plan funds not needed for or subject to distribution or redistribution shall be deposited in such accounts as may be designated by the President of the University and used for any purpose the President of the University may direct.

XV. ACCOUNTING

The Campus Treasurer shall cause within the School of Medicine Business Affairs Office such business practices to be adopted and such accounting methods as necessary to be established as may be required or desirable in the fiscal administration and management of the Plan funds. The Dean of School of Medicine shall serve, or designate someone to serve on his behalf, as fiscal officer for each of the accounts required in the operation of the Plan. He shall provide or cause to be provided such systems and personnel as may be necessary to collect and disburse all Plan funds.

XVI. MEDICAL SERVICE AND RESEARCH PLAN COMMITTEE

- A. There is hereby created a committee to be known as the Medical Service and Research Plan Committee. Said Committee, in addition to performing the duties herein provided for it, may be called upon to advise the Dean of the School of Medicine, Vice President for Academic Affairs, and the President of the University, as to recommended changes in the Plan. The Committee shall have the right to review any changes proposed in the Plan by the Dean of the School of Medicine, Vice President for Academic Affairs, or the President of the University prior to the referral of such changes to the Board of Trustees.
- B. The Committee shall consist of members to be selected in the following manner:
1. Six Committee positions shall be the Chairman of the Departments of Family Practice, Medicine, Obstetrics and Gynecology, Pediatrics, Psychiatry, and Surgery. Additional Committee positions may be filled by new Department Chairmen as these Departments are created.
 2. One Committee position shall be filled by the Dean of the School of Medicine.
 3. Two Committee positions shall be filled by majority vote of the Professors and Associate Professors in the School admitted to the Plan who shall not be members of the same Department; two Committee positions shall be filled by majority vote of the Assistant Professors and Instructors of the School admitted to the Plan who shall not be members of the same Department. Terms of members of the Committee so elected shall be for one year. Elections shall be held on a date to be fixed by the Committee.

4. Vacancies shall be filled by the Dean of the School of Medicine in those positions specified in 3 above from members of the respective constituency, and by acting Department Chairman for those members specified in 1 above.
- C. Any Committeeman unable to attend any Committee meeting may be represented at the meeting by a proxy, provided, however, that the proxy shall be a member of the Committeeman's Department or constituency. In any case the appointment of proxy must have the approval of the Dean of the School of Medicine endorsed thereon and the proxy shall not be entitled to vote at the meeting unless he be approved as such by the Committee. The appointment of proxy shall state the meeting at which the proxy is to represent the member, and he shall not be entitled to represent the member at any other meeting. The Dean of the School of Medicine shall have the power to appoint in writing an authorized representative to serve as ex-officio member on the Committee in his absence with the right to vote.
- D. A majority of the members of the Committee as constituted from time to time shall constitute a quorum, and any action approved by the majority of the members of the Committee present at any meeting in person or represented by an approved proxy shall constitute the action of the Committee. Each member of the Committee shall be entitled to one vote.
- E. At the first meeting of the Committee after July 1 of each year, the Committee shall organize by electing from its membership a Chairman, a Vice Chairman, and a Secretary. No Chairman may serve more than two consecutive terms as Chairman.
- F. The Chairman of the Committee shall, in addition to performing the usual duties of a Chairman, sign all reports and endorsements required of the

Committee, and in the absence of the Chairman, the Vice Chairman shall perform the duties of the Chairman.

- G. It shall be the duty of the Secretary to keep the minutes and all records of the Committee, to circulate after each meeting copies of the minutes thereof, and to provide access to all Committee records by all members of the Plan.
- H. The Committee shall adopt regulations setting forth the time and place of meetings, the giving of notice thereof and such other matters relating to the transaction of business of the Committee, not inconsistent with these regulations, as the Committee may deem proper.
- I. A Committee meeting may be called by the Chairman of the Committee or at the request of any six members of the Plan.

EXHIBIT A
ASSIGNMENT OF FEES

In consideration of my employment by the Board of Trustees of Southern Illinois University and of my being permitted to participate in fees collected by the members of the staff participating in the Medical Service and Research Plan, I hereby assign to the Board of Trustees of Southern Illinois University all fees charged by me to patients for professional services. This assignment shall be an absolute assignment, subject only to the conditions that the University shall not alter the fees charged by me, except as provided in its rules and regulations establishing said Plan, and that the fees collected from members of the Plan shall be used for the purposes as stated in the regulations covering said Plan.

I further agree that all monies received by me for such fees will be promptly turned over to the School of Medicine Business Affairs Office and all checks made payable to me for such fees will be promptly endorsed and delivered to said School of Medicine Business Affairs Office. It is distinctly understood that this assignment does not cover the salary received from the University.

In consideration of my being permitted to participate in the Medical Service and Research Plan, I agree to fully cooperate therein and comply with all of the rules and regulations relating thereto.

EXHIBIT B
 AGREEMENT FOR PARTICIPATION
 IN
 MEDICAL SERVICE AND RESEARCH PLAN

 Date

It is hereby agreed between _____, Chairman of the Department of _____ of the School of Medicine of Southern Illinois University at Carbondale and _____, _____, of the Medical Service and Research Plan of Southern Illinois University at Carbondale that, subject to the approval of the Board of Trustees of Southern Illinois University, _____ shall participate in the fees earned and received after cost and general allocations have been made, to the extent of _____ percent (____%) of his University salary, which is _____ for the period _____, effective _____ as fixed practice income; and in variable practice income to the extent earned, and further agrees that he will comply with all the rules and regulations of said Medical Service and Research Plan and will fully cooperate with other members in carrying out the purposes thereof.

 Chief, Division of _____
 (when applicable)

 Chairman, Department of _____

 Dean of the School of Medicine

 Member

 Vice President for Academic Affairs

 President of the University

VARIABLE PRACTICE INCOME TABLE

FEEs GENERATED IN EXCESS OF FIXED PRACTICE INCOME

EXAMPLE NO. 1

An assistant professor of surgery in a speciality with income capacity with a full-time salary of \$30,000 wants to participate in the plan on a 20% basis. In negotiation with his chairman he is to participate in fees earned and received after cost and general allocations have been made to the extent of 50% of his University salary for the fiscal period. This is arrived at on the basis of department's need to recruit the faculty member.

1. A University contract would be completed that indicates he is to receive from University funds a salary of \$24,000 ($\$30,000 - (20\% \text{ of } \$30,000) = \$24,000$).
2. He would complete Exhibit B which would show that he would participate in fees earned to the extent of 50% of his University salary which is \$24,000.
3. Both documents would have to be approved as outlined in the Medical Service and Research Plan.
4. If the faculty member were to generate \$40,000 in gross fees which were all collected, the following distribution would occur.
 - A. \$12,000 - Set aside for overhead funds
($\$40,000 \times .30 = \$12,000$)
 - B. \$ 2,000 - Dean's Fund for education and research
($\$40,000 \times .10/2 = \$2,000$)
 - C. \$ 2,000 - Department fund for education and research
($\$40,000 \times .10/2 = \$2,000$)
 - D. \$12,000 - Fixed practice income paid to faculty member
[$(\$40,000 - \$12,000 - \$2,000 - \$2,000)/2 = \$12,000$
in excess of FPI]
 - E. \$ 2,500 - Variable practice income paid on first \$5,000
($\$5,000 \times .50 = \$2,500$)
 - F. \$ 1,250 - Department fund
($\$5,000 \times .25 = \$1,250$)
 - G. \$ 1,250 - Department redistribution fund
($\$5,000 \times .25 = \$1,250$)
 - H. \$ 2,000 - Variable practice income paid on second \$5,000 in excess of FPI
($\$5,000 \times .40 = \$2,000$)
 - I. \$ 1,500 - Department fund
($\$5,000 \times .30 = \$1,500$)

- J. \$ 1,500 - Department redistribution fund
($\$5,000 \times .30 = \$1,500$)
- K. \$ 600 - Variable practice income paid on last \$2,000
($\$2,000 \times .30 = \600)
- L. \$ 700 - Department fund
($\$2,000 \times .35 = \700)
- M. \$ 700 - Department redistribution fund
($\$2,000 \times .35 = \700)

The effect on the faculty member's income is illustrated below:

- \$24,000 - Salary received from University
- 12,000 - Fixed practice income (Item D)
- 5,100 - Variable practice income (Items E, H & K)
- \$41,100 - Total Income

The funds reverting to the School of Medicine are illustrated below:

- \$12,000 - Overhead funds (Item A)
- 2,000 - Dean's education and research fund (Item B)
- 5,450 - Department education and research fund (Items C, F, I & L)
- 3,450 - *Department redistribution fund (Items G, J & M)
- \$22,900 - Total

*It should be noted that as the faculty member earned the full amount of the fixed practice income allowed (50% of \$24,000) he cannot share in any funds from the Department Redistribution Fund.)

EXAMPLE NO. 2

As assistant professor of medicine in a speciality with some income capacity with a full-time salary of \$30,000 wants to participate in the plan on a 20% basis. In negotiation with his chairman, he is to participate in fees earned and received after cost and general allocations have been made to the extent of 50% of his University salary for the fiscal period.

Assume that steps 1, 2, and 3 are the same as in Example No. 1.

4. If the faculty member were to generate \$10,000 in gross fees which were all collected, the following distribution would occur.
 - A. \$ 3,000 - Set aside for overhead funds
($\$10,000 \times .30 = \$3,000$)
 - B. \$ 500 - Dean's fund
($\$10,000 \times .10/2 = \500)
 - C. \$ 500 - Department fund
($\$10,000 \times .10/2 = \500)
 - D. \$ 6,000 - Fixed practice income paid to faculty member
(As the faculty member could earn up to \$12,000 which is 50% of \$24,000 and \$6,000 is below this receives all of it.)

The effect on the faculty member's income is illustrated below:

\$24,000	- Salary received from University
<u>6,000</u>	- Fixed practice income (Item D)
\$30,000	- Total Income*

The funds reverting to the School of Medicine are illustrated below:

\$ 3,000	- Overhead funds (Item A)
500	- Dean's education and research fund (Item B)
<u>500</u>	- Department education and research fund (Item C)
\$ 4,000	- Total

*As the faculty member did not earn all of the fixed income allowed ($\$24,000 \times .50 = \$12,000$) he is eligible to receive funds from the Department's Redistribution Fund.

Dean Moy described in simpler terms the challenges and the goals the School of Medicine was trying to accomplish with this Medical Service and Research Plan. He also introduced to the Board Dr. Roland Folse, Chairman of the Department of Surgery, and Dr. J. W. Roddick, Chairman of the Department of Obstetrics and Gynecology.

Dr. Martin V. Brown moved approval of the resolution as presented with Board Staff "errata" corrections in the Medical Service and Research Plan, which have been incorporated in the above. The motion was duly seconded.

Dean Moy had asked the Sangamon County Medical Society to review the final draft of the Plan for their impressions and any concerns they might have. He read the following paragraph from that letter, dated February 7, 1973: "The Medical School Liaison Committee agrees with the basic principles of the Plan and has no essential disagreement with the level of income possible to the faculty as envisioned by the Plan." This Committee did raise two concerns which Dean Moy would like to bring to the Board's attention because he shares them both. One is where the Medical School and thus the University has contracted with a faculty member for a significant percentage of his time for teaching and academic administration that the administration be very sure the faculty member performs according to his contract. The other concern is that this is a source of income, even though it is aimed at appropriately replacing some Medical School expenses for salaries and clinical operations, which should not be considered as replacing funds which should be generated by State appropriations; that the proceeds of the practice of medicine not be diverted to pay for program support that should come from appropriated funds. The letter from the Sangamon County Medical Society has been placed on file in the Office of the Board of Trustees.

Mr. Mager commented that from his experience at the University of Missouri, the Plan will have at least two amendments every year and probably more as this Plan is started.

Discussion ensued, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Mr. Willard Hart, Campus Architect, SIUC, to present the following matter:

(G) MEDICAL SCHOOL REMODELING - LIFE SCIENCE I, SIUC

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That it be and hereby is recommended to the Illinois Capital Development Board that award of contracts for Life Science I Renovation and Alteration Phase I at Southern Illinois University at Carbondale, CDB Project 18-301, be made as follows:

<u>Division of Work</u>	<u>Contractor</u>	<u>Contract Amount</u>
General	J. L. Simmons Company, Inc.	\$159,700
Plumbing	Blaise, Inc.	34,997
Heating, Piping & Refrigeration	Blaise, Inc.	105,089
Ventilation	McNeill & Dugger, Inc.	119,292
Electrical	Egizii Electric, Inc.	<u>115,900</u>
	TOTAL	\$534,978

It was pointed out that the total of all bids was 12.3% below available funds and 20% below the Architect's estimate. The Summary Sheet and Bid Tabulations for this project have been placed on file in the Office of the Board of Trustees.

Mr. Fischer moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye

The Chair then recognized President Derge, who requested Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(H) LAND EXCHANGE: WATER TOWER SITES, SIUC

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University has authorized the construction of a Recreation Facility, fields, and grounds on the Carbondale campus, and

WHEREAS, Within the area to be utilized for the foregoing, the City of Carbondale is owner of a tract of land, located at the intersection of State Street and Grand Avenue and described as follows:

"A part of Outlot 160 described as follows: Beginning at a point on the West boundary line of said Outlot 160, said point being at the intersection of the Southeast corner of C. L. Burlison's Addition and the Northeast corner of the tract owned by Mrs. Eubanks; thence running South along the West line of said Outlot 160, 219.2 feet to a point; thence East 125 feet to a point; thence North parallel with the West line of said Outlot a distance of 219.2 feet to a point; thence West 125 feet to a point of beginning;"

hereinafter termed, "Tract A"; and

WHEREAS, Upon said tract of land there is a City-owned, elevated water tank with capacity of one hundred fifty thousand gallons, and

WHEREAS, The City of Carbondale has erected and is using an elevated water tank of capacity of seven hundred fifty thousand gallons, located on land owned by this Board, and leased to the City for a term of 99 years, located south of Chautauqua Street and described as follows:

"Commencing at the northeast corner of the northwest quarter of the northeast quarter of Section 29, Township 9 south, Range 1 west of the 3rd P.M.; thence west on the north line of Section 29 a distance of three hundred fifty-seven and five-tenths (357.5) feet for a point of beginning; thence south, parallel with the east line of the northwest quarter of the northeast quarter of Section 29, a distance of five hundred and fifty (550) feet; thence west, parallel with the north line of Section 29, a distance of thirty (30) feet; thence north, parallel with the east line of the northwest quarter of the northeast quarter of Section 29, a distance of five hundred fifty (550) feet to the north line of Section 29,

thence east on the north line of Section 29 to the point of beginning; located in the County of Jackson, State of Illinois;"

and

"Commencing at the northeast corner of the northwest quarter of the northeast quarter of Section 29, Township 9 South, Range 1 west of the 3rd P.M.; thence west on the north line of Section 29 a distance of three hundred twenty-two and five-tenths (322.5) feet; thence south, parallel with the east line of the northwest quarter of the northeast quarter of Section 29, a distance of five hundred fifty (550) feet to a point of beginning; thence west, parallel with the north line of Section 29, a distance of one hundred (100) feet; thence south, parallel with the east line of the northwest quarter of the northeast quarter of Section 29, a distance of one hundred (100) feet; thence east, parallel with the north line of Section 29, a distance of one hundred (100) feet; thence north, parallel with the east line of the northwest quarter of the northeast quarter of Section 29, a distance of one hundred (100) feet to the point of beginning; located in the County of Jackson, State of Illinois;"

hereinafter termed, "Tract B"; and

WHEREAS, The City has determined that the smaller of the two tanks hereinabove described is obsolete and desires to discontinue its use; acquisition by this Board of the land upon which said tank stands would improve and enhance the Board's ability to utilize the planned recreation area to best advantage; the passing of title to the land currently leased to the City for a 99-year term would constitute negligible, if any, detriment to this Board; and the cost to this Board of removal of the obsolete tank would be reasonable in view of the utilization and aesthetic values involved.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Title to the land described as Tract B be conveyed to the City of Carbondale in exchange for title to the land described as Tract A, which will be conveyed to this Board.
- (2) The President, Southern Illinois University at Carbondale, be and he is hereby directed to provide for documentation to accomplish the foregoing.

After considerable discussion regarding the exchange of water tower sites versus acquiring both sites, it was the consensus that further negotiations with the City of Carbondale were in order. Mr. Allen moved that the Board approve the transfer subject to the approval of the specific terms of the transfer by the Executive Committee. The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Rendleman, who presented the following matter:

(I) APPROVAL OF PLANS: RENOVATION AT SCHOOL OF DENTAL MEDICINE, SIUE

The initial plan for development of the School of Dental Medicine called for the utilization of certain selected buildings on the Alton Campus, renovated to accommodate an entering class size of 24 dental students. Transfer of the program to a permanent facility at Edwardsville was projected for 1975 with a concomitant increase in entering class size to 64 or more dental students, and the initiation of related dental programs in post-graduate, graduate, and auxiliary education. Recent developments have necessitated the use of the interim facilities on the Alton Campus well beyond the original 1975 projection.

In order to alleviate some of the difficulties encountered by the delay in the move to more adequate quarters at Edwardsville, the University has assigned remaining buildings on the Alton Campus to the School of Dental Medicine. In turn, capital monies have been requested from both the State of Illinois and the Federal Government in order to prepare the interim quarters at Alton for a longer period of utilization and to accommodate an expanded dental program and increased student enrollment. (The American Dental Association's Council on Dental Education recently has approved an increase from 24 to 40 enterclass students for September, 1973.)

The Federal portion of these additional capital funds has been made available. The University has been awarded the sum of \$240,000 through the HEW Health Professions Start-Up Assistance Grant Program. By grant condition, these funds must be obligated in the renovation and remodeling of specified buildings on the Alton Campus by June 30, 1973.

It is proposed that these funds be used to renovate 5 buildings, which the University recently allocated to the Dental School, in order to make them minimally acceptable for the academic effort to be made in them. Schematics of the proposed renovations have been filed in the Office of the Board of Trustees, and a visual presentation will be presented at today's Board meeting.

The 5 buildings concerned and the uses which will be made of each of them are indicated on the attached list. Completion of the renovations proposed today will not render each building totally satisfactory for the purposes expected of it. As funds may become available in the future, therefore, additional renovative efforts may be sought in the same buildings.

Resolution

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That schematic design plans for renovation of Buildings #8277, #8278, #8285, #8287, and #8288 be and are hereby approved as presented at today's meeting of the Board, and the President of Southern Illinois University at Edwardsville, and appropriate other University officers, are authorized to complete final design plans, specifications, and detail for work contemplated by the design schematics approved today, which final design plans, specifications, and details are to be approved for this Board by its Executive Committee in accordance with Article IV, Bylaws, Section 1, and provided that funding be solely from the \$240,000 HEW Start-Up Assistance Grant now available.

USES PROPOSED FOR BUILDINGS RENOVATED FOR DENTAL SCHOOL

1. Building No. 8277

This building is to be used as a biomedical library with the usual and expected functions including stack space, reference area, reading rooms, staff offices, and receiving and cataloging areas.

2. Building No. 8278

This building is to be used as a classroom facility with two large lecture rooms and an audiovisual production facility including medical illustration, television and photographic studio, darkrooms, and offices for staff.

The educational program is designed for individualized instruction with considerable emphasis on the utilization of autotutorial materials and devices.

3. Building No. 8285

To be used as offices for faculty and supporting personnel.

4. Building No. 8287

This building is to be used for research in applied science and will contain the appropriate laboratories and related office space for faculty.

Adequate research facilities currently are not available.

5. Building No. 8288

This building is to be used as a medical services laboratory for urine and blood analysis and biopsy service, and also for attendant faculty offices.

Current appropriate space is unavailable for these functions which are essential for the dental education program.

After considerable discussion, Mr. Allen moved the resolution with the changes recommended, now incorporated in the above text. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following informational matter:

(J) INNOVATIVE TEACHING PROGRAMS IN THE BUSINESS DIVISION, SIUE

In September, 1972, the Board of Trustees received an information report from President Rendleman concerning efforts at SIUE to introduce innovative teaching and course formats in the various academic units of the University. Five basic categories of innovative programs were explained to the Board at that time: (1) Extramural and Continuing Education Programs intended to meet advanced educational needs of persons unable to attend regular classes; (2) Internship and Community Involvement Programs combining academic and practicum experience for students while providing services to community agencies; (3) New Program Options, designed to meet the specific needs of a changing society as it strives to find solutions to urban, economic and environmental problems; (4) New Student Options, which recognizes students' varying interests, experiences, and abilities and provides flexibility in their respective academic programs; and (5) New Teaching Techniques, striving to upgrade the quality of instruction and improve academic programs wherever possible.

Not included in the report to the Board in September, 1972, was the Business Division's Management Problem Laboratory (MPL), through which problem-oriented, interdisciplinary educational efforts are conducted utilizing innovative teaching methods and course formats. A brief summary of MPL therefore is provided the Board at this time.* President Rendleman and Dean John W. Leonard of the Business Division will further explain the program and be available for inquiries from Trustees at the February meeting of the Board of Trustees.

*One copy of voluminous supporting detail, in the form of Appendices to this report, has been filed with the Office of the Board of Trustees and is available to Trustees upon request.

PROBLEM-ORIENTED, INTERDISCIPLINARY EDUCATION
IN THE BUSINESS DIVISION
SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE, ILLINOIS

Summary

Program Goals

The Business Division at Southern Illinois University is keenly aware of the rapidly changing social and economic conditions in our society and the consequent changing demands such accelerated change places upon our educational system. To meet this challenge the Division is engaged in the development, implementation and study of an alternative delivery system calculated to meet the following societal needs:

1. The need for a more problem-oriented, interdisciplinary education.
2. The need to deliver quality career oriented education to students who cannot attend the University on a full- or part-time basis as well as to full-time students.
3. The need to decrease the direct and indirect costs of gaining and continuing an education to the students.

Program Format: The Management Problem Laboratory (MPL)

Effective problem-oriented education calls for a different student-teacher environment in which the range of resources and options for facilitating independent work and opportunities for accelerated progress are increased. The method combines some of the advantages of "case," "simulation," and "field training" methods by bringing on-going, real world problem environments into the University via a data bank or an information library.

The problem laboratory contains detailed data (demographic, social, economic, financial) on selected problem areas (e.g., a housing community, a firm). Students work problems (e.g., make recommendations on strategies to increase occupancy rate) by gathering data through forming and submitting written questions to laboratory operators who retrieve requested information. That is, students carry out their own information search and use the data retrieved to develop ideas and write reports. The problems are selected so that effective performance must be interdisciplinary, requiring the utilization of the concepts, techniques, and knowledge of all the participating courses. It is a process of learning through concept development, information search, feedback, and concept modification.

The Program

During the past year the method was developed and implemented on an experimental basis in the Business Division. All core courses required for Business majors over a three-quarter period were taught in the MPL format. Approximately 40 students completed the three-quarter program.

Direct class contact was reduced by slightly over 50 per cent. The time saved was used by students working on an independent basis in the problem laboratory. The final report on the problem, due at the end of the quarter, was graded by all professors from participating courses that quarter, and was the sole basis for grading.

A modified version of the MPL has also been used effectively in the Institute of Housing Management in the Business Division in non-degree training program in Housing Management.

Evaluation of the Program

The criteria used to evaluate the effectiveness of the program were:

1. Knowledge acquired across participating disciplines.
2. Conceptual ability - the ability to use a broader range of interdisciplinary information and concepts in coping with business and societal situations.
3. Motivation for independent work.

Thirty-five students completing all three quarters of work in the MPL format were matched with an equal number of students entering and completing the same courses over three quarters in the regular program. A number of research studies conducted on the effectiveness of the program are summarized below:

1. Studies on Knowledge Acquisition

Four studies show no significant difference in the amount of knowledge acquired by students in the MPL and regular programs. That is, students in the interdisciplinary problem-oriented program scored as well as students in the regular program on objective tests of knowledge in: (a) general BS/BA areas; (b) accounting; (c) finance; and (d) economics.

2. Studies on Interdisciplinary Conceptual Ability

Four studies investigated the effects of the MPL program on the students' ability to use multi-disciplinary information and concepts in dealing with business, societal, and social problems. The studies show that the MPL trained students score significantly higher on conceptual ability than students in the regular program in economics, management, social and group situations, and marketing.

3. Studies on Motivation

Significant increases in motivation for the MPL students, compared to regular program students were indicated by: (a) An

increase in achievement motivation measured by the McClelland Achievement Test; and (b) the ability of MPL students to compensate for the 50-60 per cent reduction in student-instructor contact.

Scholarly Publications on Program Method and Results

This problem-oriented method has stimulated scholarly interest within the University, nationally and internationally. Eight empirical studies were carried out by faculty members; a book and two studies have been submitted for publication; six papers have been presented or are accepted for presentation at professional conventions, nationally and internationally; and a number of scientists and educators from other universities and from Germany, India, and Canada have come to observe the program.

Future Plans

With appropriate developmental resources, it would appear that this method can facilitate our progress toward the stated goals through: (a) Implementation on a broader range and offering an interdisciplinary option in our regular on-campus undergraduate and graduate programs; this will be particularly relevant to working (part-time) students; and (b) implementation in our off-campus programs for delivery to working students in centers lacking university facilities.

President Rendleman requested Dr. Harold M. Schroder, Director of Internal Research, Business Division, SIUE, to introduce the students accompanying him. Dr. Schroder introduced Miss Sue Bax, Messrs. Larry Hall and John Kitchens. The Chair asked if there were any questions by the members of the Board. The Chair commented the report was well-prepared and it appeared to be a good program.

The Chair announced there were three Current and Pending Matters. Mr. Fischer moved that the Board consider the first Current and Pending Matter. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously. The Chair then recognized President Derge to present the following matter:

(Current and Pending Matter)

- (1) ELECTION OF DIRECTORS: ILLINOIS EDUCATIONAL
CONSORTIUM FOR COMPUTER SERVICES

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University is authorized to elect Directors to the Illinois Educational Consortium for Computer Services and has previously elected President David R. Derge and President John S. Rendleman as Directors, and

WHEREAS, The Board has requested that new Directors be elected in accordance with the Articles of Incorporation and Bylaws by the governing boards of the membering institutions by not later than March 5, 1973, and has further provided that with the consent of the member institutions the election of Directors may be by mail ballot.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Board of Trustees of Southern Illinois University consents to the proposed election of Directors by mail ballot.
- (2) Dr. David R. Derge and Dr. John S. Rendleman are hereby elected to the Board of Directors of the Illinois Educational Consortium for Computer Services.

- (3) The Assistant Secretary of the Board of Trustees is authorized and directed to forward a copy of this resolution consenting the said election and electing said Directors to the President of the Illinois Educational Consortium for Computer Services.

Mr. Fischer moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

Mr. Rowe moved that the second Current and Pending Matter be considered by the Board. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously. The Chair then recognized President Derge to present the following matter:

(Current and Pending Matter)

(2) RECOMMENDATION FOR HONORARY DEGREE, SIUC

Dr. Lyun Joon Kim is a distinguished educator, eminent composer of music, and a leading journalist in the Republic of Korea, where he has been president of Hanyang University at Seoul since 1959.

A pacesetter in education in his native country, Dr. Kim manifested his ingenuity and acumen early in his career. In 1938, at the age of 24 and in the year of his graduation from Yunhee (now Yunsei) Christian University, he established The Chosun (Korean) Cultural Institute and Dong-Ah Politechnical Institute.

Today's Hanyang University is the successor and expanded institution of these two schools. It first was established by Dr. Kim as Hanyang Technical College, of which he became Dean of the College, and in ensuing years Dr. Kim upgraded the College into Hanyang University, becoming its president in 1959. He also established the Hanyang Educational Foundation to support the Hanyang educational complex and invested all his capital for the lofty purpose of developing science, technology, and industry through education. Sixty percent of the scientists, engineers, and technicians in Korea owe to Dr. Kim for their education.

Hanyang University today contains 15 units of higher education including medicine, engineering, music, commerce and economics, arts and sciences. It also consists of research institutes, and attached schools for boys and girls below the college level. A highlight in his life of achievement came last May when a modern 1,000-bed hospital with advanced equipment and facilities was joined to the School of Medicine.

Dr. Kim is a devoted Christian who publishes a paper of the Korean Christian Association as well as his Dai-han Ilbo (Korea Daily News), a major daily circulated throughout the nation. He presently is chairman of the Korean Seminary board of trustees.

He has served as president of the Korean Research Institute of Policies, as Korean delegate to the World University Service, on the Seoul Committee of the International League for Human Rights, and as president of the Korean University Sports Union. He has an honorary doctoral degree of law from the University of Windsor, Ontario, Canada. He spends much of his time composing music. He has contributed more than 100 pieces of music to the culture of his own and other nations.

Mr. Allen moved approval that the honorary degree be granted. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

Mr. Allen moved that the third Current and Pending Matter be considered by the Board. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously. The Chair then recognized President Derge, who requested Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the following matter:

(Current and Pending Matter)

- (3) SELECTION OF ASSOCIATE ENGINEERS FOR
McANDREW STADIUM MODIFICATIONS DESIGN, SIUC
REVISION OF PRIOR BOARD ACTION

Resolution

WHEREAS, The Board of Trustees on November 17, 1971, reviewed proposals for renovation of McAndrew Stadium, SIUC, and requested that the project be submitted to the Board of Higher Education for approval; the prescribed construction proposal form was prepared and submitted to the Board of Higher Education on March 13, 1972, with a project budget which included an item of architectural and engineering fees in the amount of \$120,000; and the project was formally approved by the Board of Higher Education at a subsequent meeting, and

WHEREAS, At the October 20, 1972, meeting, the Board of Trustees approved The Engineers Collaborative, Ltd. of Chicago, Illinois, as associate engineers for renovation and modifications design for McAndrew Stadium, and also approved the execution of a contract for such services to be performed with a contract amount not to exceed \$97,500; it has now been discovered that

inadvertently the amount of \$97,500 was submitted for the maximum contractor's fee instead of the correct maximum amount which is \$121,000; and execution of the contract is being held in abeyance until this matter is presented to the Board of Trustees for revision and approval.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the resolution of this Board on the selection of associate engineers for McAndrew Stadium Modifications Design, dated October 20, 1972, be, and the same hereby is revised by deleting from the subparagraph numbered (2) thereof the amount, \$97,500, and substituting in lieu of said amount the amount, \$121,000.

Mr. Mager explained that this was not an increase over what was contemplated as the cost, but was to correct an error in the original resolution presented to the Board on October 20, 1972.

Mr. Rowe moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
W. Victor Rouse	Aye
Donald E. Fouts	(Temporarily absent)
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Martin V. Brown	Aye

Chairman Elliott reported that a short executive session had been held on January 12, 1973, and no actions were taken. He asked the Board's permission as Chairman to try a few experiments in the arrangement of the agenda in order to facilitate matters both for the Universities and for the Board. He also requested an oral and written report from any Trustee who attends a meeting as a representative of the Board, in order to keep the Board members informed. Written reports should be provided to the Chief of Board Staff for distribution, and oral reports will be routinely called for in open meeting.

The Chair recognized Dr. James Brown, who reported that the Illinois Board of Higher Education had met this week, and that he would mail to the

members of the Board a summary of the recommendations of that Board regarding the operating budget for the SIU System.

The Chair recognized President Rendleman, who announced that a bus will be available any time after 1:00 p.m., to take the members of the Board and anyone interested to the East St. Louis facility for a tour and a short meeting.

Mr. Fischer moved that the meeting be adjourned to convene in executive session at 1:00 p.m., and to adjourn directly from the executive session with no action being taken and no further open meeting. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The meeting adjourned at 12:10 p.m.

Alice Griffin, Assistant Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:35 a.m., Friday, March 9, 1973, in the Television Studio, Broadcasting Service, Communications Building, Southern Illinois University at Carbondale. The regular Chairman and Secretary being present, the meeting was called to order. The following members of the Board were present:

Mr. William W. Allen
 Dr. Martin V. Brown, Secretary
 Mr. Ivan A. Elliott, Jr., Chairman
 Mr. Harold R. Fischer, Vice-Chairman
 Dr. Donald E. Fouts
 Mr. W. Victor Rouse
 Mr. Harris Rowe
 Dr. Earl E. Walker.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
 Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
 Dr. James M. Brown, Chief of Board Staff
 Mr. Clifford R. Burger, Financial Officer
 Dr. H. Edward Flentje, Deputy Chief of Board Staff
 Mr. Robert L. Gallegly, Treasurer
 Mrs. Alice Griffin, Assistant Secretary
 Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Elliott presented the Minutes of a regular meeting held February 9, 1973, copies of which had previously been forwarded to members of the Board. On motion of Mr. Rowe, duly seconded, these Minutes were unanimously approved as presented.

Chairman Elliott made the following statement:

All of us have our businesses, our occupations, professions, and the way we make our living. This is the place we spend most of our time, sometimes more than with our families, but each of us also have our hobbies. A hobby is something a man or a woman does with his or her spare time,

something which he or she enjoys, something that sometimes takes first claim on your time, something for which you don't get paid, something you are proud of and you love to do. We have a member of this Board who has had SIU as a hobby since 1954. He has given greatly of his time as first demand for many years and the last two years as Chairman of this Board the demands on his time have been terrific. We have learned to love him on the Board level, the campuses have appreciated the work that he has done, the concern that he has shown for SIU, and we are, all of us, proud of the work that he has done. The gavel which he turned over to me last month is a big gavel, a standard-size gavel, and he has always used it in a very mild and unassuming way and yet has conducted the meetings properly. We think that he can use a smaller gavel just as appropriately because he never really banged with this one, so at this time it is our pleasure to present to Harold Fischer a plaque with a small gavel with the following inscription: "Harold R. Fischer, in grateful appreciation, Board of Trustees, Southern Illinois University, Member, 1954 to present, Chairman, 1971-1973." This is a small token of appreciation of the Board of Trustees of Southern Illinois University for the terrific job which Harold has done as Chairman and Board member, as chief hobbyist of SIU for many years.

CONSIDERATION OF BOARD OF TRUSTEES MATTERS

Chairman Elliott submitted a written report on a meeting held by the Merit Board of the University Civil Service System of Illinois, February 19, 1973, in Champaign, Illinois. A copy of this report has been placed on file in the Office of the Board of Trustees. In essence, the report covered the following points:

1. Discussion of coverage against individual liability of Merit Board and its employees.
2. Request that each governing board submit by June 1, 1973 lists of those classes of positions claimed to be exempt as principal administrative employees, together with the number of persons in each such class of positions as of April 30, 1973.
3. Appointment of a committee to study revision of Rule 7.7 - Student Appointments, to consist of three Personnel Directors, three Civil Service employees, and three Financial Aids officers, including Dr. Frank Adams, SIUC.
4. The following officers of the Board were elected:
 Mr. Ivan A. Elliott, Jr., Chairman (SIU)
 Mr. Earl L. Neal, Vice-Chairman (U of I)

The Chair recognized Mr. Allen to report on the Illinois Board of Higher Education meeting. Mr. Allen reported that due to a lack of quorum, the scheduled meeting had been cancelled, and the next regular meeting will be held the first Tuesday in April.

The Chair requested that Vice-Chairman Fischer moderate the next section of the meeting. Chairman Fischer then called on Mr. Elliott to make a report of the Committee on Board and Executive Officer Relationships of the Board of Trustees of Southern Illinois University.

Mr. Elliott stated that the Committee had met with the news media earlier in the day for a frank and open discussion of the Report. At 9:25 a.m., the Committee had met in open session and unanimously adopted the following:

REPORT OF THE COMMITTEE ON
BOARD AND EXECUTIVE OFFICER RELATIONSHIPS

The Committee has consulted with the two Presidents and the Chief of Board Staff. It has studied suggestions submitted by each and has conducted its own intensive study, review and analysis.

It recognizes that no system of governance can or should be static. Changing statutory mandates, operations of related external authorities, attitudes of internal constituencies, and even the personalities involved all indicate the need for continued review and possible alteration of the system of governance of Southern Illinois University.

This Committee reports its findings and recommendations based on the current situation at Southern Illinois University.

The Board of Trustees has divided the System into two Universities, each with its own President who is responsible to the Board for the comprehensive operation of his University.

The concept of the creation of two Universities within the Southern Illinois University System and the creation of a Board Staff was that University operational aspects should be performed by the Presidents. The Board Staff was created for advice and assistance to the Board and operational functions were added only when the Board itself was operational or the nature of the matter required a System representative.

The transition from a massive central organization to separate Universities at Carbondale and Edwardsville has taken time and planning. The decentralization has been skillfully accomplished. A few operational functions were assumed by the Board Staff, especially in the early days of decentralization. If the Board Staff had not assumed these responsibilities, many of them would have been at least partially neglected. Experience in the decentralization process has been desirable for evaluation. The problems created have been reviewed and further plans and directions are presented to complete the decentralization process and to clarify the handling of functions in which there must be involvement beyond the individual University.

The statements of August 20, 1971, describing the Functions of Presidents and Board Staff are, we believe, basically sound and only minor changes in these statements are proposed in the attached report.

These statements were the outline of a new System which the Board had begun to develop following an exhaustive management consultant study. These statements had not been subject to testing by experience. It is now believed that a complete plan for the decentralized Universities should include additional statements: First, a statement of the role the Board of Trustees intends to play; second, an outline for the mechanics of coordinating the actions and plans of the four parts of top level policy and executive authority of the Southern Illinois University System--the Board, the two Presidents and the Chief of Board Staff.

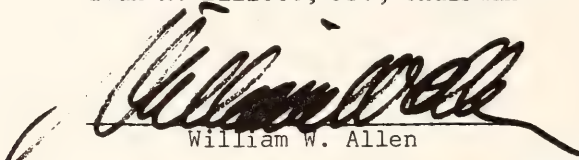

In order to fulfill its responsibility, to coordinate the two Universities into one System, to establish policies and future direction for the two Universities and to handle legal matters requiring Board action, the Board will establish guidelines. It needs to be assisted by a Board Staff since Board members are not paid, can only function on a part-time basis and are not expected to be professional educators. It is recommended that the Board should adopt the following:

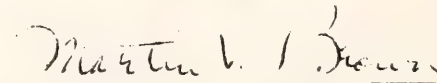

1. A Statement of Guidelines for Functions of the Board of Trustees of Southern Illinois University.
2. Creation and Functions of Southern Illinois University System Council.
3. Functions of Presidents and Board Staff. (Revised)

All of these documents are to be interpreted as a whole considering all parts of the other documents in order that the spirit of the method of organization may be followed.

Respectfully submitted,

Ivan A. Elliott, Jr., Chairman

William W. Allen

Martin Van Brown

GUIDELINES FOR FUNCTIONS OF THE BOARD OF TRUSTEES
OF SOUTHERN ILLINOIS UNIVERSITY

GENERAL CONCEPT

The Board of Trustees selects the President of each University and delegates to him the planning for and operation of that University. It relies on them to provide well reasoned recommendations for actions the Board should take, for presentation of sound plans to further the excellence of Southern Illinois University and its service to the State of Illinois, for making recommendations to the Board of desirable policy positions and for representation of each University in most instances to internal interests and on many occasions to external interests. Each President is responsible primarily for the University of which he is President, but each also has a responsibility for the excellence of the entire System.

The Board expects the Presidents to be responsive to the external and internal voices of those interested in excellence in education.

The Board makes policy decisions concerning each University and the System. Financial planning and controls are essential. The Board should review and oversee the operations of the Universities rather than direct them. Individual rights are protected by allowing appeals after administrative processes have been exhausted. Some actions must be taken by the Board to meet legal requirements.

The Board must support and back the Presidents. This does not mean affirming every recommendation blindly, but means providing a give-and-take of communication by both Board and Presidents so that each understands the other. Neither likes surprises and all need the perspective of a wide range of experience and viewpoint. Support is understanding each other's problems and reasons, then making a conscientious decision.

Likewise, the President must support Board policy once it has been established. It must have the President's best judgment in the form of recommendations and must have the benefit of the reasons both pro and con on debatable issues. The Board would rather be informed in candor and in advance of problems, where possible, than to find out for itself or have the matter hidden--even though it is never aired. Trust and confidence are built of this material.

The Board should constantly evaluate the performance of the Presidents and the activities of the Universities and the System. The Presidents should likewise evaluate the procedures of the Board, the activities of their respective Universities, and the entire System. Each should periodically communicate these evaluations to the other.

The Board of Trustees is assisted, advised and supported by the Chief of Board Staff in the performance of all of its functions.

EXTERNAL AFFAIRS

The functions of the Board in external affairs are comprehensive and are difficult to delegate.

No one can speak for the Board of Trustees except the Board itself unless duly authorized. Board officers, Board members, the Presidents and the Chief of Board Staff all speak as individuals unless duly authorized.

The System has many representatives to external agencies. Some of these are Board members and some are faculty, students, administrators or staff. Support of and advice to these representatives is necessary. They must report and request guidance to insure that their actions are according to policy and to coordinate internal plans and actions.

In order to clarify the role the Board of Trustees will play in making policy for external affairs, it will be the Board's policy to delegate these affairs to the Southern Illinois University System Council except that the Board will:

1. Set all policy on all legislation affecting the Universities or the System.
2. Approve all budgets and requests for funds and releases thereof.
3. Approve all formal reports and policy statements.
4. Approve all proposals for new programs, buildings and similar important matters.
5. Represent the Board of Trustees on those Boards where it has a representative as a member.
6. Give assistance and direction to the Southern Illinois University System Council.
7. Consider external areas not covered by those guidelines and work out additional guidelines as needed.

INTERNAL AFFAIRS

To the extent allowed by law and except as indicated, internal procedures for each University are delegated to the respective Presidents. The Southern Illinois University System Council is involved to the extent indicated in the document creating the Council.

A. Board action is required for the following matters:

1. Approval of budgets and allocation of appropriations for each University and for the Board Staff.
2. Approval of employment of academic and administrative personnel. (Employment of Civil Service personnel is delegated to the Presidents.)

3. Expenditure of funds through purchase orders and contracts except as delegated by Approved Requisition Policy and Procedure Statement of the Board or other specific delegation.
 4. Establishment of standards for purchasing and travel.
 5. Approval of the structure of the administration of the Universities two levels below the President.
 6. Approval of academic unit designations.
 7. Approval of new programs; discontinuation, modification and redesignation of programs.
 8. Acquisition and conveyance of interests in real estate.
 9. Establishment of personnel policies.
 10. Approval of basic plans for capital improvements--both short and long range and award of bids of capital projects.
 11. Establishment of publication and broadcast policies.
 12. Establishment of policies governing student, faculty and staff welfare, such as housing policies, medical service, food service, parking and vehicle controls.
 13. Selection of Presidents and Chief of Board Staff.
 14. Hearing and deciding appeals to protect individual rights after University remedies have been exhausted.
 15. Election of its own officers, establishment of its own Statutes and policies, establishment of its own procedures.
 16. Approval of all revenue bond issues, bond counsel and fiscal agents.
 17. For those functions not enumerated requiring action by the Board to meet legal requirements.
- B. The Board is concerned with the expenditure and control of funds. For this purpose two procedures are established:
1. Control of funds. (A further study should be made of the Treasurer's functions and responsibilities to determine procedures and changes desirable in this area.)

2. Audit. The audit is a tool of management and should be available to the Presidents for the control of their respective Universities. The Board shall have a System Auditor who is responsible only to the Board when it desires to call on him. External auditors are responsible to the Auditor General of the State of Illinois and not to the Board of Trustees. The Presidents shall report to the Board once a year summarizing important findings of the separate University's audits and they shall report to the System Auditor immediately on items of substantial irregularity who shall forward the report to the Board.

The following outline is designed to meet the Board's need for an independent auditor and still to recognize the Presidents as the ones who are primarily responsible for internal audit. Each University shall have its own internal audit staff responsible to its President. There shall be one System Auditor who shall report directly to the Board. He shall be on the Board Staff and shall be supported by its personnel and facilities. He shall perform such audits of financial records, properties and management of fiscal operations as shall be assigned to him by the Board. All audits shall be authorized by the Board. Any Board member, the Chief of Board Staff or either President may recommend a subject of audit. The respective Presidents and Chief of Board Staff shall be informed of the nature of the audit unless the Board directs otherwise.

Requests for audit, reports of audit and other matters in regard to audit will be submitted to the Board members individually in writing. Recommendations for audit will be acted on as if approved unless any Board member raises objections, in which case the matter will be acted upon by the Board in open or executive session as may be appropriate within the limitations of the Public Meeting Act. The System Auditor may recommend other areas of audit and shall have direct access to the Board and its members if he feels it necessary to do so. The System Auditor may request through each University President that each University auditor and his staff or other persons assist in the audit of that University. Each President shall cooperate in giving reasonable assistance. The System Auditor may request personnel to assist in an audit of the Board Staff or the other University, but such personnel need not be released for this purpose unless the Board directs that they be made available.

Unless the Board directs otherwise, results of audits shall be shown to the President of the University audited (or to the Chief of Board Staff if the audit is of the Board Staff) and he shall have an opportunity to respond.

Reports of the System Auditor will be filed with the Chief of Board Staff except in the following instances when they shall be presented to the Board:

- (a) Whenever in the System Auditor's opinion substantial discrepancies appear or the interests of the University indicate that the Board should be informed.
- (b) Whenever either President or the Chief of Board Staff request the audit to be sent to the Board.
- (c) Whenever the Board directs.

C. The Board is also concerned with the following areas and should:

1. Insure that all elements of the System observe the requirements of law and the regulations governing the System.
2. Review on a regular basis the programs of the Universities.
3. Be involved by the Presidents or Chief of Board Staff in matters which have, or may be expected to have, wide interest by the public, press or government.
4. Give assistance and direction to the two Presidents and the Chief of Board Staff and to the Southern Illinois University System Council.
5. Evaluate each President and the Chief of Board Staff annually individually and in person.
6. Evaluate these guidelines, Board procedures and the administrative structure of the System. Appropriate changes should be made. Recommendations are welcome from the Presidents, Chief of Board Staff or appropriate interested persons.
7. Involve itself in such manner as it deems appropriate in any System or University matter which the Board considers to be of sufficient importance.

CREATION AND FUNCTIONS OF
SOUTHERN ILLINOIS UNIVERSITY SYSTEM COUNCIL

In order to coordinate the two Universities' efforts and plans and to facilitate the operation of the Southern Illinois University System, the Board of Trustees creates a Southern Illinois University System Council.

This Council is in some degree modeled after the Council of Presidents of the old Teacher's College Board and the Council of Presidents of the present Board of Governors and Board of Regents. It is designed to coordinate the two Universities into a System and at the same time to preserve the sovereignty of the Presidents in the operation of their respective Universities.

COMPOSITION AND ORGANIZATION

The Southern Illinois University System Council shall be composed of the President of Southern Illinois University at Carbondale, the President of Southern Illinois University at Edwardsville, and the Chief of Board Staff.

The Chairmanship shall rotate between the two Presidents each calendar quarter with the first Chairman being the President of Southern Illinois University at Carbondale. The permanent Secretary shall be the Chief of Board Staff.

The Council shall meet weekly on a regular basis. Individual meetings may be cancelled or additional meetings may be scheduled. Unless scheduled by action of the Council, the Chairman shall be responsible for the scheduling of meetings and shall give every reasonable consideration to the schedules and desires of the others.

Attendance by the member in person shall have a high priority. A delegated representative may be sent when the individual cannot reasonably attend but use of a delegate is definitely discouraged. The delegated representative shall be the highest ranking subordinate available. An assistant to the Secretary may attend for the purpose of assistance in preparation of minutes. The Secretary shall make a written report to the Board each month stating the dates of meetings, the length of the meeting and who attended. Other information may be included at the request of any Council member.

Actions by the Council shall be by unanimous action. In the event of a disagreement, the matter shall be referred to the Board of Trustees for decision. In the event a decision is needed before the next meeting, the problem shall be submitted to the three officers of the Board and a decision of two of them shall be followed until the matter can be submitted to the Board. A conference call placed during the meeting with all three officers of the Board and all three members of the Council participating shall be the preferred method. In the event this cannot be accomplished, the Chairman shall determine the best alternate method. In the event only one of the three officers can be located, the members of the Board's Executive Committee may be substituted for the unlocated officers.

The Southern Illinois University System Council may report to the Board of Trustees as a Council if it desires or if the Board requests. This shall not in any way limit the right of each member to direct access to the Board nor his right to present his individual views.

The Council may establish its own rules and methods of procedure including a recommendation that the directions of this statement by the Board be amended by the Board.

CONCERNS

The System Council shall be concerned with all matters of concern to the Board of Trustees, all matters of System implication, the cooperation and coordination of the two Universities, all Southern Illinois University external affairs, the advance exchange of ideas and intentions of either University or the Board Staff which may have an affect on any of the others, and such other things as the Council may desire to consider.

Specific directions are given in the following instances:

1. Appearances before external agencies. The individual or individuals to appear before external agencies and the method of presentation shall be determined by the Council. The individual chosen may be a Council member. In most instances, such as legislative proceedings, legislators wish to communicate directly with the Presidents on their University matters. This should be encouraged. The Council may also request a Board member to appear in behalf of the System or either University. In many cases, the person chosen will be someone else. Multiple representation will often be indicated. The Council may determine that the presentation shall be in portions. (For example, the Chief of Board Staff may respond to the call for a System report by the BHE or a Legislative Committee, he may respond and introduce a representative from each University to present the portion of the report with which each is directly involved.) Additional representatives may be requested to attend as resource persons or to collect and disseminate reports as to what happened at the meeting. Limitations placed on representation by the external agency must be considered and the custom of presentation or the method of presentation by other University Systems should be considered. The goal is to have the individual best qualified and most knowledgeable in the area to make the actual presentation. In the event all three members of the Council or their representatives do not attend a presentation, it is the responsibility of the person in charge of the presentation to inform those not attending of the activities which took place.

Continuing direct contact may be authorized by the Council with continuing coordination and supplying of information as it may direct.

Representatives of the members shall continue to be responsible to their superiors even though direct contact is authorized or they are acting for the System and are also responsible to the System.

2. Reports and requests to external agencies. Reports and requests involving only one University not requiring consolidation and not involving unresolved System policy may be made direct to the external agency by the President of that University with a copy being sent to the other President and the Chief of Board Staff. (Example of such reports and requests would include: A request to the Board of Higher Education for approval of an academic program at one University which has been approved by the Board.)

Requests to the Board of Higher Education or the Bureau of Budget for release or reallocation of funds and requests for clarification of Board of Higher Education or Bureau of Budget financial policies shall be made by the Chief of Board Staff unless the System Council directs otherwise.

Reports and requests requiring consolidation will be submitted by the Chief of Board Staff. (Examples include System budgets; appropriation requests.)

Reports and requests involving unresolved System policy will be submitted in such manner as the Southern Illinois University System Council shall determine. (Examples include requests of Board of Higher Education for 15% of lowest priority items in budget; request for release of funds for building when the granting would deprive the System of funds for another building or project of equal or higher priority; or comments requested concerning proposed Board of Higher Education staff or committee recommendations.)

3. Legislation. System policy on pending or proposed legislation shall be set by the Board of Trustees.

Interpretation of System policy may be made by the Southern Illinois University System Council and these interpretations shall be reported to the Board.

Legislative liaison shall be controlled by the Southern Illinois University System Council using personnel from either University or the Board Staff. All members shall use care to see that others are fully informed of legislative contacts and attitudes. The Council shall set up procedures to keep track of calendars and to review and evaluate legislation. The Chief of Board Staff is responsible for keeping the calendar and seeking review and evaluation of pending legislation.

The Council shall report to the Board during the legislative sessions concerning pending legislation and actions recommended and shall neither endorse or oppose legislation in the absence of Board policy as to such legislation.

4. Interuniversity cooperation and coordination. The Council shall determine areas where cooperation and coordination between the two Universities is desirable and may ordinarily be delegated to subordinates. (Examples may be library acquisitions of rare or expensive items; book loan programs; University calendar; and use of computers.) These will be delegated to subordinates in each University with such Board Staff involvement as the Council shall determine. The designated subordinates shall make direct contact in the assigned area and take such action as is within their authority to bring about the maximum in cooperation and coordination. In the event of disagreement among the designated subordinates, that matter shall be referred to each individual's superior who may refer it to the Council.

Action in this area begun by the Council may be delegated to others who are directed to report back. (For example, coordination to prevent undesirable duplication; to loan facilities and equipment; to transfer and recognize credits; to regulate orderly growth; or to allocate funds to engineering programs at each University. Other illustrations might be transferability of credits or granting of degrees at the other University. The common market concept should work with greater ease between Southern Illinois' two Universities than with outsiders.)

5. Budget, appropriations and fiscal matters. Guides and standards as to sizes of budgets and requests should be considered by the Council adequately in advance so that the requests can be consolidated without presenting conflicts in policy. Such System policies as percentages of salary increase, overall budget increase, and capital priorities must be determined before substantial document preparation has progressed. Possible cuts at the appropriation level should be contemplated so that if this happens, contingency plans can be ready to insure that the least damage possible is done to the System. All phases of bond issues fall in this area because collateral and ratings may affect both Universities.
6. News media. All relationship with news media are a Southern Illinois University System Council concern. Most relationships with news media will be handled by the Universities through subordinates (with coordination as indicated). Board actions or involvements relating primarily with one University will be handled by that University. (For example, the closing of a campus for disorders would be handled by the press relations personnel of that University; budget interpretation of a University would be handled by that University.) Specific Board matters should be handled by the Chief of Board Staff. (Examples include announcement of Board membership and election of officers; location and details of Board meetings; announcement of System budget.) Items of dual concern should be coordinated as indicated above. (For example, an explanation of budget might be done by either or both Universities or by the Chief of Board Staff. The Council should decide which will be most effective.)

The Board should make a further study of the public relations needs of the entire System, including not only news media, but also other elements.

7. Advance exchange of ideas and intentions. A good idea should be shared in a spirit of cooperation for mutual improvement. Internal activities at one University may or may not affect the same activities at the other University. Evaluation and assistance by the Board Staff can be accelerated and facilitated by advance knowledge. (For example, a proposal to change the tenure system; a proposal to change tuition; a proposal to change from quarters to semesters; a proposal to abolish general studies; or a proposal to lease motor vehicles.)

The Southern Illinois University System Council must be given advance information on matters being considered by any component of the System at the time serious consideration begins. Council members can then direct their own investigations to begin, if desirable, and can advise and discuss these projects with each other.

8. Other matters. The Council may consider and advise the Board on any relevant matter including the Board's own processes and procedures. It may propose new policies or amendments or revocation of standing policies.

FUNCTIONS OF PRESIDENTS AND BOARD STAFF (REVISED)

FUNCTIONS OF THE PRESIDENTS OF SOUTHERN ILLINOIS UNIVERSITY

The position of President has been established for Southern Illinois University at Carbondale and for Southern Illinois University at Edwardsville. The President is the Chief Executive and Administrative Officer of his University. He is responsible directly to the Board of Trustees and shall have direct access to the Board and its members. As such, his authority and responsibility shall include:

A. As to affairs external to the University:

1. In geographic areas near his University, he shall represent Southern Illinois University in its relationship to external agencies and shall interpret the University's goals and achievements. In areas of System or Board concern, he shall represent the University to the extent practicable in coordination with the other President and the Chief of Board Staff and the System Council. All matters relating to State agencies shall be considered to be of Board concern.
2. He is authorized to sign documents on behalf of the University which relate to his University and which are not to be signed by Board officers.
3. He shall provide information to news media on behalf of his University in accord with the functions of the System Council.
4. He shall maintain liaison with the unit of the Southern Illinois University Foundation and the Southern Illinois University Alumni Association designated for his University and shall supervise their affairs to the extent allowed by their independent boards.

B. As to affairs internal to the University:

1. He is the Chief Executive and Administrative Officer of the elements of the System assigned to his University.
2. He shall develop, within guidelines provided, proposed budgets for each University, and control the expenditures of each University within the framework of approved budgets, public laws and Board policy.
3. He shall devise, direct and assume responsibility for efficient and effective internal organization for administration and governance of his University.

4. He shall propose policies relating solely to his own University.
5. He shall propose System policies, in cooperation with the other President and Chief of Board Staff.
6. He shall provide leadership in the educational development of his University.
7. He shall be responsible for the academic concerns of his University for teaching, study, discussion and research.
8. He shall evaluate periodically the effectiveness of all University functions, measuring performance on the basis of System-wide policies, formal goals and objectives and approved budgets.
9. He shall appoint all academic and nonacademic employees within the limitation of powers specifically delegated to him by the Board of Trustees.
10. He shall be responsible for the physical security of his University and its inhabitants, and the coordination and liaison with outside security agencies.
11. He shall carry out all public laws and approved Board policies governing the management of the University. He shall implement Board policies as they apply to his area of responsibility and promulgate supplementary rules and regulations, keeping the Chief of Board Staff informed of interpretations, rules and regulations.
12. He shall advise the Board of Trustees in all matters important to the smooth conduct of University or System affairs, including any substantial problems he may have with the Board Staff.

C. Relationship to Chief of Board Staff and Board of Trustees:

1. He shall be directly responsible to and shall accept direction only from the Board of Trustees.
2. The Chief of Board Staff may inform the President of Board policy or action but shall not direct the President in regard to his actions in managing the affairs of his University.
3. He shall have direct access to the Board of Trustees and the members thereof.

4. This statement of Functions shall be interpreted consistently with the Board's policy of Guidelines for Functions of the Board of Trustees and Creation and Functions of Southern Illinois University System Council. The President shall be a fully cooperative and enthusiastic member of the Council. He shall make every effort to foster a spirit of trust and unity in the Council and the entire System.

FUNCTIONS OF THE BOARD STAFF OF SOUTHERN ILLINOIS UNIVERSITY

The Board of Trustees has created the Office of Board Staff, headed by the Chief of Board Staff, to assist it in carrying out its responsibilities to govern Southern Illinois University. The Board of Trustees is responsible to the people of the State of Illinois for all aspects of the operation of Southern Illinois University. Board members serve without pay and have a limited time available to research problems, establish policies, represent the University and do the other things desirable to fulfill their responsibility. The Chief of Board Staff, assisted by others under his supervision, has the mission of assisting the Board in a professional manner so that it may be more effective. He reports to and is directly responsible to the Board of Trustees.

The Chief of Board Staff, as the representative of the Board of Trustees, has the following functions:

- A. As to affairs external to the University:
 1. When it is mandatory that one person represent the Southern Illinois University System and this is not done by a Board member, he may after discussion and concurrence with the System Council represent the System in its relationship to external agencies including the Governor's Office, Bureau of Budget, Legislature, Board of Higher Education, Capital Development Board, and at conferences of System Heads.
 2. Whenever it is more effective to expand external contacts to include the University Presidents or their representatives, this should be done. System representation may be delegated by the Southern Illinois University System Council.
 3. He is authorized to sign documents on behalf of the Board which relate to the entire System rather than to one University and which are not to be signed by the Board officers.
 4. He shall provide information to news media on behalf of the Board in accord with the functions of the System Council.
 5. He shall maintain liaison on behalf of the Board with the Southern Illinois University Foundation and the Southern Illinois University Alumni Association.

B. As to affairs internal to the University:

1. On behalf of the Board, he shall prepare one appropriation bill for the entire System. This shall be developed from budgets presented by the Presidents. He shall represent the Board in working with the Presidents to develop guidelines for budget preparation both preliminary to passage of an appropriation and after an appropriation. Major decisions, final budgets and any substantial disagreement in the budgeting process should be presented to the Board.
2. He shall prepare and present to the Board System-wide statutes, bylaws, policies and procedures. These may be a consolidation of requests by the Presidents or may be initiated by the Chief of Board Staff.
3. He may suggest University plans or needs to the appropriate President.
4. He shall cooperate with the Presidents in proposing, consolidating and refining plans for the future of the System.
5. He shall consolidate reports on present enrollment, financial affairs and other matters.
6. He shall represent the interests of the Board in assisting the Presidents to coordinate the affairs of the several Universities.
7. On behalf of the Board he shall review all activities of Southern Illinois University which are requested by the Board or which he believes to be of such importance as to merit Board attention. He shall call to the Board's attention any affairs of Southern Illinois University which he deems to be of sufficient importance.

C. As to the Board's own procedures:

1. He shall prepare agendas for the Board and schedule appearances before the Board in accordance with policies set by the Board.
2. He shall maintain Board records.
3. He shall review and analyze all items to be considered by the Board and shall submit his recommendation on each item. It is recognized that the depth of analysis must be in relation to the importance of the item. Unless requested to make an independent investigation, the Chief of Board

Staff should confine his review to matters presented by the originator of the item and such additional information as he may deem appropriate to request from them. This review should be made with the goal in mind that the Board desires to have an independent professional opinion on matters of importance but does not desire to diminish the authority and responsibility of the Presidents for the matters submitted.

4. He shall advise the Board in regard to its own organization and procedure and the legality of its actions.
5. He shall assist individual Board members in regard to their University relationships.

D. Relationship to Presidents and Board of Trustees:

1. He shall be directly responsible to and shall accept direction only from the Board of Trustees.
2. He shall have direct access to the Board of Trustees and the members thereof.
3. The Chief of Board Staff should inform either President prior to informing the Board of any proposed or past action which he believes to be in contravention to Board policy, but shall not direct the President to act or refrain from acting.
4. This statement of functions shall be interpreted consistently with the Board's policy of Guidelines and Functions of the Board of Trustees and Creation and Functions of Southern Illinois University System Council. The Chief of Board Staff shall be a fully cooperative and enthusiastic member of the Council. He shall make every effort to foster a spirit of trust and unity in the Council and the entire System.

Mr. Elliott moved approval of the Report by the Board of Trustees. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

Mr. Elliott moved that the Board approve the following Committee recommendations:

1. The Committee be continued. In approximately ninety days, the Committee meet with the two Presidents and the Chief of Board Staff to review the progress of the System Council and the University under the guidelines presented in the Report, and that the Committee should recommend to the Board such future actions as may be desirable.
2. The Chairman of the Board be authorized to appoint a committee to examine the Treasurer function and to what extent it should be decentralized, and make a report to the Board.
3. The Committee be authorized to request the public relations personnel of both Universities and the Board Staff to make recommendations to the Board as to how a further examination of public relations can be accomplished.

Newspaper correspondents, radio and television correspondents, and any other interested persons that have recommendations make those recommendations to the Board by sending, in writing, a copy to each Board member concerning the best way to go about the evaluation and recommendations in the area of public relations for the entire University System. For example, how should this be accomplished? What specific suggestions should be made? What organization can be set up, hopefully within the University, to examine the entire scope of public relations?

4. The Committee be authorized to request the Auditors presently assigned to the Board Staff be decentralized immediately in accordance with their present domicile.
5. The Committee be authorized to request Dr. James M. Brown, Chief of Board Staff, and Mr. Robert L. Gallegly, Treasurer, to present to the Board job descriptions and personal characteristics of a proposed System Auditor.

6. After the job descriptions and personal characteristics of a proposed System Auditor have been approved by the Board, Dr. James M. Brown and Mr. Robert L. Gallegly should recommend three candidates for the position of System Auditor to the Board for their consideration.

The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

The Vice-Chairman then turned the meeting back to the Chairman. In response to item 2 in the above motion, the Chair appointed the following committee to examine the Treasurer function: Mr. Harris Rowe, Chairman, Mr. Harold R. Fischer, and Mr. W. Victor Rouse.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE MATTERS

The Chair then recognized President Derge, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office:

A. Report of Death

With regret, we report the death of Mr. Joseph H. Friend, Professor of English. He was born April 14, 1909, and died November 22, 1972. He received the Bachelor of Arts degree from the University of Wisconsin, the Master of Arts degree from Columbia University, and the Doctor of Philosophy degree from Indiana University. He served as an editor, in charge of the lexicographical department, with the World Publishing Company and as Assistant Professor, Associate Professor, and Professor at Western Reserve University prior to accepting appointment at Southern Illinois University in 1966. He attained scholarly recognition as a lexicographer and was responsible for improving the quality of the program offered by the Center for English as a Second Language so that it became an educational service for international enrollees learning English.

(C)

B. Continuing Appointments

1. Mr. Ronald A. Browning as Assistant Professor of Physiology and the School of Medicine effective March 1, 1973, on an academic year basis. He received the Doctor of Philosophy degree from the University of Illinois. He was born November 7, 1940, in Washington, D.C.

\$1,335.00
(C)

2. Mr. Bernard J. O'Conner as Coordinator (Information Officer) in the Office of the Vice President for Development and Services effective January 15, 1973, on a fiscal year basis. He received the Bachelor of Philosophy degree from Marquette University. He was born November 15, 1910, in Valparaiso, Indiana.

\$1,125.00
(C)

3. Mr. Anthony Paparo as Assistant Professor of Zoology and the School of Medicine effective March 26, 1973, on an academic year basis. He received the Doctor of Philosophy degree from Fordham University. He was born April 8, 1940, in New York, New York.

\$1,500.00
(C)

C. Conditional Appointment

Mr. Robert A. Dreves as Instructor in Marketing for the Fall, Winter, and Spring Quarters, 1973-74. He received the Master of Business Administration degree from Northwestern University. He is a candidate for the Doctor of Philosophy degree from Ohio State University. At such time within the appointment period named above

as the doctor's degree requirements are met, the rank is to be changed to Assistant Professor on continuing appointment and the salary is to be increased effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements from the Registrar or Dean of the Graduate School where the degree was earned. He was born January 6, 1945, in Oak Park, Illinois.

Instructor
\$1,500.00
Asst. Prof.
\$1,580.00
(C)

D. Term Appointments

1. Miss Constance Myra Allentuck as Instructor in Theater and Physical Education for Women for the Spring Quarter, 1973. She received the Bachelor of Arts degree from Bennington College.

\$930.00
(C)

Lantz, Professor of Sociology, to serve on a fiscal year basis, rather than academic year basis, for the period January 1 to July 1, 1973, thence to serve on an eleven months appointment for the period August 1, 1973, to July 1, 1974. The appointment pattern is to be from August 1 to the following July 1 until July 1, 1977. (C)

19. Mrs. Rita Maulding to serve for the period January 1 to April 1, 1973, rather than January 2 to April 1, 1973, as reported previously. (C)

20. Mr. William A. Morgan to serve as Acting Coordinator, rather than Staff Assistant, of the Vocational-Technical Institute Manpower Training Program, at an increased monthly salary, for the period January 15 to July 1, 1973. His salary is to be paid from restricted funds. \$1,125.00
rather than
\$1,008.00
(C)

21. Mr. Henry Dan Piper, Professor of English, to serve on a fiscal year basis, rather than academic year basis, for the period January 1 to July 1, 1973, thence to serve on an eleven months appointment for the period August 1, 1973, to July 1, 1974. The appointment pattern is to be from August 1 to the following July 1 until July 1, 1977. (C)

22. Mr. Arden L. Pratt, Professor and Dean of the Vocational-Technical Institute and Professor of Higher Education, to serve also as Project Director of the Environmental Manpower Assessment Project, effective January 9, 1973. Part of his salary is to be paid from restricted funds. (C)

23. Dr. John William Roddick, Jr., Professor and Chairman in the School of Medicine, to serve also as Coordinator (of Clinical Affairs) in the School of Medicine, at an increased monthly salary, effective February 1, 1973, on a fiscal year basis. One-half of his salary as Professor and Chairman is to be reimbursed to the School of Medicine by hospitals in Springfield, Illinois. At such time in the future as his administrative assignment as Coordinator may be discontinued, his salary is to revert to a salary as Professor. \$4,565.00
rather than
\$4,396.00
(C)

24. Mr. Frank H. Sehnert to serve as Assistant in the Museum, rather than Foreign Student Consultant in the International Student Services Division, and to serve on term appointment, rather than continuing appointment, for the period January 15, 1973, to July 1, 1974.

(C)

25. Dr. David L. Silber, Associate Professor in the School of Medicine, to serve also as Assistant Chairman in the School of Medicine, at an increased monthly salary, effective February 1, 1973, on a fiscal year basis. At such time in the future as his administrative assignment as Assistant Chairman may be discontinued, his salary is to revert to a salary as Associate Professor.

\$3,005.00
rather than
\$2,835.00
(C)

26. Mrs. Mary Catherine Snyder, Research Associate in the School of Medicine, to serve on a sixty percent time basis, rather than fifty percent time basis, with change of salary accordingly, for the period February 1 to October 1, 1973. Her salary is to be paid from restricted funds.

(C)

27. Mrs. Lucy P. Stewart to serve as Assistant Professor of Interior Design, rather than Assistant Professor of Interior Design and the Division of Continuing Education, effective the Fall Quarter, 1973.

(C)

28. Mr. John R. Sutton, Coordinator of the Vocational-Technical Institute Manpower Training Program, to serve also as Project Coordinator of the Vocational-Technical Institute Menard Vo-Tech Program, at an increased monthly salary, for the period January 15 to July 1, 1973. His salary is to be paid from restricted funds.

\$1,400.00
rather than
\$1,284.00
(C)

29. Mr. John A. Van de Walle to serve as Chief Academic Adviser in the Center for the Study of Crime, Delinquency, and Corrections, in addition to serving as Adjunct Instructor in Mathematics, for the period January 15 to July 1, 1973.

\$900.00
(C)

G. Sabbatical Leaves

In conformity with established regulations, sabbatical leaves are recommended for the faculty members listed below:

1. For the Spring and Summer Quarters, 1973, at full pay:

Mr. Robert E. Lee, Associate Professor of the Rehabilitation Institute, who joined our staff in 1964, has the Doctor of Philosophy degree from the University of Minnesota. He plans to study rehabilitation program administration in the United States and urban and rural programs in Central and South America.

(C)

Applications for sabbatical leaves for 1973-74 were received at one time and then reviewed competitively for the first time in recent years. Sabbatical leaves for the 57 faculty members listed below are for the specified periods of time as indicated. In 1972-73, sabbatical leaves for 75 faculty members were ratified.

2. For the Summer and Fall Quarters, 1973, at full pay:

a. Mr. Clayton E. Ladd, Professor of Psychology and Counselor in the Counseling and Testing Center, who joined our staff in 1966, has the Doctor of Philosophy degree from the University of Iowa. He plans research and writing.

(C)

b. Mr. Edward B. Sasse, Associate Professor of Educational Administration and Foundations, who joined our staff in 1966, has the Doctor of Philosophy degree from the University of Wisconsin. He plans research and writing on organizational strategies for the extended school year.

(C)

3. For the period July 1, 1973, to January 1, 1974, at full pay:

Mr. C. Addison Hickman, Professor of Economics, occupying the Vandever Chair of Economics, who joined our staff in 1960, has the Doctor of Philosophy degree from the University of Iowa. He plans research and writing in Economics and visits to research centers and campuses where potentially important curricular, instructional, or governance programs are being developed.

(C)

4. For the period September 15, 1973, to September 15, 1974, at half pay:

a. Mr. William McDaniel Herr, Professor of Agricultural Industries, who joined our staff in 1957, has the Doctor of Philosophy degree from Cornell University. He plans to accept appointment as Visiting Scholar in the Research Division of the Farm Credit Administration, Washington, D.C.

(C)

b. Mr. Allan G. Pulsipher, Associate Professor of Economics, who joined our staff in 1968, has the Doctor of Philosophy degree from Tulane University. He plans research and part-time teaching at the University of the West Indies.

(C)

5. For the Fall Quarter, 1973, at full pay:

a. Mr. Samuel A. Floyd, Jr., Assistant Professor in the School of Music, who joined our staff in 1968, has the Doctor of Philosophy degree from Southern Illinois University. He plans to write a book on teaching music appreciation.

(C)

b. Mr. Edward L. Winn, Jr., Professor of Finance, who joined our staff in 1966, has the Doctor of Business Administration degree from Indiana University. He plans to study graduate programs of business in universities in England. (C)

6. For the Fall and Winter Quarters, 1973-74, at full pay:

a. Mr. Vernon L. Anderson, Associate Professor of Foreign Languages, who joined our staff in 1968, has the Doctor of Philosophy degree from Stanford University. He plans research for a biography of Johannes Bobrowski, an East German Writer. (C)

b. Mr. Michael C. Batinski, Assistant Professor of History, who joined our staff in 1968, has the Doctor of Philosophy degree from Northwestern University. He plans research for a book on political thought in colonial America. (C)

c. Mr. I. P. Brackett, Professor of Speech Pathology and Audiology, who joined our staff in 1951, has the Doctor of Philosophy degree from Northwestern University. He plans to continue work on a basic text in disordered phonology. (C)

d. Mr. Robert L. Buser, Professor of Secondary Education, who joined our staff in 1967, has the Doctor of Education degree from Indiana University. He plans research on several problems related to secondary education. (C)

e. Mr. Charles T. Goodsell, Professor of Government, who joined our staff in 1966, has the Doctor of Philosophy degree from Harvard University. He plans research in the Caribbean area for two projects. (C)

f. Mr. Harold Grosowsky, Lecturer in Design, who joined our staff in 1960, has studied at the Institute of Design. He plans to develop workshop materials for cross cultural problem solving workshops in cooperation with the Center for Research in Education. (C)

g. Miss Bonnie Krause, Community Consultant in Community Development Services, who joined our staff in 1968, has the Master of Science degree from Southern Illinois University. She plans to study arts and crafts cooperatives, schools, and folklore collections for long range planning of arts and crafts support in Southern Illinois. (C)

h. Mrs. Theresa B. Miriani, Assistant Professor in the Vocational-Technical Institute, who joined our staff in 1960, has the Master of Science degree from the University of Denver. She plans graduate study at Southern Illinois University and study of teaching methods in shorthand and court reporting in colleges and community colleges. (C)

i. Mr. Thomas J. Pace, Jr., Professor of Speech, who joined our staff in 1965, has the Doctor of Philosophy degree from Denver University. He plans post-doctoral study at Duquesne University.

(C)

j. Mr. Bruce Petersen, Assistant Professor of Zoology, who joined our staff in 1968, has the Doctor of Philosophy degree from the University of Colorado. He plans to study at the Smithsonian Institution's tropical laboratory on Barro Colorado Island in the Panama Canal Zone and at the Lerner Marine Laboratory on Bimini, Bahama Islands.

(C)

k. Mr. C. David Schmulbach, Professor of Chemistry and Biochemistry, who joined our staff in 1965, has the Doctor of Philosophy degree from the University of Illinois. He plans to complete a manuscript for a textbook in inorganic chemistry.

(C)

l. Mr. Shirish B. Seth, Associate Professor of Accountancy, who joined our staff in 1967, has the Doctor of Philosophy degree from Michigan State University. He plans study in computer science and electronic data processing to enhance his capabilities in his teaching field.

(C)

m. Mr. Leland G. Stauber, Associate Professor of Government, who joined our staff in 1966, has the Doctor of Philosophy degree from Harvard University. He plans research on problems of liberal socialism in Europe.

(C)

7. For the Fall and Spring Quarters, 1973-74, at full pay:

Mr. Robert B. Partlow, Jr., Professor of English, who joined our staff in 1957, has the Doctor of Philosophy degree from Harvard University. He plans research on Charles Dickens in London, England.

(C)

8. For the Fall, Winter, Spring, and Summer Quarters, 1973-74, at half pay:

a. Mr. Donald R. Adams, Associate Professor of Economics, who joined our staff in 1968, has the Doctor of Philosophy degree from the University of Pennsylvania. He plans to accept a Fulbright Grant to teach and study in Sweden.

(C)

b. Mr. Duane D. Baumann, Associate Professor of Geography, who joined our staff in 1967, has the Doctor of Philosophy degree from Clark University. He plans research at the University of Colorado.

(C)

c. Mrs. Patricia Carrell, Associate Professor of Linguistics, who joined our staff in 1968, has the Doctor of Philosophy degree from the University of Texas. She plans study and research in areas of logic that are relevant to linguistics. (C)

d. Mr. Ronald Grimmer, Associate Professor of Mathematics, who joined our staff in 1967, has the Doctor of Philosophy degree from the University of Iowa. He plans post-doctoral research at Iowa State University. (C)

e. Mr. David M. Kvernes, Assistant Professor of English, who joined our staff in 1968, has the Doctor of Philosophy degree from the University of Minnesota. He plans research and writing. (C)

f. Mr. Jon D. Muller, Associate Professor of Anthropology, who joined our staff in 1966, has the Doctor of Philosophy degree from Harvard University. He plans to join the University of Ibadan in Nigeria for a research project in the archaeology of northwest Nigeria. (C)

g. Mrs. Sue A. Pace, Associate Professor of Speech Pathology and Audiology, who joined our staff in 1965, has the Doctor of Philosophy degree from Northwestern University. She plans to accept a Fulbright-Hays Award at Yonsei University, Seoul, Korea. (C)

h. Mr. James E. Redden, Professor of Linguistics, who joined our staff in 1967, has the Doctor of Philosophy degree from Indiana University. He plans post-doctoral study and research at the University of Hamburg, Germany. (C)

i. Mr. Lon R. Shelby, Professor of History, who joined our staff in 1961, has the Doctor of Philosophy degree from the University of North Carolina. He plans to write a book entitled, "The Medieval Master Mason". (C)

j. Mr. Jacob Verduin, Professor of Botany, who joined our staff in 1964, has the Doctor of Philosophy degree from Iowa State University. He plans year-round study of western Lake Erie. (C)

9. For the period October 1, 1973, to October 1, 1974, at half pay:

Mr. Thomas G. Eynon, Professor of Sociology and the Center for Study of Crime, Delinquency, and Corrections, who joined our staff in 1968, has the Doctor of Philosophy degree from Ohio State University. He plans professional writing and visitation to criminological institutes and criminal justice agencies. (C)

10. For the Winter and Spring Quarters, 1974, at full pay:

a. Mr. R. Clifton Andersen, Professor of Marketing, who joined our staff in 1967, has the Doctor of Business Administration degree from Indiana University. He plans research and study in the area of marketing channels. (C)

b. Mr. David N. Bateman, Assistant Professor of Administrative Sciences, who joined our staff in 1965, has the Doctor of Philosophy degree from Southern Illinois University. He plans research and writing in business communication and business analysis. (C)

c. Mrs. Mary Ann Webb Bateman, Associate Professor in the School of Music, who joined our staff in 1965, has the Master of Music degree from the University of Michigan. She plans additional organ study to enlarge her teaching and playing repertoire. (C)

d. Mr. Donald L. Brehm, Assistant Professor of History, who joined our staff in 1967, has the Doctor of Philosophy degree from Washington University. He plans research for a book related to Spanish political theory and the collection of materials for courses. (C)

e. Mr. Leslie Ralph Casey, Associate Professor of Health Education, who joined our staff in 1957, has the Doctor of Education degree from Columbia University. He plans intensive study of contemporary developments in health program evaluation. (C)

f. Mr. Lawrence J. Dennis, Associate Professor of Educational Administration and Foundations, who joined our staff in 1968, has the Doctor of Philosophy degree from Southern Illinois University. He plans to survey teacher education programs in the United Kingdom. (C)

g. Mr. Harry Denzel, Assistant Professor of Learning Resources Service and Guidance and Educational Psychology, who joined our staff in 1964, received the Doctor of Philosophy degree from Southern Illinois University. He plans to study the effectiveness of instructional techniques and approaches to learning in selected institutions of higher education in several countries of Europe, in the Near East, and Far East. (C)

h. Mrs. Elizabeth R. Eames, Professor of Philosophy, who joined our staff in 1963, has the Doctor of Philosophy degree from Bryn Mawr College. She plans to complete a book manuscript on Bertrand Russell. (C)

i. Mrs. Florence M. Foote, Professor of Physiology and the School of Medicine, who joined our staff in 1963, has the Doctor of Philosophy degree from the University of Iowa. She plans to study new creative approaches to the teaching of anatomy and organ culture techniques in several schools of medicine. (C)

j. Mr. Michael Hoshiko, Professor of Speech Pathology and Audiology, who joined our staff in 1957, has the Doctor of Philosophy degree from Purdue University. He plans research in speech science at the Royal Institute of Technology, Stockholm, Sweden, and the University of Rome. (C)

- k. Mr. Harold E. Little, Assistant Professor in the Vocational-Technical Institute, who joined our staff in 1964, has the Bachelor of Science degree from Pennsylvania State University. He plans to study for a Master of Science degree at Southern Illinois University. (C)
- l. Mr. James H. McHose, Professor of Psychology, who joined our staff in 1961, has the Doctor of Philosophy degree from the University of Iowa. He plans research. (C)
- m. Mr. George Nadaf, Assistant Professor in the School of Music, who joined our staff in 1965, has the Master of Music degree from Manhattan School of Music. He plans research and writing. (C)
- n. Mrs. Joann P. Paine, Associate Professor of Government, who joined our staff in 1966, has the Doctor of Philosophy degree from the University of Oregon. She plans post-doctoral study and research. (C)
- o. Mr. David Potter, Professor of Speech, who joined our staff in 1960, has the Doctor of Philosophy degree from Columbia University. He plans to study teaching and organization patterns in European Folk High Schools. (C)
- p. Mr. Gordon E. Rader, Associate Professor of Psychology, who joined our staff in 1968, has the Doctor of Philosophy degree from Yale University. He plans advanced study in Gestalt and group psychotherapy. (C)
- q. Mr. Robert C. Radtke, Associate Professor of Psychology, who joined our staff in 1966, has the Doctor of Philosophy degree from the University of Iowa. He plans to engage in research. (C)
- r. Mr. Robert D. Rossel, Associate Professor of Sociology, who joined our staff in 1966, has the Doctor of Philosophy degree from Yale University. He plans research and writing involving the comparative study of the role of religious movements in the generation of new political belief systems. (C)
- s. Mr. Manuel Schonhorn, Associate Professor of English, who joined our staff in 1968, has the Doctor of Philosophy degree from the University of Pennsylvania. He plans research and writing. (C)
- t. Mr. Howard Schultz, Professor of English, who joined our staff in 1967, has the Doctor of Philosophy degree from Harvard University. He plans research and writing. (C)

u. Mr. John B. Stahl, Associate Professor of Zoology, who joined our staff in 1966, has the Doctor of Philosophy degree from Indiana University. He plans study on the taxonomy of chironomid midges at Eastern New Mexico University.

(C)

v. Mr. Henry S. Vyverberg, Associate Professor of History, who joined our staff in 1968, has the Doctor of Philosophy degree from Harvard University. He plans research in Europe for a proposed book on cultural and intellectual history of the ancient and medieval Western world.

(C)

w. Mr. John H. Wotiz, Professor of Chemistry and Biochemistry, who joined our staff in 1967, has the Doctor of Philosophy degree from Ohio State University. He plans study of higher education and research in chemistry in Japan, Australia, and New Zealand.

(C)

11. For the Spring Quarter, 1974, and Fall Quarter, 1974, at full pay:

a. Mr. Edward J. Schmidlein, Professor of Accountancy, who joined our staff in 1959, has the Doctor of Philosophy degree from New York University. He plans study and research.

(C)

b. Mr. David M. Sharpe, Associate Professor of Geography, who joined our staff in 1966, has the Doctor of Philosophy degree from Southern Illinois University. He plans research with the German Atomic Energy Commission, Julich, Germany.

(C)

H. Correction

Mr. Steven L. Wunderle, three-fourths time Instructor in Botany, to serve at a different salary than reported previously, to correct an error.

\$750.00
rather than
\$562.50
(C)

I. Leaves of Absence without Pay

1. Mr. Paul S. Denise, Community Consultant in Community Development Services, for the period April 1 to June 15, 1973, to complete the dissertation for a doctor's degree.

(C)

2. Mrs. Marjorie H. Potter, Associate Professor of Physical Education-Women, for the Winter and Spring Quarters, 1974, to accompany her husband on sabbatical leave.

(C)

J. Resignations

1. Miss Nancy Ann Barclay, Associate Professor of Family Economics and Management, effective the end of Spring Quarter, 1973, to accept appointment as Head of the Department of Management, Housing, and Family Development at Virginia Polytechnic Institute.

(C)

2. Mr. Dennis Donham, Resident Counselor in University Housing-Thompson Point, effective January 1, 1973, to accept an internship with International Education in Nepal. (C)
3. Mr. Warren D. Klawiter, Instructor in Health Education and Assistant Coach in Physical Education-Special Programs, effective February 14, 1973, to accept appointment as Instructor and Coach at East Carolina University. (C)
4. Miss Myrna Sue Levin, Staff Assistant in Microbiology, effective January 1, 1973. (C)
5. Mr. William H. McFarland, Assistant Professor of Speech Pathology and Audiology, effective January 23, 1973, to continue post-doctoral study at the University of Wisconsin. (C)
6. Mr. John Michael Patrick, Activities Consultant in Student Activities, effective March 14, 1973, to enroll in a doctoral program at Michigan State University. (C)
7. Mr. Frank H. Thomas, Professor of Geography, effective the end of the Spring Quarter, 1973, to accept appointment as Professor and Chairman at Georgia State University. (C)

Mr. Fischer moved approval of Changes in Faculty-Administrative Payroll - Carbondale. The motion was duly seconded, and carried by the following recorded vote:

Earl E. Walker	Aye
Harris Rowe	Aye
W. Victor Rouse	Aye
Donald E. Fouts	Aye
Harold R. Fischer	Aye
Ivan A. Elliott, Jr.	Aye
William W. Allen	Aye
Martin V. Brown	Aye

The Chair then recognized President Derge, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, JANUARY, 1973, SIUC

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of January, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Elliott asked for comments or questions, if any, on the above matter. After discussion, the Report of Purchase Orders and Contracts, January, 1973, was received.

The Chair then recognized President Derge, who requested Dr. Willis Malone, Executive Vice-President and Provost, SIUC, to present the following matter:

AUTHORIZATION TO ESTABLISH UNIVERSITY STUDIES DEGREE, SIUC

In recent years, there has been an increase in the interest of students in general rather than specialized education. Although the number of students participating in such programs has not been large, there has been sufficient demand for such an option to warrant its continuation at those universities which have adopted it.

In accordance with a proposal approved by the Faculty Council, the following resolution is recommended to obtain authorization for the Dean of the General Studies Division to work with individual students and their faculty advisers in order to develop individualized and generalized courses of study

leading to a baccalaureate degree. The students would be subject to all existing University requirements for graduation, and the program would operate under the close supervision of the Office of the Executive Vice-President and Provost.

Detailed information on this proposal has been distributed to the members of the Board of Trustees for their information. The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale be, and is hereby, authorized to establish a program leading to the degree of Bachelor of Arts, or to the degree of Bachelor of Science, in University Studies to be granted to those students completing individual programs approved by the Dean of General Studies and the President or his designee, to be effective July 1, 1973, or as soon thereafter as possible.

FURTHER, BE IT RESOLVED, That a copy of this resolution and appropriate information to support the establishment of this new program and new degree be submitted to the Illinois Board of Higher Education for approval.

After considerable discussion, Dr. Walker moved that the resolution be approved as presented, which motion was duly seconded. In response to an inquiry by Mr. Allen, assurance was given that this proposal would include a formal statement about personnel and dollar requirements and other items when presented to the Board of Higher Education. The question was called, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Vice-President Malone to present the following matter:

MERGER OF THE SMALL BUSINESS INSTITUTE AND THE
BUSINESS RESEARCH BUREAU INTO A CENTER FOR
RESEARCH AND SERVICES, IN THE SCHOOL
OF BUSINESS, SIUC

As part of a continuing examination of priorities at Southern Illinois University at Carbondale, and in conjunction with budgetary limitations experienced in recent years, the School of Business has proposed a reorganization of its research and service units. The primary purpose of this reorganization is to enable the School to maintain adequate levels of activity in the research and service areas in an era of particularly scarce resources.

The reorganization would involve the merging of two units, the Small Business Institute (Center for Management Development), established by the Board of Trustees on July 8, 1954, and the Business Research Bureau, approved by the Board on January 30, 1958, into a new unit, the Center for Research and Services. Because the present programs of the Center for Management Development involve providing continuing education activities and counseling services for the business community in the area, these programs are to be continued under the auspices of the Division of Continuing Education. The Center for Research and Services will strive to continue the other functions of these two units, but necessarily on a lesser scale. Research programs and other service activities will be encouraged, but with greater reliance placed on departmental faculty. The new unit will not in any way affect the organized individual research or service projects being carried on by staff members of the School of Business; however, it will serve as a coordinating unit for these activities.

The proposed reorganization and establishment of the new unit has been reviewed by the Office of the Executive Vice-President and Provost. The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale be, and is hereby, authorized to name a "Center for Research and Services" through the merger of the Small Business Institute (Center for Management Development) and the Business Research Bureau, all within the School of Business of Southern Illinois University at Carbondale, effective July 1, 1973.

Dr. Martin V. Brown moved approval of the resolution as presented.

The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Vice-President Malone to present the following matter. Vice-President Malone asked Dr. Arden L. Pratt, Dean, Vocational-Technical Institute, SIUC, to assist him.

AUTHORIZATION TO ESTABLISH PROGRAM CONCENTRATIONS LEADING TO THE BACHELOR OF SCIENCE DEGREE IN THE SCHOOL OF TECHNICAL CAREERS, SIUC

The proposed career-oriented program leading to the Bachelor of Science degree in Technical Careers is designed to serve students who have been enrolled in or have completed a program labeled "occupational" or "career."

The purpose of a Bachelor of Science degree in the School of Technical Careers of Southern Illinois University at Carbondale is to provide individually

designed learner-centered programs which will enable a student to achieve personal academic and vocational goals within the resources now available at this University.

Special characteristics of this program are intended:

- (1) To increase the availability of baccalaureate level options and alternatives within the University for students who transfer from educational programs termed "career," "occupational," "technical," "vocational," or similar connotations either from within the University or from other higher educational institutions, including community colleges.
- (2) To establish the maximum flexibility of the baccalaureate level program options available for these students and remain within the normal University framework of graduation requirements, without penalty for choosing to enter higher education in a program oriented toward an occupation.
- (3) To offer baccalaureate level opportunities which will broaden and expand the level of employment opportunities available to graduates of the School of Technical Careers.
- (4) To offer increased opportunities to students within the School of Technical Careers to gain university credit for extra-institutional learning, including such sources as work experiences and military training.

The proposed program of concentration leading to the Bachelor of Science degree in the School of Technical Careers will be based on the development of a program of study for each enrollee which will be his personalized plan of education. Under the terms of this program of concentration:

- (1) The School will recognize certain credits based on the student's previous higher educational background and extra-institutional experiences, while
- (2) the student will be responsible for the completion of a series of specific courses or electives and a defined work experience.

At the time the student seeks admission to the baccalaureate program, he will be assigned to a specific faculty member or adviser. Depending upon his career and educational objectives, he will remain with that adviser or be reassigned to an advisory committee of three individuals. At least one member of this committee will be a member of the faculty of the School of Technical Careers. The other two members will be selected by the student from among University faculty members and laymen knowledgeable in the student's career objectives. Each of the programs will require the Dean's approval as the final step.

Each program will be task-oriented as is all of vocational education. The degree requirements for the Bachelor of Science degree in the School of Technical Careers will be defined in terms of skills and competencies. The specific competencies to be developed will be defined for each individual in response to his career and educational objectives. However, the inclusion of general studies and electives will allow the goals of general and liberal studies to be realized within the University's graduation requirements for a baccalaureate degree which include completion of 186 hours and achievement of a "C" average.

Evaluation is of vital importance to the success of the program. Provision will be made for the evaluation of all aspects of the program. This assessment will be based on outcomes, particularly with respect to placement and follow-up of those leaving the program. In addition, an on-going longitudinal study of student performance through accumulated records will be employed.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale be, and is hereby, authorized to establish the Bachelor of Science degree in the School of Technical Careers to be awarded to those students completing individualized programs approved by the Dean of the School of Technical Careers and the President or his designee, to be effective July 1, 1973, or as soon thereafter as possible.

FURTHER, BE IT RESOLVED, That this program will be subject to annual review by the President of Southern Illinois University at Carbondale and that any program concentrations which appear to generate sufficient student demand will be submitted to this Board and the Illinois Board of Higher Education as new program proposals.

FURTHER, BE IT RESOLVED, That at the time the School of Technical Careers moves to the University campus in Carbondale, the Board of Trustees will be presented a comprehensive report on the Bachelor of Science degree program in the School of Technical Careers, including information on graduates of the program and evidence of the elimination of those courses and programs which may be unnecessarily duplicative of other University offerings.

FURTHER, BE IT RESOLVED, That a copy of this resolution and appropriate information to support the establishment of this new program and new degree be submitted to the Illinois Board of Higher Education for information and approval.

After considerable discussion, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

AUTHORIZATION TO CHANGE THE NAME OF THE DEPARTMENT OF
FOREIGN LANGUAGES TO THE DEPARTMENT OF FOREIGN
LANGUAGES AND LITERATURES, SIUC

The faculty of the Department of Foreign Languages and the Dean of the College of Liberal Arts have proposed that the name of the Department of Foreign Languages be changed to the Department of Foreign Languages and Literatures.

The change would be designed to represent more adequately the scope of the Department's activities and responsibilities.

Further, such a change would help to dispel confusion among prospective students who assume, incorrectly, that the Department limits itself to language instruction. A substantial portion of the Department's current course offerings are in literature.

Further, such a change in name would bring about a greater conformity between the designation of this Department and departments in other universities which are presently engaged in similar activities of instruction in both languages and literatures.

Further, the proposed change in name would facilitate possible future proposals for the establishment of interdisciplinary programs such as Comparative Literature as well as for courses in national literatures in translation.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale be, and is hereby, authorized to change the name of the Department of Foreign Languages in the College of Liberal Arts at Southern Illinois University at Carbondale to the Department of Foreign Languages and Literatures, effective July 1, 1973.

FURTHER, BE IT RESOLVED, That any new degree programs of the Department of Foreign Languages and Literatures will be presented to the Board of Trustees for their approval.

FURTHER, BE IT RESOLVED, That a copy of this resolution be submitted to the Illinois Board of Higher Education for information.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Dr. Danilo Orescanin, Vice-President for Administration and Campus Treasurer, SIUC, to present the following matter:

CARBONDALE AREA TRANSPORTATION STUDY REPORT,
REJECTION OF PLAN AS MODIFIED BY
POLICY COMMITTEE, SIUC

Resolution

WHEREAS, The Carbondale Area Transportation Study Report, including the initial short- and long-range transportation plan, has been presented by the Technical Committee to the Policy Committee for their necessary action, and

WHEREAS, The Policy Committee did on November 29, 1972, meet and modify, as outlined in the minutes of the Policy Committee meeting (a copy of which minutes is attached hereto and made a part hereof as if herein set forth in full), the Technical Committee's recommended plan, by, inter alia, removal of a proposed U.S. Route 51 By-Pass, and did substitute in its place a southerly improvement to existing U.S. Route 51 and a west grid system of local roads, and

WHEREAS, Each Policy Committee member is required to reflect the official position of his constituent agency,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) This Board did and does support the plan (including a westerly Route 51 By-Pass of Carbondale) presented by the Technical Committee at the meeting of the Policy Committee held on October 26, 1972.
- (2) This Board rejects the modified plan passed by the Policy Committee at its meeting held on November 29, 1972.

STATE OF ILLINOIS
DEPARTMENT OF TRANSPORTATION
OFFICE MEMORANDUM

GF 158 (R)

To: Carbondale Transportation Study Files

From: T. L. Jennings

Date: November 30, 1972

Subject: Minutes of Policy Committee Meeting Held November 29, 1972

The meeting was called to order at 9:10 a.m. in the Council Chambers of the Carbondale City Hall by Chairman James Newton. The following members were present:

James F. Newton	-	Illinois Department of Transportation
Neal E. Eckert	-	City of Carbondale
John F. H. Lonergan		
(Acting for		
Dan Orescanin)	-	Southern Illinois University
Charles E. Gray	-	Jackson County Board of Supervisors

Technical members present included:

Carroll J. Fry	Rollin R. Blythe
B. J. Schwegman	A. B. Mifflin
James W. Rayfield	David W. Townsend
Gene Peebles	T. L. Jennings

Chairman Newton directed the Policy Committee's attention to a motion passed at their October 26, 1972 meeting, requiring them to adopt a transportation plan for Carbondale by December 1, 1972.

The plan presented by the Technical Committee at the last meeting (October 26, 1972) contained a westerly Route 51 By-Pass of Carbondale. The need for this element of the plan was questioned repeatedly by Mayor Eckert.

Mayor Eckert expressed an opinion that a system of Grid Streets on the west, similar to that proposed for the east, would adequately serve future needs. The proposed grid would, according to the Mayor, be more justified than the proposed By-Pass.

John Lonergan, representing SIU on the Policy Committee, spoke for the plan as presented by the Technical Committee. Lonergan said the University is still planning to build a 14,000 car centralized parking lot near where the proposed By-Pass would be routed.

Considerable discussion regarding pros and cons of the By-Pass-central parking idea took place after Mr. Lonergan's comments.

Lonergan moved the Carbondale Area Transportation Plan, as presented by the Technical Committee on October 26, 1972, be accepted by the Policy Committee and passed on to the governing bodies for ratification and further implementation.

The motion was ruled dead by Chairman Newton for lack of a second.

Mayor Eckert moved that the Policy Committee accept the Carbondale Area Transportation Plan as presented by the Technical Committee on October 26, 1972 except the west U. S. Route 51 By-Pass be deleted, the following grid system to be substituted:

- Improve Reservoir Road from McLafferty Road west to the Township line.
- Jackson Hills Road to be improved and extended between New Route 13 and Reservoir Road.
- Tower Road to be improved and extended between old Route 13 and Reservoir Road.
- Chautauqua Street to be improved from the west Township line to Mill Street.
- McLafferty Road to be improved from Reservoir Road to Chautauqua Street.
- Improve and expand existing U. S. Route 51 from about the SIU Physical Plant south on the existing alignment,

and that this plan be presented to the governing bodies for ratification and further implementation.

Motion seconded by Charles Gray.

Chairman Newton, without calling for a vote, recessed the meeting at 11:50 a.m. until 2:00 p.m.

The Committee reconvened at 2:00 p.m. at which time very little discussion was offered. Mr. Newton called for a vote about 2:15 p.m. The following roll call vote was received:

Eckert	-	Yes
Gray	-	Yes
Lonergan	-	No
Newton	-	Yes

The motion to accept the modified plan was declared passed (3 to 1) by Mr. Newton.

The Policy Committee requested that a resolution for adoption of the plan by the various governmental bodies be prepared by the Department of Transportation.

The meeting was adjourned at 2:20 p.m.

TLJ:mg

Mr. Fischer moved approval of the resolution as presented. The motion was duly seconded. After considerable discussion, a voice vote was taken and the Chair declared the motion to have passed unanimously.

The Chair then recognized President Derge, who requested Vice-President Malone to present the following informational matter:

INFORMATION CONCERNING PRESIDENT'S DEGREE PROGRAM
LEADING TO THE BACHELOR OF SCIENCE OR BACHELOR OF
ARTS DEGREE IN DEGREE GRANTING UNITS, SIUC

The President's Degree Program is designed to provide a distinctive educational experience for those students of high motivation and talent who are interested in pursuing a program concentration of interdisciplinary studies at the undergraduate level at Southern Illinois University at Carbondale.

The Program Director of the President's Scholars Program, under the supervision of the Executive Vice-President and Provost, or his designee, is responsible for working with individual participating students and faculty members of academic units and departments to create a learning environment and to provide the opportunity that optimally suits the needs and talents of these highly motivated and talented students. The establishment of a President's Degree Program leading to an appropriate baccalaureate degree--Bachelor of Science or Bachelor of Arts--in existing degree granting units has been recommended by the Faculty Council.

The President's Degree Program is an interdisciplinary curricular program of study option in which the Program Director is to work in cooperation with appropriate deans of degree granting units in reviewing the individualized programs of study and to insure that appropriate University requirements for graduation are met.

Information concerning the President's Degree Program follows:

(1) Admission

- (A) Any high school student whose record indicates a genuine interest in his education may apply for admission to the President's Degree Program. All available evidence shall be used to identify those students prepared to profit from the kinds of opportunities associated with the Program. Admission shall reflect the following standards.
 - (a) Considerable emphasis shall be placed upon the quality of the student's high school work and upon measures of potential and accomplishment appropriate to the individual student and his field.

- (b) The student will be considered by a process of self-selection, and admittance will be based upon the examination of available test scores, high school record, references, and personal interview. Normally, a student must be in the top 7% on national test scores and rank in the top 10% of his high school class to warrant serious consideration for membership.
- (c) Students will take and present the results of the CLEP General Examinations no later than the end of the first week of classes during their first term in the President's Degree Program. Those not successfully completing one (or more) of the areas will be required to take the required work in those areas of General Studies.
- (B) Any student who fails to qualify when he applies from high school may subsequently establish eligibility; normally, however, no student shall be admitted who has less than six terms remaining for undergraduate study at Southern Illinois University at Carbondale. The applicant shall propose how he intends to utilize membership in the Program. References may be required.
- (C) Transfer students from other institutions, including those with fewer than six terms remaining for undergraduate study, may apply for admission to the Program. In most instances, however, at least one term of residence will be required before admission is granted. The applicant shall propose how he intends to utilize membership. References may be required.

(2) Participation

- (A) After a student has been designated a President's Degree Program student, all requirements--other than the general University requirements--will be waived. The student will choose (or upon request be assigned to) an adviser who has been judged appropriate by the procedure specified below in section three. The President's Degree Program staff shall advise those students who have not yet found an appropriate adviser.
- (B) Students in the Program shall develop, with the aid of a faculty adviser (and other faculty consultants if unrelated disciplines are involved), a program of study which seems appropriate for the individual. The curricular proposal will be reviewed by a committee whose members are the faculty adviser, the President's Degree Program director, and the dean of the degree-granting unit to determine if it is reasonable and logical in view of the student's stated academic goals. Each student's curricular proposal shall be

kept on file in the Program's office to facilitate the evaluation of the student's progress.

- (C) Faculty members wishing to participate as advisers shall apply directly to the President's Degree Program. The applications shall be reviewed by a committee selected by the deans of the degree-granting units.

(3) Retention

The academic record of each student shall be reviewed regularly (i.e., at intervals not exceeding a year) by the President's Degree Program Director. To remain in the Program, a student shall normally be expected (a) to show that he is receiving some benefit from membership consistent with the objectives of the Program, and (b) to maintain a 4.0 grade point average.

(4) Evaluation

An on-going evaluation of the quality of student achievement, retention of students, and the ability of the President's Degree Program to attract students of high academic potential shall be conducted. This evaluation shall be conducted by a University agency outside the Program such as Institutional Research and Studies.

Following discussion, the Chair expressed the thanks of the Board for the information presented.

Chairman Elliott called upon President Derge for any Carbondale Current and Pending Matters or announcements. President Derge responded that one of the responsibilities assigned to the Presidents is to determine the academic calendar of the University for which each is responsible. He stated that Dr. Willis Malone had headed a task force to examine the options available to SIUC in academic calendars; that a study had been in process for a year now; and that Dr. Malone had recommended, after consultation with a wide range of concerned parties, both on and off the campus, that SIUC move to a so-called "early semester system," commencing in August of 1974. The early semester system is a calendar with two semesters of approximately equal length, one commencing in August and ending before Christmas with a break of approximately one month; the second semester commencing in mid-January and terminating in early May. President Derge announced that he was directing Dr. Malone to make

the necessary studies and changes in systems of operation to bring SIUC into the early semester system by August of 1974. Chairman Elliott expressed appreciation to President Derge for his announcement.

CONSIDERATION OF SYSTEM MATTERS AND JOINT UNIVERSITY MATTERS

Chairman Elliott introduced Mr. Walter G. Ingerski, the new Director of the University Civil Service System of Illinois, who expressed appreciation at being invited to attend the Board meeting, and mentioned his goals of improved leadership, more professionalism, and responsiveness to University needs. Merit System employee representatives and personnel officers present were also introduced.

Chairman Elliott then made the following statement concerning the Governor's recent Budget Message:

We, as members and trustees, welcome the opportunity of working with the Illinois Board of Higher Education to reduce budgets provided we can also find ways of maintaining academic excellence. The SIU Board has a responsibility both to the people and to the Governor to try to maintain excellence at bottom dollar costs. As trustees we have a dual responsibility to see that excellence is maintained in each of our Universities and is funded, and that educational costs fit into the financial ability of the State. We know there is not enough money to go around to all the programs which everyone in the State would like to have funded. Our sympathy is with the Governor who has the problem of meeting all of the needs of the State and in adopting his budgets and translating them in the short period of time which has been available to him. The proposed cut seems severe. We're not prepared to say at this time how they might affect SIU if they go unchanged. The Presidents are both examining this on a crash basis to try to determine what needs to be done. We had expected some trimming of the Board of Higher Education recommendations. It may be that this is a littler greater than we expected. We welcome the chance and the willingness of the Governor to work with the governing boards and to work with the Board of Higher Education in examining this whole situation and pledge our cooperation to try to do everything we can, and also our support to the Universities to try to maintain the program of academic excellence on which we have embarked.

The Chair then recognized Dr. James Brown, who presented a Board Staff report entitled "Operating Funds, Fiscal Year 1973-74, as Recommended by the Illinois Board of Higher Education, and Operating Funds Analysis, July 1, 1970, through June 30, 1974." This report had been mailed to the members of the Board of Trustees prior to the meeting.

Dr. Brown stated that the report was an update of an Analysis Report provided the Board last October, and includes analysis of the Board of Higher Education recommendations for fiscal year 1973-74.

The Chair asked Mr. Clifford R. Burger for comments. Mr. Burger commented that the BHE recommendations involved diversion of \$3 million from existing activities, a sum greater than that recommended for salary increases alone, which is on top of a resource erosion for existing activities of \$21 million over the previous four years. Further, it now appears that even those recommendations are optimistic in view of the Governor's recent Budget Message.

Following further discussion, the report was received. (A copy of this report is on file in the Office of the Board of Trustees.)

The Chair then recognized Dr. James Brown who presented the following matter:

FEES AND CHARGES

In the past, both of the Universities governed by the Board of Trustees have established fees and charges (including tuition schedules) on an ad hoc basis. Similarly, adjustments to the level of these fees and charges have been made item by item as needed. As a result, the chain of authority for a constantly growing number of fees and charges has become increasingly difficult to follow. Perhaps an even greater concern is the increasing propensity, within the growing complexities of both Universities, for isolated fees and charges to emerge, become fixed, and expand in their own right without authorization from the Board of Trustees or from agents of the Board with delegated authority to establish charges. Both Universities are sufficiently complex to permit such isolated fees to emerge and enlarge, in some cases, not only without authority but without even the knowledge of primary University officers.

From a desire to resolve this common problem, the Presidents developed a proposal for Board action on fees and charges. This proposal was then thoroughly discussed and reworked by representatives of the two Universities and the Board Staff. The resolution as presented is a joint proposal recommended for adoption by the Presidents and the Chief of Board Staff.

The proposed resolution accomplishes three basic objectives:

- (1) Establishing general policies for student fees and charges
- (2) Defining fundamental categories of fees and charges
- (3) Delegating authority for certain fees and charges

The general policies recommended for adoption clarify the authority for the establishment of fees and charges (as well as for refunds, exemptions, or waivers from fees and charges). The policies also require: (1) Publication of student fees and prior notice of changes in fees; (2) adequate fiscal controls over fees and charges; and (3) an annual report from each President on fees and charges established under his authority.

The resolution defines the following categories of fees:

- (1) Instructional Fees
 - a. Tuition Fees
 - b. General Student Fees
 - c. Specific Student Fees
- (2) Regulatory Fees
- (3) Charges for Special Non-Instructional Services and Privileges
- (4) Charges in Funded Debt Enterprises

The authority to establish those fees which are assessed as a condition of enrollment in the University System (i.e., Tuition Fees and General Student Fees within the category of Instructional Fees) is retained by the Board of Trustees. The authority over other fees and charges (i.e., Specific Student Fees within the category of Instructional Fees, Regulatory Fees, and Charges for Special Non-Instructional Services and Privileges) is delegated to the Presidents. The authority over charges in funded debt enterprises has been determined by bond resolutions entered into by the Board of Trustees.

Presidents Derge and Rendleman and Chief of Board Staff Brown recommend adoption of the following resolution:

Resolution

WHEREAS, The Board of Trustees considers it desirable to regularize the process by which fees and charges are established, modified, terminated, and collected within the operations of both Universities under its governance, and

WHEREAS, The Board recognizes that certain such fees and charges should require affirmative enactment by the Board itself, while other fees and charges are by their nature more conducive to establishment and modification by authority of the respective Presidents, with a report of such action being made to the Board.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, effective this date, all fees and charges payable to the Board of Trustees, or to any university or agency thereof under its governance, shall be made in accord with the following policies:

I. General Policies Applicable to Student Fees and Charges

- A. Authorization. All student fees and charges shall be fixed only under the authority of the Board of Trustees. That authority may be the direct statutory authority of the Board of Trustees "to fix and collect . . . fees" or may be authority delegated to its chief officers in specific policies adopted by the Board of Trustees.
- B. Refunds, Exemptions, or Waivers. No exemptions, refunds, or waivers of fees or charges shall be granted except as authorized by the Board of Trustees in accordance with law.
- C. Publication. All student fees shall be published periodically in official University publications. Those students affected by changes in fees shall be given notice through publication prior to the implementation of such changes.
- D. Payable in Advance. All student fees are payable in advance, and no student shall be enrolled in any educational unit until fees have been paid.
- E. Access. In order to assure ease of access to the educational opportunities within the Southern Illinois University System, instructional fees shall be kept to a minimum level consistent with the maintenance of educational quality. Pursuant to this policy, no instructional fee over \$100 (either per quarter or as a one-time charge) may be assessed of an individual student except by action of the Board of Trustees.
- F. Fiscal Control. Each fee or charge established under the authority of the Board of Trustees shall have adequate fiscal controls; shall be separately accounted for and budgeted for; and shall be susceptible to post audit. Periodic reports shall be made to the Board on the status of fee assessments and collections and of expenditures against budgets.
- G. Annual Reports. Each President shall annually file in the Office of the Board of Trustees a report of all fees and charges established by his authority and in effect during the preceding fiscal year, and an information report on the use of tuition and fees in University housing.

II. Definition of Student Fees and Charges

The following categories of student fees and charges are defined as follows:

- A. Instructional Fees. An instructional fee is any fee which is assessed as a condition of enrollment or which adds to the costs of instruction for a student participating in an instructional program within the Southern Illinois University System.
 1. Tuition Fees. Tuition fees are collected in payment for instruction. Except for specific exclusions set by law, tuition fees are returned to the State Treasury into a special fund, the Southern Illinois University Income Fund. Rates and categories of tuition fees shall be the same throughout the Southern Illinois University System.
 2. General Student Fees. General student fees are mandatory fees assessed by term as a condition of enrollment in the University and for a special purpose. These fees are noted specifically in the Charter of the Board of Trustees as "fees for student activities; fees for student facilities such as student union buildings or field houses or stadia or other recreational facilities; student welfare fees; [and] . . . similar fees for supplies and material."
 3. Specific Student Fees. Specific student fees are those fees which are necessary to the pursuit or completion of a specific instructional program and which add to the overall instructional costs of a student attending Southern Illinois University.
- B. Regulatory Fees. Regulatory fees are those fees necessary to the efficient and proper regulation of the University and are designed to prevent abuses to various University regulations. The authority to assess such fees lies in the statutory authority of the Board of Trustees "to make rules [and] regulations, not inconsistent with law, for the government and management of Southern Illinois University . . ."
- C. Charges for Special Non-Instructional Services and Privileges. These charges are special purpose, incidental charges assessed for non-instructional services or privileges provided through the University. These charges are not of general application nor may they be assessed as a condition of enrollment. These charges are designed to cover the operating costs of the service being provided.
- D. Charges in Funded Debt Enterprises. Charges in funded debt enterprises are those assessments made under the authority of bond resolutions entered into by the Board of Trustees. These charges are designed to cover the cost of the facilities, goods, and services provided.

III. Delegation of Authority for Student Fees and Charges

- A. The Board of Trustees retains authority over the following Instructional Fees:
 - 1. Tuition Fees
 - 2. General Student Fees
- B. The Board of Trustees delegates to the Presidents authority over the following fees:
 - 1. Specific Student Fees within the category of Instructional Fees
 - 2. Regulatory Fees
 - 3. Charges for Special Non-Instructional Services and Privileges

IV. Charges in Funded Debt Enterprises

- A. The authority over charges in funded debt enterprises has been determined by bond resolutions entered into by the Board as follows:
 - 1. Charges requiring approval of the Board of Trustees
 - a. Charges not requiring concurrence of additional parties; usually representing operations where bonds were sold by the Board of Trustees:
 - Housing Room and Board Charges
 - Housing Area Activity Fees
 - b. Charges requiring concurrence of the Board of Trustees and additional parties:
 - Bonds issued by the SIU Foundation require approval of that body.
 - Housing Charges - VTI Dormitory
 - Loans incurred by the SIU Foundation with special governmental agencies. Require concurrence by the governmental agency, the SIU Foundation, and the Board of Trustees.
 - Housing Charges - F.H.A. Project
 - 2. Charges established by a delegated officer of the Board of Trustees. Certain bond resolutions require that its Treasurer establish rates

for goods and services that will produce certain levels of income in relationship to operational expenses.

- a. Facilities and equipment rental in student centers
 - b. Prices of goods and services in student centers
3. Charges delegated to the Presidents
- a. Amount of housing security deposit and refund
 - b. Amount and terms of housing deposits
 - c. Miscellaneous housing charges
 - Guest meals, facilities
 - Recreational deposits and fees

- B. All charges established in funded debt enterprises by an officer of the Board or by a President of a University, and all changes in the level of any such charge shall be filed in the Office of the Board of Trustees with information copies to all parties concerned.

Dr. Walker moved approval of the resolution and the motion was duly seconded. Discussion then followed, during which the Chair drew attention to the first paragraph of the resolution in the upcoming item entitled "Information Reports on Use of Tuition and Fees in University Housing, SIUE," and suggested that the following phrase therefrom be added to policy I. G. "Annual Reports" under Fees and Charges: "and an information report on the use of tuition and fees in University housing," which has been incorporated above. Following approval of the motioner and seconder of the addition, and after a voice vote the Chair declared the motion to have passed.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE MATTERS

The Chair then recognized President Rendleman, who presented the following matter:

CHANGES IN THE FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Continuing Appointments

1. Mrs. Margrit Flynn (b. Greussen, Thuringen, Germany, 5/10/39) as Assistant Professor in the School of Dental Medicine effective September 1, 1973, on a fiscal year basis. D.D.S., Karls University, West Germany. \$1,666.67
2. Mrs. Ina J. Ingwersen (b. Amsterdam, The Netherlands, 12/8/15) as Associate Professor in the Nursing Division effective September 25, 1973, on an academic year basis. M.S.N., Washington University. \$1,900.00
3. Mr. Marvin A. Soloman (b. East St. Louis, Illinois, 7/12/23) as Assistant Professor in Lovejoy Library effective January 1, 1973, on a fiscal year basis. M.A.L.S., Missouri University. \$ 995.00

B. Term Appointments

1. Mr. William O. Anderson as thirty-three percent time Lecturer of Earth Sciences in the Social Sciences Division for the Winter Quarter, 1973. B.A., University of Toledo. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 400.00
2. Mr. William D. Brunner as thirty-three percent time Lecturer of English Language and Literature in the Humanities Division for the Winter Quarter, 1973. B.A., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 264.00
3. Mr. Robert A. Colantino as twenty percent time Clinical Assistant Professor in the School of Dental Medicine for the period February 1 to July 1, 1973. D.D.S., Saint Louis University School of Dentistry. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 266.67
4. Mr. Gerald M. Ferry as Counseling Trainee in the Supplemental Instructional Program for the period September 18, 1972, to July 1, 1973. Experience equivalence in lieu of formal degree. \$ 650.00

5. Mrs. Claris D. Gratian as Assistant in Business Administration in the Business Division for the Winter and Spring Quarters, 1973. B.A., University of Illinois. \$ 800.00
6. Mr. Joe A. Kelley as thirty-three percent time Assistant in Chemistry in the Science and Technology Division for the Winter Quarter, 1973. M.S., Southern Illinois University. \$ 198.00
7. Mrs. Kay B. Kulfinski as one-half time Assistant in Business Administration in the Business Division for the Winter and Spring Quarters, 1973. B.S., Illinois Wesleyan University. \$ 250.00
8. Mr. Steve E. Lupcho as Instructor of Instructional Technology in the Education Division for the Winter and Spring Quarters, 1973. M.S., Southern Illinois University. \$1,200.00
9. Mr. Joel Margalit as Adjunct Associate Professor of Biological Sciences in the Science and Technology Division, serving without salary, for the Winter and Spring Quarters, 1973. Ph.D., The Hebrew University of Jerusalem, Israel.
10. Mrs. Sylvia I. Mitchell as Instructor in the Nursing Division for the Winter and Spring Quarters, 1973. M.S.N., Saint Louis University. \$1,050.00
11. Mrs. Martha R. O'Malley as one-fourth time Lecturer of Elementary Education in the Education Division for the Winter Quarter, 1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 300.00
12. Mr. David K. Palit as Instructor of Accounting in the Business Division for the Winter and Spring Quarters, 1973. M.A., University of Illinois. Salary paid from restricted funds. \$1,500.00
13. Mrs. Bessie B. Peabody as one-fourth time Lecturer of Elementary Education in the Education Division for the Winter Quarter, 1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 212.50
14. Mrs. Nancy J. Polette as one-fourth time Lecturer of Instructional Technology in the Education Division for the Winter Quarter, 1973. M.S.E., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 225.00
15. Mr. Stephen J. Sabo as one-fourth time Lecturer of Accounting in the Business Division for the Winter Quarter, 1973. B.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 150.00

16. Mr. Finus C. Winkler as Director (of Student Work and Financial Assistance) in the Office of Student Work and Financial Assistance for the period January 15 to July 1, 1973. B.S., Arkansas Agricultural, Mechanical and Normal College. \$1,334.00

17. Mr. Charles Curtis Wolf as one-half time Instructor in the Delinquency Study and Youth Development Center for the period January 1, 1973, to July 1, 1973. M.A., Saint Louis University. Salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 475.00

C. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mr. Morris Berk III as thirty-four percent time Lecturer of Engineering in the Science and Technology Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

2. Mr. Stephen Mainey Brown as Lecturer in the Fine Arts Division for the period July 1, 1973, to July 1, 1974.

3. Mr. James L. Cronin as thirty-three percent time Professor of Management Science in the Business Division for the Winter Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

4. Mr. Rudolph Wierer as sixty percent time Lecturer in Lovejoy Library for the period January 1 to April 1, 1973. Salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

D. Changes of Assignment, Salary and Terms of Appointment (Previously Approved Base Salary Not Repeated)

1. Mrs. Jane Ann Altes, Research Associate in the Center for Urban and Environmental Research and Services and Lecturer of Sociology in the Social Sciences Division, to serve also as Assistant Director in the Center for Urban and Environmental Research and Services, with monthly salary increase to reflect additional administrative responsibilities, effective February 1 1973. \$1,520.00 rather than \$1,445.00

2. Mr. William D. Burns to serve as Assistant Director (of Student Work and Financial Assistance) in the Office of Student Work and Financial Assistance, rather than Staff Assistant, with monthly salary increase to reflect additional administrative responsibilities, effective February 1, 1973. \$ 980.00 rather than \$ 880.00

3. Mrs. Lula S. Lockett to serve as Program Director in the Supplemental Instructional Program, rather than Lecturer in the Supplemental Instructional Program and Lecturer of Elementary Education in the Education Division, for the Winter and Spring Quarters, 1973.

4. Mrs. Theresa R. Love, Assistant to the Vice President for Special Programs and Minority Affairs and Associate Professor of English Language and Literature in the Humanities Division, to serve at increased monthly salary to reflect additional administrative responsibilities, effective Fall Quarter, 1972, with part of salary to be paid from restricted funds for the period September 16, 1972, to the beginning of Spring Quarter, 1973.

\$2,005.00
rather than
\$1,965.50

5. Mr. George P. Mancuso to serve as seventy percent time Special Assistant to the Dean in the School of Dental Medicine, rather than full-time Special Assistant to the Dean, with monthly salary decrease accordingly, for the period February 1 to July 1, 1973.

\$1,254.40
rather than
\$1,792.00

6. Mr. Robert E. Mendelson, Researcher in the Center for Urban and Environmental Research and Services on a fiscal year basis, to serve also as Assistant Professor of Earth Sciences in the Social Sciences Division on an academic year basis on continuing appointment, rather than term appointment, effective Winter Quarter, 1973.

7. Mr. James R. Schmidt to serve as Professor in the School of Dental Medicine effective June 1, 1973, rather than February 1, 1973, as previously reported.

8. Mr. Ronald G. Trimmer, seventy percent time Assistant Program Director in the Upward Bound Program, to serve also as one-fourth time Lecturer of Elementary Education in the Education Division with salary change accordingly, for the Fall Quarter, 1972. Part of salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$1,140.00
rather than
\$ 840.00

9. Mr. David Werner, Associate Professor of Management Science in the Business Division, to be paid from restricted funds, and State of Illinois funds, rather than State of Illinois funds, for the Winter Quarter, 1973.

10. Miss Kathleen A. Zeable, Staff Assistant in University Graphics and Publications, to serve at increased monthly salary to reflect additional responsibilities, effective April 1, 1973.

\$ 745.00
rather than
\$ 710.00

E. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is

recommended for the faculty members listed below:

1. For the Spring Quarter, 1973, and Spring Quarter, 1974, at full pay:

Mrs. Myrna L. Martin, Instructor of Health, Recreation and Physical Education in the Education Division, received the Master of Science degree from Southern Illinois University. She plans research and travel abroad.

2. For the Summer Quarter, 1973, and Winter Quarter, 1974, at full pay:

Mr. Melvin E. Kazeck, Professor of Earth Sciences in the Social Sciences Division, received the Doctor of Education degree from Columbia University. He plans research of climatic data based on air mass analysis and scholarly writing.

3. For the Fall and Winter Quarters, 1973-74, at full pay:

a. Miss Barbara Lawrence, Instructor of English Language and Literature in the Humanities Division, received the Master of Arts degree from Saint Louis University. She plans post doctoral research and study in neurolinguistics at the University of California at Los Angeles.

b. Mr. Eric A. Sturley, Professor of Mathematical Studies in the Science and Technology Division, received the Doctor of Education degree from Columbia University. He plans collection of mathematical problems in the area of earth sciences for use in lower level mathematics courses.

c. Mr. William W. Vilhauer, Professor of Speech and Theater in the Fine Arts Division, received the Doctor of Philosophy degree from the State University of Iowa. He plans research and travel abroad to study theater architecture and technical theater advancements in Europe, particularly in Germany and Poland.

4. For the Fall Quarter, 1973, at full pay:

Mr. Garry N. Murphy, Assistant Professor of English Language and Literature in the Humanities Division, received the Doctor of Philosophy degree from the University of Washington. He plans research of Shakespeare's scenic techniques.

5. For the Fall, Winter, Spring and Summer Quarters, 1973-74, at half pay:

a. Mr. George C. Grant, Assistant Professor in Lovejoy Library, received the Master of Science in Library Science degree from Atlanta University. He plans course work toward the Doctor of Philosophy degree.

b. Mrs. Catherine E. Milovich, Professor of Art and Design in the Fine Arts Division, received the Master of Arts degree from Columbia University. She plans research in the area of hand-crafted textiles and wax techniques and travel in Europe.

5. For the Winter and Spring Quarters, 1974, at full pay:

a. Mr. Henry T. Boss, Associate Professor of Secondary Education in the Education Division, received the Doctor of Education degree from Colorado State College. He plans research of area community junior colleges' curriculum and scholarly writing.

b. Mr. George H. Goodwin, Associate Professor of Secondary Education in the Education Division, received the Doctor of Education degree from the University of Florida. He plans research in community and junior college governance for use in teacher preparation programs by the Secondary Education Department.

c. Mr. Austin Ray Helsel, Associate Professor of Educational Administration in the Education Division, received the Doctor of Education degree from Pennsylvania State University. He plans completion of a book based on pupil control behavior and ideology.

d. Mrs. Betty Richardson, Assistant Professor of English Language and Literature in the Humanities Division, received the Doctor of Philosophy degree from the University of Nebraska. She plans the writing of a textbook, a proposed simplified introduction to literary studies.

e. Mr. John H. Schnabel, Associate Professor of Secondary Education in the Education Division, received the Doctor of Education degree from Indiana University. He plans research of ongoing programs of competency-based teacher preparation.

f. Mr. Dale Wantling, Professor of Foundations of Education in the Education Division, received the Doctor of Philosophy degree from Ohio State University. He plans research.

6. For the Fall Quarter, 1973, and Spring Quarter, 1974, at full pay:

Mr. William R. Feeney, Assistant Professor of Government and Public Affairs in the Social Sciences Division, received the Doctor of Philosophy degree from Johns Hopkins University. He plans research, travel in Europe, and scholarly writing.

F. Leaves of Absence Without Pay

1. Mrs. Judith Ann Martin, Assistant in the Nursing Division, for the Winter Quarter, 1973, for personal reasons.

2. Miss Nadine L. Verderber, Instructor of Mathematical Studies in the Science and Technology Division, for the Fall Quarter, 1973, to complete the doctor's degree.

G. Resignations

1. Mr. John Brooks, Staff Assistant in Ethnic and Special Studies, effective February 28, 1973, for personal reasons.

2. Miss Marion M. Koch, Adjunct Lecturer in Lovejoy Library, effective January 2, 1973, to accept a position at Saint Louis University.

3. Mr. George V. Poynor, Associate Professor of Mathematical Studies in the Science and Technology Division, effective March 30, 1973, for personal reasons.

4. Mr. David A. Roth, Assistant Professor of Earth Sciences in the Social Sciences Division, effective the end of Spring Quarter, 1973, for personal reasons.

5. Miss Teresa D. Thomas, Staff Assistant in the Center for Urban and Environmental Research and Services, effective February 19, 1973, to accept employment elsewhere.

Mr. Allen moved approval of Changes in Faculty-Administrative

Payroll - Edwardsville. The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Martin V. Brown	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Rendleman, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, JANUARY, 1973, SIUE

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of January, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Elliott asked for comments or questions, if any, on the above matter. After discussion, the Report of Purchase Orders and Contracts, January, 1973, was received.

The Chair then recognized President Rendleman, who presented the following matters, requesting that the press not report the identities of the awardees until notification and acceptance thereby:

AUTHORIZATION TO GRANT HONORARY DEGREE, SIUE

During his tenure of nearly a quarter of a century, Delyte W. Morris brought a splendid vision and a relentless determination to his achievements as President of Southern Illinois University. To him goes an overwhelming share of the credit for the transformation of a calmly dormant normal school into a vibrant University with a world-wide outreach. His dreams took on powerful dimensions, which were matched by his dedication to their fulfillment; under his direction, the traditions of the past evolved rapidly into a comprehensive institution with a particular concern for innovation within the rubric of a contemporary educational environment.

Delyte W. Morris rendered service to this institution which was sensitive, intense, and dynamic. The mark he leaves is fundamental, pervasive, and indelible. We honor ourselves by awarding him an Honorary Doctor of Humane Letters at the Spring-1973 Commencement exercises.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, upon the recommendations of the University Committee for Honorary Degrees and of President Rendleman, the degree Honorary Doctor of Humane Letters be, and is hereby, authorized to be conferred by Southern Illinois University at Edwardsville upon Dr. Delyte W. Morris in recognition and appreciation of devoted services, vision, and leadership provided by him to Southern Illinois University at Edwardsville.

RECOMMENDATION FOR DISTINGUISHED SERVICE AWARD, SIUE

It is recommended that at the June 9, 1973, Commencement or some commencement thereafter the Southern Illinois University Distinguished Service Award be presented to Mr. Christopher Columbus Jones.

Mr. Jones has distinguished himself as an outstanding educator and humanitarian, particularly in the black community. He was born March 21, 1878, in Murphysboro, Illinois. He received the A.B. degree from Southern Illinois University in 1938 and the M.A. degree from the University of Illinois in 1942.

Mr. Jones received his early schooling in Murphysboro, Illinois, and in Carbondale, Illinois, and has the distinction of being the first black entrant accepted in the training school at Southern Illinois Normal University. He began his career as educator in 1896 by teaching black children in a country school in Jackson County and later in a village school in Perry County. He subsequently moved to Edwardsville, Illinois, and served as teacher and principal in the Edwardsville Public Schools from 1902 until 1950, when he retired from active service. His career as an educator spanned a total of fifty-four years.

Mr. Jones, or "C. C." as he is familiarly known, has the added distinction of being considered Southern Illinois University's oldest living black graduate. He is Vice President of the Edwardsville Chapter of the National Association for the Advancement of Colored People and was recently recognized by the National Organization as its oldest active member. He also is currently a trustee of the Edwardsville Public Library, and has served in that capacity for several years since his retirement.

Mr. Jones not only has provided leadership to the black community in Edwardsville and Southern Illinois in uplifting their educational goals but has contributed generally to the welfare of the entire society.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That, upon the recommendations of the University Committee for Honorary Degrees and of President Rendleman, the Southern Illinois University Distinguished Service Award be, and is hereby, authorized for presentation to Mr. Christopher Columbus Jones, Edwardsville, Illinois.

Mr. Rouse moved approval of both resolutions. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

APPROVAL OF PLANS AND SPECIFICATIONS: INTERCOLLEGIATE BASEBALL CAPITAL IMPROVEMENTS, SIUE

Southern Illinois University at Edwardsville presently uses a substandard facility for intercollegiate baseball play. This facility is located in the American Bottoms area of the campus where it was relocated in 1971-72. Prior to relocation, intercollegiate baseball was played on a temporary diamond in the academic core area which had to be removed in deference to the priorities of a student-staff parking lot and general recreation/intramural facilities close to the academic core area.

Relocation of the intercollegiate baseball facility in 1971-72 was in no way a first phase of a planned multi-phase development of the facility. At the

time of relocation, the improvements proposed today were not contemplated either in concrete or esoteric terms. Relocation provided a facility which, although substandard, would suffice for a period of time, the length of which was indeterminate as of the date of relocation.

Subsequent to relocation, funds were identified as available in the account "Men's Intercollegiate Athletics (20-40-7-57061)" and the suggestion arose that these funds might be applied to upgrading the relocated intercollegiate baseball facility. This suggestion was approved by the University Intercollegiate Athletic Committee and subsequently by University officers. Schematics were shown to the Board in November. The improvements proposed today therefore are both: (a) distinct in origin from the plan to relocate the facility in 1971-72; and (b) complete in themselves, i.e., neither part of a phased plan for development of this facility initiated with relocation, nor part of an existing plan for further improvements in stages subsequent to the presently proposed improvements.

The plan proposes essentially the following improvements at an estimated cost of \$67,000: (1) enclosure of the existing bullpen - \$16,000; (2) installation of a public address system - \$1,000; (3) installation of an electric scoreboard - \$2,300; (4) construction of dugouts - \$3,000; (5) provision of grandstand seating capacity for 1,500 persons - \$42,500; and (6) improvements to press-box facilities - \$2,200. Copies of the site plan schematics and pertinent specifications are attached and copies of the same have been filed with the Office of the Board of Trustees.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) Plans, specifications, and details for the proposed capital improvements to the intercollegiate baseball facilities of Southern Illinois University at Edwardsville are approved as presented at today's meeting of the Board of Trustees.
- (2) Funding for the described project is approved in the amount of \$67,000 from the account "Men's Intercollegiate Athletics (20-40-7-57061)," and the President of Southern Illinois University at Edwardsville and his delegated officers are authorized to proceed with bidding and other steps necessary and appropriate to accomplish the capital improvements approved herein, subject to receipt of acceptable bids on the project and the award thereof by the Board of Trustees.

The Chair commented favorably on the improved quality of the proposal. After discussion Mr. Allen moved approval of the resolution as presented.

The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Martin V. Brown	Aye
Harold R. Fischer	Aye
William W. Allen	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who presented the following matter:

INFORMATION REPORTS ON USE OF TUITION AND FEES
IN UNIVERSITY HOUSING, SIUE
 (Amended to Apply to both Universities)

At the February, 1973, meeting of the Board of Trustees, the Board expressed its desire to be informed periodically concerning use of tuition and fees in subsidy to University Housing operations. The following resolution is presented in response to that request:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Edwardsville and the President of Southern Illinois University at Carbondale shall report to the Board concerning any fiscal situation which will necessitate a change in the level of tuition and fees in subsidy to University Housing operations at the time the need for such change is recognized.

Discussion produced several proposed modifications of the original resolution, and Dr. Walker moved approval of the modified resolution. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following informational matter:

REPORT ON TERTIARY TREATMENT PLANNING, SIUE

Tertiary treatment of sewage first became a concern of SIUE in 1968 when the Department of Public Health issued a directive (TR-20-22) governing standards for effluent discharged from treatment plants. In late 1971 and early 1972, the Illinois Pollution Control Board promulgated a series of regulations

which specifically control the maximum concentrations of various contaminants that may be discharged into waters in the State. (IPCB Regulations, Section 301 et seq. and 401 et seq.) These regulations have become referred to commonly as tertiary treatment standards. The regulations further require the University, as a treatment plant operator, to file a Project Completion Schedule with the Illinois Environmental Protection Agency advising that Agency of additional controls or treatments required to comply with tertiary treatment standards by December 31, 1973, and the projected timetable for the project's completion. (IPCB Regulations, Section 1002)

Funds for tertiary treatment facilities were first requested in the 1971-72 Capital Budget Request (\$296,500 with priority ranking of 8) in anticipation of compliance with the 1968 DPH directive. State budget priorities were such that this 1971-72 budget request item was not appropriated. As the compliance deadline grew nearer, a higher priority was given this item in the 1972-73 Capital Budget Request. The 1972-73 capital appropriations for SIUE do include \$311,300 for this project.

To expedite ultimate progress on this project, \$20,000 in University Plant Funds were identified as available in April, 1972, and were committed to obtaining an engineering study and proposal on specific processes and improvements to meet tertiary treatment standards. Study proposals were solicited from engineering firms in July, 1972, and in October, 1972, the Board of Trustees Executive Committee approved Clark-Dietz for this study and authorized commitment of the \$20,000 in plant funds for this purpose.

The Clark-Dietz study is now underway. Their report will be forthcoming in the near future, and University officers will recommend to the Board specific steps and improvements to be made to assure compliance with tertiary treatment standards. University officers are hopeful that release of the \$311,300 appropriation item for this project will be requested and effected within the present fiscal year.

The context of the Clark-Dietz report is broader, however, than simple compliance with tertiary treatment standards. In 1967 the General Assembly mandated establishment by the Board of Trustees of a Sewage Treatment Plant Operators Institute and a Public Water Supply Operators Institute. Programs pursuant to this mandate presently are conducted by the Division of Science and Technology. The Clark-Dietz report will encompass the need to achieve tertiary treatment compliance while also improving our ability to provide varied instruction for operators who operate various treatment plants using different methodologies.

Following discussion, the Chair expressed the thanks of the Board for the information presented.

President Derge announced that this was the first time an entire Board meeting had been video-taped, made possible through the technical expertise and professional abilities of staff and students of the Department of Radio-Television

headed by Dr. Charles W. Shipley, and that the tape would be telecast over WSIU-TV Channel 8 at 7:00 p.m. the same evening.

The Chair then recognized Dr. James Brown, who reported that the Board members and guests were invited for lunch at Grinnell Hall by the Schneider House Council; following lunch, there would be a short presentation and a tour of the Technology Building and facilities on campus.

The Chair then asked the Board to meet in Room 1052 for one short item in executive session, after which the Board would adjourn for lunch. He expressed appreciation to Dr. Shipley and his staff, the students at Grinnell Hall, and the Dean and his staff of the School of Engineering and Technology, and suggested that the Trustees visit the Journalism Laboratory as they left the building. Mr. Allen indicated that his professional experience with Dr. Shipley's graduates had been favorable.

Dr. Walker moved that the meeting be adjourned to convene in executive session, and to adjourn directly from the executive session with no action being taken. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The meeting adjourned at 11:22 a.m.

Alice Griffin, Assistant Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:30 a.m., Friday, April 13, 1973, in the Madison Room of the University Center, Edwardsville campus. The regular Chairman being present, the meeting was called to order. In the absence of the regular Secretary, the Chair appointed Trustee Rowe to serve as Secretary pro tem. The following members of the Board were present:

Mr. William W. Allen
Mr. Ivan A. Elliott, Jr., Chairman
Mr. Harold R. Fischer, Vice-Chairman
Dr. Donald E. Fouts
Mr. W. Victor Rouse
Mr. Harris Rowe, Secretary pro tem
Dr. Earl E. Walker,

and the following member was absent:

Dr. Martin V. Brown, Secretary.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. James M. Brown, Chief of Board Staff
Mr. Clifford R. Burger, Financial Officer
Dr. H. Edward Flentje, Deputy Chief of Board Staff
Mr. Robert L. Gallegly, Treasurer
Mrs. Alice Griffin, Assistant Secretary,

and the following members were absent:

Dr. Jerome M. Birdman, Academic Program Officer
Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Elliott presented the Minutes of a regular meeting held March 9, 1973, copies of which had previously been forwarded to members of the Board. On motion of Dr. Walker, duly seconded, these Minutes were unanimously approved as presented.

CONSIDERATION OF BOARD OF TRUSTEES MATTERS

The Chair announced that under the new format the first order of business was Reports of the Trustees, and that the first report would be by Mr. William W. Allen, the alternate to the Board of Higher Education, on the recent April 3 meeting of the Board of Higher Education.

Mr. Allen reported that the Governor, in his Budget Message, had not included in his recommendations to the General Assembly university funding for the universities at the Board of Higher Education level, but had reduced the \$64 million new money in the BHE recommendations to some \$20 plus million. The Board of Higher Education had been asked then to allocate that \$20 plus million to the various systems. Southern Illinois University was recommended to receive \$4.1 million for the Medical School, something slightly less than \$100 thousand for Nursing Education at Edwardsville, about \$54 thousand for Nursing Education at Carbondale, and some other lesser items. There were no monies included in those recommendations for salary increases for either staff or faculty. Although it was the general position of the Board of Higher Education members that the original budget was sound, they recognized the financial problems which the Governor faces. Concluding that it could not respond to whether the Governor's recommendations could be termed adequate for operations, the Board moved that the Governing Boards review those figures and make statements to the Board of Higher Education to indicate what impact such reductions might have. It was general consensus that none present felt that it was appropriate to attempt to operate the universities next year without any money for salary increases.

The Chairman of the Board of Higher Education, Dr. Prince, announced to the BHE Board that the Governor had indicated he would talk with it about recommending additional funding. Mr. Allen had asked the two Presidents and

the Chief of Board Staff to determine how much money the System will need as an absolute minimum to at least handle salary increases and to operate new buildings to be opened. The budget squeeze was recognized, but it was not deemed fair to ask people because they work for the State of Illinois to forego salary increases. The goal of maintaining and continuing to build excellence cannot be attained in a frozen salary situation.

The Chair expressed its appreciation to those who worked very hard in trying to analyze these figures, and to Mr. Allen for making an extremely skilful presentation of this matter for the Board of Higher Education. The Chair expressed the wish that Mr. Allen be given as much guidance as necessary so that the Board members would feel comfortable with measures necessarily taken in the interim between Board meetings. The Board was asked whether it agreed upon a stance that salary increases were extremely desirable or necessary for this coming year. Mr. Rowe suggested that it would be a calamity if State employees received a salary increase and yet higher education did not, and that the Board had to impress on the Governor that it could only take so much funding for new legal, medical, and dental programs away from existing budgets which are now pretty thin.

Mr. Allen indicated his pleasure that the recommendations for allocation of the \$20 million had included specific funding for the Medical School, although there was not included enough money for other new programs, let alone salary increases, new buildings, price increases, and so on. The difference between survival and excellence was pointed out.

The Chair then asked the two Presidents for their comments, which were in reinforcement of the views stated above.

The Chair suggested to the Board that the procedure for producing the requested impact statement be that if Mr. Allen and the Chief of Board Staff and the two Presidents could agree upon a recommendation, that the Board would delegate authority for final approval to that body, keeping the Chairman informed, but if a difference of opinion occurred that it be taken up with the Executive Committee to solve any problems. The members indicated concurrence with the suggestion.

Mr. Allen reemphasized the fact that the Governor had come into office and had less than two months to prepare a budget message, and publicly stated that he appreciated the Governor's willingness at least to discuss additional funds, not making promises that there were additional funds available, because the Governor understands the kind of spot the universities are in.

Upon invitation, the press inquired what percent of increase would be recommended for faculty salaries. Mr. Allen replied that the recommendation would not be in terms of percentages, but rather in a dollar figure. Percentages imply a flat, across-the-board increase, while both Presidents have said they want money to pay increases on a merit basis, which is the general salary policy of this Board of Trustees.

Mr. Allen reported that among other items at the Board of Higher Education meeting was attempt by the Board of Higher Education staff to have the Board approve documents to implement a Resource Allocation and Management Program, abbreviated as RAMP. There had been no general agreement with the universities on what the document forms ought to be. The Board of Higher Education did take action to approve the thrust of the program but not the forms, and suggested that the Board of Higher Education work with system representatives to work out these reporting forms.

The BHE Board also approved the resolution calling for the establishment of a "University Without Walls" in Illinois. This was opposed by two of the systems represented, and was given an indifferent reaction by the third system. The idea is to provide a vehicle to pull together credits from various sources, including tests, experience, and such things to apply toward a degree from the so-called University Without Walls. Some who spoke in opposition said that this could be done by present institutions, but the fact that it is not being done now may indicate that although the means are now available, those means do not seem to be adequate. It will be necessary, in order to establish such a vehicle in Illinois, for the General Assembly to adopt statutes to that effect. Mr. Allen indicated some questions about it, but that he had voted for it as a step in the right direction. The Chair inquired whether we could not do this at SIU and grant the same degree that Lincoln State University is supposed to grant, and Mr. Allen replied that we could. Discussion followed on the present resistance to unlimited transferability of credits and any need of the threat of a separate body to move people to do what they say they can do but are not.

It was suggested by President Rendleman that it is properly the faculty's purview to determine what is appropriate or not as to transferability of credits, but that the trends in the last two or three years indicate a growing tendency on the part of faculties to yield greater acceptability of other credits. At the same time, he continued, the proposal suggests that there is a burning problem of lack of transferability of credits which he did not think existed. He further suggested that the problem is not so pressing that in time of limited resources the State should be expending them on a program of this type. Mr. Allen explained his vote as being in favor of a concept but not in total sympathy with any particular method of achieving that concept.

Mr. Allen further reported that there was approval given to the temporary, movable parking garage at Southern Illinois University at Carbondale. One other item, a discussion on the funding of system offices in the Board of Higher Education, was presented in an attempt to cut back and save money in the operational system offices and the office of the Board of Higher Education. The Chairman of the Board of Higher Education recommended that the Chicago offices of the BHE be closed or substantially reduced and that the principal office of the Board of Higher Education be moved to Springfield, which was supported by the Board, and although there may be some small office in Chicago the principal office of the BHE which has been in Chicago the past four years is being moved to Springfield. He also announced the resignation of James B. Holderman as Executive Director of the Board of Higher Education, and presented for the consideration of the Board the name of Dr. Cameron West as Dr. Holderman's replacement.

Mr. Allen concluded with a comment that the analysis of the SIU System office budget by the Board of Higher Education staff was, charitably speaking, naive. It was partially based upon funding levels of the Board Staff office in 1970, while there was no Board Staff office in 1970, and was comparing hen eggs and brickbats, with refusal to recognize the fact that the internal audit function had been moved from central system office to the various universities. On this basis, the staff had demanded a cutback of something over \$300 thousand in the funding of our System office. He reported discussion of this illogic with Dr. Holderman and Dr. Prince. The BHE staff had admonished the SIU System very heavily in this document that it was operating its central office at a level above .9 percent of total budget, which they considered to be the optimum position since that is the level of operation of the System office of the University of Illinois. Mr. Allen pointed out that an accurate calculation of the operating

level was .81 percent, and promptly made application to Dr. Holderman and Dr. Prince for that remaining 9/100ths percent differential to be added to the Board Staff budget, whereupon the document was laid aside and it was his understanding that the figures are being revised properly to reflect the facts.

President Rendleman added that there had been a baccalaureate in recreation approved for SIUE.

The Chair indicated that on March 12, the Joint Trustees Committee for Springfield Medical Education Programs was attended by Dr. M. V. Brown and Mr. Fischer. Mr. Fischer reported that Dr. Charles Richardson was accepted as the representative to attend the Joint Trustees Committee meetings for SIUC in the future, and that Dean Moy had reported on the resolution of some erroneous bad publicity that had developed in Springfield in recent months, and also discussed at length the budget matters to which Trustee Allen had referred.

The Chair reported his attendance at several meetings of the Merit Board in the last five or six weeks. On the 14th of March, the Kathryn Hansen Award was awarded to Mr. Oscar Smith of the University of Illinois for this year. He had also attended meetings of the Board of Regents, the Board of Trustees of the University of Illinois, and the Board of Governors, each time for the purpose of introducing Mr. Walter Ingerski as the new Director of the Civil Service System.

Dr. Walker reported that the SIU Foundation had met on April 5. A committee was formed to consider and study the future mission of, the organization of, and the mechanism of the Foundation in achieving service to the University.

The Chair reported that he and Mr. Fischer had also attended this meeting; the Foundation had invited the Board of Trustees to appoint two representatives, invited each President to appoint a representative, and invited the Chief of Board Staff to appoint a representative to the aforesaid committee,

with the Chief of Board Staff representative to be the convenor.

Mr. Rouse moved that the Chair authorize such appointments, which was duly seconded and adopted by voice vote. The Chair appointed Dr. Earl Walker and Mr. Elliott to the committee.

The Chair reported that on March 24th, the Board of Trustees was honored by being invited for dinner with Governor Walker and the other members of the governing boards of the colleges and universities in Illinois at the Governor's Mansion in Springfield. This was attended by Mr. Allen, Mr. Fischer, Dr. Fouts, Mr. Rouse, and the Chairman. Mr. Rouse was called upon to report on this event.

Mr. Rouse reported that the Governor had talked briefly about budget constraints and the need for universities and college systems to adjust the question of staff utilization and administrative cost reductions where possible. He was very clear, however, that higher education was a priority for his administration. The Governor also pointed out that he was interested in seeing an increased number of blacks and women on boards.

Mr. Allen added that in view of decreased enrollments and inquiries concerning commensurate decreases in staffing, he had asked both universities to prepare figures thereon. He expressed pleasure with what President Derge and President Rendleman had done within the constraints of staffing and tenure and other restrictions to adjust faculty to reduced student bodies.

The Chair added that, on the following evening, the Governor had invited the Presidents and the Board Executive Officers of the colleges and universities, including the junior colleges, to have dinner with him in the evening and they discussed some of the same problems.

The Chair reported that on the 29th of March, Mr. Fischer and he had attended a meeting of the Regional Industrial Development Corporation in St.

Louis and later a groundbreaking ceremony for the General Classrooms and Office Buildings at Southern Illinois University at Edwardsville.

Mr. Fischer commented upon the long wait for those two buildings, and noted that participants in the groundbreaking ceremonies included Governor Walker, State Treasurer Dixon, Senator Vadalabene, and Chairman Elliott.

The Chair reported with pleasure that at this meeting of the RIDC President Rendleman had become its President.

The Chair then called for a report of the Treasurer Function Committee.

Mr. Rowe reported that the committee had met once. The new System Council was requested to make a recommendation to it, and it has appointed a subcommittee which has met and is going to meet again. The committee itself met yesterday with the Board Treasurer to get some impressions from him, and is hoping that within the next month this System Council subcommittee will meet again and submit a recommendation. Consensus was that this would be the last step in decentralization.

The Chair acknowledged that the Board was aware of the work the students had done in helping to save Kaskaskia Island and wished to compliment the students of both Universities who participated in this effort.

The Chair suggested to the Board that he had had a number of favorable comments concerning the Board meeting which was on television, and requested personal reactions as to whether or not the Trustees would be favorable to having further Board meetings televised.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE MATTERS

The Chair then recognized President Rendleman, who presented the following matter:

CHANGES IN THE FACULTY AND ADMINISTRATIVE STAFF PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty and administrative staff payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Report of Deaths

1. With regret, we report the death of Mr. John W. Leonard, Dean of the Business Division and Professor of Economics. He was born May 22, 1919, and died March 18, 1973. He received the Bachelor of Science and Master of Arts degrees from the University of Arizona and the Doctor of Philosophy degree from Cornell University. He served as Professor of Economics and Director of the Institute of Industrial and Labor Relations at the University of Arizona prior to accepting appointment at Southern Illinois University in 1969. He was a nationally known arbitrator and held membership in the American Arbitration Association, the National Academy of Arbitrators, the American Economic Association and the National Industrial Research Association. He was highly regarded as a teacher and administrator by his students and colleagues.

2. With regret, we report the death of Mrs. Millicent C. Palmer, Associate Professor in Lovejoy Library. She was born April 14, 1912, and died March 21, 1973. She received the Bachelor of Arts degree from Muskingum College and the Master of Arts degree from the University of Denver. She served as Head Librarian at Sunnyside High School in Tucson, Arizona, prior to accepting appointment at Southern Illinois University in 1965. She was a nationally recognized consultant and lecturer in library instructions and was a member of the National Education Association and the American Library Association. She was highly regarded as an instructor and librarian by students and colleagues.

B. Continuing Appointment

Mr. John J. Celuch (b. Cleveland, Ohio, 11/15/44) as Staff Assistant in Audio Visual Services effective February 1, 1973, on a fiscal year basis. B.A., Southern Illinois University.

\$ 825.00

C. Conditional Appointments

1. Mr. Walter L. Eckardt, Jr., (b. St. Louis, Missouri, 8/14/46) as Instructor of Finance in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. M.S., Washington University. He is a candidate for the Doctor of Science degree from Washington University. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant

Professor on term appointment on an academic year basis with monthly salary increase effective the first of the month following receipt of official notification in the Office of the Vice President and Provost of completion of the degree requirements. Salary to be paid from restricted funds.

Instructor,
\$1,500.00;
Asst. Prof.,
\$1,650.00

2. Mr. Sang-Ki Kim (b. KyungSangBukDo, Korea, 8/18/37) as Instructor of Philosophical Studies in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74. M.A., Seoul National University. He is a candidate for the Doctor of Philosophy degree from the State University of New York at Buffalo. At such time as the doctor's degree requirements have been completed, he is to serve as Assistant Professor on continuing appointment on an academic year basis with monthly salary increase effective the first of the month following receipt of official notification in the Office of the Vice President and Provost of completion of the degree requirements.

Instructor,
\$ 950.00;
Asst. Prof.,
\$1,250.00

D. Term Appointments

1. Mr. Billy R. Almond as thirty-three percent time Lecturer of Earth Sciences in the Social Sciences Division for the Spring Quarter, 1973. Ed. D., University of Kentucky. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 350.00

2. Mr. Edward R. Bauer as one-fourth time Instructor of Business Administration in the Business Division for the Spring Quarter, 1973. M.B.A., Washington University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 200.00

3. Mr. Anthony M. Galloway as one-half time Staff Assistant in the Delinquency Study and Youth Development Center for the period January 1 to March 1, 1973. Experience equivalence in lieu of formal degree. Salary to be paid from restricted funds.

\$ 300.00

4. Mrs. Ann Elizabeth Geers as one-fourth time Lecturer of Psychology and Psychological Services in the Education Division for the Spring Quarter, 1973. M.A., Washington University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 300.00

5. Mr. Herbert Goldman as Adjunct Professor of Psychology and Psychological Services in the Education Division, serving without salary, for the period January 1, 1973, to January 1, 1974.

6. Mr. Leroy J. Grossman as thirty-three percent time Lecturer of Earth Sciences in the Social Sciences Division for the Spring Quarter, 1973. B.S. and B.A., Washington University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 350.00

7. Mr. Joseph C. Hisrich as Lecturer of Sociology in the Social Sciences Division for the Spring Quarter, 1973. M.A., Loyola University. \$1,000.00

8. Mr. Frank R. Hudak as thirty-three percent time Lecturer of Earth Sciences in the Social Sciences Division for the Spring Quarter, 1973. J.D., Saint Louis University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 350.00

9. Mr. Stanley K. Kary as one-fourth time Lecturer of Psychology and Psychological Services in the Education Division for the Spring Quarter, 1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 325.00

10. Mr. Michael E. Keister as one-half time Lecturer of Psychology and Psychological Services in the Education Division for the Spring Quarter, 1973. M.A., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 600.00

11. Miss Beverly Ann Macon as Staff Assistant in the Supplemental Instructional Program for the period July 1, 1973, to July 1, 1974. B.A., Webster College. *\$ 844.00

He is Professor Emeritus of Philosophical Studies in the Humanities Division. This appointment is made in accordance with the provisions of the Illinois State Universities Retirement System.

12. Mrs. Nancy J. Polette as one-fourth time Lecturer of Instructional Technology in the Education Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

13. Mr. William F. Schmeltz as one-fourth time Professor of Accounting in the Business Division for the Spring Quarter, 1973. Salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

14. Mrs. Brigita M. Steffen as Lecturer of Foreign Languages and Literature in the Humanities Division for the Spring Quarter, 1973.

15. Mr. Leon C. Thouvenot as one-half time Instructor of Accounting in the Business Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

16. Mr. Alphonso Edward Vaughn as thirty-three percent time Instructor of Sociology in the Social Sciences Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

17. Mr. William P. Watson as sixty-seven percent time Instructor of Sociology in the Social Sciences Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

18. Mr. Lockwood E. Wiley as one-fourth time Lecturer of Instructional Technology in the Education Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

19. Mr. Frank E. Williams as Staff Assistant in the Social Sciences Division for the period March 16 to April 1, 1973. Salary to be paid from restricted funds.

F. Changes of Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Miss Jacquelin M. Bahr to serve as Instructor in the School of Dental Medicine on a continuing basis, rather than Cataloger in the School of Dental Medicine on a continuing basis and Instructor in the School of Dental Medicine on a term basis, effective February 1, 1973.

2. Mr. Ralph L. Bain to serve as Associate Professor of Chemistry in the Science and Technology Division on an academic year basis, rather than Associate Professor and Chairman of

Chemistry in the Science and Technology Division on a fiscal year basis, with monthly salary decrease to reflect return to academic responsibilities, effective September 16, 1973.	*\$1,775.00 rather than \$1,850.00
---	--

3. Mr. Robert L. Barringer, Associate Professor of Management Science in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.

4. Mr. James E. Benjamin, Associate Professor of Management Sciences in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.

5. Mr. Daniel J. Bosse, Chairman and Assistant Professor of Marketing in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the period April 1 to July 1, 1973.

6. Mrs. Evelyn T. Buddemeyer to serve as Associate Professor Emerita, rather than Associate Professor, of Art and Design in the Fine Arts Division, effective June 16, 1973.

7. Mr. John J. Celuch, Staff Assistant in Audio Visual Services, to serve on continuing appointment, rather than term appointment, effective February 1, 1973.

8. Mr. James D. Culley, Lecturer of Marketing in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.

9. Mr. James A. Dalton, Assistant Professor of Economics in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.

10. Mrs. Gladys Steinman Daniels to serve as Assistant Professor Emerita, rather than Assistant Professor, of English Language and Literature in the Humanities Division, effective June 16, 1973.

11. Mr. Louis S. Drake, Professor of Economics in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.

12. Mr. Odies C. Ferrell, Assistant Professor of Marketing in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.

13. Mrs. Charlotte J. Frisbie, Assistant Professor of Anthropology in the Social Sciences Division, to serve also as Chair-

*Subject to 1973-74 salary increase as approved by the Board of Trustees.

- man of Anthropology in the Social Sciences Division on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, effective April 1, 1973. \$1,455.00 rather than \$1,380.00
14. Mr. Gareth S. Gardiner, Assistant Professor of Business Administration in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.
15. Mr. Edward J. Harrick, Instructor of Business Administration in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.
16. Mr. Arthur E. Hoover, Professor of Business Administration in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.
17. Mr. Anele L. Iwu, Assistant Professor of Finance in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.
18. Mr. Marvin Karlins, Associate Professor of Business Administration in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.
19. Mr. Raymond LaGarce, Assistant Professor of Marketing in the Business Division, to be paid from State of Illinois funds, rather than restricted funds, for the Spring Quarter, 1973.
20. Mrs. Theresa R. Love to serve as Associate Professor of English Language and Literature in the Humanities Division, rather than Assistant to the Assistant Vice President for Special Programs and Minority Affairs and Associate Professor of English Language and Literature in the Humanities Division, with monthly salary decrease to reflect return to academic responsibilities, effective the beginning of Spring Quarter, 1973. Salary to be paid from State of Illinois funds, rather than State of Illinois funds and restricted funds. \$1,940.00 rather than \$2,005.00
21. Mr. Richard N. McKinney, Assistant Professor of Business Administration in the Business Division, to be paid from restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.
22. Mr. David K. Palit, Instructor of Accounting in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than restricted funds, for the Spring Quarter, 1973.

23. Mr. W. Mason Richard, Lecturer of Accounting in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than restricted funds, for the Spring Quarter, 1973.

24. Mr. Randy P. Rock to serve as Academic Adviser in the Supplemental Instructional Program, rather than the General Studies Division, effective July 1, 1973.

25. Mr. Gilbert L. Rutman, Professor of Economics in the Business Division and Program Director of the Urban Studies Program, to serve on a fiscal year basis, rather than academic year basis, for the period July 1, 1973, to July 1, 1974.

26. Mr. Ernest L. Schusky to serve as Professor of Anthropology in the Social Sciences Division on an academic year basis, rather than Professor and Chairman of Anthropology in the Social Sciences Division on a fiscal year basis, with monthly salary decrease to reflect return to academic responsibilities, effective April 1, 1973.

\$1,940.00
rather than
\$2,015.00

27. Mr. Edward R. Scott to serve as Instructor of Accounting in the Business Division for the Fall Quarter, 1972, rather than for the Fall, Winter and Spring Quarters, 1972-73, as reported previously.

28. Mr. Donald Raymond Smith to serve as Lecturer in Lovejoy Library on a term appointment, rather than Academic Adviser in the General Studies Division on continuing appointment, for the period July 1, 1973, to July 1, 1974.

29. Mr. Donald J. Warren to serve as Internal Auditor, rather than System Assistant Internal Auditor, of Southern Illinois University at Edwardsville, effective March 10, 1973.

30. Mr. David J. Werner, Associate Professor of Management Science in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.

31. Mr. William J. Whitmore, Associate Professor of Marketing in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the Spring Quarter, 1973.

G. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is recommended for the faculty members listed below:

1. For the Summer Quarter, 1973, at full pay:

Mrs. Lucille H. McClelland, Professor in the Nursing Division, received the Doctor of Philosophy degree from Saint Louis University. She plans preparation of a series of articles for Nursing journals. In addition, she plans exploration of the possibility of establishing summer programs for nursing students outside the continental United States.

2. For the Winter and Spring Quarters, 1974, at full pay:

a. Mr. Herbert H. Rosenthal, Professor of Historical Studies in the Social Sciences Division, received the Doctor of Philosophy degree from Harvard University. He plans research and writing on the Progressive Movement in New York State.

b. Miss Virginia F. Shaffer, Assistant Professor of Special Education in the Education Division, received the Doctor of Education degree from the University of Illinois. She plans to develop case studies dealing with the identification and visibility of gifted children.

H. Leaves of Absence Without Pay

1. Mr. Stephen M. Brown, Lecturer in the Fine Arts Division, for the period June 16 to September 16, 1973, for personal reasons.

2. Mrs. Sonja M. Lind, Instructor of Foreign Languages and Literature in the Humanities Division, for the Spring Quarter, 1973, for personal reasons.

3. Mrs. Dartha F. Starr, Assistant Professor of Elementary Education in the Education Division, for the Spring Quarter, 1973, and for the Fall, Winter and Spring Quarters, 1973-74, to accept a temporary position at the Haile Selassie I University.

4. Mr. Fay H. Starr, Professor of Psychology and Psychological Services in the Education Division, for the Spring Quarter, 1973, and for the Fall, Winter and Spring Quarters, 1973-74, to accept a temporary position at the Haile Selassie I University.

I. Termination of Leave of Absence Without Pay

Mr. Hady H. Aly, Professor of Physics in the Science and Technology Division, returned the beginning of Spring Quarter, 1973, from leave of absence without pay granted for the Fall, Winter and Spring Quarters, 1972-73.

J. Resignations

1. Miss Helen Wai-Chung Chou, Adjunct Lecturer in Lovejoy Library, effective March 9, 1973, to accept a position with the Illinois State Library at Springfield, Illinois.

K. Changes in Rank

Approval is requested for the following changes in rank, recommendations for which are the result of a prolonged review by the chairmen of the various departments of the disciplines, the academic deans, the Vice President and Provost, and the President of Southern Illinois University at Edwardsville. We have as usual asked the chairmen and deans to provide detailed evidence concerning their candidates so that we can again be assured that the quality of those recommended is high. Furthermore, we are attempting to maintain standards for these ranks comparable to those in use at the major universities. Three points worth noting are (1) a continued emphasis on recognizing good teaching as well as research productivity, (2) early recognition of outstanding performance by the younger faculty members, particularly by the promotions of assistant professors, and (3) service contributions to the University over a period of years. In accordance with the policies prevailing in past years, we have also continued to study the relationship between salary levels and promotion recommendations with a view to providing the most equitable salary ranges possible for each of the academic ranks. Because of the dispersed sources from which recommendations come, the avoidance of discrepancies and inequities requires increasing attention each year.

Dr. Walker moved approval of Changes in Faculty-Administrative Payroll - Edwardsville. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, FEBRUARY, 1973, SIUE

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of February, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Elliott asked for comments or questions, if any, on the above matter. The Report was received.

The Chair then recognized President Rendleman, who requested Dr. John A. Regnell, Associate Professor, Mass Communications, Dr. John R. Rider, Director, Broadcasting Services, and Dr. Hollis L. White, Dean, Fine Arts Division, SIUE, to assist him in presenting the following matter:

APPROVAL OF DEGREE PROGRAM: MASTER'S DEGREE IN MASS COMMUNICATIONS, SIUE

The proposed degree program has been undergoing internal University review and revision since the Fall of 1970. It satisfies University requirements for academic quality, fosters the implementation of the stated Mission and Goals of Southern Illinois University at Edwardsville, is incorporated in the current five-year plan for implementation in the Fall of 1974, and meets the requirements and recommendations of Master Plan III of the State of Illinois. Funds for implementation of the program will be requested in connection with the Operating Budget Request for 1974-1975.

The undergraduate program in Mass Communications has grown steadily in enrollment and in the number of degrees granted since its establishment in 1969.

This Fall there were 172 enrolled undergraduate majors in the bachelor's program; 43 students graduated with the B.S. in Mass Communications in the Spring and Summer Commencements of 1972.

The communications media constitute a high growth employment field and this program will provide both entry-level and continuing educational opportunities for professionals in the various media. The curriculum is problem rather than media centered, and emphasizes practical experience through a "culminating experience" wherein the student will contract with the faculty to design a major production to address communications needs of an agency or institution, or to contribute to the solution of a pressing current problem. The skills of practicing professionals will thus be of great assistance to them in completing degree requirements and students entering the job market for the first time will have been oriented to the problems of practice in a growing industry as a result of their graduate educational experiences.

This proposal has been under internal review and consideration since October of 1970 and has been revised in response to suggestions from reviewing authorities designed to strengthen the program. While the indicated date for implementation is Fall of 1973, it will be noted that the proposal indicates a need to expand the faculty by two members. Whether new resources are obtained or internal reallocation is used to provide new faculty, it will be Fall of 1974 before the program will have the needed faculty for full implementation.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the degree program, Master of Science in Mass Communications, be and is hereby approved for offering by Southern Illinois University at Edwardsville, and the Board of Higher Education is requested by this Board to sanction implementation of said degree program at Edwardsville.

After considerable discussion revolving around the fact that a similar program has been developed on the Carbondale campus for presentation to the Board next month and comparisons and differences pointed out between the proposed program from SIUC and the program presented today from SIUE, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

A summary statement of the program, which was before the Board at the time of its consideration, has been placed on file in the Office of the Board of Trustees.

The Chair then recognized President Rendleman, who presented the following matter:

QUIT CLAIM TRANSFER OF RIGHT-OF-WAY EASEMENT
OVER MAHER PROPERTY IN EDWARDSVILLE, SIUE

In 1959, Theodore and Tina Dinwiddie granted the Southern Illinois University Foundation a right-of-way easement over property owned by them in the City of Edwardsville. The easement was necessary because street configurations at that time permitted no other access to property being acquired by the Foundation for ultimate transfer to the Board of Trustees to serve as the Edwardsville campus. In 1961, the Dinwiddies transferred the property owned by them to Robert W. and Betty A. Maher, subject to the easement previously granted the Foundation. The easement is no longer necessary for access to properties now owned by the University, and the Mahers desire to have the easement extinguished.

Although, subsequent to 1959, the Foundation transferred to the Board of Trustees all properties owned by it for which the subject easement provided access, the easement itself was never conveyed to the Board and remains of record at the present time as a conveyance to the Foundation. Counsel for the Mahers believe title in the easement may nevertheless be in the Board of Trustees since the easement was appurtenant to and may "run with" parcels the Foundation transferred to the Board of Trustees. In order to extinguish the easement, quit claim deeds are therefore being sought from both the Board of Trustees and the SIU Foundation.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That there be conveyed by Quit Claim Deed to Robert W. Maher and Betty A. Maher, as husband and wife, of the City of Edwardsville, County of Madison, and State of Illinois, all interest in the right-of-way off of the North end of land heretofore conveyed by Minna Crocker by Deed recorded in Book 819, Page 489 in the Recorder's Office of Madison County, Illinois (said right-of-way granted to Southern Illinois University Foundation by Theodore Guy Dinwiddie and Tina Dinwiddie, husband and wife, by Deed recorded in Book 1975, Page 50 in the Recorder's Office of Madison County, Illinois).

BE IT FURTHER RESOLVED, That the Chairman and Secretary be and are hereby authorized and directed to execute such deeds and other legal documents in the name of this Board as may be necessary or desirable to accomplish the above purposes.

After it had been pointed out that the value of the easement was only nominal, Mr. Fischer moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Rendleman, who presented the following matter:

PROJECT APPROVAL: CAPITAL IMPROVEMENTS TO RECREATION PENINSULA, SIUE

In May, 1970, the Board of Trustees contracted with the architectural firm of Gabriel and Dulgeroff, Inc., Granite City, Illinois, for services in planning and developing the recreation peninsula on Tower Lake at SIUE. To date, 24% of this contract has been performed and Gabriel and Dulgeroff have received full payment for all services performed.

Since 1970, the University has reviewed its long-range planning in an effort to bring physical plant aspirations into conformance with fiscal realities of the 1970's. One result of this review has been a recognition that development of the Tower Lake recreation peninsula in a manner acceptable to University recreation personnel can be accomplished without completion of further work by Gabriel and Dulgeroff, and through the use of in-house architectural and engineering services.

University officers therefore propose that the Board terminate its contract with Gabriel and Dulgeroff and simultaneously approve the capital improvements plan for the recreation peninsula presented at today's Board meeting.

The Tower Lake recreation peninsula presently consists of a swimming beach, an undeveloped picnic area, portable rest rooms, an open-air shower, and two house trailers used for first aid and to store safety and rental equipment. Attendance between mid-May and Labor Day has increased from 27,100 in 1970 to 40,800 in 1972. The Office of Plant Engineering proposes complete development of the peninsula by addition of four facilities:

- (1) Beach House: To provide bathing/shower facilities, with locker and dressing rooms to accommodate 80 men and 80 women. Toilet facilities are to be included as well as a first aid and emergency room. A food preparation area will also be contained in this facility, along with minimal office space for recreation personnel and custodial services. The facility is proposed to be constructed with a concrete block exterior.
- (2) Boat Dock and Storage: To provide a mooring area, with storage and servicing facilities for small non-motor boats (primarily sailboats) used on Tower Lake.
- (3) Information and Control Booth: To provide a control point for access to the peninsula and a focal point for information. Bicycle storage and rental will also operate from this facility.
- (4) Covered Picnic Pavilion: To provide picnic facilities, including fireplaces, rest rooms, and electrical outlets.

Plant Engineering estimates total cost for the proposed improvements will be \$91,000. Funding from SWRF was approved by the Student Senate on March 2, 1973.

Plant Engineering's schematic plan (dated 3/21/73) showing location of the proposed improvements has been provided each Trustee and a copy has been filed with the Office of the Board of Trustees. There are no other improvements anticipated in the recreation peninsula area other than those depicted in the schematic plan. Previous improvements to a parking lot adjacent to the peninsula were not made as a component of development of the recreation peninsula, but were made in order to upgrade the lot to the standard of other central core lots and thus to provide overflow capacity for other parking lots in the central academic core.

Plant Engineering recognizes that handling of waste water from showers and rest room facilities must be addressed in development of plans and specifications for these improvements. It is anticipated that costs will prohibit extension of existing sewerage lines to service the peninsula. Plant Engineering is confident, however, that alternative arrangements satisfactory to environmental protection standards can be devised in the preparation of plans and specifications for the project.

Language in the Capital Development Board Act makes it unclear whether or not CDB is required to approve projects funded through SWRF. University officers will discuss this matter with CDB and involve that agency as appropriate in respect to this project.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Board's contract dated May 18, 1970 (Contract No. 1051) with Gabriel and Dulgeroff, Inc., Granite City, Illinois, be and is hereby terminated for the reason that Southern Illinois University at Edwardsville is abandoning the scope of development planning for the Tower Lake recreation peninsula contemplated in that contract.
- (2) Capital improvements to the Tower Lake recreation peninsula at SIUE are approved as presented to the Board this date, and funding for the project is authorized from the Student Welfare and Recreational Building Trust Fund in the amount of \$91,000.
- (3) University officers are authorized to proceed with completion of final plans, specifications, and details for these improvements, with approval of such final plans, specifications, and details as required by IV Bylaws to be approved by the Executive Committee prior to commitment of funds and initiation of construction.

Mr. Fischer moved that the resolution be approved as presented. The motion was duly seconded, and after some discussion of the necessity of convening the Executive Committee for any valid action by that body, the motion was carried

by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye

The Chair then recognized President Rendleman, who presented the following matter:

APPROVAL OF PLANS AND SPECIFICATIONS: WAGNER BUILDING RENOVATIONS, SIUE

Southern Illinois University at Edwardsville has conducted a portion of its Art Department studio and classroom activities at inadequate facilities in the Wagner Building for several years. Abandonment of the proposed Phase II addition to the Communications Building (which would have housed the Art Department) necessitated long-term use of Wagner to accommodate Art Department activities. The University now seeks to renovate warehouse-type facilities at Wagner not only to make them adequate for these activities, but also to make them the permanent home of the Art Department. Relocation of the Art Department at Wagner will make possible reassignment of 6,956 square feet of classroom space in the academic core area to other programs competing for badly needed classroom space.

The University's appropriated FY-73 Capital Budget included \$115,350 for remodeling, rehabilitation, modification, and improvements to various buildings in addition to Wagner. The University has reviewed with IBOB its plans to concentrate \$76,699 of these funds (with \$40,941 from other sources) on renovation of Wagner (diverting some funds originally planned for other buildings). Release of this appropriation item was obtained for that purpose. The balance of the appropriation was released for later application in Lovejoy Library. The BHE was informed of the University's plans in respect to Wagner and acquiesced in IBOB's release of funds for this purpose.

Having thus obtained all requisite approvals for the Wagner renovations, plans and specifications for the project have been completed and the Board is requested to approve these at today's meeting. A copy of the detailed plans and specifications has been filed with the Office of the Board of Trustees. Floor plans and a summary of the renovation estimate are attached. A summary of the plans and specifications will be presented to the Board at today's meeting.

The renovations proposed cost an average of \$17.00 per square foot. While most of the work involved will be accomplished with University forces, sheetmetal work, prefabrication work, and heating, ventilation, and air conditioning work will be contracted to outside vendors through competitive bidding. Funds for the total project are available as indicated in the resolution. Use of the operating funds account "Major Repairs" is for repair, renewal, and replacement to existing structures and new items of equipment consistent with past practice and prevailing BHE operations analysis guidelines.

Language in the Capital Development Board Act makes it unclear whether or not CDB is required to approve this project. University officers will discuss this matter with CDB and involve that agency as appropriate in respect to this project.

Resolution

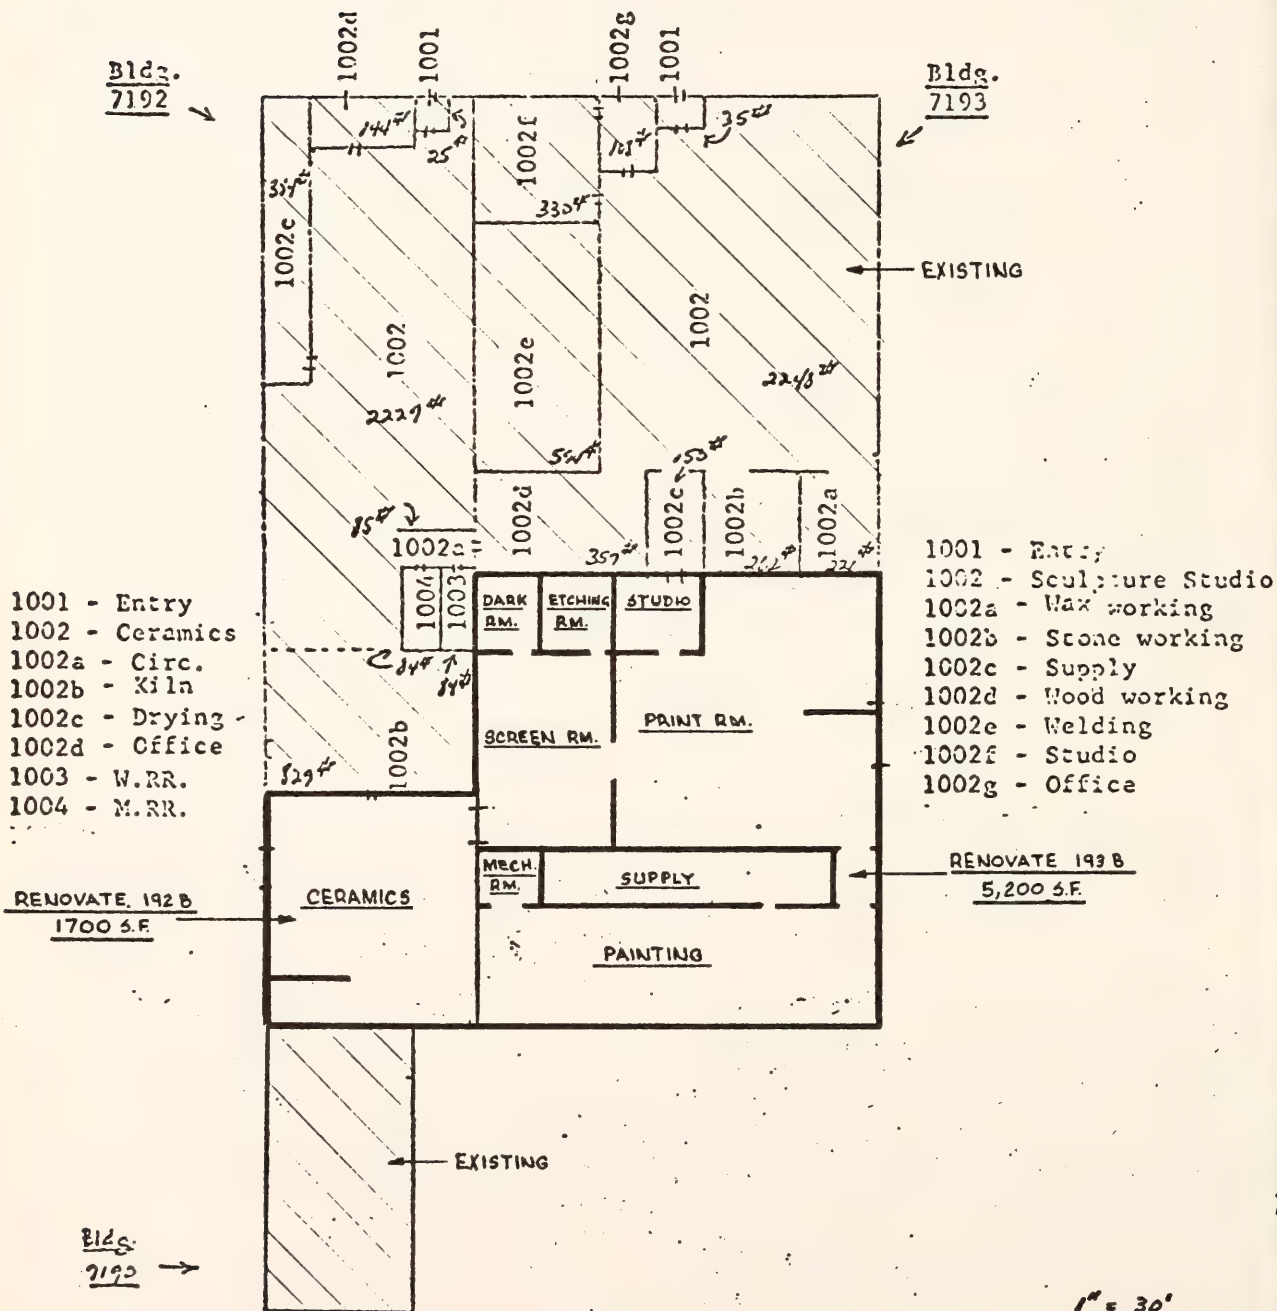

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That plans, specifications, and details for the renovation of Wagner Buildings 7192 and 7193, SIUE, are approved as presented to the Board this date, and University officers are authorized to commence work on this project with funding to be as follows:

Remodeling, Rehabilitation, & Modification Release 2 (60-00-7-74822)	\$ 76,699
Campus Improvements, Renovations, & Additions Release 8 (60-00-7-14923)	8,148
Major Repairs (00-53-7-55933)	<u>32,793</u>
	<u>\$117,640</u>

BE IT FURTHER RESOLVED, That such competitive bids as are solicited and received by University officers for components of the project not to be accomplished by University forces shall be received and awarded by the Executive Committee acting for the Board, subject to procurement of a letter from the Capital Development Board indicating that the project is consistent with the Act creating that Board.

After discussion, Dr. Walker moved approval of the resolution as presented, with the added stipulation that a letter be procured from the Capital Development Board indicating that the project is consistent with the Act creating that Board, which stipulation has been incorporated in the resolution. The legal conditions governing Executive Committee action were again mentioned. The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Rendleman, who presented the following informational item:

REPORT ON DEVELOPMENT OF SINGLE STUDENT HOUSING PROJECT, SIUE

At its February 9, 1973 meeting, the Board of Trustees authorized University and Board officers to proceed with preparation of a bond resolution and other steps necessary to finalize acquisition by SIUE of the single student housing project approved by the Board. The Board was advised by Mr. Peter Kenny (of Bond Counsel) that the Capital Development Board would have to approve the project. University officers have coordinated a review of the project with CDB and formal authorization of the University's acquisition of the project is forthcoming from CDB.

Simultaneously, University officers have been finalizing HUD's review of the project, and it is hoped that final details of the HUD interest-subsidy agreement will be worked out prior to the April Board meeting. The Bond Counsel and Fiscal Agent have been asked, in conjunction with the Board Treasurer and University officers, to develop a prospectus, Notice of Sale of Bonds, and other documents necessary to the bond sale in anticipation that the details involving CDB and HUD will be shortly completed.

President Rendleman desires to report to the Board at the April meeting concerning status of this project and the anticipated schedule for advertisement and sale of the pertinent revenue bonds.

President Rendleman distributed the following matter to the members of the Board of Trustees:

APPROVAL OF NOTICE OF SALE AND OFFICIAL STATEMENT:
UNIVERSITY FACILITIES REVENUE BONDS, SERIES "F," SIUE

It is hoped that details can be concluded for the sale of University Facilities Revenue Bonds, Series "F," at the May meeting of the Board of Trustees. These bonds will finance acquisition of the proposed single student housing project for 1,000 students at Edwardsville.

The Board is requested to approve the Notice of Sale and Official Statement for these bonds substantially as presented at today's meeting, but with delegation for the Treasurer to effect adjustments in the Official Statement in the event that concluding details in respect to the bond issue necessitate such adjustments.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The Notice of Sale of University Facilities Revenue Bonds, Series "F," as presented to the Board this date be and is hereby approved,
- (2) The Official Statement in respect to the above-named bonds is approved substantially as presented to the Board this date, and the Treasurer of the Board is hereby authorized to act for the Board in making adjustments to details within the Official Statement, and which do not materially alter the Statement, as may be necessary to conform the final, published Statement with factual details in respect to the proposed bonds, and
- (3) The Executive Committee of the Board is hereby authorized to act for the Board to approve specific terms of any agreements or documents in furtherance of this project (including any which transfer legal title in University property to the SIU Foundation), as such approvals were reserved by the Board on February 9, 1973, and for these purposes the Executive Committee is authorized to take actions without a formal meeting if a written consent setting forth the action so taken is signed by the members of the Executive Committee.

The Notice of Sale and Official Statement, which were before the Board upon its consideration of this matter, have been placed on file in the Office of the Board of Trustees.

In reply to Chairman Elliott's inquiry regarding the Bond Counsel's opinion not being a part of this document, Mr. John Paul Davis, Legal Assistant, SIUE, replied that the Bond Counsel is awaiting action by the Capital Development Board prior to writing the formal opinion. President Rendleman clarified the procedure of this project as follows: (1) Approval of Notice of Sale and Official Statement: University Facilities Revenue Bonds, Series "F," which should be approved at this meeting; (2) open bids at the next meeting; (3) approval of resolution, accompanied by Bond Counsel's approving opinion, authorizing the issuance of the bonds; and (4) the sale thereof at a special meeting held on a Tuesday, preferably, after the May 11 meeting. The Chair requested that a presentation be made of everything except the result of the bids at the meeting of May 11 in order for the entire Board to be informed of the legal opinion and any problems that may come up before the awarding of bids.

After further discussion, Mr. Allen moved approval of the resolution with a minor amendment incorporated above. The motion was duly seconded, and carried by the following recorded vote:

Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye

CONSIDERATION OF SYSTEM MATTERS AND JOINT UNIVERSITY MATTERS

The Chair then recognized Chief of Board Staff Brown, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following addition to and change in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Term Appointment

Miss Mary Ann Day to serve as one-fourth time Staff Assistant in the Office of the Board of Trustees for the period March 26, 1973 to June 8, 1973. She received the Bachelor of Science degree from Arizona State University.

\$150.00

Mr. Fischer moved approval of Changes in Faculty-Administrative Payroll - Office of Board of Trustees. The motion was duly seconded, and carried by the following recorded vote:

W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE MATTERS

The Chair then recognized President Derge, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, FEBRUARY, 1973, SIUC

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of February, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

Chairman Elliott asked for comments or questions, if any, on the above matter. The Report was received.

Mr. Rowe questioned a pending requisition that he had received for approval as a member of the Executive Committee in the amount of \$12,000 for a

consultant study of traffic congestion and the best location for the parking garage to be constructed near the Humanities Building, SIUC. At the January meeting, the amount for this study was proposed at \$5,000.

Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, explained that in January, he thought the study would cost \$5,000. As people were interviewed to make this study, it was pointed out that our surveys should be reviewed and updated as well as traffic studies should be made to cover the total campus rather than just the central campus area. It would depend on these findings where the parking garage should be sited. The first part of the study would cost approximately \$5,000, the second part an additional \$4,000, and the third part approximately \$3,000. This would result in a much broader study than was originally contemplated. Bids on the parking structure will not be let until a study is received showing the best location.

Mr. Rowe moved that the requisition be approved and the previous Board's action be amended to raise the amount as indicated in the requisition. The motion was duly seconded, and carried by the following recorded vote:

Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	(Out of the room)
W. Victor Rouse	Aye

The Chair then recognized President Derge, who requested Mr. Mager, assisted by Mr. Rino Bianchi, Acting Assistant to the Vice-President for Development and Services (for Facilities Planning), and Mr. Douglas W. Weaver, Athletic Director in Physical Education-Special Programs, SIUC, to present the following matter:

McANDREW STADIUM PHASE II RENOVATION, SIUC

Southern Illinois University Construction Proposal Number 9, concerning the repair and renovation of McAndrew Stadium, was approved by the Board of Trustees of Southern Illinois University on November 19, 1971. At this meeting, the Board of Trustees approved a project budget based on estimated costs developed at that time of \$1,800,000.

The repair and renovation of McAndrew Stadium encompasses two phases. Phase I, which has been completed, provided for an Astroturf covering for the playing field at a total cost of \$296,800. Phase II of the project will repair, renovate, and enlarge the east and west stands, provide for a communications center, and provide for new concession stands and rest rooms. The present refined cost estimate for Phase II is \$1,882,159.

The revised estimate takes into consideration current construction costs and does not represent a change or increase of the scope of the project.

Funds sufficient to complete the work under the revised estimate in the amount of \$1,882,159 are on hand and were derived from accumulated athletic fees, interest earned thereon, and external contributions.

The presentation today of the schematic design from which plans, specifications, and bid documents will be developed by The Engineers Collaborative for the completion of McAndrew Stadium Renovation Phase II are recommended by the administration to the Board of Trustees for approval. (A copy of the schematic design presentation has been placed on file in the Office of the Board of Trustees.)

The anticipated time element for Phase II of the project is for letting of bids by August 1, 1973, and completion of construction by September, 1974. Careful coordination and timing are critical to the completion of this project by that date.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The project budget for the Phase II renovation and completion of McAndrew Stadium in the amount of \$1,882,159 is approved.
- (2) The schematic design presentation by The Engineers Collaborative for the Phase II renovation of McAndrew Stadium is approved and The Engineers Collaborative is authorized and directed to prepare drawings, specifications, and bid documents for the McAndrew Stadium repair and renovation; upon completion thereof, the President of SIUC is hereby authorized to solicit bids competitively on the project and to submit bids received to the Board of Trustees for approval.

- (3) A copy of this resolution shall be submitted to the Board of Higher Education for information.

Mr. Richard Rose and Mr. James McDonald of The Engineers Collaborative presented a slide presentation.

Mr. Rowe commented that Mr. Mager and his staff should be commended for coming back to the Board and further refining this program to correct its previous inadequacies.

After further discussion, Dr. Walker moved that the resolution be approved as presented. The motion was duly seconded, and carried by the following recorded vote:

Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye

The Chair then recognized President Derge, who requested Mr. Mager, assisted by Mr. Jerome Lacey, Special Assistant to the Vice-President for Development and Services, SIUC, to present the following matter:

EMPLOYMENT OF CONSULTING FIRM FOR A FUND-RAISING FEASIBILITY STUDY, SIUC

A fund-raising feasibility study to determine the best methods and goals through fund-raising projects is considered essential to enhance the standing of Southern Illinois University at Carbondale. For this purpose the Alumni Association and Southern Illinois University Foundation have agreed to contribute up to \$7,500 each to the Board of Trustees to pay for the fund-raising feasibility study. A proposal for such a study has been received from Ketchum, Inc., Midwestern Region Office, Chicago, Illinois. It is recommended that this professional consulting firm be retained under the terms of said proposal, a copy of which is attached hereto and incorporated herein by reference as if herein set forth in full, at a cost not to exceed \$15,000. Accordingly, the following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the consulting firm of Ketchum, Inc., be

contractually retained by said Board to make a fund-raising feasibility study for the Carbondale campus of Southern Illinois University, pursuant to the terms of that firm's proposal, at a cost not to exceed \$15,000, payable from the funds contributed by The Association of Alumni and Former Students of Southern Illinois University, Incorporated and Southern Illinois University Foundation.

The proposal of Ketchum, Inc., which was before the Board at the time of consideration of this matter, has been placed on file in the Office of the Board of Trustees. It was pointed out that the Alumni Association and Foundation participated and concurred in the selection of this firm.

Mr. Fischer moved that the resolution be approved as presented. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who requested Mr. Mager to present the following matter:

DEMONSTRATION PROTOTYPE TRANSIT SYSTEM CONSULTANT, SIUC

The University has received a proposal from PRT Systems Corporation and its associate, Franklin Institute Research Laboratories, to perform all research and development work required to implement a demonstration prototype transit system for Southern Illinois University at Carbondale under a Federal grant. PRT Systems Corporation and its associate will prepare a planning study consisting of an analysis and definition of the service needs and levels for a campus transit system, coordinate proposed plans with University officials and Federal, State, and County transportation officials, define a system designed to operate and serve the transit needs of Southern Illinois University, establish a work program and implementation schedule and file applications and make presentations to Federal agencies authorizing grant funds for demonstration prototype transit systems. The proposal outlines that the work will be accomplished within 90 days after receipt of a letter of acceptance of the proposal and that a fee of \$28,000 for performance of the services proposed by PRT Systems Corporation will only be payable if and when the work to be done is completed and a 100 percent Federal grant has been received for the construction of the system.

The administration recommends that PRT Systems Corporation be authorized to undertake the work specified as above stated and, therefore, recommends the following resolution for approval:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the President of Southern Illinois University at Carbondale is authorized to contract with PRT Systems Corporation to plan and develop a demonstration prototype transit system and prepare, file, and present applications to Federal agencies to provide grant funds for such prototype transit system for Southern Illinois University at Carbondale at a fee of \$28,000 to be payable upon completion of the work and award of a 100 percent construction demonstration grant for the project and in the event the work is not completed, or the Federal grant is not received, no fees shall be due and payable by the University to PRT Systems Corporation.

The statement of Design Qualifications of the firm, which was before the Board at the time of consideration of this matter, has been placed on file in the Office of the Board of Trustees.

Mr. Fischer moved approval of the resolution as presented. After considerable discussion of needs and requirements, the motion was amended to request the administration to make a presentation as soon as possible bringing the feasibility studies up to date and making further recommendations to the Board. The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Derge, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office.

A. Report of Deaths

1. With regret, we report the death of Dr. Walter P. Alvis, Physician in the Health Service. He was born April 5, 1914, and died March 5, 1973. He attended Southern Illinois University and received the Doctor of Medicine degree from St. Louis University. He was engaged in the practice of medicine in Benton, Illinois, and served at Southern Illinois University in a part-time capacity beginning September 24, 1969. He was a conscientious and faithful member of the staff and was respected by his colleagues and students.

(C)

2. With regret, we report the death of Mr. Wayne A. R. Leys, Professor of Philosophy. He was born June 29, 1905, and died March 7, 1973. He received the Bachelor of Arts degree from Illinois Wesleyan University and the Doctor of Philosophy degree from the University of Chicago. He served as Professor and Dean of the Central YMCA College, Chicago, Illinois, and as Professor, Dean of Faculties, Vice President, and Graduate Dean of Roosevelt University prior to accepting appointment at Southern Illinois University in 1964. He was an internationally known scholar in ethics, political and legal philosophy, public administration, and the history of philosophy; an erudite, imaginative teacher who combined theory and application and seasoned his erudition with wit and humor; an effective participant in numerous professional and civic organizations; an esteemed and appreciative colleague who contributed enormously to our common efforts; and a man of integrity who had the courage of his convictions. His kind cannot be replaced.

(C)

B. Continuing Appointments

1. Mr. Joseph L. Davie as Consultant in Information Processing effective February 10, 1973, on a fiscal year basis. He received the Bachelor of Arts degree from Southern Illinois University. He has served since December 11, 1972, on term appointment. He was born November 14, 1927, in Jonesboro, Illinois.

\$1,510.00
(C)

2. Mr. Roger F. Jacobs as Professor and Librarian in the School of Law and Library Affairs effective June 1, 1973, on a fiscal year basis. He received the Juris Doctor degree from the University of Detroit. He was born January 1, 1937, in Detroit, Michigan.

\$2,250.00
(C)

3. Mr. James E. Moreland as Professor in the School of Medicine and in Physiology effective February 15, 1973, on an academic year basis. He received the Doctor of Philosophy degree from Louisiana State University. He was born September 17, 1929, in Powhatan, Louisiana. \$2,335.00
(C)

4. Mr. Samuel L. Silas as Staff Assistant in Broadcasting Service effective March 1, 1973, on a fiscal year basis. He received the Master of Science in Education degree from Southern Illinois University. He has served previously in this capacity on term appointment. He was born September 25, 1940, in Homeland Florida. \$1,225.00
(C)

5. Dr. Leroy Henry Spalt as Physician in the Health Service, as Physician and Associate Professor in the Clinical Center, and as Associate Professor in Psychology and in Guidance and Educational Psychology, effective April 1, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from the University of Kentucky. He has served since July 1, 1972, on term appointment. He was born July 8, 1936, in Belleville, Illinois. \$3,333.33
(C)

C. Conditional Appointment

Mr. John R. Glick as Instructor in Accountancy for the Spring Quarter, 1974. He received the Master of Science degree from the University of Alabama. He is a candidate for the Doctor of Business Administration degree from the University of Colorado. At such time within the period of this appointment as the doctor's degree requirements are met, he is to serve as Assistant Professor on continuing appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements from the Registrar or Dean of the Graduate School of the University of Colorado. He was born November 15, 1918, in Mt. Carmel, Illinois. Instructor \$1,500.00;
Asst. Prof. \$1,630.00
(C)

D. Term Appointments

1. Mrs. Patricia Baysinger as Staff Assistant in the Center for Dewey Studies for the period March 15 to July 1, 1973. She received the Bachelor of Arts degree from Southern Illinois University. \$700.00
(C)

2. Dr. Arnaldo Gomes de Carvalho as Clinical Assistant Professor in the School of Medicine, serving without salary for the period July 1, 1972, to July 1, 1973. He received the Doctor of Medicine degree from the University of Rio de Janeiro, Rio de Janeiro, Brazil. The University is to reimburse St. John's Hospital, Springfield, Illinois, in the amount of \$3,000.00 annually for the release of 10% of the appointee's time to fulfill academic duties. (C)

3. Mr. Paul J. Duffy as one-half time Researcher in the School of Medicine for the period February 1 to April 1, 1973. He received the Bachelor of Arts degree from Waynesburg College. His salary is to be paid from restricted funds. \$600.00
(C)

4. Mr. Harold I. Dycus as one-third time Lecturer in Accountancy for the Spring Quarter, 1973. He received the Master of Science degree from Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$400.00
(C)

5. Mrs. Dolores Ellis as one-half time Staff Assistant in the College of Liberal Arts for the period March 1 to the end of the Spring Quarter, 1973. She received the Bachelor of Arts degree from Southern Illinois University. \$310.00
(C)

6. Mrs. Susan Ferge as Assistant Professor of Sociology for the Spring Quarter, 1973. She was a Candidate of the Hungarian Academy of Sciences, Budapest, Hungary. \$1,100.00
(C)

7. Mr. Philip R. Fine as Adjunct Assistant Professor in the School of Medicine, serving without salary for the period March 1 to July 1, 1973. He received the Doctor of Philosophy degree from the University of Oklahoma. (C)

8. Mr. Fred A. Frey as twenty-six percent time Instructor in the Vocational-Technical Institute for the Winter Quarter, 1973. He received the Bachelor of Science degree from Saint Mary College (Kansas). This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$413.40
(C)

9. Mr. Lewis L. Hines as one-half time Resident Assistant in University Housing-Group Housing II, for the period February 1 to June 16, 1973. He received the Bachelor of Arts degree from Southern Illinois University. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$200.00
(C)

10. Dr. Stephen A. Kwedar as Clinical Associate in the School of Medicine, serving without salary for the period February 1 to July 1, 1973. He received the Doctor of Medicine degree from Northwestern University. (C)

He received the Doctor of Education degree from the University of Georgia. His salary is to be paid from restricted funds. \$2,275.00
(C)

12. Mrs. Anne T. Lynch as one-half time Researcher in Resources for Tomorrow for the period March 1 to July 1, 1973. She received the Master of Arts degree from Southern Illinois University. 425.00 (C)

13. Dr. Muktesh Mehra as Clinical Associate in the School of Medicine, serving without salary for the period October 15, 1972, to July 1, 1973. He received the Bachelor of Medicine and Bachelor of Surgery degrees from the University of Delhi, India. (C)

14. Mr. Romy Mistry as one-fourth time Resident Counselor in University Housing-Thompson Point for the Fall, Winter, and Spring Quarters, 1972-73, with salary increase effective December 1, 1972. He received a bachelor's degree from Baroda University, India. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$100.00; \$110.00 (C)

15. Mrs. Mabelle B. Nardin as Assistant Professor in the Center for Vietnamese Studies for the period December 1, 1972, to February 1, 1973, and as Researcher for the period February 1 to July 1, 1973, serving at the University of Saigon, Saigon, Vietnam, under the terms of a grant agreement between Southern Illinois University and the United States Department of State Bureau of Educational and Cultural Affairs. She received the Master of Arts degree from Columbia University. This appointment carries faculty privileges except that years spent in assignment to this project do not count toward permanent tenure. Her salary is to be paid from restricted funds. \$1,555.00 (C)

16. Mrs. Lynn E. Paplauskas as Researcher in Chemistry and Biochemistry for the period March 1, 1973, to January 1, 1974. She received the Bachelor of Science degree from Saint Xavier College. Her salary is to be paid from restricted funds. \$600.00 (C)

17. Miss Janice Ross as Adjunct Instructor in Physiology, serving without salary for the period February 12 to July 1, 1973. She received the Bachelor of Science degree from Millikin University. (C)

18. Mr. Walter Richard Schneider as Instructor and Librarian (Assistant Medical) in the School of Medicine for the period March 7 to June 27, 1973. He received the Master of Arts degree from the University of Missouri. His salary is to be paid from restricted funds. \$875.00 (C)

19. Mr. Joel A. Schunk as one-half time Resident Assistant in University Housing-Group Housing for the Fall and Winter Quarters, 1972-73. He has attended Southern Illinois University. His salary is to be paid from restricted funds. In addition to salary, meals and lodging on the premises are required and are to be furnished for the convenience of the University. \$200.00 (C)

20. Mr. Tommy E. Smothers as Field Representative in Admissions and Records for the period March 12 to June 16, 1973. He has attended Southern Illinois University. \$825.00
(C)
21. Mr. Richard A. Tate as Assistant Coach (Football) in Physical Education-Special Programs for the period February 5 to July 1, 1973. He received the Bachelor of Science degree from the University of Illinois. \$1,000.00
(C)
22. Mr. James F. Tent as Instructor in History for the Spring Quarter, 1973. He received the Master of Arts degree from the University of Wisconsin. \$1,220.00
(C)
23. Dr. Victor F. Trautman as Clinical Associate in the School of Medicine, serving without salary for the period February 15 to July 1, 1973. He received the Doctor of Medicine degree from the University of Tübingen, Tübingen, Germany. (C)
24. Mr. Lans Verduin as Staff Assistant in the Fine Instruments Research Shop for the period March 15 to July 1, 1973. He received the Bachelor of Arts degree from Southern Illinois University. \$825.00
(C)
25. Mr. John Lyndell Zanotti as Staff Assistant in the Vocational-Technical Institute Menard Vo-Tech Program for the period January 25 to July 1, 1973. He has completed the requirements for the Bachelor of Science degree. His salary is to be paid from restricted funds. \$960.00
(C)
- E. Summer Quarter
- Mrs. Vera Whiteside as Instructor in Morris Library for the period June 18 to August 31, 1973. She received the Master of Science in Education degree from Southern Illinois University. \$820.00
(C)
- F. Reappointments (Previously Approved Base Salary Not Repeated)
1. Mr. Robert C. Briner as one-fifth time Assistant Professor in the Center for the Study of Crime, Delinquency, and Corrections for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. (C)
2. Mrs. Sandra Lee Costa as Staff Assistant in the Southern Illinois Talent Search Center for the month of June, 1973. Her salary is to be paid from restricted funds. (C)
3. Mrs. Kathryn Gerken as Instructor in Special Education for the Spring Quarter, 1973. (C)

4. Mrs. Nancy S. Gillespie as one-half time Staff Assistant in University Graphics and one-fourth time Staff Assistant in the College of Liberal Arts for the period April 1 to July 1, 1973. Part of her salary is to be paid from restricted funds. (C)
5. Mrs. Deloris Poston Griffith as Assistant (in Clerical Training) in the Vocational-Technical Institute Manpower Training Program for the period March 1 to June 1, 1973. Her salary is to be paid from restricted funds. \$572.00 (C)
6. Mr. Nguyen K. Hoach as Visiting Research Professor of Foreign Languages and the Center for Vietnamese Studies, for the Spring Quarter, 1973. His salary is to be paid from restricted funds. (C)
7. Mr. Robert V. Riordan as thirty-three percent time Researcher in Anthropology for the period May 1 to June 16, 1973. His salary is to be paid from restricted funds. (C)
8. Mr. Gerhard Schumacher as one-half time Visiting Professor of Special Education for the Spring Quarter, 1973. (C)
9. Mr. William L. Simmons as Assistant (in Auto Body Repair) in the Vocational-Technical Institute Manpower Training Project for the period February 1, 1973, to January 1, 1974. His salary is to be paid from restricted funds. \$600.00 (C)
10. Mrs. Maria Tyszkowa as one-half time Visiting Professor of Special Education, serving also in the Clinical Center, for the Spring Quarter, 1973. (C)
11. Mr. John A. Van de Walle as Chief Academic Adviser in the Center for the Study of Crime, Delinquency, and Corrections for the period July 1 to September 1, 1973. (C)
- G. Changes of Assignment, Salary, and Terms of Appointment (Previously Approved Base Salary Not Repeated)
 1. Mr. Hans Bank to serve as Staff Assistant in the Fine Instrument Research Shop, rather than Physics and Astronomy, effective March 1, 1973. (C)
 2. Mr. Douglas O. Bedient, Assistant Professor in Learning Resources Service, to serve also as Assistant Professor of Instructional Materials, effective July 1, 1973, on a fiscal year basis. (C)
 3. Mr. Dean V. Bowser, Assistant in the School of Medicine, to serve at an increased monthly salary for the period March 1 to July 1, 1973. \$1,250.00 rather than \$1,125.00 (C)
 4. Mrs. Joann Boydston to serve as Associate Professor in Library Affairs-Administration, rather than Library Affairs-Administration and Secondary Education, effective March 1, 1973. (C)

5. Mr. Morris D. Cooper, Assistant Professor in the School of Medicine, to serve at an increased monthly salary for the period March 1 to July 1, 1973. \$1,250.00
rather than
\$1,125.00
(C)

6. Mr. Frank A. Coyle, Jr., to serve as Coordinator in the Employment Training Center, rather than Instructor, for the period March 1 to July 1, 1973. His salary is to be paid from restricted funds. (C)

7. Mrs. Barbara J. Dahl, Student Services Consultant in the Health Service, to be paid from State of Illinois funds, rather than restricted funds, for the period March 15 to July 1, 1973. (C)

8. Mr. William A. Doerr to serve as Campus Coordinator of the International Services Division and Assistant Dean (for Instruction) of the School of Agriculture and Assistant Professor of Agricultural Industries, rather than Campus Coordinator in the International Services Division and Instructor in Agricultural Industries, for the period March 1, 1973, to May 1, 1974. He has completed the requirements for the Doctor of Philosophy degree at Southern Illinois University. Part of his salary is to be paid from restricted funds. (C)

9. Mrs. Marcia V. Donnerstein to serve as one-half time Instructor in Psychology, rather than one-fourth time Instructor in Psychology, with change of salary accordingly, for the Spring Quarter, 1973. At such time within the appointment period as the doctor's degree requirements are met, the rank is to be changed to Assistant Professor on term appointment with monthly salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements from the Registrar or Dean of the Graduate School of Florida State University. (C)

10. Mr. Robert A. Eggertsen, Counselor in Student Work and Financial Assistance, to be paid from State of Illinois funds, rather than restricted funds, for the period March 1 to July 1, 1973. (C)

11. Mr. Carl L. Faingold, Assistant Professor in the School of Medicine, to serve at an increased monthly salary for the period March 1 to July 1, 1973. \$1,250.00
rather than
\$1,100.00
(C)

12. Mrs. Nancy S. Gillespie to serve as one-fourth time Staff Assistant in the College of Liberal Arts in addition to one-half time service in University Graphics, with change of salary accordingly, for the period March 1 to April 1, 1973. (C)

13. Mr. Nguyen K. Hoach to serve as Visiting Research Professor of Foreign Languages and the Center for Vietnamese Studies, rather than Visiting Professor, for the period February 1 through the Winter Quarter, 1973. (C)

14. Mr. Charles D. Lamkin to serve as Instructor in the Museum, rather than Assistant, for the period March 1 to July 1, 1973. He has been awarded the Master of Science in Education degree from Southern Illinois University. (C)
15. Mr. Robert A. McKay to serve as Staff Assistant in the Fine Instrument Research Shop, rather than Physics and Astronomy, effective March 1, 1973, on a fiscal year basis. (C)
16. Mr. Samuel E. McVay, Administrative Director of the Health Service, to be paid from restricted funds, rather than State of Illinois funds, for the period March 15 to July 1, 1973. (C)
17. Mr. Leonard E. Maroun, Assistant Professor in the School of Medicine, to serve at an increased monthly salary for the period March 1 to July 1, 1973. \$1,250.00 rather than \$1,100.00 (C)
18. Dr. Joseph P. Miranti, Physician in the Health Service, to be paid from restricted funds, rather than State of Illinois funds, for the period March 15 to July 1, 1973. (C)
19. Mr. Ali A. Moslemi, Associate Professor of Forestry, to serve also as Chairman, rather than Acting Chairman, at an increased monthly salary, effective March 1, 1973, on a fiscal year basis. \$1,795.00 rather than \$1,645.00 (C)
20. Mr. Jehiel Novick, Assistant to the Dean of the Division of Continuing Education, to serve also as Assistant Professor of Higher Education, effective March 1, 1973. The appointment as Assistant Professor is to be on the academic year basis. (C)
21. Dr. Peter G. O'Dwyer, Physician in the Health Service, to be paid from restricted funds, rather than State of Illinois funds, for the period March 15 to July 1, 1973. (C)
22. Dr. Robert J. Patton to serve as Clinical Professor in the School of Medicine, rather than Clinical Associate in the School of Medicine, serving without salary for the period January 15 to July 1, 1973. (C)
23. Dr. Emmet F. Pearson to serve as Clinical Professor in the School of Medicine, rather than Clinical Associate in the School of Medicine, for the period January 19 to July 1, 1973. (C)
24. Mr. Jack E. Simmons to serve as Director, Internal Auditing in the Office of the Internal Auditor, rather than as System Assistant Internal Auditor in the Office of the System Internal Auditor, effective March 10, 1973, on a fiscal year basis. (C)
25. Mr. William P. Vollmer, Assistant Project Director of the Peer-Oriented Drug Abuse Educational Network and Adjunct

Instructor in Psychology, to serve on an eighty percent time basis, rather than sixty percent time basis, with change of salary accordingly, for the period January 1 to May 1, 1973. His salary is to be paid from restricted funds.

(C)

26. Mr. Salvatore Vuocolo to serve as Staff Assistant on a full-time basis in the Student Services Office and the Peer-Oriented Drug Abuse Educational Network, rather than as one-half time Staff Assistant in the Student Services Office, with change of salary accordingly, for the period March 1 to May 1, 1973. Part of his salary is to be paid from restricted funds.

(C)

27. Mr. Walter J. Wills to serve as Professor of Agricultural Industries, rather than Professor of Agricultural Industries and Assistant Dean of the School of Agriculture, effective March 1, 1973.

(C)

H. Withdrawal of Sabbatical Leave

Mr. David M. Sharpe, Associate Professor of Geography, has requested that his application for sabbatical leave for the Spring Quarter, 1974, and Fall Quarter, 1974, be withdrawn.

(C)

I. Leave of Absence without Pay

1. Mrs. Deloris Poston Griffith, Assistant (in Clerical Training) in the Vocational-Technical Institute Manpower Training Program, for the period February 20 to March 9, 1973.

(C)

2. Mr. Ronald Jay Hanson, Assistant Professor of Agricultural Industries, for the period April 10 to June 10, 1973, for active duty in the United States Army to attend the U.S. Army Quartermaster School at Fort Lee, Virginia.

(C)

3. Mr. Esaias S. Richardson, Placement Consultant in the Placement Service, for the period March 16, 1973, to March 15, 1974, to continue study for an advanced degree.

(C)

4. Mr. Thomas J. Walsh, Associate Professor in the School of Art, for the Fall, Winter, and Spring Quarters, 1973-74, to continue research and creative work in Rome, Italy.

(C)

J. Resignations

1. Miss Norma J. Dresch, Adjunct Instructor in Physiology, effective February 9, 1973, to accept appointment at Wayne State University.

(C)

2. Mrs. Marie Harrell, Staff Assistant in the College of Liberal Arts, effective March 1, 1973, for personal reasons.

(C)

3. Mr. Wilbur C. McDaniel, Professor (Emeritus) of Mathematics serving on a part-time basis, effective the end of the Winter Quarter, 1973. (C)
4. Miss Anita L. McGruder, Staff Assistant in Black American Studies, effective March 1, 1973, to continue her education. (C)
5. Mr. Theodore H. Schmudde, Professor of Geography, effective January 24, 1973, to accept appointment at the University of Tennessee. (C)
6. Mr. William Van Rooy, Researcher in Occupational Education, effective March 1, 1973, to accept appointment at Red River Community College, Winnipeg, Manitoba, Canada. (C)

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll:

A. Continuing Appointments

1. Mr. Edward J. Kionka as Associate Professor in the School of Law for the period September 1, 1973, to June 1, 1974, on an academic year basis. He received the Doctor of Jurisprudence degree from the University of Illinois. He was born February 18, 1939, in Oak Park, Illinois.	\$2,555.56 (C)
---	-------------------

2. Mr. Thomas G. Roady as Professor and Associate Dean of the School of Law effective July 1, 1973, on a fiscal year basis. He received the Doctor of Jurisprudence degree from the University of Illinois. He was born April 27, 1918, in Kane, Illinois.	\$2,500.00 (C)
--	-------------------

B. Term Appointment

Mr. Frank W. Miller as Visiting Professor of the School of Law for the period July 1, 1973, to July 1, 1974. He received the Doctor of Juridical Science degree from the University of Wisconsin.	\$3241.67 (C)
---	------------------

C. Reappointment

Mrs. Elizabeth Ann Kelly as Librarian (Technical Services) in the School of Law and Instructor in Library Affairs for the period July 1, 1973, to July 1, 1974.	\$1,125.00 (C)
---	-------------------

D. Change of Assignment, Salary, or Terms of Appointment

Mrs. Elizabeth Ann Kelly to serve as Librarian (Technical Services) in the School of Law and Instructor in Library Affairs, rather than Instructor in Morris Library, at an increased monthly salary, for the period June 1 to July 1, 1973.	\$1,125.00 rather than \$980.00 (C)
--	--

K. Changes in Rank

Ratification is requested for the following changes in rank, recommendations for which are the result of prolonged review by the chairmen of the various faculties, the academic deans, the Vice President for Academic Affairs and Provost, and the President. We have as usual asked the chairmen and deans to provide detailed evidence concerning their candidates so that we can again be assured that the quality of those recommended is high. Furthermore, we are attempting to maintain standards for these ranks comparable to those in use at the major universities. Three points worth noting are (1) a continued emphasis on recognizing good teaching as well as research productivity, (2) early recognition of outstanding performance by the younger faculty members, particularly by the promotions of assistant professors, and (3) service contributions to the University over a period of years. In accordance with the policies prevailing in past years, we have also continued to study the relationship between salary levels and promotion recommendations with a view to providing the most equitable salary ranges possible for each of the academic ranks. Because of the dispersed sources from which recommendations come, the avoidance of discrepancies and inequities requires increasing attention each year.

Harold R. Fischer	Aye

The Chair then recognized President Derge, who requested Dr. Willis Malone, Executive Vice-President and Provost, SIUC, to present the following matter:

PROCEDURES ON ACADEMIC/ADMINISTRATIVE SALARIES, SIUC

The assigning of a base academic salary to faculty personnel who also hold administrative titles at Southern Illinois University has been practiced for a number of years. This practice has been maintained without approval having been sought from or given by the Board of Trustees for authorization for the establishment of such a policy to be followed in determining the monthly salary rate for the academic personnel assigned to administrative positions at Southern Illinois University at Carbondale. Previously, the Board of Trustees on November 19, 1971, did approve a "Shadow Salary Structure" for Southern Illinois University at Edwardsville.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following policy regarding the assignment of a base academic salary to members of the faculty who also have administrative titles at Southern Illinois University at Carbondale be and is hereby approved, effective immediately.

A staff member with a tenure rank at Southern Illinois University at Carbondale who has, or is to be assigned an administrative payroll title, is, after appropriate concurrence, to be assigned a monthly salary rate on a fiscal year basis. This rate is to be based on the individual's experience, and on the assigned administrative responsibilities and level of duties. Tenure rank includes faculty members on either continuing appointment or on permanent tenure in the ranks of professor, associate professor, assistant professor, or instructor.

A staff member holding a tenure rank and serving in an administrative position on a fiscal year basis is subject to reassignment to an academic year appointment for teaching, research, or service duties within the University in the fiscal year following the period covered by the current notice of appointment. In cases of reassignment from the administrative position, either by request of the tenured faculty member or by administrative action, the following guidelines will pertain:

1. The monthly salary rate to be effective will be cooperatively determined by at least two administrative officers (one of whom holds a position senior to the position presently held and the other filling a position senior to the position of reassignment), in addition to the individual being reassigned.
2. In determining the amount of the monthly salary, the following will be considered:
 - a. The individual's current administrative salary rate.
 - b. The individual's service to the University during the period of administrative duties.
 - c. The nature of the reassignment position.
 - d. The individual's age, nearness to retirement, and similar factors.
 - e. The salary range within the University for the academic rank. (Little or no change in monthly salary is anticipated if the monthly salary is within the range for persons of the same experience, length of service and academic rank within the University.)
3. Changes from a fiscal year to an academic year basis will be negotiated as a part of the procedure outlined in 1 and 2 above, and under most circumstances the differential from the administrative monthly salary rate and the monthly salary rate on the new assignment will not exceed eight percent.

The following statement is to be added to each notice of appointment (contract) of a faculty member now holding an administrative position at Southern Illinois University at Carbondale:

"The salary and appointment reported is for the current assignment including the tenure rank appointment to the academic department or unit as specified. Should reassignment occur at the end of this appointment period, the monthly salary and terms of appointment will be negotiated following established guidelines."

Further, the above statement is also to be placed in the other conditions section of the application for appointment processed on behalf of new administrative officials who also have academic rank at SIUC and, further, that the above statement be placed on

the change of assignment form to be processed on behalf of a person who holds academic rank and who is being assigned additional responsibilities as an administrative officer.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University at Carbondale be and is hereby authorized to proceed with the implementation of this policy.

In answer to Chairman Elliott's question, Dr. Malone replied that these salary changes would come before the Board for approval as all other salaries are presently being reported. President Derge commented that this policy might pose problems in recruitment for administrative positions, would keep being reviewed, and the administration might come back with a revision again next year. After further discussion, Mr. Rowe moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

REDESIGNATION OF DEPARTMENT OF PLANT INDUSTRY, SIUC

For several years the Department of Plant Industry has experienced increasing difficulty in maintaining the professional identification of its program and faculty. No other department with this academic mission utilizes the title, Plant Industry. The label is so misleading as to create confusion in the minds of some between this academic unit and the Physical Plant of the University.

Various titles are used in other universities to describe similar programs, e.g., Agronomy, Horticulture, and Plant Science. The designation of broad programs which include the areas of field crops, soils, and horticulture at land-grant colleges such as Maine, Massachusetts, Rhode Island, Montana, and Vermont provides precedent for the use of the title, Department of Plant and Soil Science. It is the title which best describes our program.

This proposal involves a change in name only and does not in any way imply a change in service, function, or program.

The following resolution is recommended for adoption at this time:

Resolution

WHEREAS, The name of the Department of Plant Industry does not accurately describe the academic program conducted therein,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Department of Plant Industry in the School of Agriculture at Southern Illinois University at Carbondale be and is hereby redesignated as the "Department of Plant and Soil Science," effective immediately,

BE IT FURTHER RESOLVED, That this redesignation shall not constitute authorization for a change in academic program and that this resolution, therefore, be transmitted to the Board of Higher Education for information.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

APPROVAL OF HIGHWAY SAFETY TRAINING CENTER, PHASE II, SIUC

On February 18, 1972, Construction Proposal Number 8 was presented to the Board of Trustees. Construction Proposal Number 8 provides for a Highway Safety Training Center to be accomplished in three phases. Phase I provided for a storage building and a paved surface measuring 400 feet by 250 feet. Funding for Phase I, in the amount of \$110,000, was provided from Federal grants distributed through the Office of the Superintendent of Public Instruction.

On February 18, 1972, the Board approved Phase I of the project and authority was given to present Phases I, II, and III of the project to the Board of Higher Education for review and approval. Since that time, the Board of Higher Education has given its approval for the three phases of the project.

Phase II of the Highway Safety Training Center project will provide for an additional paved surface that will adjoin the existing paved surface and will measure 200 feet by 600 feet. The cost of Phase II is \$79,200. As in Phase I, these funds will be provided from Federal funds distributed through the Office of the Superintendent of Public Instruction.

The following resolution is recommended for adoption at this time:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That Construction Proposal Number 8, Phase II,

Southern Illinois University at Carbondale, a 600-foot extension to an existing paved surface, be and is hereby approved. The cost of the said Phase II shall not exceed \$79,200 provided from Federal funds distributed through the Office of the Superintendent of Public Instruction of the State of Illinois.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University at Carbondale be and is hereby authorized to select and employ any responsible and competent design consultant required for the project; to approve plans, specifications, and details therefor which are of sound and economical engineering design and aesthetically and ecologically acceptable; to receive bids and award contracts in conformity with good business practice and the Illinois Purchasing Act; and to execute in the name of this Board all documents as may be required for the implementation of said Phase II.

After discussion, Dr. Walker moved approval of an amended resolution as suggested by Board Staff, which amendment has been incorporated above. The considerations governing Executive Committee action were again mentioned. The motion was duly seconded, and carried by the following recorded vote:

Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye

The Chair then recognized President Derge, who requested Dean Hiram H. Lesar, School of Law, and Mr. Rino Bianchi, SIUC, to present the following matter:

APPROVAL OF BIDS FOR CONVERSION OF BUILDINGS 0113 AND 0114
FOR USE OF THE SCHOOL OF LAW, SIUC

Advertising for bids for the conversion of Building 0113, Wakeland Hall, and Building 0114, Kaplan Hall, from housing units to law school facilities, SIUC, will begin on March 27, 1973, with opening of bids scheduled for April 17, 1973.

These facilities are required for occupancy by the School of Law commencing Fall Quarter, 1973; therefore, the following resolution is recommended for adoption at this time:

Resolution

WHEREAS, It is essential to expedite the conversion of Buildings 0113 and 0114 for use of the School of Law at Southern Illinois University at Carbondale by Fall Quarter, 1973,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the receipt of bids and award of contracts for work contemplated for the conversion of Buildings 0113 and 0114 for use and occupancy by the School of Law, Southern Illinois University at Carbondale, shall be approved for this Board by its Executive Committee in accordance with Article IV, Bylaws, Section 1.

After discussion which included that the Board of Higher Education approves this conversion and also the source of funds, and adversion to the necessity for a formal meeting of the Executive Committee, Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye

Chairman Elliott and Dr. Walker, members of the Executive Committee, will meet after the opening of bids, which is scheduled for April 17, in accordance with the above resolution.

The Chair then recognized Mr. Gallegly, who proposed to the Board that since Southern Illinois University at Carbondale will go to a semester system in the near future the matter of fees be recalculated. The Chair requested President Derge to bring to the Board a statement on the revision of fees as they will relate to the semester system rather than the current quarter system.

The Chair then recognized President Derge, who requested that Dean Lesar present to the Board for information the Preliminary Draft of the Bulletin for the School of Law, 1973-74. A copy of this draft has been placed on file in the Office of the Board of Trustees.

Discussion ensued regarding admissions to the School of Law, \$100

nonrefundable deposit, and a 25-point preference for Southern Illinois residents out of a 1200-point system.

The Chair recognized President Derge, who announced that SIU at Carbondale has scheduled an open house at the University for parents and students, prospective students, and friends of the University. He invited the members of the Board to participate.

The Chair then recognized President Rendleman, who announced that SIU at Edwardsville had been visited the past week by the Engineering Accreditation Team, and they had been given a letter of warm endorsement from the Board of Higher Education.

Chairman Elliott stated that he had referred to him as Chairman of the Board a request for release of funds in the amount of \$25,000 for studies for Nursing Facilities at Southern Illinois University at Edwardsville, with the suggestion that it be referred to the Executive Committee. He did not feel that this item was either an emergency or routine; therefore, he presented it to the Board for their consideration.

Mr. Allen moved approval of the release of \$25,000 for studies for Nursing Facilities at Southern Illinois University at Edwardsville. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

Dr. Walker moved that the meeting be adjourned and that the Board meet in executive session after lunch with no action to be taken. The motion was seconded, and after a voice vote the Chair declared the motion to have passed.

The meeting adjourned at 12:35 p.m.

Alice Griffin, Assistant Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University, convened at 9:32 a.m., Friday, May 11, 1973, in Ballroom "B" of the Student Center, Carbondale campus. The regular Chairman being present, the meeting was called to order. In the absence of the regular Secretary, the Chair appointed Trustee Rowe to serve as Secretary pro tem. The following members of the Board were present:

Mr. William W. Allen
Mr. Ivan A. Elliott, Jr., Chairman
Dr. Donald E. Fouts
Mr. Harris Rowe, Secretary pro tem
Dr. Earl E. Walker,

and the following members were absent:

Dr. Martin V. Brown, Secretary
Mr. Harold R. Fischer, Vice-Chairman
Mr. W. Victor Rouse.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
Dr. James M. Brown, Chief of Board Staff
Mr. Clifford R. Burger, Financial Officer
Dr. H. Edward Flentje, Deputy Chief of Board Staff
Mr. Robert L. Gallegly, Treasurer
Mrs. Alice Griffin, Assistant Secretary
Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. Chairman Elliott presented the Minutes of a regular meeting held April 13, 1973, copies of which had previously been forwarded to members of the Board. On motion of Mr. Allen, duly seconded, these Minutes were unanimously approved as presented.

BOARD OF TRUSTEES ACTIVITIES

The Chair recognized Mr. William W. Allen, the alternate to the Board of Higher Education, to report on the May 1 meeting of the Board of Higher Education.

Mr. Allen reported that the Board of Higher Education had taken two actions at its meeting: One was to comply with its statutory duty to advise the Governor by answering a request from Governor Walker on how those monies included in his budget message should be allocated. The Board advised that allocations of the sums budgeted by the Governor be made to SIU to provide for the first year operating of Springfield medical, for an expansion of the nursing program at Edwardsville, and for the nursing program at Carbondale, but the motion to approve those allocations also indicated that those monies would not provide enough for salary increases and that not to provide salary increases would cause serious problems for the Universities. In the second action, the Board reaffirmed its position of recommending to the Legislature funding for the senior institutions, private education, and the scholarship commission at the level of \$647 million. Mr. Allen reported that the following document entitled "Illinois Board of Higher Education Meeting" contained an analysis of the Board of Higher Education operating budget actions for Fiscal Year 1974.

There were two major reports made at that meeting. One report was by Senator Newhouse, who had chaired a task force on equal opportunity in the universities. The Board Staff has been requested to summarize this report for the members of the Board of Trustees. The other report was on the employment of women and the status of women in the universities, which Mr. Allen recommended for careful study.

There was a great deal of argument about whether or not the Board of Higher Education had the statutory requirement of calling for full funding of the retirement fund. A motion calling for full funding was defeated because of the implication that such funding was to be the first priority for any funds appropriated in excess of the Governor's budget, although it was the sense of the Board of Higher Education that they favored full funding for the retirement fund.

A motion was made in that meeting to ask the Chairman of the Board of Higher Education to seek a meeting with the Governor to discuss funding. That meeting has been called for 1:00 this afternoon in the Governor's Chicago office to include all members of the BHE, which includes the ten lay members and the five representatives of governing boards, and the system heads. At 10:00 this morning, Dr. James Brown and Mr. Allen will leave this meeting to attend the Governor's meeting, to discuss whether the Governor will change his position from his budget message. The Governor has indicated a couple of times he is at least sympathetic; yesterday he announced salary increases for all State employees, and since university employees are also State employees the Governor is expected to provide at least those monies. Our representatives will also point out some of the other funds needed by this System for the next fiscal year.

ILLINOIS BOARD OF HIGHER EDUCATION MEETING

Recommendation.

ANALYSIS

May 1, 1973, meeting of Illinois Board of Higher Education

Actions on FY 1973-74 Operating Budgets:

Chairman Donald M. Prince of the BHE recommended and requested the Board: "(1) To reaffirm the Board's original operating (Feb. 6) and capital budget recommendations and (2) To respond to the Governor's request for advice on how the Board would allocate the figure contained within his budget message." The Board acted unanimously in support of the Chairman's proposal. See page II, following.

Overall for the four senior university systems the FY 1973-74 operating budget recommendation approved February 6, 1973, and reaffirmed May 1, totalled \$449.1 million, an increase of \$30.3 million over the FY 1972-73 appropriation of \$418.8 million. However, the FY 1973-74 operating budget allocation at the Governor's figure proposed and approved May 1 in the amount of \$428.1 million, was \$21 million less than the original February 6 recommendation and exceeded the FY 1972-73 appropriation by only \$9.3 million.

Most notably, the allocation approved May 1 emphasized continued support for health-related programs and dropped the February recommendation of additional funds for salary increases, price increases, and opening new facilities. At the same time, the February mandate for "reallocations" (of 1972-73 appropriations) for 1973-74 programs was skirted by indicating that "reallocation" amounts could be used for salary increases, etc., thus requiring the institutions to achieve further internal "reallocations" if they were to free funds for salary and price increases, in lieu of receiving new monies for those needs.

Page IV, compares for the Southern Illinois University System the FY 1973-74 operating budget recommendations approved February 6, 1973, and reaffirmed at the May 1 meeting, with the May 1 allocation at the Governor's figure for FY 1973-74. The System total was reduced \$2,734,030 by the May 1 allocation, of which \$1,490,065 was suffered by S.I.U.C., \$1,203,555 by S.I.U.E., and \$40,410 by the System Offices. Details are provided in the table.

The erosion of resources in the Southern Illinois University System since 1970-71 is shown graphically on page V.

The Chair announced he would like to take the next item out of order so that Mr. Allen, who has special interest in this field, can comment before he has to leave this meeting.

The Chair then recognized President Derge, who requested Dr. Willis Malone, Executive Vice-President and Provost, SIUC, to present the following matter. Dr. Malone asked Dr. John H. Baker, Assistant Provost, SIUC, to make the presentation. He also introduced Dr. Robert E. Davis, Chairman, Department of Cinema and Photography, and Dr. Charles W. Shipley, Chairman, Broadcasting Service, SIUC, to assist Dr. Baker.

APPROVAL OF DEGREE PROGRAM: MASTER OF ARTS IN PUBLIC COMMUNICATIONS ARTS, SIUC

The Master of Arts in Public Communications Arts is based upon a strongly interdisciplinary program in telecommunications, motion pictures, and still photography. Sponsored jointly by the Departments of Cinema and Photography and Radio-Television and intended to provide substantial advanced training in the theory, history, and practice of public communications, emphasis in the program is upon the social influences and applications of the electronic and photographic media. The primary objective of the program is to develop the student as a public communicator aware of his responsibility to his community and to prepare him to utilize the media in helping to shape social consciousness.

Radio, television, cinema and photography as separate and combined areas of concentration are being selected as majors by large numbers of undergraduate students. At the most elemental level, the Departments of Radio-TV and Cinema and Photography have an obligation to offer these students the most complete education possible in their chosen area. In order fully to accomplish this end, and hence meet the evident needs of many of the citizens of Illinois who come to Southern Illinois University to concentrate in this area of communications, a graduate program on the Masters level appears required without qualification. Departmental surveys indicate that many of our best graduates would remain at the University were a graduate program offered. A graduate program further has the advantage of dimensionalizing and broadening the educational, instructional, and operative levels of both scholarship and creative ability within the field. Also, a graduate program in Public Communications would attract graduates from other institutions who would bring in their particular expertise in the area and hence enrich the curriculum.

Due to what has been referred to as the "media explosion" in our country during the past two decades, citizens are increasingly involved on many levels with the industry and the art of radio, television, cinema and photography. In terms of business alone, the recent move of General Electric, as one example, into the motion picture production business testifies to the increasing possibilities

for work in cinema and its related fields. Motion pictures will soon be able to be purchased as one buys music records or tapes today, to be inserted in a home cassette and viewed on a large wall receiver. The Columbia Broadcasting System has recently formed a contingent company to provide films and to seek personnel for local, non-centralized programming at television stations throughout the country. Along with these moves, business and industrial organizations of all sizes are seeking photographers for informational publications they produce as well as cinematographers for producing film histories of their companies and films of an instructional or informational type. "Cinema" no longer means just the entertainment industry; and "photography" no longer means simply journalistic or "art" still pictures. In our society, on all levels, the directness of visual presentation is fast replacing the written word alone for economic, social, political, educational and entertainment purposes. In broadcasting, the increased need to emphasize the "quality of life" aspect of modern communication contributes to a vital necessity to train people for public communications, as opposed to commercial broadcasting whose purpose is the sale of goods and services through entertainment. Only in the burgeoning medium of public communication will it be possible to attain the high degree of social involvement and awareness that the public has a right to expect from public media. Radio, television, cinema and photography have direct formative relevance to the industry and culture of the modern civilized world.

The relationships of the disciplines of radio, television, cinema and photography to human and environmental needs are striking and immediate. Such contemporary writers and thinkers as Rudolf Arnheim, Lewis Mumford, Marshall McLuhan, Tom Wolfe, Suzanne Langer and others are concerned with the changing patterns of man's environment, particularly as this pattern evidences, on a general level, the move away from the orientation and formation by Nature and a move toward the influences of technological media. Radio, television, cinema and photography, as both art and recording devices synthetic with the technological environment, are disciplines which can participate both with the past and future to remind man of his heritage and to help him project its directions.

Man receives his informational, educational, and entertainment needs in an increasingly visual manner, either directly, through publications, or by means of what Marshall McLuhan has called the "electronic media." The fact is that man, through the media alone, is in constant intellectual and emotional relationships with the whole world; his environment is no longer described by his city or town. Communications, and their important reliance on cinema, photography, and telecommunications have given man the means for education and edification not available to him even fifteen years ago.

In view of the considerations offered above, the proposed program would relate to the improvement of the quality of life in at least the following direct ways: (1) It would offer graduates and students information and expertise for them better to form and control their relationships to the modern environment; (2) it would instill an appreciation and understanding of values specifically in relation to industry, business and culture; (3) it would graduate students who would, in meeting the standards for graduation, have the sophistication required for objective, knowledgeable involvement both in the specific needs of their careers, whether in professional media or education, and their obligations as informed citizens.

Graduate programs vary considerably, and because of the recent (albeit extraordinarily heavy) move of institutions offering degrees to meet the needs of a very large and snowballing number of students interested in the area, there are few "traditions" in curriculum. Our proposed program could well be considered "traditional" and "innovative" together, offering as it would the necessary courses in production, history, and theory while at the same time it would provide an interdisciplinary approach to media. The graduate, as a result, should be unusually well-equipped to meet both professional and educational demands in his career.

This proposal has been reviewed extensively by the participating departments, the College of Communications and Fine Arts, the Graduate Council, and the Office of the Executive Vice-President and Provost. It is recommended for adoption at this time.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the degree program Master of Arts in Public Communications Arts be and is hereby approved for offering by the Graduate School of Southern Illinois University at Carbondale, subject to approval by the Board of Higher Education.

Summary Statement
of
A Proposal For a Masters of Arts Degree Program
in
Public Communications Arts
April, 1973

I. Program Description:

The degree sponsored jointly by the Departments of Cinema and Photography and Radio-Television is based upon a strongly interdisciplinary program in telecommunications, motion pictures, and still photography.

The primary objective of the program is to develop the student as a public communicator aware of his responsibility to his community.

Acceptance in the program, and subsequent continuation in it, are at the discretion of the Graduate School and the Program in Public Communications Arts. (See pages 1 through 3 of the proposal for specific requirements.)

The program will initially be governed by an executive committee chaired by the Dean of the College of Communications and Fine Arts, and administered by representatives of the Departmental Chairmen.

I. Justification for Establishment of Program:

Currently, the Radio-Television Department and the Department of Cinema and Photography enroll more than 700 undergraduate majors; registration in these departments continues to climb. Many fine potential graduate students are leaving for other states. With the proposed combination of creative, scholarly and public-oriented training, the student should be able to intelligently and compassionately maximize the use of visual media to understand, explore, and meet the needs of the community.

The need throughout the nation for additional educators on all levels as well as professionalism in the field of visual communication is acute. The growth of public television and cable communications are only two examples of the development of the communication and information explosion. The technology of these new media has arrived and continues to grow. Now the challenge is to develop well-rounded people to staff the new systems.

The letters of inquiry we have received from college students from many states and countries requesting information about graduate work in visual communications constitute a clear indication of the student need for this type of program. (See Appendix C for examples). The response to our mail survey of national organization representing the industry (see Appendix K), makes quite clear their concern about the quality of the people needed.

Graduate Programs in Communications Media, published in May, 1970, (see Appendix F) indicates that the proposed program would not be redundant. Rather, the program will fill a severe recognized educational void.

The proposed program is consistent with and supportive of the mission and role of Southern Illinois University at Carbondale in several ways:

- 1) In the Board of Higher Education's Master Plan, Phase III, Southern Illinois University is designated as a University Center for expanded and new graduate programs (p. 29). Such programs, the Master Plan states, should be considered in "those areas where a well defined need and strong undergraduate program exist to justify the action" (p. 105). The Master Plan, furthermore, supports programs which are interdisciplinary in nature and which add strength to the humanities (pp. 105, 36). The program which has been proposed here is consistent with these criteria for it is needed, it is based on strong undergraduate degree programs in both sponsoring departments, it is strongly interdisciplinary in nature, and it adds considerable strength to the humanities offerings of the College of Communications and Fine Arts.

- (2) The program continues the tradition of Southern Illinois University, Carbondale, as noted in its Ten Year Plan (p. 11) to offer substantial academic programs in subject matter areas where work is not offered by other public universities in Illinois. The proposed program has no counterpart either in the public or private universities of the state or in nearby universities in adjoining states.
- (3) The proposed program, with its strong emphasis on the social implications and applications of mass communication, supports the intention of SIU, Carbondale, to encourage those programs which offer greater social relevance (p. 7 Ten Year Plan; pp. 3-6 this proposal).
- (4) The program outlined in this document also reinforces the efforts of the University in public service. Graduates of the program will obviously contribute new strength and alternative perspectives to contemporary communications. More immediately, the Southern Illinois region will benefit directly from the ongoing program of communications research and from the work of these advanced students as carried by the University's broadcasting stations (p. 11 Ten Year Plan).
- (5) The planned graduate program further contributes to the role of the University in applied research and problem solving (p. 31 Ten Year Plan). A basic concern of the program is with finding new ways in which the electronic and photographic media may be employed in socially useful ways.
- (6) The program is consistent with the University's Ten Year Plan in that the plan recognizes that there will be "graduate degree programs in areas such as cinema and photography (and) radio and television" (p. 51).

I. University Resources in Support of the Program:

The Departments include fifteen highly-specialized staff members with graduate faculty status. Eight graduate teaching assistantships will free sufficient graduate faculty time (approximately 1/3 of total work load per graduate faculty member) to staff the program.

The library holds both in number and quality the necessary source material for original research in the field of cinema. In Photography and Television, the holdings permit perhaps a good sociological or historical approach. Broadcast texts which are pertinent and recent are apparently lacking to a considerable degree as are books in the history of photography.

The Departments have underway a systematic selection on behalf of the library of that literature which should be available for the serious graduate student.

The Departments have exemplary facilities which can provide suitable opportunity for necessary research in the envisioned graduate program. Graduate research will not place significantly increased burdens on production facilities.

SIU-C has an information Processing Center which supports the academic needs of the University. The center is presently equipped with an IBM system 370, model 155, IBM 1130, and an IBM 1401, plus a variety of sorting and tabulating equipment all of which are available to both faculty and students at no personal cost.

The intense undergraduate programs in television, cinema and photography provide healthy support for this proposed graduate program.

IV. Future Funding Need:

A. Estimated Size of Program

	<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>
1) Number of majors	20	26	32	36	40
2) Number of annual degrees	10	15	18	20	25
3) Number of total FTE academic staff required	4*	4*	5**	5**	6**
4) Number of total FTE support staff required	2.5***	2.5***	4.5***	4.5***	5.5***

*These figures represent a reallocation of graduate faculty now involved in the undergraduate program. The undergraduate responsibilities of these faculty members will be fulfilled and carried out by the teaching assistants brought in by the graduate program.

**One additional faculty member will be required for the third year and one additional faculty for the fifth year.

***These figures represent necessary support staff for the developing program such as secretarial support, television engineering support and photographic laboratory personnel. 1.5 of these figures will be reallocated from existing support staff.

B. Estimated Costs of Operation

The figures below represent cumulative personnel costs. The other figures are not

cumulative.	<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>
1) Faculty	0	0	17,000	17,000	34,000
2) Equipment (628,000)*	2,000	10,000	11,000	10,000	7,000
3) Library	5,000	1,000	1,000	1,000	1,000
4) Other (teaching assistants)	28,800	28,800	36,000	36,000	43,200
5) Other (support staff)	<u>16,000</u>	<u>16,000</u>	<u>26,000</u>	<u>26,000</u>	<u>42,000</u>
6) Totals	51,800	55,800	91,000	90,000	127,000

*Cost of second TV studio and equipment per Broadcasting Service capital budget request dated March 30, 1972. Because the facility is designed for WSIU-TV production, and is in that budget request, the amount is not included in our total.

C. Both Federal and private foundation grants will be sought.

Mr. Allen commented that this Board had approved a Master's Degree in Mass Communications, SIUE, of some similar nature in April. He was disturbed by the fact that there was a statement last month stating that the program at Edwardsville and the program at Carbondale were so very different that there was no possibility of working in any kind of interinstitutional approach, and that now he did not perceive all the differences suggested. He recalled that Master Plan - Phase III called for common market use of resources and common market planning, but he did not see any attempt here at interinstitutional planning; therefore, he moved that this item be tabled and the SIUE program not be submitted to the Board of Higher Education until a report is made why there is no mutuality of interest or thrust of the programs, and why interinstitutional planning could not be accomplished. President Rendleman commented that the SIUE program had already been forwarded to the BHE.

In reply to President Derge's query of what outcome Mr. Allen desired and what instructions would he give to the campuses, Mr. Allen replied that he would like to have the campus groups that proposed each of the programs to meet to evaluate the potential for making the best features of each program available to students at either campus, which seemed particularly appropriate in programs concerning mass communications. After discussion regarding transferability of credits, Master Plan - Phase III, the tradition of personal supervision by a single faculty supervisor throughout a program, television links between the programs, semester system vs. quarter system, Mr. Rowe seconded Mr. Allen's motion. Dr. Walker requested a roll call vote, which was held as follows:

William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Nay
Harris Rowe	Aye
Earl E. Walker	Nay

The Chair announced that as the motion had carried the matter was tabled, and requested that Mr. Allen write the Presidents a memo concerning the matters he would like to be reviewed for presentation next month.

At this point, the Chair excused Mr. Allen and Dr. James Brown from the meeting, and stated that the regular order of the agenda would now be followed.

The Chair recognized Dr. Fouts, who reported on the annual meeting of the Association of Governing Boards of Universities and Colleges which was held in San Francisco, California on April 29, 30, and May 1. Trustees Fischer and Rouse and Chief of Board Staff Brown also attended. Dr. Fouts commented that the program had two principal themes: One on governance of higher education, and the second on alternative emphases on programming.

Chairman Elliott reported that he and Dr. Walker had attended two meetings of the Ad Hoc Committee of the Southern Illinois University Foundation, May 2 in Carbondale and May 9 in Edwardsville. Also on May 9, Mr. Elliott attended a meeting of the Nominating Committee of the SIU Foundation. He did not feel reports on these meetings were appropriate at this time.

Under Committee Reports, Chairman Elliott submitted the following Minutes of Meeting of Executive Committee of the Board of Trustees - April 18, 1973, for information:

COMMITTEE REPORTSMinutes of Meeting of Executive Committee
of the Board of Trustees - April 18, 1973

The Executive Committee held a meeting on April 18, 1973, at the offices of Conger and Elliott, Attorneys, Farm Bureau Building, Carmi, Illinois, and these minutes are reported to the Board herewith as required by the Bylaws:

Chairman Elliott called the meeting to order at 6:50 p.m. Present were Chairman Ivan A. Elliott, Jr., and Dr. Earl E. Walker. Absent was Mr. Harris Rowe.

Also present were Dr. James M. Brown, Chief of Board Staff, and Mrs. Alice Griffin, Assistant Secretary of the Board of Trustees:

Chairman Elliott appointed Mrs. Griffin as Secretary for the meeting. After roll call, the Secretary reported a quorum present.

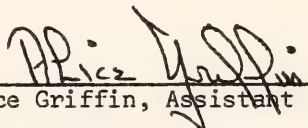

In accordance with Board of Trustees action taken on Friday, April 13, 1973, authorizing the Executive Committee to award contracts for the conversion of Wakeland Hall (Building 0113) and Kaplan Hall (Building 0114) to accommodate the new School of Law and because of the exigent need to have the facilities in operation for the beginning of the school year on September 4, this meeting was held pursuant to notice.

The attached Bidding Summary Sheets and Bid Tabulations were distributed. After a brief discussion which pointed out that the bids were under the Architect's estimates, Dr. Walker moved that the bids be accepted and the contracts awarded. The motion was duly seconded and carried by the following recorded vote:

Ivan A. Elliott, Jr.
Earl E. Walker

Aye
Aye

The meeting adjourned at 7:00 p.m.

Alice Griffin, Assistant Secretary

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE MATTERS

The Chair recognized President Rendleman, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty and administrative staff payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Conditional Appointment

Miss Fay T. Uyeda as Counselor Trainee in the Supplemental Instructional Program for the period February 6 to July 1, 1973. Ed.B., University of Hawaii. She is a candidate for the master's degree at Southern Illinois University. At such time as the master's degree requirements have been completed, she is to serve at an increased monthly salary effective the first of the month following receipt of official notification in the Office of the Vice President and Provost of completion of the degree requirements.

\$ 650.00,
\$ 750.00

B. Term Appointments

1. Mrs. Carol Ann Axtell as thirty-three percent time Lecturer of Biological Sciences in the Science and Technology Division for the Spring Quarter, 1973. M.A., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 396.00

2. Miss Rosemary Barnett as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. M.S. in Ed., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 212.50

3. Mr. Herbert Blumer as Visiting Professor of Sociology in the Social Sciences Division and in the Delinquency Study and Youth Development Center for the period June 16 to August 1, 1973. Ph.D., University of Chicago. Salary to be paid from restricted funds.

\$3,250.00

4. Mr. Gary K. Burger as one-fourth time Lecturer of Psychology and Psychological Services in the Education Division for the Spring Quarter, 1973. Ph.D., Loyola University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 420.00

5. Mrs. Nancy Krchniak as one-half time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. M.A., Columbia University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 500.00

6. Mr. Kenneth B. Mehl as one-fourth time Assistant in Music in the Fine Arts Division for the Spring Quarter, 1973. B.S. in Ed., Eastern Illinois University. \$ 250.00

7. Mr. Roy L. Olive as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. M.S., University of Illinois. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 250.00

8. Miss Carol A. Pfeifle as Staff Assistant in the Office of the Vice President and Provost for the period December 19, 1972, to July 1, 1973. B.A., Marymount Manhattan College. Salary to be paid from restricted funds. \$ 700.00

9. Mrs. Rebecca J. Poe as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in does not count toward permanent tenure. \$ 212.50

10. Mr. Richard C. Teichmann as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. M.S., University of Illinois. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 250.00

11. Miss Virginia A. Topping as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. A.M., Colorado State College. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$ 225.00

12. Mr. Galen B. Warren as Adjunct Assistant Professor in the School of Dental Medicine, serving without salary, for the period June 1, 1973, to July 1, 1974. D.M.D., University of Pittsburgh.

13. Mrs. Wilma D. Weise as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter,

1973. M.S., Southern Illinois University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 212.50

C. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mrs. Margaret Emblom as thirty-three percent time Lecturer of English Language and Literature in the Humanities Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

2. Mrs. Phyllis M. Gibson as Staff Assistant in the Business Division for the period April 1 to July 1, 1973. Salary to be paid from restricted funds.

3. Mr. Wilbur C. McAfee as Lecturer of Historical Studies in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1973-74.

4. Mrs. Martha R. O'Malley as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

5. Mr. Karl G. Rahdert as one-fourth time Professor of Business Administration in the Business Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

6. Mr. Rudolph F. Wierer as sixty percent time Lecturer in Lovejoy Library for the period April 1 to July 1, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

D. Changes in Assignment, Salary and Terms of Appointment (Previously Approved Base Salary Not Repeated)

1. Mr. Daniel N. Cote, Assistant Professor of Engineering in the Science and Technology Division, to serve on an academic year basis, rather than fiscal year basis, effective July 1, 1973.

2. Mr. James D. Culley, Lecturer of Marketing in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the period April 1 through the Spring Quarter, 1973.

3. Mr. Henry D. Drew, Associate Professor of Chemistry in the Science and Technology Division, to serve also as Staff Assistant in the Supplemental Instructional Program on a fiscal year basis, rather than academic year basis, effective July 1, 1973.

4. Mr. Mohamed El-Hennawi to serve as Assistant Professor of Finance in the Business Division, rather than Lecturer, due to completion of the doctor's degree, for the Winter and Spring Quarters, 1973.

5. Mrs. Margrit Flynn, Assistant Professor in the School of Dental Medicine, to serve effective August 1, 1973, rather than September 1, 1973, as previously reported.

6. Mr. Donald Fogarty, Chairman and Professor of Management Science in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the period July 1 to October 1, 1973.

7. Mr. Harold H. Haines to serve as Assistant Professor of Speech and Theater in the Fine Arts Division, rather than Lecturer, effective March 16, 1973.

8. Mr. Earl E. Lazerson, Associate Professor of Mathematical Studies in the Science and Technology Division on an academic year basis, to serve also as Dean of the Science and Technology Division on a fiscal year basis, rather than Chairman of Mathematical Studies, with monthly salary increase to reflect additional administrative responsibilities, effective July 1, 1973.

\$2,400.00
rather than
\$2,090.00

9. Mr. Laurence R. McAneny to serve as Professor of Physics in the Science and Technology Division, rather than Dean of the Science and Technology Division and Professor of Physics, with monthly salary reduction to reflect return to academic responsibilities, effective July 1, 1973, and to serve on an academic year basis, rather than fiscal year basis, effective September 16, 1973.

\$2,350.00*
rather than
\$2,450.00

10. Mr. John A. Regnell, Associate Professor of Mass Communications in the Fine Arts Division, to serve also as Director of Broadcasting Services and Chairman of Mass Communications in the Fine Arts Division on a fiscal year basis, with monthly salary increase to reflect additional administrative responsibilities, effective May 1, 1973.

\$1,700.00
rather than
\$1,625.00

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

11. Mr. John R. Rider to serve as Professor of Mass Communications in the Fine Arts Division on a fiscal year basis, rather than Director of Broadcasting Services and Chairman of Mass Communications in the Fine Arts Division, with monthly salary reduction to reflect return to academic responsibilities, effective May 1, 1973. \$2,151.00
rather than
\$2,226.00

12. Mr. Gerald J. T. Runkle to serve as Professor of Philosophical Studies in the Humanities Division on an academic year basis, rather than Dean of the Humanities Division and Professor of Philosophical Studies on a fiscal year basis, with monthly salary reduction to reflect return to academic responsibilities, effective September 16, 1973. \$2,400.00*
rather than
\$2,500.00

13. Mr. Herbert A. Smith, Staff Assistant in Ethnic and Special Studies, to serve also as Instructor in the Fine Arts Division, rather than Instructor of Music in the Fine Arts Division, for the Fall, Winter and Spring Quarters, 1973-74, as previously reported.

14. Mr. Paul R. Tarpey to serve as Assistant Professor of Management Science in the Business Division, rather than Assistant Director of the Data Processing and Computing Center and Assistant Professor of Management Science, effective June 16, 1973, and to serve on an academic year basis, rather than fiscal year basis, effective September 16, 1973.

15. Mrs. Marion A. Taylor to serve as Professor Emerita, rather than Professor, of English Language and Literature in the Humanities Division, effective June 16, 1973.

16. Mr. Ronald G. Trimmer, seventy percent time Assistant Program Director in the Upward Bound Program, to serve also as one-fourth time Lecturer of Elementary Education in the Education Division, with salary change accordingly, for the Spring Quarter, 1973. Part of salary to be paid from restricted funds. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$1,140.00
rather than
\$ 840.00

17. Mr. Roland L. Wiggins, Assistant Vice President for Student Affairs (for Environmental Health Care, Education and Safety), currently on leave, to serve also as Adjunct Clinical Professor in the School of Dental Medicine for the period June 1 to September 1, 1973.

E. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is recommended for the faculty members listed below:

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

1. For the Fiscal Year, July 1, 1973, to July 1, 1974, at half pay:

Mrs. Bobbi Anne Knewitz, Instructor of Elementary Education in the Education Division, received the Master of Science degree from Southern Illinois University. She plans development of a taxonomy of teaching competencies.

2. For the Summer and Fall Quarters, 1973, at full pay:

Mr. Robert S. Gilland, Instructor in the Delinquency Study and Youth Development Center, received the Master of Science degree from Southern Illinois University. He plans research, study and scholarly writing.

3. For the Summer Quarter, 1973, and the Winter Quarter, 1974, at half pay:

Mr. Ernest L. Schusky, Professor of Anthropology in the Social Sciences Division, received the Doctor of Philosophy degree from the University of Chicago. He plans completion of a manuscript.

4. For the Fall and Winter Quarters, 1973-74, at full pay:

Mrs. Ruth W. Richardson, Professor of Elementary Education in the Education Division, received the Doctor of Education degree from Penn State University. She plans completion of an instrument designed to measure verbal facility of beginning elementary school children.

5. For the Winter and Spring Quarters, 1974, at full pay:

- a. Mr. Ralph L. Bain, Associate Professor of Chemistry in the Science and Technology Division, received the Doctor of Philosophy degree from Oregon State University. He plans study and research at the University College London.

- b. Miss Ann Carey, Associate Professor of Speech and Theater in the Fine Arts Division, received the Doctor of Philosophy degree from Southern Illinois University. She plans post-doctoral study, research and scholarly writing.

- c. Mrs. Barbara Quinn Schmidt, Instructor of English Language and Literature in the Humanities Division, received the Master of Arts degree from Creighton University. She plans completion of the doctor's degree.

- d. Mrs. Kathryn K. Skinner, Associate Professor of Psychology and Psychological Services in the Education Division,

received the Doctor of Philosophy degree from the University of Texas. She plans research and study resulting in the development and refinement of course material for use in psychology classes.

e. Mr. Lawrence E. Taliana, Professor of Psychology and Psychological Services in the Education Division, received the Doctor of Philosophy degree from Purdue University. He plans post-doctoral study of contemporary diagnostic, therapeutic and administrative techniques utilized in representative neuro-psychiatric facilities in the greater metropolitan area of St. Louis.

F. Change in Sabbatical Leave

Mrs. Lucille McClelland, Professor in the Nursing Division, requests a change in sabbatical leave granted for the Summer Quarter, 1973, at full pay, to the Winter Quarter, 1974, at full pay.

G. Resignations

1. Mr. Paul L. Adkins, Instructor of Art and Design in the Fine Arts Division, effective the end of Spring Quarter, 1973, to carry out full-time creative activities in art, music and photography.

2. Mr. Daryl Chubin, Instructor of Sociology in the Social Sciences Division, effective September 15, 1973, to accept a position with Cornell University.

3. Mr. S. Sajjad Haider, Assistant Professor of Special Education in the Education Division, effective the end of Spring Quarter, 1973, to accept employment with the public school system of Minneapolis, Minnesota.

4. Mr. George Heaslip, Jr., Instructor of Sociology in the Social Sciences Division, effective September 16, 1973, for personal reasons.

5. Mr. Anton G. Jachim, Assistant Professor of Government and Public Affairs in the Social Sciences Division, effective September 16, 1973, to accept a position with the State University of New York.

6. Mrs. Betty Jo Kuenzli, Instructor of Elementary Education in the Education Division, effective the end of Spring Quarter, 1973, to accept employment elsewhere.

7. Mrs. Karen J. Woods, Staff Assistant in the Education Division, effective April 1, 1973, for personal reasons.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty and administrative staff payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Continuing Appointment

Mr. Stanley Phillip Hazen (b. Alexandria, Minnesota, 8/29/24) as Dean of the School of Dental Medicine and Professor in the School of Dental Medicine effective September 1, 1973, on a fiscal year basis. D.D.S., University of Minnesota. \$3,500.00

B. Change in Assignment, Salary and Terms of Appointment

Mr. Dale S. Bailey to serve as Dean of the Humanities Division and Professor of English Language and Literature in the Humanities Division, rather than Associate Professor of English Language and Literature, on a fiscal year basis, rather than academic year basis, with monthly salary increase to reflect change in rank and additional administrative responsibilities, effective September 16, 1973. \$2,150.00 rather than \$1,665.00

Dr. Walker moved approval of Changes in Faculty-Administrative Payroll - Edwardsville. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, MARCH, 1973, SIUE

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of March, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

The Chair asked for comments or questions on the matter; the report was received.

The Chair then recognized President Rendleman, who presented the following matter:

PROJECT AUTHORIZATION: UNIVERSITY CENTER RENOVATIONS, SIUE

The University Center Board, in conjunction with an ad hoc University Center/Student Activities Renovation Committee recently completed a survey on utilization of the University Center at SIUE. The survey was particularly designed to identify ways in which existing facilities could be improved by relatively minor renovation. Following the survey, these groups jointly proposed the renovation project outlined below. A copy of schematic drawings depicting details of the project has been filed with the Office of the Board of Trustees, and a summary of these details will be presented to the Board at the May meeting.

The project contemplates funding from the Student Welfare and Recreational Building Trust Fund, and it has the approval both of the SIUE Student Senate and University officers responsible for programming and fiscal facets of the University Center.

The renovation project will consist of three elements, as described below:

Sub-Project A - Governor's Lounge Renovation: The Governor's Lounge presently consists of a large, open lounge adjacent to the individually separated and secluded Redbud and Dogwood Rooms. The survey reveals that the present arrangement fails to serve the general student and faculty population of the campus in a satisfactory manner. A ten-foot arched doorway will be cut between the inner Redbud and Dogwood Rooms, serving to brighten and open these areas for more general and flexible usage. Included in the opened area will be badly needed study carrels and chairs, an art gallery with adequate security provisions to permit contracted exhibits, and areas designed to be conducive to small group meetings, receptions, and limited audience programs.

Sub-Project B - River Rooms Renovation: These rooms, designed for meetings and small receptions, are badly in need of wall repairs. The original burlap wall coverings are now nearly eight years old and require immediate attention. It is proposed to cover the original burlap walls with attractive and more durable hardboard paneling, and to replace existing chalkboard doors in these rooms with new chalkboard doors and eraser rail systems.

Sub-Project C - Partition Installation at Basement Level: At present, the basement level of the University Center is a single, undivided area with various functions. A cafeteria and food-serving area is in the center of the basement level, with smaller meeting and dining rooms on the far east end and a snack and recreation area on the far west end. Although the large cafeteria closes each evening and on weekends, the snack and recreation area remains in use nightly

and throughout weekends. In order to secure the cafeteria and food service kitchen at times when it is closed but other operations are open, it is proposed to install a glass partition to separate the snack and recreation facilities from the cafeteria area, and to install security screens at the bottom of the two stairwells which lead to the cafeteria from the main floor of the University Center.

Work will be accomplished by University forces to the limits of Physical Plant job capacities. Work by outside contractors will be minimal.

The Board's SWRF resolution governs this project and requires prior Board approval. Since the project's total cost is less than \$50,000, however, IV Bylaws is not relevant, and it is proper for the Board to delegate all further actions necessary to accomplish the project to the President.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That renovations to the University Center, SIUE, as described above (and at today's meeting of the Board) be and are hereby approved, and a budget for the project (funded entirely from the Student Welfare and Recreational Building Trust Fund, SIUE) is authorized in an amount not exceeding \$32,000.

BE IT FURTHER RESOLVED, That the President of Southern Illinois University at Edwardsville be and is hereby authorized to approve all design specifications, plans, and details for the said project, receive bids and award all contracts in respect thereto, and take such other actions as may be necessary to complete the said project consistent with the budget and source of funds authorized herein and applicable Board regulations and State laws.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded. After discussion regarding the usages of Student Welfare and Recreational Building Trust Funds, the motion carried by the following recorded vote:

Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Rendleman, who presented the following matter:

APPROVAL OF PLANS AND SPECIFICATIONS: SCHOOL OF DENTAL MEDICINE
NIH "START-UP" IMPROVEMENTS, SIUE

The Board was advised at the February, 1973, meeting that the National Institute of Health (U.S. Department of HEW) has awarded the School of Dental Medicine a "start-up" assistance grant of \$240,000. This grant was made to permit making certain improvements at the dental school's interim facilities (Alton) which are necessary to accommodate a viable academic program for several years in the rehabilitated facilities. As the Board was advised, these Federal funds must be obligated by June 30, 1973.

In February, the Board approved the fixed improvement project proposed to be financed with the NIH "start-up" grant. This project basically consists of renovations to five buildings on the Alton campus which had not previously been allocated to the School of Dental Medicine. A summary of uses to be made of each of these five buildings was provided the Board in February, and a copy is attached hereto.

The Office of Plant Engineering will have plans, specifications, and details in respect to this project completed prior to the May Board meeting. A summary of these materials will be formally presented to the Board at the May meeting, and copies of these documents will be filed with the Office of the Board of Trustees and provided Board Staff for review as soon as they are completed and available.

The Board is requested to approve these plans, specifications, and details in order to facilitate solicitation and award of bids prior to June 30.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the plans, specifications, and details in respect to renovations of Buildings No. 8277, No. 8278, No. 8285, No. 8287, and No. 8288 be and are hereby approved as presented at today's meeting of the Board, and the President of Southern Illinois University at Edwardsville is authorized to receive and award bids and contracts in respect thereto in conformity with good business practice and the Illinois Purchasing Act, provided the budget of \$240,000 previously established by this Board is not exceeded without concurrence by two of the three members of the Executive Committee as to the source and amount of supplemental funds up to ten percent above the established project budget, or concurrence by the Board as to the source and amount of supplemental funds beyond ten percent above the established project budget.

USES PROPOSED FOR BUILDINGS RENOVATED FOR DENTAL SCHOOL

1. Building No. 8277

This building is to be used as a biomedical library with the usual and expected functions including stack space, reference area, reading rooms, staff offices, and receiving and cataloging areas.

2. Building No. 8278

This building is to be used as a classroom facility with two large lecture rooms and an audiovisual production facility including medical illustration, television and photographic studio, darkrooms, and offices for staff.

The educational program is designed for individualized instruction with considerable emphasis on the utilization of autotutorial materials and devices.

3. Building No. 8285

To be used as offices for faculty and supporting personnel.

4. Building No. 8287

This building is to be used for research in applied science and will contain the appropriate laboratories and related office space for faculty.

Adequate research facilities currently are not available.

5. Building No. 8288

This building is to be used as a medical services laboratory for urine and blood analysis and biopsy service, and also for attendant faculty offices.

Current appropriate space is unavailable for these functions which are essential for the dental education program.

After discussion, Dr. Walker moved approval of an amended resolution as suggested by Board Staff, which amendment has been incorporated above. The motion was duly seconded, and carried by the following recorded vote:

Harris Rowe	Aye
Earl E. Walker	Aye
Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Aye

The Chair then recognized President Rendleman, who presented the following matter:

AWARD OF BIDS: BASEBALL FIELD IMPROVEMENTS, SIUE

In March, the Board of Trustees approved plans, specifications, and details in respect to proposed fixed improvements to the intercollegiate baseball facility, SIUE. Pursuant to that approval, University officers have solicited bids for contracting work to be performed by private contractors rather than by University forces. Essentially, work to be done by outside contractors includes grandstand and fencing improvements. Bids will be received subsequent to the May Board agenda deadline, but in advance of the date set for the May Board meeting.

It is hoped that award of bids may be done through Executive Committee action before the May Board meeting. Should this prove not possible, however, the Board will be requested to award bids in accord with bid tabulations and recommendations of University officers forwarded Board members prior to the date of the May meeting.

BIDDING SUMMARY SHEET

TRACT 7000 - BASEBALL FACILITY

Southern Illinois University
at Edwardsville, Illinois

Bids Taken at 2:00 P.M., April 26, 1973

Southern Illinois Fence Co.	\$12,498.00
320 Main	
Mt. Vernon, Illinois 62864	

Time to Complete: 45 days

Total Cost of Work \$12,498.00

Architect's Estimate \$11,500.00

Tract 7000 - Baseball Facility - Fencing Improvements
Southern Illinois University at Edwardsville, Illinois

Proposals Opened: April 26, 1973 at 2:00 P.M. CST

[illegible]

The Chair pointed out that the matter was not available for submission ten days in advance, and under the Bylaws this matter can be considered only by unanimous consent. Dr. Walker moved that this matter be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

Mr. Powe commented that there had been a suggestion that these bids might be referred to the Executive Committee, which procedure he preferred not be used with any great degree of regularity.

Dr. Walker moved approval of awarding the fencing improvements to the Southern Illinois Fence Company, Mt. Vernon, Illinois, in the amount of \$12,498. The motion was duly seconded, and carried by the following recorded vote:

Earl E. Walker	Aye
Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye

The Chair then recognized President Rendleman, who presented the following matter:

AWARD OF BIDS: WAGNER BUILDING RENOVATIONS, SIUE

At the April meeting of the Board of Trustees, the Board approved plans, specifications, and details in respect to renovations proposed at the Wagner Building, SIUE. Pursuant to that approval, University officers have solicited bids for contracting work to be performed by outside work forces in accomplishing the approved project. Such work by outside contractors will include plumbing, concrete and cabinet work, HVAC, and other specialized tasks for which Physical Plant lacks capacity. Bids will be received subsequent to the May Board agenda deadline, but in advance of the date set for the May Board meeting.

It is hoped that award of bids may be made through Executive Committee action before the May Board meeting. Should this prove not possible, however, the Board will be requested to award bids in accord with bid tabulations and recommendations of University officers forwarded Board members prior to the date of the May meeting.

Earl E. Walker	Aye

The Chair then recognized President Rendleman, who requested the Board adjourn to a day certain, for the sale of bonds for the student housing project at the Edwardsville campus. After discussion, the Chair indicated intent to announce the proposed meeting at an appropriate place in the agenda.

President Rendleman announced that the chairman of the Spring Festival, SIUE, had asked him to invite the members of the Board to attend the dinner-theater on May 24, and the reception on May 26.

CONSIDERATION OF SYSTEM MATTERS AND JOINT UNIVERSITY MATTERS

Chairman Elliott recognized Dr. Flentje, who reported there were no matters to be considered at this time.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE MATTERS

The Chair then recognized President Derge, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office.

A. Report of Deaths

1. With regret, we report the death of Mr. Marshall G. Clark, Lecturer (Emeritus) of the School of Agriculture. He was born February 4, 1895, and died April 8, 1973. He received the Bachelor of Science and Master of Science degrees from the University of Illinois. He taught in the high schools of St. Joseph and Dundee, Illinois, and served as Instructor at the University of Missouri, and was self-employed as a farm consultant prior to accepting appointment at Southern Illinois University in 1947. He was dedicated to helping students, and his former students remember him with deep appreciation. (C)

2. With regret, we report the death of Mrs. Georgia Gantt Winn, Professor (Emerita) of English. She was born October 12, 1905, and died March 24, 1973. She received the Bachelor of Arts degree from East Texas State College, the Master of Arts degree from George Peabody College for Teachers, and the Doctor of Philosophy degree from the University of Pittsburgh. She taught at Slippery Rock State College, Slippery Rock, Pennsylvania, and Sul Ross State College, Alpine, Texas, prior to accepting appointment at Southern Illinois University in 1947. She demonstrated the finest qualities of exceptional individuals in the teaching profession. She was a great teacher, a cordial and esteemed colleague, and a loyal member of the University she served. (C)

B. Continuing Appointments

1. Dr. V. A. Beadle, Jr., as Clinical Associate in the School of Medicine, serving without salary, effective April 1, 1973. He received the Doctor of Dental Surgery degree from Washington University. He was born November 28, 1939, in St. Louis, Missouri. (C)

2. Miss Charlotte C. Campbell as Professor in the School of Medicine effective June 27, 1973, on a fiscal year basis. She received the Bachelor of Science degree from George Washington University. She was born December 4, 1914, in Winchester, Virginia. \$2,333.33 (C)

3. Mr. William H. Cline as Professor in the School of Medicine effective June 27, 1973, on a fiscal year basis. He received the Doctor of Philosophy degree from West Virginia University. He was born December 28, 1940, in Elkins, West Virginia. \$2,050.00 (C)

4. Mr. James W. Curtiss as Adjunct Assistant Professor in the School of Medicine, serving without salary, effective July 1, 1973. He received the Doctor of Philosophy degree from the University of Denver. He was born January 19, 1926, in Bloomingdale, Michigan. (C)

5. Mr. J. Kevin Dorsey as Assistant Professor in the School of Medicine and the Department of Chemistry and Biochemistry effective September 25, 1973, on an academic year basis. He received the Doctor of Philosophy degree from the University of Wisconsin. He was born February 7, 1943, in New York, New York. \$1,350.00 (C)

6. Mr. John H. Huck as Coordinator (Systems and Procedures Services) in Information Processing, effective April 1, 1973, on a fiscal year basis. He received the Master of Arts degree from Southern Illinois University. He was born September 18, 1943, in Chicago, Illinois. \$1,360.00 (C)

7. Miss Barbara A. Kay as Adjunct Professor in the School of Medicine, serving without salary effective July 1, 1973, on a fiscal year basis. She received the Doctor of Philosophy degree from Ohio State University. She was born March 2, 1929, in Suffern, New York. (C)

8. Dr. M. Zafer Kayyali as Clinical Associate in the School of Medicine, serving without salary, effective May 1, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from American University, Beirut, Lebanon. He was born July 29, 1951, in Jaffa, Palestine. (C)

9. Miss Patricia Laurencelle as Adjunct Professor in the School of Medicine, serving without salary effective July 1, 1973, on a fiscal year basis. She received the Doctor of Philosophy degree from Boston University. She was born June 3, 1923, in New York, New York. (C)

10. Mr. Maurice Levy as Professor in the School of Medicine and Director of the Medical Educational Resources and Development Program effective June 27, 1973, on a fiscal year basis. He received the Doctor of Education degree from the University of Georgia. He was born August 15, 1933, in Chicago, Illinois. \$2,275.00 (C)

11. Sister Helen Ann Reisch as Instructor in the School of Medicine effective July 1, 1972, on a fiscal year basis. She received the Master of Arts degree from the University of Minnesota. She was born January 25, 1935, in Columbus, Nebraska. \$975.00 (C)

12. Mr. Dighton F. Rowan as Professor in the School of Medicine effective June 27, 1973, on a fiscal year basis. He received the Doctor of Philosophy degree from Stanford University. He was born December 31, 1914, in Amsterdam, New York. \$2,050.00 (C)

C. Term Appointments

1. Dr. Kofi Sarpong Amankwah as Assistant Professor in the School of Medicine for the period March 15 to June 27, 1973, to be compensated on a ninety-five percent time basis. He received the Doctor of Medicine degree from the University of Alberta, Edmonton, Alberta, Canada. His salary is to be paid from restricted funds. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan. \$2,335.00
(C)
2. Mr. Leonard E. Boltz as one-half time Assistant (in Aviation Technology) in the Vocational-Technical Institute for the Spring Quarter, 1973. He has completed the requirements for the Associate degree in the Aviation Technology Program at Southern Illinois University. \$300.00
(C)
3. Mrs. Barbara L. Branche as fifteen percent time Assistant (in Dental Hygiene) in the Vocational-Technical Institute for the Spring Quarter, 1973. She received the Bachelor of Science degree from Southern Illinois University. \$127.50
(C)
4. Mr. Robert J. Brooks as sixty-five percent time Lecturer in the Center for the Study of Crime, Delinquency, and Corrections for the Spring Quarter, 1973. He received the Master of Arts degree from the University of Denver. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure. \$1,300.00
(C)
5. Miss Charlotte C. Campbell as Professor in the School of Medicine for the period May 1 to June 27, 1973. She received the Bachelor of Science degree from George Washington University. Her salary is to be paid from restricted funds. \$2,333.33
(C)
6. Mr. William H. Cline as Professor in the School of Medicine for the period April 1 to June 27, 1973. He received the Doctor of Philosophy degree from West Virginia University. His salary is to be paid from restricted funds. \$2,050.00
(C)
7. Dr. John J. Devitt as Associate Professor in the School of Medicine for the period May 1 to June 27, 1973. He received the Doctor of Medicine degree from Marquette University. His salary is to be paid from restricted funds. \$2,920.00
(C)
8. Mr. Allan L. Dooley as three-fourths time Researcher in the Cooperative Wildlife Research Laboratory for the period March 16 to July 1, 1973. He received the Bachelor of Arts degree from the University of Montana. \$500.00
(C)
9. Mr. J. Kevin Dorsey as Assistant Professor in the School of Medicine and the Department of Chemistry and Biochemistry for the period July 1 to September 16, 1973. He received the Doctor of Philosophy degree from the University of Wisconsin. \$1,350.00
(C)

10. Miss Karen C. Evans as one-half time Counselor in Student Work and Financial Assistance for the period April 1 to July 1, 1973. She received the Master of Arts degree from the University of New Mexico. \$400.00
(C)

11. Mr. Mark A. Ferry as Assistant to the Director of Broadcasting Service for the period June 20 to July 1, 1973. He has attended Southern Illinois University. His salary is to be paid from restricted funds. \$840.00
(C)

12. Dr. Bruce A. Flashner as fifteen percent time Assistant Professor in the School of Medicine for July, 1972, as twenty-eight percent time Assistant Professor in the School of Medicine for the period August 1, 1972, to January 1, 1973, and as Adjunct Assistant Professor in the School of Medicine, serving without salary for the period January 1 to July 1, 1973. These appointments carry faculty privileges except that time of service in them does not count toward permanent tenure. \$335.25 (15%);
\$625.80 (28%);
(C)

13. Mrs. Patricia Fleming as one-half time Staff Assistant in the Graduate School for the Spring Quarter, 1973. She received the Master of Science degree from Southern Illinois University. Her salary is to be paid from restricted funds. \$320.00
(C)

14. Mr. Richard M. Foxx as Adjunct Assistant Professor of Guidance and Educational Psychology, serving without salary for the Spring Quarter, 1973. He received the Doctor of Philosophy degree from Southern Illinois University. (C)

15. Mr. Michael E. Giesing as one-half time Researcher for Organizational Reappraisal-Career Education for the period March 15 to July 1, 1973. He received the Bachelor of Science degree from Southern Illinois University. His salary is to be paid from restricted funds. \$400.00
(C)

16. Mrs. Eugenia Handler as thirty-three percent time Instructor in the Social Welfare Program for the Spring Quarter, 1973. She received the Master of Social Work degree from the University of Southern California. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$363.00
(C)

17. Dr. Anthony Hawe as one-fourth time Clinical Associate Professor in the School of Medicine for the period March 1 to June 27, 1973. He received a medical degree from Liverpool University Medical School, Liverpool, England. His salary is to be paid from restricted funds. \$833.33
(C)

18. Dr. Robert Hayner as one-fourth time Clinical Associate Professor in the School of Medicine for the period March 1 to June 27, 1973. He received the Doctor of Medicine degree from the University of Cincinnati. His salary is to be paid from restricted funds. \$833.33
(C)

19. Dr. W. E. Henrickson as Physician in the Health Service for the period April 1 to July 1, 1973. He received the Doctor of Medicine degree from St. Louis University. His salary is to be paid from restricted funds. \$2,916.67
(C)
20. Mrs. Ann Kelso Johnson as one-half time Instructor in Physiology for the Spring Quarter, 1973. She received the Master of Science degree from Ohio State University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$600.00
(C)
21. Mr. Joseph F. Kinnan as Instructor in Health Education and Assistant Coach (Football) in Physical Education-Special Programs for the period March 1 through the Spring Quarter, 1973. He received the Master of Science degree from Florida State University. \$950.00
(C)
22. Mrs. Kristin Kocan as one-half time Instructor in Electrical Sciences and Systems Engineering for the Spring Quarter, 1973. She received the Master of Science degree from the University of Illinois. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in this appointment period does not count toward permanent tenure. \$500.00
(C)
23. Miss Jean Catherine Lewis as Staff Assistant in Chemistry and Biochemistry for the Spring Quarter, 1973. She has completed the requirements for the Bachelor of Arts degree from Southern Illinois University. Part of her salary is to be paid from restricted funds. \$560.00
(C)
24. Mr. James F. McConnell as Adjunct Instructor in Technology, serving without salary for the Winter and Spring Quarters, 1973. He attends Washington University. (C)
25. Mr. Leonard Nickel as Adjunct Instructor in Instructional Materials, serving without salary for the Winter Quarter, 1973. He received the Master of Science in Education degree from Southern Illinois University. (C)
26. Dr. Raymond Pearson as Clinical Associate in the School of Medicine, serving without salary for the period March 1 to July 1, 1973. He received the Doctor of Medicine degree from Cornell University. (C)

19. Mrs. Mary S. Walker as Project Coordinator of the Health Advisory Board for the period May 1 to July 1, 1973. Her salary is to be paid from restricted funds. (C)

20. Mr. David L. Wilson as one-half time Researcher in Research and Projects for the period May 1 to July 1, 1973. (C)

E. Changes in Assignment, Salary, and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. John L. Baier, Coordinator of Student Activities, to serve at an increased monthly salary effective April 15, 1973, on a fiscal year basis. \$1,100.00
rather than
\$1,000.00
(C)
2. Mr. Rino Bianchi, Instructor in Government, to serve also as Director (of Facilities Planning) in the Office of the Vice President for Development and Services, rather than Acting Assistant to Vice President for Development and Services (for Facilities Planning), effective March 26, 1973. (C)
3. Dr. Alan G. Birtch, Professor in the School of Medicine, to be compensated on a ninety percent time basis, rather than one hundred percent time basis, with change of salary accordingly, for the period February 9 to July 1, 1973. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan. (C)
4. Mr. Bill Brown, Instructor in Physical Education for Men and Professional Education Experiences, to serve also as Assistant Athletic Director, effective March 16, 1973, on a fiscal year basis. \$1,700.00
rather than
\$1,620.00
(C)
5. Mr. Everett S. Campbell, Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973. He is a candidate for a master's degree at Southern Illinois University. At such time as the master's degree requirements have been completed, he is to receive a salary increase effective the first of the month following receipt of official notification in the President's Office of completion of degree requirements. (C)
6. Mr. Donald M. Caspary, Assistant Professor in the School of Medicine, to serve at an increased monthly salary, for the period March 1 to June 27, 1973. His salary is to be paid from restricted funds. \$1,250.00
rather than
\$1,125.00
(C)
7. Mr. Larry M. Cox to serve as Assistant to the Coordinator (for Student Organizations), rather than Coordinator (of Student Governance) in Student Activities, effective April 15, 1973, on a fiscal year basis. (C)
8. Mr. Frank A. Coyle, Jr., to serve as Coordinator in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973. (C)

9. Mrs. Ann K. Deichmann, one-half time Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973. (C)

10. Miss Anne Frances DeMartino, Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973. (C)

11. Mr. Charles E. Fisher to serve as Assistant Director of Information Processing, rather than Assistant Director (Acting) of Information Processing, at an increased monthly salary, effective April 1, 1973, on a fiscal year basis. \$1,350.00 rather than \$1,200.00 (C)

12. Mr. John M. Fohr, Professor of Administrative Sciences, to serve also in the School of Business-General, rather than the Business Research Bureau, effective July 1, 1973, on a fiscal year basis. (C)

13. Dr. John Roland Folse, Professor and Chairman in the School of Medicine, to be compensated on a ninety percent time basis, rather than one hundred percent time basis, with change of salary accordingly, for the period February 9 to July 1, 1973. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan. (C)

14. Mr. Terry G. Foran to serve as Assistant Professor of Economics, rather than Assistant Professor of Economics and Assistant Director of the Business Research Bureau, effective July 1, 1973, on an academic year basis. (C)

15. Mr. William H. Freeberg to serve as Professor of Recreation, rather than Recreation and Professional Education Experiences, effective April 1, 1973, on a fiscal year basis. (C)

16. Mr. Gerald R. Gaffney to serve as Assistant Professor of Outdoor Laboratory, rather than Assistant Professor of Outdoor Laboratory and Conservation and Outdoor Education, effective March 1, 1973, on a fiscal year basis. (C)

17. Mrs. Catherine M. Grenfell, Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973. (C)

18. Mr. William J. Hearn, Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois

funds, rather than restricted funds, for the period April 1 to July 1, 1973.

(C)

19. Mr. Lawrence J. Hengehold to serve as Assistant Director of Information Processing, rather than Coordinator, at an increased monthly salary, effective April 1, 1973, on a fiscal year basis.

\$1,510.00
rather than
\$1,410.00
(C)

20. Miss Sharon L. Hooker to serve as Assistant Coordinator of Student Activities, rather than Coordinator in the Student Activities Office, at an increased monthly salary, for the period April 15 to July 1, 1973.

\$965.00
rather than
\$865.00
(C)

21. Dr. Stephen L. Jaffe to serve as Clinical Assistant Professor in the School of Medicine, serving without salary, rather than Clinical Associate, for the period January 1 to July 1, 1973. The University is to reimburse the Carbondale Clinic monthly for his services during the period of this appointment.

(C)

22. Mr. Samuel R. Jewell, Assistant Professor and Assistant Director of the Cooperative Wildlife Research Laboratory, to serve also as Assistant Professor of Zoology, effective the Spring Quarter, 1973, on an academic year basis.

(C)

23. Dr. Robert Peter Johnson, Associate Professor and Assistant Chairman in the School of Medicine, to be compensated on a ninety-five percent time basis, rather than one hundred percent time basis, with change of salary accordingly, for the period February 9 to July 1, 1973. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan.

(C)

24. Mrs. MaryAnn A. Keiner, Assistant (in Rehabilitation), to serve in the Rehabilitation Institute, rather than the Employment Training Center, with salary to be paid from State of Illinois funds, rather than restricted funds, for the period April 1 to July 1, 1973.

(C)

25. Mr. Allan L. Lange to serve as Program Director of the President's Scholars Program, rather than Program Director of the President's Scholars Program and Assistant Professor of Guidance and Educational Psychology, effective April 1, 1973, on a fiscal year basis.

(C)

26. Mr. John M. McDermott, Institute Director of the Labor Institute and Assistant Professor in the Vocational-Technical Institute, to serve also as Assistant to the Vice President for Administration and Campus Treasurer (for Labor Relations), rather than as Assistant to the President (for Labor Relations), effective April 1, 1973, on a fiscal year basis.

(C)

27. Mr. James F. Moore to serve as Coordinator in Student Work and Financial Assistance, rather than Counselor in Student Work and Financial Assistance, at an increased monthly salary, effective April 1, 1973, on a fiscal year basis. \$1,110.00 rather than \$970.00 (C)
28. Mrs. Lynn E. Paplauskas to serve as Researcher for the period March 1, 1973, to January 1, 1975, rather than March 1, 1973, to January 1, 1974, as reported previously. (C)
29. Mr. Allan G. Pulsipher to serve as Associate Professor of Economics, rather than Associate Professor of Economics and Director of the Business Research Bureau, effective July 1, 1973, on an academic year basis. (C)
30. Dr. John William Roddick, Jr., Professor and Chairman and Coordinator (of Clinical Affairs) in the School of Medicine, to be compensated on a ninety percent time basis, rather than one hundred percent time basis, for the period February 9 to July 1, 1973. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan. (C)
31. Mr. Robert E. Saieg to serve as Assistant to Coordinator (for Student Programming) in Student Activities, rather than Activities Consultant, at an increased monthly salary, for the period April 15 to July 1, 1973. \$695.00 rather than \$645.00 (C)
32. Dr. James H. Salmon, Professor in the School of Medicine, to be compensated on a ninety percent time basis, rather than one hundred percent time basis, for the period February 9 to July 1, 1973. In addition to salary, he may derive additional compensation through the Medical Service and Research Plan. (C)
33. Mr. Donald P. Satchell, Associate Professor of Plant Industry, to serve also in Forestry effective April 1, 1973, on a fiscal year basis. (C)
34. Mr. William Sloan, Adjunct Professor in the Rehabilitation Institute, to serve also in the School of Medicine, serving without salary for the period March 1 through the Spring Quarter, 1973. (C)
35. Mr. Richard A. Tate as Assistant Coach (Football) in Physical Education-Special Programs effective February 5, 1973, as previously reported, but on a fiscal year basis. He received the Bachelor of Science degree from the University of Illinois. He was born June 18, 1946, in Mattoon, Illinois. (C)
36. Mr. James F. Tent to serve as Assistant Professor of History, rather than Instructor in History, at an increased monthly salary, for the Spring Quarter, 1973. He has completed the requirements for the Doctor of Philosophy degree at the University of Wisconsin. \$1,270.00 rather than \$1,220.00 (C)

37. Mr. Donald E. Vaughn, Professor of Finance, to serve also as Chairman, effective September 16, 1973, on a fiscal year basis. In the event the chairmanship is relinquished in the future, his appointment is to change to the academic year basis. (C)

38. Mr. Lans Verduin to serve as Staff Assistant in the Fine Instruments Research Shop for the period April 1 to July 1, 1973, rather than March 15 to July 1, 1973, as reported previously. (C)

39. Mr. Edward L. Winn, Jr., to serve as Professor of Finance, rather than Professor and Chairman, effective the Fall Quarter, 1973. (C)

40. The following person is to participate in an experimental program and present an off-campus credit course under the sponsorship of the Division of Continuing Education in addition to his full-time, regularly assigned duties for the Spring Quarter, 1973. His increase is effective only for the period of participation:

Mr. L. Demoyne Bekker, Assistant Professor of Psychology, serving also in the Clinical Center, at an increased monthly salary, for the Spring Quarter, 1973.	\$1,831.66 rather than \$1,565.00 (C)
--	--

F. Sabbatical Leave

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

Mr. John Howie, who joined our staff in 1966, has the Doctor of Philosophy degree from Boston University. He plans research and post-doctoral study. (C)

G. Cancellation of Sabbatical Leave

Mr. W. Manion Rice, Associate Professor in the School of Journalism, requests that his sabbatical leave for the Spring Quarter, 1973, be cancelled. (C)

H. Leaves of Absence without Pay

1. Mr. Douglas R. Bohi, Associate Professor of Economics, for eighty percent time for the Fall Quarter, 1973, and thirty-three percent time for the Spring Quarter, 1974, to pursue research funded by Resources for the Future, Inc., Washington, D.C. (C)

2. Mr. Lee M. Joiner, Professor of Special Education, for the Fall, Winter, and Spring Quarters, 1973-74, for post-doctoral study. (C)

3. Mr. Davis J. Pratt, Lecturer in Design, for the Fall, Winter, and Spring Quarters, 1973-74, to continue a temporary assignment at the Poh-Chang College of Arts and Crafts in Bangkok, Thailand, and at Northern Technical Institute in Chiangmai, Thailand. (C)

4. Mrs. Elsa Kula Pratt, Lecturer in Design, for the Fall, Winter, and Spring Quarters, 1973-74, to continue a study of handicrafts in Thailand. (C)

5. Mr. Milton Russell, Professor of Economics, for seventy-five percent time for the Spring Quarter, 1973, thirty-three percent time for the Fall Quarter, 1973, and thirty-three percent time for the Spring Quarter, 1974, to pursue research funded by Resources for the Future, Inc., Washington, D.C. (C)

6. Mr. Ralph Lester Snyder, Assistant (in Maintenance) in the Vocational-Technical Institute Manpower Training Program, for the period March 21 to March 30, 1973, for personal reasons. (C)

I. Change in Date of Resignation

Mr. Charles Christian Hoffmeister, Assistant Professor in Morris Library, effective July 1, 1973, rather than August 1, 1973, as reported previously. (C)

J. Resignations

1. Mr. William R. Brand, Assistant (in Aviation Technology) in the Vocational-Technical Institute, effective the end of the Winter Quarter, 1973, for personal reasons. (C)

2. Mr. Lowell Edward Davis, Assistant in the Vocational-Technical Institute Manpower Training Program, effective March 21, 1973, to accept employment elsewhere. (C)

3. Mr. Rodney G. Dobey, Staff Assistant in Health Education, effective the end of the Winter Quarter, 1973, to accept a position elsewhere. (C)

4. Mrs. Judith F. Howe, Instructor in Morris Library, effective April 7, 1973, to accompany her husband elsewhere. (C)

5. Miss Norma C. McGeoch, Staff Assistant in Elementary Education, effective the end of the Winter Quarter, 1973, to accept appointment at Eastern Illinois University. (C)

6. Mr. Douglas Richardson, Staff Assistant in University Housing-Thompson Point, effective April 18, 1973, to accept a position elsewhere. (C)

7. Mr. Elvis C. Rowland, Jr., Staff Assistant in Placement Service, effective April 12, 1973, to accept a position with Oldsmobile Corporation, Milwaukee, Wisconsin. (C)

8. Mr. Joseph Bruce Scafe, Producer in Broadcasting Service, effective May 16, 1973, to accept a position with station WFAA-TV, Dallas, Texas. (C)

9. Mr. Donald L. Smith, Assistant Professor of Health Education, effective the end of Spring Quarter, 1973, to accept appointment as Associate Professor at Michigan State University.

(C)

10. Mr. Pohle H. Wolfe, Associate Professor of Food and Nutrition, effective the end of the Spring Quarter, 1973.

(C)

The following supplement, copies of which were distributed to the members of the Board in advance of this meeting, was recommended for approval:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following addition to and change in the faculty-administrative payroll:

A. Resignation

Mr. Kenneth R. Miller, Director of Foundations, effective July 1, 1973, to accept appointment elsewhere.

(C)

The following supplement, copies of which were distributed to the members of the Board at the meeting, was recommended for approval:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll:

A. Continuing Appointment

Dr. Grant C. Johnson to serve as twenty-five percent time Clinical Professor in the School of Medicine, serving without salary for the period July 1, 1972, to April 1, 1973, and as forty-nine percent time Clinical Professor and Chairman in the School of Medicine, serving without salary effective April 1, 1973. He received the Doctor of Medicine degree from Indiana University. He was born June 4, 1919, in South Bend, Indiana.

(C)

B. Changes in Assignment, Salary, and Terms of Appointment

Dr. Donald D. VanFossan to serve as Clinical Professor and Assistant Chairman in the School of Medicine, rather than Clinical Professor in the School of Medicine, serving without salary for the period April 1 to July 1, 1973.

(C)

Dr. Walker moved approval of Changes in Faculty-Administrative Payroll - Carbondale, including the supplements. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, MARCH, 1973, SIUC

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of March, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

The Chair asked for comments or questions on the above matter; the report was received.

Dr. Walker submitted a requisition to the Board in lieu of the Executive Committee, to provide washed, screened coal to SIUC, in the amount of \$550,000, July 1, 1973 through June 20, 1974.

Dr. Walker moved approval of the requisition, which motion was duly seconded, and then inquired regarding the sulphur content of the coal, difficulty involved in obtaining coal, and how many bidders could be expected? Dr. Danilo Orescanin, Vice-President for Administration and Campus Treasurer, SIUC, responded that of two bids in hand, the low bid had a 3.3 level of sulphur and the higher bid had a 2.13 level; the preferred level is 2.5, and an Environmental Protection Agency regulation enters into this problem. He reported that it is difficult to get people to bid on coal. In the past, after the bid process and after coal starts being delivered, the coal companies come back because of difficulty in

coming up to contract requirements. He estimated in excess of ten bids had been sent out, and two had at this point been received.

Upon call of the question, the Chair declared the motion to approve the coal requisition to have passed.

The Chair then recognized President Derge, who presented the following matter:

ENACTMENT OF FEES, ASSESSMENTS, AND OTHER CHARGES ON A
SEMESTER BASIS FOR ENROLLEES IN THE SCHOOL OF LAW, SIUC

The School of Law will initiate its academic program on a semester plan in September of 1973. Therefore, it is necessary that the Board of Trustees enact on a semester basis those fees, assessments, and other charges which are applicable to students enrolled in the School of Law.

The Board is requested to approve the following resolution:

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University has approved a School of Law, which School is now in the process of admitting its first class of seventy-five students, and further, which School is to commence academic instruction on September 5, 1973 on a semester basis; and

WHEREAS, It is the duty of the Board, pursuant to its Charter, "to fix and collect matriculation fees; tuition fees; fees for student activities, fees for student facilities . . . student welfare fees; laboratory fees and similar fees for supplies and material"; and

WHEREAS, The same Charter provides that "all other expenses" other than expenses pertinent to "the building, improving, repairing and supplying fuel and furniture and the necessary appliances . . . salaries," etc., are to be chargeable against students "and the Board of Trustees of Southern Illinois University shall regulate the charges accordingly."

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That an acceptance deposit shall be assessed against students accepted for admission to the School of Law in the amount and manner set forth below:

Acceptance Deposit. A deposit of \$100 shall be assessed each applicant who is accepted for admission into the School of Law. This deposit shall be assessed only against students being accepted into the School for the first time, and shall apply toward registration tuition and fees. This deposit is refundable to those initially accepted applicants who cancel their acceptance on or before May 15, 1973. Thereafter, the acceptance deposits which are assessed and received shall be nonrefundable. In

notifying the applicant of his acceptance for admission, the Dean of the School of Law shall inform the applicant of the manner in which this nonrefundable acceptance deposit is to be applied to registration tuition and fees.

BE IT FURTHER RESOLVED, That tuition fees and other fees and assessments shall be established on a semester basis as follows:

- (1) Tuition. Students enrolled in the School of Law, SIUC, shall pay the following rates of tuition each semester:

	<u>In-State Students</u>	<u>Out-of-State Students</u>
Full Time	\$214.50	\$643.50

- (2) Activities and Related Semester Fees. Students attending the School of Law shall pay the following fees each semester, in a manner to be established and in the amounts set forth below:

Students Enrolled on Semester Basis in School of Law

a. Student Activity Fee	\$ 5.25 per semester
b. Student Center Fee	15.00 per semester
c. Student Welfare and Recreational Building Trust Fund Fee	22.50 per semester
d. Athletic Fee	15.00 per semester
e. Medical Benefit Fee	17.25 per semester

Mr. Rowe moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Donald E. Fouts	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who requested Dr. John Baker to present the following matter. Dr. Baker asked Dr. Charles T. Goodsell, Professor, Department of Government, SIUC, to assist him.

APPROVAL OF DEGREE PROGRAM: MASTER OF PUBLIC AFFAIRS, SIUC

Public employment is the most rapidly growing area of job opportunities in the United States today. The projections of the U.S. Department of Labor indicate that this growth will continue. With the increase in public employment opportunities there has been an increase in student interest in programs preparing students for such jobs. This interest is demonstrated by the over 100% increase in enrollments in public administration classes between Fall 1966 and Fall 1970.

In addition to pre-service training opportunities, the proposed program also focuses on in-service training for public employees in Southern Illinois. Regional offices of state and federal agencies combined with local governments provide thousands of employees who might benefit from a local MPA program.

The proposed program is highly interdisciplinary, drawing courses from Government, Administrative Sciences, Speech, Sociology, Accounting, Guidance and Educational Psychology, Mathematics, Business Administration, Economics, Journalism, and Geography. Several of these departments were represented on the committee which planned the program and will have continued input to the program's operation.

In addition to being interdisciplinary, the program will also be highly flexible in order to create an educational experience which meets the needs of the individual student. Only 12 of the 48 hours will be devoted to required courses, and the remainder of the hours will be subject to distribution requirements only. The curriculum will be further individualized through internships for inexperienced students and through job-related independent study projects for experienced administrators.

The University presently has sufficient resources to mount such a program successfully, since the bulk of the courses involved are already being taught as parts of other programs.

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the degree program Master of Public Affairs be and is hereby approved for offering by the Graduate School of Southern Illinois University at Carbondale, subject to the approval of the Board of Higher Education.

SUMMARY OF PROPOSAL FOR MPA PROGRAM

Title: Degree of Master of Public Affairs

Description: This program, leading to the Master of Public Affairs (MPA) degree, will serve two purposes. First, it will offer the mid-career public servant an opportunity to retool, enlarge his horizons, and advance his career. Second, it will provide younger college graduates with the educational background needed for employment opportunities in the public service.

The program will be administered by a Director recruited by the Chairman of the Department of Government. Although the program will be associated with the Department of Government for housekeeping purposes, its Director will be ultimately responsible to the Graduate Dean. This is in keeping with the highly interdisciplinary character of the program.

Candidates for the MPA degree will be required to enroll in three core courses taught under the aegis of the Department of Government, namely "Advanced Public Administration," "Planning and Budgeting Systems," and "Advanced Policy Analysis." Beyond this, candidates will be permitted to choose (with close guidance) from a number of specified courses offered by a range of departments of the University, including Accounting, Administrative Sciences, Economics, Geography, Government, Journalism, Speech, and Sociology. Mid-career enrollees will conclude their program with an individualized study-research project of academic quality yet practical relevance. Younger students will experience an internship in a public agency in the area. Reports on these activities will be required in lieu of theses. Without preparatory or prerequisite courses, a candidate can expect to obtain the degree within one year on a full-time basis.

Justification: Nearly 400,000 government employees work in Illinois, yet only four institutions of higher education presently offer the MPA or its equivalent. The fact that on the average only five MPA's were being granted in the state annually helped lead the IBHE's Committee T to conclude in 1969 that creation of added graduate programs in public administration was essential. In southern Illinois alone, some 49,000 persons are employed by federal, state, and local government and yet no MPA program exists in the region. Furthermore, public employment on the state and local level is one of the few areas where employment opportunities for trained professionals is continuously growing. Also it is certain that performance in state and local government could benefit greatly from better training of existing personnel. In the words of Committee T, "government's critical need for more and better educated manpower is absolutely irrefutable."

An MPA program of this nature is squarely in accord with the objectives and long-range plans of the University. SIU-C has had a long history of serving the public of southern Illinois in tangible, practical ways. This program will directly benefit the citizens and taxpayers of the region by upgrading affected public agencies in the area and by broadening the opportunities for men and women who are interested in public service careers. Master Plan Phase III visualizes an integrated program of higher education in the state and defines a role for SIU-C with respect to interdisciplinary study. This program is compatible with Sangamon State's MA in public administration (with credits easily transferrable) and stresses not only an interdisciplinary approach but provides for individual programs tailored to each candidate's needs. Establishment of the degree is specifically called for in the Ten-Year Plans of both SIU-C and the Department of Government.

Resources: The Department of Government has six faculty members competent to teach various aspects of public administration on the graduate level. The departments of

Economics, Geography, Sociology, and Speech and the School of Business possess more than twelve faculty members capable of teaching relevant courses. Morris Library contains approximately 28,000 books, more than 300 periodicals, and over 133,000 documents pertinent to the program's substantive reach.

As prospective candidates will be enrolled for the most part in existing courses taught by existing faculty, little will be needed in terms of additional space. The addition of one faculty member will be essential. A new "institution" in the sense of separate quarters, classroom space, and secretarial staff is not to be created. By and large the program can be accomplished with existing resources. Thus, this proposal calls more for a reordering and added use of existing resources rather than substantial budgetary expansion.

Funding Needs: To operate this program, costs are estimated for the first through fifth years (consecutively) as \$34,000, \$44,500, \$55,000, \$63,500, and \$64,500. This includes the salary of the Director, travel expenses (for internship supervision), intern fellowships and stipends, and a half-time secretary. These estimated costs could be substantially curtailed by reducing the projected number of fellowships. Costs will be from state funds, although eventually it may be possible to obtain income through federal grants under the Intergovernmental Personnel Act.

To initiate and continue the program it will be absolutely essential to add one member to the faculty of the Department of Government, both to direct the program and to teach the planning-budgeting and policy analysis courses. Available staff in the Department cannot perform these functions, particularly in view of recent and pending retirements. The Department presently has two unfilled positions, one of which can be used for this purpose, provided that the position is released.

April 27, 1973

After considerable discussion, including Dr. Walker's and Dr. Fouts' favorable comments about this program, Dr. Fouts moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who presented the following matter:

GRANT OF WATER MAIN EASEMENT,
MEDICAL INSTRUCTIONAL FACILITY - GROUP I, SIUC

WHEREAS, The interests of Southern Illinois University School of Medicine will be advanced by the granting of an easement for a six-inch water main upon real property of the Board in Springfield, Illinois, and

WHEREAS, The easement grant document, attached hereto and made a part hereof as if herein set forth in full, sets forth in detail the exact location, dimensions, configuration and limits of the proposed easement,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the proposed easement as described in the attached document be approved and executed in due course and form by the appropriate administrative officer.

THE GRANTOR, the Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois, for and in consideration of One Dollar in hand paid the receipt of which is hereby acknowledged, has this day bargained and sold and by these presents does bargain, sell, convey and quit-claim to the City of Springfield, an Illinois Municipal Corporation, its successors and assigns, grantee, an easement and right-of-way being ten ft. (10') in width, in, over, across, through and under the following described property in Sangamon County, Illinois, to wit:

Part of Lots 1 and 2 in Herndon & Edward's Addition of outlots in the City of Springfield, Sangamon County, Illinois, said part being a strip of land 10.00 ft. in width and further described as follows:

Beginning at a point on the West line of Rutledge St., said point being N. 0° 50' 41" W., 81.79 ft. from a drill hole at the Southeast corner of said Lot 1; thence S. 88° 26' 46" W., 447.78 ft. to a point on the East line of Reisch St.; thence N. 2° 40' 08" W., along said East line, 10.00 ft.; thence N. 88° 26' 46" E. 448.09 ft. to a point on the West line of Rutledge St.; thence S. 0° 50' 41" E., along said West line, 10.00 ft. to the point of beginning, containing 0.10 acres, more or less.

The purpose of the easement herein granted is for the laying, construction, reconstruction, removing, replacing, renewing, maintaining, repairing, operating and protecting one six-inch (6") water main and appurtenances, together with the perpetual right of access, ingress, and egress at all reasonable times upon the property herein described.

It is expressly covenanted and agreed between the Grantor and the Grantee herein and as covenants running with the land herein described and binding on the successors and assigns of the parties hereto, as follows:

1. No permanent building or structure shall be constructed by the Grantor or their successors in interest on said Easement; provided, however, that the Grantor and their successors in interest may use said strip of ground for driveway improvements, parking area, fence or lawn improvements and other public utility uses and equipment, pipes, poles, wires and other fixtures, as long as such use does not prevent or unreasonably interfere with the uses and purposes of this easement, or access by the Grantee for the aforesaid uses and purposes. In the event that driveway or parking improvements are constructed by the Grantor or their successors in interest on said Easement, the Grantee agrees that, if said driveway or parking improvements are moved, disturbed or damaged as a result of the grant of said Easement or any work done pursuant thereto, it will restore said driveway or parking improvements as nearly as possible to its condition immediately prior to such removal, disturbance, or damage, at the expense of the Grantee.

2. The Grantee shall have the right to remove without obligation to replace, trees, shrubbery, bushes and undergrowth on the said real estate where such removal is necessary for the construction and maintenance of said water main or for the access of equipment during construction or maintenance of said water main, however, compensation shall be paid to the Grantor for any loss of an existing crop upon the premise damaged or destroyed by construction of this main.

3. The compensation paid to the Grantor shall constitute payment for land taken and severance damages, if any, to the property of the Grantor adjoining the property over which the easements run.

DATED this _____ day of May, 1973.

Chairman

SOUTHERN ILLINOIS UNIVERSITY
SCHOOL OF MEDICINE
SPRINGFIELD, ILLINOIS

PERMANENT EASEMENT
PART OF LOTS 1 AND 2 IN
HERNDON & EDWARDS ADDITION OF CITY OF
CITY OF SPRINGFIELD, ILLINOIS.

Dr. Walker moved approval of the resolution as presented. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested that he would like to submit for consideration a request for release of funds for equipment in the amount of \$211,630 for use in the medical facility, Life Science I, SIUC.

Dr. Walker moved that this matter be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

Mr. Rowe moved that the Board of Trustees request the release of funds for equipment in the amount of \$211,630. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized President Derge, who requested Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, to present the Proposed Mass Transit System, SIUC, and to also introduce the guests who had been invited to participate in the discussion.

Vice-President Mager introduced the following people from the City of Carbondale: Mayor Neal Eckert, Councilman Clark Vineyard, Councilman Hans Fischer, City Manager Carroll Fry, City Planner James Rayfield, and Director of Public Works Bill Schwegman. He also introduced Mr. George P. Scelzo, President, and Mr. Marvin Weiss, Vice-President, PRT Systems Corporation, and Mr. Rino Bianchi, Acting Assistant to the Vice-President for Development and Services (for Facilities Planning), SIUC.

Mr. Bianchi first emphasized that plans no longer included a single vast parking lot, then explained that the more this project was examined the more impressed they were with it, not only for its practical application to the

Carbondale campus, but as a research project which will be of service not only to the State, but the nation. He said that the PRT Systems Corporation will prepare the application for the federal grants and will make the necessary Washington contacts. He turned the presentation over to Mr. Scelzo, who handed out a brief paper on expanding transit technology, a copy of which has been placed on file in the Office of the Board of Trustees. He then showed a film of a system that has been operating for more than four years at Dallas Love Field International Airport. It is owned by Braniff International Airways, and has transported more than twenty million passengers without personal injury.

Councilman Fischer suggested that necessary discussions be initiated which would explore the possibility of a joint effort to serve the City. Vice-President Mager explained that part of the consulting agreement with PRT would permit them to coordinate with the necessary local agencies. Consultation with Mr. Rouse was promised, and for other absent Board members if required.

The Chair then recognized President Derge, who requested Dr. George R. Mace, Dean of Students, SIUC, to answer any questions of the members of the Board on the informational report entitled "Final Report for Health Care Delivery and Integration Advisory Board," dated January 31, 1973, copies of which were mailed to the members of the Board in advance of this meeting and a copy placed on file in the Office of the Board of Trustees. Dr. Mace explained that the first goal which had been established was development of a management system with professional administration, for which Arthur Andersen was contracted to provide technical consulting services. That report recommends a new organizational structure for the Health Service and management information reporting system looking toward development of a comprehensive integrated health care delivery system for the Carbondale area. A part of such a system would include a community ambulance service concerning which Dr. Mace invited Carbondale City Manager Fry to speak.

Mr. Fry said that the City and SIUC administrations had been working for several months in the development of a University-City relationship in the handling of the ambulance problem, and strongly urged that the Board consider favorably the proposed agreement that the University through its facilities take over the job of furnishing ambulance service in the City and on campus. In return, the City would handle the billing processes and would underwrite any losses that might occur as a result of the billing process in the corporate limits of the City. The City would agree to pay the University a hundred percent guarantee for the services rendered on a \$40 per call basis. Such a contract would be subrogated to any contract which might later be initiated to provide ambulance service county-wide.

Dr. Mace explained that duplication of resources causes inefficiencies. Ambulance service now costs approximately \$48,000 for the University and about \$40,000 for the City, and this would provide an opportunity to reduce those costs by approximately one-half. He expressed the intention to bring to the Board at its next meeting a contract wherein the University would provide a combined service.

The Chair recommended that the June meeting of the Board of Trustees be rescheduled from Friday, June 8, 1973, to Thursday, June 7, 1973, at the same time and place at Edwardsville because of commencement on June 8 at Southern Illinois University at Carbondale. Dr. Fouts moved the above recommendation. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

Dr. Fouts moved that this meeting be adjourned to a date certain, to meet at 10:00 a.m., June 5, 1973, at 625 North Michigan, Chicago, Illinois. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The meeting adjourned at 11:55 a.m.

Alice Griffin, Assistant Secretary

Proceedings and minutes of a regular meeting of the Board of Trustees of Southern Illinois University convened at 9:35 a.m., Thursday, June 7, 1973, in the Madison Room of the University Center, Edwardsville campus. The regular Chairman being present, the meeting was called to order. In the absence of the regular Secretary, the Chair appointed Trustee Rowe to serve as Secretary pro tem.

The following members of the Board were present:

Mr. William W. Allen
Mr. Ivan A. Elliott, Jr., Chairman
Mr. Harold R. Fischer, Vice-Chairman
Dr. Donald E. Fouts
Mr. W. Victor Rouse (absent at time of roll call; joined the
meeting as noted in text below)
Mr. Harris Rowe, Secretary pro tem
Dr. Earl E. Walker.

and the following member was absent:

Dr. Martin V. Brown, Secretary.

Executive Officers present were:

Dr. David R. Derge, President, SIUC
Dr. John S. Rendleman, President, SIUE.

Members of the Board Staff present were:

Dr. Jerome M. Birdman, Academic Program Officer
Dr. James M. Brown, Chief of Board Staff
Mr. Clifford R. Burger, Financial Officer
Dr. H. Edward Flentje, Deputy Chief of Board Staff
Mr. Robert L. Gallègly, Treasurer
Mrs. Alice Griffin, Assistant Secretary
Mr. C. Richard Gruny, Legal Counsel.

The Secretary reported a quorum present. At this time, the Chair introduced Mrs. Margaret Blackshere, nominee for the position of Trustee and whose nomination had been approved by the Senate Executive Committee on June 6. With the consent of the Board members the Chair accorded her the privilege of the floor. The Chair explained that she was not entitled to vote until her nomination is confirmed by the full Illinois Senate and she is officially appointed thereafter.

He welcomed her to the Board and commented that the members were glad to have her experience and balance added to the Board of Trustees. Chairman Elliott presented the Minutes of a regular meeting held May 11, 1973, copies of which had previously been forwarded to members of the Board. On motion of Dr. Walker, duly seconded, these Minutes were unanimously approved as presented. Mr. Allen asked if a feasibility study had been made as requested when the Board approved the signing of a contract with a firm to explore a transportation system at Carbondale. Mr. T. Richard Mager, Vice-President for Development and Services, SIUC, explained that Mr. Rouse is to transmit data and advice on the firms that might make this study. The Chair suggested if it were agreeable with other members of the Board, he would request that this feasibility study be placed on next month's agenda.

BOARD OF TRUSTEES ACTIVITIES

The Chair recognized Mr. William W. Allen, the alternate to the Board of Higher Education, for a report on the June 5 meeting of the Board of Higher Education.

Mr. Allen reported that the Governor announced that he was willing to recommend an additional \$10 million, raising his recommendation from \$601 million to \$611 million, and asked the Board of Higher Education for advice on how that additional \$10 million should be distributed among the several systems. The Board of Higher Education staff worked over the week-end, and on Tuesday morning, June 5, presented to the Board of Higher Education a recommendation for allocation of the additional \$10 million. After considerable discussion, the Board of Higher Education approved the allocations recommended by the Board staff. Unfortunately, the Southern Illinois University System received only \$1,234,350 of that \$10 million. That figure falls short by some \$400,000 of the amounts the Presidents had indicated

would be necessary in order to give salary increases. The Board of Higher Education staff said, "We will ask each system to reallocate, that is, to sweat out of its last year's budget half of the reallocation amount that was recommended in the original BHE budget, and then would make up the difference between that half and the amount needed for salary increases by monies from the \$10 million." The result was that Southern Illinois University with decreasing enrollment was penalized and the University of Illinois with increasing enrollment was benefited rather greatly. As an example, the monies that were included in the original budget presentation of the Board of Higher Education included money for salary increases. The \$1.2 million represented only forty-five percent of the SIU System's needed amount; other systems' respective allocations represented seventy-two percent of the University of Illinois' needed amount; fifty-two percent of the Board of Regents' system; and sixty-one percent of the Board of Governors' system. Mr. Allen reported he had objected rather strenuously to the method of allocation. After presentation and a motion, he had moved that the motion be tabled, hoping to gain some time for SIU representatives to have a chance to look at this important matter more critically. His motion to table failed. He voted against the allocations as they were listed as did two other members of the Board of Higher Education.

Mr. Allen commented that the Governor did say he was open-minded when he gave us the \$601 million message. The additional \$10 million is not enough but it is a lot better than a month ago.

Both Presidents and the Chief of Board Staff commended Mr. Allen for his efforts at the Board of Higher Education meeting.

Mr. Allen added that the Board of Higher Education had not reduced its budget request to the General Assembly. That still stands at \$647 million. It was his understanding that the allocation figures which were approved Tuesday would

be given to the Governor and the Governor would cause amendments to be entered amending the various appropriation bills downward to the \$611 million level. He also reported that there had been two programs approved by the Board of Higher Education: Bachelor of Science degree in Technical Careers, SIUC, and Bachelor of Arts or Bachelor of Science degree in University Studies, SIUC. In addition, non-public health education grants were allocated to Memorial Hospital in Springfield and St. Johns Hospital in Springfield in the amount of \$23,000 each for positions in conjunction with the medical school.

Mr. Allen reported that a committee had been appointed to investigate the cost of presidents' homes built in the last three years, and that committee reported it was a bigger job than they thought. They have hired Peat, Marwick & Mitchell to conduct the audit.

The Chair expressed his appreciation on behalf of the Board to Mr. Allen, Presidents Derge and Rendleman, Chief of Board Staff Brown, and their staffs for a tremendous amount of work on a crash basis this month. Mr. Allen added the following names to that list: Mr. James Metcalf, SIUE, Dr. Danilo Orescanin, SIUC, and Messrs. Clifford Burger and Robert Gallegly of the Board Staff, who had put in many hours in preparation of data to help him in trying to get additional monies.

Mr. Rowe reported that the Treasurer Function Committee did not meet during the month. The System Council had discussed the matter further. The sub-committee appointed by the System Council had agreed on a few items, had agreed to disagree on several items, and they in turn will pass the matter back to the System Council. The Committee hopes to make a recommendation in the near future.

Dr. Walker moved the Board go into executive session in the International Room to return to open meeting in the Madison Room as soon as possible. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed. The time was 9:55 a.m.

At 11:05 a.m., the Chair announced the meeting back to order in open session. Mr. Rouse joined the meeting during the executive session.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE MATTERS

The Chair recognized President Derge, who requested that supplements to Changes in Faculty-Administrative Payroll - Carbondale be considered. He presented the following:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following addition to and change in the faculty-administrative payroll:

A. Continuing Appointment

Mr. Stanley H. Smith as Dean of the College of Human Resources effective July 1, 1973, on a fiscal year basis. He received the Doctor of Philosophy degree from Washington State University. He was born October 23, 1925, in Trinidad.	\$2,750.00 (C)
---	-------------------

Ratification is requested for the following addition to and change in the faculty-administrative payroll:

A. Changes in Assignment, Salary, and Terms of Appointment

Mr. Herbert L. Fink to serve as Dean, College of Communications and Fine Arts, at an increased monthly salary, effective July 1, 1973, through June 30, 1974, on a fiscal year basis.	\$2,833.00 rather than \$2,590.00 (C)
---	--

Ratification is requested for the following additions to and changes in the faculty-administrative payroll:

A. Changes in Assignment, Salary, and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. J. Keith Leasure to serve as Vice-President for Academic Affairs and Provost, at an increased monthly salary, effective July 1, 1973, through June 30, 1974, on a fiscal year basis.	\$2,916.00 rather than \$2,650.00 (C)
---	--

2. Mr. Danilo Orescanin, Vice-President for Administration and Campus Treasurer, to serve also as Executive Vice-President, effective July 1, 1973, on a fiscal year basis.	\$3,333.33 rather than \$2,916.00 (C)
---	--

B. Leaves of Absence with Pay

1. Mr. Willis E. Malone, Executive Vice-President and Vice-President for Academic Affairs and Provost, effective July 1, 1973 through September 30, 1973. To serve as Special Assistant to the President for Planning, effective October 1, 1973, at no change in salary.	(C)
---	-----

2. Mr. Phillip H. Olsson, Dean, College of Communications and Fine Arts, July 1, 1973 through December 31, 1973. Effective January 1, 1974, to serve as Professor of Music, subject to 1973-74 salary review.	(C)
---	-----

President Derge explained that Dr. Willis Malone after a long and distinguished career as a harassed administrator had asked to be relieved of his administrative positions to undertake one of the most crucial studies that SIUC has ever undertaken. That will be a study of curricular changes, of innovation in all American universities as they relate to the growth of academic excellence at SIUC. In addition to that, he had asked Dr. Malone to turn his attention and experience to building our international dimension in establishing overseas study centers for our young men and women. Dr. Malone had agreed to do this and President Derge recommended that he be given full support.

Mr. Allen moved that these supplements be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

President Derge then presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - CARBONDALE

Ratification is requested for the following additions to and changes in the faculty-administrative payroll. Additional detailed information is on file in the President's Office.

A. Report of Death

With regret, we report the death of Miss Margaret Kaeiser, Associate Professor of Botany. She was born June 20, 1912, and died April 25, 1973. She received the Bachelor of Science and Master of Science degrees from the University of Oklahoma and the Doctor of Philosophy degree from the University of Illinois. She served as Instructor at the Pennsylvania College for Women, as Assistant Professor and Associate Professor at Cedar Crest College, and as Assistant Professor at St. Joseph College prior to accepting appointment at Southern Illinois University in 1947. She was one of the leading world authorities on wood morphology and published extensively in this field.

(C)

B. Continuing Appointments

1. Dr. William H. Anderson as Clinical Associate in the School of Medicine, serving without salary, effective May 1, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from the University of Michigan. He was born November 12, 1916, in Ewen, Michigan.

(C)

2. Mr. Gene A. Brodland as Assistant Professor in the School of Medicine effective July 1, 1973, on a fiscal year basis. He received the Master of Arts degree from the University of Iowa. He was born June 16, 1935, in Freeman, South Dakota.

\$1,670.00
(C)

3. Dr. Paul M. Cadwell as Clinical Associate in the School of Medicine, serving without salary, effective May 1, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from St. Louis University. He was born December 4, 1920, in Anaconda, Montana.

(C)

4. Dr. John J. Devitt as Associate Professor in the School of Medicine effective June 27, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from Marquette University. He was born February 20, 1923, in LaCrosse, Wisconsin.

\$2,920.00
(C)

5. Dr. Curtiss Orval Floyd as Clinical Associate in the School of Medicine, serving without salary effective April 1, 1973, on a fiscal year basis. He received the Doctor of Dental Surgery degree from the University of Illinois. He was born July 27, 1941, in Indianapolis, Indiana.

(C)

6. Dr. Ugo C. Formigoni as Clinical Associate in the School of Medicine, serving without salary, effective May 1, 1973, on a fiscal year basis. He received the Doctor of Medicine degree from the University of Pavia, Italy. He was born May 31, 1931, in Ostiglia, Italy. (C)

8. Mrs. Wanda Lou Stucker as Assistant (in Clerical Training) in the Vocational-Technical Institute Manpower Training Program for the period May 1 to July 1, 1973. Her salary is to be paid from restricted funds. \$775.00
(C)

F. Changes in Assignment, Salary, and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. R. Ralph Bedwell, Associate Professor of Administrative Sciences, to serve also as Assistant to the Dean of the Division of Continuing Education, rather than as Director of the Small Business Institute, effective July 1, 1973, on a fiscal year basis. (C)
2. Dr. Eli L. Borkon to serve as eighty percent time Assistant Dean (for Professional Development) and Professor in the School of Medicine, rather than eighty percent time Director (of Clinical Affairs) and Clinical Professor in the School of Medicine, with change of salary, effective May 1, 1973. Should the administrative responsibilities be terminated at some time in the future, he is to assume appointment as eighty percent time Professor in the School of Medicine. \$3,100.00 rather than \$2,938.00 (C)
3. Mr. Jesse Lee Chenoweth to serve as Staff Assistant in Placement Services, rather than the Married and Graduate Student Office, effective May 1, 1973, on a fiscal year basis. (C)
4. Mrs. Margaret C. Humadi to serve as thirty-three percent time Assistant in Elementary Education, in addition to one-half time service in Elementary Education, for the period March 16 to May 1, 1973. The additional salary is to be paid from restricted funds. (C)
5. Mr. Richard J. Kalina to serve as Staff Assistant in Placement Services, rather than the Married and Graduate Student Office, for the period May 1 to July 1, 1973. (C)
6. Mr. Eric G. Moll, Instructor in Mathematics, to serve on a full-time basis, rather than sixty-seven percent time basis, with change of salary accordingly, for the period May 1 to June 1, 1973. (C)
7. Mrs. Ann Nicholas as one-half time Staff Assistant in the Student Life Office in addition to serving as one-fourth time Resident Counselor in Thompson Point Housing, with change of salary accordingly, for the period April 19 to June 16, 1973. \$370.00 rather than \$100.00 (C)
8. Mr. John M. H. Olmsted to serve as Professor of Mathematics, rather than Professor of Mathematics and Dean of the Graduate School, effective July 1, 1973. He is to serve on an academic year basis effective the Fall Quarter, 1973. (C)
9. Mr. Walter G. Robinson, Program Director of Black American Studies and Assistant Professor in the Rehabilitation Institute, to serve also as Acting Coordinator (of the Rehabilitation Administration Program) for the period March 16 to June 16, 1973. (C)

10. Mr. Fred L. Schulten to serve as Coordinator of International Student Services, rather than Foreign Student Consultant, for the period March 26 to July 1, 1973. (C)

11. Mr. Ralph W. Wilkerson, Instructor in Mathematics, to serve on a full-time basis, rather than sixty-seven percent time basis, with change of salary accordingly, for the period May 1 to June 1, 1973. (C)

12. Mr. Paul A. Yambert to serve as Dean of Outdoor Laboratory and Professor of Forestry, rather than Dean of Outdoor Laboratory, Professor of Forestry, and Professor of Conservation and Outdoor Education, effective April 1, 1973. (C)

13. The following person is to participate in an experimental program and present an off-campus credit course under the sponsorship of the Division of Continuing Education in addition to his full-time, regularly assigned duties for the Spring Quarter, 1973. His increase is effective only for the period of participation:

Mr. John P. Casey, Associate Professor of Special Education serving also in Professional Education Experience, at an adjusted monthly salary rate for the Spring Quarter, 1973.	\$1,993.33 rather than \$1,700.00 (C)
---	--

G. Sabbatical Leave

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

For the Spring and Summer Quarters, 1974, at full pay:

Mr. A. Doyne Horsley, Instructor in Geography, who joined our staff in 1968, has the Master of Arts degree from Southern Illinois University. He plans to complete the requirements for a doctor's degree. (C)

H. Change in Sabbatical Leave

Mr. Allan G. Pulsipher, Associate Professor of Economics, requests sabbatical leave for the Fall and Winter Quarters, 1973-74, at full pay, rather than the period September 15, 1973, to September 15, 1974, at half pay, as ratified previously. (C)

I. Cancellation of Sabbatical Leave

Mr. Edward L. Winn, Jr., Professor of Finance, has resigned effective the end of the Summer Quarter, 1973, and therefore the sabbatical leave granted for Fall Quarter, 1973, is to be cancelled. (C)

J. Leaves of Absence without Pay

1. Mr. David E. Conrad, Associate Professor of History, for the Fall Quarter, 1973, to accept a Fulbright Lectureship at the University of Costa Rica. (C)

2. Mr. Robert L. Campbell, Associate Professor and Associate Director of the Rehabilitation Institute, for the period July 1, 1973, to July 1, 1974, to accept a temporary appointment with the State of Maryland, Department of Mental Hygiene. (C)

3. Mr. John Gardner, Professor of English, for the Fall, Winter, and Spring Quarters, 1973-74, to accept a Guggenheim Fellowship. (C)

4. Mr. Glenn G. Gilbert, Associate Professor of Linguistics, for the Fall, Winter, and Spring Quarters, 1973-74, to accept a Senior Fulbright Lectureship at the University of Mainz, Germany. (C)

5. Miss Sharon O. Young, Counselor in the Counseling and Testing Center, for the period July 1 to September 1, 1973, to complete doctor's degree requirements. (C)

K. Correction

In conformity with established regulations, sabbatical leave is recommended for the faculty member listed below:

For the Spring Quarter, 1974, at full pay:

Mr. John Howie, who joined our staff in 1966, has the Doctor of Philosophy degree from Boston University. He plans research and post-doctoral study. The previous report failed to name the period of leave. (C)

L. Change in Date of Resignation

Mr. Charles Christian Hoffmeister, Assistant Professor in Morris Library, effective June 1, 1973, rather than July 1, 1973, as reported previously. (C)

M. Resignations

1. Mr. Peter Cole, Instructor in the Center for English as a Second Language, effective June 15, 1973, to accept appointment as Assistant Professor at the University of Illinois. (C)
2. Mr. Douglas S. Prensner, Associate Professor of Thermal and Environmental Engineering, effective the end of the Spring Quarter, 1973, to become affiliated with The Navigators, Urbana, Illinois. (C)
3. Mr. Michael V. Talkington, Staff Assistant in the Statewide Assessment: Programs for the Disadvantaged Project, effective May 1, 1973, to accept appointment elsewhere. (C)
4. Mr. Edward L. Winn, Jr., Professor and Chairman of Finance, effective the end of the Summer Quarter, 1973, to accept appointment as Professor at the University of Mississippi. (C)

Mr. Rouse moved approval of Changes in Faculty-Administrative Payroll - Carbondale, including the supplements. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Derge, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, APRIL, 1973, SIUC

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of April, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

The Chair asked for comments or questions on the above matter; the report was received.

The Chair then recognized President Derge, who requested that the

agenda item entitled Approval of Degree Program: Master of Arts in Public Communications Arts, SIUC, be deferred. Mr. Allen said the reason for the postponement was his fault and not President Derge's or his staff. He had raised some questions at the last meeting concerning this program and a similar program at Edwardsville, and he had not had time to discuss it yet with the Presidents. There was no objection by the other members of the Board; therefore, the Chair declared the matter to be deferred.

The Chair then recognized President Derge, who requested Vice-President Mager to present the following matter:

AGREEMENT WITH CITY OF CARBONDALE FOR IMPROVEMENTS, SIUC

Resolution

WHEREAS, Representatives of the Board of Trustees of Southern Illinois University and of the City of Carbondale have been engaged in negotiation relative to mutually desirable improvements on and near the campus of Southern Illinois University at Carbondale, and

WHEREAS, A memorandum of understanding, attached hereto and made a part hereof as if herein set forth in full, embodying the terms of agreement between the respective negotiators, has been favorably received by the members of the Carbondale City Council,

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That:

- (1) The terms of the aforesaid memorandum of understanding be, and the same are hereby approved.
- (2) The President, Southern Illinois University at Carbondale, be, and he is hereby directed to provide for documentation to accomplish conveyance by this Board of any rights, titles or interests in real property to be conveyed under the terms of said memorandum.
- (3) The President, Southern Illinois University at Carbondale, be, and he is hereby directed to take such action as may be required to implement such terms of such memorandum as do not involve conveyance of any right, title or interest in real property.

MEMORANDUM OF UNDERSTANDING

The City of Carbondale and the Board of Trustees of Southern Illinois University jointly desire to make certain improvements to the campus of Southern Illinois University at Carbondale and to the adjacent community. These improvements are briefly described as follows:

1. The Board desires to construct a recreational complex north of the University Park Towers area. This complex will consist of a large building on the north side of Grand Avenue, centered over Marion Street with several athletic fields located adjacent thereto and between this building and the towers.
2. The City desires to construct a new raw water line between the existing city reservoir and the existing water treatment plant. This line will cross University property from a point near the physical plant on Route 51, to a point south of the trailer park on South Wall Street. This improvement is needed in order for the City to continue to furnish water to the University in the quantities that the Board desires.
3. The City desires to widen South Wall Street, from Freeman Street to Park Street, to a full four lanes of traffic; plus signalize the Wall Street and Grand Avenue intersection. This will greatly improve City-University traffic in this area.
4. The City and Board jointly desire the annexation to the City of such land, not heretofore annexed to the City, as lies between Evergreen Terrace and Evergreen Park.
5. The Board and City jointly desire to make some temporary improvements to East Grand Avenue. Said improvements would eliminate the dual single lanes between State Street and Marion Street, and relieve the University from the necessity of building a retaining wall to protect the site development south of the recreation building.

To accomplish the foregoing, the City agrees to do the following:

1. Promptly review the plans prepared by the Board for the relocation of the water and sewer main improvements associated with the recreation building complex, and if they meet with City and State standards, promptly sign the Environmental Protection Agency Permit which is required prior to construction.

2. Allow Grand Avenue and Marion Street between Grand and Pearl, to be closed for a reasonable period of time to facilitate the construction of the necessary utility tunnel facilities required for the recreational complex.
3. Vacate the following streets in a timely manner based on the following schedule:
 - a. Grand Avenue from Wall Street to Washington Street-upon completion of a grade separation at Mill Street, and a connector to Wall Street.
 - b. Park Street from Wall Street to Washington Street - immediately.
 - c. Marion Street from Park Street to Pearl Street - immediately.
 - d. Pearl Street from Marion Street to Washington Street - immediately or upon request.
 - e. Marion Street from Pearl Street to Grand Avenue - upon request.
4. Vacate or quit claim the site of the Number One Water Tower on the corner of East Grand Avenue and South State Street including any interest in the tower. In addition, the City will disconnect the tower from its water system and remove the chain link fence prior to any vacation.
5. Include the improvement of South Wall Street and East Grand Avenue between State Street and Marion Street in the City's 1974-75 Capital Improvements Program.

To accomplish the foregoing, the Board agrees to do the following:

1. Grant to the City a permanent water pipeline easement of 20 feet wide no later than July 1, 1973. In addition, grant to the City an additional 20 feet each side of the aforementioned 20-foot easement for a temporary easement to facilitate the construction of the pipeline. This temporary easement will cease upon the construction of said pipeline.

2. Grant to the City a strip of ground 20 feet in width immediately behind, contiguous, and parallel to the existing Wall Street right-of-way, said strip to be dedicated for road purposes to allow for the widening of South Wall Street. The strip is to extend from a point south of Hester Street to East Park Street and cover only those properties presently owned by the Board or acquired by the Board prior to the beginning of construction work for the widening of South Wall Street.
3. Provide the materials for the temporary reconstruction of East Grand Avenue between State Street and Marion Street; said materials consisting of crushed aggregate for the base, and asphaltic hot mix for the surface.
4. Acquiesce in the annexation by the City of such property, not heretofore annexed to the City, as lies between Evergreen Terrace and Evergreen Park.

Vice-President Mager requested Mr. Rino Bianchi, Director (of Facilities Planning) in the Office of the Vice-President for Development and Services, SIUC, to explain the map and to answer any questions concerning the proposed agreement.

After discussion, including mention that the Carbondale City Council were unanimous in their agreement with the articles as they had been rewritten, and that Vice-President Mager will present to the Board at the July meeting an informational item on the master plan for the east side of the campus, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye

The Chair then recognized President Derge, who requested Dr. George R. Mace, Dean of Students, SIUC, to present a current and pending matter on a contract for ambulance service between the City of Carbondale and the Board of Trustees of Southern Illinois University, SIUC, negotiations on which had only been completed June 1.

Mr. Fischer moved that the matter be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

Dr. Mace presented the following matter:

APPROVAL OF CONTRACT FOR AMBULANCE SERVICE BETWEEN THE CITY OF CARBONDALE
AND THE BOARD OF TRUSTEES OF SOUTHERN ILLINOIS UNIVERSITY, SIUC

CONTRACT FOR AMBULANCE SERVICE BETWEEN
THE CITY OF CARBONDALE, ILLINOIS,
AND THE BOARD OF TRUSTEES OF
SOUTHERN ILLINOIS UNIVERSITY, SIUC

THIS AGREEMENT, entered into this _____ day of _____, 1973, by and between the City of Carbondale, Illinois, a municipal corporation, hereinafter referred to as "City," and the Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois, located at Carbondale, Illinois, hereinafter referred to as "University,"

WITNESSETH:

WHEREAS, the City Council of the City of Carbondale, Illinois, has determined that a problem exists within the City of Carbondale, concerning ambulance service for the citizens of the City of Carbondale, and

WHEREAS, the City has further determined that there is no economical way by which the City can provide ambulance service, through City owned and operated facilities, for persons located within the City of Carbondale, and

WHEREAS, the University presently maintains an ambulance service which is capable of handling the normal ambulance service required for both the City of Carbondale and the University, and

WHEREAS, the University is willing and able to cooperate with the City to provide an ambulance service for the City of Carbondale in addition to its own ambulance needs, and

WHEREAS, the City Council of the City of Carbondale has determined that the University is qualified and able to provide said ambulance service for the City,

NOW, THEREFORE, THE PARTIES HERETO HEREBY AGREE, AS FOLLOWS:

1. Scope of Service. The University shall provide an ambulance

service for all of the persons located within the corporate limits of the City of Carbondale, Illinois, and will, with standards equal to those maintained for the benefit of its own students, operate said ambulance service in and for the City, answering all calls for said service in the City during the term of this agreement. The service to be rendered applies only to emergency service and not transfers between hospitals or care centers within the City or between cities.

2. Term. The term of this agreement shall be for six (6) months commencing on the 1st day of July, 1973, and terminating on the 31st day of December, 1973. This agreement may be extended for an additional six (6) months by written agreement of the parties hereto.

3. Compensation. The City shall pay to the University the sum of Forty Dollars (\$40.00) for each ambulance run which the University makes within the corporate limits of the City, but the City shall not be obligated to pay for those ambulance runs required by students registered half-time or more for tuition purposes in the University. The City shall not be obligated to make any payment to the University for any runs outside the corporate limits of the City. The City shall pay the University upon receipt by the City of notification of the run within the City.

4. Insurance. The University agrees to provide the City with a certificate of insurance which shall provide for bodily injury and property damage insurance coverage for the use of the ambulance in the amount of One Million Dollars (\$1,000,000.00) single limit.

5. Damages. If the University fails to make the normal ambulance runs as provided for in this agreement, the University, in such event, agrees to pay as damages to the City until termination date of this agreement the actual cost to the City that is over and above the \$40.00 per run agreement

rate, but in no event to exceed \$10.00 per run.

6. Termination. This agreement may be terminated by either party upon thirty (30) days written notification of termination thereof; or otherwise, by mutual written consent.

7. Discrimination. Exhibit "A" attached hereto and made a part hereof shall be a material portion of this agreement.

8. Binding Effect. All provisions of this agreement are binding and obligatory upon the parties hereto, their legal representatives, successors, other representatives or assigns of the parties hereto.

This agreement entered into by and between the parties hereto as of the day and year first above written.

EXHIBIT A

EQUAL EMPLOYMENT OPPORTUNITY CLAUSE

In the event of the contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Fair Employment Practices Act or the Fair Employment Practices Commission's Rules and Regulations for Public Contracts, the contractor may be declared nonresponsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

During the performance of this contract, the contractor agrees as follows:

- (1) That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
- (2) That, if it hires additional employees in order to perform this contract or any portion hereof, it will determine the availability (in accordance with the Commission's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- (3) That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin or ancestry.
- (4) That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the contractor's obligations under the Illinois Fair Employment Practices Act and the Commission's Rules and Regulations for Public Contracts. If any such labor organization or representative fails or refuses to cooperate with the contractor in its efforts to comply with such Act and Rules and Regulations, the contractor will promptly so notify the Illinois Fair Employment Practices Commission and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.
- (5) That it will submit reports as required by the Illinois Fair Employment Practices Commission's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Commission or the contracting agency, and in all respects comply with the Illinois Fair Employment Practices Act and the Commission's Rules and Regulations for Public Contracts.

(6) That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Illinois Fair Employment Practices Commission for purposes of investigation to ascertain compliance with the Illinois Fair Employment Practices Act and the Commission's Rules and Regulations for Public Contracts.

(7) That it will include verbatim or by reference the provisions of paragraphs 1 through 7 of this clause in every performance subcontract as defined in Section 2.10(b) of the Commission's Rules and Regulations for Public Contracts so that such provisions will be binding upon every such subcontractor; and that it will also so include the provisions of paragraphs 1, 5, 6 and 7 in every supply subcontract as defined in Section 2.10(a) of the Commission's Rules and Regulations for Public Contracts so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this contract, the contractor will be liable for compliance with applicable provisions of this clause by all its subcontractor and further it will promptly notify the contracting agency and the Illinois Fair Employment Practices Commission in the event any subcontractor fails or refuses to comply therewith. In addition, no contractor will utilize any subcontractor declared by the Commission to be nonresponsible and therefore ineligible for contracts or subcontract with the State of Illinois or any of its political subdivisions or municipal corporations.

(Article III, Section 3.1, Illinois Fair Employment Practices Commission Rules and Regulations for Public Contracts, adopted November 9, 1972)

After discussion, including editorial changes which had been incorporated in the contract above, Mr. C. Richard Gruny stated that a question had been raised by SIUC as to the City's acceptance of the definition of a student as one registered half-time or more; that there might be some negotiation on whether it was half-time, two-thirds time, quarter-time, and he had agreed with SIUC to request the Board to permit the definition of student to be negotiated further and not tie it irrevocably to the half-time standard.

The Chair suggested that the Board go ahead and approve the contract, and if an amendment is necessary bring the matter back to the Board.

Dr. Walker moved approval of the contract as corrected for ambulance service between the City of Carbondale, Illinois, and the Board of Trustees of Southern Illinois University, SIUC. The motion was duly seconded, and carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye

The Chair announced that the Illinois Senate just a few minutes ago advised and consented to some fifty-two appointments, including himself and Mrs. Margaret Blackshere to this Board. Legal Counsel Gruny advised that the Governor must now formally reappoint and appoint to make it legal, therefore, Mrs. Blackshere is still not entitled to vote today.

The Chair recognized Dr. Mace, who requested the Board consider giving permission to use \$15,000 of the student activity fees for Summer Quarter use until the next Board meeting when the student activity fees budget will be presented to the Board.

Dr. Walker moved that the matter be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

After discussion, Dr. Walker moved approval to allocate \$15,000 for emergency use by student activities until the new budget can be presented to the Board next month. The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye

CONSIDERATION OF SYSTEM MATTERS AND JOINT UNIVERSITY MATTERS

The Chair then recognized Chief of Board Staff Brown, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - OFFICE OF BOARD OF TRUSTEES

Ratification is requested for the following addition to and change in the faculty-administrative payroll. Additional detailed information is on file in the Office of the Board of Trustees:

A. Term Appointment

Miss Mary Ann Day to serve as three-eighths time Staff Assistant in the Office of the Board of Trustees for the period June 18, 1973 to September 1, 1973. She received the Bachelor of Science degree from Arizona State University.

\$225.00

Mr. Fischer moved approval of Changes in Faculty-Administrative Payroll - Office of Board of Trustees. The motion was duly seconded, and carried by the following recorded vote:

Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye

The Chair then recognized Chief of Board Staff Brown, who presented the following matter:

APPEAL OF HERMAN SUMMERS, SIUC

Summary of Dispute

Appellant's principal complaint is that for over two years his superiors have been trying to retaliate against him and two colleagues for having filed a grievance on salary matters. He alleges that this retaliation took the form of reassigning a major part of his duties to others and then threatening to reclassify the position downward on the basis of newly reduced responsibilities, which he claims would be a demotion by manipulation rather than by the due process demanded by the Civil Service System. He says this procedure was threatened four times, and each time the issue was dropped after he promised to appeal any such action. He also alleges that the reassignment of duties to others made possible a threat of abolition of the diminished position, and finally of a layoff. Layoff, however, must be in reverse order of seniority, and seniority has therefore come to constitute the principal question of this appeal.

SIUC denies any retaliatory intent and alleges that the whole situation resulted from the decrease in construction, remodeling and maintenance work to be supervised by such employees as Appellant, both because of an absolute decrease in construction and because of a decrease in the proportion of such work assigned to be done by our own forces. Instead of laying off any supervisors SIUC charitably chose to use them in other capacities, except for the one with greatest seniority, who continued to supervise construction.

Some of the pertinent facts include the existence for about fifteen years of two Civil Service classifications: Supervisor of Trades (Plumber, Steamfitter, Painter, Hanger, etc.), and Supervisor of Building Craftsmen (Carpenter, Painter, Electrician, Hanger, etc.). The latter job classification is often abbreviated to Supervisor of Crafts. Both classifications had the same qualifications and "characteristic duties" listed in the Civil Service System records. Appellant alleges that in fact the Supervisor of Trades worked in General Improvements on roads, sidewalks and such, and the Supervisors of Crafts (three including Appellant) generally handled buildings. SIUC alleges that the Supervisor of Trades handled construction and the Supervisors of Crafts handled plant maintenance. Whatever small differences there were in the written descriptions of these classifications had been ignored for some time in one way or another. A Supervisor of Building Maintenance classification was also created just before this grievance began, with a similar job description, even though both of the existing job descriptions included maintenance responsibilities.

The instant difficulty arose when the one Supervisor of Trades was assigned all supervision of crafts and trades and the Supervisors of Crafts were withdrawn from all such duties. On the one hand, the incumbent of the Trades job had more overall seniority in the Civil Service System, but on the other hand Appellant as the most senior man in the Crafts job had lost the duties and responsibilities of that job classification to a man with no seniority in that job classification. Appellant further alleges that parts of his previous duties also were assumed by the new Supervisor of Building Maintenance as well as by others in lower than supervisory positions.

One issue which Appellant categorizes as having "room for compromise" regards back pay, at a rate recently negotiated in compromise of other pay grievances which were settled before this present issue got before the Board.

Concerning the larger question of seniority, SIUC has once more assigned Appellant to supervision of construction in a two-man job classification of Supervisor of Crafts, but junior in seniority to the ex-Supervisor of Trades. Appellant insists that this man cannot be senior to him in the Supervisor of Building Craftsmen classification, and that this is a pretext upon which to wait a decent period and then lay him off for lack of work while the actual work which he should be doing is again assumed by the Supervisor of Building Maintenance and other positions less than supervisory.

The Executive Director of the Universities Civil Service System has issued a ruling that when job classifications are very similar and the duties are essentially the same they may be merged, with each incumbent to retain the seniority acquired in his own classification. Appellant objects that this ruling was made on the basis of a unilateral and slanted statement of the facts by SIUC only, in spite of his written request to be heard also. Further objection is made that said ruling is inapplicable in this case because, although the official job descriptions were quite similar, the actual assigned duties of the positions were no longer essentially the same; they had been made dissimilar by the reassignment of duties complained of in the first place. Appellant further alleges that the theory that the positions had been merged was first advanced two full years after SIUC began to reassign his job away from him, and was only a rationalization of what had in fact illicitly occurred.

Chairman Elliott stated that he had discussed this matter with Mr. Gruny and a group from the Carbondale campus. Inasmuch as the individual is back at work in a job which gives him seniority in accordance with the opinion of the Director of the University Civil Service System, he does have seniority. At such time as he would be fired, he would have a right to another grievance.

Mr. Allen moved that the Board finds that Appellant is not entitled to back pay at his present rate for any period prior to his latest salary increase; the action of the SIUC administration is accordingly affirmed; the Board finds that merger of the job classifications Supervisor of Building Craftsmen and Supervisor of Trades was proper and that each person in the merged classification properly retained his accumulated seniority in his previous classification; and the action of the SIUC administration is accordingly affirmed. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The Chair then recognized Chief of Board Staff Brown, who requested Dr. H. Edward Flentje to comment briefly on the following matter:

FY 75 BUDGET SUBMISSION: BOARD OF HIGHER EDUCATION GUIDELINES

While budget deliberations for FY 74 are hopefully coming to a close, preparations for submitting FY 75 budget requests to BHE are well underway. However, because of delays in working out the format and procedures for FY 75 budget submission, the deadlines for budget submission are already upon the universities. Final instructions from BHE staff have set the following deadlines:

<u>Material to be Submitted</u>	<u>Deadline Date</u>
1. New and Improved Program Requests	July 1, 1973
2. Mission and Scope Statement	September 1, 1973
This statement should include:	
<ul style="list-style-type: none"> - Definition of educational community served and its higher education needs - Objectives of the institution with respect to these needs - Alternative approaches to accomplishing the objectives - General approach adopted by the institution 	
3. Technical Plan	September 1, 1973
This plan should include:	
<ul style="list-style-type: none"> - Output targets and planning parameters - Description of existing programs, output levels, and conditions - Planned modifications to existing programs and conditions 	
4. Resource Requirements Plan (RRP)	September 1, 1973
This plan should include:	
<ul style="list-style-type: none"> - Projected program outputs - Physical resource requirements - Dollar resource requirements - Sources of funds 	

The basic question raised by the nearness of these deadlines is: What role does the Board of Trustees want to play in review of SIU budget requests? The following options among others are available to the Board:

- (1) FY 75 budget submissions should be made to BHE only after these requests are reviewed and approved by the Board of Trustees.
- (2) FY 75 budget submissions should be made to BHE, and information copies should be provided to the Board of Trustees.
- (3) FY 75 budget submissions should be made to BHE in accord with deadlines, and after such submissions the Board of Trustees will review and approve the budget requests.

After extensive discussion on the pressures involved in meeting the Board of Higher Education deadline dates for FY 75 budget submissions, it was the consensus of the Board that these submissions should be made to the Board of Higher Education only after these requests have been reviewed and approved by the Board of Trustees.

The members of the Board agreed that the Mission and Scope Statements and the New and Improved Program Requests should be presented to the Board at the July 13 meeting for their review and approval before being submitted to the Board of Higher Education, and the other material to be submitted will be presented to the Board at the August 10 meeting before being sent to the Board of Higher Education by September 1, 1973.

Chairman Elliott will write a letter to the Chairman of the Board of Higher Education requesting a change in the deadline date for submission of New and Improved Program Requests from July 1, 1973, until after the July 13 meeting of the Board of Trustees.

The Chair recognized Chief of Board Staff Brown, who presented the following informational item. He commented that it was his understanding that the appropriation bill for higher education would come under active scrutiny of the Senate Appropriations Committee next week.

PROPOSED LEGISLATION AFFECTING THE SIU SYSTEM

University Administration

Appropriations:

Both our official appropriation bills were introduced in the Senate in early April at the BHE-recommended levels. While there has been considerable movement behind the scenery, officially these bills repose in committee and have never been called for hearing. There are also two maverick bills in the House, not approved by the BHE nor authorized by our Board. The one for a television transmitter at SIUE has been remanded for a year's study along with another bill concerning a transmitter for WIU; the one for a Co-Rec Building at SIUE was supported in the Education Committee by SIUE representatives and was recommended Do Pass. It now goes to the Appropriations Committee.

(SB 503, 659; HB 1825, 1826)

General:

Two bills of interest have passed the House. One would require prompt payment for all State purchases, and the other permits filming of Open Meetings. A bill making several changes in the Purchasing Act has been recommended Do Pass. At passage stage is a bill to require an environmental impact statement for all State projects. On the House floor with a Do Pass recommendation is a bill to exempt State and local agencies from a city utility tax which the utilities presently pass on to the agencies. The latter bill does not mention public corporations, as most bills do not, so whether and how it applies to Universities remains in question. Finally a bill to abolish State immunity from lawsuits and subject it to the regular courts has been pigeonholed for a year's study.

(HB 177, 230, 1282, 701, 1269, 1291)

State Board of Education:

There are six bills on this in the House, and one in the Senate which is a duplicate of one of the House bills. The boards proposed range in membership from 13 to 30, and are elected, appointed, or partly each. Three include higher education and three (including the duplicate bills) do not, and one we can't tell about yet. The one bill that has passed the House is the one with a Senate duplicate; it provides for 17 appointed members to govern K-12 only. Two others also had a Do Pass recommendation, each from a different committee. Of the remainder, two got a Do Not Pass and two remain in committee without action.

(HB 661; HB 1053, 1660; HB 83, 1883; HB 1830, SB 1057)

University Employees

Collective Bargaining:

There are at least a baker's dozen of bills on this subject. All 6 of the Senate bills are stalled in committee. In the House one bill has been defeated on the floor and two in committee, and one is stalled in committee. That leaves three bills. The one which is now at passage stage permits unions to require dues from every civil service employee whom they represent, and for negotiation for the employer to enforce this by a dues checkoff. The one which passed in the house of origin applies to education only but extends also to faculty; it

requires collective bargaining by employers and permits strikes by employees, and that is all it says. It has no required impasse procedures and prohibits no unfair labor practices. The one held at amendment stage covers K-12 education only.

(SB 109, 500, 751, 852, 897, 1000; HB 3, 618, 1629; HB 1083, 448, 1652)

Pensions:

There are three bills to more adequately fund the University Retirement System; one looks dead, the remaining House bill for \$74 million is on the House floor with a Do Pass recommendation, and the Senate bill for \$24 million passed the Senate and is in House committee. There are five liberalizing bills, all out of committee in the house of origin but one. There is one bill out of committee which would prevent "buying in" military time for pension credit.

(HB 980, 1773, SB 183; HB 976, 1184, 1321, SB 576; HB 1166; SB 634)

General:

A bill to prohibit sex discrimination in University Civil Service is at passage stage in the House; in view of HEW and FEPC this bill seems redundant. A bill to stringently control matter in personnel files has been remanded for a year's study, and the bill to permit state salaries to be garnished for debt has been tabled.

(HB 1259, 1208, 528)

University Students

Board Membership:

The bill to put students on the U. of I. Board got a Do Not Pass recommendation. Of the other two bills to put students on all governing boards, one is at passage stage and the committee has not acted on the other. The former bill gives nonvoting Board membership to students at the rate of one student elected by the students of each campus governed by that Board. SIU would have two, the U. of I. three, and so on.

(HB 1195, 1628, 1719)

General:

The perennial bill to limit tuition waivers to 2% of the student body failed to gain committee approval. A modified Ohio Plan, to require students to repay some of the tax "subsidy" for their education, was sent down for a year's study. The bill to permit beer in dormitories has not been heard in committee in the house of origin, while the one permitting liquor in University faculty centers and airports has passed in one house and is at passage stage in the other. The bills in each house to lower the drinking age to 18 have been tabled, but the bill to permit sale of beer and wine only below 21 passed the House and has gained committee approval in the Senate. The principal debate has been whether the lower age limit should be 18 or 19.

(HB 473, 619; HB 1678, SB 216; HB 38, SB 469, HB 200)

The Chair then recognized Chief of Board Staff Brown, who presented the following current and pending matter:

RESOLUTION CONCERNING TEMPORARY FINANCIAL ARRANGEMENTS FOR
1973-74 UNIVERSITY OPERATIONS

Because the General Assembly of the State has not passed the Southern Illinois University Appropriations Bill for Fiscal Year 1973-74, it is requested that the Board of Trustees adopt the following resolution to authorize continued operation of the University and to permit tentative financial forecasting required for the Board of Higher Education until an Appropriations Bill for the University is enacted into law:

Resolution

BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That authorization for expenditures for the University operations shall be extended unchanged, or at reduced levels as necessary and when specified by the Presidents, until such dates as Fiscal 1973-74 salary adjustment recommendations and a complete Internal Budget for Fiscal Year 1973-74, based on the Appropriations Bill ultimately enacted into law, can be submitted to and approved by the Board of Trustees.

Mr. Allen moved that the matter be considered. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed unanimously.

After discussion, Mr. Allen moved approval of the resolution as presented. The motion was duly seconded, and carried by the following recorded vote:

Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye

The Chair then recognized Mr. Allen, who asked for the consensus of the Board that it has not taken an amended budget position. He felt that as this University appears before the Senate and House Committees, it should be reiterated that the official position of this Board is for the budget to be requested at the Board of Higher Education level, and that is the position which this Board supports. Chairman Elliott observed that if the Board takes no other action at this time, that is the Board's position on the budget. The consensus of the Board was that higher education should be funded at the \$647 million level.

CONSIDERATION OF SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE MATTERS

The Chair then recognized President Rendleman, who presented the following matter:

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following additions to and changes in the faculty and administrative staff payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Continuing Appointments

1. Mr. Philip M. Calcagno (b. St. Louis, Missouri, 11/29/46) as Assistant Professor in Lovejoy Library effective July 1, 1973, on a fiscal year basis. M.L.S., University of Illinois. \$ 835.00*
2. Miss Katherine Dunham (b. Chicago, Illinois, 2/06/12) as University Professor in Ethnic and Special Studies effective May 1, 1973, on a fiscal year basis. Ph.B., University of Chicago. \$2,500.00
3. Mrs. Shahrenas Ghoneim (b. El-Shotot, Egypt, 9/01/31) as Assistant Professor in the School of Dental Medicine effective July 1, 1973, on a fiscal year basis. Ph.D., University of Missouri. \$1,875.00
4. Miss Joan Lee Hewitt (b. St. Louis, Missouri, 8/04/40) as Assistant Professor in Lovejoy Library effective July 1, 1973, on a fiscal year basis. M.S., University of Illinois. \$ 925.00*
5. Mr. Marvin Karlins (b. Minneapolis, Minnesota, 10/04/41) as Professor of Business Administration in the Business Division effective September 24, 1973, on an academic year basis. Ph.D., Princeton University. \$2,090.00
6. Mr. Frank E. Oakes (b. Rochester, New York, 3/18/14) as Assistant Professor in Lovejoy Library effective May 1, 1973, on a fiscal year basis. M.A., University of Wisconsin; M.A. in L.S., The Florida State University. \$1,065.00
7. Mrs. Jane C. Pennell (b. St. Louis, Missouri, 9/25/17) as Assistant Professor of English Language and Literature in the Humanities Division effective September 24, 1973, on an academic year basis. Ph.D., Saint Louis University. \$1,020.00*
8. Mr. Henry L. Sparks, III, (b. Mineola, New York, 7/08/39) as Assistant Professor of Speech and Theater in the Fine Arts Division effective September 24, 1973, on an academic year basis. M.F.A., Brandeis University. \$1,200.00*

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

9. Mr. Donald K. Strohmeier (b. Rochester, New York, 4/09/27) as Associate Professor of Earth Sciences in the Social Sciences Division effective September 24, 1973, on an academic year basis. M. of Regional Planning, Kansas State College. \$1,700.00

10. Mr. Robert A. Vanzo (b. Hillsboro, Illinois, 9/14/49) as Assistant to the Director of Institutional Research and Studies effective May 1, 1973, on a fiscal year basis. M.B.A., Southern Illinois University. \$1,100.00

B. Term Appointments
(Previously Approved Base Salary Not Repeated)

1. Mr. Charles A. Armitage as Visiting Assistant Professor of Business Administration in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. Ph.D., University of Toronto. Salary to be paid from restricted funds. \$1,350.00*

2. Mr. Ramey R. Elliott as Staff Assistant in the Understanding of Black Dialect-Field Testing Project for the period March 1, 1973, to April 1, 1973. B.A., Southern Illinois University. Salary to be paid from restricted funds. \$ 600.00

3. Mr. William H. Gardner as Instructor of Business Administration in the Business Division for the Fall Quarter, 1973. M.S., Indiana State University. Salary to be paid from restricted funds.

4. Mr. Martin Goldberg as Visiting Assistant Professor of Management Science in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. Ph.D., Northwestern University. Salary to be paid from restricted funds.

5. Mr. Fredrick H. Hamilton as Assistant to the Program Director of the Supplemental Instructional Program for the period May 1 to July 1, 1973. M.Ed., University of Pittsburgh. \$1,375.00

6. Mr. Thomas B. Herthel as Associate Professor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74. Ph.D., Cornell University.

7. Mr. Raymond LaGarce as Visiting Assistant Professor of Marketing in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. Ph.D., University of Missouri. Salary to be paid from restricted funds.

8. Mr. Stanford L. Levin as Visiting Lecturer of Economics in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. M.A., University of Michigan. Salary to be paid from restricted funds.

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

9. Mr. David K. Palit as Visiting Instructor of Accounting in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. M.A., University of Illinois. Salary to be paid from restricted funds.

10. Mrs. Katharine Popp as one-half time Lecturer of Counselor Education in the Education Division for the Spring Quarter, 1973. Ph.D., Indiana University. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 625.00

11. Mrs. Donna G. Schoonover as Instructor in the Nursing Division for the period May 1 through the end of Spring Quarter, 1973. M.S.N., University of Missouri.

\$ 950.00

12. Mrs. Elizabeth R. Stanley as one-half time Lecturer in Lovejoy Library for the period May 1 to July 1, 1973. M.A., University of Denver. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 465.00

C. Summer Quarter Appointments

First Appointments for Summer, 1973:

1. Mr. Ray E. George as Instructor of Art and Design in the Fine Arts Division for the Summer Quarter, 1973. M.A., University of Northern Iowa.

\$1,095.00

2. Mr. Curtis H. Stanley as one-fourth time Visiting Professor of Accounting in the Business Division for the Summer Quarter, 1973. Ph.D., University of Michigan. Salary to be paid from restricted funds.

\$ 500.00

D. Reappointments (Previously Approved Base Salary Not Repeated)

1. Mr. W. Duane Bridenbaugh as Instructor in the Delinquency Study and Youth Development Study Center for the period July 1, 1973, to July 1, 1974.

2. Mr. Rino Cassanelli as Instructor of Foreign Languages and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

3. Mr. Leland B. Cohen as Instructor of Sociology in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1973-74.

4. Mrs. Elizabeth M. Crook as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

5. Mrs. Viola K. Daugherty as one-half time Academic Adviser in the General Studies Division for the period July 1, 1973, to July 1, 1974.
6. Mrs. Jane L. Denny as one-half time Academic Adviser in the General Studies Division for the period July 1, 1973, to July 1, 1974.
7. Mrs. Eleanor Ellis as Staff Assistant in the Center for Urban and Environmental Research and Services for the period July 1, 1973, to July 1, 1974.
8. Mrs. Linda K. Funkhouser as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.
9. Mrs. Patricia Ann Goehe as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.
10. Mr. John George Gross as one-half time Assistant in Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.
11. Mr. Kent E. Hedlund as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.
12. Mr. W. Douglas Hobbie as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.
13. Mrs. Linda Lee Hodges as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.
14. Mrs. Helen H. Hollander as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.
15. Mrs. Velta Ritums Inglis as Instructor in Lovejoy Library for the period July 1, 1973, to July 1, 1974.
16. Mrs. Gayle Irma Jones as Instructor of Speech and Theater in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.
17. Mrs. Laura Reed Joost as one-half time Lecturer in Lovejoy Library for the period July 1, 1973, to July 1, 1974. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

18. Mrs. Norma L. Judkins as one-fourth time Lecturer of Elementary Education in the Education Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

\$ 225.00

19. Mrs. Ethel Jean Kittrell as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

20. Mr. Donald J. Klein as Visiting Professor of Accounting in the Business Division for the Fall, Winter and Spring Quarters, 1973-74. Salary to be paid from restricted funds.

21. Mrs. Mary Rose Mellein as Instructor in the School of Dental Medicine for the period July 1, 1973, to July 1, 1974.

22. Mr. William J. Meyer as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

23. Mr. Mervyn B. Quigley as Visiting Associate Professor in the School of Dental Medicine for the period July 1, 1973, to July 1, 1974.

24. Mr. Arthur A. Sandoval as Instructor of Art and Design in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.

25. Mrs. Janet Scott as Instructor of Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.

26. Mr. Robert C. Sedlacek as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

27. Miss Margaret Sherwin as Instructor in Lovejoy Library for the period July 1, 1973, to July 1, 1974.

28. Mrs. Ina Peabody Sledge as Instructor in Lovejoy Library for the period July 1, 1973, to July 1, 1974.

29. Mrs. Sheila S. Stimson as one-half time Lecturer in Lovejoy Library for the period July 1, 1973, to July 1, 1974. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

30. Mrs. Eleanor C. Stoppe as Instructor of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

31. Mr. Richard A. Thornton as Academic Adviser in the Business Division for the period July 1, 1973, to July 1, 1974. Salary to be paid from restricted funds.

32. Mrs. Barbara C. Tirre as Instructor of Mass Communications in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.

33. Mrs. Betty Ruth Tomfohrde as one-half time Assistant in Music in the Fine Arts Division for the Fall, Winter and Spring Quarters, 1973-74.

34. Mr. David H. Van Aken as thirty-three per cent time Lecturer of English Language and Literature in the Humanities Division for the Spring Quarter, 1973. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

35. Mr. Donald L. Wallace as thirty-three per cent time Lecturer of Earth Sciences in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1973-74. This appointment carries faculty privileges appropriate for part-time appointment except that time of service in it does not count toward permanent tenure.

36. Mr. William T. Weir as Lecturer of English Language and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

37. Miss Veronique Zaytzeff as Instructor of Foreign Languages and Literature in the Humanities Division for the Fall, Winter and Spring Quarters, 1973-74.

E. Changes of Assignment, Salary and Terms of Appointment
(Previously Approved Base Salary Not Repeated)

1. Mr. Charles A. Armitage to serve as Visiting Assistant Professor of Business Administration in the Business Division, rather than Lecturer, with monthly salary increase due to completion of the doctor's degree, for the period May 1 through the end of Spring Quarter, 1973. Salary to be paid from restricted funds.	\$1,350.00 rather than \$1,250.00
--	---

2. Mr. Donald C. Aucamp, Assistant Professor of Management Science in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the period April 1 through the end of Spring Quarter, 1973.

3. Mrs. Gladys Steinman Daniels to serve as Assistant Professor Emerita of English Language and Literature in the

Humanities Division effective September 1, 1973, rather than June 16, 1973, as reported previously.

4. Miss Katherine Dunham to serve as University Professor in Ethnic and Special Studies on continuing appointment, rather than Project Director on term appointment, effective May 1, 1973.

5. Mr. James B. Hansen, Assistant to the Dean of the Education Division on leave without pay, to serve as sixty-seven per cent time Lecturer of Business Education in the Business Division, for the Winter Quarter, 1973.

\$ 536.00

6. Mr. Ira Brooks Holder, Assistant Dean in the General Studies Division, to serve also as Adjunct Assistant Professor of Counselor Education in the Education Division for the period July 1, 1973, to July 1, 1974.

7. Mr. Marvin Karlins, Associate Professor of Business Administration in the Business Division, to be paid from State of Illinois funds and restricted funds, rather than State of Illinois funds, for the period April 1 through the end of Spring Quarter, 1973.

8. Mrs. Barbara Lawrence to serve as Assistant Professor of English Language and Literature in the Humanities Division, rather than Instructor, due to completion of the doctor's degree, effective June 1, 1973.

9. Miss Annette Marie Mulvany, Coordinator (of Special Projects) in the University Information Center, to serve also as Instructor of Speech and Theater in the Fine Arts Division on a continuing basis, effective July 1, 1973.

10. Mr. John M. Moormann, Jr., Assistant to the Director of Broadcasting Services, to serve also as Instructor of Mass Communications in the Fine Arts Division on a continuing basis, effective July 1, 1973.

11. Mr. Frank E. Oakes to serve as Assistant Professor in Lovejoy Library on continuing appointment, rather than term appointment, effective May 1, 1973.

12. Mr. John P. Phillips, Assistant Professor of Management Science in the Business Division, to serve also as Director in the Business Division on a fiscal year basis, rather than academic year basis, with monthly salary increase to reflect additional administrative responsibilities, for the period July 1, 1973, to September 16, 1973. Salary to be paid from restricted funds.

\$1,900.00*
rather than
\$1,850.00*

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

F. Sabbatical Leaves

In conformity with established regulations, sabbatical leave is recommended for the faculty members listed below:

1. For the Fiscal Year, July 1, 1973, to July 1, 1974, at half pay:

Mr. Daniel W. Soper, Professor of Counselor Education in the Education Division, received the Doctor of Philosophy degree from Syracuse University. He plans research, study and collection of information concerning the current trend toward emphasizing humanistic education for the teachers and counselors, and scholarly writing.

2. For the Summer and Fall Quarters, 1973, at full pay:

Mr. Melvin A. Hanson, Professor of Finance in the Business Division, received the Doctor of Philosophy degree from the University of Minnesota. He plans research and scholarly writing.

3. For the Fall Quarter, 1973, at full pay:

Mr. Alfred G. Pellegrino, Professor of Foreign Languages and Literature in the Humanities Division, received the Doctor of Philosophy degree from the University of Montreal. He plans a study of current system of foreign language methodology in the United States and abroad, revision of an elementary French textbook and completion of another book, Perspectives on the Teaching of Foreign Languages.

4. For the Fall and Winter Quarters, 1973-74, at full pay:

a. Mr. Walter L. Blackledge, Professor of Business Administration in the Business Division, received the Doctor of Philosophy degree from the State University of Iowa. He plans a study of personnel selection and recruitment of recent business university graduates into executive positions in government, business and industry.

b. Mr. John Ingwersen, Assistant Professor of Management Science in the Business Division, received the Master of Business Administration from New York University. He plans research, study and completion of a manuscript.

c. Mr. Richard N. McKinney, Assistant Professor of Business Administration in the Business Division, received the Doctor of Philosophy degree from Saint Louis University. He plans research and study in his field of professional specialization, Organizational Behavior, Theory and Change, which will increase his professional competence and provide greater student knowledge and skills in this area.

d. Mr. John R. Rider, Professor of Mass Communications in the Fine Arts Division, received the Doctor of Philosophy degree from Michigan State University. He plans research, travel abroad and scholarly writing.

e. Mrs. Gertraude C. Wittig, Associate Professor of Biological Sciences in the Science and Technology Division, received the Doctor of Natural Sciences degree from the University of Tübingen, Germany. She plans research, study and completion of manuscripts.

5. For the Fall and Spring Quarters, 1973-74, at full pay:

Mr. Robert R. Blain, Associate Professor of Sociology in the Social Sciences Division, received the Doctor of Philosophy degree from the University of Massachusetts. He plans completion of a textbook manuscript.

6. For the Winter and Spring Quarters, 1974, at full pay:

a. Mr. James G. Bridwell, Instructor of Earth Sciences in the Social Sciences Division, received the Master of Arts degree from Southern Illinois University. He plans research and study of strip mine reclamation and solid waste in Illinois and development of a set of slides in the field of soil erosion for classroom use.

b. Mr. Rasool M. H. Hashimi, Associate Professor of Economics in the Business Division, received the Doctor of Philosophy degree from the University of Wisconsin. He plans research, study and scholarly writing concerning specific problems of the Middle East.

c. Mr. James M. Henslin, Associate Professor of Sociology in the Social Sciences Division, received the Doctor of Philosophy degree from Washington University. He plans research, study and scholarly writing.

d. Miss Carol A. Keene, Assistant Professor of Philosophical Studies in the Humanities Division, received the Doctor of Philosophy degree from Saint Louis University. She plans research, travel abroad, and scholarly writing.

e. Mr. Cameron W. Meredith, Professor of Counselor Education in the Education Division, received the Doctor of Philosophy degree from the University of Michigan. He plans completion of two manuscripts.

f. Mr. L. Dan Romani, Associate Professor of Foreign Languages and Literature in the Humanities Division, received

the Master of Arts degree from the University of Illinois. He plans research of Modenese drama at the University of Modena, Italy, and a survey of the need for multi-lingual individuals in various agencies of government and commerce for use in anticipating career opportunities for American students of French, Italian, Spanish and German.

g. Mr. Mark M. Tucker, Professor of Special Education in the Education Division, received the Doctor of Education degree from the University of California at Los Angeles. He plans research, study and completion of a manuscript.

h. Mr. Antony C. Wilbraham, Associate Professor of Chemistry in the Science and Technology Division, received the Graduate of Royal Institute of Chemistry Research Diploma from the Royal Institute of Chemistry, London. He plans research of the use of pulse radiolysis and electron spin resonance of chemiluminescent systems at The University of Manchester, England.

7. For the Spring Quarter, 1974, at full pay:

Miss Helen D. Goode, Associate Professor of Foreign Languages and Literature in the Humanities Division, received the Doctor of Philosophy degree from the University of Kansas. She plans research and preparation of a textbook for Spanish stylists.

G. Resignations

1. Mr. Robert M. Jones, Assistant to the Dean of the Nursing Division, effective April 1, 1973, for personal reasons.

2. Mr. Christopher McKee, Associate Professor in Lovejoy Library, effective April 1, 1973, to accept a position at Grinnell College.

3. Mrs. Shirley P. Scott, Staff Assistant in the Education Division, effective May 8, 1973, for personal reasons.

4. Mrs. Mary Ann Sommers, Staff Assistant in the Business Division, effective March 31, 1973, for personal reasons.

H. Correction

Mr. George Heaslip, Jr., Instructor of Sociology in the Social Sciences Division, resigned effective September 16, 1972, rather than September 16, 1973, as reported previously.

H. Other Personnel Matters - For Information Only

The following person will retire from service on the date indicated:

Mr. Robert Murdoch
Assistant Professor of Philosophical Studies
in the Humanities Division

June 16, 1973

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL - EDWARDSVILLE

Ratification is requested for the following change in the faculty and administrative staff payroll. Additional detailed information is on file in the Office of the Vice President and Provost.

A. Term Appointment

Mr. Jeffrey W. Wides as Assistant Professor of Government and Public Affairs in the Social Sciences Division for the Fall, Winter and Spring Quarters, 1973-74. Ph.D., University of California at Los Angeles.

\$1,295.00*

B. Change of Assignment, Salary or Terms of Appointment

Mr. Jeffrey W. Wides, Assistant Professor of Government and Public Affairs in the Social Sciences Division, to serve on term appointment, rather than continuing appointment, effective June 8, 1973, to conform with the Bylaws and Statutes of the Board of Trustees of Southern Illinois University following the denial of tenure.

*Subject to 1973-74 salary increase as approved by the Board of Trustees, if applicable.

FACULTY APPOINTMENTS FOR SUMMER QUARTER, 1973

Ratification is requested for the following Summer Quarter, 1973, appointments for faculty whose academic records have been reported previously. (Previously approved base salaries are not included.)

*Salary to be paid from restricted funds.

**Salary to be paid from restricted funds and State of Illinois funds.

President Rendleman explained there was a supplement, copies of which had been sent to the members of the Board in advance of the meeting, and there also were the Faculty Appointments for Summer Quarter, 1973, in this matter.

Mr. Fischer moved approval of Changes in Faculty-Administrative Payroll - Edwardsville, including the supplement and the Faculty Appointments for Summer Quarter, 1973. The motion was duly seconded, and carried by the following recorded vote:

William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye

The Chair then recognized President Rendleman, who presented the following matter:

REPORT OF PURCHASE ORDERS AND CONTRACTS, APRIL, 1973, SIUE

In accordance with III Bylaws 1, and procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of April, 1973, was mailed to the members of the Board in advance of this meeting, a copy was placed on file in the Office of the Board of Trustees, and this report is hereby submitted for information and entry upon the Minutes of the Board with respect to the actions of the Executive Committee.

The Chair asked for comments or questions on the above matter; the report was received.

The Chair then recognized President Rendleman, who stated that the Board Staff had recommended that no action be taken at this time on Personnel Policies in Academic Affairs, SIUE, and that he had no objection, but he did want to point out that there are two Universities with two Faculty Councils who make differing developmental policies with regard to faculty service. Even though this matter was deferred, President Rendleman commented that the personnel activity of the University would continue and would be within the present Board

policy using these guidelines in the interim.

Chairman Elliott commended President Rendleman's staff for the excellent work in putting these policies together. He would like to have the same kind of policies ready for both Universities and some way of extracting from them what needs to be System policy. Mr. Allen agreed, and commented that the questions raised by the Board Staff were not to the Universities but to this Board. The Board should decide the definition of what is a system and how far system responsibility should go. Chairman Elliott felt that a framework is needed in which to discuss or seek recommendations as to these items and possibly others as to whether or not they should be System policies, to what extent they have System impact, and to what extent they can be different between the two Universities.

After considerable discussion, the Chair declared that the Personnel Policies in Academic Affairs, SIUE, be deferred and the System Council was instructed to respond to the members of the Board with their advice next month. The Chair requested that at such time as the Board does consider these personnel policies or other policies to have pointed out what items are changes in policy from past policy.

The Chair then recognized President Rendleman, who presented the following matter:

APPROVAL OF CONTRACT: MISSISSIPPI RIVER FESTIVAL, INC., SIUE

The Mississippi River Festival has been presented on the campus of Southern Illinois University at Edwardsville since the summer of 1969. The Festival has been conducted under the auspices of a not-for-profit corporation (Mississippi River Festival, Inc.) since the formation of that corporation early in 1970. Attendance at the Festival has steadily increased and the Festival continues to receive national recognition as a major cultural and artistic attraction.

A fifth anniversary season of the Festival is planned to be held during July and August, 1973. Through its affiliation with the Festival, the University at Edwardsville has established a favorable rapport with the entire St. Louis metropolitan area, bridging the traditional barrier of the Mississippi River, and the University has as well received favorable recognition with national news media and cultural interests.

University officers have negotiated with officers and directors of MRF, Inc. and the St. Louis Symphony Society in respect to contractual arrangements to govern presentation of the fifth anniversary season of the Mississippi River Festival. In keeping with the Board-enacted Guidelines for Functions of the Board of Trustees which (at "Internal Affairs, A3") requires Board approval of expenditure of funds through contracts, the Board is requested to approve the contract between SIU at Edwardsville and MRF, Inc. This contract already has been authorized by the Board of Directors of MRF, Inc. (along with a companion contract between MRF, Inc. and the Symphony Society).

In summary, the MRF, Inc./SIUE contract provides that:

- (1) The University will provide use of its multi-purpose events site, with appropriate care, maintenance, and repair of facilities, for MRF, Inc.'s 1973 season.
- (2) The University further agrees to furnish services by its audio directors, tentmaster, concert manager (and assistant), and adequate box office, ushering, and security personnel.
- (3) In consideration of the above services during the eight-week Festival period, MRF, Inc. agrees to pay the University \$40,000.
- (4) The University also agrees to furnish food and parking services, provided the University retains all proceeds from these services up to an amount equal to actual costs incurred in providing these services.

MRF, Inc. has approved a separate contract between itself and the Symphony Society. Under this contract, the Symphony will provide MRF, Inc. the services of the full Symphony orchestra, music director, Symphony administrative staff, and a Festival managing director, as well as the costs of all music rental and all travel and drayage expenses. Further, the Symphony agrees to provide stagehands for all concerts, whether or not symphonic concerts. MRF, Inc. agrees to pay the Symphony Society \$214,200 for these services, and the Symphony assures its pledge of \$40,000 to the Festival.

University officers feel that the proposed MRF, Inc./SIUE contract will provide fair reimbursement to the University for expenditure of funds directly associated with the Festival.

Resolution

WHEREAS, The Mississippi River Festival seeks to holds its fifth anniversary season on the campus of SIU at Edwardsville.

WHEREAS, The Board of Trustees desires to further the conduct of this important artistic and cultural activity in conjunction with the University at Edwardsville.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Trustees of Southern Illinois University in regular meeting assembled, That the contract today proposed between Southern Illinois University at Edwardsville and the Mississippi River Festival, Inc. is approved and the President of Southern Illinois University at Edwardsville be and is hereby authorized to execute said contract.

PROPOSED MRF, INC./SIUE CONTRACT FOR 1973 SEASON
(SUBMITTED FOR BOARD OF TRUSTEES CONSIDERATION ON JUNE 7, 1973)

AGREEMENT

THIS AGREEMENT made and entered into this _____ day of _____, 1973 by and between the MISSISSIPPI RIVER FESTIVAL, INCORPORATED, hereinafter called "The Festival" and SOUTHERN ILLINOIS UNIVERSITY AT EDWARDSVILLE, ILLINOIS, hereinafter called "The University."

WITNESSETH:

WHEREAS, The Festival is a not-for-profit Illinois corporation whose purpose is to sponsor an annual Festival of Musical Arts and other Fine Arts which shall be educational and civic in nature, exclusively with Saint Louis Symphony Society and Southern Illinois University at Edwardsville; and

WHEREAS, It is in the interest of The University, with its dramatically rapid growth, to acquire a noteworthy cultural facility which will attract the participation and favorable notice of greater St. Louis area residents, students of all universities in the area, tourists, and which will bring to The University, through the quality of performance and presentation, national recognition in the field of music and the performing arts.

NOW, THEREFORE, IT IS AGREED THAT:

- I. In consideration of fees to be paid the University pursuant to Paragraph II of this Agreement, the University shall provide services as follow to the benefit of the Festival:
 - A. The University shall furnish and otherwise permit use of its multi-purpose events facility for public performances by the Festival for the eight-week period, July 9 through August 31,

1973, and the University further agrees to provide facilities appropriate for rehearsals during that period.

- B. The University shall undertake appropriate care, maintenance, repairs and improvements of the grounds and facilities supplied.
- C. The University shall furnish the services of audio directors, tentmaster and assistants, Concert Manager, Assistant Concert Manager, and the services of regular University employees (including students in appropriate cases) in respect to providing adequate ushering, box office, security and related administrative functions. Subject to the provisions of Paragraph III, below, the University further agrees to provide University employees (including students where appropriate) to furnish adequate parking lot and food service functions.

II. In consideration of the performance of services under Paragraph I of this Agreement, the Festival shall pay to the University the sum of \$40,000.00 (Forty Thousand and No/100 Dollars), said sum to be paid by installments of \$5,000.00 (Five Thousand and No/100 Dollars), each installment of which shall be due and payable cumulatively at the end of each of the eight weeks specified in Paragraph IA above. Payment of sums under this Paragraph II shall be separate from and in addition to monies retained by the University pursuant to Paragraph III below.

III. In addition to, and separate from, sums payable to the University under Paragraph II of this Agreement, it mutually is agreed that the University shall retain all proceeds which accrue from operation

of food services and parking at the Festival site cumulatively up to, but not exceeding, the sum necessary to cover actual costs incurred by the University in providing these services. The University agrees to account, by maintenance of separate accounting records, for actual expenses in respect to these services. It is agreed that an accounting shall be rendered, following the end of the Festival season, in respect to expenses arising out of these services; and the University agrees that the net balance, if any, of proceeds from these services (i.e., gross proceeds less actual accumulated University expenses in providing the services) shall be paid to the Festival.

- IV. It is further agreed that if the performance of any of the covenants and promises of the Agreement on the part of either the University or the Festival shall be prevented by act of God, force, majeure, fire casualty, illness, physical disability, the acts of regulations of public authorities or labor unions, labor difficulties, lockout, strike, civil tumult, war, riot, power failure, blackout, air raid alarm, air raid, act of public enemy, epidemic, interruption or delay of transportation service or any other cause of a similar or different nature, beyond its control, the parties shall respectively be relieved of their obligations hereunder with respect to the performance so prevented for the period during which such performance shall be so prevented. If the presentation of a concert or concerts shall be prevented for any of the foregoing reasons, the University shall be under no obligation to supply the services described above; nor shall the Festival be obligated to pay the University for that

portion of cost represented by the concert or concerts unplayed.

IN WITNESS WHEREOF, this Agreement has been executed by the
undersigned.

President Rendleman explained that there are three kinds of costs in the operation of the Mississippi River Festival: (1) The cost of having the Outdoor Performing Arts Facility in operation for the events that are held there other than the Mississippi River Festival; (2) direct cost of the Mississippi River Festival; and (3) indirect cost of the Mississippi River Festival. The University is attempting with this contract to recover the direct cost involved.

After extensive but inconclusive explanation and discussion, including an amendment suggested by Dr. Rendleman which has been incorporated in the contract above, Mr. Allen moved that this Board go on record as being in general support of the Mississippi River Festival, and that it delegate the responsibility to the members of the Executive Committee to act on this contract after the questions raised have been resolved to their individual satisfaction. The motion was duly seconded. Mr. Fischer requested a conference call for discussion if the members of the Executive Committee did not agree to approve the contract, which request received common consent. The motion carried by the following recorded vote:

Ivan A. Elliott, Jr.	Aye
Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye

The Chair then recognized President Rendleman, who presented the following matter:

AWARD OF CONTRACTS: BASEBALL FIELD IMPROVEMENTS, SIUE

Plans, specifications, and details in respect to fixed improvements to the intercollegiate baseball facilities at SIUE were approved by the Board in March. Bids in respect to contracting work to be performed by outside contractors were awarded at the regular May meeting, except with respect to bids for the grandstand element of the project.

Bids for the latter element were not received in time for action by the Board at the regular May meeting, but will be received subsequent to the deadline date for submission of June agenda items to the Office of the Board of Trustees. If bids received are favorable for award, a tabulation of bids and recommendations pertinent thereto will be forwarded as soon as available in advance of the June meeting date. The Board will be asked to award bids and authorize contracts accordingly.

TRACT 7000 - BASEBALL FACILITY

Southern Illinois University
at Edwardsville, Illinois

Bids Taken at 10:30 A.M., May 30, 1973

GRANDSTAND IMPROVEMENTS - Proposed Purchase Orders No. 66055-0635
and 66055-0642

Contractor:
Hellrung Construction Co.
One Ridge St.
Alton, Illinois 62002

Material - 0635	\$23,038.00
Erection - 0642	7,773.00

Time to Complete: 70 days

Total Cost of Work.....\$30,811.00

Architect's Estimate.....\$30,000.00

Mr. Fischer moved that Hellrung Construction Company of Alton, Illinois, be awarded the contracts for material and erection of the grandstand element.

The motion was duly seconded, and carried by the following recorded vote:

Harold R. Fischer	Aye
Donald E. Fouts	Aye
W. Victor Rouse	Aye
Harris Rowe	Aye
Earl E. Walker	Aye
William W. Allen	Aye
Ivan A. Elliott, Jr.	Aye

The Chair then recognized President Rendleman, who reminded the Board that it had approved at the May meeting the use of funds which had been awarded to the University by the National Institute of Health. He reported that these funds have now been made available and the improvement of the five buildings discussed in May will proceed.

The Chair recognized Mr. Allen, who requested information on the request that the System Council make a proposal for student input to the Board. President Rendleman replied that the System Council will make a recommendation to the Board in the near future.

Dr. Walker moved that the meeting be recessed for the scheduled luncheon, and that the Board reconvene in executive session after lunch with no action to be taken. The motion was duly seconded, and after a voice vote the Chair declared the motion to have passed.

The meeting adjourned at 12:25 p.m.

Alice Griffin, Assistant Secretary

INDEX to Subject Matter

- Academic calendar: early semester system, 885-86
- Academic Freedom and responsibility: Amendment to Statutes of the Board of Trustees, 6-10
- Academic programs
report on pre-legal internship program, SIUE, 99-101
Cooperative doctoral programs, Washington University and St. Louis University, SIUE, 646-48
Cooperative education program, University of Missouri 648-50
Innovative teaching programs, SIUE, 823-27
University Studies degree authorized, SIUC, 873-74
See also Cooperative programs
- Academic units: creation, abolition, or alteration
Regional and Urban Development Studies and Services renamed Center for Urban and Environmental Research and Services, SIUE, 84-85
Reading Center, 501
College of Science authorized, SIUC, 628-30
College of Urban and Environmental Studies proposed, SIUE, 631-36
College of Human Resources authorized, SIUC, 675-77
Department of Occupational Education reassigned, 693-94
Divisions redesignated as Schools, SIUE, 699
Vocational-Technical Institute renamed School of Technical Careers, SIUC, 781-87
Business Research Bureau: merger with Small Business Institute, 874-75
Department of Plant Industry renamed Department of Plant and Soil Science, 969-70
- Administration of Justice: graduate program review, 26, 326
- Admissions
School of Medicine policy, 636
Early admissions policy, 678-80
School of Law, 972-73
- Affiliation agreements for professional radiologist services, 637-42
- Agricultural Industries: graduate program review, 20, 271, 320
- Agriculture, School of: research expenditures, 348
- Allied Health and Public Services, School of Technical Careers, 784
- Alumni Association: fund-raising feasibility study, 946-47
- Alvis, Dr. Walter P., report of death, 949
- Ambulance service: discussed, 1046-47
contract approved, 1071-77
- Animal Industries: graduate program review, 23, 323
- Annuity program, tax-sheltered discussion of amendments, 747-48
approval of amendments, 779-81
- Anthropology: graduate program review, 26, 326
- Applied Science: recommendation to phase M.S. degree, 11, 13, 313
- Applied Technologies, School of Technical Careers, 784
- Art: graduate program review, 23, 323
- Associate degree programs, 785-86
- Association of Governing Boards of Universities and Colleges: report of meeting, 993
- Athletics
award of bids, temporary athletic facility, SIUE, 94-99
improvement of baseball facilities, 642-44, 901-03, 1013-15, 1116-19
- Auditing
see Finances
- Aviation Technologies, School of Technical Careers, 784

Bachelor's degree

minimum hours revised, SIUC, 625
in School of Technical Careers,
875-77

Baker, Rebecca, report of death, 399

Biological sciences: graduate program
review, 26, 326

procedure for presenting current and
pending matters, 89-90

changes in faculty-administrative
payroll, 117, 943, 1078

directors and officers liability
insurance approved, 496-97

operating funds analysis, July 1,
1970-June 30, 1973, 630-97

staff report on enrollments, 658

schedule of meetings, 1973, 678

election of officers, 743-46

Committee on Board and Executive
Officer Relationships, 746-47,
836-53

report, meeting of Civil Service
Merit Board, 835-36

guidelines for functions, 839-43

functions of board staff, 851-53

report on dinner with Governor, 915

report, executive committee meeting,
993-94

report, Board of Higher Education
meeting, 1052-54

Board Staff, functions of, 851, 853

Botany: graduate program review,
17, 317

Budget

increase for health education, 397

funds for cooperative Ph.D.
programs, 647-48

statement on Governor's budget
message, 886

BHE recommendations, discussed,
909-11

emergency allocation of student
activity fees, 1077-78

appropriations bills, 1083

Budget, annual internal operating

FY 1972-73:

campus housing activity fee

budget, SIUC, 92-93

student activity fee budget, SIUC,
101-05

discussion of, 115-17

approval of, 117

FY 1973-74:

preliminary, submission to BHE, 52

discussed, 508-09

request approved, 623-24

board staff report, 887

BHE allocations, 977, 979-82

BHE recommended changes, 1052-54

interim use of 1972-73 budget base,
1085

FY 1974-75:

BHE guidelines, 1081-82

Budget, capital

planning funds, School of Law

building, 650

sewage treatment, 904

Budget: operating funds analysis, July 1,

1970-June 30, 1973, 360-97

reallocation of resources, 361

health education, 361, 363-64

resource erosion, 361, 365, 366

decentralization, 361, 365, 367-69

contractual services, 362

equipment, 362

object analysis, 362

personal services, 362

functional analysis, 362-63

major factors in budgetary change,
363-65

types of accounts, 368-69

appropriations comparisons by line
item, 371-74

appropriations comparisons by function,
376-96

Business: cooperative Ph.D. program in,
646-48

Business, School of

expenditures for organized research, 348

merger of Small Business Institute and

Business Research Bureau into Center

for Research and Services, 874-75

Business Administration: graduate program
review, 26, 326

Business Division

renamed School of Business, 699
report on innovative teaching
programs, 823-27

Business Research Bureau: merger
with Small Business Institute,
874-75

Bylaws

procedure for presenting current
and pending matters, 89-90
see also Statutes of the Board of
Trustees

selection of associate
engineers, 502, 829-30
phase II renovation, 945-46

Refrigeration Plant, South--

phase I (IBA-77-006), recom-
mendation to award bid, 503
summary of bids, 504

School of Law Building

request for planning funds
part of 1974 capital budget
request, 650

Vocational-Technical Institute

Classroom and Office Building
architectural services
approved, 723-24

Security Services Building

report on preliminary draw-
ings, 724

Life Science I

Medical School remodeling, 815

Wakeland Hall (bldg. 0113)

conversion for use by School
of Law, 971-72, 994-1000

Kaplan Hall

conversion for use by School
of Law, 971-72, 994-1000

Buildings, SIUE

Temporary athletic facility, 94-99

Student activities center renovation
authorized, 255

Classroom Buildings II and III

request for BHE to release reserve
funds, 681

request to accept low bid, 681

Student housing

approval of financing proposal,
775-79

Wagner Building

renovations, 936-40, 1015-18

Single student housing project
development, 940-42

Nursing facilities,

funds released for study for, 973

University Center

renovations, 1009-10

School of Dental Medicine

Clinical Science Building, archi-
tectural services, 256-58

Continuing Education Center, archi-
tectural services, 256-58

Buildings 8277, 8278, 8285, 8287, 8288
renovation, 820-23, 1011-13

NIH funds released, 1119

Other, SIUC

parking facilities proposal approved,
700-07

Highway Safety Training Center,
Phase II, approved, 970-71

Mass transit system proposal dis-
cussed, 1045-46

Other, SIUE

Parks Air College, acquisition
proposed, 632-36

baseball facilities improvement,
642-44, 901-03, 1013-15, 1116-19

report on sewage treatment
planning, 903-04

Recreation Peninsula, improvements,
